Interview with Stokes.

The whole proceedings were character jetually tasked to invent new forms for publicly outraging the sense of decency and decency and security together. In France, a decorous secrety was rigidly observed, as if from sheer respect to the society whose supremacy was never disputed; in New York, all appears open and unblushing, and even in affected masquerade social sin parades with a brazen effrontery that denies the very thought of a rival or corrective.

The whole proceedings were character jetually tasked to invent new forms for sied by an earnestness which forebodes an active Temperance campaign, and the men who have the matter in hand are quite able to bring some good out of what they undertake.

Teachers and Closs-room Assistants employed in Diffricts entitled to special aid as peor Disfricts, are to receive for the following solvol year, at the rate of one third more than the grants above named.

In all cases one half of the Provincial Grants are to be paid To THE TEACHERS and licensed assistants semi-annually, or rateably recording to the number of prescribed teaching days the School shall have been satisfactorily taught.

(2), From the School Fund provided by the County Assessment, to be apportioned by the Chief Superintendent To THE TRUSTERS of the School Districts within each County, as follows:—

(a) At the rate of \$20 for the school year, in consideration of each licensed Teaches employed: of whatever class

in consideration of each licensed Teaches employed: of whatever class (b.) The balance, by an equal rate per pupil according to the average number of pupils in attendance at 5 chool, and the number of teaching days the School has been open. The Trustees of Districts recognized as poor Districts in any year, to receive, in this latter apportionment, sweetal aid not exceeding one third more per pupil than the Trustees of other Districts within the County.

exceeding one third more per pupil than the Trustees of other Districts within the County.

One-halt of the County fund is to be apportioned and paid semi annually.

No public moneys will be received by Districts which fail to establish Schools under the Act. It will be observed that the amount of Provincial and County moneys to be expended in any District in aid of Schools will depend almost exquisively upon local exertion; or the direct/efforts made by the people of the several Districts in maintaining their own Schools. The sum to be received by the Trustees from the Province is definite, but the exact amount that will be received by the Trustees from the County Fund on account of the average attendance of pupils, cannot be known at the time of the School meeting. The meeting should, therefore, be careful in voting its estimates to authorize a sum amply sufficient to enable the Trustees, is, of course, t) be carried to the/credit of the next School year, while any deficit arising from an authorized expenditure may be carried forward and provided for in the estimates of the following year.

The first disbursement of the County Fund will be apportioned on the School attendance made between January 15th and April 30th, inclusive.
