Dr. Shoop's Cough Cure BEAR RIVER PHARMACY. ROYAL PHARMACY.

I wish to state, for the sake of others who may be sufferers like I was, that I suffered from severe indigestion and constipation for years and that there was also womb trouble with unpleasant pains in my back which made me miserable, constantly. I tried physicians and took many remedies but I got no relief. I was induced to try "Fruit-a-tives" and I can truly say this was the first medicine that ever did me any good. "Fruit-atives" quickly relieved the constipation and indigestion and completely cured me of all symptoms of womb trouble. I cannot express too strongly my great gratitude to this medicine as I am as well now in every way as ever I was, thanks to "Fruit-a-tives". I can strongly recommend "Fruit-a-tives", it is easy to take and the effect is always mild like fruit.
