Approved by 30th Dec. 1864

paid to such Company or Body Corporate, the President and Treasurer of the same shall deliver to the Provincial Treasurer a certificate under their hands, stating the amount so received; which certificate shall be sufficient evidence of such primary mortgage or first charge under this Act; provided always, that on the completion of the Road according to the terms of the agreement, such mortgage or first charge shall cease and determine.

11. Every such Company or Body Corporate as aforesaid, shall be bound to provide such conveyance for the Officers and Soldiers of Her Majesty's Forces, Ordnance Corps, Marines, Militia, or Police Forces, at such time or times, (whether the same shall be the usual hours of starting Trains or not,) as shall be required or appointed by any Officer duly authorized by the Governor for that purpose, and with the whole resources of such Company or Body Corporate, at fares not exceeding two cents per mile for each officer, soldier, marine, or private of such Forces respectively, and also for each wife, widow, or child above twelve years of age, of a soldier, entitled by Act of Parliament or other competent authority to be sent to their destination at the public expense; children under three years of age so entitled to be taken free of charge; and children of three years of age and upwards, but under twelve years, so entitled, being taken at half price of an adult; provided that every officer conveyed shall be entitled to take with him one hundred weight of personal luggage without extra charge; and every soldier, marine, private, wife, or widow, shall be entitled to take with him or her half a hundred weight of personal luggage without extra charge; all the excess of the above weights of personal luggage being paid for at the rate of not more than eighty cents per one hundred weight per hundred miles; and all public baggage, stores, arms, ammunitions, and other necessary things, except gunpowder and other combustible matters, shall be conveyed at charges not exceeding four cents per ton per mile, the assistance of the military or others being given in loading and unloading such goods.

2. From and after the passing of this Act, no wharf, pier or other erection of any kind or description whatsoever, shall be built, erected or extended eastwardly into the Harbour of the City of Saint John on the western side thereof, beyond the outer or eastern edge of a line coloured red and styled the Harbour line, shewn on the aforesaid plan prepared under the direction of such Commissioners, and filed in the office of the Common Clerk of said City as aforesaid, and which line, on the western side of said Harbour, is described as follows:—Beginning at a point on said line shewn on said plan by the letter S near thereto, (coloured red) on a north-easterly prolongation of the south-easterly side line of Rod-

4. Whereas the property fronting on that part of the Harbour of the City of Saint John situate between Duke and Saint James Street would be greatly benefited, and the Harbour made more commodious for loading and discharging goods, if a Street in continuation of Saint John or Water Street were to be laid out thereon;—It shall not be lawful for the owners of such property to build or authorize to be built any wharf, pier or other erection on the beach or flats between the line of low water mark and the line for limiting the extension of wharves described herein, unless such owner or owners shall have first conveyed to the Mayor, Aldermen and Commonalty of the said City, a space of not less than fifty feet in width through his or their property, ground, or flats, for the sole and exclusive purpose of continuing Saint John or Water Street from Duke to Saint James Street as aforesaid; but this proviso shall not entitle any such owner to build out to said Harbour line by granting such space as hereinbefore mentioned.

5. That an Act passed in the third year of the Reign of Her present Majesty intituled *An Act to limit the extent and regulate the building of Wharves on the eastern side of the Harbour of Saint John*, be and the same is hereby repealed, except so far as the same may in any way affect the legal or equitable rights of any party or parties, person or persons, under and by virtue of any indenture of lease, contract or agreement heretofore made with the Mayor, Aldermen and Commonalty of the City of Saint John, for which purpose the said Act, notwithstanding any thing herein contained, shall continue and be in full force and effect.

30. On any dissolution of the said Corporation, immediate and effectual measures shall be taken by the Directors then in office, for closing all the concerns of the said Corporation, and for dividing the capital and profits which may remain among the stockholders, in proportion to their respective interests; and in case any bills issued by the said Corporation shall remain unpaid, the holders of stock in the said Corporation, as well as those who were stockholders at the time of the notice of the said dissolution, which said notice shall take place by a publication of their intention so to do in the Royal Gazette twelve months previous to the said Corporation being allowed to carry the same into effect, shall be chargeable in their private and individual capacity for the payment and redemption thereof, in proportion to the stock they respectively held or hold, subject however to the proviso mentioned in the nineteenth Section of this Act; provided however, that this liability shall continue for two years only from and after the notice of such dissolution.

The first meeting of the Corporation shall be called by John Farris, or in case of his death or refusal to act, by any two of the said Corporation, after ten days notice in the Royal Gazette, or by notices posted in three public places in the County of Queen's, for the purpose of organizing the said Corporation, which meeting shall be held at the time and place mentioned in such notice.

4. The subscribers for stock in said Corporation shall, previous to the first meeting of the said Corporation, pay into the hands of such person or persons as the persons incorporated by the first Section of this Act or the major part of them, or in case of the death of any of them, the major part of the survivors, shall appoint, such a deposit or instalment on the capital stock of the said Corporation they subscribe for, as the said persons incorporated, or the major part of them, may determine and appoint, due notice being given at the time of the notice calling the first meeting of the members and stockholders of the Corporation, of the time or several periods of time when, and of the place and places where, and person or persons to whom the said instalment or deposit shall be paid; and the said instalment or deposit shall be taken and allowed to every subscriber who shall pay it as a part of the capital stock required to be paid in under and by virtue of this Act; and every subscriber who shall neglect or refuse to pay in the said deposit or instalment shall be deemed a defaulter; and no subscriber shall, upon any pretence whatsoever, vote at the first meeting for the choice of Directors upon any share or shares, unless he has paid the said deposit or instalment.

5. The Boom shall be so constructed as to admit the passage of joints of deals or logs not exceeding fifty feet in width, and to preserve the navigation of the river.

6. The said Corporation shall, and they are hereby required to keep the said Boom open and in order, to receive timber, logs and other lumber floating down the Salmon River, from the opening of the Spring and after the river is clear of ice, until the twentieth of October in each and every year during the continuance of this Act.

7. The said Corporation shall be entitled to receive a sum not exceeding five cents for each and every ton of timber, and a sum not exceeding ten cents per thousand for each and every thousand superficial feet of logs and other lumber which may come within the limits of said Boom, when rafted by the owners of the said lumber; and the said Corporation shall also be entitled to receive a sum not exceeding twenty cents per ton for each and every ton of timber, and a sum not exceeding fifty cents per thousand for each and every thousand superficial feet of logs and other lumber which

they shall secure and raft in a substantial manner, with three good and sufficient boom poles, and put in good and sufficient joints, such as are usually made preparatory to their being put in large rafts for transportation to Saint John; spruce and pine to be rafted separately; such payments being in full for rafting and securing the said timber as aforesaid.

8. The said Corporation shall have a lien on all logs, timber or other lumber which may come within the limits of the said Boom, and also on all logs, timber or other lumber which may be rafted by said Corporation in joints fit to be carried to Saint John in the manner prescribed by the seventh Section of this Act, or which shall be carried into the said Boom by force of the current; the limits of said Boom to extend as far up as Barney Campbell's Island, so called; and the Company shall have full power and authority to sell and dispose of so much of such timber, logs, masts, spars, or other lumber, on which they may have, by virtue of this Act, any lien, as may be necessary for realizing the amount due to the said Company, whether for boomage expenses or otherwise howsoever; provided that such sale shall be by public auction, and that ten days previous notice in writing of the time and place of such sale shall be first given to the owner of the said timber, logs, or other lumber; or the Corporation shall have power to sue for and recover the said boomage from the owner or owners of the said timber, logs, or other lumber, in any Court competent to try the same.

The said Corporation shall protect any floating joints or rafts of timber, logs or other lumber without men thereon, which may run into the said Boom or Booms by force of the current, or accident, or be caught therein, and shall be entitled to receive therefor at and after the rate of twenty cents for each and every joint of logs or other lumber; provided that the said Corporation shall not be entitled to receive for any such raft or joint a larger sum than one dollar.

10. All questions of difference or dispute of any kind relating to the quantity of timber, logs, or other lumber, or to the mode of rafting the same, shall be submitted to the award or arbitrament and determination of three persons

indifferently chosen between the parties, one to be chosen by each party, and they two to choose the third arbitrator; the award and determination of them, or any two of them, shall be final and conclusive between the parties; which referees, or any two of them, shall also determine and award by whom and how the expenses of such reference shall be paid.

11. If any person or persons shall wilfully injure or destroy the said Boom, or any of the piers thereof, such person or persons so offending shall, upon conviction thereof before any two of Her Majesty's Justices of the Peace for the County of Queen's, forfeit and pay a sum not exceeding forty dollars, with costs of prosecution, to be levied by warrant of distress and sale of the offender's goods and chattels, rendering the overplus, if any, to the offender or offenders; and for want of sufficient goods and chattels whereon to levy, it shall and may be lawful for said Justices to issue their warrant to commit such offender or offenders to the common gaol of the County, there to remain without bail or mainprize for such period as may be specified in such warrant, not exceeding one day for every forty cents of such penalty.

The members and stockholders of the said Corporation shall be chargeable in their private and individual capacity, and shall be holden for the payment of all debts at any time due from the said Corporation, or damages sustained by the default or neglect of the said Corporation, or their agents or servants, in proportion to the stock they respectively hold; provided however, that in no case shall any stockholder be liable to pay a sum exceeding the amount of stock actually then held by such member or stockholder, in addition to the stock then held by such stockholder; provided nevertheless, that nothing herein contained shall be construed to exempt the joint stock of the said Corporation from being also liable for and chargeable with the debts and engagements of the same.

14. Unless a good and sufficient Boom for the purpose contemplated by this Act shall be erected within two years after the passing of this Act, and a certificate thereof under the hand of the agent, or the principal officer of the said Corporation, attested to by such agent or other principal officer before one of Her Majesty's Justices of the Peace, and which oath such Justice is hereby authorized to administer, shall be filed in the office of the Secretary of the Province, then the corporate powers hereby granted shall be deemed null and void.

15. Nothing in this Act contained shall extend or be construed to extend to authorize and empower the said Corporation, or any of their agents or servants, to enter in and upon any lands or tenements of any person whomsoever, unless the consent of the owner or owners, lessee or lessees thereof, be first had and obtained in writing; and further provided, that the said Corporation shall be liable for all trespasses done or committed by the servants or agents of the said Corporation, in the course of prosecuting the business or objects of the said Corporation, unless such consent as aforesaid has been previously had and obtained.

16. Any logs, timber or other lumber that may be found

in the said Boom, upon which there is no mark, shall be taken care of by the said Corporation until the whole of the logs and lumber that shall come into the said Boom for the season shall have been rafted for the owners thereof; and all logs, timber or other lumber that shall then be found without having any mark thereon, shall be advertised for sale at public auction, for at least ten days, in two or more public places in the Parish, stating the time and place of such sale; and the proceeds of such sale, after deducting the expenses of rafting, boomage, and expenses of sale, shall be held by the said Company, shall within twenty days thereafter be divided amongst, and be paid to the owners of all lumber rafted by the said Company during the said year, up to the time of such sale, according to the quantity of lumber rafted by such Company for the respective owners thereof.

4. The said Corporation shall have power to make, ordain and establish all necessary bye laws and regulations, consistent with the laws in force in this Province, for their own government, and the due and orderly conducting of affairs, and the management of their property.

5. The President, Directors and Company for the time being, are hereby authorized and empowered, by themselves or their agents, to exercise all the powers herein granted to the Corporation for the purpose of locating and completing said Railroad and branches, and for the transportation of persons, goods and property of all descriptions, and all such power and authority for the management of the Corporation, as may be necessary and proper to carry into effect the objects of this Act; to purchase or hold within or without the Province, lands, materials, engines, cars, and other necessary things, in the name of the Corporation, for the use of said Road, and for the transportation of persons, goods and property of all descriptions; and to make such connection with other Railroad Companies within or without the Province, either by leasing their road to other Corporation or Corporations on such terms and for such length of time as may be agreed upon, or by consolidating the stock of their road with that of other Railroad Companies or Company upon such terms as may be agreed upon; to make, execute and deliver good and sufficient mortgage deed or deeds of their road and all its branches, to such private persons or Corporations within or without this Province as they may think the interest of the stockholders in their Company requires; and to make such equal assessments from time to time on all the shares in said Corporation, as they may deem necessary and expedient in the execution and progress of the work, and direct the same to be paid to the Treasurer of the Corporation, and the Treasurer shall give notice of all such assessments; and in case any subscriber or stockholder shall neglect to pay any assessment on his share or shares, for the space of thirty days after such notice is given, as shall be prescribed by the bye laws of said Corporation, the Directors may order the Treasurer to sell such share or shares at public auction, after giving such notice as may be prescribed as aforesaid, to the highest bidder, and the same shall be transferred to the purchaser; and such delinquent

subscriber or stockholder shall be held accountable to the Corporation for the balance, if his share or shares shall sell for less than the assessment due thereon, with interest and cost of sale, and shall be entitled to the overplus, if his share or shares shall sell for more than the assessment due, with interest and cost of sale; provided that no shareholder in said Company shall be in any manner whatever liable for any debt or demand due by said Company, beyond the amount of his or their shares in the capital stock of said Company, not paid up; and no assessment shall be laid upon any shares in said Company for a greater amount than fifty dollars per share on the whole.

6. A toll is hereby granted and established for the sole benefit of said Corporation, upon all passengers and property of all descriptions which may be conveyed or transported by them upon such road, at such rate as may be agreed upon and established from time to time by the Directors of said Corporation.

7. The said Railroad Corporation shall erect and maintain substantial, legal and sufficient fences on each side of the land taken by them for their Railroad, where the same passes through enclosed or improved land, or lands that may hereafter be improved; and for neglect or failure to erect and maintain such fences, said Corporation shall be liable to be indicted in any Court having competent jurisdiction, and to be fined in such sum as shall be adjudged necessary to repair the same, and such fines shall be collected and paid as other fines are by law collected and paid, and shall be expended for the erection or repair of such fence under the direction of an agent appointed by the Court imposing such fine; provided however, said fences may be dispensed with at the receiving and landing places of passengers and freight, and at such other places as fences are not elsewhere usually required.

8. The annual meeting of the said Corporation shall be holden on the second Tuesday in January, or such other day as shall be determined by the bye laws, at such time and place as the Directors for the time being shall appoint, at which meeting the Directors shall be chosen by ballot, each proprietor by himself or by proxy, being entitled to as many votes as he holds shares; and the Directors are hereby

authorized to call special meetings of the stockholders whenever they shall deem it expedient and proper, giving such notice as the Corporation by their bye laws shall direct.

9. The said shares of said Corporation shall be deemed personal estate, and transferable as such, and every such share shall entitle the holder thereof to a proportionate part of the profits and dividends of the said Company, after the making, completing and maintaining the said Railway, and other incidental expenses; but no shareholder shall be entitled to transfer any share after any call shall have been made in respect thereof, until he or she shall have paid all calls for the time being due on every share held by him or her.

10. The Directors of the Company may from time to time by deed, subject and charge, in such manner as they think fit, the said Railroad, and the future lands, goods and other property and effects, tolls, income and profits whatsoever of the said Company, or such parts thereof as the Directors may think fit; and may also in like manner grant and assure the whole or any part of any guarantee of interest, grant of money or lands, or other benefit, profit or advantage already or to be hereafter granted, conceded or allowed to Railroad Companies in this Province by any Act of Assembly; and every deed executed by the Directors of the Company shall be under the common seal of the Company, which the Directors are hereby authorized to affix to every such deed, and under the respective hands and seals of any three or more of the Directors of the said Company; and every deed so executed shall have as full effect and be as binding and conclusive on the Company, and the Directors of the Company, as if the terms and provisions of such deed were by this Act of Assembly expressly enacted and made binding and conclusive accordingly.

11. The joint stock and property of the said Company shall alone be responsible for the debts and engagements of the same.

12. The said Company, by their agents, servants, and workmen, shall and may enter upon any lands of private persons, for the purposes of making a survey of the line or route of the contemplated Railroad, and to cut down or remove, where necessary to the making of such survey, any trees or other obstacles on such lands; compensation for

such cutting and removing to be made to such owners of private property, by the same proceedings and in the same manner as is prescribed under the first Section of this Act.

13. The said Company, to entitle themselves to the privileges, benefits and advantages to them granted in this Act, shall *bona fide* commence to build said Railway within two years from the passage of this Act; failing which, then this Act and every matter and thing therein contained shall cease and be utterly null and void; and if the said Railway, having been commenced, shall not be made and completed within the period of five years from the passage of this Act, so as to be used for the conveyance and carriage of passengers, goods and chattels thereon, then this Act and every matter and thing therein contained shall cease and be utterly null and void.

14. Nothing in this Act contained shall authorize the said Company, or their contractors, to enter upon any lands reserved for Naval or Military purposes, without the consent of Her Majesty; nor shall it be construed to confer upon the said Company any exclusive right or privilege in regard to the construction of any branch line, to which Provincial aid may hereafter be afforded, or shall authorize the said Company in any way to bar or prevent a connection between such branches and the extension contemplated by this Act.

WHEREAS it is expedient for the benefit of creditors, and also of the members of such Companies as are hereinafter mentioned, to give them a speedy and inexpensive means of winding up the affairs of such Companies when unable to meet their pecuniary engagements and liabilities;—

Be it therefore enacted by the Lieutenant Governor, Legislative Council, and Assembly, as follows:—

1. That the word “Company,” when used in this Act, shall be construed to mean any incorporated Company, whether formed or subsisting before or after the passing of this Act, other than and excepting Railway Companies, to which last mentioned Companies and to ordinary Co-partnerships, this Act shall not apply.

2. The word “Court,” whenever it occurs in this Act, shall be construed to mean the Supreme Court of Judicature or any Judge thereof, before which Court, or any Judge thereof, all and every of the proceedings under this Act may be had and taken; provided that any such proceeding of any Judge shall be subject to appeal to the whole Court in Term.

3. A Company may be wound up under this Act by the Court—

1st. Whenever the Company, at a general meeting, has passed a special resolution concurred in by a majority in number and value of the shareholders therein, requiring the Company to be wound up;

2nd. Whenever the Company has forfeited its charter by non-user or otherwise, or suspended its business for the space of a whole year, or shall become dissolved by effluxion of time;

3rd. Whenever the Company is insolvent;

4th. Whenever three fourths of the capital of the Company have been lost or become unavailable.

4. Every Company already formed shall within three months after the passing of this Act, and every Company hereafter to be formed shall within two months after its incorporation, fix and declare a chief place of business in this Province, and shall give notice thereof in the Royal Gazette, and shall file a certificate signed by the President of such Company, and under the seal of the Company, set-

ting forth the place so fixed and declared, in the office of the Provincial Secretary; and the production of the Royal Gazette containing such notice, or a copy of the certificate so filed, certified by the Provincial Secretary, shall be sufficient evidence of such chief place of business being so fixed and declared.

5. The return unsatisfied in the whole or in part of any writ of execution against the Company, directed to the Sheriff of the County in which the chief place of business of said Company may be situated, shall be *prima facie* evidence of insolvency within the meaning of this Act.

6. Service of any notice, order, rule, or writ, in or incident to or preliminary to any proceeding under this Act against or in respect of any Company, may be made upon such Company by leaving a copy thereof at the chief place of business of such Company, with any grown person in charge thereof, or there or elsewhere with the President or Secretary thereof; and if the Company have no known place of business, or be without any known President or Secretary, then upon a statement to that effect being made under oath to the Court having the requisite jurisdiction, such Court shall order the publication for one month in the Royal Gazette of such notice, order, rule, or writ, or the substance thereof respectively, which publication shall be held to be due notice thereof.

7. Any application for the winding up of any Company shall be by Petition to the Court, and shall be verified by affidavit or other sufficient evidence; and in cases when the Company is insolvent, such petition may be filed either by a creditor whose debt has remained unsatisfied after such proceedings as aforesaid taken to compel payment thereof, or by any member of the Company liable to become a contributory towards the payment of its debt; but when any ground other than the non-payment of debt is alleged for the winding up of the Company, such contributory alone shall be entitled to make such application.

8. Notice of such petition, with a copy of the same, and affidavit of verification and of the day on which such petition is to be presented for hearing thereof before the Court, shall be served upon the Company at least ten days before such presentation thereof, and shall also be given by advertisement to be twice inserted in the Royal Gazette, and twice in

some newspaper (if any) published in the County in which the chief place of business of the Company is situated; provided always, that the Court may at the hearing of the petition direct the same to stand over, and order such further notice to be given as to the Court shall seem meet; and provided also, that the Court may in its discretion proceed upon the production of the Royal Gazette with such notice as aforesaid, in case no better service, after due diligence can, in the opinion of the Court, be effected within a reasonable time.

9. Upon hearing of any Petition for the winding up of any Company, filed by such creditor or contributory as aforesaid, the Court may make an order for the winding up of the Company, which order shall be forthwith published in the Royal Gazette, and shall therein fix a day for the appointment of a Curator to said Company, and shall therein require the creditors and members of such Company to appear before the Court on such day, to give their advice as to such appointment; and such Court shall on such day, after hearing any suggestion made by any creditor or contributory, but without being bound by any such suggestion, nominate and appoint a Curator of such Company, and in the event of such Curator neglecting to put in security as hereinafter provided, or refusing to accept such appointment, or afterwards becoming incompetent by reason of death, absence from the jurisdiction, removal by the Court, or other cause, to perform the duties thereof, an other and like appointment of a Curator may from time to time be made in like manner as the first appointment.

10. Such Curator shall give such description and amount of security for the due performance of his duties as the Court may determine, and may be called upon by the Court from time to time to substitute and give, and he shall thereupon give fresh or additional security; and upon the completion of such security shall become and be vested, in his capacity of Curator, with all moneys and securities for money, documents, papers, books of account, estate, effects and assets of the Company generally; and shall have power forthwith thereupon as such Curator to take possession thereof, and in his said capacity to institute and maintain any kind of action, attachment or proceeding for obtaining and maintaining

possession of such estate and effects, and of every part and portion thereof, which could be instituted or maintained by such Curator, if he were the absolute and unconditional proprietor thereof; and a copy of the order appointing such Curator, authenticated by the seal of the Supreme Court, shall be *prima facie* evidence of such appointment and of such security having been given.

11. The Curator shall give twelve weeks notice of his appointment, and of the order for winding up, in the Royal Gazette, and shall in such notice call upon all persons owing the Company to pay up, and all creditors to file with him their claims against the Company, verified by oath, and in Form A in the Schedule of this Act, written within three months from the first publication of such notice; and the dividends from time to time to be ordered, shall be paid to those creditors whose accounts may have been filed at the time mentioned in such notice; other creditors may file their claims, but shall only be entitled to the dividends thereafter ordered, unless on the final distribution there shall be sufficient assets to pay all the liabilities and the expenses of winding up the affairs of the Company.

12. After the appointment of such Curator, all suits against the Company shall be stayed, unless the Court, on application to that effect by the plaintiff, and after notice to the Curator, shall authorize the plaintiff to proceed with such suit, and such order may be made subject to such provision as to future costs as the Court may think fit to make; and no member or officer of the Company, after such appointment as aforesaid, shall dispose of any of the property or assets of the Company, and no subsequent transfer of any share or interest in the Company shall be valid.

13. No transfer of any share or claim in any Company, made by any shareholder or contributory within three months next before the application upon which an order for winding up such Company shall be granted, shall relieve any shareholder or contributory from liability to the Company or its Curator, for all calls which may be made by order of the Court for unpaid stock, or for which, by virtue of the Charter or Act of incorporation, he would have been liable had he not transferred the same.

14. Upon application by the Curator, the Court may from

time to time order such calls to be made, by a per centage paid to the Curator on all unpaid stock in the Company, as shall appear to be necessary towards paying the liabilities of the Company, and the expenses of winding up its affairs, and notice of such calls shall be advertised in the Royal Gazette.

15. Whenever the Court shall make an order for any call upon stockholders or contributories against unpaid stock, the Curator may sue any stockholder or contributory in an action of debt in his own name for the amount of such call, before any Court having jurisdiction to the amount of such call, and proof of the amount of such shareholder's or contributory's stock; and the order of the Court, or a copy thereof under the hand of the Clerk of the Pleas, or of any Judge of the Court, shall be *prima facie* evidence of the debt, and he shall have judgment and execution for the amount and costs, in the same manner in all respects as for a debt due to himself personally, but for the benefit of the estate.

16. The Curator appointed shall as soon as possible, without unreasonable sacrifice thereof, convert the moveable assets into money, and collect the outstanding debts and unpaid stock subscriptions due to the Company, and for that purpose may sue or be sued in his own name as Curator, and may sell in the manner he may deem most advantageous, all personal or moveable property of the Company, and, subject to an order of the Court to be obtained in that behalf, may refer debts or claims to arbitration, or compound or compromise the same; and as to the immoveable property thereof, the same shall be sold by such Curator when so ordered by the Court, after such publication and notices, and after the expiration of such time as the Court in such order shall appoint, and when regularly made, such sale shall have the same effect as if made by the Company, and shall convey the same title as such Company could convey, and no other title may be conveyed by any deed signed and sealed by the said Curator, or by any vesting order made by the Court.

17. The Curator shall file semi-annually with the Clerk of the Court a statement of the assets in his hands, and of the claims filed with him, verified by affidavit; and if at any time between the periods of such filing, he shall have sufficient assets to pay ten per centum on the claims filed, he shall

make a special return thereof so verified, to the end that the Court may order a dividend to be paid to the creditors.

18. Whenever the amount of moneys realized from the assets of any Company shall appear to the Court to warrant a dividend thereof, the Court shall make an order for such dividend as the moneys so realized will warrant, which shall immediately thereafter be notified by the Curator in a local newspaper, if any, and if not, then in the Royal Gazette, and shall be paid to such creditors respectively on demand.

19. The Curator of any Company appointed in manner aforesaid shall be an officer of the Court appointing him, subject to the summary order and rule of that Court as to all matters, things and duties confided to and imposed upon him by this Act; and his accounts shall be subject to contest, the performance of his duties to be enforced, and his acts in his said capacity to be restrained and regulated in every respect on summary application by petition or motion to the Court which appointed him, and he shall be liable to attachment or removal by the Court for misconduct, or for want of sufficient security; provided always, that when the bringing or defending of any suit, or the doing of any act in the winding up of any Company, shall or may be attended with more costs than the Curator thereof shall think it expedient to lay out or risk, and any application be made to compel him to bring or defend such suit, or to do such act, the Court may order such Curator to bring or defend such suit, or to do such act, as the case may be, but on the condition only that the applicant shall give good and sufficient security to such Curator for the payment to him of any costs which may be incurred by him in obedience to such order.

20. If there be any surplus of the funds realized from the assets of any Company, after the payment of all the creditors thereof in full, the same shall first be devoted to the adjustment of the rights of the contributories among themselves, and afterwards shall be distributed *pro rata* among the contributories.

21. The Court may at any time, and from time to time, make calls on any of the contributories to the extent of their respective liabilities, for payment of all or any of the sum or sums for which they are liable, and in the proportion in which the contributories are so liable, and to the amount

thereof which the Court may deem necessary to satisfy the debts of the Company, and the costs, charges and expenses of winding it up; and it may, in making such calls, take into consideration the probability of some assets not yet collected being realized, and some liabilities not yet ascertained becoming debts.

22. No contributory to any Company in process of being wound up under this Act, shall be entitled to set off any claim he may have against such Company by way of set off to the unpaid balances of stock held by him in such Company, unless such set off shall have been allowed and credited to him on the books of the Company on account of such unpaid balance, previous to the application for the order to wind up such Company, and by express order of the Directors or Managers thereof.

23. There shall be paid to the Curator such salary or remuneration, by way of per centage or otherwise, as the Court may direct.

24. When the affairs of the Company have been completely wound up, the Court shall make an order declaring the Company to be dissolved from the date of such order, and thereupon the Company shall be dissolved accordingly.

25. The Court, as often as circumstances may require, may make such rules concerning the mode of proceeding to be pursued for winding up a Company, and may establish such table of fees, applicable to all proceedings under this Act, as from time to time may appear meet and necessary; and until such rules and such table of fees are made, it shall be competent to the Court to make any order it may deem just, and which shall not be inconsistent with this Act, for winding up any Company, and for the proceedings necessary therefor under this Act, and any power or direction contained in any such order, shall be deemed to have been fully authorized by this Act.

26. This Act shall not apply to or affect suits now pending, or to any Companies which have discontinued business, or which have been dissolved before the passing of this Act.

27. Nothing in this Act contained shall affect any existing privilege or priority of one creditor or class of creditors over another, or be construed to operate any change in the liabilities of parties.

Passed 13th April, 1864.

WHEREAS doubts have arisen upon the construction of the seventh Section of an Act made and passed in the twenty second year of the Reign of Her present Majesty, intituled *An Act to authorize the extension of King's Street, in that part of the City of Saint John called Carleton*, as to the payment of interest on the several payments contemplated in the said Act: And whereas no remedy is given to the respective persons named in the Commissioners' Report, for the recovery of interest upon the respective sums of money due such persons named in said Report;—

Be it therefore enacted by the Lieutenant Governor, Legislative Council, and Assembly, as follows:—

1. That the Lieutenant Governor in Council shall appoint three Commissioners, whose duty it shall be without any unnecessary delay, to examine the Report of said Commissioners first herein named, and ascertain the amount of

An Act to enable the Justices of the Peace for the County of Northumberland to sell certain Lands and invest the proceeds in other Lands.

Section.

1. Justices authorized to sell lands; proviso.

2. Net proceeds, how invested.

Section.

3. Production of deeds duly registered to be evidence of legal sale.

Passed 13th April, 1864.

WHEREAS there are several pieces or parcels of Land situate in the Parish of Chatham, in the County of Northumberland, the title whereof is in the Justices of the Peace for the said County in trust, as hereinafter mentioned, to-wit:—All that certain piece or parcel of Land conveyed to the said Justices by the late William Abrams, deceased, by Indenture bearing date the third day of June, in the year of our Lord one

thousand eight hundred and thirty five, in trust only, and to and for the sole use and purpose of a public Hospital, which piece of Land is described in the said deed as follows, to-wit: Commencing at the northwest corner of Howard Street; thence easterly along the northern side of the said Street, one hundred and thirty five feet, or until it strikes King Street; thence northerly along the westward side of King Street, four hundred feet; thence westerly parallel with Howard Street, one hundred and thirty five feet, or until it strikes the upper or westerly line of the land conveyed to me in trust as aforesaid; thence southerly along the said line to the place of beginning: Also all that other piece or parcel of land lying between King's, Queen's, Duke, and Francis Streets, conveyed to the said Justices by Henry Cunard, by Indenture bearing date the seventeenth day of March, in the year of our Lord one thousand eight hundred and forty one, in trust for the use and benefit of the public, and to be appropriated to public purposes only as a public Square: And whereas the first mentioned piece of land at the time when it was so conveyed to the said Justices was in a sufficiently isolated situation for the purpose of a public Hospital; but whereas it has not been used for many years past for such purposes, and is now nearly surrounded by dwelling houses, which are in close proximity thereto, rendering it unsuitable for the purposes intended: And whereas the buildings thereon are in a ruinous and dilapidated condition, and if ever to be used again for the purposes of an Hospital, would require a large outlay for the necessary alterations and repairs, for which there is no fund to provide: And whereas the piece of land conveyed by the said Henry Cunard to the said Justices is inconveniently situated, and from its condition and situation cannot be advantageously used as a public Square: And whereas it is believed that the said lands could be sold to advantage, and that the proceeds would be sufficient to purchase other lands more conveniently situated for public and sanatory purposes, and more beneficial to the public as it was intended by the said trusts;—

Be it therefore enacted by the Lieutenant Governor, Legislative Council, and Assembly, as follows:—

1. That the Justices of the Peace for the County of Northumberland are hereby authorized and empowered to sell

and dispose absolutely of the pieces or parcels of land above described, in such lots or divisions as they shall think most advisable, by public auction, first giving sixty days public notice of the time and place of any such sale, by advertising the same in a newspaper published in the said County, and by handbills posted up within the Parish, and on such terms as to payment of the purchase money as the said Justices shall direct; and on payment of the purchase money for such lands, to make and execute to the purchasers of the said lands respectively, titles in fee simple, such deeds to be executed under the seal of the General Sessions of the said County; the purchasers shall not be bound to see to the application of the purchase money; provided that nothing herein contained shall in any wise interfere with or affect the legal or equitable rights of any lessees of the above described lands.

2. The net proceeds of such sales shall be by the said Justices invested in the purchase of other lands in the said Parish more conveniently situated, to be used for public purposes.

3. All deeds and conveyances of the said several pieces of land, duly executed under the provisions of this Act, and proved as provided in the case of deeds executed by Corporations, and registered according to the laws of this Province, shall be sufficient to pass to the purchaser or purchasers of the lands, in such deeds or conveyances described, all the estate and title which the said Justices had and held in the said lands; and such deeds and conveyances so executed, proved, and registered, shall be *prima facie* evidence that the said lands were regularly advertised and sold as required by the provisions of this Act.

2. The capital stock of the Company hereby established shall be six hundred thousand dollars, to be paid in current money of this Province, the whole amount of the said capital stock to be divided into thirty thousand shares of twenty dollars each, which shares shall be vested in the persons hereinbefore named, and such other persons as may take shares in the said Company, their successors and assigns, in proportion to their respective shares and interest, which said shares shall be of the value of twenty dollars each, ten per cent. of which shall be paid at such time and place as the Directors of the said Company shall appoint, and the remaining ninety per cent. in such part and proportions, and at such time and times as the said Directors shall determine, which amount shall not at any one period be more than five per cent. on the amount of capital or stock belonging to any individual, and thirty days at the least shall be the interval

3. So soon as twenty thousand dollars of the capital stock of the said Company shall have been subscribed, and the deposit of ten per cent. shall have been actually paid into the hands of some person or persons to be appointed by the Directors of the said Company, or into some Bank in this Province to be named by the Directors of the said Company, and not before, it shall be lawful for the said Company, and they are hereby authorized, by themselves, their deputies, agents, officers, and workmen, to make, construct, and fully complete, alter, and keep in repair, a Railway, with one or more sets of rails or tracks, with all suitable bridges, archways, turnouts, tunnels, culverts, drains, and all other necessary appendages, and to erect such wharves, moles, jetties, piers, docks, harbours, landings, dikes, buildings, depots, and warehouses, either at the termini or on the line of the said Railway, and to purchase and acquire such stationary or locomotive steam engines and carriages, waggons, floats, and other machinery and contrivances, and real or personal property, as may be necessary for the making and maintaining the said Railway, and for the transport of passengers and merchandize thereon, and for other purposes of this Act;

and may hold and possess the lands over which the said Railway is to pass, and such adjoining lands as may be required; which Railway is to run from any point within the Town of Woodstock, in the County of Carleton and Province of New Brunswick, over the most practicable route through the said County, to connect with or terminate at the present Saint Andrews and Quebec Railway, or a prolongation thereof; the said Railway to be made and constructed on such route as the Directors of the said Company shall in their judgment deem most favourable.

4. The said Company shall and may, if they deem it expedient, construct a branch Railway from the main line to the Iron Works now in operation, and for that purpose shall exercise and possess all the powers, privileges and authorities necessary for the management of the same, in as full and ample a manner as they are hereby authorized to do with respect to the said Railway.

5. It shall be lawful for the Directors of the said Company, until the said Railway shall be completed and open to the public, to pay interest at any rate not exceeding six pounds per centum per annum, on all sums called up in respect to the shares, from the respective days on which the same shall be paid, such interest to accrue and be paid at such times and places as the said Directors shall appoint for that purpose; provided always, that no interest shall accrue to the proprietors of any share upon which any call shall be in arrear in respect of such shares or any other shares to be holden by the same proprietor, or during the period while such call shall remain unpaid.

6. The certificate of the proprietorship of any share in the said Company shall be admitted in all Courts as *prima facie* evidence of the title of any shareholder, his executors, administrators, successors, or assigns, to the share therein specified; nevertheless the want of such certificate shall not prevent the holder of any share from disposing thereof.

7. No shareholder shall be entitled to transfer any share after any call shall have been made in respect thereof, until he or she shall have paid all calls for the time being due on every share held by him or her.

8. The said Company shall not be bound to see to the execution of any trust, either express, implied, or constructive,

to which any of the said shares may be subject; and the receipt of the party in whose name any such share shall stand in the books of the said Company, or if it stand in the name of more parties than one, the receipt of one of the parties named in the register of shareholders, shall from time to time be a sufficient discharge to the said Company for any dividend or other sum of money payable in respect of such share, notwithstanding any trust to which such share may then be subject, and whether or not the said Company have had notice of such trusts; and the said Company shall not be bound to see to the application of the money paid upon such receipt.

9. The several persons who have or who shall hereafter subscribe any money towards the said undertaking, or their legal representatives respectively, shall pay the sums respectively so subscribed, or such portions thereof as shall from time to time be called for by the Directors of the said Company, at such times and places as shall be appointed by the said Directors; and with respect to the provisions in this Act contained for enforcing the payment of calls, the word "shareholder" shall extend to and include the personal representative of such shareholder.

10. It shall be lawful for the Directors of the said Company from time to time, to make such calls of money upon the respective shareholders in respect of the amount of capital respectively subscribed or owing by themselves, as they shall deem necessary; provided that twenty days notice at the least be given of each call as aforesaid, and no call exceed the prescribed amount aforesaid, and successive calls be not made at less than the prescribed interval aforesaid; and every shareholder shall be liable to pay the amount of the call so made in respect of the shares held by him, to the persons and at the times and places from time to time appointed by the said Company, or the Directors thereof.

11. If before or on the day appointed for payment any shareholder do not pay the amount of any call to which he is liable, then such shareholder shall be liable to pay interest for the same, at the rate allowed by law, from the day appointed for the payment thereof to the time of the actual payment.

12. It shall be lawful for the said Company (if they

think fit) to receive from any of the shareholders willing to advance the same, all or any part of the moneys due upon their respective shares beyond the sums actually called for; and upon the principal moneys so paid in advance, or so much thereof as shall from time to time exceed the amount of the calls then made upon the shares in respect of which such advance shall be made, the Company may pay interest at such rate, not exceeding the legal rate of interest for the time being, as the shareholder paying such sum in advance and the said Company may agree upon.

13. If at the time appointed by the said Company, or the Directors thereof, for the payment of any call, any shareholder fail to pay the amount of such call, it shall be lawful for the said Company to sue such shareholder for the amount thereof in any Court of law or equity having competent jurisdiction, and to recover the same with lawful interest from the day on which such call was payable.

14. In any action or suit to be brought by the said Company against any shareholder to recover any money due for any call, it shall not be necessary to set forth the special matter, but it shall be sufficient for the said Company to declare that the defendant is the holder of one share or more in the said Company, [*stating the number of shares,*] and is indebted to the said Company in the sum of money to which the calls in arrear shall amount, in respect of one call or more upon one share or more, [*stating the number and amount of each of such calls,*] whereby an action hath accrued to the said Company by virtue of this Act.

15. On the trial or hearing of such action or suit, it shall be sufficient to prove that the defendant at the time of making such call was the holder of one share or more in the said undertaking, and that such call was in fact made, and such notice thereof given as is directed by this Act; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matter whatsoever, and thereupon the said Company shall be entitled to recover what shall be due upon such call, and interest thereon, unless it shall appear either that any such call exceeds the prescribed amount aforesaid, or that due notice of such call was not given, or that the prescribed interest between two successive calls had not elapsed as aforesaid.

16. The production of the register of shareholders shall be *prima facie* evidence of such defendant being a shareholder, and of the number and amount of his shares.

17. If any shareholder fail to pay any call payable by him, together with the interest (if any) that shall have accrued thereon, the Directors of the said Company, at any time after the expiration of two months from the day appointed for payment of such call, may declare the share in respect of which such call was payable, forfeited, and that whether the said Company have sued for the amount of such call or not.

18. Before declaring any share forfeited, the Directors of the said Company shall cause notice of such intention to be left or transmitted by post to the usual or last place of abode of the person appearing by the Register of shareholders to be the proprietor of such share; and if the holder of any such share be beyond the limits of this Province, or if his usual or last place of abode be not known to the said Directors, by reason of its being imperfectly described in the shareholder's address book, or otherwise, or if the interest in any share shall be known by the said Directors to have become transmitted otherwise than by transfer, and so the address of the parties to whom the said share or shares may for the time being belong shall not be known to the said Directors, the said Directors shall give public notice of such intention in one or more of the weekly newspapers published in the said County of Carleton; and the several notices aforesaid shall be given thirty days at least before the said Directors shall make such declaration of forfeiture.

19. The said declaration of forfeiture shall not take effect so as to authorize the sale or other disposition of any share, until such declaration shall have been confirmed at the next general meeting of the said Company to be held after such notice of intention to make such declaration of forfeiture shall have been given, and it shall be lawful for the said Company to confirm such forfeiture at any such meeting, or at any subsequent general meeting, to direct the share or shares so forfeited to be sold or otherwise disposed of.

20. After such confirmation as aforesaid, it shall be lawful for the said Directors to sell the forfeited share by public auction, and if there be more than one forfeited share, then either separately or together, as to them shall seem fit, and

any shareholder may purchase any forfeited share so sold as aforesaid.

21. An affidavit by some credible person not interested in the matter, sworn before any Justice, or before any Commissioner for taking affidavits in the Supreme Court, that the call in respect of a share was made, and notice thereof given, and that default in payment of the call was made, and that the forfeiture of the share was declared and confirmed in manner hereinbefore required, shall be sufficient evidence of the facts therein stated; and such affidavit, and the receipt of the Treasurer of the said Company for the price of such share, shall constitute a good title to such share; and a certificate of proprietorship shall be delivered to such purchaser, and thereupon he shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such sale.

22. The said Company shall not sell or transfer more of the shares of any such defaulter than will be sufficient, as nearly as can be ascertained at the time of such sale, to pay the arrears then due from such defaulter on account of any calls; together with interest and the expenses attending such sale and declaration of forfeiture; and if the money produced by the sale of any such forfeited share be more than sufficient to pay all arrears of call, and interest thereon due at the time of such sale, and the expenses attending the declaration of forfeiture and sale thereof, with the proof thereof, and certificate of proprietorship to the purchaser, the surplus shall, on demand, be paid to the defaulter; provided always, that such defaulter shall in all cases be liable to the said Company for any deficiency arising by means of such default, and recoverable in any Court in this Province having competent jurisdiction for this purpose.

23. If payment of such arrears of calls, and interest and expenses, be made before any share or shares so forfeited and vested in the said Company shall have been sold by public auction as aforesaid, such share or shares shall revert to the party or parties to whom the same belonged before such forfeiture, in such manner as if such call had been duly paid.

24. The said Company shall be and are hereby invested with all the powers, privileges and immunities which are or may be necessary to carry into effect the intentions and objects of this Act; and for this purpose the said Company, their successors, deputies, agents, and assistants, shall have the right to enter and go into and upon the lands and grounds of all and every description lying on the said route and general direction as aforesaid, for the purpose of making surveys, examinations, or other necessary arrangements for fixing the site of the said Railway; and it shall and may be lawful for the said Company and their successors to take and hold so much of the land and other real estate as may be necessary for the laying out, making and constructing, and convenient operation of the said Railway, and shall also have the right to take, remove, and use, for the necessary construction and repair of said Railway and appurtenances, any earth, gravel, stone, timber, or other material, on or from the land so taken, without any previous agreement with the owner or owners, tenant or tenants of the land, and upon which such survey, examination or other arrangements may be made, or through which the said Railway may be explored, laid out, worked, made, and constructed, or on which materials and other things shall be laid for the purposes of the said Railway; provided always, that the said land so taken shall not exceed six rods in width, except where greater width is necessary for the purpose of excavation or embankment; and when the said Railway shall pass through any wood lands or forests, the said Company shall have the right to fell or remove any trees standing thereon, to the distance of six rods from either side of the said Railway, which by their liabilities to be blown down, or from their natural falling, might obstruct or impair said Railway; provided always, that in all cases the said Company shall pay for such lands or estate so taken and used, (in case the owner thereof demand it,) such price as the said Company and the owner or respective owners thereof may mutually agree on; and in case the said parties should not agree, then it shall be lawful for the said Company to apply to two of Her Majesty's Justices of the Peace in the County wherein the said land may be situate, for a Warrant, which Warrant shall be in the form set forth in the Schedule B to this Act annexed, and shall be directed

to the High Sheriff, his Deputy, or any Constable within the said County, commanding such High Sheriff, Deputy or Constable to summon a jury of five disinterested freeholders or occupiers of land in the said County, who shall be sworn to examine the site of the said Railway, and in case the said Railway shall pass through or extend upon any improved lands, or shall occasion the removal of any buildings or fences, then and in all such cases the damage shall be ascertained and assessed by such jury; provided nevertheless, that the said jury in assessing the said damages, are authorized and empowered, and shall take into consideration the enhancement in value of the land by the passage of the Railway, in regard to the increased facilities of access to the different stations and termini of the said Railway, in diminution of the damages; and in all cases when the jury shall assess damages to be paid to the owner or owners of any land over which the said Railway may be laid out, the Justices who issued the warrant shall lay the said assessment before the next annual meeting of the said Company under the authority of this Act, who are hereby required to pay the amount set forth in the said assessment into the hands of the persons for whom such damage may be assessed, within twenty one days next after such annual meeting of the said Company, together with the costs and charges of assessing such damages, which shall be agreeably to a scale in Schedule C of this Act; and in default of such payment, it shall and may be lawful for the said Justices, or either of them, (in case of the absence or death of the other) at the instance of the said party or parties to whom such damages are payable, by warrant under the hands and seals of the said Justices, or one of them, (in case aforesaid) to levy the same with costs by distress and sale of the goods and chattels of the said Company; provided also, that nothing in this Act contained shall be construed to affect the rights of the Crown in any ungranted lands within this Province, or to authorize the said Company to enter upon or take possession of any such land without the previous permission of the Executive Government of the Province.

25. When the said Company shall take any land or estate of any body corporate, aggregate or sole guardians, committees, executors or administrators, or other trustees what-

soever, held for or on behalf of those whom they represent, whether corporations, infants, idiots, lunatics, feme coverts, persons deceased or beyond seas, or other person or persons whatsoever, who are or shall be possessed of or interested in the said land or estate, the respective contracts or agreements and sales of the said Corporation, guardians, committees, executors, administrators, or other trustees whatsoever, shall be valid and effectual in law to all intents and purposes whatsoever, and their respective receipts shall be good and valid releases and discharges therefor; and it shall be lawful for them respectively to agree and settle with the said Company for damages (if any) by reason of taking such land or estate aforesaid; and in case of disagreement, such damage to be ascertained and settled as provided by the twenty fourth Section of this Act.

If said Railroad shall in the course thereof cross or partly cross any navigable river or stream, the said Corporation are hereby authorized and empowered to erect for their sole and exclusive travel on the said Railroad, a bridge across or partly across each of said rivers or streams; provided such bridge or bridges or other erections shall be so constructed as not unnecessarily to obstruct or impede the navigation or use of such river or waters.

28. The said Company, their superintendents, engineers, agents, and workmen, may enter upon the land adjoining the said Railway, and from thence take and carry away any timber, stone, gravel, sand, and earth, or material necessary for the construction of the said Railway; and in case of any slip happening or being apprehended to any cutting, embankment or other work belonging to said Railway, the said agent and workmen shall at all times hereafter have full egress

and regress into and upon such adjoining lands, for the purpose of repairing and preventing such accident, and to do such works as may be necessary for the purpose; provided always, that such works shall be as little injurious to the said adjoining land as the nature of the operations will admit of, and shall be executed with all possible dispatch; in all which cases the damage incurred, if the parties cannot agree, shall be ascertained and paid in like manner in all respects as provided for in the twenty fourth Section of this Act.

29. The said Company, at their own proper costs and charges, shall erect and maintain on each side of the said Railway sufficient fences, wherever the same may be necessary, in order to protect the public, or wherever any cleared or cultivated land occurs on the line of the said Railway; and for neglect or failure to erect and maintain such necessary fences, the said Company shall be liable to be indicted at any Court of Oyer and Terminer or General Sessions for the County where such fences shall be insufficient, and to be fined in such sum as shall be then and there adjudged, and such fine shall be expended for the erection or repair of such fences, and for compensation of individual damages, as the case may be; and it shall and may be lawful for the Justices of said Court of Oyer and Terminer or General Sessions, to make such order for levying the said fine on the property of the said Company, or otherwise, as to them shall seem most proper to the exigencies of the case; which said fine shall be exclusive of any claim for damages which any party may sustain by any such neglect or failure as aforesaid.

always, that it shall be lawful (in case it shall be more conducive for the public safety,) for the said Company, at their own expense, to carry such turnpike or other road over or under such Railway by means of a bridge or archway, in lieu of crossing the same on the level.

4. The said Corporation shall have power to make, ordain and establish all necessary bye laws and regulations consistent with the laws in force in this Province, for their own government, and the due and orderly conducting of affairs, and the management of their property.

5. The President, Directors and Company for the time being, are hereby authorized and empowered, by themselves or their agents, to exercise all the powers herein granted to the Corporation, for the purpose of locating and completing such Railroad and branches, and for the transportation of persons, goods and property of all descriptions, and all such power and authority for the management of the Corporation, as may be necessary and proper to carry into effect the objects of this Act; to purchase or hold within or without the Province, lands, materials, engines, cars, and other necessary things, in the name of the Corporation, for the use of the said road, and for the transportation of persons, goods and property of all descriptions; and to make such connection with other Railroad Companies within or without the Province, either by leasing their road to other Corporation or Corporations on such terms and for such length of time as may be agreed upon, or by consolidating the stock of their road with that of other Railroad Companies or Company upon such terms as may be agreed upon; to make, execute and deliver good and sufficient mortgage deed or deeds of their road and all its branches, to such private persons or Corporations within or without this Province as they may think the interest of the stockholders in their Company requires; and to make such equal assessments from time to

6. 11. The joint stock and property of the said Company shall alone be responsible for the debts and engagements of the same.

12. The said Company, by their agents, servants, and workmen, shall and may enter upon any lands of private persons for the purposes of making a survey of the line or route of the contemplated Railroad, and to cut down or remove when necessary to the making of such survey, any trees or other obstacles on such lands; compensation for such cutting and removing to be made to such owners of private lands, by the same proceedings and in the same manner as is provided in the first Section of this Act.
