The copy filmed here has been reproduced thanks to the generosity of:

Hamilton Public Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Hamilton Public Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## SPARKS AND SPRAY.

—Read Morton's liners on this program.

—Ladies will find Hartley's oyster and lunch rooms to be first-class in every particular.

—Jones—Cleveland didn't get the presidency as a Christmas gift. Smith—No, but he got his stocking well filled. He put his foot in it.

—A Philadelphian man boasts that his wife is mistress of five tongues. The average man doesn't ask that his wife be mistress of more than one.

—At the minstrels—Mr. Fangle—Well, that's the richest lot of dry jokes I ever heard. Mrs. Fangle—Is that the reason you had to irrigate so often?

—Frenchman—Yes, Miss Bostonia, in the Mediterranean I sailed through schools of sardines. Miss Bostonia—Now could they swim in those heavy tin boxes?

—Everybody should see the artistic chromos now being presented by John A. Barr & Co. to their customers. Read adv. on second page.

—Agent—Has the religious press much of a showing in this community? Old citizen (in a whisper)—Well, the parson is all right, but they do say that Deacon Pusey is mighty fond of huggin' the women when he gets a chance.

—Cashier, mischievously—You must have had a dry night of it, Jack, you go to the water cooler so often. Jack, earnestly—Sir, you wrong me. As you do not live in a boarding house you can have no conception of the properties of soup made from corned-beef water.

—Mrs. Blinks—You did nobly at church to day. Instead of going to sleep during the sermon you listened attentively to every word. Mr. Blinks—Best sermon I ever heard. Glorious! The way he pitched into rich men like Winks and Minks and Jinks just did me good.

—She went prepared—Young husband in the theater to his wife—Excuse me, dear, I want to go out and see a man. Wife—Sit down, George. I've got baby's nursing bottle with me, with some liquor in it, and you can see a man right here without disturbing all those people.

—"And now, children," remarked the Sunday school superintendent, "what happened to those wicked people who reviled Noah and refused to hear his warning? Where did they find themselves when the flood came?" "In de soup!" exclaimed a class of newsboys on the back seat with one voice.

—"What is that dear, delightful, old-fashioned chair worth?" she inquired. "It is worth, madam," said the honest dealer, "just about \$175: the price of it, however, is \$9."

—Daughter, aged 33 (facetiously)—Papa, I found a dozen gray hairs in my head this morning and pulled them out. Don't you give me away, though. Father (sighing heavily)—Give you away, Emily? I've abandoned all hope of it.
