RACING DATES IN THE EAST

Jockey Club to Make Announcements This Week, Also Big Handicap Allotments.

CURLEY BROWN'S CASE UP AGAIN. Moncreith in Close Finish Was the Only Favorite to Win at New Orleans.

New Orleans, Jan. 28.—This week promises to be one of exceptional interest for horsemen and other devotees of racing.

The question of the Brooklyn and Suburban Handicaps are due on Thursday, while there is a possibility that the Jockey Club will announce its schedule of dates for the season.

The latter subject is arousing widespread attention owing to the bill introduced at Albany to reduce the extent of the racing calendar.

It is hoped that the schedule would be lengthened by a liberal award of dates to the Empire City track, and few racing men believe that the new bill will ever come into effect.

It is a cheerful augury that Saratoga has issued its prospectus without quibbling on the question of dates and possible chasing.

The management at "the village" faced pretty well last year, and the program announced for the coming season will probably meet with a hearty response from owners.

Unless there is a serious reversal in the order of racing under the Jockey Club, the sport will open early in April, at Benning, and the suspensions of the Washington Jockey Club.

The management has also been asked for dates from April 2 to April 14, inclusive, and the closed events, due to close on Feb. 6, include two handicaps, one to be run on the opening day, and the other on the closing day.

For the first event starters are expected to pay \$20 additional, and the club adds \$100. The winner will also receive the subscription money and all of the profit of the race.

For the second event the club will add \$100, while the distance is seven furlongs, and the winner will receive \$100 and a penalty of 10 pounds. Sport lovers will be invited to enter for the following:

Stephensville for hunters, 4 years old and National Stephensville, 2 and 3 years old.

WITTENBERG AND HUGHES, EMPEROR OF CHINA DEAD.

The General Says Only One Side of the Story Has Been Told to the Public So Far.

PRETTY ROUGH ON THE COLONEL

An Insultation That He Lost His Head—Ottawa Boy Who Was Bound to Fight.

Ottawa, Jan. 29.—In regard to Col. Hughes' episode in not getting employed in Africa, General Hurton, in an interview, says: "The public so far has only become possessed of one side of the story. The other side is disclosed in the correspondence between the colonel and myself, but I do not intend to publish it. It is the occasion of the banquet to B Battery just before its departure, that no misguided friends of Col. Hughes will call for the correspondence, as it can't do to place it in a newspaper. The correspondence so far, and all the letters are now before the Government—are of the opinion that Colonel Hughes could not have been exactly in the right mind when he wrote in the manner in which he did. The incident possesses most unfortunate features, features that I trust will not again be repeated."

BOYS HAD TO BE KEPT WITH ROUGH RIDERS.

Ottawa, Jan. 29.—The boys who were bound to fight, and who were kept with the rough riders, were in a state of consternation. On Saturday, however, they were taken to the front line, and were kept with the rough riders. The boys were in a state of consternation, and were kept with the rough riders. The boys were in a state of consternation, and were kept with the rough riders.

CONNOLLY AND DALY QUIT EVER.

It was a Tame Fight From Spectators' Point of View—Jack Ward Knocked Out. Buffalo, N.Y., Jan. 29.—Before the Olympic A. C. tonight Eddie Connolly of St. John, N.B., and Jack Daly of Williamsport, Pa., fought 20 rounds to a draw. The men boxed cautiously and coolly, neither showing the effects of blows until the 10th round, when Connolly, hitting in clinches, had Daly's eyes watering and his face covered with blood. Connolly was aggressive and very strong, but Daly clearly blocked his punches and landed many effective blows on the face and ribs. Daly grew stronger toward the close, and landed more than his share of the forcing. The bout was rather tame, and the club house only had filled up. The honors were divided, but balanced that the referee called the contest a draw.

McGovern Put Ward Out.

Baltimore, Jan. 29.—Bery McGovern knocked out Jack Ward of Newark tonight in two minutes and five seconds. They were looked to go 20 rounds. They were at it hammer and tongs from the start. Ward landed a right and left on McGovern's counter. In a clinch McGovern sent his right to the kidneys, and a moment later a left on the stomach, and a right on the tip of the jaw put Ward to sleep.

A Right-Hander on the Jaw.

New York, Jan. 29.—A right-hander, landing fairly on the jaw, knocked Kid McFarland down and in the first round. He was to have been a 20-round bout at catch weights tonight at the Hercules A. C., Brooklyn. Matt Matthews was the challenger. There was nothing to it up to the moment that Matthews sent his right to the mark. Both men were in splendid condition, and weighed about 140 pounds each.

Accidents to Drivers.

Teamster James Reed of 229 Dovercourt, pond sustained a severe fracture of the right arm yesterday afternoon, while driving a falling under the wheels of his wagon on Delaware-avenue. He was taken to the Emergency Hospital by ambulance. He is recovering, but his right arm is in a cast. He is putting his horse in the stable at 24 Carr Howell-street last evening. William Jeffers, a driver for the same firm, lacerated his right hand while driving a horse. He was removed to St. Michael's Hospital in the ambulance. Jeffers lives at 322 Agnes-street.

MORE COFFEE FACTS.

Study the Question Yourself. "When the doctor said, 'no more coffee,' I was dismayed, for, as an ardent lover of coffee and a crank in the matter of its preparation, I had grown to believe that life was not worth living without it, but the dull stupidity and the almost insupportable headache so induced by my profession (literature) that I was compelled to seek the doctor's advice. "I saw an improvement from the start, and my morning beverage and felt a great lack. It was at the home of a friend and Postum apostle, Mrs. J. J. Long, that I first tasted Postum. Her family had sworn by it a year or more, and declared themselves from the least to the greatest benefited by its use. "I was surprised to find it really palatable, and determined that I could improve on it myself. I purchased a box, and, to my astonishment, I found it to be a comfortable failure. I thought it was a case of boiling, and the Postum was poked away into the stove, and I followed the reiterated newspaper statements made me determine to try it again, with long boiling. "I took twenty-five minutes to prepare it, about ten minutes to bring it up to a boil, and ten minutes to boil it for fifteen minutes, and from the first sip I was enthusiastic over the new beverage, and I took it for a week. "I had never before had a second cup, but I never failed upon me, morning or night. Nothing could induce me to go back to the berry coffee. "The change Postum has wrought in me seems little short of miraculous. For the first time in many years I am really well, my color has freshened, my appetite has improved, my work has returned with all its old zest, and I shall never cease to be grateful for what I feel is a remarkable cure due to nothing more than Postum Food Coffee, in place of the Official Berry Coffee. "Sincerely yours, Mrs. B. B. Tallman, Centredale, Ill."

EMPEROR OF CHINA DEAD.

Moscow, Jan. 29.—The Chinese legation at St. Petersburg has received by cable official news that Emperor Kwang-Su is dead, and that his body is now lying in state. The funeral of the late emperor will be held on Thursday, and the new heir to the throne will be proclaimed Emperor at Peking, Feb. 5, under the name of Chia-Ngan.

EMPEROR OF CHINA DEAD.

It is strongly rumored, according to dispatches received from various Chinese cities, that Emperor Kwang-Su, having been compelled to abdicate, committed suicide.

EMPEROR OF CHINA DEAD.

Empress Dowager Feels Trouble. The Empress Dowager, it is said, fears disturbances in the southern provinces. According to the latest dispatches received here from Peking, regarding the Emperor's abdication, the Empress Dowager has entered the Chinese capital immediately after the publication of the edict.

EMPEROR OF CHINA DEAD.

The Government of Korea in negotiating with Russia for the floating of a state loan of \$20,000,000, has guaranteed Russia as security the control of the Korean tax and other revenues.

EMPEROR OF CHINA DEAD.

China's Unenviable Position. St. Petersburg, Jan. 29.—The newspapers here are paying considerable attention to the events in China. The Novosti expresses the opinion that "Russia will last for a long time to come, but that China will never be restored to her former condition, and that the unfavorable course of partition will be accomplished peacefully, but peacefully, in the distant future."

EMPEROR OF CHINA DEAD.

The Russia asserts that it was not necessary for Russia to take a hand in the coup d'etat, and that the Russian-Japanese alliance is inevitable. It is only a question of time, it is said, when the Russian-Japanese alliance will be dissolved.

EMPEROR OF CHINA DEAD.

Yang-Tse Officials Disappointed. Shanghai, Jan. 29.—The deposition of the Emperor Kwang-Su creates great dissatisfaction among the Chinese officials in the Yang-Tse Valley, and native mercantile circles are disturbed, fearing trouble. It is rumored that the Emperor will be reinstated in one year.

EMPEROR OF CHINA DEAD.

No Protest Entered. Peking, Jan. 29.—The latest word from the Empress Dowager appears to be acceptance by both officials and people with the greatest equanimity. None of the high officials, either in the military or in the civil service, have thought it worth while even to enter a protest.

EMPEROR OF CHINA DEAD.

The prevailing impression among all classes of Chinese seems to be that, in order to avoid the complications of a civil war, the Empress Dowager must at all costs effect a removal of the present Emperor. The opinion of the Chinese officials is, however, that the Emperor's party is unprepared to give up the throne, and that the Empress Dowager is preparing for a still more striking move with the advent of the Chinese New Year.

EMPEROR OF CHINA DEAD.

No Confirmation at Washington. Washington, Jan. 29.—The State Department has received no confirmation of the reports that the Emperor of China has been deposed. It is reported that the Emperor's party is unprepared to give up the throne, and that the Empress Dowager is preparing for a still more striking move with the advent of the Chinese New Year.

DETAILS OF THE DISASTER AT SPION KOP COMING OUT

Continued from Page 1. It is wrong to conceal it from ourselves. "The initiative is now again with the Boer commander, and the question is, what will he do next? Will he either act against Ladysmith, or against Gen. Buller. In the latter case pursuit would be useless, for when the British force is once across the river again, it would be impracticable for a small rearguard to prevent pursuit. The Boer general would be an attack on Chieveley before the return of the main body. Either that or a fresh assault on Ladysmith may be recorded in a day or two."

MINING AND MINING STOCKS. Sales of Issues on the Exchanges at Toronto and Montreal Limited.

RATHMULLEN TO SHIP ITS ORE. Mining in the Gold Fields of Western Ontario—Mining News Yesterday.

Messrs. Hall & Murray have an official telegram that the superintendent of the Rathmullen properties reports that he can make his first shipment in 30 days if he can get cars. All advice state that the first 12 feet of the ledge, as crossed at the 200-foot level, averaged about \$20, but that the rich part of six feet showing in the 70-foot level had not yet been reached.

Western Ontario Mining. M. C. French, the mining correspondent of The Evening Telegram, writes as follows: Western Ontario, in spite of the spathy displayed by Canadians, is on the eve of a great development as has ever taken place in any mining camp of the world.

While the Boer war and other interferences and misadventures have prevented Col. Hillier from closing his deal for 300 stamps on the Alice A., there is still hope that he will do so. In fact, he has already secured a large sum of money, and the balance will be forthcoming as soon as any light dawn on the London market, which is now depressed by the reverses in the South African war.

Another English syndicate is opening up some large bodies of ore near Sturgeon Falls, and it is understood that they will make a large number of stamps. The only two properties that have been taken over by Canadians and operated in a profitable manner are the Olive and Hammond Reef, at the Hammond Reef, having made with 10 stamps, the management erected 20 additional, making 40 in all, and they will soon be in operation.

The Treadwell of Alaska and the Home-stake of the Black Hills are similar projects. The Olive, Sultana, Scramble and other equally large and promising properties in Western Ontario are being developed. The Home-stake is capitalized at \$1,000,000, 200,000 shares of \$50 each, and the selling value of the stock is \$60 per share, or a total valuation of the mine of \$12,000,000, and has paid to date \$3,000,000 in dividends. The Alaska Treadwell, which was more recently organized and a lower grade proposition than the Home-stake, is selling at a valuation of \$5,000,000 and has paid in dividends \$1,000,000.

MASON TOUCHED ON THE RAW

Talkative U. S. Senator Objects to Being Called Down by a New Orleans Man

AND HE KICKS IN THE SENATE.

Senator Hoare Also Takes a Hand in Peasant Politics—Big Storm in a Teapot.

Washington, Jan. 29.—In the Senate today, Mr. Mason (Ill.), at the conclusion of routine business, rose to a question of personal privilege. He had read a newspaper clipping of an interview with the British Consul at New Orleans. In the course of the interview the consul was quoted as saying that the British public was disgusted with the position taken by the American people and those who talk like Mason.

It is not the first time, declared Mr. Mason, that a diplomat has attempted to run this country. So far as his personal honor is concerned, I am not concerned. The more venomous the attacks by the British upon me and those who talk like me, the more we are made the subjects of British contempt. I want that treaty dissolved.

Mr. Mason's speech was a surprise to many. He had been expected to speak in support of the treaty. Instead, he had taken issue with the British consul's remarks. He said that the consul's remarks were a reflection on the American people and that he was determined to defend them.

Mr. Hoare (Mass.) regarded the utterance of the British consul as very serious. He said that the consul's remarks were a reflection on the American people and that he was determined to defend them.
