Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change . the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

filmage

The copy filmed here has been reproduced thanks
to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality
possible considering the condition and legibility
of the original copy and in keeping with the
filming contract specifications.

Original copies in printed paper covers are filmed
beginning with the front cover and ending on
the last page with a printed or illustrated impres-
sion, or the back cover when appropriate. All
other original copies are filmed beginning on the
first page with a printed or illustrated impres-
sion, and ending on the last page with a printed
or illustrated impression.

The last recorded frame on each microfiche
shall contain the symbol → (meaning "CON-
TINUED"), or the symbol ▽ (meaning "END"),
whichever applies.

Maps, plates, charts, etc., may be filmed at
different reduction ratios. Those too large to be
entirely included in one exposure are filmed
beginning in the upper left hand corner, left to
right and top to bottom, as many frames as
required. The following diagrams illustrate the
method:

1	2	3
4	5	6

L'exemplaire filmé fut reproduit grâce à la
générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le
plus grand soin, compte tenu de la condition et
de la netteté de l'exemplaire filmé, et en
conformité avec les conditions du contrat de
filmage.

Les exemplaires originaux dont la couverture en
papier est imprimée sont filmés en commençant
par le premier plat et en terminant soit par la
dernière page qui comporte une empreinte
d'impression ou d'illustration, soit par le second
plat, selon le cas. Tous les autres exemplaires
originaux sont filmés en commençant par la
première page qui comporte une empreinte
d'impression ou d'illustration et en terminant par
la dernière page qui comporte une telle
empreinte.

Un des symboles suivants apparaîtra sur la
dernière image de chaque microfiche, selon le
cas: le symbole → signifie "A SUIVRE", le
symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être
filmés à des taux de réduction différents.
Lorsque le document est trop grand pour être
reproduit en un seul cliché, il est filmé à partir
de l'angle supérieur gauche, de gauche à droite,
et de haut en bas, en prenant le nombre
d'images nécessaire. Les diagrammes suivants
illustrent la méthode.

TO OUR CUSTOMERS

EXAMINE YOUR COLLARS AND CUFFS.

NOTICE. The absence of former BRITTELINESS
which caused the work to break or readily
tear, we have just put in, at a great expense, a wonderful
machine, heated by steam - work only passing through
the rollers once. The result: "Work is elastic, will not
break and will last much longer than when ironed by
the old method—heated by gas."

EXQUISITE CRYSTAL

Nothing makes a prettier ornament than the artistic creations we show in this line. The assortment is large and carefully selected. Owing to the popularity of these goods, we have been trying for some time to get a good selection and have only recently succeeded. Come in and see the collection when it is at its best. The prices are astonishingly low.

Beethoven's Music

Is so full of chromatic successions that it is absolutely unplayable on a common piano. Beethoven used every known trick that the piano of his day could accomplish. On the "BELL" Piano, Beethoven's music can be played as it should be—the fulness of the tone, the power to hold notes as long as the finger is held down, and the distinction of the base notes one from the other—all render this music practicable and enjoyable on "BELL" Pianos. We are only too glad to show this Piano to all callers.
