The copy filmed here has been reproduced thanks to the generosity of:

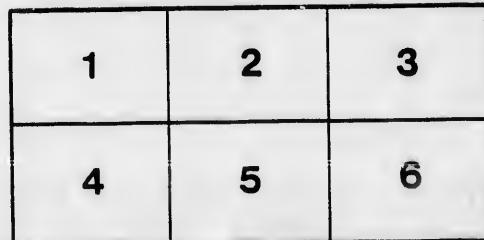

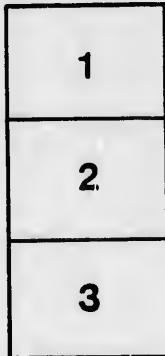

D. B. Weldon Library

(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shell contains the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

TO

THE ELECTORS

OF THE

COUNTY OF NORFOLK.

GENTLEMEN,—Having for the past four years been your Representative in Parliament, and having been chosen by the Reform Convention, held at Simcoe, on the 11th instant, to be a candidate for your suffrages at the approaching Election, I deem it a duty to say that the principles which met with your approval in 1857, and upon which I was at that time elected, have been faithfully respected by me; and I appeal with confidence to my votes in the past as an indication of the policy which I will advocate in the future.

While it appears necessary to govern Upper and Lower Canada locally by a different and distinct code of laws, suited to the habits and customs of the people in each section of the Province, and while the legislation requires to be done in one House of Assembly, where an equal number of the representatives from both sections are present, I cannot but regret the existence of a Coalition which has ruled this country during the past seven years contrary to the wishes of a majority of the representatives from the Western section of the Province; passing local laws for the government of Upper Canada by the votes of a majority of the representatives from Lower Canada, and refusing local laws for the government of Upper Canada, asked for by a majority of her representatives. So long as this state of affairs exists, if elected, I will strenuously oppose any party in the House of Assembly who will not do that justice to Upper Canada which her excess in population, wealth, and contributions to the general revenue, justly entitle her to.

In addition, I shall continue to advocate the adoption of the following reforms, viz.:—

- 1.—A reduction of the large public debt under which the people of Canada are now weighed down; economy in the administration of our public affairs; and retrenchment in every department consistent with the public service.
- 2.—Representation according to population.
- 3.—A cheap and simple law, to secure the equitable distribution of bankrupt estates, and the protection of honest but unfortunate debtors.
- 4.—The powers of Government, as regards expenditure of public money without having first obtained consent of Parliament, to be limited.
- 5.—Cheap lands to emigrants and others, being actual settlers.
- 6.—Simplification of the law for the collection of debts, and a reduction of law costs.
- 7.—A judicious Homestead law.
- 8.—A better and more economical mode of selecting and summoning Jurors than at present exists.
- 9.—No more aid to the Grand Trunk, and a total severance of all official connection between the Government and that corporation.
- 10.—Extension of the Reciprocity Treaty between Canada and the United States.

Thanking you for your generous confidence in the past, and again asking, as the candidate of the Convention, your assistance and support,

I am, Gentlemen, yours faithfully,

WALKER POWELL.
