MESSES. R. C. MARGESON & Co.—Gentlemen:
I have been afflicted with gravel and stone upwards of a year and a half—tried everything I could hear of for its relief, without avail; saw your advertisement of CALCULIFUGE in the Halifax papers—took three bottles according to directions, and in the chort space of four weeks am entirely cured. I willingly add my testimony to its value, and heartily regommend it to all afflicted as I have been.

A fine robin, which has been in possession of Mr. Thomas Stiles, for the long period of eighteen years, died on the 27th ult. During that time it never left the cage; it has laid four eggs—two when three years old and two when five. Shed feathers every year until last, and retained its sight until several weeks before it died. We are not aware of the time allotted to robins, but if our readers know of older ones we should be pleased to hear of it.—Cape Breton Times.
