

SHOWS PROGRESS OF CHRISTIAN SCIENCE

Eighteen Hundred Organizations Thruout World, Prof. Seeley Declares.

Only forty years ago the first Christian Science Church was organized in Boston. Since then nearly eighteen hundred organizations have been formed throughout the world.

The fact is, as the Bible makes very plain, continued the professor, that the one true and enduring man, God's man, is the likeness of God, that is, he has the character and nature of God, and why should this not be so?

Christian Science not only presents the true concept of man, Professor Seeley claimed, but shows that it is attainable in some considerable measure right here and right now.

It was in 1866, the professor said, that Mrs. Eddy overcame a serious illness thru reliance on spiritual, wholly apart from material law, and became convinced of the present availability of this law for suffering humanity.

TORONTO FAMILIES ARE BADLY HOUSED

wanting housing for nothing. He deplored the fact that shareholders had not yet received any dividends, but said everything was going on well and there was a likelihood that a dividend would be paid next year.

The company, he continued, had sustained a loss of \$10,000, which loss represented a part of a profit that was thought to have been made on two hundred acres of land between Danforth and Eglinton avenues, in the northeast district, and about two miles from the city limits.

Several shareholders declared that the housing commission was one for the city authorities and should be dealt with at once.

The provincial police force was increased yesterday by 17 the city, and before starting out on their duties they were paraded before Deputy Attorney-General Bayly, who explained what was required from them in the way of law enforcement.

A timber limit, 50 square miles in extent, near Jellison and east of the Nipigon forest reserve, has been purchased by tender from J. T. Horne, Fort William. He will pay \$6.10 a foot for spruce and twenty-one cents for each jack-pine tree.

The Hydro-Electric Commission is now receiving nearly 15,000 horse-power from the Electric Development Co. It could do with more, Chief Engineer Gaby said yesterday, but the extra supply would go a long way toward relieving the shortage.

NEW UNION STATION PLEASES COUNCIL

City Aldermen Impressed With Beauty and Magnitude of the Depot.

Members of Toronto city council were piloted thru the new Union Station yesterday by the contractors, Lyall & Co., and all were quite impressed with the magnitude of the structure, beauty of design and interior finish.

The two floors in the building below the street level are a mass of machinery and pipes. The party was informed that the building was already formed that the railway board had issued an order calling for the construction of a 17-foot viaduct.

CONUNDRUM OVER BENGOUGH'S POST

Board of Education Solicitor Cannot Give Solution Without More Particulars.

Thomas W. Bengough's nomination for director of vocational courses and opportunity school classes has presented a conundrum which the solicitor of the board was up to yesterday, not prepared to unriddle.

Dr. John Noble, chairman of the board of education, brought the matter up at the meeting of the finance committee meeting. Dr. Noble, who has been out of the city, wanted to know if the solicitor's opinion had been received as to the legality of the Bengough appointment.

Dr. Noble asked if the opinion of the minister of education would be sufficient to authorize the appointment. The solicitor was inclined to the view that the head of the department of education a ruling by the minister would be decisive.

For Fire-Trap Schools. Fifteen dollars was voted to safeguard the six so-called fire-trap schools. The fire escape expenditures approved were as follows: Dufferin Street School, outside fire escape stairway, \$4,500; Duke Street School, two outside fire escapes, \$2,250; Rose Avenue School, fire escape stairway and balcony, \$3,000; Clinton Street School, fire screens and doors, \$1,500; George Street School, outside fire escapes, stairs, \$2,250; Queen Victoria School, fire screens and new doorways and doors, \$2,250.

JUDGE UPHOLDS OBJECTION. Justice Rose has upheld the objection of Benjamin Coffier to the title of property at the southeast corner of Church and Ann streets, which Coffier was going to purchase from T. R. Morris for \$8,400. The objection was that the building encroaches one foot one inch on Church street, and one foot six inches on Ann street.

ALLEGES PROMISE BREACH. Ivy A. Wheeler has entered action against Harry V. Bradley for \$10,000 damages for alleged breach of promise of marriage.

COMMISSIONER IN HOSPITAL. Commissioner A. S. Goodlove of the board of railway commissioners, is ill in the General Hospital, where he underwent an operation a few days ago. Reports received indicate that he is progressing favorably.

Week of Smashing Fur Bargains

SIX days of the most startling and amazing fur bargains ever offered in Canada. We have laid out a program of special values for this week which will overwhelm all attempts at competition. Furs cannot be produced today to meet the prices we are offering. The wholesale reductions on our entire stock means a tremendous loss to us--but it means pre-war prices for you.

Nowhere on the continent is there such a stock of furs as you will find here. Only the most extravagant language could describe it. Yet it is being sold at less than the cost of manufacture.

These prices cannot last. Make up your mind to purchase today.

ARBITRARY AUTHORITY BREAKING UP, TORONTO PROFESSOR SAYS

"The Pulpit as Seen From the Pew," was the subject of an address delivered by Dr. Tracy, of Toronto University, at a meeting of the Baptist Ministerial Association, held yesterday in the board room at 233 Church street. The evolution of authority was one of the themes which was elaborated by Dr. Tracy. "Authority of an external and arbitrary nature is gradually breaking up," he said, "and authority of an inner spiritual and ethical kind gradually taking its place." He stated that examples of this could be seen in the political, industrial and ecclesiastical realms.

TO DIRECT SURVEY. Ottawa, Nov. 15.—(By Canadian Press)—announcement is made by the Civil Service Commission that Dr. H. Collins, who for a number of years has been a geologist of the department of mines, has been appointed director of the geological survey.

"I don't understand why I should be so tired in the mornings." "ARE you often that way?" "Why, for months I have felt wretched every morning. And it is not because I do not get to bed early enough." "How do you sleep?" "Not very well. Lots of nights I lie awake for hours, restless and fidgety, thinking about everything, but not resting or sleeping." "Have you consulted a doctor?" "Yes. The doctor says I am anaemic; the blood is thin and watery, and the nervous system run down for want of proper nutrition." "Are you taking any medicine?" "No, not now; he gave me some tablets to make me sleep, but I had to keep on taking them, and I could not see that they were of any lasting benefit. I don't like drugging myself that way." "Why don't you try Dr. Chase's Nerve Food?" "I don't know just why, unless it is because I thought it was only for the nerves,

COMPLETE RECORD OF TRAPSHOOTERS

All Canadians Who Have Shot at Two Thousand Targets or More.

According to the official list of averages of 2000 or more registered targets during the current season, as issued by the American Trapshooting Association, the skill of the 1920 target-smashers has not been up to the standard of previous years. While the season of 1920 showed the figures on which the averages are based, the figures on which the averages are based are based on the number of targets received at the headquarters of the association up to and including October 31. In a few tournaments to be heard from, and only slight changes are possible in the final standing of the contestants at the end of this year.

WESTERN CITY LEAGUE. All clubs wishing to enter a team in the Western City Hockey League are requested to send delegates to the annual meeting to be held tonight at 8:30. The new club is seeking admission, and those, along with last year's team, makes it look like a big year for the organization. The league will operate under immediate Junior-Junior B, midget, bantam and commercial series.

The World's Selections BY CENTAUR

Man o' War the Horses, J. Butwell the Jockeys, and K. Spence the Trainers—Fair Play the Leading Sire.

New York, Nov. 15.—The racing season of 1920 is fast approaching its end, and the prosperous days of 1906 and 1907 has racing reaped such a golden harvest as it has this year. Even the remarkable figures of those years are likely to be surpassed when the final returns for 1920 are in. The revival of Canadian racing on a greater scale than ever before, and the vast increase in the values of stakes and purses in Kentucky, Maryland and New York made this possible.

MANITOBA AROUSED ABOUT RESOURCES. Province Likely to Take Court Action Against Dominion on Control Question.

Winnipeg, Nov. 15.—The Manitoba government will institute legal action before the supreme court of Canada to secure control of the natural resources of the province, and the Dominion government, Hon. Edward Brown, provincial treasurer, declared in an interview today. "Court proceedings may now appear to be the only method left to the province to secure control of the resources which rightly belong to us, as government delegations have repeatedly met with failure in demanding that the Dominion government hand over the resources to provincial control," he said.

A delegation, headed by Hon. Edward Brown, will wait on the government after Premier Selkirk returns to Ottawa. It is expected.

CHINESE COMPLAIN, BUT DO NOT ARGUE. Mere Charges of Untruth and Prejudice Do Not Affect Charges Made.

The following statement has been handed in by two Chinese students, who will be noted that it takes the form of a letter to the truth of the statements made to the writer of the articles, planned by clerks interviewed.

"Judging on a basis of misleading articles written by an intellectual porter involving the Chinese and the Toronto Chinese in Toronto, who appeared recently in the Toronto World, we cannot but say that the western civilization eventually has its own share of prejudice in mind, and with a purpose of fomenting a racial strife, the writer of that series of articles in question attempts to incite an ill-feeling of the public against the Chinese in Canada. Such a personality is altogether out of place in the international relationship. The League of Nations should prepare a room for such an individual.

"In conclusion, it is not our intention to argue with the writer, but we wish to say that it would not be fair and dignified for anything to be said against the Chinese which would create a misunderstanding on the part of the public. For misleading articles such as those published in the Toronto World only tend to create a feeling of resentment on the part of the Chinese and China as a nation toward the people of this country, and they are under the control of the Dominion, for whom we feel great admiration and whose happiness and prosperity is our most fervent wish.

"The Toronto Chinese Christian Union" Nov. 16 1937.

CATTLE MARKET WAS FROM 25 TO 50 LOWER

Lambs Had Good Rally, But Hogs Go Lower.

With one of the heaviest runs of the season in cattle—around 6000 head—the market for practically all classes at the Union Yards yesterday was in the average, with a poor outlook in the over-the-day's picked up a little, but at that was from 25 to 30c lower than a week ago.

There was another heavy run of western cattle of fair average quality, and the buyers naturally took advantage of the situation to get the cattle at lower prices.

Good to choice calves, 10c to 12c; heavy calves, 8c to 10c; medium calves, 7c to 9c; light calves, 6c to 8c.

Some Good Sales. McDonald & Halligan sold a bunch of 14 heavy steers, 1100 lbs., choice quality, \$12. Another indication of the general trend of the market was the sale by Dunn and Leveck of choice yearlings, 1000 to 1200 lbs., at \$10.75, and one load of about the same weight at \$10. Mr. McDonald's sales were as follows: 1000 lbs., \$10.75; 1200 lbs., \$11.25; 1400 lbs., \$11.75; 1600 lbs., \$12.25; 1800 lbs., \$12.75; 2000 lbs., \$13.25; 2200 lbs., \$13.75; 2400 lbs., \$14.25; 2600 lbs., \$14.75; 2800 lbs., \$15.25; 3000 lbs., \$15.75; 3200 lbs., \$16.25; 3400 lbs., \$16.75; 3600 lbs., \$17.25; 3800 lbs., \$17.75; 4000 lbs., \$18.25; 4200 lbs., \$18.75; 4400 lbs., \$19.25; 4600 lbs., \$19.75; 4800 lbs., \$20.25; 5000 lbs., \$20.75.

Choke lambs sold from 13c to 15c; cut, 10c to 12c.

The hog market was steady at from 15c to 17c f.o.b., and a few choice lots to outside buyers at 16c. For Tuesday's market and Monday's loading the packers are quoting a dollar lower, 14c to 15c f.o.b., 15c fed and watered.

Weakness in the Buffalo and Chicago markets, with a poor outlook in the over-the-day's picked up a little, but at that was from 25 to 30c lower than a week ago.

There was another heavy run of western cattle of fair average quality, and the buyers naturally took advantage of the situation to get the cattle at lower prices.

today's market, \$10.75 was not considered such a bad price.

The U.P.O. had a run of 2100 sheep and lambs consigned to them. In the lot was 1000 lambs consigned by J. H. Bond of Manitoba Island, and W. J. Simpson sold the entire lot to the William Davis Co. at 13c. These lambs averaged around 90 lbs. apiece.

The Ontario market in addition several lots of black-face from the Ottawa Valley, which averaged from 15 to 20 lbs. apiece, which brought 13c.

Appointment Committee. A well-attended meeting held at 136 Dundas St. West yesterday afternoon, representative of the packers, railway company and co-operative packers, Ontario and Quebec in connection with the existing time limits for live stock in transit, a lot of interesting information was brought forward. The question of giving better service for the transport of live stock was taken up. Special committees were named to take up these matters, and it was resolved to try and press these badly needed reforms to a conclusion.

RURAL DEPOPULATION'S EVILS ARE MAGNIFIED

Sir John Willison Points Out That Modern Farm Implements Do Much to Offset Loss of Man-Power—Well-Directed Industrial Expansion Will Make for Greater Pastoral Population.

The co-operation between industry and agriculture that is so necessary to the development of Canada and the present situation in Canada were some of the points touched on by Sir John Willison in his address on "Agriculture, Industry and Production" before the Canadian Club yesterday.

Rural depopulation in Ontario did not affect production as much as some were inclined to believe it did, he said. One good farm hand with the farm implements that are in present use could do as much as ten men forty years ago. Duncan Anderson, an agricultural expert, he said, believed that the work was done far more economically and efficiently than ever before with no loss to production. In fact, Canada's farms were producing more than those in any other country. The bank deposits of the three prairie provinces exceeded the total bank deposits in Canada a generation ago.

Sir John gave statistics showing that wherever industries flourished and farm lands always increased in value, and the rural movement had been prevented in Quebec as a result of her industrial development. It was impossible, he continued, to force upon the land those whose ambitions and talents led them elsewhere, and the activities of the Alberta Industrial Association showed that the exodus of men to the United States, where more opportunities in their particular line awaited them, was appreciated.

The question of scarcity and cost of farm labor could be answered by a change in our social temper and individual outlook. Influential Canadians too, were urged to the United States, where they were badly needed in Canada.

MANY BYLAWS FOR VOTE OF CITIZENS

North Toronto Ratepayers Will Also Decide Question of Secession.

Besides electing representatives to council, the ratepayers on January first will also vote on half a dozen by-laws. These are: The question of daylight saving, whether the change of time is acceptable or not; the question of expending \$200,000 for athletic stadiums in various parts of the city, the question of control by the city council of board of education expenditure and the two motions dealing with tax reform.

Aid. Honeyford is moving for a 25 per cent. exemption on buildings, incomes and businesses as the first step towards single tax or land tax only, and Aid. Plewman is moving for partial exemption of houses assessed under \$4,000, whether occupied by owner or tenant. It is likely that people will be asked to vote on both propositions.

A vote is likely also to be called for on the question of extending a large sum on the purchase of motor buses for passengers to be under the direction of the transportation commission. The ratepayers in North Toronto will also vote on the question of separation from the city.

WITH THE VETERANS HUMAN ELEMENTS AT HEADQUARTERS

Magicians Out of Work Ask Provincial Command for Assistance.

Twenty-five letters formed the list received yesterday by the office of the provincial command, G.W.V.A., and among these was one in which an ex-serviceman requested to be recognized as a veteran. He was a young man, and he had been in the army since he was a young boy. This he acknowledged himself, and he asked for recognition as a veteran. Another was from a man who believed he was entitled to 100 per cent. disability pension instead of the 50 per cent. he was now receiving. He had already borrowed \$50 for family expenses, and he was now in a desperate financial straits. He would be able to make ends meet until the next pension arrived. Two requests were made to the office from members of an association who are magicians and out of employment, asking the office to help to the extent of \$25, and promising great returns to their benefactors.

One of the saddest cases noted in yesterday's list was that of a young man whose wife and child had died of influenza in Toronto. He was trying to get back to his home in the United States, but he was unable to do so because he had no money. He was now in a desperate financial straits, and he was asking for help. He was now in a desperate financial straits, and he was asking for help.

At G.A.U.V. headquarters tomorrow morning there will be a meeting of the board of directors of the association. It is to be held to take up the problem of re-establishment. Mr. Flynn, vice-president of the association, stated to the board that he was personally willing to sacrifice his personal wishes or opinions in all matters affecting the welfare of the association.

W. E. Turley, provincial secretary of the G.W.V.A. in Ontario, stated to the board that he was personally willing to sacrifice his personal wishes or opinions in all matters affecting the welfare of the association.

Stour Falls Lockout. G.W.V.A. Northern Ontario, has communicated with the office of the provincial secretary, asking if the provincial secretary would make an appeal to the lockout of Stour Falls, Ontario, to prohibit the importation of Ontario "Hearts".

Rev. Canon Scott will visit Toronto tomorrow and will be the opening of the new G.W.V.A. clubhouse in that city. The clubhouse is in the nature of a club, and it is estimated that it is costing about \$60,000. It will be one of the finest clubs of its kind in that city when completed.

FIRST NIGHT AT THEATRES

"Maid of the Mountains" Welcomed on Return to Royal—Madge Kennedy Scores at the Princess—Good Vaudeville and Pictures at Other Toronto Shows.

Madge Kennedy in "Cornered." Screen stars, who return to the speaking stage after a spell in the "movies", are, as a general rule, disappointing. One expects too much of them. In the case of Madge Kennedy, however, it is the direct opposite. She appeared at the Princess Theatre last night in "Cornered," a four-act play, availing for the most part of the indoor-woman, and gave one of the most artistic performances seen in many a day. Always regarded as a beauty, she brought more than good looks to the stage. As Mary Brennan, the character of international crooks, and later as the girl who is loved by the crook, she gave to the character an extremely clever interpretation that earned her a decided personal triumph. Her acting, worldly-wise, winsome and altogether charming, Miss Kennedy simply brought her own personality to the play. Miss Kennedy was splendidly supported. Helen Robertson as the chaste, young girl, and Miss G. G. as the crook's girl, were excellent. The play was well acted.

The picture at Shea's Hippodrome this week is very reasonable, as it tells the story of adventures in the Arctic regions. "The Valley of Doubt" is a story of romance and doubt. "Lovers of the Dunes" is a play that is not so much as it is advertised. The picture, and especially the acting of Arline Pretty, one of the most dainty stars of the pictures of the week.

MEMBERSHIP OF BOY SCOUTS GROWS

Toronto Has Now Fifty-Three Registered Troops—Plans for Future.

Despite the defection of a number of troops during the past summer, the membership of the Boy Scouts Association in Toronto has increased over 25 per cent. during the past year. "In fact," said John G. Kent, president of the Toronto Boy Scouts Association, at the meeting of the provincial executive committee last evening, "a very considerable number of those who left us have come back and the boys in a number of other units are only too anxious that their troops return to the association." The figures for the city showed a total of 53 registered troops, with a membership of 1,100 members, nearly doubled its strength during the year and many other places have had a similar experience.

Yesterday's meeting, which was called to deal with plans for the coming year, had submitted to it a budget which makes provision for greatly increased service to the Boy Scout constituency. It was passed on to the finance committee for report. Other matters dealt with included the confirmation of the appointment of Frank C. Irwin as assistant provincial commissioner, resolutions constituting and regularizing the work of the Toronto Boy Scouts Association and the acceptance of an offer of the Canada Cycle and Motor Company to provide a suitable prize to the boy scout in every provincial troop who makes the best record in his tests for the cyclist rank.

WILL MARK GRAVES OF CANADIAN SOLDIERS

Six Thousand Last Resting Places of Veterans, in Canada, to be Cared For and Beautified.

Ottawa, Nov. 15.—(Can. Press).—Some six thousand graves, scattered throughout the Dominion will be marked with suitable headstones, beautified and given perpetual care by the imperial war graves commission. The work is being done by the Canadian Expeditionary Force, and of the Royal Air Force, who died in Canada, or on their way to or from the front. Included in the number are a few graves of alien enemies who died during internment, and which must, under the terms of the peace treaty, be looked after.

The rank of a soldier will make absolutely no difference in the location or marking of his grave.

According to figures prepared by Works Commissioner Harris the duplicate water system which was planned some years ago, and held up because of the war, will now cost \$15,000,000 to build. The original estimate was \$6,000,000. The increase of cost of material and labor is 150 per cent. It is unlikely that any action will be taken on the report until 1922.

A deputation from the Western Ontario Municipal Gas Consumers' Association waited on the attorney-general yesterday, complaining that municipalities paying a higher rate for gas receive more favorable consideration. An enquiry was promised.

James Shearer yesterday at Osgoode Hall, on behalf of Gabein Shearer, issued a writ for \$10,000 damages against the city because Gabein Shearer was killed by a horse in the Yonge street fire station on February 7, 1920.

PLANS TO PURCHASE METROPOLITAN LINE

Negotiations Also On to Supply More Power for City, Mayor States.

Mayor Church announced yesterday that something definite pertaining to the negotiations for more power and the purchase of the Metropolitan Railway might be expected very shortly.

A rumor has reached the city hall that Sir Adam Beck and Sir William Mackenzie are practically agreed on the price to be paid for the Mackenzie interests, including the power concerns and the radial lines, but Mayor Church had no confirmation. He knew nothing, he said about a story that the city might buy these concerns from the Mackenzie people instead of the Hydro. Of course, said the mayor if the provincial government refused to sanction the purchase by the Hydro municipalities of these radial and power concerns, it might be good business for the city to buy them itself. It will of course take over the city section of the Metropolitan if the deal goes thru. If negotiations are completed before January 1st, bylaws will probably be submitted to the ratepayers to assume these obligations.

It is understood that Sir William Mackenzie will consult with his bondholders while in England. He sailed on Saturday. There is said to be two proposals, one to pay cash for the whole Mackenzie holdings, and the other to exchange Hydro bonds for the properties.

BECK AS ARBITRATOR. Sir Adam Beck has written to the mayor accepting the role of arbitrator for the city in the negotiations for the purchase of the Toronto Railway system.

Edmonton, N.B., Nov. 15.—Charles L. Cyr, of St. Leonards, former member for Madawaska in the New Brunswick legislature, hotel proprietor and one of the best known business men of the upper St. John Valley, was instantly killed while riding on a trolley on the C.N.R., near his hunting camp in Victoria county. He was run down at a sudden curve by a freight train.
