Beware of Spurious Machines!

THE SINGER MANUFACTURING CO.'S

NEW FAMILY SEWING MACHINE

NOW SELLING AT GREAT REDUCTION FROM FORMER PRICES.

possesses improvements found in no other, combining convenience, durability and ease of motion.

The best in the World

The "Survival of the Fittest" is illustrated in the records of the Sewing Machine market from 1871 to 1876. In 1871 the Singer Manufacturing Company had 24 competitors whose total annual sales were 424,834 machines. In 1876, 13 competitors had gone out of business; the Total Annual Sales of the Survivors had fallen off 121,217 machines, and the Annual Sales of the Singer's leading competitors had fallen off 19,529 machines.

Meanwhile the sales of the Singer Machine increased from 181,260 to 223,316 machines, and even this enormous number was, despite the "hard times" still further increased in 1877 to 282,812 MACHINES.

THE BEST ALWAYS WINS!

BUY ONLY THE GENUINE!

We submit to any candid reader, that a machine whose sales steadily increase through years of adversity and unparalleled depression in business, while the sales of every competitor fall off heavily year by year

MUST BE THE BEST MACHINE

To avoid worthless BOGUS machines, notice that every SINGER MACHINE bears our Patented Trade Mark, and the words "SINGER MFG. CO." on the arm, and

Purchase only from our Authorized Agents.

Properties For Sale.

NOTE.—Mr. Naylor cannot hold himself responsible for expenses incurred by applicants in viewing properties that may be already disposed of or withdrawn, or for any inaccuracy or error in description of the following Estates and Residences, as, although every care is taken to avoid trouble, the neglect of owners in announcing Sales or Lettings must necessarily lead sometimes to the annoyance of a fruitless journey.

WARS OF LANCED STATES

HOUSES AND OTHER PROPERTIES

The first thing that I noticed when I stepped out of all this noise and confusion was a sense of peace. The air was so fresh, so clean, and the people were so kind. I had never felt like this before. It was as if I had stepped into a different world. The houses were so beautiful, so different from anything I had ever seen. They were built with such care and attention to detail. The streets were so quiet, so peaceful. It was a relief to be here. I had found a place where I could finally rest. I had found a place where I could finally be at home.

The people here were so friendly, so welcoming. They had been through so much, but they still had a smile on their faces. They had a sense of humor, a sense of joy. They were so different from the people I had met in the other states. They were so kind, so generous. They had a heart of gold. I had never met anyone like them before. They were so special, so unique. They were the people I needed. They were the people I had been searching for.

I had found a place where I could finally be at home. I had found a place where I could finally rest. I had found a place where I could finally be myself. I had found a place where I could finally be happy. I had found a place where I could finally be at peace. I had found a place where I could finally be at home.
