THE TUXIS BOYS IN CONVENTION

Nearly 100 Delegates Present and a Fine Interest Shown in Boys Welfare Work

Friday to Monday the Town was alive with a bunch of good-looking, alert young lads, and their activities and welfare elicited the sympathetic interest of the whole community. It was a convention of the "Taxis Boys," and organization of young men of 15 to 20 under the Canadian Standard Efficiency Test, of which good work readers are more or less less than they should be families.

The following is the official report of the convention, furnished

was led by Dr. Robertson which was very interesting. A interesting and instructive talk entitled "Find Yourself" was given by Mr. Gregg. Gordon Noble and Clayton Britton were elected delegates to St. John.

At the Saturday afternoon session all members responded to the roll-call of Squares and a service of worship was directed by Dr. Robertson, while Rev. G. F. Dawson delivered a lecture on "A Boy's Responsibility to His Community." After the session of the Squares the boys adjourned to the Town Playground where rollicking sports were enjoyed. At 6 o'clock the young ladies of the town served a fine supper in the K. of P. hall. This was the Community Conclave and the boys worked the various stunts assign-

THE LATE REV. CHARLES H. ORSER

The Observer by the boys themselves.

The Conference opened Friday evening with a leader's supper at the Billings Hotel. In addition to the visiting leaders there were many interested local men in attendance and Rev. Dr. J. C. Robertson, General Secretary Young Peoples Society, Presbyterian church, addressed the assembly on the "Aims and Organization" of the conference.

At 8 o'clock a meeting opened in the United Baptist church and Clayton Britton of Grand Falls was elected Grand Preceptor, Gordon Noble Deputy Grand Preceptor, and Emory Kilpatrick of Florenceville Grand Scribe. An address on "The Taxis Boy in the New Era" was the topic of Dr. Robertson and he stated it was up to the Taxis Boys to conserve their powers to fit themselves to take the place in the years to come of the men who had lost their lives and were disabled for life in the Great War. After this address came the organization of Squares, as follows: Alerts, led by Dr. Robertson; Crusaders, led by Rev. J. G. F. Dawson; Champions, led by Clyde Rideout; Clippers, led by S. A. McDonald.

Saturday morning there was the first roll-call of Squares and there was shown the following result:

	Enrolled	Present
Alerts	11	9
Crusaders	13	12
Clippers	7	6
Champions	13	13

A service of worship was led by Rev. E. A. Triton, after which there was a discussion on "Organizing of Squares and Conclaves" led by A. M. Gregg. A competition of the squares was announced for the winning of honors. Each square was to nominate three members from which two were to be sent to the Boys' Parliament at St. John. After a half hour spent in Squares a discussion on "Sunday Session"

ed to each Square, there was a ping-pong and later the Vocational Survey. The winning Square was the Alerts.

On Sunday there were services in all the churches, conducted by the visiting clergymen. At four o'clock there was a mass meeting for men and boys in the United Baptist church on the subject "A Great Challenge", led by A. M. Gregg. At the same hour at the Methodist church Dr. Robertson addressed a mass meeting for women and girls.

After the usual services of the churches all met at the United Baptist church at 8 o'clock and the closing exercises of this most successful boys' conference were conducted by the Grand Preceptor, Clayton Britton.

The Taxis Boys have asked The Observer to convey to the people of Hartland their appreciation and thanks for the efforts made to make the boys' stay here pleasant — efforts which were very successful.

CALDWELL ELECTED

The election on Monday passed off quietly. All day long there was a steady rain of votes, by far the most of them being for T. W. Caldwell. Accurate figures are not yet available, but it is certain that Caldwell majority will exceed 3,500. Col. Melville had a majority in Woodstock, Andover, Perth and Florenceville. Mr. Caldwell carried a huge majority everywhere else.

G.W.V.A. Memorial Service

It is the wish of the war veterans that every one who has lost a loved one in the Great War will be present and also that every returned soldier will attend in uniform, whether he has joined the G.W.V.A. or has not. Next regular meeting Nov. 6. R. G. Bates, sec.

The house was prettily decorated with potted plants and cut flowers and the wedding march was played by Mrs. Myron V. Stokes, sister of the bride. NOTHING TO EQUAL BABY'S OWN TABLETS

Mrs. Alfred Naud, Natagan River, Que., writes: "I do not think there is any other medicine to equal Baby's Own Tablets for little ones. I have used them for my baby and would use nothing else." What Mrs. Naud says thousands of other mothers say. They have found by trial that the Tablets always do just what is claimed for them. HE FEELS FINE IN THE MORNINGS NOW

Cameron Eats Better, Sleeps Better and Works Better After Taking Tanlac

"Yes, sir, I can recommend Tanlac for it set me right several months ago and I have been in the pink of health ever since," D. Cameron, who made this statement while discussing his experience with a Tanlac representative, recently, living at 621 Cambria St., Vancouver, and is fireman at the Northern Construction Company's Shipyard. Mr. Cameron has made Vancouver his home for the past thirty years and is known to hundreds of people throughout the city.

"It has been more than a year now," explained Mr. Cameron, "that I lost my appetite and my stomach began bothering me. For eight months, that is from the time my trouble first began until I got relief by taking Tanlac, I suffered more than words can tell. My stomach was so upset that at times I could not even bear the sight of food. Many a time I have had to get up and leave the table without eating

anything on account of being nauseated. What little I would manage to eat at any time would sour and blast me up so with gas that I would have to unbutton my vest and let my belt out in order to get a good breath. And sometimes this gas would cause my heart to palpitate so hard and fast that I could almost hear it and I would get so dizzy that I would have to grab hold of something to keep from falling and hurting myself. I also had pains under my heart that almost cut off my breath and was so nervous that the least noise would startle me. I could not get a good night's sleep and would get up in the mornings so tired and worn out that I felt absolutely unfit for work.

"But my lucky day came around at last, when some of the boys down at the shipyard, got to telling me how Tanlac had helped them and persuaded me to try it. So I did and the results have been nothing less than remarkable. After using three bottles and that was some ago, I was feeling as strong and well as I ever did and am still feeling that way. I picked up eight pounds while taking it and am still holding on to that increase.

My appetite is so big that meal-times comes to slow for me and I don't believe anyone in Vancouver has a better stomach than I have. I am never troubled any more with gas, palpitation of the heart or shortness of breath and I never have a pain or a dizzy spell. And sleep, why I never made a single time during the night and I always get up in the mornings feeling fine and I don't have that tired, do account feeling any more. Tanlac has done me a world of good and I am ready at any time to recommend it."

Tanlac is sold in Hartland by Estey & Curtis Co., in Bristol by Dr. G. W. Somerville, in Centreville by Stevens Bros., in Woodstock by E. W. Mair, in Benton by W. E. Porter, in River do Chute by Daniel B. Baird, and in Florenceville by A. B. Leveley, and in Bath by Bath Drug Co.

A First Word To All New Brunswickers

HAVE YOU THOUGHT how greatly the future comfort, happiness and prosperity of every New Brunswick man, woman and child depends on the 1919 Victory Loan? Have you thought how greatly your own business interests, the business interests of those with whom you trade and those who trade with you are depending on that Loan? You know that our prosperity depends upon our ability to send abroad the products of our farms, our fisheries, our forests, our factories and our mines. You know that war has made it impossible for our European customers to pay in cash. They must have credit or they will buy elsewhere. Under present conditions only the government can provide the credits, and the government can do it only if Canadian people lend the money.

HAVE YOU THOUGHT what our failure to lend means? It means that our farmers lose their markets and the prices of grains, fruits, and other agricultural products drop. It means our fishermen will be cut off from their foreign markets and deprived of the opportunity to sell their catch. It means that our lumbermen would cease to operate, because their export trade was killed. It means our coal mines would curtail output and reduce their pay rolls. It means that skilled and unskilled labor would find it more difficult to get employment. It means that a slackening of effort injurious to the country, every shopkeeper, every trader, every worker.

THIS IS NO EXAGGERATION. It is exactly what would happen and it is the reason why the welfare of every New Brunswick family, every New Brunswick citizen is bound up in the success of this year's loan. Self interest calls for aid to the utmost limit of our ability in keeping the machinery of prosperity humming. The factory chimneys must be kept smoking. The ocean and lake ports must continue to bustle with activity that the products of Canadian farms and factories may go to foreign lands.

SELF INTEREST should inspire the enthusiasm and hard work which means success.

CONFIDENTLY we looked for the support of the New Brunswick people, but thorough organization of the essential of success and thorough organization is possible only through every good citizen taking his full share of the work.

PUBLIC SPIRITED men in every county of the province are now at work perfecting their county organization. Place yourself at their service, help them in their efforts and make New Brunswick's last war effort the greatest of New Brunswick's war successes.

Chairman Provincial Executive, 1919 Victory Loan.

The prizes, and there are four for each county in the province, two of \$10 in War Savings stamps, and two of \$5 in War Savings stamps, in addition to a grand prize of \$25, are open to competition. One set of competitions will be the children from Grade I to VIII, and the other children from Grades IX to XI. The essays, which must be finished to reach St. John by the 14th of November, are to be of not more than five hundred words, written on one side of the paper only, in the handwriting of the student, with statement of the pupil's name, age, grade, post office address, and location of school, and is to bear a certificate signed by the teacher that the writer is a school pupil as represented.

The Central Committee, St. John, is sending to each school in the province a supply of three illustrated booklets containing valuable information about the loan. There is a sufficient supply of these to give each scholar two, and so create a home interest in the loan. The central committee is also selecting essay judges. All essays in this competition must be mailed to Miss Helen Sydney Smith, 147 Prince William street, so as to reach her by November 14.

HARTLAND, N. B., OCT. 30, 1919

CANADA'S FUTURE DEPENDS ON LOAN

Steady Employment and Prosperity Hangs on Victory Loan.

Canada's future prosperity depends to a great extent upon the success of the Victory Loan. No country can exist upon trade within its own boundaries. Canada counts on the trade with Great Britain and other allied countries to keep the flood of good times in the country.

The surplus products of the farm and the factory find their way across the seas. The revenue of the farmer and the manufacturer is dependent on this trade relationship being sustained. The employment of many hands depends on the orders that come to the firm. The pay envelope only comes with steady employment.

Great Britain and overseas countries are still desirous of continuing trade relations, but, overwhelmed with war expenses, they must be given credits for the time being. The farmer and the manufacturer must be paid for their products and manufactured articles in cash. Therefore, Canada must finance the proposition to keep the tide of commerce coming to her.

But in order to have the money on hand to do this great thing, Canada must borrow from her people.

The Victory Loan offers bonds to subscribers paying 5 1/2 per cent. interest. The guarantee behind the bonds makes them an absolutely safe investment. Victory Bonds are accepted as collateral at any bank, and can easily be turned into money at a profit. It is then to the interests of every Canadian to subscribe for all the Victory Bonds he can, for it is profitable, it is patriotic, and it is necessary for the continued prosperity of the country.

Credits Must Be Established for Sale of Surplus Products.

Success of Victory Loan 1919 Will Insure Steady Markets for Farmers.

It takes some six bushels of wheat to feed the average person in Canada annually. Roughly, therefore, the eight million people here consume about 50,000,000 bushels each year. But even in a poor year the crop is some five times that amount, and the surplus must be sold if the farmers are to get a return for their time and labor. But the sale of the crop must be financed. Great Britain, which provides our greatest market, has not the ready cash; and so Canada must find means of raising the money. Hence the Victory Loan 1919. In view of the fact that the prosperity of the Dominion is dependent to a considerable extent upon the sale of her surplus grain the necessity of the money being forthcoming is patent.

CANADA NEEDS MONEY

War Expenditures Still to Be Met From Proceeds of Victory Loan.

The war is over and won; but Canada's main expenditures for war will not be complete until well on into 1920. The \$110,000,000 raised last year has all been spent, \$400,000,000 having been largely devoted to soldiers—to maintaining them, bringing them home, providing the necessary medical services, training them. Most of the balance of the loan was lent to Great Britain to enable her to buy our surplus products. And money is still necessary—for our surplus products, for the needs of reconstruction. And that is why another Victory Loan is necessary. Canada still needs money, and needs it badly.

A Good Investment.

Speculation is one thing. Investment is another. The majority of citizens want an investment, not a speculation. And they want a safe investment. Victory Bonds fill that requirement as does no other investment. Because behind every bond there is the national wealth of Canada—a wealth so great that it staggers the imagination.

Canadian Bank Clearings.

That Canada is well able to support the Victory Loan is clearly shown by the Canadian bank clearings for the current year. They indicate that the year's total will exceed \$15,000,000,000 compared with \$13,776,000,000 in 1918. And the year's total clearings should be three times those of 1909.

Must Subscribe More.

Dividing the people of Canada into three classes—the comparatively poor, the moderately wealthy, and the very wealthy—it would seem that if contributions to the Victory Loans constitute service to the nation, the moderately wealthy class is hardly doing its share. Of the money subscribed to the Victory Loan 1918, two hundred and seventy-one million dollars were in bonds of \$5,000 and under, ninety-four millions in bonds of between \$5,000 and \$25,000, and three hundred and one millions in bonds of \$25,000 and over.

Be true to yourself. Buy Victory Bonds.

You did it before. You can do it again. Buy Victory Bonds.

Your dollar may be the last straw that sweeps the Victory Loan over the top. Would you take the chance of making it a failure?

Lend your money that your pay envelope may be always filled, as will follow the success of the Victory Loan.

Victory Bonds are the fodder that keeps the machinery of Canada's industrial world running at full speed.

ROYAL YEAST CAKES

Royal Yeast has been the standard yeast in Canada for over 50 years, and it is a well known fact that bread made with Royal Yeast possesses a greater amount of nourishment than that made with any other.

Canada pledged her last man and her last dollar. Redeem that pledge in Victory Bonds.

If the fighting were still raging, you wouldn't hesitate to buy Victory Bonds.

To make the Victory Loan a success is a national obligation. It may be that you are the deciding factor.

SCRAPS OF HUMOR

LIKED THE IDEA.
"That intoxicated man in the rear of the house seems to be enjoying the play."
"Yes, but I don't believe he is as drunk as he appears to be."
"No?"
"A moment ago when the fearful heroine exclaimed: 'Would that I were dead!' he applauded with all his might!"

A Handicap.
"The French don't take kindly to baseball. They say it's too rough."
"I'm not surprised. In fact, I don't think the French could ever make much progress in the game."
"Why not?"
"The best baseball players begin practicing early in life. There's a shortage of vacant lots in France."

The Presumptuous Playwright.
"But the piece was a success," protested the playwright.
"Undoubtedly," replied the haughty prima donna.
"Yet you act as if I deserve no credit at all."
"Nature gave me my figure, sir, and you had no hand in designing my costume."

LOOK!

If you were told of a new discovery for the treatment of coughs, colds and bronchitis, as certain in its action on all chest troubles as anti-toxin is on diphtheria, or vaccination on small-pox, wouldn't you feel like giving it a trial?

Peps is the discovery! Peps are little tablets, containing certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapour, and are at once breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and soothe the lungs and air passages. In a word, while no liquid or solid can get to the lungs and air passages, these Peps fumigate and soothe direct, and at once commence their work of healing.

FREE TRIAL Out out this article, write across it the name and date of this paper, and mail it (with 1c stamp to pay return postage) to Peps Co., Toronto. A free trial packet will then be sent you. All druggists and stores sell Peps, 50c. box.

Middle Aged Women

Are Here Told the Best Remedy for Their Troubles.

Freemont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—headaches, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which I have proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. Gerner, 222 Napoleon St., Freemont, Ohio.

North Haven, Conn.—"Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms."—Mrs. Florence Lewis, Box 197, North Haven, Conn.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

has the greatest record for the greatest good.

Duncan-Howlett

An interesting wedding was solemnized on Wednesday afternoon Oct. 15th at the home of Coun. James W. Howlett and Mrs. Howlett when their oldest daughter Vivian Roberts Howlett was united in marriage to Beecher Henry Duncan of Presque Isle in the presence of about 200 guests. The ceremony was performed by Rev. C. Flemming. The bride was charmingly gowned in white duchess satin and georgette embroidered with crystal beads and wore a bridal veil and carried a bouquet of white roses and maidenhair fern and was given in marriage by her father. Miss Opha Duncan of Fort Fairfield, cousin of the groom, acted as bridesmaid attired in a beautiful gown of pink satin with georgette and silver trimmings and carried a bouquet of pink carnations.

The groom was supported by the bride's brother James, a returned soldier. Lohengrin's Bridal Chorus was beautifully rendered by the bride's sister Miss Alexandra. David Lamoreau, Percy Bishop and Hallie Howlett were ushers while Miss Margaret Baird and Anna Howlett attended the door. After the service and congratulations a bounteous luncheon was served in which the young friends of the bride volunteered their assistance. The bride, who was a popular young lady, is a graduate of the F.N.S. and gave two years of good service in her own community before taking up her abode in U.S.A. The groom is one of Arrostook counties' finest young men, owns a splendid farm and cosy home a short distance from Presque Isle. Many beautiful gifts attested to the esteem in which the young people are held, among which were some beautiful pieces of

cut glass and silver, also several cheques.

The day was unusually warm, the blue sky and mild October Sunshine most inviting. At the last moment the bride's party was urged to come outside and stand on the piazza while the guests took up their places on terrace. Some of the pretty arrangements which were planned for the service in the drawingroom could not be carried out. Several amateur photographers were busy with their cameras during and after the service.

The guests represented Presque Isle, Fort Fairfield, Mars Hill, Perth, Florenceville, Centreville, Arrostook Junction and Andover. The happy couple left by automobile and will visit some of the principal places of the State of Maine. They are followed by the hearty good wishes of their many friends.

Victory Loan 1919 Is Bridge Between War and Peace.

Agricultural and Industrial Prosperity of Canada Depends on Success of the Loan.

Why is it necessary to have another Victory Loan? Have you heard this query? Or have you asked it? The Victory Loan of this year stands out as the bridge between war and peace. The war is over. Our boys are back. The reconstruction period is dawning and we at home must win that.

Much of the money that Canada is asking for will be needed to clean up the war debt. The expenses of demobilization are heavy, and there is still much of it unpaid. Now that our men are back, let it not be said that we repudiated the debt for bringing them back.

The sick and wounded soldiers still in hospitals are expecting that Canada will care for them and their dependents until they have been returned to health and strength. The hospital services must be maintained at full strength as long as there are returned men needing attention.

Many men through disability are unable to return to their pre-war occupations. The Department of Soldiers' Civil Re-establishment is doing a fine work in training returned soldiers in trades and professions that they can earn a living at, and is following up the training and seeing that they obtain remunerative employment. The maintaining of this branch of reconstructive service calls for much funds, and the Victory Loan will be used to pay for it as well as the other purposes.

Under the Soldiers' Land Settlement Act, enough money is lent to returned soldiers to enable them to buy and stock a farm. This money will be repaid at a low rate of interest. The soldier is thus given a chance to re-instate himself in civil life, and production is given a boost. Of the total amount of the forty coming loan, \$24,000,000 has been apportioned to finance these soldier-farmers.

Pensions to the disabled and dependent of our glorious dead, as well as the authorized gratuities, will be other items on the expense sheet. These are some of the obligations owing to the returned soldier who is now in health.

The maintaining of Canada's prosperity is an important reason why the Victory Loan should be a smashing success. The money is needed to finance the credits to overseas countries so that they may continue their trade relations with us. If Canada cannot give these credits other countries will, and then Canada will lose all that great overseas trade that has been the mainstay of our agricultural and industrial life for so long.

As an investment Victory Bonds are eminent. Paying 5 1/2 per cent, selling above par on the open market, and guaranteed by the Dominion, what further reason can you have for hesitating? The Victory Loan 1919 ought to be oversubscribed, and all right-thinking citizens will do their utmost to see that such a result is obtained.

TO CARE FOR WOUNDED

Money From Victory Loan Will Be Used to Re-establish Soldiers.

Our soldiers in France faced perils other than those of shell and gas and machine-gun fire. There was the peril of tuberculosis. Up to August last, 3,000 soldiers suffering from this disease had been returned to Canada. These were placed in sanatoriums under the direction of the Department of Soldiers' Civil Re-establishment, and they are one of the departments of that branch that must be maintained, and come under the head of capital war outlay.

All of these men and some 20,000 others, disabled or ill, will be looked after with money raised through the Victory Loan 1919. It is the sacred duty of Canadians that the money is forthcoming.

Only Tablets with "Bayer Cross" are Genuine Aspirin

If you don't see the "Bayer Cross" on the tablets, you are not getting Aspirin—only an acid imitation. Genuine "Bayer Tablets of Aspirin" are now made in Canada by a Canadian Company. No German interest whatsoever, all rights being purchased from the United States Government.

During the war, acid imitations were sold as Aspirin in pill boxes and various other containers. The "Bayer Cross" is your only way of knowing that you are getting genuine Aspirin, proved safe by millions for Headache, Neuralgia, Cold, Rheumatism, Lumbago, Neuritis, and for Pain generally.

Hardly tin boxes of 12 tablets—also larger sized "Bayer" packages can be had at drug stores.

Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monoclonalacetate of Salicylic Acid.

Mrs. Robert Gray

The death occurred on Oct. 21 of Mrs. Betsey Elizabeth Gray, widow of the late Robert Gray, at the home of her son Willard of Good Corner. She had been ill for a long time and being 77 years of age recovery was impossible and she passed peacefully away. All her sufferings were borne with Christian fortitude, she having given her heart to the Saviour when a young woman.

Before her marriage she was Miss Watters. She is survived by an aged brother, George Watters of Brookville and two sisters, Mrs. Amelia Tompkins and Mrs. Martha Tompkins of Brookville. All her children survive her, there being two sons, Willard of Good Corner and Alpheus of Somerville, and four daughters, Mrs. Albert London of Royalton, Mrs. C. A. London of Bellville, Mrs. Ransford Rourke of Upper Brighton and Mrs. J. A. Tapley of Florenceville. There are 18 grand-children and 33 great-grandchildren. The funeral was held on Thursday afternoon at

COMPLETELY CRIPPLED

Terrific Experience of Mr. J. Harrow

It is seldom that anyone who has been continually exposed to every weather condition does not contract some form of Kidney or Rheumatic trouble. In many cases, cold, cutting winds, the kidneys, so weaken those important organs that they are unable to filter the waste and poison out of the blood. The latter is carried throughout the body, passing into and through the joints, with consequent rheumatism, stiff joints, swollen ankles, lumbago, sciatica, neuralgia, constipation, torturing pains in back and limbs and head. These ailments all be made right. Gin Pills give quick, certain and sure relief. Read what Mr. J. Harrow writes to us—

"I have been crippled so completely that I could not stand. Work was out of the question. A few doses of Gin Pills put me right. I cannot praise Gin Pills too much, and every home should have a box."

Gin Pills can help you. If you suffer from lumbago, or have that dreadful feeling of lassitude, with floating specks before the eyes, highly-colored urine, stoma in the bladder and general debility, get Gin Pills at once. All ailments of the kidneys, etc. Money refunded if you are not relieved. A sample large enough to demonstrate its value, free on request.

"For over three years, I was confined to bed with Rheumatism. I treated with doctors, and tried nearly everything without benefit. Finally, I tried 'Fruit-a-lives'." Before I had used half a box I saw improvement; the pain was easier and the swelling started to go down. I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place."

Ketch-Hopkins

A wedding of much interest took place at 3 o'clock on Wednesday afternoon, Oct. 22, at the home of Mr. and Mrs. William Hopkins at East Florenceville, when their eldest daughter, Edna Fern, was united in marriage to George Howard Ketch, son of Mr. and Mrs. Elias Ketch of Bristol. Some fifty guests, relatives and close friends of the contracting parties, witnessed the ceremony. The bride, who looked very pretty in a dress of grey satin and georgette, carried a large bouquet. She entered the tastefully decorated drawingroom on the arm of her father, to the strains of the wedding march, played by Miss Maude Ketch, sister of the groom. The bride was attended by Miss Julia Ketch, who looked charming in blue satin and georgette. James Ketch supported the groom. The three little flower girls, Mary Tompkins, Bessie Ketch and Jean De, looked sweet in pink silk, with pink silk bonnets trimmed with blue forget-me-nots. The marriage service was performed by Rev. C. O. Howlett, B.A., B.D., pastor of the Baptist church at Bath. After the service supper was served. The bride received many valuable presents such as out glass, silver, linen and several checks. The groom's present to the bride was a gold pendant; to the organist and bridesmaid, each, a gold brooch set with pearls; to the best men a set of cuff links, and to each of the little flower girls a gold signet ring. On the following afternoon, amid showers of confetti, the happy young people left on the northbound express for a short honeymoon. On their return they will reside in Edmundston where the groom is employed by the C.N.R. The out-of-town guests included Mr. and Mrs. S. G. Ketch, James Ketch, Mr. and Mrs. W. F. De and children, Aroostook Junction; Mr. and Mrs. Elias Ketch, Misses Maude and Bessie Ketch, Amos Ketch, Bristol; Mr. and Mrs. Elijah

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleaning at once. When poorly, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul, constipated waste, undigested food and sour little gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a small bottle of Dandruff.

If you care for heavy hair that glitters with beauty and is radiant with life, has an incomparable softness and is fluffy and nutritious, try Dandruff. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots loosen and die; then the hair falls out fast. Surely get a small bottle of Dandruff and wash from any drug store and just try it.

"CASOARET" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Casoarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a cill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental depression. A Casoarets tonight will give your constipated bowels a thorough cleaning and straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep you feeling good for months.

LOCAL AND PERSONAL ITEMS

Our community was shrouded in sadness once more when news came on Wednesday of the passing away of Miss Annabelle West in Washington, D. C. Deceased was the daughter of E. L. West and was born in Centreville 34 years ago, where she spent all her girlhood days. She was a graduate of the Provincial Normal School and subsequent to her course taught several terms in the schools of Carleton county. Following this she entered the Massachusetts General Hospital for training from which institution she graduated in 1911. The next half-dozen years were occupied in the practice of her profession in Boston. On entrance of the U. S. in the Great War she immediately offered her services to the American Red Cross. After the completion of the necessary preliminary training, she went overseas in the spring of 1918 with a Boston unit. After the armistice and the completion of her duties to the Red Cross a call came for volunteers to remain in France for the reconstruction period, to which she readily responded. Early in the present year she suffered an attack of spinal meningitis. A partial recovery made it possible for her to return to America on a hospital ship. The last three months had been spent in a hospital in Washington where in spite of all that the best medical skill and the care of loving hands could accomplish she succumbed to the dread disease on Tuesday. The body was brought to the home of her parents on Thursday and on Saturday a myriad of friends assembled to pay their last respects at the funeral services which was held at 2 p.m. Of a most jovial and unselfish temperament she was universally liked and this appreciation and regret at her early passing was shown by the large funeral cortege. Rev. W. J. Hurlow conducted the services and paid a most eloquent tribute to the departed from the text "She hath done what she could." Rev. E. Johnson, Rev. J. Ross Jones and Rev. J. W. Williams assisted in the services. Interment was made in the family lot in the United Baptist church cemetery. Besides her parents she leaves mourning, one sister, Frances of Boston and one brother, Charles E. of Freque Isle, and a large number of relatives.

The many friends of Oscar Tracey were shocked and grieved to hear of his death at Tracey Mills on Friday. Tuesday morning he had a leg broken by a kick from one of the horses he was handling. The fracture was skillfully reduced and all seemed well until Friday when complications arose which by a consultation of physicians brought out the necessity of an amputation. This, too, was successfully accomplished, but the patient succumbed afterwards to some cardiac insufficiency. Deceased was sixteen years of age, the son of Mr.

and Mrs. Clarence Tracey of Boston, although he has spent the greater part of his life with his uncle, Jack Tracey. Quiet and unassuming in manner, industrious and temperate in his habits, Oscar was a boy who readily made a host of fast friends who will deeply regret his early and untimely death. The funeral was held from his late home and the Tracey Mills Baptist church, just across the way, and the large concourse of friends marked the esteem in which the young man was held. The pastor, Rev. W. J. Hurlow, conducted the services and interment was made in the adjoining cemetery.

Mrs. Geo. Estey of Greenfield spent part of last week with her son, Eldon Estey, at his home here.

Ernest Field of Bloomfield was the guest of his brother, Dr. B. R. Field, on Friday.

Miss Frances West and Mrs. Johnson of Boston have been spending a few days with Mr. and Mrs. E. L. West.

Mr. and Mrs. O. F. West are the guests of the former's father, E. L. West.

Mr. and Mrs. Hadden Burt and Mr. and Mrs. Howard Burt spent Friday in town.

Rev. Henry T. Parlee of Steeple, N. B., was in town last week superintending the erection of a monument to the late Mrs. Parlee. He left on the Valley for Westfield on Saturday. While in town he was the guest of Mr. and Mrs. S. W. Niles.

The United Farmers held a well attended meeting on Friday evening, in the Opera House here in the interest of their candidate, T. W. Caldwell. W. J. Irvine of Alberta was introduced by the chairman, A. A. H. Margison and for two hours gave an eloquent and lucid portrayal of the farmer's platform, touched up with a fund of humor and anecdote.

A number of the relatives of the late Murray Burt of Houlton attended the funeral services held at Jacksonville at the home of his father, Fraser Burt.

Mrs. George B. McClintock left on Monday for her home in DuRoi, Oregon, after a very pleasant visit with relatives and friends in her old home town.
