Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Library
Canadian History Department

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Library
Canadian History Department

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE ECHO.

The publication of the *ECHO* was commenced in Toronto, in the year 1850, under the direction of a Committee of Clergymen and Laymen, who became responsible for the expenses incurred in carrying on the paper. In 1857 it was made over to the present Proprietor, who removed his office to Montreal in 1861.

In 1857 the circulation exceeded 1700, but a considerable portion consisted of copies sent by members of the Committee to friends in England and the United States, for which nothing was paid. A large number of the actual subscribers was also in arrears, at that date, whose names were gradually removed from the list.

The circulation of the *ECHO*, at the present time, is as follows:—

	Clergy.	Laity.	Total.
Diocese of Quebec	18.	47.	65
Do. Montreal	26.	261.	287
Do. Ontario	16.	156.	172
Do. Toronto	28.	319.	347
Do. Huron	47.	272.	319
		—	1190
These, at \$2 each, give the sum of			\$2,380
Receipts from advertisements about			350
		—	\$2,730
The expense of printing, mailing, &c., the <i>ECHO</i> per ann., is about			2,200
		—	\$ 530

From this must be deducted the sum paid to the clergyman who has been supplying the Editorials since last June.

The above statements show that the profits realized from the *ECHO* is quite insufficient to warrant the continuance of its publication, even if all the subscribers pay punctually, and there were no arrears. At this date there are over \$4,000 due to the Proprietor by parties who have taken the paper, of which, probably, not more than \$400 will be recovered.

Under these circumstances, an appeal is now made to the Clergy and Laity of the Church of England and Ireland in Canada on behalf of the *ECHO*. The Proprietor believes that it has already done good service to the Evangelical cause, and, in common with many others, he is of opinion that a crisis is at hand in Canada, when such an organ may be of incalculable advantage in exposing, and thereby keeping in check the Ritualistic innovations, which are fast creeping into the different Dioceses of British North America.

From regard to the cause, which the *ECHO* was designed to promote, the present Proprietor would be willing to continue its publication, although at a loss to himself, if he could afford to do so. As this is not the case, he now appeals to the Evangelical Clergy and influential Laity, throughout the Canadian Dioceses, to make an effort to increase the circulation of the *ECHO*, it being his fixed purpose to discontinue its publication at the end of the present year, unless such an addition to the list of subscribers is secured, as will be sufficient to compensate him for his time and trouble.

THOMAS SELLAR,
Proprietor.

MONTREAL, 28th November, 1866.

(Over.)

NEW SUBSCRIBERS FOR THE "ECHO" FOR THE YEAR 1867.
