## PEACE OVERTURES BROKEN OFF SUDDEN ATTACK OF BULGARS IS REPULSED WITH SEVERE LOSS

Important Victory at Tchatalja is Claimed by Turks While Sofia is Silent as to Battle—Bulgars' Apparent Desire is to End War Speedily by Making Turkey's Humiliation Complete—Foreign Warships to Land Detachments as Protection.

LONDON, Nov. 17.—(Can. Press)—The negotiations for an armistice have failed, and the Bulgarians today opened the attack against the Turks all along the Tchatalja lines. The heavy artillery duel continued throughout the day.

It appeared to be a Bulgarian preparation for an infantry attack. The Turkish fleet participated vigorously in the defence at the Marmora end lines, and presumably Turkish warships assisted at the Black Sea end also.

Nazim Pasha, the Turkish commander-in-chief, in a despatch this evening, claims to have repulsed the Bulgarian attack and destroyed three Bulgarian batteries.

No news of the battle has been received as yet from Sofia, and no information as to the strength of the forces engaged on either side.

Nazim Pasha's headquarters are near the Hademkeul Railway station. According to the latest reports, the battle ceased with nightfall.

### TO FORCE TURKEY'S HAND.

The resumption of hostilities is not regarded as indicating the collapse of the peace negotiations, but rather as a means to hasten Turkey's acceptance of the allies' terms, by proving her complete helplessness, or, as one correspondent phrased it, "to establish an accomplished fact before making further communications."

The Bulgarian government organ, Mir, reverts to the subject of peace, and plainly intimates that the allies are prepared to consider the question of an alliance with Turkey, provided the latter promptly accepts their terms, which would give Turkey the opportunity of welding her territories into a modern state and making friends of her conquerors.

## CAPITAL AWOKE TO RUMBLING OF GUNS

Residents of Constantinople Through the Streets, Wondering Whether Sounds Were Made by Turkish Cruisers or the Tchatalja Forts.

LONDON, Nov. 17.—(Can. Press)—"Constantinople awakened this morning to the rumbling of guns," says a despatch from the Turkish capital to The Daily Telegraph. "The sound was feeble and dull like a distant storm, but at intervals became distinct to the people thronging the terraces."

"It was possible to tell that the firing came from behind the hills marking Tchatalja and Derkos, but whether the Tchatalja forts were firing on the advancing Bulgarians, or the Turkish cruisers were bombarding the road from Derkos to prevent the Bulgarians from turning their lines, could not be said."

Striking Calmness.—"The extraordinary calmness and indifference of the population in Pera is striking. The streets today were thronged with the usual Sunday crowds and the cafes and places of entertainment did as thriving a business as before the war. Reassured by the presence in the roads of the foreign warships, the only thought, seemingly, was pleasure."

"As far as the government is concerned the principal pre-occupation for the moment is insuring the position of the cabinet by the arrest of as many of the members of the Union and Progress party as possible. It is said that nearly 300 leaders of the rank and file have been placed in jail."

Not Matched Since 1483.—"Only foreigners appear to be aware of, and to have respect for, the tragic gravity of these historical days, which have not been matched since 1483. It was on May 29 of that year that Constantinople was taken by the Turks under Mahomet II, which ended the eastern Roman empire."

"From an official Ottoman source it is announced that the Bulgarians have suffered a serious check at Tchatalja. The Turks claim to have captured six battalions of Bulgarian troops, several guns and much equipment. The foreign minister confirms the news of the victory without specifying the exact number of prisoners."

## JAMES WALLACE PASSED AWAY

He Was Past Master of Scarborough L. O. L. and Lived in Toronto For 79 Years.

James Wallace, for 79 years a resident of Toronto, passed away at his late residence, 15 Greenwood avenue, after a short illness. Mr. Wallace was born in Perth, Ont., in 1832, and was brought in the following year to Toronto by his parents, who settled in Norway, his father being the first sexton of Norway Anglican Church. The late Mr. Wallace was a resident for 55 years on Greenwood avenue and followed for years the business of a building contractor. When a youth he worked as a carpenter on the Yonkers wharf constructed at the foot of Yonge street. Thirty years ago he retired and passed the remaining years of his life in the study of Biblical and astronomical literature. He was a Christian in religion and was a past master of Scarborough L. O. L. He leaves a widow, one son and three daughters, the son, William, being foreman of the Eastern Company's bindery. The funeral takes place this afternoon at 2:30 in Newark Cemetery.

## CHILDREN CRIED AS HOUSE BURNED

Seven or Eight Hundred Little Foreigners Saw Flames Damage Central Neighborhood House.

A pathetic scene, as an adjunct to a fire, occurred while the smoke and flames poured from the lower windows of the Central Neighborhood House early on Sunday morning. Seven or eight hundred of the little foreign children of the neighborhood assembled in terror lest their playhouse be destroyed, many of them crying and calling for their teacher, Miss Neufeld, whom they thought to be in the house.

The fire, which is said to have come from the closeness of some of the boiler pipes to the flooring, gained very little headway before the prompt arrival of the fire department, owing to the fact that all the windows were closed, thus affording very little draught. One of the resident teachers, a student at Wycliff, narrowly escaped suffocation while asleep in an upstairs room.

It is expected that the repairs to the lower floor, the only one damaged, will be made within a day or so, thus enabling the Central Neighborhood House to resume its activities within a day or so.

## G. A. CASE DIED SUDDENLY EARLY SUNDAY MORNING

Prominent Toronto Real Estate Broker Was Seized With Heart Trouble and Expired in Short Time.

## IN BEST OF HEALTH WHEN HE RETIRED

Spent Saturday Afternoon Riding With I. F. Hellmuth, K.C.—Death is a Severe Shock to Friends.

Death came without a moment's warning to George Allen Case, a prominent Toronto real estate man, at his home, 614 Avenue road, yesterday morning. On Saturday afternoon he was out riding with I. F. Hellmuth, K.C., and returned in the evening apparently in the very best of health. His recreation had brought on a keen appetite, and he ate heartily at the dinner table. Retiring at his usual hour, he was soon asleep, and no one could have supposed his summons so near at hand. About 4:30 o'clock he awoke, evidently in much pain, but neither he nor Mrs. Case could understand what it was. Mr. Case thought it probably an attack of acute indigestion, and when his suffering did not abate, word was sent to Dr. S. H. McCoy, who lives a few doors south of the Case residence. In the meantime the stricken man walked the floor of his room impatiently awaiting the attendance of the physician. Just as Dr. McCoy entered the house, scarcely ten minutes after word had been sent him, Mr. Case sat on the edge of the bed, and by the time the doctor was at his side life had left him. His only son, Allen Case, manager of the Dominion Brewery Co., who lives on Warren road, and who had also been sent for, arrived a moment too late to see his father alive.

A Severe Shock.—The sudden passing of Mr. Case has come as a severe shock not only to his family, but to his large circle of friends who have never thought him in any way ill. Mr. Case was a man of strong character, and of late years he has not looked as robust as formerly, but no illness of a serious nature was ever anticipated by his intimate acquaintances. Dr. McCoy pronounced death due to heart failure. This makes his death appear the more strange, for he had never complained of any heart affection. An enthusiastic member of the Toronto Hunt Club, and for a time director, he had always indulged in that strenuous form of exercise. Less than a week ago he took part in the regular hunt of the club, and appeared as vigorous as at any former time. Besides the Hunt Club, the late Mr. Case was a member of the Ontario Jockey Club and the Albany Club. He was an Anglican in religion.

Prominent Realty Man.—Born at St. Enoch, Ontario, in 1858, he was in his 54th year. He had lived in Toronto most of his life. For 25 years he was prominent in the city as a real estate broker, and was during that period a member of the Toronto Stock Exchange. For the past three or four years he had been engaged in the realty business.

The late Mr. Case is survived by a widow, Mary Elizabeth Case, one son, Allen, and one daughter, Mrs. (Maj.) C. T. Van Straubenzie of St. Johns, Que. The funeral will be strictly private.

## POLICE BLAMED FOR ALLOWING STUDENTS TO BREAK UP DANCE AT HARBOR ON FRIDAY NIGHT

"Worst Piece of Blackguardism Ever Perpetrated by a University Mob," Says Principal Hagarty, Who Thinks the Police Are Not Sufficiently Prepared To Cope With a Sudden Outbreak.

E. W. Hagarty, principal of Harbor Collegiate, places the blame, partly at least, on the police for last Friday night's occurrence, when a mob of university students broke into and did considerable damage to the college buildings, breaking up a social evening which had been arranged. Mr. Hagarty has written the following letter to The World:

"Editor World: In regard to the disgraceful rowdiness of some 200 university students Friday evening last, in breaking into the buildings of Harbor Collegiate, insulting and disturbing a peaceful gathering, I should like to call public attention to the inadequacy of the measures taken by the police to anticipate and prevent this occurrence. This mob was allowed to make its way unmolested from the Gayety Theatre, calling at Victoria College and doing damage on the way, and finally by the worst piece of blackguardism that has ever been perpetrated by a university mob, even in a city where university blackguardism is acknowledged to be rampant, these outlaws broke into a building which they had nothing in common, forced their way up stairs, smashing doors, windows and casement glassware, and after brandishing sticks and uttering hideous yells, took their departure with rolling steps and glassy suppliant stares. The solitary policeman outside never so much as lifted a finger to retard their progress or secure one conviction. Things have now come to a pretty pass when such proceedings are possible in a city of university students."

It seems incredible that a gang of youths evidently on mischief bent should break loose and go the distance they went without being followed and controlled. Of course I admit as a citizen and as a member of the university senate that in the face of a good deal of silly sentiment on the part of certain well-meaning individuals the efforts of the police are to some extent paralyzed. The police, as a matter of fact, do not care to interfere with this rowdiness for fear of censorship or loss of position, but no matter what the state of public opinion is, the police should do their duty fearlessly and consistently and not be swayed by every breeze of criticism.

The people will eventually stand by them if they make an honest and sane attempt to suppress such lawlessness. I would suggest first that all university parades outside university precincts be prohibited by law. Second, that by a proper system of well distributed emergency patrol, the police department be prepared to take effective action in such cases at a moment's notice.

E. W. Hagarty,  
Principal Harbor Collegiate Institute.

## PROBING "MAYFLOWER" DISASTER

OTTAWA, Nov. 17.—(Special)—Hon. J. D. Hazen, minister of marine and fisheries, has ordered a searching investigation into the cause of the loss of the steamer Mayflower, which sank near Barry's Bay Tuesday last, when nine persons were drowned. It is understood that the steamer had no lifeboats and only one or two lifebelts when she left on the trip. She was inspected by an official of the marine department on May 28 last, and granted a certificate.

Two divers from the department of railways and canals are now searching for missing bodies.

## Man Who Stole a Mail Bag Is Under Arrest in Toronto

John Wright, Who Has Several Aliases, Was Brought Back From Detroit After the Police Had Worked Up a Clear Case Against Him.

Just when he thought himself secure in Detroit, the police net was slowly but surely closing around John Wright, alias Nelson, alias Heughey. On Saturday afternoon he was arrested by the American detectives on information from the robber of the royal mail sack which was stolen from Taylor's branch postoffice at 8312 Yonge street a week ago last Saturday, and contained \$475.

When taken into custody Wright had \$498.19 in his possession, but denied all knowledge of the theft. He declined to make a statement until he had seen his counsel.

Detective Harry Armstrong left the city Saturday and returned with his prisoner late last night.

Immediately Wright entered the Court street station, Detective Mitchell assumed charge of the case. John F. Taylor, proprietor of the drug store, was summoned to the station and arrived about 11:30. The detective met Mr. Taylor at the door. He escorted him to Wright's cell.

He was identified.

The druggist had not been at the cell more than one minute before the door was shut and he reappeared with satisfaction written on his face. Detective Mitchell was also pleased, evidently.

There was no doubt in the detective department that Wright was the man. The detectives have worked up a case of evidence conclusive that he walked into the Taylor store about 20 minutes ahead of the regular driver and demanded the mail bag. Mr. Taylor gave it to him without hesitation.

Served in Department.

Having served some months in the police department it was quite easy for Wright to time himself ahead of the regular driver. After getting the bag he took it around into the lane and cut it open. The money he put in his pocket. Several packages of silver were taken to his home, where they were later recovered.

The detectives first obtained a tip

## J. B. CARLILE IS DEAD AFTER AN EVENTFUL LIFE

Founder and Former Manager of Manufacturers' Life Assurance Company, Was Once Very Wealthy.

## A FAMILIAR FIGURE ON TORONTO STREETS

Was Intimately Acquainted With Sir John Macdonald and Other Public Men.

"J. B." Carlile is dead. One of the biggest hearts and one of the most familiar figures has passed from Toronto. A figure which once loomed large in Canadian finance and politics has gone.

Saturday afternoon he walked into Dr. Hutchinson's office at 317 Sherbourne street. The doctor was out. He said he would wait, and when the doctor came in he found the old man sitting in a chair, the hands being folded over his old blackthorn stick, which was always with him. He was leaning forward upon them just as he has sat waiting in the office nearly every prominent man of Toronto since the days when he sat in his own office as manager of the Manufacturers' Life. But he was dead. The body of the man who was once worth half a million dollars and owned one of the best kennels of dogs in the country and a string of racehorses, together with valuable collections of pictures and bric-a-brac, was removed to the morgue. Some time later his family was notified and the remains will be buried on Tuesday from the home of his widow at 38 Blyth street.

James Bradthwaite Carlile, for that was his name as he recently insisted upon it when giving evidence at an inquest at the morgue to which his body was removed, was born at Scarborough, Yorkshire, England, 61 years ago. He was of Roman descent, and before leaving England, following the calling of an auctioneer, selling works of art and bric-a-brac. A story is told that the late King Edward, while Prince of Wales, and traveling incognito, visited what Carlile called his art mart at Scarborough, and "J. B." recognized the prospective monarch. He sent the door on England's then future king, who did not leave until he had purchased a painting, "The Sleeping Beauty" for the tiny price of £20,000.

Carlile also sold another famous painting, "The Village Blacksmith," to a member of the English nobility, in whose ancestral halls it still hangs. Wonderful Aptitude.

He came to Canada in 1859, and was appointed general traveling agent of the North American Life. He developed a wonderful aptitude for insurance, and the wiles which he had learned as an auctioneer made him a shrewd salesman at this commodity. Carlile made his first trip to Vancouver before the C. P. R. had stretched its line across the Rockies. Being always "a good mixer," he fell in with the life of the "good fellows" at the coast and sat in at many a poker game. Apparently, even the poker of an auctioneer was not as good as the western brand of those days, for the story is told that after some months of play "J. B." was cleaned. Nor had it at this time much business to show for his trip. Nevertheless he determined not to come back empty-handed, and dictating a letter to himself from his company, informing him that he must either show business of leave its employ, he showed this to the good fellows who had been winning his cash, and returned east with every one of them written up for a good-sized policy.

Made a Fortune.

Shortly after his return his services were called into requisition by the Manufacturers' Life Insurance Co., which was then in process of birth. He became its general manager and made its fortune and his own. He became known as one of the most astute insurance men of the country, and as a close friend of the late Sir John A. Macdonald, premier of Canada and president of the company, was instrumental in forming much of Canada's insurance legislation. The late George Goodenham was vice-president of this company, and other prominent men appeared upon its directorate. Sir John was very loath to allow his name to appear upon the directorate of any financial concern, as were several of the others, and "J. B." was once asked how he had persuaded the shy ones to allow themselves to be rapped. "I swelled their heads," he chuckled over his wiles.

## GERMANY CUTS NAVAL OUTLAY

Extraordinary Expenditure Reduced by \$7,750,000 Owing to Near Completion of Naval Program.

BERLIN, Nov. 16.—(Can. Press)—Some of the leading items in the budget of the German Empire for the coming year are given today in The Borsen Courier, one of the leading financial dailies.

The total income and expenditure are balanced at approximately \$729,000,000 each, an increase of about \$74,000,000 over last year.

The estimate for the navy is given at \$119,350,000, or an increase of \$1,600,000. The ordinary naval expenditure increases by \$4,000,000 and the non-recurring expenditure by \$5,250,000, but the extraordinary expenditure on the navy is reduced by \$7,750,000 owing to the approaching completion of the naval construction program. First appropriations are asked for a ship to replace the Woorth and for a battleship designated as "T." for a large cruiser to replace the Hortha, and for another to replace the Hele, and for another to replace the Hele, and for a new imperial yacht to replace the Hohenzollern. The naval estimates also include an appropriation of \$5,000,000 for submarines.

The estimates are increased by \$14,000,000, which includes the increases of \$60,000, which provides in the new military bill, one of which is the organization of 92 machine gun companies.

FITZHUGH HAS NOT RESIGNED.

NEW YORK, Nov. 16.—(Can. Press)—E. H. Fitzhugh has not resigned the presidency of the Central Vermont Railroad Co. despite the rumors to the contrary printed in the New York newspapers today.

Meantime J. E. Dalrymple is in conference with the New Haven authorities with regard to a traffic arrangement of the most comprehensive kind between the Grand Trunk connections in New England and those of the New Haven.

The "Funniest" Farce Tonight.

Those who have seen "Officer 666," the melodramatic farce comedy which ran two seasons in New York, will announce it the funniest of farce comedies. This piece will open a week's engagement tonight at the Princess, with the original New York company, including George Nash and Edward Abelen.

### TURKISH SHELLS FALL NEAR KING

Nicholas of Montenegro and Numbers of Russian Royalty Under Fire—Montenegrins Rout Turks.

RIEKA, Nov. 18.—(Can. Press).—King Nicholas, accompanied by his son-in-law, the Russian grand duke, Peter Nikolaievitch, and the grand duchess, embarked Friday on a lake steamer to view the operations in front of Scutari. The steamer immediately became a target for Turkish shells, which fell unpleasantly close to the boat.

His majesty, on the steamer, followed the work of the Montenegrino centre column on the plain before Scutari. At noon a heavy bombardment opened on all sides. Montenegrin shells several times struck the highest point of Mount Tarabosch, dense clouds of smoke arising.

At 3 o'clock in the afternoon a Turkish battery occupying an exceedingly strong position at Golez was silenced. The Turks evacuated the position amid the cheers of the Montenegrins. Subsequently shells struck a magazine in the town and flames were seen to shoot up. After this successful bombardment, fourteen battalions of infantry crossed the Karl River to the northeast, and joining hands with the troops on that side, made a united assault on the Turkish positions to the east of the town, driving the enemy out.

Heroic Defence Futile. Meanwhile a division, under command of General Martinovich, had great success on the opposite side of the Boyana River, in the direction of San Giovanni di Medua. The division encountered three thousand Turks, who occupied the slopes of Mount Barabusch, overlooking the Drin River. A severe engagement ensued, lasting all afternoon. The Turks defended the position heroically, but were unable to withstand the stronger Montenegrin artillery fire and gradually withdrew. The Montenegrins followed this up by attacking the whole front and driving the Turks in headlong flight towards Alessio. The enemy left many dead and wounded on the battlefield. The Montenegrin losses also were heavy.

### EAGER TO HEAR NAVAL PROGRAM

Intense Public Interest in the House Opening on Thursday—Seating Capacity Overtaxed.

OTTAWA, Nov. 17.—(Special).—There was no cabinet session on Saturday. The entire cabinet took a day off and Premier Borden, Hon. W. T. White, Hon. T. W. Crothers and Col. the Hon. Sam Hughes went out to Lansdowne Park and watched old McGill defeat Varsity for intercollegiate honors.

Practically everything is in readiness for the opening on Thursday next. "The cards are stacked for what I believe will be a great session," was the way one of the ministers summed up the situation today. Not very often in the past has such interest been awakened on Parliament Hill in an approaching session. "Standing room only" signs are hung around the corridors of the house of commons, every available seat being taken for the opening day.

Enquiries as to the probable date of Premier Borden's announcement of his naval proposal are pouring in from all parts of the country, and it is being predicted that when the prime minister rises to make his much anticipated naval speech he will have the biggest and most representative audience that has ever greeted any speaker in a Canadian Parliament.

Postal Cards Written to Buffalo Police Lead to Discovery of Remains of Child Who Disappeared a Year Ago—Had Mania for Killing Children.

BUFFALO, Nov. 16.—(Can. Press.)—Confession of at least three murders and admission that there are still more, is the startling disclosure contained in postal cards from a modern "Dr. Jekyll and Mr. Hyde" in the person of the murderer of 6-year-old Joseph Joseph, received by the police and made public here tonight.

Young Josephs disappeared about 4 o'clock on the afternoon of Oct. 12, 1911. His father, George Joseph, prominent merchant of Lackawanna, insisted from the start, that the boy had been kidnaped and a country-wide search was instituted.

Another card, dated Boston, Mass., Nov. 9, 1912, and written apparently by the same person, and also unsigned, states that the murderer had to do with a prominent fraternal man of a high degree, "honored and respected."

The first postcard received was postmarked Boston, Oct. 17, 1912. It was addressed to Supt. Michael Regan of the Buffalo police department. It read: "I am sick of trying to fool myself. I am a homicidal maniac. I kidnaped Joseph Joseph of Lackawanna, N. Y. I strangled him as I did others. Please advise the fact. Post it or write for the information of the police. # BARCAS OF BRIGDEN CUP

## Defeat Don Valley in Strenuous Game at Rosedale—Field Was Wet and Slippery.

ROSEDALE GROUNDS, Nov. 14.—(Staff Correspondence.)—Before a splendid sized crowd, the two teams playing the final for the Brigden Cup lined up for the decisive game at Rosedale grounds on Saturday afternoon.

The Barcas, fresh from their decisive win from the Overseas Club, were in fine form and confident of winning. Against them the Don Valley team were in equally confident aggregation. Their last game was also an easy victory, the team they beat being the Devonians, whom they trounced, 3 to 1.

The conditions for playing were not of the best, the field being slippery and muddy. The wind did not improve matters any.

J. N. Howard was referee, and was assisted by Lineamen Mills and Dickson. The line-up follows:

Barcas—Goal, Harvie; backs, Campbell and Brownlee; half-backs, Marshall, McGregor, Buchanan, Atkinson, Edwards, Reid, Scott, Walker and Dawson. Don Valley—Goal, C. Coombs; backs, Harrison and Morris; half-backs, Baldwin, Powell, J. McLean and Robertson; forwards, E. Coombs, Kent, Tupper and A. McLean.

The game opened with the Barcas by far the most aggressive, and a few minutes after the start the Barcas were probably prevented from scoring by a foul kick made the left-field line by Morris of the Don Valley. Reid of the Barcas followed this up shortly after by a kick which missed the top of the Don Valley goal by but a few inches. The Don Valley had now to back their old line and the game developed into one of the most exciting witnessed on the Rosedale grounds this season. In fact, the teams appeared to be as evenly matched as one could desire.

The game was enlivened considerably by the routing of several hundred school-boys, admitted to the grand stand for a ten-cent admission. Combined with these were the red and yellow followers of Don Valley and the admiring blue and white colors of the Barcas.

The first goal was scored by the Barcas, and was accomplished in a very exciting manner. With the ball near the Don Valley goal, Scott of the Barcas kicked it towards Dawson, Coombs, the Don Valley goalkeeper, here made an attempt to grasp the ball by running forward about a dozen feet in front of the goal, but owing to the slippery condition of the ground he slipped and fell, however, before he could recover himself, Walker, who was inside right of the Barcas, was able to kick in the scoring goal.

Half time, Barcas 1, Don Valley 0. Much fun in the intermission. The expense of the six policemen placed in the grounds to keep order, by reason of the numerous side field kicks, was about \$1.00. It is a case with them of dodging the ball and losing their dignity or standing still and turning the game over to the other team, without exception, chose to lose their dignity.

This is the first year in which the Brigden Cup, a very handsome trophy, has been competed for, and the Toronto District Soccer Association, to which the teams belong, have decided the value of winning the cup by making the presentation of gold medals to the winning team. This was done at the conclusion of the game. The Barcas, on the other hand, were awarded with the same aggressive tactics they displayed in the opening of the game, and kept the ball in play until the victory.

The trouble with the Don Valley seemed to be in the fact that while they all individually were putting up a fine game, they failed in the combination play necessary for success in football. The Barcas, on the contrary, were demonstrating their whole attention to combination play, and but for the excellent defence of the Don Valley would certainly have scored by his score on them. The Don Valley are certainly great kickers, but the lack of sufficient team work among them prevented the team from scoring.

It was to be seen that the Don Valley were straining every effort to win, but as far as scoring is concerned, the Barcas apparently had them pressed, and their hardest efforts go for naught. The second goal was scored by the Barcas also, and when there was but five minutes more to play. This was a running kick by Atkin, their outside left. The early darkness played havoc with the game, and was perhaps responsible to a great extent for the play being indulged in, and for this the dusk and the consequent inability of the players to properly see the ball, was to blame.

Don Valley, the losers, were also presented with medals, each member of the team being awarded a silver medal for his part in making his team eligible for the final game for the cup. The presentation of medals to the winning and losing teams was made by Controller Maguire.

### EATONS LEAVE O. H. A. FOLD

#### Several Important Amendments Were Added to Rules—Good Balance in Bank.

The twenty-third annual meeting of the O. H. A. was held Saturday morning in the Temple Building. About thirty delegates were present, representing nearly every club in the association. President H. C. Wettlaufer of Berlin was in the chair and opened the meeting with his annual address.

Secretary W. A. Hewitt read the report of the executive committee, and in the absence of Dr. W. G. Wood, the treasurer, he also read his report, and was able to show a balance in the bank of \$197.85.

The following rules were amended: Rule No. 7, which reads "No club whose members average under fourteen years of age shall be admitted, and no club shall be admitted or remain a member which has not a bona-fide membership of at least ten active members." It was moved by W. A. Hewitt that the following amendment be added: "Or plays under the name of any commercial organization, which was carried by an overwhelming majority after much pointed and extended discussion. Eatons were the only team that came under the jurisdiction of this rule, and Mr. Smith, their delegate, strongly protested against it, and announced the intention of his club dropping out of the O.H.A. if the resolution passed, they absolutely refused to change the name of their club.

President Robertson and Mr. Sutherland of the Frontenacs, who started a great argument on this subject, and succeeded in putting the question in nearly every possible form before the convention. Mr. Nelson, the O.H.A. representative to the C.A.A.U., gave a detailed account of the search of that body in the investigation of the charges made some time ago against Eatons.

The charges definitely stated that the Eatons Athletic Association were using their business as a means to secure athletic talent, and these athletes were receiving remuneration for their services over and above their salaries. The charges even went so far as to tell exactly in which ledger these items could be found, and that they would show that the Eatons Athletic Association in their depositions account were charged back with time lost, supposedly to the wage office.

Mr. Nelson stated that after a most thorough investigation the committee had found that the statements were erroneous and had no foundation at all. However, and that they would show that the discussion more open, and several delegates discussed the subject, expounding both sides of the question.

Whether Eatons will really drop out or not is a question, and a serious one, too, because they have been the stronghold of the senior division for years, and also their absence will not perhaps affect the schedule, still it means that nearly all of the Eaton star players will turn pro, and naturally draw most of the other amateurs who can play just as well.

This was the most important item of the convention and consumed nearly an hour or more before it was decided.

## New York Horse Show Opens With More Exhibits Than Ever Before—Harness Horses the Best.

NEW YORK, Nov. 14.—The horse show is open and the social season is on. Society frolics tonight to the twenty-eighth annual recurrence of the event in Madison Square Garden, and with almost as brilliant a display as could be supplied by the combination of elaborate decoration, animation in the show, and public out on the grounds, the seven-day display was successfully inaugurated.

Alfred G. Vanderbilt superintended the final arrangements for the start of the show. The entrants sounded first in the afternoon with the entrance of the initial exhibit for judging. In the presence of hundreds of orphans, children from the various asylums throughout the city. This has been a feature for years. In connection with the show, officials and army officers from the various foreign countries that will be represented in the present season, were invited to the opening.

As a horse show per se, this year's exhibition by the National Horse Show Association, held in Madison Square Garden, and total more than triple the entries for the first show in 1885. The feature of this year is the increased competition in the harness classes.

The residence rule was changed so as to include teachers as well as students. Rule 10 had another clause inserted, "No man shall be eligible to play in the intermediate series who has played in more than one senior scheduled match in the same season, and no man shall be eligible to play in the junior series who has played in a senior scheduled match in that season." A player eligible for the junior series may play one senior or one intermediate game, and shall have the score of such game written across the face by the referee, and two such uses shall cancel such certificate for the series for which it was issued.

This rule compelled itself to everybody coming to the act that some teams had only junior and senior teams, and as the rule read before, a junior could only play one game in the intermediate series.

# FAIR ATTENDANCE AT POSTPONED

## MATINEE OF DUFFERIN CLUB—Shaun Rhue and Laura Pointer Win.

The postponed matinee of the Dufferin Driving Club, which was to have been held on Wednesday, was pulled off Saturday at Dufferin track. The attendance was much better than it had been on previous occasions, and the track was in perfect condition for the time of year. This will be noticeable when the time is taken for the Class B and Class C horses. Unfortunately, the classes were not as large as they might reasonably be expected to be from the number of horses in training.

Dufferin track never presented a busier scene than that of Saturday. The majority of the bars are full of horses in training for the coming meetings, and the club is naturally expected the classes would be well filled; but such is often the case with postponed matinees. However, those in attendance were well repaid. If the fields were not large, the first race called was Class C, with five starters. Yankee Bingen was made a fair favorite before the race. President Woods, who acted as starter, and had good command of his field, got them away to a beautiful start, with very little scoring. Axie Audubon, the trotter, drew the quarter pole, while Ralph McKerron moved up and came very strong thru the stretch, reaching the half in the lead. As they retraced the top turn, Yankee Bingen made a mistake, which put him out of it. Laura Pointer again took the lead, with Axie in second place, the favorite trotter, and they landed that way at the end of the mile. Time 1:21.

The second heat Yankee Bingen trailed Laura to the stretch, when he out-brushed her to the wire with Axie Audubon in third position. Time 2:30.

The excitement was at fever heat for the next heat. Laura and Yankee were split favorites, and with very little delay they were given the word. They raced as a team to the three-quarter pole, when the clip seemed to let on Yankee Bingen as he went to an unfortunate break, and before his driver could pick him together and get him away Laura Pointer had the lead and finished quite easily with Axie in second and the trotter third. Time 2:29.

The final heat was a race from wire to wire, but Laura Pointer seemed to have the foot of the party and finished strong in 2:29. The second and third heat were won by the party and finished strong in 2:29.

Class B had only three starters, but it was a horse race from start to finish. Fred Ryan's good trotter, Shaun Rhue, won it in straight heats in a commanding fashion. He looks as though he should be the real horse over the ice this winter. He made no mistake, and showed his class in the class. Harry Hill, John Mead's good campaigner, was selected as the winner. He was not out of the race, and in fact, Duke, owned and driven by W. B. Williams, won a much improved race, and he gave the trotter an argument in each heat, but could hardly land first. The time of the first heat was 2:25—good time for this season of the year. The summary follows:

Class A—Laura Pointer, b.m.; P. Kelley (Ryan) 1 1 1 1  
Iron Duke, b.k.; W. E. Williams (Williamson) 2 2 2 2  
Harry Hill, ch.; John Mead (Mead) 3 3 3 3  
Time—1:21, 1:28, 1:36.

Class C—Laura Pointer, b.m.; P. Kelley (Ryan) 1 1 1 1  
Yankee Bingen, b.k.; E. Mead (Mead) 2 2 2 2  
Axie Audubon, b.k.; T. Williams (Williamson) 3 3 3 3  
Ralph McKerron, b.h.; E. Mead (Mead) 4 4 4 4  
Gray (N. Ray) 5 5 5 5  
Little Jim (Childer) 6 6 6 6  
Time—2:11, 2:20, 2:25.

Judges—H. E. Clarke, J. T. Hutson, R. Robertson, Timers—Geo. May, John Kenyon, Starter—President C. Woods, Clerk—W. A. McCullough.

Caps Defeat Central Y. The Central Senior City Rugby team surprised the Central Y.M.C.A. by defeating them 4 to 3 on Friday campus Saturday afternoon in a Junior O.R.F.U. semi-final. The winners bucked their heavier opponents for repeated gains, and the officials had more than they could do to handle the game and keep the crowd off the field. Knowles and Hewison starred for the Caps, while Biele and Duke pointed well for the Y. The teams lined up:

RECORD CROWDS AT FLOWER SHOW

More than 12,000 Attended During the Six Days—Blooms Sold by Auction For Good Prices.

Bidding was keen at the conclusion of the flower show at the Exhibition grounds Saturday night when the best preserved of the flowers were offered at auction. For nearly an hour and a half, prices remained high, first-class "mums" bringing 50 cents apiece, toward the end of the sale, a crowd grew thinner, large armfuls of carnations went for 40 and 50 cents.

BAD ROADS AND NO FIRE PROTECTION

Because Harcourt, roadways are at the present in such a muddy state as to prevent horse-drawn or other vehicles from traveling them, this community will have to do without special fire protection for some time yet. Two fire trucks are on their way to inspect the site for the hall, and the buggy and the kness and the buggy to the axes. Contractors are refusing to deliver lumber until hard frost sets in.

TWO KILLED IN TROLLEY CRASH

Crowded Cars in Rear-End Collision Near Utica—Two of the Injured Dying.

UTICA, N.Y., Nov. 16.—(Can. Press.)—Two men were killed, and others are dying and a number of other persons were more or less severely injured tonight when a trolley car on the Utica and Ontario Valley Electric Railroad, rushing along at 30 miles an hour, crashed into the rear of a stalled car at Frankfort, nine miles east of Utica.

Charles Foss of Ilion, and Stanley Rose of Frankfort, passengers, died of their injuries, and Daniel Larabee, motorman of Utica, and Douglas Tubbs of Ilion, cannot survive.

Of the other injured at least three are declared to be in a desperate condition. The accident, it appears, was due to the regular leaving Frankfort at 10:30 o'clock for Utica becoming stalled. Following less than five minutes after the regular car left Frankfort a special theatre car departed for Utica and had proceeded about a quarter of a mile when it came upon the stalled car hidden in the darkness and crashed into it with terrific force.

Both cars were crowded, and a condition of great confusion followed.

More Light on "Times" Blow-up

McNamara's Movements Prior to Big Explosion Traced Thru Witnesses From Coast.

INDIANAPOLIS, Nov. 16.—(Can. Press.)—Incidents of James B. McNamara's preparations to blow up the Los Angeles Times building in California, Nov. 17, 1912, are being traced through witnesses from the coast.

How the dynamite rented a furnished room in Mrs. Lena Ingersoll's flat in San Francisco, how he got in to the building, and how he hid the dynamite, are being traced through witnesses from the coast.

Another development of the day was an admission by Frank Ekhoff of Cincinnati that he aided in the escape and concealment of McNamara after the dynamite was returned east. Ekhoff also admitted having demanded money from the McNamaras to "keep his mouth shut."

Mrs. Ingersoll was the first informant to be called. Ekhoff said she now lives at Victoria, B.C.

Can't Win Hochelaga So Lavergne Admits

But He Maintains Nationalist Cause is Ultimate Winner—Doesn't Object to English Cabinet.

MONTREAL, Nov. 17.—(Special.)—Armand Lavergne, M.A. for Montreal, in an interview today stated that the Nationalists would be defeated in Hochelaga on Tuesday, but that the cause would triumph in the end.

Being asked what he thought Premier Borden would be justified in doing in the event of a defeat, he said that he ought to do, Mr. Lavergne replied that Borden would be justified in appointing a commission to investigate the situation in their places and for his part he did not see any difference between English and French, but that they would soon come to recognize the justice of the French minister's claim. He claimed that if the people pronounced for contribution in any shape, Canada should have a direct hand in the expenditure.

ROOT FODDER CROPS LIGHT

Estimated Value Falls \$33,290,000 Below Canada's Showing Last Year—Fall Wheat Outlook Poor.

OTTAWA, Nov. 16.—A bulletin issued today by the Census and Statistics Office contains estimates of the yield, quality and value of the root and fodder crops of Canada during the past season, based upon returns from agricultural correspondents at the end of October.

Upon total areas for potatoes, turnips, mangolds, sugar beets, alfalfa, fodder corn and sugar beets, amounting to 8,732,000 acres as compared with 8,180,000 acres last year, the total value of the products is \$122,500,000, compared with \$155,790,000, a decrease of \$33,290,000. This decrease is caused by the diminution both in area and yield of the root and fodder crops, which is less than last year in area by 468,000 acres, in yield by 2,000,000 tons and in value by \$2,300,000.

All the other crops show increases, except alfalfa, the area of which in Canada is relatively small. The yield of potatoes is \$1,244,000 bushels of the value of \$83,372,000, of turnips and other roots \$7,506,000 bushels, value \$20,718,000, of fodder corn 1,885,900 tons, value \$12,529,000, of alfalfa 204,000 tons, value \$1,020,000 and of sugar beets 124,000 tons, value \$4,910,000.

In quality all these crops are marked high, the standard percentage being 87, excepting for turnips, etc., which is 82, and for fodder corn, which is 82. A word of caution is necessary with regard to potatoes, for while yield and quality are generally good at harvesting, there are numerous reports of rotting in the cellars, the cause of which is believed to be the constant rains.

Wheat Area Less. The area estimated to be sown in fall wheat in five provinces of Canada this season aggregates 1,085,000 acres, as compared with 1,159,900 acres the area sown last year. This represents a net decrease of 74,100 acres, or six per cent. In Ontario the acreage sown is 886,000 acres, compared with 977,200 acres, a decrease of 91,200 acres, or 12.4 per cent. In Alberta the figures are 312,000 acres as against 300,700, an increase of 11,300 acres, or three and three-quarters per cent. In Saskatchewan the area sown is 72,000 acres against 55,000, an increase of 17,000 acres, or 31 per cent. In Manitoba complete the totals. The decrease in area is due to the persistent rains which have hindered plowing and sowing operations.

The condition of this crop on Oct. 31 was 92.7 per cent. of the standard for the five provinces. It was above 90 in each province, except Manitoba, where the standard is 95. The average yield had a per cent. condition of 88.1-2.

Fall Plowing Poor. The percentage of fall plowing completed upon land intended for next year's crops ranges from 75 in Ontario to 77 in Prince Edward Island for the east and from 24 in Alberta to 23 in British Columbia for the west.

It is remarkable that both this year and last year the seasons in the three northwest provinces have been adverse to fall plowing, and less than 25 per cent. of such plowing has been possible in both years, as against the same date of from 50 to 75. In the three northwest provinces the area sown is being from two to five per cent. more than last year.

OTTAWA, Nov. 17.—(Can. Press.)—According to the statistical record maintained from month to month by the department of labor, and published in The Labor Gazette, the number of disputes in existence throughout Canada during the month of October was twenty-one. This compares with ten disputes during October, 1911, and twenty-one during the month of September.

From the standpoint of the number of working men involved only comparatively small bodies of workmen at scattered points. The number of disputes coming within the scope of the Industrial Disputes Investigation Act was two, affecting 3300 employees, probably also ruptured people out of ten are victims of worthless makeshifts.

The most serious dispute was that involving coal miners on Vancouver Island, which began in September. On the whole, however, in the industrial activity which characterized the past summer, October may be regarded as a month of exceptionally favorable conditions as regards labor disputes.

St. Paul's Church, East Bloor street, was the scene of a wedding at 2:30 o'clock on Saturday, when the marriage was solemnized by Miss Marjory Booth, daughter of Mr. and Mrs. Geo. W. Booth, to Mr. E. Roy Clarke, son of Mr. and Mrs. W. A. Clarke of Avenue road. The church was beautifully decorated with white chrysanthemums and palms, and the ceremony was performed by the rector, the Ven. Archdeacon Cody, Mr. Palmer presiding at the organ. The bride, who was given away by her father, wore a white gown of white satin and rose point lace, with court train, the skirt being cut away in front of the waist. The groom wore a tuxedo with a white bow tie and a white boutonniere on the lapel. The bride's bouquet was also draped with white and pink roses. The train was lined with white chiffon and had a bow knot of chiffon and orange blossoms on the end, being caught at the shoulders with pearl ornaments. Her tulle veil was arranged in cap effect, with wreath of orange blossoms, and she carried a shower of lily of the valley and orchids, and wore the groom's gift, a diamond brooch. Miss Gladys Lee was maid of honor, and the bridesmaids were Miss Gladys Gage and Miss Mabel Booth, a cousin of the bride. They were gowned alike in white satin, draped with shadow lace, and pink and white, caught with brilliant buckles. Their hair was dressed in velvet, faced with pink, with single pink rose at side of crown, and one under the brim, and a narrow pleating of pink tulle edging the brim. They carried sheafs of pink chrysanthemums, and each received a silver card case from the groom. There were three little flower girls, Miss Evelyn Booth, sister of the bride; Miss May Currie, a niece of the groom, and Miss Elizabeth Gray. They wore dresses of white lace with pink bows and pretty bow caps of pink chiffon and rosebuds. Each carried a basket of pink roses and lilies of the valley, and wore the groom's gift, a gold locket and chain. Mr. George Mara was best man, and the ushers were Mr. Austin Clark, Mr. Guy Clarkson, Mr. Austin Booth, brother of the bride, and Mr. Wells Croft. Their gifts from the groom were gold cuff links. A reception was held after the ceremony at the bride's home in Warren road, which was decorated with chrysanthemums and palms. Mrs. Booth, mother of the bride, wore flame-colored charmeuse, with overdress of cream lace and black velvet hat, with white ostrich plumes, and carried a bouquet of medley roses. The groom's mother, Mrs. Clarke, was in black lace with black lace coat, a black bevy hat with plumes, and carried American beauty roses. Later in the afternoon the bride and groom left for a trip across the border, the former traveling in a tailor-made suit of navy blue serge, with small flame-colored toque, with crown of jet and black ostrich mount, and set of black fox furs. On their return they will reside at 1 Oriole Gardens.

The Wires All Carry the Same Message—"I Want WINDSOR TABLE SALT"

You have got to use some kind of salt on the table. You must use salt in your cooking and baking.

Are you using the best WINDSOR TABLE SALT?

It's the little things that count. It's Windsor Salt that will help you to make dainty dishes—and favor food as it should be favored. WINDSOR SALT is pure and fine and good.

IF THIS IS YOUR BIRTHDAY. Some accident threatens you and some undesirable citizen will try to do you injury. You will be tempted to join the envy or jealousy of others, but later they will have the power to annoy you.

These born today will be witty and well liked and forcible restraint against their natural fondness for glitter and show will only increase the temptation. Their lesson will be that frivolity is a toy for youth and those who play too long forfeit the reality of life.

FOR A YOUTHFUL FIGURE. Belted effects are in high favor with all who are slender enough to wear them.

The suit illustrated is of brown boucle suiting, with edges and buttonholes finished with silk braid. A wide band of soft silk, changeable blue and brown, fastens the collar, and a belt of brown leather with a blue enamel band is a worn. The buttons, oddly enough, are conspicuous, being brown and of dull finish.

Day's Doings in YORK COUNTY

NORTH TORONTO TOWN COUNCIL HOLDS A VERY BUSY SESSION

Bell Telephone Company Will Be Asked to Make Rates Same as in City—Bylaw to Be Prepared Prohibiting Erection of Building Nearer Than Ten Feet to Either East or West Limit of Yonge Street.

The council of the Town of North Toronto are doubly busy these days to what they previously were. The reason for this is that the financial year is coming to close and at the same time the town will be merged with the City of Toronto, and they desire to have everything in good shape for the new order of things.

The council held a busy session on Saturday. A. H. Badgerow wrote the trespassing bylaw on his foot reserve on the land owned by him on Mt Pleasant road. The clerk explained that Mr. Ladgerow owned about 400 ft. of that strip, and if he forgoes this foot reserve, and gives a clear title deed to the town for the same, he will not need to pay the back taxes.

R. Laidlaw & Co. complained about the deplorable state of Merton street, which was referred to the engineer.

T. P. Foden complained about the smoke nuisance of the Davisville pottery on Merton street. The matter will be looked into.

Mrs. Sharples, 99 Glenwood avenue, notified the council of some dangerous holes on the title property, where wells exist and have been abandoned by the peo le moving away. She was afraid that some children might fall into them unless they were filled up.

J. J. O. son of the title and Trust Co., objected to the council proposing to run a street thru the "Hudwick" property, bounded to and by "Hudwick" street into Yonge street, and that streets should be laid out at right angles, instead of wasting so much land for crooked streets. He will be notified when the time comes for explanation, so that he can object to the project.

A. H. Leake, 190 Glenview avenue, complained that he cannot get his sewer connection constructed, also he paid for it a month ago. The works department will look into the matter.

City Commissioner Harris will go to receive a plan showing all the water mains, stand pipes and pumping stations, together with the size of same, distance from the street line, and the depth they are laid, also all the plans in connection with the sewerage system. He will be accommodated.

Mr. Miller donated his willingness to donate to the municipality half of the land needed for the widening of Avenue road, providing that the other parties to the way of him will do the other half. He will be requested to get into touch with the Toronto and Guarantee Company, who are laying out the P. W. Ellis property.

Engineer R. H. Murray wrote a defense in his own behalf in connection with the Le. road sewerage system, and stated that he had acted under the instruction of his own engineer, to leave out certain streets in Lawrence Park in favor of Grand View avenue.

Engineer Phelps reported that in connection with the opening up of Duplex avenue from the south limit of the town, on the line of Old Yonge street, the length of which is intended to be 2775 feet, and the width would cost \$29,000, and suggested that \$21,200 be charged to local improvement, and \$7,800 to general account. The council saw who the cost could be moderated, and the report was referred back to the engineer for revision, and moderation.

Petitions. Petitions were received from the Ontario Land Corporation to lay numerous water mains and concrete sidewalks, also one from Mr. Stockdale for the construction of a concrete bridge on Brant street and avenue, all of which were referred to the engineer and clerk.

YORK COUNTY

The editor of The Newmarket Era feels annoyed that the six o'clock morning whistle, whose mission it is to awaken the citizens of that burg, blows about twice too long, with the result that he awakens, too, altho the whistle is not meant for him.

Newmarket is confronted with the problem of erecting another public school building or add more rooms to the present one as the lower rooms are all overcrowded.

A bylaw to repeal the local option bylaw will come before the electors of Markham and January 4 will show whether Markham will remain a dry township.

Wiltshire Township Sunday School Association will hold their twenty-third annual convention in the Christian Church, Bloomington, on Thursday and Friday next.

EARLSCOURT

St. John's Club, under the auspices of St. John's L. O. L., No. 2045, held a concert and dance in Little's Hall, which from the standpoint of attendance and program rendered, was a very successful affair. Bro. N. Goodall, president, Mrs. James acted as pianist for the evening, and the audience heartily appreciated the attainments of playing the clarinet, drum and triangle by Messrs. Ray and Miles. Miss Hart sang in her usual sweet voice, "My Dear Old Homeland," and Miss Anderson, soprano, received a well-merited encore. Miss Thomson entertained the audience in dancing the Highland fling. The quartet of com-

panists made things lively for a while. Mrs. J. Wise rendered a Scotch selection which brought down the house. J. G. McNaughton, comic elocutionist; F. Anderson and others, also took part in the program. The singing of the national anthem brought the concert to a close, when refreshments were served, after which dancing was indulged in till early in the morning, to music being furnished by Mrs. James and Messrs. Doherty and Johnson.

Mayor H. C. Hocken, past president of the Sons of England Lodge, was presented by the lodge Saturday night with a copper salver, made from copper from Admiral Nelson's flagship "Victory."

This was considered appropriate because of the first name of the mayor and the renowned admiral being Horatio, and that the battle of Trafalgar and the appointment of Mr. Hocken as mayor took place on the same date, Oct. 21.

Fred Rice, president of the lodge and organist of Chalmers Church, was also presented with a handsome pair of chairs, on his leaving Toronto to reside in Ottawa.

Editor World: An impression appears to have got abroad that the new proprietors of the Queen's Hotel in this village, who take possession on Wednesday, Dec. 1 next, are not anxious to obtain a beer and wine license for same. Allow me, as one personally acquainted with them, to state that such is not the case, but quite the contrary, they are very desirous of obtaining one, and should they be successful, I know no expense will be spared in putting the place in first-class condition. And as they have kept the Town Line Hotel, Sullivan's Corner, for the last couple of years, in a strict, lawful and respectable manner, to the entire satisfaction of the license commissioners and others, this, I think, a sufficient guarantee that the same would be granted. It is, therefore, up to us to do all in our power to assist.

CLOSING

THE TORONTO WORLD'S BIBLE DISTRIBUTION will be withdrawn after November 30th, and there won't be another chance after that to get this great Book of books for less than \$5.00 a copy. You can't afford to lose this chance to get it NOW for six certificates and the small stated expense amount shown under the Bible certificate on another page.

Both Catholic and Protestant Editions Are Being Distributed by THE TORONTO WORLD

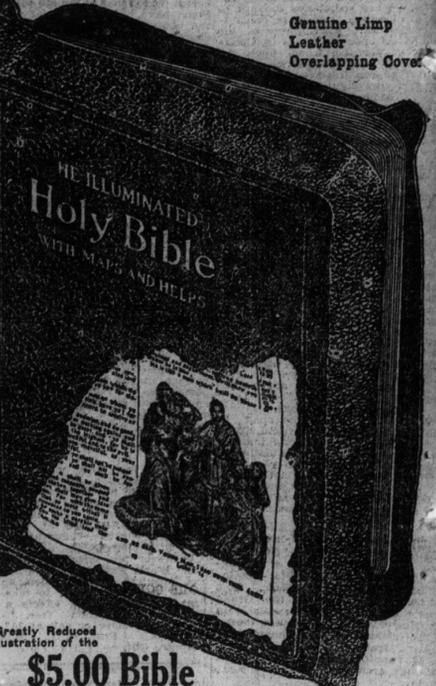

These Editions Come in Two Styles of Binding: Genuine Limp Leather, with Overlapping Covers, and Cloth

FOR CATHOLICS

Through exclusive arrangements we were most fortunate in securing the Catholic Bible, Douay Version, containing the Old and New Testaments with Annotations, References and Historical and Chronological Index. This Bible is translated from the Latin Vulgate, is printed from new plates, on fine Bible paper, and contains thirty-two magnificent full-page engravings which form a distinctive feature and present a novel and valuable departure never before attempted in a handy size Catholic Bible.

COMMENDATIONS

This edition of the Catholic Bible is endorsed by His Eminence Cardinal Gibbons, and Archbishop (now Cardinal) Farley, as well as by the various Archbishops of the country. The Diocesan Statutes urge every Catholic to have a copy of the Holy Scriptures properly approved and with suitable notes, and this edition enables all to comply with that recommendation.

Greatly Reduced Illustration of the \$5.00 Bible

THE PROTESTANT EDITION

is filled from cover to cover with beautiful eye-teaching pictures printed in with the type and making plain the verses which they accompany. In this edition also are the magnificent color plates from the world-famous Tissot collection, making altogether a veritable art production hitherto unknown in Bible making.

OUT-OF-TOWN READERS

May have their choice of the books on the same terms by enclosing 24 cents additional for postage.

Ward Seven

Rev. Prof. Griffith Thomas, M.A., LL.D. (Oxon), of Wycliffe College, was the special preacher at St. John's Church yesterday morning. The subject of his discourse was "The Ministry," which followed a similar address on "The Church" two weeks ago. The Ward Seven Ratepayers' Association meet again this evening in the Grand Street School. The chief topic of discussion will be the water supply problem.

Marcus Loew Has Got Two Theatre Sites Lawrence Solman, manager of the Alexandra, denies that he will manage one of the new vaudeville theatres that three American circuits are considering placing here. Mr. Solman was approached and for a while was prominent in negotiations, but recently declined to accept a management. Following "The World's" announcement on Saturday morning, comes word that Loew vaudeville interests at two Toronto options on sites on the southwest corner of Richmond and Victoria, the other on Yonge, near "K" Saturday.

WHY SNOW IS WARM. Snow is warm by virtue of its light and woolly texture. But it is also warm on account of its whiteness. Had snow been black it would have absorbed the heat of the sun and melted quickly. Instead, it reflects heat, and the reflected heat falls upon bodies above the snow, while the warmth of the earth is preserved beneath it.

General strike in Porcupine does not affect the market

BEARS HELD CONTROL AGAIN IN CHICAGO WHEAT MARKET

Rapidly increasing supplies and the lack of adequate demand carried prices down into new low ground—corn also on down grade.

CHICAGO, Nov. 16.—Rapidly increasing supplies and no adequate demand allowed the bears to remain in control. The close was weak, 5-8c to 3-4c under last night.

Local grain dealers' quotations are as follows: Ontario oats—New, 80c to 40c per bushel, outside.

Foreign Markets: The Liverpool market closed 1/4d to 1/2d lower on wheat and 1/4d lower on corn.

ST. LAWRENCE MARKET: Receipts of farm produce were 500 bushels of grain, 6 tons of hay and about 40 tons of milk.

Butter—The market for butter was easy at unchanged quotations ranging from 32c to 33c, but few got 32c.

Wheat—The market for wheat was easy at unchanged quotations ranging from 80c to 81c, but few got 80c.

Chicago Live Stock: Receipts of live stock were 10,000 head of cattle, 15,000 head of hogs and 20,000 head of sheep.

Winnipeg Grain Market: Receipts of grain were 10,000 bushels of wheat and 5,000 bushels of barley.

London Produce: Receipts of produce were 10,000 tons of wheat and 5,000 tons of barley.

London Live Stock: Receipts of live stock were 10,000 head of cattle, 15,000 head of hogs and 20,000 head of sheep.

London Wool: Receipts of wool were 10,000 bales of wool and 5,000 bales of mohair.

Reasonableness

We never disappoint-critical men that come here, because we are always ready to satisfy their clothing wants completely.

Because we sell the highest type of apparel does not necessarily mean that our prices are high.

As a matter of fact, the contrary is the case. For a moderate sum, or any amount you wish to spend, you can get more intrinsic value here than in any other establishment in Canada.

Suits and Overcoats \$22.50 to \$45.00

Brodericks LIMITED TORONTO, CANADA

LIVERPOOL GRAIN MARKET: Liverpool, Nov. 16.—The market opened steady, 1/4d to 1/2d decline, reflecting the decline in American yesterday.

Chicago Markets: J. P. Bickel, Standard Bank Building, reports the following prices on the Chicago Board of Trade.

Wheat—Op. High. Low. Cl. Close. Nov. 16. 80 81 79 80 80 1/2

London Produce: Receipts of produce were 10,000 tons of wheat and 5,000 tons of barley.

Liverpool Cattle Market: Liverpool, Nov. 16.—Cattle—Prime mess, 100c; second mess, 95c.

London Produce: Receipts of produce were 10,000 tons of wheat and 5,000 tons of barley.

Winnipeg Grain Market: Receipts of grain were 10,000 bushels of wheat and 5,000 bushels of barley.

London Live Stock: Receipts of live stock were 10,000 head of cattle, 15,000 head of hogs and 20,000 head of sheep.

London Wool: Receipts of wool were 10,000 bales of wool and 5,000 bales of mohair.

STRIKE IN PORCUPINE CAMP NOT EXPECTED TO LAST LONG

Stock Market Does Not View the Labor Trouble as a Factor of Much Importance—List Held Well—Vipond At New Low Record.

The general strike in the Porcupine camp, entailing a walk-out of the miners in the district today, did not pose as a factor of any importance to the mining exchanges on Saturday.

Trading continued on the same narrow plane that has characterized the movement of late. None of the usual favorites came in for any particular attention, while the extremely narrow price changes bore evidence to the failure of the list to develop any definite tendency.

Profit-Taking in Evidence: The Porcupine stocks which participated in the recent upward movement came in for some selling, representative of profit-taking, and in certain instances responded with small declines.

Outlook for the Market: The action of the Porcupine stocks will in all probability be contingent on the strike developments in the camp. It is expected by the mine writers that the employees, who are known to be poorly organized, will gradually offer to return to work on the old basis.

EVERY MINE IN PORCUPINE CAMP IS CLOSED DOWN: SOUTH PORCUPINE, Nov. 16.—The strike is complete. Every mine and mill in the district is closed down with the exception of the pumps to keep the water from filling the workings.

PLAN TO BRING BACK REINHARDT ON A CRIMINAL CHARGE: It was reported in financial circles on Saturday that a prominent brokerage firm of Toronto had instituted criminal proceedings against J. Thomas Reinhardt, broker of New York and Toronto, who went into liquidation last spring.

STRIKE AT PORCUPINE MAY INVOLVE ALL NEW ONTARIO: Cobalt, Elk Lake and Gowganda Miners Likely to Go Out in Sympathy, Paralyzing Mining Industry of the North—Conference on Saturday Proved Unavailing.

Dividend Notice

Notice is hereby given that a dividend of two and one-half cents (2 1/2c) per share (seven per cent per annum) on the paid-up capital of the Bank for the quarter ending 30th November, has this day been declared, and that the same will be payable at the Bank and its Branches on 2nd December next.

DO NOT OVERTASK: Many of the Cobalt properties have worked out to a success by steady and persistent developments. Perhaps the best instance of this is COBALT LAKE, PETERSON LAKE.

# Stock Markets Quiet But Shade Firmer--Brazilian Up Again

## TORONTO MARKET SHOWS FIRM TREND

Brazilian and C. P. R. Developed Moderately Buoyant Tone and Improved Their Position.

## RUSSELL MOTOR LOWER

And Some Other Issues Also Failed to Hold Their Own -- Money Very Tight.

The Toronto Stock Exchange developed a firm tendency on Saturday, the turn for the better in the Wall Street list inspiring a more cheerful sentiment and bringing about a turn for the better. The movement was not universal, however, and at the close restricted declines in some half a dozen issues plainly evidenced the feeling of uncertainty which is still existent in speculative circles, a direct result of apprehension over the money situation.

Brazilian made up its entire loss of Friday, the shares, after opening at a small gain, overnight improving their position gradually until they had advanced 2 1/2, a net advance of 4 1/2 of a point. The shares were in consistent demand throughout, but the fact that the remainder of the list did not reflect the buoyancy occasioned some comment from close followers of the situation. It was felt that the pool has come to the support of the market in the last couple of days, but the cautious manner in which this security has been advanced leads to the belief that supporting interests were not inclined to overburden themselves with stock, the difficulty of financing operations necessitating careful action in this regard.

C. P. R. was conspicuous for its strength in all markets. It reached 267 here, and in New York crossed 268. The specialties, however, were weaker, with lower prices in Toronto Railway, Mackay preferred, Maple Leaf, Toronto Pa. and Russell Motor. The latter sold at a new record for the year a 12 1/2, a loss of full points from the previous sale. Toronto Raily changed hands around 138 1/2, with a broken lot at 1 3/4.

The acute money stringency supplanted the bullish crisis as a market factor, and until funds show indications of working easier, will act as an active curb on speculative activity. The Euro outlook is much clearer, and the financial situation has been beneficially affected. Brokers are still acting very cautiously, however, the sentiment on the whole is more optimistic.

## C. P. R. GAINED TWO POINTS IN MONTREAL MART

But General List Was Absolutely Featureless -- Not a Transaction in Montreal Power.

MONTREAL, Nov. 16.—Strength and some activity in C.P.R. relieved the Saturday session of the local stock exchange from absolute dullness. For the fifth day no transaction in London cables were advanced and the upward movement was continued here and at New York. Locally the price rose steadily from 266 7/8 to 268, closing at the top or a net gain of 2 points for the day.
