SECOND ANNUAL REPORT.

The Board of Management of the Church Bible and Prayer Book Society have much pleasure in laying before the Church their second Annual Report.

They desire to express their gratitude to Almighty God for the success which has attended their work and also their strengthened conviction of the need that exists in the Canadian Church for the work of the Society.

Since the last report was issued the Board has held eighteen meetings, at which all applications were carefully considered. The total number of grants made was forty-two to various parishes and missions, as well as grants made to the contingents leaving for service in South Africa. A list of these grants will be found on another page of this Report.

The grants comprised Bibles, Prayer and Hymn Books and Sunday School Libraries, besides Catechisms and Tracts.

The Board of Management desire to express their appreciation of the valuable services of their Organizing Secretary—Rev. M. M. Fothergill—and the hope that they may continue to have the benefit of his services. They also wish to appeal for the continued and more extended support of the Church members of the Dominion in what they feel to be one of the most needed and important branches of the Church's work.
