STEEL COMPANY WILL MAKE LARGE ADDITIONS

Capacity Will Be Increased Seventy Thousand Tons a Year.

HAMILTON, Wednesday, Dec. 1.—The Steel Company of Canada, the largest branch of which is situated in this city, has announced that it has decided to enlarge its plant. It is but a short time ago since an extensive addition was made, and Robert Hobson, general manager, stated yesterday that the intention was to provide for three new open-hearth furnaces, enlarge the blooming mill and add new rolls for the making of 8 and 9-inch shells. This will increase the capacity of the plant about 70,000 tons a year.

SERGEANTS ACCUSED OF BEING TACTLESS

Recruiting League Will Investigate Complaints About Them.

HAMILTON, Wednesday, Dec. 1.—The Hamilton Recruiting League has decided to investigate the numerous complaints made to the league in regard to the tactless methods of some of the recruiting sergeants attached to the local regiments. A report sent to the league in reference to a German who is said to be employed as an inspector of munitions will also be looked into at once.

LARGE SUM OBTAINED FOR PATRIOTIC FUND

Twenty-Five Thousand Dollars Raised in Day's Canvassing at Galt.

Special to The Toronto World. GALT, Ont., Nov. 30.—With \$50,000 as the objective amount in a three-day campaign for the Canadian patriotic fund, which opened here today, it was estimated this evening that \$25,000 had been realized in the first day's canvass although no reports were made this evening. FREE WHEAT YET SOUGHT.

The purchase of grades Nos. 1, 2 and 3 Northern for export to Britain and allies will not, however, offset the demand for free wheat. Western farmers have many millions of bushels of tough wheat that will not grade and which they are anxious to sell. It can be worked into flour and into cattle feed and the American market would absorb it at a good price all that it can get. The Canadian farmers who hold this inferior wheat will all be asking for free entrance into the States.

TROOPS IN GALLIOLI ACCLAIMED KITCHENER

"K" Visited One Position Only Twenty Yards From Turks.

LONDON, Nov. 30.—The visit of War Secretary Kitchener to the Anzac region of the Gallipoli front, as described in a press despatch from Alexandria. No announcement had been made in advance, except to members of the staff, but it was known that Kitchener's landing spread like wildfire. Soldiers rushed from their dug-outs, and he stopped frequently to speak with the men in the trenches, fearless of danger. He visited one position only 20 yards from the Turkish lines, and he was met by other important officers and a good idea of the situation before leaving.

BRANTFORD RESIDENT DIES WHILE AT WORK

TENDER LOW GET CONTRACT

But Made Up for on Addition.

ARITHMETICAL ERROR

Affirms National Construction Co. Feared Losing on Job.

Nov. 30.—Y. W. Horwood, provincial architect in charge of the contracts for the building, told in the presence of Commissioner Mathers and Mr. Horwood that the tender was not present when the contract was handed to the tenderers. He was asked after a conference with Mr. Kelly of the National Construction Company, whose tender was recommended to the government, to explain to him some items that he said he meant to retract and was prepared to retract until he was advised that the contract had been signed upon.

At Sign Contract. At the time the National Construction Company had refused to sign, claiming that their tender was too low, the company had a representative of the harbor board to form some scheme for taking earth from the bottom of the bay and depositing it at the pond.

Col. Clyde Caldwell appeared before the board in regard to more accommodation for the soldiers in Toronto and the expenditure of money for various purposes. A new heating apparatus is necessary at the Riverdale barracks, old general hospital, as two of the present boilers are not worth repairing. The board also requires a drain. The board recommended purchasing two second-hand boilers at a cost of \$500, which Commissioner O'Neill said he could not do. He decided to spend \$150 on the stables. Accommodation for two more battalions at the exhibition grounds was asked for and Mr. Church moved that 15 new huts be built, the same to be used as stables during the fair. Discussion on the plan disclosed the fact that these would cost \$250 each and that 15 would be needed. Controller O'Neill, Commissioner and Mr. Church were appointed to confer with the exhibition authorities and arrange for the work.

Get Papers. A curious attempt to secure some papers relating to the construction of the National Construction Company in the possession of T. S. told by Mr. Morrison, a grain exchange, was made by an accountant who had a report for the construction company.

Those concerned in Ald. Meredith's statement at the council meeting Monday regarding Judge Denton's findings had very little to say yesterday and the judge himself would make no remarks whatever. Col. Langton was almost as quiet and said he had not a word to say in reply. George Wilkie, K.C., said he was not disappointed, but he did not suggest M. H. Ludwig and had nothing to do with his appointment. Mr. Ludwig merely stated: "He is not a gentleman or he would not have said those things."

REVENUE HAD WEMBER INCREASE

Collected Nine Millions Five Millions Year Ago.

Nov. 30.—A very substantial increase in the customs revenue of November, ended today by the Hon. J. D. Thompson, minister of customs, was reported. The revenue for November was \$9,500,000, compared with \$8,100,000 for the corresponding month of 1914, an increase of \$1,400,000. For the month of the present fiscal year the revenue was \$9,500,000, an increase of \$1,400,000 over the corresponding month of 1914, or an increase of 15 per cent.

YORK RADIAL RAILWAY ASSESSMENT REDUCED

Court of Revision Makes Cut of Thousand Dollars Per Mile.

A reduction from \$8900 to \$7000 per mile was made by the court of revision yesterday in the assessment of the sub-structure and superstructure of the Kingston road section of the York Radial Railway, and this in face of the fact that the city has agreed to purchase the property at \$12,000 per mile. The assessment last year was \$4000 per mile, the last year being 2,351 miles within the city limits. The portion of the Mimico line within the city limits was reduced from \$8000 to \$7000 per mile, the distance covered by 1,690 miles. One thousand dollars reduction was made on the \$10,000 per mile assessment on the 4,044 miles of the Metropolitan within the city. Last year this piece of road was assessed at \$4000 per mile.

NEWS FROM THE CITY HALL

REPORT ON RADIALS MAY BE DELAYED

Mayor Announces. It Might Not Be Ready Until December Eighth.

CONSULT ENGINEERS

Board of Control Will Meet Them at Special Session Today.

BOARD OF CONTROL WILL MEET

Mayor Church stated yesterday afternoon that as the rapid transit report was far more elaborate than was at first expected, it would not be ready on December 1, as announced, but would in all probability be ready about the eighth of this month.

Engineers Gaby and Cousins of the Hydro-Electric Commission, and the harbor board, and Works Commissioner Harris had a conference on Friday, when according to Mayor Church the report was carefully gone over and revised subsequently being sent to the printer. It is interesting to note that the day set for the appearance of the report is the last day according to the Municipal Act, upon which a bylaw can be decided upon for presentation to the people at the forthcoming election.

A special meeting of the board of control is announced for today, when the three engineers who have been preparing the report will be present, and it is believed that the board will decide on what action the city will take in the matter, and something will likely be done immediately with a view of settling the necessary money bylaw before the people.

Chairman Hodgson of the board of education has asked the secretary to have Chief Inspector Cowley place before the board the reports of public school inspectors that were not included in the last annual report, and if the board decided to do so the information will be made public immediately. Mr. Hodgson could not explain the chief inspector's action in not publishing the reports of the inspectors, and declared that he was in favor of publishing everything that would benefit the public.

City council's action on Monday in deciding to submit to the people on January 1 the question as to whether or not members of the board of education should be elected annually instead of every two years, did not cause much agitation amongst the members of the board, and while there is some difference of opinion they are all satisfied that the matter should be settled by the people.

In view of the action of the city council on Monday which gives the city treasurer the exclusive right to prepare the estimates of revenue from the city's undertakings, thus taking from the controllers the power to alter same, which power they have long enjoyed, the difference in the figures for the past five years will be of interest.

CLAIM BIG DAMAGES BEFORE ARBITRATOR

Before official arbitrator P. H. Drayton, K.C., the Sunnyside bridge matter proceeded yesterday morning and property owners on Queen street west of Roncesvalles avenue were heard. They claim \$200,000 damages from the city and the Grand Trunk Railway, because of traffic being diverted through the construction of the viaduct at Sunnyside. The case will go on this morning.

MAY SUBMIT THE BYLAW

To Authorize \$3,000,000 for Hydro Radials Asked by Sir Adam Beck.

The opinion at the city hall appears to be that the council will submit a bylaw authorizing \$3,000,000 for hydro-electric radials. A commission composed of Mayor Church, E. L. Cousins, Chief Engineer Gaby, Works Commissioner Harris, City Solicitor Johnston and City Treasurer Easterson, is proposed to carry out the construction of the radial system.

MAYOR MIGHT LEAVE MASSEY HALL BOARD

Threatens to Resign Unless Pro-German Concerts Are Barred by Trustees.

Mayor Church threatens to resign his position as one of the trustees of Massey Hall, unless concerts of a pro-German nature are discontinued. He also says that he will take the matter of pro-German entertainments up with the police commissioners and will ask that concert hall permits be cancelled where anything of the kind is allowed.

YORK RADIAL RAILWAY ASSESSMENT REDUCED

Court of Revision Makes Cut of Thousand Dollars Per Mile.

A reduction from \$8900 to \$7000 per mile was made by the court of revision yesterday in the assessment of the sub-structure and superstructure of the Kingston road section of the York Radial Railway, and this in face of the fact that the city has agreed to purchase the property at \$12,000 per mile. The assessment last year was \$4000 per mile, the last year being 2,351 miles within the city limits. The portion of the Mimico line within the city limits was reduced from \$8000 to \$7000 per mile, the distance covered by 1,690 miles. One thousand dollars reduction was made on the \$10,000 per mile assessment on the 4,044 miles of the Metropolitan within the city. Last year this piece of road was assessed at \$4000 per mile.

NOT ANTICIPATING EARLY ELECTION

E. M. Macdonald, M.P., Says Liberals Not Bothering Heads About It

WILL FIGHT GARLAND

Will Also Offer Opposition if De Witt Foster Should Run.

Mr. E. M. Macdonald, M.P. for Picton, N.S., and a Liberal leader of national proportions, was in the city yesterday on route for Chicago, where he speaks tonight at a St. Andrew's Day Banquet. Seen by The World at the King Edward Hotel, Mr. Macdonald reported that business was prosperous and times good in the maritime provinces.

"How about the election?" he was asked. "We will hardly have one before Christmas," he answered smilingly. "I do not think our people are bothering their heads much these days about politics. When we get together at Ottawa I have no doubt that some arrangement will be made for extending the parliamentary term. Of course, some Tories want an election, as also do many of the Grits, but the feeling throughout the country is against the strain and excitement of a war-time election."

"With charges of disloyalty flying about?" "I do not anticipate anything of that kind," returned Mr. Macdonald. "Too many Liberals, like myself, have members of their families at the front to fear such a silly campaign being inaugurated. At the same time I think it might be as well to extend the lifetime of parliament, say for another year."

Contest By-Elections. "How about the by-elections?" "I understand that in King's County, N.S., Mr. De Witt Foster will be the Conservative candidate. If he is I think no doubt a Liberal candidate will be put up against him. If U. F. Garland runs again in Carleton as the government candidate he will no doubt have opposition. In Manitoba we feel that Sir James M. Smith and Mr. H. Shorne should not be returned by acclamation. In all four constituencies, however, we are quite willing to have the government fill the vacancies with men of their own political household. So far as Manitoba elections are concerned, I regard that as rather a local question, but think a more serious question of principle is involved in the case of Messrs. Foster and Garland who were prime ministers."

When told of a rumor that the government might appeal to the country if the by-elections were by acclamation, Mr. Macdonald waxed facetious. "That would be a great issue upon which to appeal to the country," he said. "People in short, would be asked to give a vote of confidence in De Witt Foster, W. F. Garland and the Roblin government."

RUSSIAN PATROL RAIDS FOE'S STAFF QUARTERS

Two Generals Taken Prisoners and Carried Off Southwest of Dvinsk.

Special Cable to The Toronto World. PETROGRAD, Nov. 30.—The Russians conducted the first successful raid on hostile staff quarters in the war Saturday night when they crossed the German lines southwest of Pinsk, entered the mansion housing the staff of the 82nd German division, and took prisoner two generals, one being the chief of the division, a doctor, and three staff officers. The raiding party then retired with a loss of nine wounded and two killed.

The Russians also checked a German offensive northwest of Dvinsk, dislodging the enemy in a counter-attack from the Kazimirich farm and a wood to the west of it.

ELORA, Nov. 30.—The result of the church union vote in Knox Church, Elora, is as follows: Elders for 3, against 6, members for 44, against 155, adherents for 11, against 11, majority against 115.

COPYRIGHT CASE LOST BY AUTHOR

Mission Book Company Held Not to Have Infringed Rights of W. O. McIndoo.

TWO BOOKS ON BIRDS

Titles Almost Similar and One Comes Out Three Months After Other.

Mr. Justice Macdon, at Osegoe Hall, yesterday dismissed the action brought by W. O. McIndoo against the Mission Book Co., Limited, alleging that the defendants were selling a book under the title of one published by him. The plaintiff is the publisher of the "New Canadian Bird Book," for which he holds the copyright, while the company have issued a book on the same subject entitled the "Canadian Bird Book." The latter's publication was placed on the market in the spring of 1915, or about three months later than the plaintiff's.

In giving judgment his lordship held that the plaintiff's book could not have acquired a reputation before the company's book was placed on the market, and it was also very questionable whether there was adequate evidence that the defendants had passed off their book as McIndoo's.

The appeal of the McClary Manufacturing Co. against the decision of Judge Dromgoole of Essex County, has been upheld by the second appellate court. The company is allowed to rank on the funds in the sheriff's hands as execution creditor of George N. Harrison, of Sandwich. The county court held that the assignment of Harrison, on Feb. 17, cut out subsequent executions placed in the sheriff's hands. The second appellate court list for today is: Re Robert Hamilton estate; Bank of Hamilton v. McCall; re estate of G. S. Beck (two cases); Berlin Gramophone Co. v. Pollock; Knight v. Confederation Lumber (two cases); Campaigne v. Carver; Instrurban v. Lochrie.

BANQUET FOR PTE. UPTON.

A banquet is being tendered this evening at the Victoria Hotel, which has returned wounded from the battlefield in France, by the members of the Garrett Bible Class of St. Stephen's Church. will be left on deposit till required for the credit of the minister of finance with the several banks from which they are withdrawn by the depositors. The instalment payments are spread over six months, and the total amount raised by the loan will be spent in Canada in raising, equipping and sending forward Canadian troops. It is not generally known that eight per cent at least of the whole of the war expenditure to date has been spent in Canada. The successful flotation of the war loan will enable the minister of finance to assist to a still greater extent in the temporary financing of the shell committee for the imperial treasury.

Government Appreciative. "I desire," he added, "to express the deep appreciation of the government of the magnificent response by the people of Canada to the war loan issue. The healthful spirit in itself, will go out to the whole world as an unmistakable evidence of Canada's financial strength and of her steadfast determination to prosecute this war, waged in a righteous cause, to a triumphant conclusion. To all those who by their patriotic and co-operative action have contributed to the success of the loan, to the public who have subscribed, or by their patriotic good will have encouraged subscriptions, to the financial community who have assisted so powerfully, to the brokers who worked so faithfully, to the press whose active aid and zealous support have been invaluable beyond expression, our warmest thanks are cordially and gratefully extended. The Canadian people never fail to rise to the full height of any great occasion."

FALSE PARIS RUMOR HOLDING GREECE BACK

Report That Allies Would Abandon Saloniki Has Unfortunate Effect.

PARIS, Nov. 30.—A despatch to the Havas Agency from Athens, dated yesterday, says: "In well informed circles the feeling is that the situation cannot remain as it is, and it is understood that an effort will be made by representatives of the entente powers to obtain clearer and more precise indications of the intentions of the Greek Government than were contained in the latest answer of the latter."

A false report from Paris circulated here that the allies intended to abandon Saloniki is thought to have had the effect of delaying the satisfaction sought by France and Great Britain.

Rheumatism and Lumbago

Mr. Wm. Parker, 105 Cayuga street, Brantford, Ont., tells in the following letter of his remarkable experience with Dr. Chase's Kidney-Liver Pills:—"My doctor treated me for some time for Sciatica, Rheumatism, Lumbago, but to no purpose, for I had to lay off work. The visiting officer of Sick Benefit called to see me and advised the use of Dr. Chase's Kidney-Liver Pills, stating that he had been cured of the same trouble by their use. I asked the druggist about them and he recommended them highly. Not being satisfied with this, I went back to my doctor, and when he said they were good I began their use. The promptness with which they enlivened the action of the kidneys and bowels was wonderful, and it was not long before I was rid of all my trouble. I had awful, sharp pains in the lower part of my back and left hip, and was so bad that I could only walk by hanging on to a chair or the wall. My wife had to lace my shoes. Only those who have had this ailment can realize the way I suffered. I am writing this letter to let people who have my trouble know of these pills. You are at liberty to use this letter, and if anyone interested will call or write to me I will give every detail."

When you have pains and aches put Dr. Chase's Kidney-Liver Pills to the test. By enlivening the action of liver, kidneys and bowels they cleanse the system of all poisons, and thereby remove the cause of rheumatism, lumbago and other painful diseases.

NEWS OF SPECIAL INTEREST TO WOMEN

PITIALE PLIGHT OF PTE. NORRIS

Sent Back From Soo To Toronto To Draw His Back Pay.

WRECKED IN TRENCHES

Shrapnel Affects Speech and Lyddite Fumes Seriously Injure Lungs.

Most pitiable was the case that came to the attention of the civic reception committee for returned soldiers, at the city hall yesterday, when Pte. Norris, who enlisted in Toronto some months ago, did his bit in the trenches, was wounded, discharged at Quebec and given \$16.91, asked for consideration.

When war was declared Norris was a railroader and had a good position working from the Soo, where his mother still resides. He came to Toronto and joined the colors here and marched away among the first battalions to leave. While doing his duty at the front, he was hit by shrapnel in the head, and as a result his speech has been impaired. He was wounded also in the explosion of a lyddite shell and the fumes from it have affected his lungs. He is in "bade shape" generally.

Returned to Toronto. When he arrived at South St. Marie for three months' pay, to which he says he is entitled, he was told by the authorities there that he had better return to Toronto, where he enlisted, and that he would be cared for. He came back and went to the soldiers' convalescent home on College street, where he was told by the medical staff that the colonel had no authority to do with the case, because he had been discharged.

As a last resort, Norris called on Sgt. Major Crighton, Mayor Church's military secretary, and thru him he met Ald. Maguire, chairman of the reception committee, and both promised to get in touch with W. K. George of the hospital commission. "I do not want charity," said Pte. Norris. "All I want is what is coming to me."

Ald. Maguire told him it would take some time to adjust matters, but added: "What do you want to do in the meantime?"

"Well, I have a brother in Hamilton who has enlisted, and I would like to see him."

"Go on," said the alderman. "Go and visit your brother, and in the meantime, we will go into your case. You better stay a couple of days, then come back and we will have done something by that time."

"In a very few minutes the trip to Hamilton had been financed and a little money secured for small change. The big, burly soldier, clipped and torn in the fight for his country, understood at last that he had not been forgotten."

He discovered that Toronto had after the men his sends to the front.

SEND SOCKS TO SOLDIERS.

Brophy Umbrella Co. Employees Have Already Forwarded Two Parcels.

The patriotic tea given by Mrs. H. P. Mann of 58 De Lisle avenue, realized \$38, which will be used in payment for the knitting of socks.

Socks for boys at the front are receiving attention from the employees of the Brophy Umbrella Co. They have already sent two parcels of socks, knitted by themselves, to Pte. Samson of the 19th B.C., and Pte. Trooper Leithern of the Fourth C. M. R., to be distributed where they are most required.

VALUABLE ANTIQUES AT HENDERSON'S SALE

Oriental Rugs, Period Furniture and Rare Ornaments at Auction Now in Progress.

Valuable oriental rugs, house-furnishings and rare ornaments were included in the catalog lists of the Chas. M. Henderson sale, which commenced at 128 East King street yesterday morning at 11 o'clock. The collection included, valuable period furniture, floor coverings, solid silver, china, crystal, and oil paintings from the estates of the late Arnold Macaulay and E. J. Nixon, and a small collection of quality set old jewelry from another estate. Quite a number of would-be purchasers were on hand at the opening hour, and when Mr. Henderson in his customary courteous manner took his post at the side of the platform enthusiastic bidding was at once the order of the day.

Altho many very fine pieces of furniture were sold at a sacrifice, good prices were offered for most of the articles. Consistently, the period furniture was a quiet old colonial turned poster bedstead, which brought \$15. A beautiful walnut chest of drawers, which went for \$13. A Jacobian carved oak desk sold for \$22 and was worth much more. Two chairs to match went for \$11 each.

Good prices were paid for nearly every article auctioned, and especially on the antique furniture, of which there were some choice bits. A colonial sideboard went for \$123. Some fine oil paintings were sold from \$5 to \$85. A mahogany sideboard was put under the hammer for \$85, and an old grandfather's clock, after some active bidding, for \$84.

A remarkable bargain in china was a lovely Purnell dinner set in blue and gold, which was purchased for \$32. Two hundred and seventy sales were made and there are 280 numbers listed for today's sale, commencing again at 11 o'clock at the Chas. M. Henderson premises, 128 East King street.

WILLS PROBATED

William G. Andrews, who died on Nov. 4, left an estate of \$1900, constituted by an equal share of \$950 each to Logan and his wife, the estate is divided among the widow, four sons and six daughters, and a daughter-in-law.

The estate of Miss Sarah Jordan of the Township of Whitechurch, who died on July 7, is valued at \$1877.32, and is administered and equally divided among five brothers, two sisters and a niece.

Two hundred and sixty-two dollars and fifty cents represented Ontario holdings in an estate of \$30,000 left by John Hishop of Edinburgh, Scotland. Probate for the will has been granted to his relatives in Scotland, who are beneficiaries.

NEW CUSTOMS RECORD.

Month of November This Year Biggest in History of Toronto Port.

The increase in customs revenue for the month of Toronto for the month of November, 1915, over 1914, amounts to \$1,001,029.79. Following are the figures for the past four years: 1915, \$1,029,512.77; 1914, \$928,496.98; 1913, \$1,386,974.85; 1912, \$1,356,848.88. November, 1912, was the biggest November for revenue until 1915.

ITALIAN MUNITION PLANTS IN DANGER

Arrest of Persons Connected With German Consulate is Imminent.

PARIS, Nov. 30.—An attempt on the part of Germans to destroy munition plants in Italy following the formation of a despatch from San Remo, Italy, to have been discovered by the Turin police. The plan was to have been directed from Lugano, Switzerland, and the case was referred to the Swiss police, who arrested a boatman. In the possession of the boatman were found two boxes, labeled chocolate, which he was about to ship to Turin. The boxes were filled with dynamite.

The Journal's despatch adds that the arrest of a number of other persons, some of them connected with the German consulate, is imminent.

ACTRESS TELLS SECRET

A Well-Known Actress Tells How She Darkened Her Gray Hair and Promoted Its Growth With a Simple Home-Made Mixture.

Miss Blanche Rose, a well-known actress, who darkened her gray hair with a simple preparation which she mixed at home, in a recent interview at Chicago, Ill., made the following statement: "Any lady or gentleman can darken their gray hair and make it soft and glossy with this simple recipe, which they can mix at home. To a half pint of water add 1 oz. of bay rum, a small box of Orlex Compound and 1/2 oz. of glycerine. These ingredients can be bought at any drug store at a very little cost. Apply to the hair twice a week until it becomes the required shade. This will make a gray-haired person look 20 years younger. It is also fine to promote the growth of hair, relieves itching and scalp humors and is excellent for dandruff and falling hair."

The Ten Commandments the Basis of All Law

Nowhere in all the centuries of recorded speech will you ever find so brief and comprehensive a summary of the moral obligations due from man to another as in the Ten Commandments. They form the basis of all the laws of the world, and have ruled and guided mankind from the time of Hammurabi until the present. But they are only one of the important features that make the Bible the Book of Books, whose teachings have guided mankind for centuries.

THE REAL IDEAU ROUTE.

A reputation for innovations has already been established by the Canadian Northern Railway. Sometimes it is a small convenience, such as the patent iron robes which are placed in their sleeping car berths. Again it is an important service such as the operation of the first day trains between Toronto and Ottawa. These last have proved so popular that further improvements have recently been made. Equipment now includes cafe-parlor-library-observation cars, and patrons of the day trains, which leave Toronto at 10:20 a.m. and Ottawa Central Station at 1:10 p.m., are sure of a scenic trip via the only genuine Rideau Lakes route. Convenient night trains are operated daily.

FIGHTING ALONG ISONZO IS BLOODIEST OF WAR

Losses on Both Sides Enormous and Munitions Are Lavishly Used.

AMSTERDAM, Nov. 30.—The fighting along the Isonzo is described by Archibald Joseph Ferdinand, the Austrian commander, in an interview forwarded by a correspondent of connections at Warburg. The battle for the Gorizia bridgehead, which is still undecided, is said by the correspondent to be the bitterest and most bloody of the campaign. Losses are enormous and there is a tremendous expenditure of ammunition.

EXPEDITION AGAINST EGYPT?

ROME, Nov. 30.—It is asserted that the reports from Asia Minor that Djemal Pasha, former Turkish minister of marine, was in rebellion against Enver Pasha, the minister of war, are unfounded. Djemal, it is said, instead of being in rebellion is actively organizing a new expedition against Egypt.

GERMAN WOMEN FIGHTING IN TRENCHES, 'TIS SAID

Report Has It That Two Hundred Captured Soldiers Were All of Gentler Sex.

It is reported that German women have been called upon to fill gaps and are now actually fighting in the trenches. The report is that German soldiers, 200 in number, were captured, all of whom turned out to be women. They were armed and at a distance had the appearance of able-bodied men. Why women are put in the trenches is not known, but the inference is, that the losses of the men by death, and the dearth of others to take their place, make it necessary for the women to fill the gaps and go to the front.

Miss Margaret Bell Saunders, Toronto, Wounded While Looking After Belgian Exiles.

Miss Margaret Bell Saunders, the Toronto newspaper woman, who was wounded while engaged in the work of attending Belgian exiled children at Furnes, is said to be recovering in the big hospital at La Panne. Miss Saunders was at the same time a German taube which at the same time fatally wounded Miss Yan Heo, daughter of the burgomaster of Furnes, who died some hours later in the arms of another lady well known to Toronto. Mrs. Innes-Taylor, who was when completely recovered Miss Saunders will resume her work at Furnes.

NOVELTIES IN FURS AT MOSHER DANCE

Pleasing Pageant With Striking Costumes Presented at Columbus Hall.

PUPILS PARTICIPATED

Six Members of Advanced Classes Assisted in Most Unique Feature of Season.

By special arrangement with the Sellers-Gough Company, who have just received a large shipment of the season's latest approved creations in furs six young ladies of the Moshers advanced classes formed one of the handsomest groups of exclusive models seen in Toronto during this or any previous season at the regular Tuesday evening dance, conducted by the Moshers Institute last evening at Columbus Hall.

The pageant was announced at 10 o'clock, when the orchestra played a special accompaniment and the girls stepped out one by one, arrayed in gorgeous peltry from chin to boot top, danced slowly about the hall and disappeared. Mrs. Macpherson led the group wearing a luxurious Hudson seal model trimmed at neck, wrists and hem with wide bands of natural fur. The coat was worn to advantage by Miss Edith Pollard, who also wore a modish little turban in castle rose velvet, trimmed with a high-pleated flustering and narrow band of the seal.

Miss Marjorie Nicoll looked charming in a handsome seal wrap with square collar, deep cuffs and hem trimmed of Russian ermine. With it was carried a tiny round ermine muff, frilled at the ends. A close cap-like hat of the same fur completed this remarkable costume.

A stunning sports coat of natural seal, trimmed with Hudson seal was worn to advantage by Miss Edith Pollard, who also wore a modish little turban in castle rose velvet, trimmed with a high-pleated flustering and narrow band of the seal.

Miss Mary Ritchie in a youthful emerald-green sailor, drooping back and front and trimmed with a wide band of seal, looked remarkably well in a natural leopard skin coat. This was extensively trimmed with bands of Alaska sable.

Miss Anna Breen displayed another charming costume consisting of an Alaska seal coat—very full the skirt and prettily trimmed with ermine fox—and a delightful picture chapeau of rose silk velvet with white lace brim and a wide band of seal. The hat was brim rose abruptly off the coiffure. A very dainty little pink torpedo shaped hat trimmed with violet and a seal coat for collar and cuffs was worn by Miss Pauline Duff.

At the close of the pageant Mrs. Moshers appeared in a beautiful set of white fox, white hat and blue silk costume, and danced the "White Fox Trot" with Mr. Moshers.

DAUGHTER OF ASQUITH IS WEDDED IN LONDON

Royalty Was Represented at Ceremony in St. Margaret's, Westminster.

LONDON, Nov. 30.—Premier Asquith's daughter Violet, and his secretary, Bonham Carter, were married at St. Margaret's, Westminster, this afternoon.

The wedding was attended by most of the members of the diplomatic corps, representatives of royalty and many society people. Except for the brilliance of the gathering, the affair was a quiet one.

The bride wore an ivory satin gown of medieval pattern. The bridesmaids, Miss Elizabeth Asquith, the bride's half sister, and Miss Kathleen Tennant, her niece, were in Russian costumes of apricot chiffon, full-skirted and fur-trimmed, with velvet coats and drosky driver hats.

GERMAN WOMEN FIGHTING IN TRENCHES, 'TIS SAID

Report Has It That Two Hundred Captured Soldiers Were All of Gentler Sex.

It is reported that German women have been called upon to fill gaps and are now actually fighting in the trenches. The report is that German soldiers, 200 in number, were captured, all of whom turned out to be women. They were armed and at a distance had the appearance of able-bodied men. Why women are put in the trenches is not known, but the inference is, that the losses of the men by death, and the dearth of others to take their place, make it necessary for the women to fill the gaps and go to the front.

GERMAN TAUBE VICTIM REPORTED RECOVERING

Miss Margaret Bell Saunders, Toronto, Wounded While Looking After Belgian Exiles.

Miss Margaret Bell Saunders, the Toronto newspaper woman, who was wounded while engaged in the work of attending Belgian exiled children at Furnes, is said to be recovering in the big hospital at La Panne. Miss Saunders was at the same time a German taube which at the same time fatally wounded Miss Yan Heo, daughter of the burgomaster of Furnes, who died some hours later in the arms of another lady well known to Toronto. Mrs. Innes-Taylor, who was when completely recovered Miss Saunders will resume her work at Furnes.

Await Russia's Move. German papers state that Field Marshal Von Mackensen's army, with Bulgarians and Turks, is to be directed against the Anglo-French forces in the south but doubtless many of them are going down the Danube to meet the Russian advance.

Expecting every day to hear of the movement of the Russian army, which the emperor recently reviewed in Gesslar, but apparently the negotiations with Roumania for the use of the Danube have not been concluded. A Budapest report goes so far as to say that Roumania has refused permission to the Russians to use the river thru Roumanian territory, which would be the more convenient route for an attack on western Bulgaria.

Would Crush Montenegro. A big campaign, with the object of overcoming Montenegro, has been begun by Austro-Hungarian forces, according to reports from Vienna. Austro-Hungarian forces are reported already across the River Lim, which parallels the frontier about 10 miles to the eastward in the Sarajevo.

Bulgaria Take Initiative. An official statement from Berlin today says: "In the Balkan theatre of war at Rudnik, to the southwest of Mitrovitz, enemy forces have been driven back by parts of Gen. von Koevlev's army at this point and to the west of the Stitica River, about 1000 prisoners were taken by Gen. von Gallwitz.

Bulgarian forces are reported to have captured more than 3000 and eight cannon."

Bad lucked by weather. On the French front in Serbia, making operations impossible," says a despatch to the Hayes News Agency from Saloniki, dated Monday, Nov. 29. "The question of supplying the troops with provisions has been occupying the better portion of the past three days."

A French reconnoitring party brought word that the Bulgarians had reached Mraz in the right bank of the Cerna River.

No attack on Monastir was made by the Bulgarians yesterday.

The Austrians have shipped some 200 mortars to Bulgaria for the defence of districts where the Germans have installed hydro-aeroplanes hangars.

Roumania Holds Aloof. According to telegrams from Bucharest, Roumania has notified Russia of her earnest desire to remain neutral, says a Copenhagen despatch to the Echo Telegram.

Consequently, Russian ships will be permitted to enter the Danube, which, it is emphasized, has been denied.

Rugby Junior School Win Mulock Cup Honors

VICTORIA TROUNCED IN THE FINAL FOR THE MULOCK CUP

Junior School Outplayed Methodists at All Stages—Knox, of Victoria, Had His Collar Bone Broken—School's Good Back Field.

Junior School will house the Mulock Cup for the winter, and the Victoria team is the van as far as intercollegiate Rugby honors are concerned by reason of their win over Victoria in the final game of the Mulock Cup series at the Stadium yesterday afternoon, when a verdict of 13 to 3 was rendered against the Methodists. Although they entered the game favorites, Vics were plainly outplayed by the Junior School men. The Victoria students had a much better back field than Vic did, and this to a large extent was the cause of the 8 to 2 win. For the first two quarters the play was very even and the count at the half-line was 2 to 2. School lasted better in the latter part of the game. Their backs played a steady game all the way thru, while Vics fell down badly.

The absence of W.H. Bowles, who sustained a broken rib in the game against Senior Breds, was largely responsible for Victoria's defeat. The place of the clever quarterback could not be filled. Deasley was not able to make Vics machine work as smoothly as Bowles has been able to do, and Parney, who filled Deasley's place on the rear guard, fell down woefully at critical moments and allowed School to score the points that put them in the lead. On the line School had a hard task to hold their own. Crane and Birdsell hit the line hard and their persistent pounding at last brought results. They stood head and shoulders above the rest of their team and were largely responsible for pulling the game thru to a successful issue.

Birdsell was well supported on the half line by Mix and Scott, who got in effective work and helped to outclass the crippled Victoria rear guard. Sweatman and Knox were the good men on the Vics line until the latter had to retire with a broken collarbone. Adams and Griffith were good on the defensive work. No outside interference was tolerated by Referee Warren Coryell, who called everything that came under his notice, showing a distinct change of mind from the other games which he has handled. Vics claimed that they had interference called when they were not at fault, and they said they had the best team on what was a poor field today, although it must be admitted that Vics were under their own trees and would have won out if they had shown the same team and the same kind of a game that last week.

School were not generally admitted to have any too bright chances to beat the Methodists and their fast game came as a surprise to the men from Hurvash Hall. Referee was fair for Victoria as flying wing, but he was off at a time when his team would have had a clear game on Victoria's back field, but his work was not as effective as last week.

It was an ideal game from a player's standpoint, although there was a chilly breeze that blew across the field and tried desperately to dampen the spirits of the rosters of the rival factions. Each team received lots of encouragement and over 1000 people continually splitting the air during the struggle, and the rosters frequently tried to drown each other out.

The Play in Detail.
The Methodists kicked off to the north-east end of the field. After the kick-off Vics gained possession on interference. Crane and Birdsell ran Pearson's kick out on the last down. School was not able to make headway on two downs so Birdsell hoisted to Parney, who

was filling up the gap on the Victoria line. Knox got thru for a 15-yard run when he found a hole in School's line. Watson went thru for eight yards. School gained possession on interference on the next down.
Crane broke thru for an 18-yard gain for School. Parney kicked out from behind his own line when Birdsell booted one over and saved the situation for a moment, but the Schoolmen could not be denied and they came in for a rousing moment after another of Birdsell's long punts. Scott muffed Pearson's kick on the last down and School was held on its own 35-yard line. Parney ran back Birdsell's punt 15 yards and then Pearson broke away for a 40-yard run. Before he was grasped on School's 35-yard line, Watson's kick was blocked and Vics lost possession. Birdsell gained more. Birdsell booted again for 10 yards and sent the ball to the dead line. School 2, Victoria 0.

Vics gained yards on straight bucks, but lost on interference. They regained possession on School's offside and Pearson went around the end for a 20-yard gain. Watson made yards on a plunge thru. Vics then lost after failing to make yards again.
In the second quarter Victoria came right back and tied the score up when Birdsell booted for 10 yards. Sweatman got away with a 15-yard run. Horning tried to drop-kick and failed. The teams were still chalked up with two points each at half time.

Vics gained 10 yards on the kick-off. School lost possession on their own 30-yard line, but got it again when Pearson sent the ball dribble into touch. Vics gained yards once and were allowed yards again for interference. Watson lost possession for Vics when he faked a kick and then attempted to break thru. School gained yards and then lost the ball on the second attempt to pass the line. Scott made a great run back of Pearson's punt when he took the ball on the dead run.
Victoria were forced back to their own 5-yard line. School gained possession and Scott dropped a goal from 15 yards out, making the score School 5, Vics 2. There was no change until after the beginning of the fourth quarter. Birdsell got credit for a touch in goal when Parney fumbled. Vics gained yards and then lost possession. Pearson made a great run back of Birdsell's punt. After an exchange of punts School gained yards. Pearson muffed and School got possession of the loose ball.
Parney muffed behind his own line and Gouinlock fell on the ball for a try, killing Victoria's chance. The try was converted and the score was 12 to 2.

The continued on the offensive, Birdsell booted for another dead line and the final count was 13 to 2. The teams were:
Junior School (13)—Breen, flying wing; Mix, Birdsell, Scott, halves; Angus, quarter; Gardner, Peters, Houston, scrum; Mackie, Burton, Phillips, insides; Crane, Gouinlock, Gouinlock, McGavin, outsides.
Victoria (2)—Horning, flying wing; Pearson, Watson, Parney, halves; Beasley, quarter; Timmins, Blatz, Sprachlin, scrum; Adams, Griffith, insides; Sweatman, Knox, middle; Lewis, McCrea, outsides.
Referee—Warren Coryell.

TIGERS NOT GREAT TEAM IS ADMITTED

Hamilton Herald Says Team of Two Years Ago Much Superior.

Hamilton Herald: If Toronto Argonauts had played the same brand of Rugby all during the season that they displayed against the champions in the benefit game, they would have occupied the top of the league without a single defeat. The team has gone under just the same as Ottawa and Montreal certainly the double-blue warriors were a great machine on Saturday, and much better than Tigers were at any time during the campaign. Granting that Tigers were shy on practice, the scullers still had a polish to their play that would have won for them any day.

It was most discouraging for a Hamiltonian to sit by and witness the slaughter of the Argos, but the team was out and in every way outplayed the Tiger trio; the outside wings pounced down the field as regularly as clockwork, and refused to allow the Bengal rear-guard the slightest chance of getting away, and the huge wing line pounded its way thru for big gains so often as to make one dizzy. Against such an attack the entire squad was clearly outclassed. The Argos' backs were complete masters. As they say of a team that pitches in like everything, "Tigers capture the big one." Dominion honors, but they were not a dominant team. The Argos were not prepared for a minute with the aggression of 1913, that swept all before it. From Montreal to Calgary, the Argos were more to the weakness of the other clubs than to their own prowess, and they did not show up in their best form. The simple reason that they didn't think it necessary to show any earnestness in their play. The Argos were a 7-to-2 score at the H.A.A.A. field, and there always close enough to reverse the result. The Argos were not out of their minds. Eddie Livingston's T. & A. outfit were also beaten by a small margin. Neither were they out of their wits.

The Tiger back-field was the big disappointment of the year. They had five candidates for positions behind the line, but the bulk of them were on Sammy Manson, and regardless of whether a back may be, he can't accomplish much in this line. The best of the year was McKelvey was not him; he was not in the battle in Ottawa, when he was subjected to the most severe test he ever had on home on the back division, and Jack Kelvey's work was also a big disappointment. He was not in the line when that was expected to help win any game, he started in, was lacking as a result. The Toronto crowd was not in the mood to help him, and he did more than his share, but what can one man do against a trio such as Manson clearly earned the distinction of being the greatest half-back of the season. He was in reality the backbone of the line in the last three or four games. Realizing that he was the most dangerous man to contend with, the other backs kept a watchful eye on him, and the result was that in the last two games played before Toronto crowds were not allowed to show anything like the form that stampeded the Canadian best. He tried hard, but was a marked man. He never knew the amount of work he was forced to do in each game.

In the game with Argos proves the necessity of having outside wings of the calibre of Frank Knight. The husky talent put up one of the best games of his career, and Garrett's long punts were big crowd-gainers because of the speed and great tackling ability of this able outside wing. Seldom does Knight miss a man. His eye gives the opposing backs a shock, too, that slows them up after a few tackles. The outside wings normally have always been in need of bolstering by Tigers. Tacklers like Ted Savage, Rufus Ryan, Knight, and Little "Mac" Murray have not been discovered in the local camp since the days of Charlie Martin, Don Lyon and "Liz" Marriott.

BROCKLEY SMILE WILL LIKELY JOIN O.H.A.

Eastern Clubs to Form Strong Group—Signing Up the Pro Players.

A Brockville despatch says: The executive of the Brockville Hockey Club is undecided as to whether it will join its aid to the organization of an independent eastern league or go in with a consent to form another group of the O.H.A. The latter move is meeting with more popular favor, but definite decision has been reserved for another deliberation of the executive. Jim Sutherland of Kingston wants Brockville, Cornwall, St. Patrick's (Ottawa), and Kingston Frontenacs grouped for the O.H.A., with a likelihood of Smith Falls being included. Queen's College has also been negotiating with Brockville to catch a place in some league with the Island City.

Montreal sends the following: The Canadiens now have eight players under contract for the coming season, and arrangements are being made to offer them by Manager George Kennedy yesterday afternoon. Seven of the Red Bands have attached their signatures to the contracts offered them by the club's executive.

The hold-outs on his team are not causing President Lichtenhan any anxiety. "If these players do anything and turn out to practice when they are notified, they will have to accept lower salaries than those originally offered them. We will pay each player according to the condition he is in when he turns out, and none of them will get themselves into condition at our expense," said the Wanderers' executive chief.

The players signed up to date by the two local N.H.A. clubs are as follows: Canadiens—Vezina, Corbeau, Pitre, Shaw, Gagnon, Lajoie, Deslaur and Berliandette. Wanderers—Hesson, Boyes, Sprague, Chagnon, Ulrich, Odie Cleg-horn and Stephen.

This comes from the coast: Tommy Phillips, the old Kenora star, and Mickey Ion, both of whom have returned to practice in the Pacific Coast League in past seasons, will again be in charge this season. Frank Patrick, president of the N.H.A., announced this morning. When all four clubs are in charge of the matches, they will be assisted by judges of play. The latter will be named before the opening of the season on Dec. 7.

The Toronto has given Howard McNamara, the big defence man, his resignation. An Ottawa despatch says: The friction that has been in evidence on inside hockey circles for the past week, between Coach Alf Smith and Cover-Pot Hamby Shore came to a head tonight, when the latter announced that he had accepted terms by wire from the Patriotes, and will leave for the coast tomorrow. The terms offered the former cover-point of the N.H.A. champions is said to be in the neighborhood of \$1500. A week ago Shore was offered \$1000 by Ottawa. Club. Discussing the matter tonight, Smith said he did not see his way clear to play on the Ottawa team since Coach Smith, and was of the opinion that the latter would not be able to give out at the time, the friction between Smith and Shore came to a head when the latter refused to participate in Hockey Club, when Shore is reported on good authority to have struck Coach Smith. The latter has refused to meet with the local, and it would not be surprising if he made a snap decision and took up the offer that the Patriotes have made him. With the departure of Shore for the coast tomorrow, a vacancy that will be hard to fill, will be created, as Shore this year was in the best position of his career, and was looked to by local fans to put up the best game of years.

T. and D. Directors Let Game Stand as Played—Extend Playing Season.

The delegates of the T. & D. F.A. at their monthly meeting decided to extend the playing season to the end of the year, 1915, as quite a number of games are still unplayed. It was also decided to hold a trophies and medals worth during the past season. The meeting was held on Dec. 23, 3 p.m. will be devoted to discussing prospects, etc., for next season. Secretaries of clubs are asked to forward to the Wanderers Secretary a full list of their members who were enlisted since the beginning of the year.

TWENTY TEAMS IN SENIOR SERIES

Banner Year for the O. H. A.—Five Toronto Teams—Gossip.

It is expected that there will be twenty or more teams in the senior O.H.A. series this coming season, divided into four groups. Each group will have practically a full season's play in its own district as a group winner will not be required until Feb. 12. The winners will then play off in the semi-finals and finals and the champion team will represent Ontario in the Allan Cup series at Winnipeg.

The clubs that have already signified their intention of playing in this series are as follows: Group No. 1—Connaughts of Ottawa, Brockville, Cornwall, Queen's University and Frontenacs of Kingston. Group No. 2—Toronto R. & A.A., Riverdale, Toronto R. & A.A., Group No. 3—Hamilton, Berlin, Preston, Waerco, Elmira. Group No. 4—Sarnia, Stratford, London, St. Mary's, 70th Regiment (London).

Other clubs desiring to join any of the groups mentioned should make application to Secretary Hewitt before the annual meeting on Saturday.

Commencing their championship games after Christmas, the teams will have seven weeks of hockey in their own districts and the group winners will have two weeks additional which will make a most attractive hockey season for all the clubs in the O.H.A. senior series.

December 10th is the date set for the annual meeting of the Canadian Amateur Hockey Association in Winnipeg. Preston wires: The local hockey teams are going to have considerable difficulty to arrange their dates at the arena. The teams are in the same boat, for they have at present five dates, as well as dates on which they can play their games.

In addition to the O. H. A. teams and two teams in the Northern League the Manufacturers' League wants to play their games in the same rink. If the rink management complete arrangements with all the hockey teams that want to play at the rink this winter there will not be many nights left open for the skaters.

There is a rumor that the Car and Coach Senior Northern team will play their games at the rink. If arrangements can be made with the curlers, who have the rink leased.

The Elmira hockey team and club have so far decided to enter both senior Northern and O.H.A. hockey for the coming season. They have the material for a good team.
