For "Revolver" Match—

The Standard Revolver Target will be used. This target was made and used by the Queen's Own Rifles Revolver Association, and is used by the O. R. A. by permission. Inner	Red disc	4 "
Magpie	White and Black disc	3 "
Outer	Black disc	2 "

3. When two shots strike the target simultaneously, both hits will be marked, and that which has the highest value will be given to the competitor whose proper turn it was to fire.

4. The marking as signalled cannot be questioned, but if a shot is not signalled and the range officer is satisfied that a reasonable doubt exists as to whether the shot may not have struck the target, he may telephone to the Non-Commissioned Officer at the butt to examine the target, and the result of such examination shall be final.

Unless a competitor produces his firing ticket at the firing point, he will not be allowed to fire.  17. In all competitions competitors will be formed up by files, and fire shot and shot *alternately*, but only one file at a time will be allowed within the firing ropes ; and no person, except the Register Keeper, will be permitted to speak to a competitor after he has taken his place at the firing point, except in cases hereafter specified.
 18. Where only one competitor is present he must necessarily fire his shots consecutively and without undue delay.

22. Any competitor protesting against the ruling of the Officer of the Range, or feeling himself aggrieved in any way, must make a statement of his grievances in writing (upon forms to be had at the office) giving

the names of two or more members of the squad who can bear him out in his statements, and hand it to the Secretary ; but his firing must not be delayed for that purpose.

2. Targets will be in view for twenty seconds for each round, and five points will be deducted from the score for each shot fired after that interval.
3. When the number of hits on the target exceed the number of shots allowed in the competition, five points will be deducted for every such hit in excess of the number of such shots, unless it be proved that such hits on the target, in excess of the number of shots allowed, could only have been made by competitors in the section firing more than the authorized number of rounds, in which case that section will be disqualified.
