PERPETUAL CARE AT CATHOLIC BURIAL GROUND

New System in Connection With Cemetery is Announced. SPECIAL EVENTS IN LOCAL CHURCHES. Ordination in Cathedral Next Sunday—Corpus Christi—Forty Hours

Perpetual care and annual care of the lots in the new Catholic cemetery is to be put into effect and other changes in the system of operation in connection with the cemetery affairs are to be made, according to announcement made in the Cathedral at the masses on Sunday. There are two cemeteries, the old one on Loch Lomond road, a little before Silver Falls is reached and the new one, in from the main road reached by the road that passes the back entrance to Fernhill.

One of the largest processions seen in the Cathedral was witnessed last evening when the festival of Corpus Christi, which came on Thursday of last week, was specially observed. The high mass at 11.15 a.m. was sung in the presence of the Blessed Sacrament which remained exposed until after vespers in the evening. The service was sung by Rev. William Duke, Rev. E. Reynolds was deacon, and Rev. Charles Boyd was sub-deacon.

On Friday the festival of the Sacred Heart, the novena being held in the Cathedral, will be concluded. Yesterday afternoon the children of the parish offered the grand total of hours was more than 46,000 and about 6,000 in excess of the grand total of last year.

AT ST. ROSES The closing exercises of the forty hours devotion was held in St. Rose's church last evening. His Lordship Bishop LeBlanc, was present and carried the Blessed Sacrament in procession. Following the hymn by the right, Rev. H. Ramsay recited the Rosary. The sermon was preached by Rev. Joseph Floyd, of the Cathedral. A solo was very effectively rendered by Harold Gillis.

NOVENA FOR ST. PETER'S Novena to Our Lady of Perpetual Help will begin in St. Peter's church on Friday of this week. It was announced in the church yesterday. In the Assumption church next Sunday 49 hours devotion will be commenced at the celebration of high mass at 8.30 a.m. They will close on Tuesday evening. Forty hours devotion commenced yesterday at Silver Falls.

IS WARNED. Police Constables Phinney and Corvie were called on at 8.45 o'clock Saturday night to investigate a complaint of a woman in Albion street that a man was abusing his horse in a barn near the corner of Brunswick and Erin streets. The officers found that the owner was trying to get his horse to enter his barn and he claimed that the animal had bitten him. The officers advised him to use more gentle methods in the future.

The steamer Haraldshaug is due on Thursday from the West Indies with a cargo of raw sugar for the Atlantic refinery. The steamer Tosto is due this morning from Barbadoes with a cargo of raw sugar for the Atlantic refinery.

CHARGED WITH MAILING BOMB

Asa K. Bartlett, above, has been arrested at Muskegon, Mich., in connection with the sending of the bomb which wrecked Three Lakes Tavern, near that city, killing August Krubasch and his daughter, Marie, and William Frank of Chicago, her fiancé. Bartlett was a bitter political opponent of Krubasch and a reputed Klan leader. He denies the charges.

Murray Beattie of West End Is Killed In Ontario When Train Strikes Automobile

A telegram from Fort Erie, Ontario, late Saturday night to Miss E. J. Beattie, 20 Martello road, stated that her brother, Murray, was badly injured in a collision and was being taken to the hospital. Early Sunday morning another telegram was received, stating he had died in the ambulance while being taken to the hospital.

A Canadian Press dispatch says that Mr. Beattie's auto was demolished by a train on Saturday night, and he died half an hour later, on his way to hospital. He was backing over the Fort Erie Beach railway tracks just as the train was rounding a curve. Engines Jacob Barnhardt, and William Frank of Chicago, her fiancé. Bartlett was a bitter political opponent of Krubasch and a reputed Klan leader. He denies the charges.

GUN BARREL START OF LIGHTING PLANT

Crude Appliance, Built by Boys, Foundation of Thriving Business

TOPEKA, Kan., June 7.—A light plant built from junk was the forerunner of the present National Lighting Company, the baby industry of Arkansas City, Kan., but one of the most promising, says the Topeka Capital. The story of how Frank and Paul Webb, present owners of the company, at the age of 13 and 16 years, started out their business with a few crude experiments is an interesting one.

Two Saint John Men Attended Convention

Hazen K. MacLean, superintendent of the New Brunswick Power Company, and Robert Harris, master mechanic of the company, were delegates to the 22nd annual convention of the Canadian Electric Railway Association which convened in Quebec last week. Mr. MacLean returned to the city last night. Mr. Harris is expected home on Tuesday.

C., B.C.'s Oldest Retail Institution.

SONS OF ENGLAND ATTEND AT MAIN STREET CHURCH

Service Held on Sunday in Commemoration of Queen Victoria. Portland and Marlborough Lodges, Sons of England, attended divine service in Main street Baptist church yesterday morning, in commemoration of Queen Victoria. The members assembled in the Market Building and paraded through King square, King street, along Dock, Mill and Main streets to the church.

They were led on the march by St. Mary's Band which played "Onward Christian Soldiers" as the members entered the church. The standards of the lodges were borne in procession and were placed near the pulpit during the service. Special seats in the church

were reserved for the members of the order who were in full regalia and wore red and white roses. Rev. M. S. Richardson, M.A., pastor of the church, on behalf of the church extended a cordial welcome and asked God's blessing on the order. He preached a very inspiring sermon taking as his subject "The New Commandment." His text was John 13:34, "A new commandment I give unto you that ye love one another, as I have loved you."

The full choir led in the singing and rendered the anthems "The Sun Shall Be No More" and "Onward Christian Soldiers." Bayard Stillwell was the soloist and Mrs. I. S. Arbibald was the organist. The singing of "Blessed Be the Tie That Binds" followed by the National Anthem closed the impressive service.

Support of the University of King's College building-endowment fund by the Anglicans of the city, was urged by the rectors of several of the local parishes in their sermons Sunday, which was observed as "King's College Sunday" in the Church of England parishes in Saint John and many of the parishes throughout the diocese of Fredericton.

Rev. J. H. A. Holmes, rector of St. Jude's parish, preached on the subject of the King's Appeal in Trinity church Sunday morning, and in the Church of the Good Shepherd Sunday evening. Archdeacon Crowfoot, rector of St. Paul's church, preached on the appeal in the evening services at Trinity church. Rev. G. Gordon Lawrence, rector of Trinity church, had the evening service at St. Paul's, Rothery, and urged the fullest possible support of the building-endowment program of King's College, as the Church of England college of the Maritime Provinces. Rev. W. E. Fuller, curate of Trinity church, dealt with the King's

SACKVILLE WOMAN SEARCHES FOR UNCLE

Mrs. Jean Allen Kent Has Not Heard of Relative For 15 Years. Special to The Times-Star SACKVILLE, June 7.—Mrs. Jean Allen Kent of Sackville, is endeavoring to obtain some trace of an uncle, Gabriel Allen, who was a native of Scotland, P. E. I. The late Frederick Allen was a brother. Mrs. Kent has had no word of Gabriel Allen for 15 years and she thinks that possibly he may be living on Prince Edward Island.

Several members of the Allen family are residents of the United States, but when last heard of Gabriel was on the island. RYAN RELEASED BOSTON, June 6.—The Boston Braves have announced the release of Wilfrid, "Rookie" Ryan, a pitcher, to the Toledo club of the American Association. Ryan, who was obtained by Boston from the New York Giants, was formerly a star at Holy Cross College.

WOMAN TAKES POISON

NEW YORK, June 7.—Joking with detectives who had apprehended her on a forgery charge, Miss Mildred Shackleton took a little "medicine for what ails me." When her cheeks became gray and her eyes swam with pain, she said: "I forgot to tell you that life was what ailed me."

Eloquent Sermon Marks Intercession Ceremony As National Conference Starts

Rev. C. Gordon Lawrence Points Out Possibilities of Order
at Inspiring Gathering in Trinity Church—Sug-
gests Use of Franchise—The Text

It has happily resulted in the development of what is unquestionably one of the most highly esteemed organizations of women in the whole English speaking world.

The work which has been cheerfully attempted and the results which have been accomplished in every considerable section of the Dominion, in time of peace as well as in war, richly entitle the Daughters of the Empire to that very high place which they occupy in the hearts of all friends of the British Commonwealth of nations.

Those who dwell in the newly settled parts of the Dominion have frequently noticed a tendency in such cities as this, whose history has already become venerable, to become unduly impressed with the lessons of their own past. I must not, therefore, risk the trying of your patience by recounting at any length the many evidences we have here of the Empire's growth. You will likely be shown a monument which commemorates the arrival in this harbor of Samuel de Champlain in the month of June, almost three and a quarter centuries ago. It was here that Lady LaTour, whom you admired in your school days, heroically defended the fort in the absence of her husband. "You are doubtless already familiar with the story of the twenty shiploads of Loyalists that were disembarked here on the 17th of May, 1783, at the close of the American Revolution. The story of Brook Watson, the unfortunate sailor lad, who overcoming insuperable obstacles, became the first agent-general of this province, and later the Lord Mayor of London, is known very likely to all who read. So also is the account of the New Brunswick regiment that during the war of 1812 set out in the dead of winter to march all the way to Ontario, whose exploit was referred to in the British House of Commons as the most remarkable march ever accomplished by British troops.

"The ready response of this section of the Dominion to the Empire's need during the Great War, is a matter of common knowledge. The noble part played by our women during the pioneer days, when thousands came here from comfortable New England homes and began life all over again in an unbroken wilderness, set a high standard of sacrifice which their great granddaughters strove to emulate in the crisis of this generation.

"Undoubtedly there is much of encouragement and inspiration to be derived from the past. We are admittedly proud of our local history. It is quite in harmony with that which is preserved in every advanced section of the Dominion and so we are fond of telling it to those whose love for the Empire is as warm an impulse as our own. But I have undertaken to remind you today of 'greater things' than these.

"The adoption, and the exemplification in life, of some such motto as that is an inevitable condition of progress. To be content with present conditions means stagnation. Excessive devotion to the past leads to retrogression. To use over and over again the prerogative of advanced age. The privilege,

Social Notes of Interest

Mrs. Leonard Tilley, second vice-regent of the Saint John Municipal Chapter, gave a delightfully arranged tea at Carleton House, yesterday afternoon, in honor of the visiting delegates to the National Council of the I. O. D. E., convening in the city this week. The tea table, which was artistically arranged for the occasion was adorned with a bowl of early spring flowers, and yellow candles in silver candlesticks of antique design. Mrs. Walter W. White, wife of the Mayor, and Mrs. George K. McLeod, regent of De Monts Chapter, presided over the tea cups. The guests included all out-of-town delegates, the executive of the Municipal Chapter and the executive of the local Primary Chapters of the I. O. D. E.

Mr. and Mrs. R. C. Elkin will be at home to their friends Monday evening.

Mrs. Heber Vroom, regent of the Municipal Chapter, I. O. D. E., and Mrs. Frederick R. Taylor, first vice-regent, are entertaining at dinner at the Admiral Beatty Hotel this evening.

Mrs. John H. Thomson, of Toronto, arrived in the city on Saturday and is the guest for a few days of her daughter, Mrs. Walter A. Harrison, and Mr. Harrison at the McArthur Apartments.

Mr. Horace King, of Watertown, Mass., was a passenger on the Governor Dingy on Saturday and will spend a fortnight's holiday in the Maritimes.

Mrs. F. Gerald Robinson and Mr. Guy Robinson, of Montreal, and Mrs. Philip Robinson, of New Glasgow, N. S., arrived in the city yesterday called by the sudden death of Mr. H. B. Robinson, Mr. Gerald Robinson is expected in the city today.

Dr. Stanley Bridges left on Saturday evening to spend a week in Boston.

Mrs. Charles M. Kerrison, left on Saturday evening on the Governor Dingy for Salem, Mass., where she will visit her daughter, Mrs. John R. Fuller.

Mrs. J. I. Duval and her daughter, Miss Irene Byrd Duval, left Montreal on Saturday evening for Saint John, N. B., where Miss Duval's wedding to Dr. John Campbell Forbes will take place on Tuesday, June 22.

WOMEN ENROL IN NURSING CLASSES

First Home Series For C. N. R. Employs; Motive Dept. Wins Cup

MONCTON, June 6.—Between forty and fifty women employees of the Canadian National Railways here have enrolled in the first home nursing classes, according to A. F. Woolley, supervisor of this work on the Atlantic region. The classes will start this week. Regarding First Aid competitions in which teams from the railway in this city have taken part, the team from the motive power department in the city was winner of the regional cup. It is expected that formal presentation of the cup and the certificates for proficiency in First Aid work will be made shortly by General Manager W. U. Appleton.

MONCTON YOUTH IS INJURED ON LINKS

Gordon Lugsdin Hit in Eye by Golf Ball, Rebounding From Tree

Canadian Press
MONCTON, June 7.—While golfing Saturday afternoon on the links of the Riverside Golf Club in Gummingsville, Gordon Lugsdin, son of W. H. Lugsdin, manager of the Moncton branch of the Canadian Bank of Commerce, was struck in the eye by a golf ball rebounding from a tree, and the eye very badly injured. Young Lugsdin was completely knocked out for a time, and it was feared the sight of the eye had been destroyed. He was taken to the city hospital and tonight the medical attendant has strong hopes that there will be no permanent injury and the patient will not lose the sight of the eye. Young Lugsdin was playing his ball out of a bunch of trees at the time.

S. C. Alward Quits C. N. Pension Body

Special to The Times-Star
MONCTON, June 7.—At the regular monthly meeting of the C. N. R. Pensioners' Association held Saturday in the City Hall, the resignation of S. C. Alward on account of ill health was accepted. Mr. Alward has been secretary of the association since it was first organized. President Melbourne Steves presided. The next meeting will be held in Halifax on Thursday, June 24. The post of secretary has been offered to Vice-President A. C. Reid, who asked for time to consider.

BRIDE-ELECT SHOWED.

MONCTON, June 7.—Twenty-five girl friends were entertained by Mrs. Ralph Kerr, 1 Waterloo street, on Friday evening at a very pleasant variety shower in honor of Miss Clara Brown, servid.

F. W. DANIEL & CO.

38 King St. and Annex, Charlotte St.

DEEPLY IMPRESSIVE

Clergymen representing the different denominations took part in the service which throughout was deeply impressive. As the processional hymn, "O King of Kings," was sung, the choir and clergy entered the church by the west door and following came the procession of standard-bearers of the order headed by Mrs. R. Fitzrandolph, of Fredericton, national standard-bearer. There were 15 standards carried, representing the National, New Brunswick Provincial, Saint John Municipal and Saint John and Rothesay primary chapters of the order.

Rev. W. E. Fuller, curate of Trinity church, intoned the service and the full choir of the church led in the singing of the stirring familiar hymns which were specially chosen. The 24th, 109th and 67th psalms were sung. The first lesson was from Deuteronomy 8 and was read by Rev. Dr. S. S. Poole, of Germain street Baptist church, secretary of the Maritime Baptist convention. The second lesson, taken from 1 Peter 11, 1 to 17, was read by Rev. G. Fulton, pastor of Centenary United church and chairman of Saint John Presbytery. The prayers for the King and the Empire were read by Rev. W. Lawrence Newton, B. A., B. D., of Knox Presbyterian church.

During the taking of the offerings, which was to be given to the I. O. D. E. war memorial fund, the choir sang the anthem "O Give Thanks" most inspiringly. J. S. Ford was at the organ and directed the choir.

GIRL GUIDES PARADE

The Girl Guides' parade formed at the Court House and in charge of Mrs. Arthur Anglin. The companies represented were the 8th, 9th and 7th, Saint John; the 2nd and 3rd, Rothesay, and the 2nd Brownie Pack. The

OTHER PROBLEMS.

"I must not detain you even to mention educational, philanthropic and industrial problems, social problems, health problems, international problems, that await the consideration of keen, active and devoted minds. But I doubt not that when they have all been adjusted (as they assuredly will be) there will already have appeared on the program yet 'greater things' than these."

"How entrancingly interesting is life! Life such as yours which is not content with permissive and selfish indulgence; life which gives itself to the community; to the Empire; to humanity! The work which you and your sisters have begun will be never ended. Our eyes will close long before the task is finished. But in another world, thank God, we shall awaken to 'greater things' than these."

"Enter thou into the joy of the Lord." That joy, I am sure, is the joy of great undertakings. The joy of the Lord is in creating a universe, in setting its numberless powers in motion and in ordering their intricate influences afloat. The joy of the Lord is in redeeming humanity, in improving it, perfecting it and making it superior to all the forces of evil. The joy of the Lord can be only partly revealed to our limited understanding. But most certain it is the joy of great undertakings, the joy of attempting the impossible, of overcoming the insuperable, of vanquishing the invulnerable. This, at least, we can already appreciate, but be sure that, in the times ages of eternity, the Infinite Creator will continue to reveal to His faithful workers 'greater things' than these."

TO TOUR ALBERT.

MONCTON, June 7.—Lieut. Bishop and Walter Shepherd of the local Salvation Army Corps, left yesterday afternoon on a tour of Albert county in the interest of the local Post of the local corps. Mr. Shepherd is a good musician and the lieutenant is a soloist. They will give a concert in Albert tonight.

Does Your Daily Diet Meet the Needs of Modern Living?

HOW different is our hurrying, scurrying life of today from the leisurely living of grandmother's time. How much greater is the demand upon bodily energy and vigor! Yet how far we have strayed from the simple, whole foods which were the fare of grandmother's table! We expect to receive the energy to carry us successfully through these hurried, nerve-strained days from foods which have been designed primarily to tickle our palate—not to give our bodies the certain vitally necessary elements of nutrition!

Only if you had made a study of dietetics could you select the proper foods for energy and vitality—know which to select, which to reject so that you would secure this vital nourishment properly balanced. So a food expert has done this for you—designed one food which will supply to your body five of the essential elements of nutrition.

Grape-Nuts, made from whole wheat and malted barley, supplies these vital elements of nourishment: Dextrins, maltose and other carbohydrates for energy; iron for the blood; phosphorus to build strong, healthy bones and teeth; protein for muscle and tissue building; and the very important vitamin-B.

And Grape-Nuts gives you these vital elements of nourishment in delicious form! Just pour a little into a bowl—four teaspoonsful is enough—and fill the space beside it with milk or cream. Chew it slowly. Enjoy to the utmost the rich, nut-like flavor of this wonderful food.

A special baking process prepares Grape-Nuts for easy digestion—makes it possible for you to get the full goodness of this splendid food with the least digestive effort.

And Grape-Nuts is a crisp food—a food you like to chew. It gives your teeth and gums the exercise which every dentist so urgently recommends.

Grape-Nuts is sold by all grocers in wax-wrapped packages from which it is ready to eat.

Costs less than one cent per serving. Buy a package to-day, or take advantage of the following offer.

"A Book of Better Breakfasts"—and Two Servings of Grape-Nuts, FREE! Mail the coupon and we will send you two individual packages of Grape-Nuts, Nuts free. We will send, also, "A Book of Better Breakfasts", which is a former college physical director prepared for us. You will find the delightful meals which this book contains a real help toward better health.

CANADIAN POSTUM CEREAL CO., LIMITED, 811 45 FRONT STREET EAST, TORONTO 2, ONTARIO.

Please send me, free, two trial packages of Grape-Nuts, together with "A Book of Better Breakfasts" by a former college physical director.

WEEK-END MISHAPS AT SHERBROOKE FATAL TO 5; 2 HURT

Trio Killed When Automobile and Train Crash Near City Limits

PAIR DROWN WHEN MOTORBOAT SINKS

One Rescued From Death in River; Efforts Fail to Recover Bodies

SHERBROOKE, June 6.—Five persons are dead and two more are in the hospital as the result of two accidents here last evening.

Two were drowned in the Magog River, while three others were killed when an automobile was struck by a train a short distance outside the city limits. The dead are: O'Neil Bergeron, 15, and Charles Young, 38, drowned, and Henry Hebert, Mrs. Annie Couture and Hector Pari, killed, all of this city. Those in the hospital are Sylvia Poulin, of Sherbrooke, and Miss Raymond of Magog.

The drowning accident occurred about 8 o'clock last night. Bergeron and Young accompanied by Sylvio Poulin were trying out a new motorboat and it is believed that traveling at a fairly good rate of speed they attempted to take a sudden turn with the result that the boat took a plunge into the river, taking its occupants with it. Poulin was saved by Donald Trotter of this city, but the other two drowned.

BODIES UNRECOVERED. Efforts to recover the bodies have been unsuccessful. The second accident occurred about 10:30 o'clock last night when an automobile driven by Henry Hebert, of this city, and containing Hebert, Mrs. Aime Couture, Miss Raymond and Hector Pari, was struck by an engine and caboose of the Lennoxville road a short distance outside the city limits. Mrs. Couture and Pari were instantly killed, while Hebert, the driver, died later in the St. Vincent de Paul Hospital. Miss Raymond received critical injuries.

FRESH VEGETABLES GIVEN TO MINERS

British Columbia Governor Looks to Comfort of Underground Worker

BOSTON, June 7.—Thirty years ago, wearing a frock coat and a tall hat, Robert Randolph Bruce went to Canada looking for a job. Today he wears the uniform and white cockade, signifying his appointment as Lieutenant Governor of the Province of British Columbia, an honor which recently has been conferred upon him.

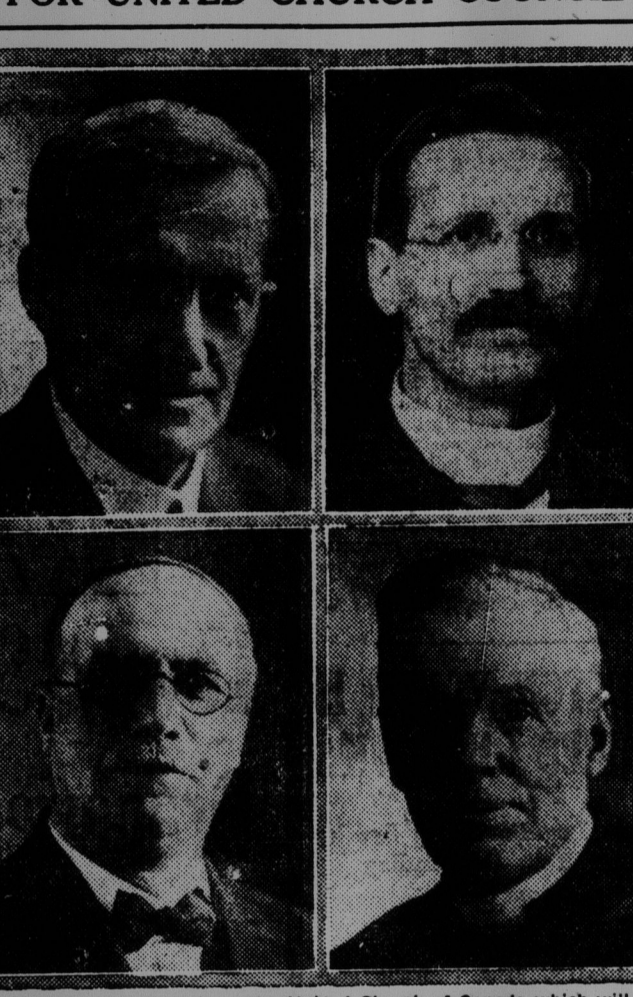

Fighting Principal Cheered By Students

NEW YORK, June 7.—Gustave A. Stumpf, principal of Public School 123, Brooklyn, was cheered by several hundred of his school recently when he had a fight with Dominick Vassallo.

Stumpf was driving his car home, he told the police, and Vassallo refused to move his machine to let him pass. Patrolman Ehlhardt, of the Wilson Avenue station, arrested Vassallo on Stumpf's complaint and Magistrate Brown, of the Adams street court freed him \$10.

FOR UNITED CHURCH COUNCIL

The General Council of the United Church of Canada which convenes in Montreal June 10th, will be attended by prominent members from all parts of the country, about 470 in all. Above, on the left is Judge J. D. Swanson, of Kamloops, B. C., who is a commissioner for that district; above, right—James Barron, K. C., of Regina, chairman of the Saskatchewan Maintenance and Extension Fund Committee and representative of the Saskatchewan Conference; below, left—Rev. John A. Doyle, D. D. of Winnipeg, president of the Western Conference, who will address the General Council on "Problems of Newcomers to the Canadian West"; below, right—Rev. Principal J. M. Miller, D. D., of Robertson College, Edmonton, who will present the religious needs of the Prairie Province on Home Mission night.

D. S. REID GIVES ADDRESS IN CITY

International Bible Students Association Meeting on Sunday in Imperial

D. S. Reid, representative of the International Bible Students Association, was greeted with a capacity house at the Imperial Theatre Sunday evening. Before an intensely interested audience the speaker delivered a forceful address on the subject, "The Resurrection of the Dead is at Hand—Millions Now Living Will Never Die." Choosing for his text, 1st Cor. 15:35-36 verses follows: "But some man will say: How are the dead raised up? and with what body do they come? Thou fool, that which thou sowest is not quickened, except it die."

Heavenly and Earthly Bodies. Those who seek immortality (Romans 2:7) will, if faithful unto death, receive spiritual bodies, but the world of mankind will come forth from the dead in connection with earthly bodies. Many good people who have died since Adam, are not in Heaven, and many more in hell, a place of eternal suffering, as many people would have us believe. The Bible is the only authority on the subject.

Peter, the apostle, says the judgment day will be one thousand years long—2nd Peter 3:12. This is to be the reign of Christ, and will be the world where in dwelleth righteousness. In it the dead will be brought back from the graves, and the willing and the obedient will attain everlasting life on earth, and the wicked will be destroyed in the second death. Rev. 21:8 and Obadiah 18th verse were used to prove the absolute annihilation of the wicked. "Be as though they had not been."

The rebuilding of Palestine. Quoting from Matt. 24, the speaker said the fulfillment of this prophecy was being worked out before our very eyes. The parable of the fig tree, which he said was symbolic of the Jewish nation rebuilding Palestine, is an abso-

lute fact, wherein we may firmly place our feet on the stream of time. "This generation shall not pass away" saith the Lord—heretofore nations now living will never die.

St. Paul said in 2nd Timothy 4:1 that He shall judge the quick (living) and the dead at His appearing and His Kingdom. This is the great event which Jesus taught His followers to pray for, "Thy Kingdom come, Thy will be done in earth as it is in Heaven."

In the 11th chapter of John, Martha made the statement that her brother would have a resurrection at the last day. Jesus said: "Whosoever liveth and believeth in Me shall never die. Believest thou this?"—John 11:26.

The entire lecture was illustrated, and the speaker gives marked attention. LECTURE SERIES ENDED. Rev. James Cloran, C. S. S. R., rector of St. Peter's, last night gave the closing lecture of his very interesting series "Character." He spoke last evening of will in its effect on character and he held the close attention of the large audience which filled St. Peter's church hall. The entire series has been greatly appreciated.

Miss M. Durrick, president of the Saint John north sub-division of the Catholic Women's League, was in the chair, and tendered to Father Cloran the very hearty vote of thanks which was moved by J. Gibbons. HONORED BY FRIENDS. About 20 of the friends of Frank Swanton tendered him a dinner in the Admiral Beatty on Friday evening in honor of his approaching marriage. A feature of the evening was the presentation to the groom-to-be of a handsome smoking cabinet. Roland Riley made the presentation and Mr. Swanton replied suitably.

FARMHAND FIRES BARN AND ENDS LIFE

Body Found in Ruins After Attempt at Capturing Man

SMITH'S FALLS, Ont., June 6.—Setting fire to the barn of his former employer, C. Empey, to escape capture after an unsuccessful attack on Mrs. Empey and her young son, William Clark, young farmhand, was burned to death near here Saturday afternoon. In the absence of Mr. Empey, Clark visited the farm and, enticing the boy to the barn, he attempted to chloroform him. The mother, coming into the barn to seek the child, was also attacked. Apparently frightened by her screams and falling to chloroform her, Clark released both his victims. They escaped to a neighbor's house. When they returned with assistance they found the barn on fire. The charred remains of Clark were later discovered in the ruins. Clark was subject to fits of insanity and was thought to have been intoxicated with Mrs. Empey.

TAKEN HOME. A juvenile was found at 10:30 o'clock Saturday night by Walter Gilbert attempting to steal his automobile from North Market street near the owner's grocery. Mr. Gilbert took the boy into his store and Detective Saunders and Police Constable Vanwart soon arrived on the scene. It was then learned that the youngster was unaccountable for his actions. He was allowed to go home.

NO SANCTION YET. The Maritime intercollegiate track and field meet will be held in Moncton on June 26, according to word received from the railway city. W. E. Stirling, vice-president of the Maritimes Provinces branch of the A. A. U. of C., said last night that he understood that the meet would be held there but that no sanction had been asked as yet.

Deaths

Mary A. Barry. Word was received in the city yesterday of the death of Miss Mary A. Barry at her home in Melrose, N. B., on Sunday morning after a lingering illness. Miss Barry had resided in Melrose all her life, and was the daughter of James and the late Elizabeth Barry. Besides her father she is survived by two brothers, Frank M., of Melrose, and Dr. J. M. Barry, of Saint John. She also leaves six sisters, Mrs. James Kelly, of Pawtucket, R. I.; Mrs. Joseph D. Savage, of Port Eglis; Mrs. Herbert Stack and Mrs. Cornelius Murphy, of Melrose; Miss Emma, a nurse in New York, and Miss Elizabeth at present at home.

Dr. Barry left for Melrose this morning to attend the funeral. Miss Blanche Agnes O'Brien. Many friends will hear with great sorrow of the death of Miss Blanche Agnes O'Brien, which occurred yesterday morning at the residence of her brother, William O'Brien, Manawagonish Road, after a lengthy illness.

Miss O'Brien was the daughter of Mrs. Bridget O'Brien and the late Thomas O'Brien, and was formerly a member of the office staff of the O. H. Warwick Company, Limited, King street. About two years ago she left Saint John to enter the convent of the Blessed Sacrament in Pennsylvania, but her health did not permit of her continuing her life in the religious order and she was taken to the sanatorium at Orwell, New York. As there was no improvement in her health, attained through the sanatorium treatment, she returned home and had been residing with her brother during the winter. Her illness became serious about five weeks ago and she gradually fell from that time. When Miss O'Brien's health had become such that she found it necessary to return home she was accompanied to Saint John and looked after well by her sister, Miss Jeanette Schuler, of Orwell, New York, a kindness which the family appreciated greatly.

Miss O'Brien had taken a very active part in church work while residing in Fairville, and had also been very prominent in amateur theatricals. She was a member of St. Rose's Dramatic Club, and had taken part in a

CUPS AND MEDALS PRESENTED CADETS

Interesting Feature Carried Out as Boys Assemble For Parade

The presentation of cups and medals to city cadets took place yesterday morning when the cadets had assembled at the Armory for church parade. Col. A. B. Snow made the presentation and those receiving medals were as follows: Cadet Capt. Humphrey Sheehan, received the Col. Houlton cup as the best trained officer in the city, and Cadet Sgt. Percy Kierstar received the Major Mooney cup for the best trained N. C. O. of the city cadets.

The Rifle Association medals were presented to members of St. Andrew's Corps as follows: Cadet Sgt.-Major Frank Devine, gold medal for highest aggregate provincial championship medal and silver medal for first class in the Dominion C. R. A.; Cadet Humphrey Sheehan, silver medal first class, D. C. R. A.; Cadet C. Burgess, bronze medal, second class, D. C. R. A.; Cadet McAlpine, bronze medal, second class, D. C. R. A.; Cadet Captain

Hawkins, silver medal, first class, D. C. R. A.; Cadet Toole, silver medal, first class, D. C. R. A., silver medal as second in provincial championship; Cadet Stanley Reid, silver medal, first class, D. C. R. A.

C. P. CARRYING CARS OF REINDEER MEAT

WINNIPEG, June 6.—Interesting types of freight are moving east over the Canadian Pacific lines this week-end from Seattle. Three carloads of frozen reindeer meat from Alaska are moving east to Chicago and Minneapolis. The first solid carload of fresh tomatoes, to be grown in Victoria, to be carried by freight left Vancouver Saturday for Toronto. This will be moved in special type refrigerator cars and the fruit will be delivered to the eastern market in perfect condition.

The schooner Amy G. McKeen, Captain Hilton, sailed from Halifax on Friday with cargo of lumber for Lynn and Boston.

Majority Endorsement of the NEW TIRE WARRANTY

WITH the advent of spring and heavier tire buying, the majority of motorists are appreciating the benefits of the revised tire warranty announced January 1, 1926. This warranty gives full guarantee against defects of workmanship or materials for 90 days from date of first road wear (180 days in the case of solid tires).

You can now buy the tires you need with the assurance that you are paying only a fair price—a price not increased by losses imposed upon the manufacturer by the habitual adjustment seeker. Hundreds of thousands of dollars will now be saved on the purchase price by the big majority of motorists who do not seriously abuse their tires. So that you may not innocently abuse your tires, the Rubber Association of Canada publishes information to assist you.

Too Low Air Pressure

In recent years the comfort of Balloon tires has created a tendency on the part of those still using high-pressure tires to very materially reduce their air pressure. In turn many users of Balloon tires have been tempted to seek further increase of riding comfort by carrying too little air, even in Balloon tires. Both Balloon and high-pressure tires are sharply susceptible to injury if the proper pressure for the load carried is not maintained.

Diagram illustrating tire injuries. It shows two cross-sections of tires. The left one is labeled 'In Balloon Tires' and shows a tire with low air pressure being compressed against a curb, causing the tread to wear unevenly. The right one is labeled 'In High-Pressure Tires' and shows a tire with high air pressure being compressed against a curb, causing the tread to wear in the center. Text explains that high-pressure tires are more susceptible to injury from curbs and bumps.

How to Avoid These Tire Injuries. In addition to driving with reasonable care, the way to avoid these mishaps is to buy tires of a size adequate for the load to be carried and then to keep them inflated in accordance with the maker's recommendation. This information regarding tire size and inflation can be obtained from good tire dealers. To guide you in maintaining the desirable inflation it is necessary that you have a pressure gauge. If you are using Balloon tires use a Balloon tire gauge, do not rely on a high-pressure gauge for low-pressure tires. The high-pressure gauge is not designed to register the small fluctuations of air pressure which are sufficient to cause injury to low-pressure tires.

FOUR DOCUMENT NOV 20 1935

THE EVENING TIMES-STAR, SAINT JOHN, N. B., MONDAY, JUNE 7, 1926

WELCOME TO SAINT JOHN NATIONAL CHAPTER I. O. D. E. ONE FLAG --- ONE THRONE --- ONE EMPIRE

IDEA OF ORGANIZING FOR PATRIOTISM NETS RESULTS SPEEDILY

Federation, Beginning in 1910, Extends From Canada to West Indies, Newfoundland, and United States; Broad Outlook Impresses

It was in 1900 that in the brain of a zealous, patriotic woman, Mrs. Clark Murray of Montreal, was evolved an idea based on the fact that while men were organized and stood ready in emergency to respond to the call of Empire, women, as a body, had no bond of fellowship, nor opportunity for service, to render effective assistance in time of need. The idea, glowing with the vision, courage and purpose of a seer, resolved itself into a scheme, having for its avowed object, a federation of patriotic women, not only in Canada but in every portion of the Empire, bound together by a common tie and for a common purpose.

In 1908 statistics show that there were 118 chapters in the order, a large proportion of these in Ontario, but western chapters had sprung into being, and in this regard speedily took

spreading the gospel of unity and promoting the best interests of loyal citizenship in the Dominion. In 1910 national chapters were formed in Newfoundland, in the Bahamas and in Bermuda, and 21 chapters were organized in Nova Scotia, New Brunswick, Quebec and Prince Edward Island. The order has also progressed in the United States, with the National Society, Daughters of the British Empire, and the I. O. D. B. E. State Society. And so the progress of the order in a land of such tremendous distances has steadily continued showing that all loyal women throughout Canada were inspired by the fact that they were now in a position, by concerted effort and with a unified and centralized organization to show their patriotism in practical deeds, by a prompt and sympathetic response to every need.

notable feature of the order's efforts along the lines of child welfare activities is the operation of a baby clinic in conjunction with the city health department. Manitoba—Educational work is a characteristic feature in this province, the writing of essays on subjects distinctively national and imperial, the Nineteenth Sanatorium is concrete testimony to the efforts of the members of the order in health activities and a most noteworthy work of the Memorial Chapter is the creation of the first Great War cemetery in the British Empire. Not only in the securing of the plot, but in the marking of the graves, in the sympathy and succour extended to the dependents, this chapter has given loyal and unselfish service.

History of I. O. D. E. Order in Province of New Brunswick

NOW when the national convention of the Imperial Order, Daughters of the Empire, is being welcomed to the Loyalist City of Saint John the history of the order in New Brunswick is recalled with some pride and the following historical sketch written by Mrs. G. C. Vanwart, of Fredericton, will be read with special interest.

New Brunswick has the honor of having the first provincial chapter and the first enrollment of the Daughters of the Empire. On Jan. 18, 1900, Mrs. Clark Murray sent out her now memorable telegram to the Mayor of the City Council chamber on Feb. 1. At the necessary resolutions had been passed, all present (87) enrolled as Daughters of the Empire. At a subsequent meeting the enrollment increased to 46. The first general meeting in Montreal was held on Feb. 18, 1900. A resolution to organize the provincial federation was passed at this meeting, but some doubt was expressed as to the advisability of proceeding at once. In a letter to the secretary at Fredericton dated Feb. 14, 1900, Mrs. Murray stated that it had been decided to withdraw for the present the proposed constitution. The executive at Fredericton, already committed to a collection for the South African Patriotic Fund, advised Mrs. Murray that they would disband when this collection was completed. On receipt of our letter Mrs. Murray called another meeting in Montreal at which meeting it was decided to organize the federation at once. A telegram giving this decision and asking us to keep on was immediately sent to us.

ORGANIZATION IN PROVINCE

To the auxiliary, later called the provincial executive committee and then Provincial Chapter, was entrusted the organization of the province. Some organization work was done but it was not the best of success. In 1902 we received our provincial charter. The first copy of Echoes was received February 1902. Our provincial chapter carried on the work in New Brunswick alone until 1910. It contributed to and supported all national work initiated or approved by the National Chapter, the most important of which was the South African Patriotic Fund. South African Grave Fund work in India and work in the schools. A great deal of local work was accomplished, including hospital work, local improvement, school work, marking historic spots and twice petitioning the Government in the restoration of Old Government House as an official residence for the Lieutenant-Governor of the province.

SCHOOL WORK

The school work consisted of patriotic programs in schools, presentation of the flag, history and essay prizes, school linking, comrades' correspondence branches and the annual observance of Empire Day in the schools. The first Empire Day celebration in New Brunswick was held in Fredericton, May 26, 1901. The national organization committee visited New Brunswick and organized chapters, but only three survived, the Fort Cumberland, Moncton, the Loyalist, Saint John, and the St. Howard Douglas, with Hiawatha, sail the seas with Sinbad, build stockades with Crusoe, play at quills with Odysseus and at football with Tom Brown. These playmates will never quarrel with him or bully him, but from whom he will learn to be brave, self-reliant, manly, thoughtful of others, straightforward, with his face toward the light." Continued on page 18.

LIBRARIES IN SCHOOLS.

The I. O. D. E. libraries have found their way into many schools in different portions of Canada and in many isolated portions have proved a great boon. The chapters have done yeoman work in supplying this necessity, realizing what a hardship it is to be devoid of reading matter in the midst of dreary dreariness.

The world of books is one in which children may enter and find noble companionship. Let the boy roam with Hiawatha, sail the seas with Sinbad, build stockades with Crusoe, play at quills with Odysseus and at football with Tom Brown. These playmates will never quarrel with him or bully him, but from whom he will learn to be brave, self-reliant, manly, thoughtful of others, straightforward, with his face toward the light." Continued on page 18.

I. O. D. E. Canadian Ladies!

We welcome you to Saint John and assure you it is a pleasure to be able to extend to you the service and courtesy of our 23 departments. You will find much to interest you in our large and comprehensive stock. Never was there a more beautifully displayed display of place goods in Wash Fabrics, Silks, Wearing Apparel including Imported Millinery, Coats, Dresses, Lingerie, Summer Furs, Sports Apparel and Sporting Goods, whether you are a Tennis or Golf enthusiast.

Hosiery, Gloves, Handkerchiefs, Neckwear, High Grade Toilettries and Choice Confectionery, Housefurnishings, Floor Coverings, Oriental Rugs, Furniture for the country home, city home, camp and veranda, Electrical Appliances, Radio, Baggage of all kinds from the overnight bag to the general purpose trunk.

In the Art Department are many suitable gifts for the June bride—Silver, Cut Glass, Crystal, Brassware and countless other interesting novelties.

A Barber Shop, too, for women and children.

Ladies! You will be glad to know we carry a complete stock of Vogue Patterns—Prices are the same as in American cities. Also—Ladies' Home Journal Patterns.

KING STREET - GERMAIN STREET - MARKET SQUARE

Every province has contributed its quota to the establishment of a permanent memorial of its activities during the war and since. From the distant Yukon to the Atlantic coast all have shown their faith in the aims and ideals of the order by their constructive work along these lines. It is a remarkable coincidence that, in the greatest, most momentous conflict in the world's history, the order had the opportunity to prove consistently its true patriotism and thereby justify its practical usefulness.

INCORPORATED IN 1901

The federation was formally incorporated in the year 1901 as the Imperial Order Daughters of the Empire, under the British flag. The present strength of all grades of chapters is as follows:

National chapters	4
Provincial chapters	8
Municipal chapters	27
Primary chapters	42
Junior chapters	42
I. O. D. E. Girl Guides companies	15

700

Every province has contributed its quota to the establishment of a permanent memorial of its activities during the war and since. From the distant Yukon to the Atlantic coast all have shown their faith in the aims and ideals of the order by their constructive work along these lines. It is a remarkable coincidence that, in the greatest, most momentous conflict in the world's history, the order had the opportunity to prove consistently its true patriotism and thereby justify its practical usefulness.

SOLDIERS' PLOT.

British Columbia—Soldiers' plot in Vancouver. The Cross of Sacrifice was unveiled in 1922 on the Sunday prior to the sessions of the annual meeting of that date and was a most impressive ceremony. The presentation of war memorial pictures to the schools, the gifts to the libraries to the Ukrainian Settlement schools, X-ray plant at the Nelson Hospital, equipped by the chapter, are outstanding achievements.

Alberta—A very remarkable work in connection with child welfare in this province is the Sick Children's Camp at Sylvan Lake, conducted, financed and supervised by the Municipal Chapter of Calgary. The children, selected by the school nurses, are from families in adverse circumstances and most deserving. Since the inception of the camp in 1922, four hundred and twenty-six undernourished children have had a ten-day outing and have benefited accordingly.

The war memorial erected in Central Park, Calgary, is a striking and impressive statue and is the gift of the Colonel McLeod Chapter.

Presentation of war memorial pictures to Red Deer schools and a flag to a troop of boy scouts are examples of the interest shown by members of the order in the community.

Saskatchewan—The active and practical interest shown in the Qu'Appelle sanatorium and the Mental Hospital at North Battleford deserves the warmest commendation and in Saskatchewan a very

SPAIN REFUSES DELEGATE FOR LEAGUE MEETING

Sensation is Created at Geneva When Telegram is Received

LIKE BRAZIL

Reorganization Commission is Favorable Only to Germany's Admission

GENEVA, June 7.—A telegram from the Marquis Quinones de Leon, Spanish representative on the League of Nations Council that he would be unable to attend the present session created a sensation as the body assembled today. It is the first meeting which he has not attended since the League was founded. It is interpreted as being an intimation of Spain's intention to carry out her threat not to interest herself in affairs of the League if she is not given a permanent seat on the Council.

ONLY GERMANY.

Spain, like Brazil and other non-permanent members has been demanding a permanent seat in the council on the same basis as the great powers but the reorganization commission which has been studying the problem is opposed to any increase in the permanent members beyond Germany.

BRAZIL OUT ALSO

GENEVA, June 7.—A sensation was caused at the opening public meeting of the 40th session of the League of Nations Council today, when it was seen that Atrinio Mello Franco, the Brazilian representative, was not present. The league secretary general, Sir Eric Drummond announced that he had received a letter from Senor Mello Franco stating that illness prevented his attendance. As no other member of the Brazilian delegation was substituted, however, Mello Franco's illness was generally interpreted as being of a diplomatic nature.

Belgian Senate O.K.'s New Financial Plan

BRUSSELS, June 7.—The Senate has unanimously approved the financial projects of the new Jasper ministry, which will augment the fiscal resources of Belgium by more than \$40,000,000. The new projects, as outlined by Finance Minister Houtard last week, will impose additional taxes on luxuries, motor cars, theatres and income from real estate.

In Marion Talley's Footsteps

Miss Louise E. Lerch of Allentown, Pa., has won a place in the Metropolitan Opera Co. ranks. Like Marion Talley, another young musical sensation, Miss Lerch is the daughter of a telegrapher. Her father is Daniel E. Lerch, one time operator and manager of the telegraph office at Allentown, Pa.

ONT. RAIL EMPLOYEES FORM COAL MINE CO.

Plan to Carry on Operations in Field on Mattagami River

CANADIAN PRESS DESPATCH. NORTH BAY, Ont., June 7.—A syndicate looking towards the development of what is declared to be a prospective coal field, near Long Rapids on the Mattagami River, has been formed by a number of employees of the Temiskaming and Northern Ontario Railway. It became known here yesterday. The claims held by the syndicate are said to lie well within the area which is regarded as being "favorable mining country."

According to reports here the railway employees intend petitioning the Ontario government requesting that a boring machine be sent into the district with a view to opening up the resources said to exist there. The steamer Regina with 104 cabin and 447 third class passengers, was due at Quebec yesterday morning from Liverpool, Belfast and Greenock.

LOYD GEORGE REFUSES TO QUIT LIBERALS

Says Split Should be on Real Quarrel, Not on Rotten Quibble

MANCHESTER, England, June 6.—Completely unrepentant and refusing to be expelled from the Liberal party, David Lloyd George, chairman of the parliamentary section of the party, addressed an enthusiastic meeting at the Manchester Reform Club yesterday. In a brief fighting speech, packed with laughter, provoking points and gibes at his opponents, Lloyd George declared: "I was walking peacefully along my path when suddenly I was assailed by an angry bull of excommunication." He paused, and said,

seriously, "I apologize to the holy office; it never condemned anyone unheard."

OPPOSES QUIBBLE.

Demanding that if there must be a split let it be a "real quarrel not a rotten quibble," Lloyd George proceeded: "I attended the meetings of the shadow cabinet—God help me—more often than any other of Lord Oxford's colleagues. I never had a personal difference with him during the whole of that time. The first disagreement was over this one cabinet, and I am to be turned out for that?"

"What is the impression conveyed by these facts—that there is something behind them?" Lloyd George delighted his audience from quotations from panegyrics passed upon him at one time or another by those who are now trying to expel him, aiming especially at Sir John Simon, whom gossip mentions as the intended chairman of the Liberal party in the House of Commons if the attack upon Lloyd George is successful.

The former Premier's speech was in reply to the recent letter written by

Lord Oxford and Asquith, leader of the Liberal party, to Sir Godfrey Collins, chief Liberal whip, virtually reading Lloyd George out of the Liberal party.

Continuing his speech, Lloyd George attributed much of the present cabal to William R. Pringle, a former Liberal member of Parliament, who had criticized the Liberal chairman. "I shall be surprised," he went on, "if Lord Oxford's most important colleagues ever saw those letters before they were sent or if they were consulted about their publication and when I say that I speak with some knowledge. But Pringle was consulted."

Boy To Pay \$2 On Fine To N. J. Court

NEW YORK, June 5.—"Jersey justice" was tempered with extension of credit when John Belkowitz, 20 years old, of Bayonne, pleaded guilty before Acting Recorder Edward Griffin to having attempted to commit suicide. John, who drank iodine because, he explained, he was lonely, was fined \$25, and—and I can't pay it. I've got to "I haven't got any money," he said. Live.

Cold Milk and Fruit with SHREDDED WHEAT

An ideal noonday meal

You see, I make only \$15 a week, and I have to pay board and buy clothes and pay for my laundry and carfare, and—and I can't pay it. I've got to "All right," he said, "you can pay \$2 a week to Probation Officer John Bradley until the fine is paid."

Save your Energy

Even a heavy ironing will not tire you out if you do it the Hotpoint way. The exclusive Hotpoint steam rest permits a natural, comfortable position of the hand. N-27-D A Canadian General Electric Product

Do You Really Know Beaver Products?

ONE simple plan should be followed before you build, remodel or repair. Know building materials well before you spend a cent. Convince yourself that you are getting the best value for your money. Test and compare!

The coupon below will bring samples of Beaver Wall Boards and Vulcanite Roofing. Test them in any way you like—in comparison with others. Then you will know Beaver Products' superior qualities at first hand. You will know why they are noted for their remarkable dependability and durability.

Bestwall Plaster Wall Board
Look for Beaver Bestwall's distinctive cross-colored surface when buying plaster wall board. This special surfacing, found only in Beaver Bestwall, makes possible better and more permanent beauty of decoration. It is specially calendered and primed. It may be painted, papered or paneled. It saves dollars per room in painting costs. Beaver Bestwall is fire proof, warp proof, heat proof. Approved by National Board of Fire Underwriters. Stronger by actual test. Send for sample and compare.

Vulcanite Asphalt Roofing
Make sure—when you roof or re-roof any building—that you are putting on a roof which will require no further thought or attention for many, many years. Investigate Vulcanite Roofing's superior qualities before you decide. You will find big, heavy asphalt-coated slabs specially made for re-roofing right over old shingles. You will find other asphalt-coated shingles in distinctive designs and colors—as well as roll roofings—for every need. Send for sample and booklet describing Vulcanite's famous "Six Daring Tests".

Beaver Fibre Wall Board
You'll find no material for building new partitions, remodelling or repairing that is more dependable, more easily or economically applied than Beaver Fibre Wall Board. It is the only type of material which can be conveniently applied right over old plaster walls and ceilings. It offers many distinctive painted decorative effects through paneling. It requires no sining. Don't waste time and money on cheap, spongy materials which soak up paint like blotting paper and are unsatisfactory in other ways. Insist on seeing the Red Beaver Border on the back edge of every panel.

The History of Belt Making is STARRED With Goodyear Achievements

INDUSTRY today stands debtor to Goodyear for money-saving, time-saving, profit-making developments in industrial rubber goods—belting, hose, packing, valves. Those who remember industrial conditions ten years ago will remember that Goodyear forced on industry's attention the virtues of a new kind of rubber belt. The Goodyear "sealed seam" eliminated ply-separation. Goodyear produced the all-weather Kling-tite farm belt which forever took the belt troubles out of farm work. Goodyear first used tire tread stock for the cover of a conveyor belt—stock so tough that it immediately added greatly to the life of the belt. Goodyear, too, used this same tread stock to give industrial hose the protection it needs against abrasion and rough handling.

Goodyear developed the hose construction which eliminated the costly, trouble-making wire winding. Goodyear pioneered the production of special hose for special uses. This policy of development and advance is continuous with Goodyear. It never ceases. Any time you consult a Goodyear man, he is able to advise you with the knowledge of the latest development of Goodyear engineers. For any problem of belting, hose, packing, valves which you must meet, get in touch with the Goodyear Industrial Goods dealer or with the nearest Goodyear branch. The Goodyear Tire & Rubber Co. of Canada, Limited, Halifax, St. John, Quebec, Montreal, Ottawa, Toronto, Hamilton, London, Fort William, Winnipeg, Saskatoon, Regina, Calgary, Edmonton, Vancouver.

Goodyear means Good Wear.

H. B. ROBINSON DIES SUDDENLY IN ROTHESSAY

Prominent in Insurance Circles and Active in Other Interests

Death claimed another of Saint John's leading residents when Henry B. Robinson was suddenly stricken with heart trouble while returning from his summer residence at Rothesay on Saturday afternoon. He was one of the city's leading insurance men and had been in the business here during the greater part of his life.

The late Mr. Robinson had been in his customary good health and the news of his death came with startling suddenness to a large circle of friends. He attended the funeral of the late Dr. J. H. Allingham Saturday afternoon. Later in the afternoon he motored from his town residence, 218 Germain street, to his summer house, the Chateau, Rothesay Park. He reached his summer house and shortly after called his wife over the telephone, saying that he was returning to town. He started in the car and had driven as far as the Kennedy House when he was seized with a fainting spell. He expired shortly after being medical assistance could reach him.

PROMINENT INSURANCE MAN. The late Mr. Robinson had been a prominent figure in the insurance world for many years. He was formerly associated in business with his father, the late T. Barclay Robinson, under the name of T. B. and H. B. Robinson. On his father's death he carried on the business with Fred W. Fowler, under the name of T. B. and H. B. Robinson, Ltd. He was also prominent in church and club circles. For many years he was a member of the vestry of St.

Paul's church. He was on the board of the Wiggins Home and a member of the Union and Cliff Clubs. Besides his wife, formerly Miss May Beer, he is survived by one daughter, Mrs. Campbell MacKay, his mother, Mrs. T. Barclay Robinson, and three brothers, Philippe, manager of the Bank of Nova Scotia, at Liverpool, N. S., and Guy and F. Gerald, of Montreal. Messrs. Philippe and Guy Robinson and Mrs. Gerald Robinson were summoned immediately and reached the city yesterday. The other brother was away from home when the word was received and will arrive here today.

KEEN ATHLETE. In his earlier days Mr. Robinson was well known as an athlete. He was prominent as a hockey player and after he ceased to participate actively in the sport his services were in demand as a referee. He was a former treasurer of the Royal Kennebecasis Yacht Club and for some years was a member of the Salvage Lungs. Fred W. Fowler, a business associate of the late Mr. Robinson was absent on a fishing trip to Truro and Lake. He was immediately summoned by messenger and returned to the city last night.

BOOKLET TELLS OF 100 YEARS OF FIRM IN CITY

T. Rankine & Sons, Ltd., Established Here in the Year 1826

The Times-Star has received from T. Rankine & Sons, Ltd., biscuit manufacturers of Saint John, a highly decorated box of fancy biscuits, which also contained a very attractive booklet on the 100 years activity of the company.

These souvenirs are being distributed in commemoration of Messrs. Rankine's 100th birthday, and are quite in keeping with the firm's high standing in Maritime industry. The lithographed box is in blue and gold, and on the lid is portrayed a beautiful farming scene in attractive and tasteful colors, with the firm's crest and name neatly added. The sample biscuits are regular lines manufactured by the company, with the addition of a 100th anniversary brand biscuit. The booklet shows great care and thought in its preparation, and is printed on a fine quality paper, with cover embossed in two shades of brown and gold. In twenty pages the activities of Messrs. Rankines from 1826 to 1926 are outlined, and the fine half-tone illustrations show the first, second, third and fourth generation of Rankines, commencing with Thomas Rankine, the founder, Thomas A. Rankine and Alexander Rankine of the second generation; H. C. Rankine, Frank Rankine and Walter Rankine of the third generation, and Allan Rankine, present day president, H. Fielding Rankine, vice-president, Arthur P. Rankine, secretary-treasurer and A. Dodge Rankine, director, these latter comprising one member of the third generation and

three members of the fourth generation. The editorial matter of the booklet deals with the production of biscuits from the barrel of flour to the home, and depicts the various processes through which the biscuits go before finally reaching the table of the consumer. A paragraph dealing with supplies states that as much material as possible is bought locally from Saint John dealers, and that the tin boxes and pulls are brought in from Ontario and Quebec. Although Messrs. Rankine's products find their greatest market in the Maritime Provinces and Quebec, Western Canada, Newfoundland and the British West Indies purchase large quantities. The concluding pages of this in-

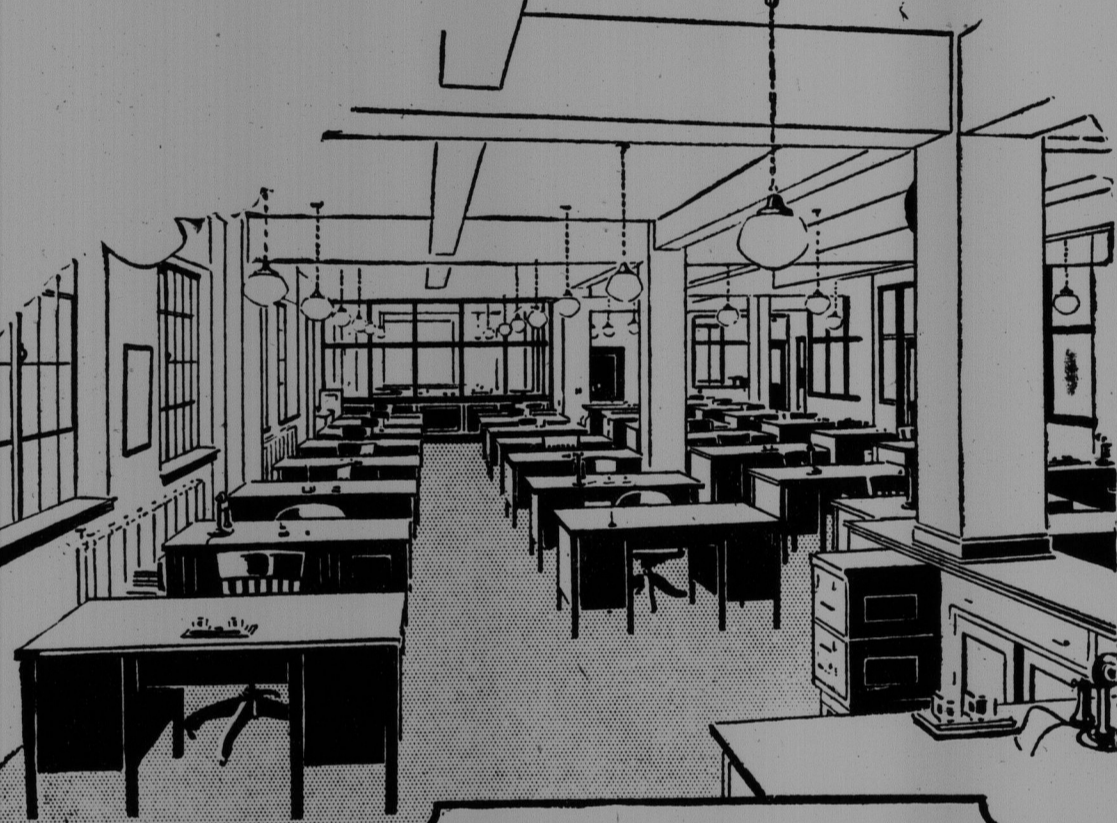

teresting booklet give a partial list of the biscuits manufactured, shows a good picture of the plant of 1826, and the present day premises. Illustrations of medals awarded the company are also shown, and a footnote states that other medals and diplomas were destroyed in the great Saint John fire of 1877. Citizens of Saint John and the Maritime provinces are joining in congratulating this company on their one hundredth birthday, and wish them success in their commencement of a second century of industrial activity. The tug Alice R left for Gagetown on Saturday to tow the tern schooner Emily P. Northum down river with a cargo of piling for New York.

How Much of Your Overhead is UNDERFOOT?

Office of Imperial Oil Limited, Montreal, showing Dominion Battleship Linoleum Floor.

Low Upkeep Cost—a Feature of This Permanent Floor

The first cost is practically the last cost with Dominion Battleship Linoleum. There is never a question of replacing worn parts or of expensive re-finishing. Cleaning costs, too, are greatly reduced by this modern, sanitary floor. It is simply a case of brushing away the SURFACE dirt—there is no other kind, because Dominion Battleship Linoleum is firm, smooth, non-absorbent and has no cracks. Dominion Battleship Linoleum is quick-to-lay and defies the heaviest traffic. Cemented to the floor, it is to all intents and purposes, a part of the building itself.

DOMINION Battleship Linoleum

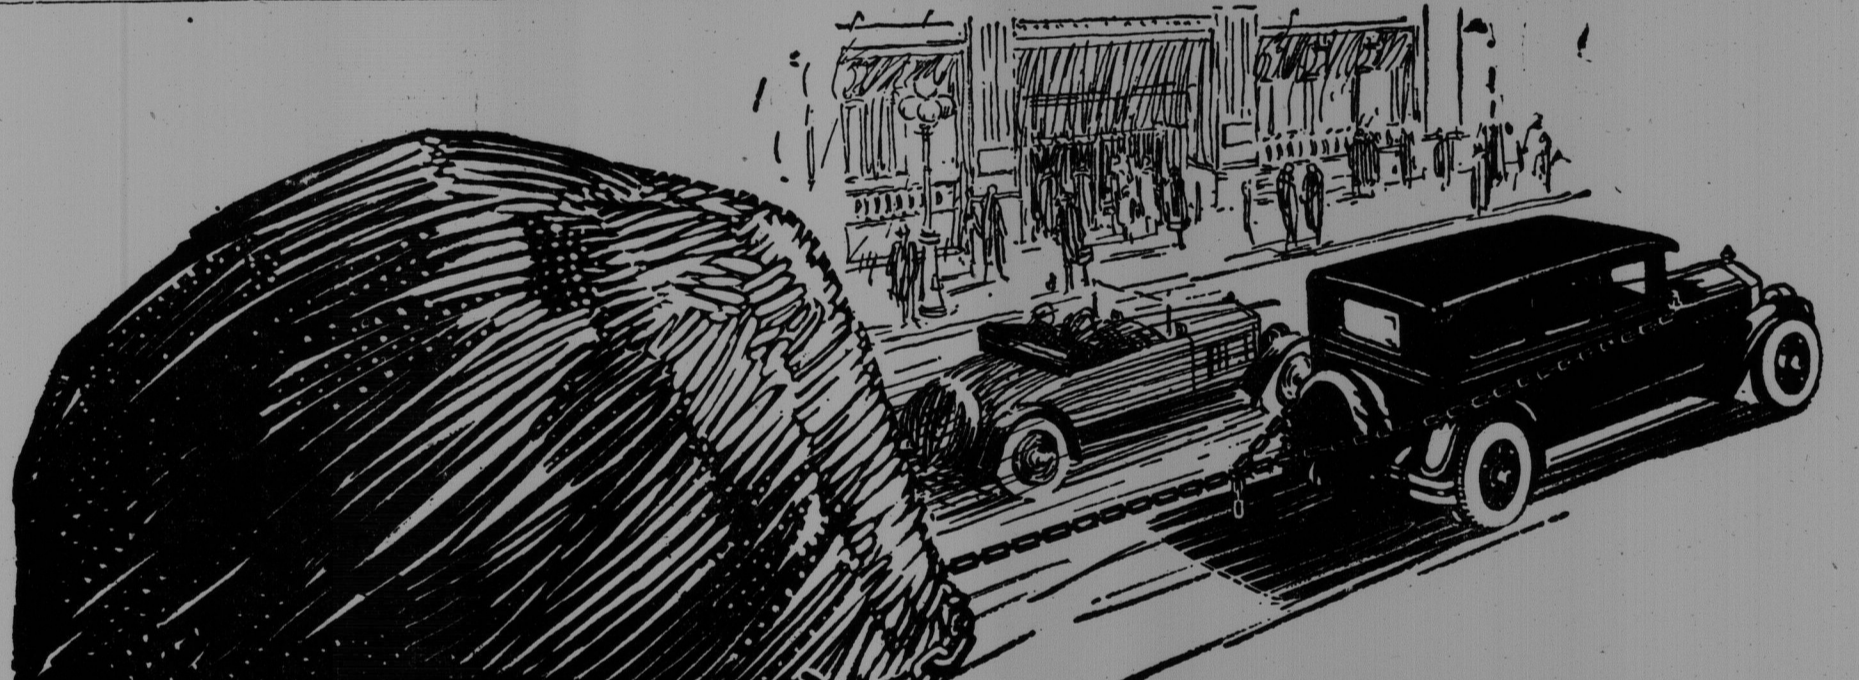

is quiet and restful underfoot, odorless, attractive in appearance. Years of service in Canada's leading banks, offices, departmental stores, schools, hospitals, libraries and public institutions have proved its outstanding merit.

Dominion Battleship Linoleum, AAA quality, is made in eight standard shades—brown, green, terra cotta, grey, buff, blue, black and white (used extensively for tile floors). AA and A qualities, in four standard shades only. Special colours for large contracts.

Dominion Battleship Linoleum is made in Canada to suit Canada's climatic conditions and is installed by all large departmental and house furnishing stores. Write us for free samples and literature.

Dominion Oilcloth & Linoleum Co., Limited Montreal

Makers of Sanitary Floor Coverings for over 40 years.

CARBON Puts a Drag on Your Car

HARD, gritty carbon, deposited by poor lubricating oil, prevents your motor from delivering the full power it was built to give. Carbon makes your engine "knock" and miss, and causes pre-ignition. It takes the real pleasure out of motoring; because your car no longer responds to the accelerator as it should. There is only one motor oil that successfully combats carbon—Marvelube, the new process Imperial Motor Oil! Marvelube is new and entirely different from any other motor oil. It is made from Peruvian Crude, the world's richest lubricant base, by the Marvelube Process, which was developed by Imperial Oil Limited after four years of research and experiment.

No other motor oil can compare with Marvelube either in its almost carbonless quality or in all round lubricating value. No other oil company can duplicate Marvelube because Imperial Oil Limited controls both crude and process. Free your car from the drag of carbon! Fill your crank case with the correct grade of Marvelube today and note the new power and smoothness with which this newest and finest of all motor oils endows your motor. Marvelube is made in six grades, including Marvelube "F" for Fords and is sold at Imperial Oil Stations and by good dealers everywhere.

TENDERS FOR DREDGING

SEALED tenders, addressed to the undersigned and endorsed "Tender for dredging, Saint John Harbour, N. B." will be received until 12 noon (daylight saving), Wednesday, June 16, 1926. Tenders will not be considered unless made on the forms supplied by the Department and in accordance with the conditions set forth therein. Combined specification and form of tender can be obtained on application to the undersigned, also at the office of the Engineer in Charge, Post Office Building, Saint John, N. B. Tenders must include the towing of the plant and from the work. The dredges and other plant which are intended to be used on the work shall have been duly registered in Canada at the time of the filing of the tender with the Department, or shall have been built in Canada after the filing of the tender. Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Minister of Public Works, for 5 per cent of the contract price, but no cheque to be for less than fifteen hundred dollars. Bonds of the Dominion of Canada and Bonds of the Canadian National Railway Company will be accepted as security, or bonds and a cheque if required to make up an odd amount. By order, S. E. O'BRIEN, Secretary, Department of Public Works, Ottawa, June 4, 1926 6-7-9-11

ASIATIC WORLD IS IN REBELLION AGAINST WHITE DOMINATION

Change Possesses Dark and Dangerous Aspects, Says Dr. Turnbull

HOPE IN DEVELOPMENT.

This condition, the Chinese Christians pointed out, was the fruit of good work which the white missionaries had done. There was hope in this development, said Dr. Turnbull, because now the men and women who went to Asia would have a similar task. The spiritual message of the great fields were largely untouched.

GREAT FIELDS UNTOUCHED.

He hoped that the recent trouble in the Presbyterian church would lead to the present body opening up missionary work in a new part of the world. Great fields were largely untouched, and missionary bodies were finding it difficult to expand because of lack of backing.

CANADIANS SHOT AT ON BORDER, 1 HURT

Auto of Montreal Surgeon Attacked by Alleged U. S. Dry Agents

850 Confirmed by Bishop Morrison

SYDNEY, N. S., June 7.—Sacred Heart church presented an impressive scene yesterday when the tri-annual Confirmation service was held, at which about 850 children and adults received Confirmation. The service was conducted by the Rt. Rev. Bishop Morrison, of Antigonish, assisted by Rev. Father MacDonald, Landry, and Doyle. The usual time for the Confirmation was to have been a year ago but due to the unsettled conditions existing here at that time the ceremony was postponed until this year.

NEW SERVICE TO WEST INDIES TO START JULY 2

Sailings Scheduled From Saint John and Halifax Every 4 Weeks

MONTREAL, June 6—Owing to the curtailment of the present steamship service between Saint John, N.B. and Halifax, N.S. and Bermuda, the Windward and Leeward Islands and Demarara, the Canadian Government Merchant Marine has given notice of the addition of two freighters which will make possible the continuance of the fortnightly sailings between these ports.

SAILINGS EVERY 4 WEEKS.

The second steamer will sail from Halifax July 30, and other sailings will be maintained every four weeks from Saint John and Halifax, alternating with the Royal Mail Steam Packet sailing. The points in the islands which will be touched by the Canadian Gunner and Canadian Beaver are Bermuda, St. Kitt's, Antigua, Montserrat, Dominica, St. Lucia, Barbados, St. Vincent, Grenada, Trinidad and Demerara.

Sons of Temperance Commend Cabinet's Efforts To Enforce Prohibition Act In Province

A RESOLUTION of appreciation of the efforts of the present provincial government to enforce the prohibitory law and expressing the hope that their efforts would be successful was passed by the Grand Division of the Sons of Temperance of New Brunswick at their convention which sat during the week at Lower Millstream.

\$100,000 Worth of Contraband Liquor Seized on N. B. Coast By Customs Men Recently

As a result of a drastic campaign undertaken last month by the Department of Customs and Excise to smash liquor smuggling operations which have been operating along the long New Brunswick coast line for several years, upwards of \$100,000 worth of contraband is now stored in the Federal Government liquor rooms in Saint John.

Morning Stock Letter NEW YORK, June 7.—After heavy profit-taking in the industrial on Saturday, the best stocks recovered easily towards the close. Rails were strong. There may be some profit-taking today and perhaps some reaction, but the trend of the market is distinctly upward still, and we think the best stocks are a purchase on any small set-back.

AUTO OVER DOCK Three Drowned as Driver Mistakes Road Near Belleville, Ont. BELLEVILLE, Ont., June 7.—Three young people, two girls 18 years of age, and a young man 20 years of age, were drowned here early today when the car in which they were driving plunged over the government dock into fifteen feet of water.

LITTLE ONE DEAD Many friends will sympathize with Mr. and Mrs. Bryson Estabroks in the death of their infant daughter, Edith Olive, which occurred at their past residence, 47 Water street, West, Saint John, besides her parents a sister and a brother survive.

ST. JOSEPH'S NINE TAKE BOTH GAMES Collegians Defeat Moncton Nationals 5 to 2 and Acadians 8 to 3

MONCTON, June 7.—In the annual return games played on Mary's Home diamond here, Saturday, between St. Joseph's College baseball team and the Collegians took both victories. In the afternoon they defeated the Nationals by a score of 5 to 2, while in the evening game they took the Acadians into camp to the tune of 8 to 3.

ALCOHOL SEIZED IS NOW VALUED AT \$26,000 The value of the alcohol seized at Hampton on Friday night by Customs and Prohibition officials was about \$26,000. It was found when the contraband was unloaded at Saint John yesterday, including about \$18 a gallon.

IDEA OF ORGANIZING FOR PATRIOTISM (Continued from page 9) The consensus of opinion regarding that important feature of our national life, immigration, is the fact that the O. D. F. considers a selection police should be pursued by the government and that there should be a predominance of British settlers.

ERIC THE RED HELD DISCOVERER OF N. S. Visited Cape Sable 500 Years Before Cabot, Says Halifax Chronicle

HALIFAX, June 5.—While the discovery of Nova Scotia is credited to Cabot, on whose reports in 1497 were based the English claim of right of possession of the continent, according to well founded data the credit for its discovery should properly be given to a hardy band of Norse mariners, who under the leadership of Eric the Red, visited Cape Sable Island in 994, fully 500 years before Cabot's visit, says an article in the Morning Chronicle.

WEAR THE Philosophers and Wise Men of Ancient India performed the functions that College Professors do in modern times. The great teachers were so revered that their doctrines are held in sacred observance to this day. Their ancient definition of Eternity was this: "Eternity is the time it would take to wear away a huge block of granite by the bare feet of a Rajah walking across it once a year."

GRANITE is an appropriate substance to represent eternal WEAR. It always appeals to our minds as the hardest and most un-wear-outable of materials, yet granitic, subjected to the usage given an automobile tire, would wear out far sooner than does the tough, resilient, long-serving Tread of a "Gutta Percha" Tire.

Intermediate League To Open Tonight If Weather Is Favorable

Final Game For Bowling Title Is Carded Tonight

The standing of teams, totals and averages of the Inter-League championship just finished on Black's alley has come to hand. It was one of the most interesting leagues held in recent years, as the scores were exceptionally high.

As it turned out, Penders and the Knights of Pythias team tied for first place and are to roll off tonight. This game is creating a lot of interest, for the winners not only get the prize for first place but hold the beautiful Terry shield, emblematic of city championship for the year.

The high team total was made by the Post Office team with 1,567. The high single string was made by the City-County team with 1,567.

CHANGES MADE IN SCHEDULE FOR THIS WEEK

St. Peter's and Y.M.C.I. Clash Tonight on St. Peter's

St. Peter's and the Y. M. C. I. are scheduled to open the local Intermediate League this evening, but should weather interfere, the game will be played on Friday night on St. Peter's Park.

The president also said that the home night for the Y. M. C. I. on the North End grounds will be on Tuesday nights, instead of Friday nights, as reported by the team to the league.

The Y. M. C. I. and Alerts are hereby notified of this change of nights and should arrange for tomorrow night's game accordingly.

The Alerts will be obliged to arrange for Thursday night for their home night on the Allison grounds.

Monday—St. Peter's vs. Y. M. C. I., St. Peter's.

Tuesday—Y. M. C. I. vs. Alerts, North End. Beavers vs. Nationals, West End.

Wednesday—Internals vs. St. Peter's, South End.

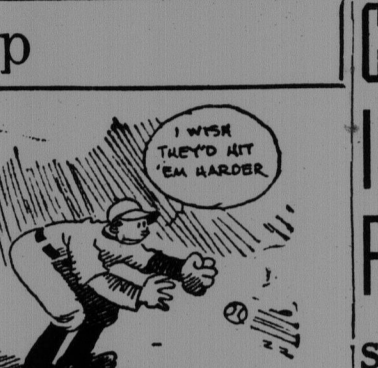

Thursday—Nationals vs. Canucks, North End. Alerts vs. Glenwoods, Allison grounds.

Friday—Glenwoods vs. Internals, Allison grounds.

MANY PEOPLE VISIT ALMA TO INSPECT FIRE DEVASTATION

Nearly Half a Hundred Residents Homeless and Nigh Disheartened

HOPWELL HILL, June 6.—Hundreds of visitors, some of them coming from long distances, motored to Alma today to view the ruins caused by the recent disastrous fire which laid in ashes 24 buildings including 10 residences, four stores, the school house and the Methodist church. The Sabbath as it dawned found a stricken village and a sorrowful and well nigh disheartened people with half a hundred residents homeless and the outlook for restoration not encouraging. Many of the residents feel that with the present poor industrial conditions of this one time busy locality, the prospects of the village ever recovering from the disaster are not bright. So far the homeless are being given shelter in the village. It was impossible today to get a correct statement of the individual losses or insurance held. Some buildings are not insured at all and others only for small amounts. There was \$1,000 on the Methodist church and \$1,500 on the school house. Councillor J. A. Cleveland, whose residence, one of the finest in the county, was destroyed, has moved into the White bungalow. A number of Saint John insurance men are on the scene checking up on the losses.

N. Y.-Buenos Aires Flight is Postponed

PORT DE FRANCE, Martinique, West Indies, June 7.—Bernardo Dugan, Argentine aviator, who in company with two Italians, Oliveri and Campenelli, is engaged in an attempt to fly from New York to Buenos Aires, were forced to return here at 9 o'clock yesterday morning after having taken off for Trinidad. Bad weather again balked the trio.

Fishway to Be Constructed On Magaguadavic River Soon

Tenders Now Being Called For: River Stocked With Salmon

ST. GEORGE, June 6.—Tenders are being called for the construction of a fishway at the falls on the Magaguadavic, and it is expected work will start with the low run of water. The river has been pronounced by experts one of the best in the province for salmon, and the fishway will give these game fish a chance to get to their natural spawning grounds. Smelt, gasperou and other salt water citizens are expected to make use of the road to the beds of streams where they propagate their species.

STOCKED WITH SALMON. When the Magaguadavic comes into her own there will be everything to offer the true sportsman. Thousands of young salmon have been placed in the headwaters of the river, and more will be put in.

Buffalo, 2; Toronto, 3. (Second).

CANADA TO PROTEST BORDER SHOOTING

Montreal Surgeon, Hurrying to Lowell on Case, Fired on in Vermont

Canadian Press.
LOWELL, Mass., June 7.—An official protest from Canada to the United States is being made today as a possible sequel to a border shooting. Dr. J. A. Labelle, a Montreal surgeon, who was summoned here by telegraph to treat the son of Albert Beauchamp, of Montreal, and who was fired upon by alleged customs agents, had the step under consideration. The physician, in company with Mr. and Mrs. Beauchamp, was speeding here to the bedside of Alcide Beauchamp, when the automobile in which they were riding was pursued by a machine which had been parked on road near Swanton, Vermont. A bullet pierced Mr. Beauchamp's arm, and the machine was riddled. Stopping the automobile, the party was confronted by two men who declared they were customs agents, but who wore no badges and refused to show credentials. Finally they allowed Dr. Labelle to drive on. He reported the incident to a representative of the state department, who advised him to pursue the matter with the Canadian government.

Homesick German Drowns Himself

NEW YORK, June 5.—The body of Ernest Borowski, nineteen years old, of 230 East Eighteenth street, who disappeared about May 7, was found this week in the old reservoir in Central Park. The young man, who came here from Germany on April 19, was a son of the manager of the Bremen branch of George Borgfeldt & Co., importers. He had been working in the office here, learning the business. After he disappeared the company offered a reward of \$1,000 for news of him. He spoke little English and it is believed he was homesick in New York. A note found after he disappeared read: "Good-by to the fatherland. Everyone for himself. Gott mitt uns."

Amherst Fish-Curing Factor Destroyed

AMHERST, N. S., June 7.—A fish-curing factory owned by Utley Ogden at Amherst Shore, has been destroyed by fire, according to word reaching here. The damage was estimated at about \$5,000. Fishermen of the district, it is said, will feel the loss of the factory keenly, as they will now have to find another market for their catch.

THOMAS MEIGHAN
in
"IRISH LUCK"
WITH LOUIS WILSON
VICTOR HEERMAN
P. O. U. S. T. M.
Produced by ADOLPH ZUKOR, JESSE L. LASKY

The story is a fine romantic drama. The locale is Ireland, chiefly, with interesting shots of modern Dublin, the beautiful Lakes of Killarney, historic Ross and Slane castles, Blackross Abbey; also several sequences shot on the Leviathan in mid-ocean and scenes in modern New York.

Lois Wilson is featured in support of the star who has a dual role. Victor Heerman directed the production, a screen version of Norman Venner's Saturday Evening Post serial, "An Imperfect Imposter." Tom Geraghty wrote the screen play.
