ART. III.—The Board shall print and publish the General Report of the Society annually, together with the names of those who have paid One Dollar and upwards.

ART. IV.—Whenever the Board shall determine to establish Missions beyond the bounds of an Annual Conference, it shall pay the expenses of such Mission or Missions, provided the appropriations already made to the Annual Conferences shall not be interfered with.

VII.—It shall be the duty of each Annual Conference to form, within its bounds, a Conference Missionary Society, which shall appoint its own officers, fix the term of membership, and otherwise regulate its own administration; but it shall pay all its funds to the Treasurer of the Society, excepting the Niagara Conference, which may retain eighteen per cent. of its actual income to pay its existing Debentures, and as soon as they shall have been fully paid, that Conference shall likewise pay all its funds to the Society.

* NOTE.—By the act of incorporation, the members of the Board of Trustees were added.

ANNUAL REPORT.

In presenting the Annual Report to the patrons and friends of the Missionary Society of the Methodist Episcopal Church in Canada, the Secretary begs to acknowledge with devout gratitude the indebtedness of the Society of all the laborers in its fields, and of all contributors to its funds, to the Father of Lights, the Lord our God, who is unto us the Author of every good and perfect gift, and the source of unceasing comfort and blessing. He it is that hath set before us the open door for the proclamation of His word; that hath put into our hands the means we have been enabled to devote to His glory, whereby we have of His own rendered gifts unto the Lord, and been more and more refreshed of His mercy, and enriched of His grace; and that hath raised up and qualified men to spread the knowledge of His truth, filling their hearts with a desire to lead the people to Christ, and sustaining them in their work. So that, whatever may have been accomplished, we shall ascribe all glory to God. And we shall account it our highest honor that we are permitted to be of the humblest of the laborers in the vineyard of the Lord.

The returns from the mission fields will show with what degree of success the missionaries have labored. In some places there have been enlargement, gracious revival and substantial progress. Existing societies have been increased, new societies formed, missionary operations extended, churches built and circuits strengthened into the manhood of self-support. Such results must satisfy our dear friends that their gifts to the cause of God are not bestowed in vain. We may regret indeed that more has not

been accomplished. But surely what has been done is fully equal to our liberality and to our fidelity; yea, far more than we had any right to expect from any expenditure or labor or sacrifice of ours. Our sowings may have been sparing, so sparing indeed that the Lord of the harvest might justly have withheld the rain. But God hath in mercy given the rich increase and sent the promised blessing down.

And now another year is upon us. Every year brings its own opportunities, its own obligations, demands, and rewards. Every year has its own ploughings and sowings and reapings, and he who soweth sparingly shall reap also sparingly; and he who soweth bountifully shall reap also bountifully. The spiritual law is decisive as the natural, yea, a man upon this ground may have much less fear of poor harvests. God loves the cheerful giver, and will never let pious bounty be wasted or fruitless any more than He will suffer faithful prayer to be unanswered and unavailing. The demands of the Church are the Christian man's opportunity to be enriched with grace and honor God, just as the necessities of the family are the obedient son's chance to honor the father and rejoice in the love of mother and sisters; and just as the perils and exigencies of the state are the loyal subject's chance to prove his devotion to the king and strengthen the commonwealth. The true Christian heart must, therefore, rejoice that God leads forth His Church into larger fields, and lays heavier obligations on His people; for the Great God, our Heavenly Father, acteth not toward us after the manner of men, laying on heavy burdens and not touching them with one of his fingers; but He maketh the yoke easy and the burden light; yea, he beareth us and our burden. If we cast our burden on the Lord he sustaineth us. Yet why should we speak of it as a burden, when it should be the outflowing of gratitude, the proof of love. The obligations that are upon the Church, as a whole, to discharge, but furnish to each member the opportunity to be a participant in a work that he could not otherwise touch, and to secure a glorious reward of which otherwise he could not have the least expectation. God's demands upon us are exceeding great and precious privileges, afforded by His love, that we may be-

come more like Himself, and be made His vessels, pure and free, to convey mercy and grace to others. Every man according as he purposeth in his heart so let him give, not grudgingly or of necessity, for God loveth a cheerful giver. And God is able to make all grace abound towards you, that ye always, having all sufficiency in all things, may abound to every good work. As it is written: He hath dispersed abroad, he hath given to the poor, his righteousness remaineth forever. Now, He that ministereth seed to the sower, both minister bread for your food and multiply your seed sown, and increase the fruits of your righteousness; being enriched in everything to all bountifulness, which causeth through us thanksgiving to God.

Especially does our work in Manitoba lay it upon us all that we sustain more liberally than ever heretofore the Missionary departments of our Church's enterprises. The time had come when that work must have been undertaken in the fear and love of God, or declined, at great risk and loss of spiritual power. We must venture on God, have something on our hands for His glory and worthy of His name, if we desire to grow in grace and faith; and so far the fruits of the labor have justified the attempt. Some money has been sent out, truly, but the brethren there have thereby secured property greater in value than all the money expended, and increasing in value as the country improves. If men looked upon Church investments as their own they would be readily satisfied with this state of our affairs there, and hasten to invest more largely for Christ. Now is the time to secure property in that opening province, and one dollar invested judiciously for God will be worth many dollars in a few years. Also several societies have been formed there, and the brethren and friends in that new country have displayed a commendable liberality in helping themselves. If the Missionary Board is but enabled by the liberality of the people here to supplement the efforts of the brethren there, before a generation shall have gone it is quite possible that the religion of our dear Saviour, under the beloved form of our Episcopal Methodism, shall have one of its grandest fields and some of its noblest trophies, monuments and agencies in the

rapidly settling west. Our own friends are going thither, brothers, sons, daughters, a population fast spreading out over those new lands, and settling in the starting cities of the vast prairie land, and we but do a work of affection for kindred as well as gratitude to God when we keep our preachers and institutions abreast with their movements in this vast procession of civilization and peaceful Christian conquest. We then but act according to the genius of Methodism and emulate the spirit and example of the Fathers.

The average of a dollar per member from the M. E. Church in Canada would enable the Society to meet all the obligations of the year, and urge the work, with God's blessing, successfully onward. But it must be borne in mind this never can be raised by expecting that a dollar is to come from each member of the Church. Some families in the connexion, were this exacted, would be unduly burdened; but we have members and friends that are able to contribute ten and twenty, and even more, dollars per year--and God help them, they ought to do it, their souls would be blessed in the act. It will be advisable for the preacher in charge of a Circuit to make assessments for his appointments and then entreat the friends as a whole, and the Circuit as a whole, to come up to that measure. Let the rich bear the burdens of the poor, let the liberal bear the burdens of the illiberal and thereby be the more blessed. Let preachers and people unite in this great work of missionary contribution, and the whole Church will be blessed of God, our missions will be sustained, our work advanced, and the Master honored. Let the work begin early, and be prosecuted zealously by every one upon whom any measure of responsibility rests.

REPORTS FROM MISSIONS.

GLENCOE.

This field of labor has five appointments. Our congregations are small at all the appointments except in the village of Glencoe, where it is very large. This is certainly a fine appointment. It has a membership of about eighty. As a denomination we stand high in the village of Glencoe. In Newbury we labor under a great disadvantage—the want of a church; our people at this appointment are poor, hence the difficulty in building a church. During the past year we have had a revival, and there have been forty or upwards added to the Church. As a circuit it is prospering, and is destined to take a high position in our work if properly managed.

D. M. KENNEDY.

GODERICH MISSION.

Our cause in this town demands a new church edifice; but the church is financially weak and unable to move in the matter, unless they can be assured of the sympathy and hearty co-operation of the adjoining circuits. The subject has been agitated by your missionary, but, owing to the financial depression of the country, no decisive step has been taken. The mission has lost by removals 10, but 15 have united on probation, so that we report a net increase of 3. Total membership 43. We thank God and take courage.

W. PIERCE.

ESSEX CENTRE MISSION.

This is a very promising field of labor. During the past year we erected a new church at Woodslee, at a cost of \$1,600; and built a vestry to our church at Essex Centre, at a cost of about \$300. We have six appointments, and three Sabbath Schools, and a membership of 185. God has very graciously blessed our labors at the Allen and Woodslee appointments; about 50 were added to the church during the year.

E. ADAMS.

SYDENHAM MISSION.

Under the blessing of God this Mission is advancing, numerically, financially, and spiritually. We have six appointments, two churches, seventy-one members, and twenty-six probationers. If carefully attended to, under the blessing of God it may soon become self-sustaining.

A. J. PARKER.

 RONDEAU MISSION.

This Mission is situated in the county of Kent, embracing parts of the townships of Harwich and Raleigh. This Mission has passed through many difficulties, and is yet somewhat encumbered with debt; but during the year that is now closing we have been favored with some prosperity. Souls have been converted and added to the Church, and we are able to report a respectable increase. Last year there were forty members returned; this year, sixty. There are five appointments, two churches, and a parsonage. We have peace in all our borders, for which we thank God.

2. The Board of Managers shall consist of a President, two Vice-Presidents, Treasurer, Secretary, and an associate Committee of four, all subject to annual election at the Conference Missionary Meeting to be approved by the Conference.

3. The Treasurer shall disburse all money belonging to the Society, by the order of the Annual Conference, and in agreement with the Discipline.

4. The Officers of this Society shall perform the duties assigned such offices in the constitution of the Missionary Society.

5. Members of the Missionary Society within the bounds of this Conference shall be members of this Auxiliary.

6. This Constitution may be amended at the Annual Meeting by request of the Board.

REPORTS FROM MISSIONS.

CREEMORE MISSION

is slowly and surely moving forward, under God's blessing. It is a wide and promising field, requiring much labor from a strong man. It embraces parts of three townships—namely, Nottawasaga, Sunnidale, and Mulmur. We report this year 131 members, many of them amongst the excellent of the earth. We have three comfortable churches, and some means in hand toward the erection of another. In reviewing our three years' labor on Creemore Mission, we feel like thanking God and taking courage. May love, joy, and peace—like flowers—grow abundantly on Creemore mission-field. Amen and amen.

ROBERT CARSON.

KINMOUNT MISSION.

This Mission has been known heretofore as the Minden Mission. During the past year your missionary has prosecuted the work to the best of his ability, and gratefully acknowledges God's goodness in the success that has attended his feeble efforts. A new frame church has been erected in the village of Coboconk, 26 x 36, at a cost of \$500. There is an advance in all the Conference claims, though they do not come up to the assessments. Special services have been held at Otto's appointment, at which many sought and found the Saviour; and the Society, which for a long time was spiritually dead, is now manifesting signs of life and vigor. We have received a sprinkling of heavenly grace; we are looking for the shower. Lord send it speedily.

JOSEPH D. WILKS.

PALMERSTON

was last year separated from Listowel. We have had some success. One new church and a good parsonage have been erected. Membership, seventy-five, and a full quarterly board. We have suffered somewhat from the general depression of trade, and more from last summer's frosts; yet we have reason to take courage, and press forward in the work to which God hath appointed us.

W. M. POMEROY.

HANOVER MISSION

is situated on the boundary between the townships of Brant and Bentinck ; has four appointments, all in good health ; the two weak and prospectively weaker ones of last year having, under the healing power of the Holy Spirit, become convalescent. We have also four M. E. Sunday-schools, promising long life if well used. We are thankful to the good Lord for a noble band of workers and plenty of work. There are on the Mission four chapels and a parsonage, with property worth \$1950 ; and four efficient local preachers in harmony for the work of God. The Lord has given us prosperity. Three new sheds were erected during the year, so that at every appointment there is a good shed for the protection and comfort of horses. Thirty-seven were added to the Church, and some spiritual advancement in the older members is apparent. There is now a membership of one hundred and fifty. All the Conference claims are met, and the missionary himself not forgotten. Though the German element in our midst is strong, there are yet very many English-speaking sinners hungry and dying for the bread of life ; and the work of the Methodist Episcopal Church will not be completed here for many years to come. May the Lord of Hosts lead on to victory. Hallelujah ! Amen.

A. COOPER.

THORNBURY MISSION

has five appointments, a full board of stewards, and a membership of one hundred and twenty-two. The prosperity during the year has not been all that could be desired ; still the Lord has favored us, and we are encouraged. It is the opinion of your Missionary that, owing to the ability of our people here, and the spirit manifested by some of them, the time is not far distant when the work will be self-sustaining.

J. W. SANDERSON.

UXBRIDGE MISSION

has three appointments and a membership of seventy-five. There is a church at each appointment ; but the congregations are not very large, and the church in the village being in an unfavorable part, it will be some time before it will become self-sustaining.

Bay Quinte Conference Auxiliary Missionary Society.

BOARD OF MANAGERS.

PRESIDENT—REV. T. W. PICKETT.

1ST VICE-PRESIDENT—REV. N. H. HOWARD.

2ND VICE-PRESIDENT—REV. A. D. TRAVELLER.

SECRETARY—REV. E. S. HOWARD.

TREASURER—REV. S. G. STONE, D.D.

COMMITTEE—REVS. F. B. STRATTON, J. E. MA VETY, D. WILSON,
W. SERVICE, AND J. H. ANDREWS.

The following are the only Missions that reported in writing to the Secretary :—

RICEVILLE

has five appointments—two in South, and one in North Plantagenet ; one in Clarence, and one in Caledonia. Fifteen have been received into the Church. The congregations are good, and the interest seems to be increasing. But still there remains much to be done. For missions we have raised sixty-four dollars, and the College claim has been fully met ; but some of the other funds are a little deficient. The pastor's salary is behind one hundred dollars. This is owing partly to the hard times and partly to the very poor financial system. But we trust that this will be taken hold of by the finance committee, and carried out on business principles. With increasing toil, proper cultivation, and God's blessing, this mission will in time be self-sustaining. May God hasten the time.

DAVID G. BRUCE.

NEWINGTON.

During the past year this Mission has enjoyed a measure of prosperity both material and spiritual, for which we give thanks to Almighty God. The means employed for the extension of the Messiah's kingdom have been blessed in the conversion of souls and the establishment of the work of God on this field. We have three churches, and one in course of erection ; three Sabbath-schools, and one hundred and sixteen members and probationers. All the Conference claims are fully met, and fifty one dollars raised for missions. For this mission we have reason to hope for a brighter future.

JAS. FAULL.

PRESCOTT.

This work is in a flourishing condition. A new church has been completed, worth \$15,000, and sixty conversions have taken place.

W. G. HUDGINS.

EASTON'S CORNERS.

This mission embraces parts of the townships of Wolford, Montague, and Oxford. We are building two churches—one at the village of Jasper, the other at Newmanville, in the township of Oxford. We have had an increase in the membership of seventy-one since last Conference, and have organised one Sabbath-school. The work has been extended, so that two men will be required next year. Much interest has been added to this work.

E. WOODCOCK.

TAMWORTH.

This field comprises portions of Sheffield and Hungerford. We have six appointments, at two of which—namely, Tamworth and Marlbank—we preach every Sabbath. In each village we have a pleasant church, and in the former a comfortable parsonage. These were erected and the debts incurred upon them just before the failure of the lumbering interest, on which this whole region of country was to a great extent dependent. This added to the extreme drouth of the past two years, and consequent failure of crops, has prevented this charge assuming the position which, under more favorable circumstances, it will undoubtedly attain to—that of a first-class circuit. There are noble souls who love the Church and her institutions, and strive to sustain them; and under God they will succeed.

J. A. ROGERS.

DENBIGH.

This Mission comprises parts of the townships of Denbigh, Abinger, Miller, and Clarendon, and may be enlarged. The Macedonian cry is heard from Mattowatchin and Griffith, "Come over and help us." Besides the frame church, there is a good frame parsonage and horse barn, so that the missionary and family are comfortable, and may feel quite at home. The year has been a hard one—failure of crops and scarcity of money; yet we raised \$10 for Manitoba and \$36.57 for home missions. The board of stewards is full, and we have some noble hearted men and women.
