The copy filmed here has been reproduced thanks to the generosity of:

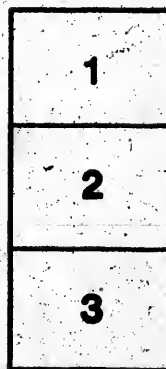

Metropolitan Toronto Reference Library
Baldwin Room

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Reference Library
Baldwin Room

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration, et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

LIFE INSURANCE

The most important feature to be considered in judging of the merits of a Life Insurance Company are (1st) the safety and stability of its plan and policy contracts; (2nd) the amount of money invested in the selection of safe and sound investments; (3rd) the character of its assets and their relation to its liabilities.

If these features are right everything is right, whether a company be large or small, old or young. No company stands better in any one of all of them than the

Grimsby Park, Season of 1894.

THE SEASON OF 1894 in this Popular Summer Resort promises to be the best of all. No Park is more favorably situated, or possesses greater natural attractions. Its charming location on the banks of Lake Ontario, its magnificent forest of shade and beauty, its delightful retreats and opportunities for boating, bathing and all healthy recreations, make it peerless among the many centres of rest and pleasure. The aim of its Managers is to make Grimsby Park a grand rallying point for all who wish to blend profit with enjoyment, culture of mind and heart with perfect rest, the gladness of home and social life with intellectual and moral stimulus of the highest order. The Programme for 1894 will contribute greatly to this end.

Grimsby Park as a Health Resort.

The Park has an enviable reputation in this respect. All the surroundings conduce to health. The fresh lake breezes; the cool mountain air; wells of pure water; an abundant supply of all the fruits of the season; the waterworks system for hotels and cottages; the careful drainage, which has lately been increased; the thorough sanitary oversight exercised — all these conditions make the Park Grounds most desirable and safe for all.

The Home Life.

Is the glory of the Park. There is nothing to surpass it on the Continent. Rest, joy, friendship to the heart's content. The Forest City is "full of boys and girls playing in the streets thereof." The moral and religious oversight exercised; the quietude of the Sabbath Day; the spiritual influence of the services; the elevating tone of all its associations, make it pre-eminent as a summer home.

Special Advantages

SCHOOL OF ORATORY. The popular and thorough School of Oratory, under the management of Prof. HYNSON and Mrs. SUOMAKEN, will hold its Summer Session at the Park. The School will open Thursday, July 5th. **Special arrangements for Board are made for Students.**

PHYSICAL CULTURE. Major THOMPSON, Instructor in Physical Culture in Toronto Public Schools, will teach classes in Drill Exercises, Callisthenics, Swimming, &c., free of charge, during the month of July and part of August.

POPULAR SCIENCE LECTURES. A very interesting course of lectures will be given in July by Rev. Dr. HAAS, Principal of Ladies' College, Whitby. These Lectures will be illustrated by large Drawings and Microscopical Examinations.

SUNDAY SCHOOL CONGRESS. An S. S. Congress will be held each morning, from August 13th to 24th. Addresses on important S. S. themes will be delivered by practical Sunday-school workers (See page 6).

GERMAN CLASSES. A course of Dr. Hensen's Modification of Pestalozzi's System of Teaching the German Language will be opened on Tuesday, July 3rd. This course will, in five weeks, impart a thorough, practical knowledge of German, conversing, reading and writing, and will be conducted by Fraulein Pauline Holtermann. Charges moderate. Free illustrative lessons on Tuesday, Wednesday and Thursday, 3rd, 4th and 5th July.

Crumbs of Counsel *

WE GIVE YOU ALL A ROYAL WELCOME
TO THE SEASON OF 1894.

Come early to the park. Come to stay. If you cannot stay, come often. It will pay you every time. Secure a Programme and keep it by you. Ask for Programmes and send them to your friends. If you are prompted

to say a good word for the Park, say it. Be good-natured and patient when the crowd presses you; when the gate-keeper asks for your ticket; when you think you are over-charged (it will always be made right); when left by the steamer or train; when too late for the first table. A happy heart will conquer any difficulty.

What does not quite please you, pass over. Remember, you are not the only one to be suited.

Seek information on any point. A question respectfully asked will always be promptly and courteously answered. When the bell rings, start for the Temple. Attend all the services you can, and stay

until the close. To profit yourself and others while there, keep the minute closed and the ears open. A whisper can be heard. If you talk, the speaker cannot to advantage. If a cottager or Resident, keep good hours.

"To every thing there is a season—a time to speak and a time to keep silence." The well-being of all depends much upon the individual. If a non-resident, the same rule applies. The Park gates close at 10.30 p.m. Be ambitious to make your visit in every way a joy to yourself and a benediction to all.

Help the Park by spirit, word and net, and the Park will help you.

NOTE WELL.

COTTAGERS and **RESIDENTS** are earnestly requested to read the **PRINTED RULES**, and carefully co-operate with the Board in observing the "Laws of Health." These must be strictly enforced.

EXCURSION AND PICNIC PARTIES are expected and required to spread their tables on the ample Picnic grounds (where every convenience is provided), and nowhere else. The lake front must not be used for that purpose.

BATHING—Bathers are required to wear dark Bathing Suits, and are requested not to use the wharf for bathing purposes. Bath houses and bathing suits provided by applying at the Office on the Beach.

The Sabbath Day.

NO Train or Steamer will be allowed to land passengers at or leave the Park on Sunday. No sale, barter or purchase of any kind (including cigars) allowed on the grounds on the Sabbath Day. The public are earnestly asked to strengthen the hands of the Directors in keeping holy the Lord's Day.

Sunday-School Excursions.

THE Directors of the Park have made special arrangements by which Sunday-school Excursions and Picnics will be admitted free during the months of June and July. Only Officers, Teachers and Scholars are included in this arrangement. All others will be charged regular rates.

Season of 1894.

PARK OPEN FROM THE

FIRST DAY OF JUNE

THE PROGRAMME for this Season is unusually varied. Theology, Science, Literature, Art, Music, Poetry and Song are blended in happy profusion. Sermons, Lectures, Vocal and Instrumental Concerts, Recitals, Stereopticon Entertainments, Phonograph and Ventriloquist Evenings, Physical Culture Exercises, Illuminations and Recreations constitute the "Menu" provided for the thousands who may visit the Park.

The Foreign and Home Talent is of the highest order. We call special attention to the speakers coming from abroad:

- Rev. Dr. McIntyre, of Denver**, the Peerless Preacher and Lecturer, will spend a week at the Park. Wonderful as was the enthusiasm last season over his series of lectures "The Six Creative Days," we anticipate much more this season as he lectures on "THE MODEL HOME."
- H. H. Emmett, the Indian Orator of the Continent**, has been secured. Fire and eloquence are enthroned in him and speak through him. We anticipate for Mr. Emmett a regular Talmage greeting.
- Rev. W. F. Crafts**, who so delighted and thrilled the vast audiences a year ago, will preach and lecture.
- Revs. Dr. Hildreth, of Ohio, Dr. Eastman, of Michigan, Dr. Eby, of Japan, J. W. Johnston, of Brooklyn, N.Y.**, will appear for the first time on our platform. They stand among the first rank of Preachers and Lecturers.
- Rev. Dr. Sims, of Indianapolis**, our valued and ever welcome friend will be with us with his inimitable Sermons.
- Rev. J. H. Hector, the Black Knight**, who aways his audience at will with his humor and pathos, will introduce himself.
- Rev. Ward B. Pickard, of Buffalo**, will give two of his unique and captivating Lectures. Last season he charmed his hearers.
- John R. Clarke, the Park's Favorite**, will thrill head and heart with one of his famous addresses.

The CANADIAN TALENT warrants the Highest Expectation of all who may be privileged to visit Grimsby Park.

Music and Song

Madam Selika (known as the "Brown Patti") and her husband, **Mr. Velosco Williams**, will visit the Park from Saturday, August 11th to 15th, giving Concerts and leading in the services of song. Madam Selika has had a brilliantly successful career. She was educated in Boston, and has sung in Germany, France, Sweden, England, where persons of the highest rank and character have delighted to recognize her wonderful gift of song. Mr. Williams possesses a rich baritone voice.

Miss Nina, Virginia Eastman, of the Chicago College of Music, will be with us from Saturday, August 4th to 8th, taking part in Concerts and the various services. For the past two years she has held a "Free Scholarship" at the College of Music in recognition of her superior excellence as a vocalist. Miss Eastman is a remarkable singer.

The Artist Trio of Indianapolis. MISS LAURA McMANIS, Whistler; MISS ALICE McMANIS, Pianist; MISS CORNELIA MAY, Elocutionist, will give two of their delightful entertainments. These are "phenomenal. Full of irresistible charm. A treat for a lifetime."

The Emerald Quartette. Four male voices of great harmony and compass, will furnish a day's programme. Their songs and addresses are soul-inspiring.

GRIMSBY WITHOUT GOOD BOOKS

Is a luxury only to the illiterate. "Sermons in stones" and "books in the running brooks" are very good as gymnastic exercises for the imagination, but your average Grimsby Parker is of a practical turn, and prefers the printed page—the plot, the pathos, the play of character, the tender love-making, the life and stir and adventure that go to make up a "good story." Our "Book Stall" is one of the established institutions at the Park. This year it will be equipped with a finer range of reading than ever—the best of the new books and the choicest of the old. Note the following:

|---|--|--------|
| The Stickit Minister and Some Common Men. | By S. R. CROCKETT | \$1 25 |
| The Raiders. | CROCKETT'S new book | 1 25 |
