reformed religion as the established and na- Whig, as the conservative party in Great the Radicals, especially when collated with Britain, opposed in principle to the destructhe great daily organs of the two other partiveness of the Radicals, and the unyielding and we already perceive a disposition in certain members of the present House, to monopolize as much of it as possible to partial and local purposes. It will become the duty of members from Charlotte and other distant Counties, carefully to watch over, and by indefatigable perseverance endeavour to prevent such partial and local misapplication, vent such partial and local misapplication, and the such partial and local misapplication, and the such partial and local misapplication.

I shall continue to act in conformity with obnoxious-but rather as office holders; and The convocation of Parliament, under such these principles, believing that the steady maintenance of them has averted much of vidity as the Tories. I do not blame them. in mediate evil, and encouraged in supporting for this. It is human nature. Some party by Mr. Guor; who condemned the policy them by their growing influence among the must govern: and let those who do the work pursued by the Speaker and his triends, as bearing in mind, that from this time forth, new, and most important daties will devolve upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not, I hope, tablishing a perfect understanding with each upon our representatives; it will not table those who do the work purpose and the upon our representatives will devolve the deep enjoy the reward. With this appetite for ofincrease a perfect understanding the upon our representatives; it will not table the upon our representatives; it will not table the upon our representatives; it will not table the upon our representatives; it will not t be construed into personal disrespect to our other before hand much conflicting interests.

present members, to say they are, one and ill feeling, and party managementing may be all tot live unfit to represent the County, and avoided at the apport of the national church with good government. Under a limited Moprotect its interests in the ensuing Assembly: leave to submit to my brother freeholders a ments of my valued and respected friends and ples can and ought to flourish. For half a constituents, in reference to these important century have they been the champions of the subjects, have undergone no change, and that people under Chatham, Fox, Sheridan, Grey, I may look forward with confidence to a renewal of that trust which will enable me to This list we cannot insert under a ficticious signature. Let Freeholders come fairely forward and an intervention of freedom. There is, however, nothing department of freedom. every tie that can bind a representative te his constituents.

Believe me with sincere esteem, itself, in its pristine beauty and solidity—the itself, in its pristine beauty and solidity—the Robert Peel.

Robert Peel.

Thus, the Reform Bill was a victory gained by the Whigs; Catholic emanvictory gained by the Whigs; Catholic emancipation also, though granted on compulsion explanation to offer in this matter. I have by the Tories. The abolition of the Test and the honor to be Sir, your most obedient hum-Corporation Act Church Cess in Ireland, the India monopoly—were all, all effected by the Whigs. These therefore, are known by their deeds : and surely vou will admit that they The Hon. L. J. Papineau's reply to the

deserve well of their country. Within the last century, a new but very powerful and wealthy class has sprung up in Great Britain. I allude to the merchants, manufacturers, and tradesmen, called in Laurent on the 15th May last is an impertimockery by the Tory journalists, a " Shopo- nence which I repel with contempt and sicracy." Whatever these venal prints may style this class—it is an—ocracy that bids fair soon to outnumber, and politically to overpower, the Aris—ocracy. Those of the trading class who are not immediately under the

I however take the pen merely to ten
Governor that it is false that any of the Resolutions adopted at the meeting of the Couning class who are not immediately under the ong class who are not immediately under the court of of the Tory landfords or customers, are generally Whigs; because they are the laws, as in his ignorance he may believe or laws, as in his ignorance he may believe or laws, as he, at least, esserts. ad mirers of the principles that have generally actuated the present Administration. This class has much at stake in the Country- more perhaps than even the Nobility-and as a body it is distinguished by a much larger portion of common sense, reasoning power and knowledge and experience of the world. There the dreadful explosion of the Union steamer, the dreadful explosion of the Union steamer,

they have too much property to lose. As far as they dare, for they stand in awe of Tory patrons—they will support the government cause. Should the Whigs succeed, I predict for the Queen's reign a bright page in history—a glorious epoch in the advancing intelligence of civil and religious liberty of mankind. Remember too this party is in bushels, equal to 320,000 bbls. of flour Last favour of vote by ballot, which once gained, the triumph of political emancipation may be considered by the English as accomplished. They will have the power in their own hands, and it will be their own fault if a majority of

that they have been most useful to the cause ed, of liberty, in urging forward and assisting the Whigs, during the most critical periods of re- there have been no sales, of important form. But as a party, they are too ultra, too Specie remains with but little variation. The fond of tap-room brawling, too destructive in packet ship Westminister, which sailed on their principles, and too partial to violent and the 21st inst. took 240,000 dollars to London. furious demagogues as leaders, ever to obtain any great ascendency in England. They will always return a certain number of members, but never sufficient to form a majority; and on really important questions, their aid will be given to the Whigs. Per laps you might fancy that I am prejudiced against the since been condemned. Most of the small Radicals; and perhaps you may be partly right; but I am sure, if you dwelt in this country, you would participate in the same lecling. In this instance, however, I write from fact, not from prejudice, and I adduce the following little circumstance as one among Marseiles and has not since been heard from.

When the newspaper stamp duty was reduced in July, 1836, the Radicals resolved have received intelligence a little later from to start a daily paper in London, which should be the great organ of their principles. They accordingly formed a company, with a large capitol, and established the London Constitutional, which, by the way, was edited with to the 23d of July. The United States army great talent. According to the Parliamentary saw a large squaw on the evening of the 21st. returns, however, the circulation of this paper was never much beyond 700; and I have reason to believe many of those were given away, not sold. That journal dies to day. I think down to 70 ets. a bushel, notwithstanding this may be quoted as a fair criterion of the speculation have been contacting for new want of numbers, wealth, and power among crops at \$1.

The Whigs are the dominant party, and as such possess great influence. Many of them, it must be admitted, develope a deep fondness for the public money, not to any extent in the way of sinecures, which are too of the House, he insisted, had been granted.
