YOUNG MEN TOWA

A solemn man recently entered a retaurant in the Scotch capital, followed by his dog, seated himself, and called for bill of fare. It was given him. "What would you like to have, sir?"

asked the waiter, flipping the table with his napkin. The dog meanwhile had climbed upon chair on the other side of the table, and

was gravely regarding his master.
"Well," said the solemn man, reflect ively "gimme some ox-tail soup."
"Gimme the same," said the dog.

The waiter's face assumed the color o "Cup of coffee and plenty of milk,"

went on the solemn man.
"Gimme the same," said the dog. The waiter shuddered, and turning fled

for the kitchen. A man with a squint at the adjoining table was much interested in the scer He had observed it closely, and finally spoke to the solemn man : "It must be a fearful lot o' work to

teach that dog to talk, mister." "It was," said the solemn man.
"I should think so," said the dog

"What would you take for him now said the man with a squint. "Wouldn't sell him," said the solem

"You'd better not," said the dog. impressed. He began making wild offers, and when he reached a twenty-pound note the solemn man relented

Well said he, "I can't refuse that. hate to part with him, but you can have

"He'll be sorry for it said the dog." The man with the squiet quickly handed over the note, which he gave to the ing when the dog cried : -

speak again." He never did. The man with the squint was propri etor of a travelling show.

### How a Fish Sees.

The medium in which fresh-water fish distance only in the horizontal direction, and the proper adjustment of the eye home; to teach the children that liquor would make, under usual conditions, the optical axis take this direction. To me for sorrow; that the home is brighter and isseems impossible to explain the constant revolution of the eye-ball on any other hypothesis except that given, viz: That possible intemperance is total abstinence.

of the particle desired upon the posterior these of temperance! You can succeed portion of the retins. In this case they where the printed word and the eloquent lose their usual horizontal position.

where the printed word and the eloquent address will fail. You can reach the state which refuses the influence of rociety and the church. Be aposites. Preach in the American Angler, the first movement is that of the eyes in unison in the direction of the training. This would be entirely unnecessary if the apparent axis was the axis of most distinct vision as one of the eyes would see all that was or the eyes would see all that was as one of the eyes would see all that was to be seen on the side of the turning. After this movement of the eyes the body turns enough to bring the eyes in their normal position, and there is again a movement of the eyes and next a move

The question usually arises after the mis-erable sufferer has tried nearly all the

Li was then that I was induced to give your remedies a trial though I must confess that I had but little faith that they would benefit me. But the results were wonderful. The wretched feeling that only those who have experienced the agonies of dyspepsia can know, completely left me after using but two packages of St Lawrence Byspepsia and now after finishing a package of St Lawrence Bitters I consider myself completely cured. I can now eat almost anything in the hape of food and hardly know that I have a stomach?"

I will so change his face that his mother would not know him and his soul that God would not recognize it.

Friends, it is because these things are true that womanhood has been aroused at last; for to protect her children is the apticular that a pitchfork. LINIMENT completely cured. I can now eat almost anything in the hape of food and hardly know that I have a stomach?"

Peter Piper Picked a Peck of Pickted Peters of Pickted Pepers." was a line of alliterative nonsense, that the children used to say. Nowadays they can practice on the Perfect, Painless, Powerful Properties of Pierce's Pleasant Purgative Pellets. It will impress a fact which will be useful to know. These Pellets cure sick headache, bilious attacks, indigestion, constitution and all stomach, liver and bowel troubles. They are tiny, sugar-coated pills, easy to take, and, as a laxative, one is sufficient for a dose. No more groams of the propersism of the best method of reducing the evils of intemperance to the minimum ?"—Judge Hubbard, of Iowa.

On really the the statement of the sufficient pills, easy to take, and, as a laxative, one is sufficient for a dose.— No more groans and gripes from the old drastic remedies! Pierce's Purgative Pellets are as painless as they are perfect in their effects.

SKODA'S LITTLE TABLETS, Midd, Safe, Efficient. Far su-perior to any pill. For Head-ache and Liver Complaint nothing can equal these Tab-lets. With the DISCOVERY they cure Rheumatism. 50 in a box only 35 cts.

Mother's Place in Temperance Work.

Home is the training school of virtu and mother is first teacher. To the child no influence is so great as that of the mother; no word truer than bers, no form more beautiful. It is to the mother that the child clings for protection, t her it looks for guidance. The good moth weep bitter tears over a lost child, then er is like an anchor to hold a child fast spank it like fury for returning. compass to guide it in its wandering.

The thought of mother has redceined many a wayward man whom no other influence could save. A good mother i.

If you do not know how good a remedy Gurfield Tea really is for constipation and sick headache, send a postal card to D. Densmore & Co. 317 Church Street, influence could save. A good mother i. God's best gift to home. To her con the duty of making home what God destined it to be, and when evil come to home it falls more heavily upon her than upon any one else. Where, then, i her place in the great battle of bon against intemperance? It ought to be in the very front ranks of home's best defenders. By word and exam; le she ough! to teach the children to love and practic the holy virtue of temperance; she ought to be the first to practice what she teaches The medium in which fresh-water fish-to banish from her home everytling that tends to encourage intemperance; to keep-

safest and best way to guard against all hypothesis except that given, viz: That the optical axis extends forward instead of sidewise.

When a fish wishes to eat anything, either at the bottom of the pond or at the surface of the water, it swims directly toward the object; and in this case the eyes are instantly adjusted in line with the body, so as to bring the image of the particle desired upon the posterior

nown and most highly respected woman in the United States, uses these strong ords regarding the business and results ment of the body. This causes a peculiar words regarding the business and results jerking motion of the eyeballs during of the saloon keeper. Are the word the whole time of the turning of the stronger than the facts every day warrant? We think not. "I do not delib-erately desire to do harm." says the rately desire to do harm," says the This is a question often asked by those that suffer from the effects of this disease. The question usually arrangements are suffered by the control of the c while. That is the reason why I am in or from physicians. To such the testimony of a well-known and highly respectable young man of Picton may be of interest.

Mr Wm. Adamson, under date of March 15th, 1892, writes:—"I am very glad to add my testimony to the marvelous efficiency of your St Lawrence Dyspepsia. Powders and Bitters. Mine was a very bad case of dyspepsia and though I had tried nearly all the popular remedies recommended or guaranteed as cures for that disease, I received little or no benefit and almost began to think there was no cure for me.

It was then that I was induced to give your remedies a trial though I must confess that L had hat little feathers. Mr Hugh Caldwell, Clydesdale, Ont. writes:—"My daughter was under the war of doctors for more than a year for female weekness, without getting relief, then procured Pink Pills and they cured here will after the song of the song of the procured pink Pills and they cured here." All dealers, 50c a box or 6 boxes for well-and different love the bacchanalian ditty of the saloon; he who used to breath God's name in prayers and lamost began to think there was no cure for me.

It was then that I was induced to give your remedies a trial though I must confess that L had hat little fellow from his mother was and young company, drawing him away gradually, until after a while I will change that boy's ideas to the writes:—"My daughter was under the ware of doctors for more than a year for female weekness, without getting relief. Then procured Pink Pills and they cured in the world of the song of the song of the procured Pink Pills and they cured in the world of the song of the song of the procured Pink Pills and they cured in the world of the procured Pink Pills and they cured in the procured Pink Pills and
