Report Milk Is Too Dear Here For What The Producer Gets

CITY COMMITTEE SAYS COSTS TOO MUCH TO DELIVER

Overlapping in City Routes Big Factor; Lost Bottles, Too. CAN BE SAVING Recommend Meeting With Local Plants—Mayor on Municipal Operation.

Commissioners Wigmore and Harding today presented to the Common Council an exhaustive report on the milk price situation in St. John. It sets forth that milk costs too much to the consumer as compared with what the farmer gets, and it lays emphasis on overhead caused by duplication of delivery routes, loss in bottles and in other ways. It recommends that a committee of the council meet the local plant managers on the matter of distribution, with hope of finding a way that might save \$150,000 a year to the consumers in St. John. Mayor Potts said he thought the answer to the problem was municipal distribution.

Municipal Operation. Mayor Potts congratulated the committee on the report but said he did not like to see the possibility of any two concerns getting the monopoly of the business. In his opinion milk would be too high until such time as the municipality took hold of the business and operated it for the benefit of the people. He suggested that the report be received and taken up for discussion.

Says Spread Too Great. The report states that information was obtained from several Canadian and U. S. cities and says—

As a result of the information received we find that the spread in price paid the producer for his raw product and that charged the consumer for the finished article too great. However we believe that the question of spread is one that is entirely influenced by conditions existing, which we have closely studied. The geographical situation of St. John is unequalled in Canada as far as a milk supply is concerned, in that it is situated contiguous to a country which has been for years the centre of milk production, and the extreme distance of carriage does not exceed 50 miles, while the quality is equal to the best delivered to any city in America. This being the case we were forced to look for the higher cost to the consumer within the delivery limits.

St. John with a population of upwards of 60,000 has 48 milk vendors employing 67 teams in distributing about 15,000 quarts.

12, of which 10 are producers, average 68 quarts delivered daily. 19, of which 18 are producers, average 144 quarts delivered daily. 5, of which 1 is a producer, average 290 quarts delivered daily. 6, of which 1 is a producer, average 390 quarts delivered daily. 4, of which none are producers, average 350 quarts delivered daily. 2, of which none are producers, average over 1,000 quarts delivered daily.

Some Comparisons. In comparing the city with two other Canadian cities we find Toronto, with a population of half a million people, has 50 dealers distributing her milk supply; while Ottawa, with a population of over one hundred thousand has two distributors, consequently we can find no city in Canada by which a fair comparison could be made with St. John due to the fact that the milk business is largely in the hands of distributing territory is so arranged that a few distributing plants whose distributing territory is so arranged that there is no overlapping of routes and in consequence the average load distributed per team is practically double the largest load delivered in the City of St. John. The City of Detroit with a population of over a million and a quarter people is supplied by fifty dealers with the result that the overlapping of routes is rare and capacity loads are carried.

Spread Elsewhere. The average load carried in Ottawa is about 600 quarts, with a (Continued on page 13, third column)

Hopes For Home Bank Depositors

Toronto, Nov. 24—There is every reason to hope that the federal government will take some steps at the next session of Parliament to reimburse Home Bank depositors, the national executive committee of the Depositors' Relief Association informs the depositors in an optimistic statement issued today. The committee will meet the government next Thursday.

Engineers Will Harness Rivers in Ontario; Make Them Run Backwards

Port Arthur, Nov. 24—Engineers sent out by the Ontario Hydro-Electric Commission to report on the possibility of the diversion to the south of the waters which are now flowing north into Lake Nipigon, to make possible further development of power at Cameron Falls, are to return to Toronto some time this week. A year ago, speaking to a gathering of citizens, he mentioned the possibilities for power development by cutting through a section of the height of land north of Lake Nipigon, and by so doing releasing waters into Lake Nipigon. His estimate that the Hydro would spend upward of \$15,000,000 in this section in the next five years included the water-diversion scheme.

TORONTO HAS TWO DEMONSTRATIONS BY KU KLUX KLAN

Fiery Crosses are Burned Simultaneously in Two Parts of City. MEN WERE ROBED

Strange Ceremony is Carried Out at Trinity College Grounds.

(By Canadian Press.) Toronto, Nov. 24—In the burning of a "fiery cross" by white-robed figures in the northern section of Trinity College grounds and simultaneously another in North Toronto Saturday night, Toronto experienced its first contact with the Ku Klux Klan.

Eye witnesses report that about 3:30 p.m. either eight or nine white-robed figures came into view from the west side of the college building. The men forming the strange group were walking in two and carried with them a wooden cross. On arriving at the edge of the ravine the cross was fastened to an iron pipe stuck in the ground and set afire. There was no trouble in making it burn for straw had been fastened to it.

GOVERNMENT QUILTS AFTER INDEMNITY OF £500,000 PAID

Troops are Ordered to Occupy Custom House at Alexandria. WARSHIP ARRIVES

British Receive Note Protesting Some of Conditions Laid Down. (United Press Cable.) Cairo, Nov. 24.—Just 15 minutes before the time limit set in a British ultimatum, the Egyptian government at 11.45 a. m. today paid Great Britain £500,000 as indemnity for the assassination of Sir Lee Stack. The government headed by Zaghloul Pasha, then resigned.

Payment of the sum, which severely taxed the Egyptian treasury, was made under the guns of a British warship, the Benbow, which arrived at Alexandria this morning.

Custom House Occupied. The check was accompanied by a brief note protesting that some of Britain's other demands, delivered by Lord Allenby Saturday night, as a result of the fatal attack upon the Sirdar of Wednesday, were unjustifiable.

Accordingly, British troops were ordered to occupy the customs house at Alexandria as "a first measure."

The ultimatum delivered by Lord Sir Allenby contained seven demands and threatened appropriate measures if they were not complied with within 24 hours. This time limit expired, and a new note was presented demanding the payment of the indemnity by noon today.

One of Britain's supplementary demands was that \$1,000,000 be paid to a native policeman who was wounded while pursuing Sir Lee Stack's assassins last Wednesday, after the Sirdar had been fatally shot. The Egyptian government paid this sum today and Lord Allenby went personally to the hospital and gave the money to the policeman.

New Cabinet Called. Cairo, Egypt, Nov. 24—The Egyptian cabinet, headed by Zaghloul Pasha, tendered his resignation today to King Fuad, who accepted it. The King summoned Zivir Pasha, president of the Senate who consented to form a cabinet.

Peaceful in Cairo. Cairo, Nov. 24—Cairo today wore a generally peaceful, if somewhat excited aspect. There was a small demonstration this morning in Abdin Square, but it was easily dispersed by the police.

The students at a large meeting last night decided to await instructions. Meanwhile they will continue their strike.

The newspaper Al-Ahram, supporter of Premier Zaghloul Pasha, strongly criticized the British demands and suggests that Great Britain seized the opportunity, presented by the Sirdar's assassination, to carry out pre-announced plans ignoring Egypt's constitution and all laws and conventions.

The Alsiassah advocates an appeal to the League of Nations declaring that, although Egypt is not a member of the League, it is sufficient that Great Britain belongs.

Press Approves Action. London, Nov. 24—The government's strong action toward Egypt in connection with the assassination of the Sirdar, Sir Lee Stack, evoked wide approval from the press and public, although there is criticism of the details in some quarters and condemnation on the part of the Laborite press and political writers.

FIRST CIRCUIT FOR NEW JUDGE

Mr. Justice Byrne's Court, Here Tomorrow, Likely to Adjourn.

The November sittings of the Circuit Court will open tomorrow morning at 11 o'clock in the Masonic Building, with Mr. Justice Byrne presiding.

Flivver, Done With Road, Turns to Lumbering

Raleigh, N. C., Nov. 24.—Proof of a life after death, at least in the world of mechanics, is offered by the remains of an old flivver now in use in the cedar swamps of North Carolina.

The flivver has long been abandoned as useless for motoring. Still, set up on tracks, it—its phantom—was hauling logs out of the forest. It is a remnant from the old brake-bound radiator days. Now it is mounted on a turntable on top of a log truck and is so fitted that it can be geared to the rear or front axle of the truck, according to which way it is to pull.

The ground in spots is soft and soggy and affords such difficult traveling that only a flivver like this could overcome it.

CUBS ENJOYED A SATURDAY HIKE

Boy Scout Work Keeping Up Lively Pace—Leaders Meet.

On Saturday afternoon St. James' Cub Pack, No. 19, in charge of Dist. Sec. Johnson, hiked to Silver Falls and were joined at Kane's Corner by Edith Ave. Pack, No. 8, in charge of Lady Cubmaster, Mrs. Robt. Kirkpatrick and F. D. Foley of the pack committee. At Silver Falls they met and for the Wolf Cubs of St. Patrick's Orphanage. The whole party then marched to the Falls, and had a wonderful time at games in the fields nearby. Later the boys ate a hearty lunch, and returned to town just about dark, a tired but happy lot of healthy youngsters. There were 64 Cubs altogether.

On Saturday evening the troop leaders, patrol leaders and seconds from the various city troops met at the Y. M. C. A. and joined in the first supper of the St. John District Troop which is composed of the leaders. After a very substantial supper provided by the boys themselves, and very capably managed by Scoutmaster W. S. Allen of Stone Troop No. 4, the troop adjourned to the large assembly hall of the N. B. Telephone Co. and carried out a regular troop program.

His Worship, Mayor Potts, who is honorary scoutmaster of the troop, spoke to the boys, and his address was greatly appreciated. The evening was full of scouting activities, such as games, formations by patrols, songs, yells, etc. Short addresses were given by Dr. G. B. Peat, Dist. Commissioner, Field Commissioner H. Lister and Scoutmaster F. Choppin. This troop promises to be a real success. It will meet every second Saturday. About 50 boys were in attendance at this meeting, as well as Dist. Sec. L. L. Johnson, who is A. S. M. of the troop, and J. J. Legate, A. S. M. of Knox Troop, No. 1.

On Friday afternoon the Protestant orphans at the Manawagonish Road home, 33 West street, were visited by the St. John District Troop. Dr. G. B. Peat, district commissioner, H. Lister, field commissioner, L. L. Johnson, district secretary, all of the Boy Scouts Association, and Miss E. Barber, of the Girl Guides Association. The children were entertained by the Scouts and by Miss Barber with scouting and guiding games and instruction which they greatly enjoyed. Plans were completed for the organization of a Wolf Cub pack and a pack of Brownies.

LIQUIDATORS ARE APPOINTED TODAY

Winding Up of Fraser Paper and Lumber Co. is Ordered.

Fredericton, Nov. 24.—Before Chief Justice Barry today application was made for the winding up of the Fraser Paper and Lumber Co., Ltd. Permission was granted, and William Matheson, of Edmundston and Harry G. Hoban, of Fredericton, were appointed permanent liquidators. Instructions were issued for them to draw up bonds for \$20,000. Mr. Hoban is a chartered accountant and Mr. Matheson is secretary of Fraser Companies Ltd.

The company which is being wound up is distinct from Fraser Companies Ltd. It was incorporated some years ago at the time that extensive properties in Nova Scotia were purchased by the Fraser interests. Later those properties were sold to Hollingsworth and Whitney and as it was desired to dispose of the charter, winding-up proceedings were begun.

Robert Donovan and Harry Mount, both of Fredericton, were remanded until Tuesday. They are charged with breaking and entering the drug store of the Kenneth Staples Drug Company. The arrest was made on Sunday morning. Five bottles of whiskey and a bottle of beer were found in their possession and 10 bottles of alcohol and a can containing alcohol were found hidden not far away.

Bread Price Advances. The retail price of bread was advanced to 18 cents per loaf today.

WEST SIDE YOUTH IN CAPITAL JAIL

Is Arrested by Fredericton Police Trying to Dispose of Watch.

Fredericton, Nov. 24.—A boy in short trousers, giving 32 Charlotte street, West St. John, as his home address, was arrested today trying to sell a put on his watch in a local second-hand store. The watch had been stolen from the jewelry store of T. W. Gregory & Son. The jewellers say that a boy was there, more than once, looking at the watch, saying finally that he did not have the cash with him, but would return with it, intending to buy the watch as a gift for a girl. After his departure the watch was missed.

The boy today said that he was O. W. Purlong and was at the Windsor Hotel, but it was learned that he was unknown there.

Later he admitted to the police that he had been staying at Gorman's Hotel, Devon. He was remanded until Thursday morning.

Telegraph—Journal Doll is Social Attraction—Sisters Ready for Distribution.

Little Miss Beatrice Constance Calnek, only child of Dr. and Mrs. S. H. Calnek, 191 Princess street, was the busiest hostess in St. John last Saturday morning. The occasion was "Carrie Joy," the belle of dollodom in St. John, upon whom many little girls and boys called from nine to 11 o'clock at noon. "Carrie Joy" arrived from Toyland last week and was a guest at the Telegraph-Journal office for a short time, before going to her new home with little Miss Beatrice. There is not a little girl or boy in this city who does not know about the interesting doll and many will be glad to hear about her little "mother."

"Only children" are supposed to be selfish, but Little Miss Beatrice is very unselfish and like her name, which means, "making happy." She has shared "Carrie Joy" with more than 60 other small children, who have nursed her, taken her for a walk and examined her clothes, combed her hair and even enjoyed her crying, when she says "Mama" ever so plainly. On Saturday afternoon, when called upon by a reporter, "Carrie Joy" was bearing up well, under the social strain and Little Miss Beatrice was really quite tired, but pleased as could be that she had such a treasure. Billie Heine, Douglas avenue, had the honor of introducing "Carrie Joy" to his social set on Friday afternoon, at his birthday party, when she was a specially invited guest with her young owner. She is to visit the city where Beatrice goes to learn pretty songs and interesting games. She sang a song of the kindergarten for the grown-up visitor on Saturday afternoon, while "Carrie Joy" stood beside her and smiled sweetly.

Beatrice is three years old and will have her fourth birthday Feb. 6, 1925. People born in this month are said to be happy folks and love to make believe. That is just what Beatrice does and she has the merriest times all alone, when she has no one to play with her. She is happy indeed to have her big doll, who seems to be so like herself. Little Miss Beatrice has already "carried Joy" to such a lot of small people. "Carrie Joy" is just the size of Beatrice when she was ten months old, Dr. Calnek says, and she looks like her "mother," only her eyes are brown. Beatrice has deep blue eyes, but her hair is exactly the same shade, a lovely golden brown, and her

The steamer is in charge of Captain McQueen and is the first vessel of this line this season.

MISS HUBBELL IS HEARD BY MANY

Undertaken by the blustery storm of yesterday there was a large audience assembled in the Imperial Theatre in the afternoon to hear Miss Marguerite Hubbell speak of the Empire Exhibition at Wembley and to see the very fine series of pictures which she showed. From the vantage point of Wembley Miss Hubbell carried her audience to the various nations within the Empire and she gave at once some admirable pictures of the Empire Exhibition countries which form the greater part of the Empire Exhibition. It was her special privilege to take peeps behind the scenes at Wembley, to become personally acquainted with the representatives of the various countries and the natives living in their compounds or native villages in the vast Exhibition grounds, and in speaking of the countries she was able to give a more intimate account than she could otherwise have done.

Walter H. Golding introduced Miss Hubbell and she was given a very cordial reception. She showed how the Wembley exhibition had presented the great empire as a league of nations and she stressed the responsibility of each individual member within the empire to realize that they had been false to the trust of those who died in the great war when they were false to British tradition.

The Boy Scouts assisted in taking the silver collection at the meeting and Wembley which Miss Hubbell showed were specially appealing to the Scouts present.

REOPEN CHURCH AFTER REPAIRS

Waterloo Street Baptist Church Holds Services of Great Interest

Inspirational services yesterday afternoon and evening marked the reopening of the Waterloo street church auditorium and the completion of the scheme of renovation and redecoration carried on for the last three years, at a cost of \$7,000, of which sum \$4,500 has been paid. The congregation at the present time carries an indebtedness of only \$2,500.

Alterations in the rear of the church have included an extension of 40 feet by 16 and two stories high. The organ was moved back, giving more room for the choir and pulpit. A new baptistry has been placed and other interior changes made. The choir rail has been re-arranged and heightened and a raised platform has been built at the back. Tip-up chairs have been placed in the choir loft. New lighting has been installed and a new furnace placed in the church. Painting has been done on the auditorium ceiling, organ pipes and floor, the vestry and Sunday school, and the sheathed walls of the interior have been cleaned.

The main building has been re-roofed and the steeple given attention, the exterior has been painted and a new concrete wall has been placed at one side of the church.

The enhanced appearance delighted the congregation and the many visitors, attending the services yesterday. The music at both services was of high order. Members of choirs of various Baptist churches in the city assisted.

Rev. E. R. McWilliams pastor, conducted the services. In the afternoon an address was given by Rev. Dr. S. S. Poole who spoke impressively on sources of power in the church, mentioning business methods, the devotion of the talents of the church members, especially the young people, enthusiasm and money with consecration and divine leadership over all.

Rev. G. B. MacDonald of Victoria street Baptist church extended congratulations. The soloists in the afternoon were Miss S. Mills and H. Shaw and the anthem was "Ye shall dwell in the land."

At the evening service, Rev. H. R. Boyer, of the Baptist promotion board, spoke of the ideals for which the Baptist denomination stood, mentioning separation of church and state, liberty of the individual to worship as he liked, and regeneration as a necessity to church membership and baptism by immersion not as a principle but a practice. Solos were sung by Dr. W. P. Bonnell, a duet by Mrs. Paterson and H. Marley and two selections were given by the Central Baptist male quartette composed of Messrs. Baker, Holder, Smith and Mawhinny. Other singers who assisted the choir were Mr. and Mrs. Hayter and Mr. Barton.

Trayton Drake, of Boston, Mass., was the tenor soloist in Centenary church yesterday and greatly aided in the devotional spirit of the service.

Rev. Robert G. Fulton preached in the morning, taking the second in a series of sermons on the "Sevenfold I am," of sermons on the "Sevenfold I am." Last week his subject for the first of the series was: "I Am the Light of the World." In the morning Mr. Drake sang "Beyond the Dawn," by Sanderson, and in the evening, "If With All Your Hearts," from Mendelssohn's Elijah. The evening sermon was: "The Unchangeable Christ," the text being, "Jesus Christ the same yesterday, today and forever." The congregations were large despite the rain.

Evangelistic meetings in the Tabernacle Baptist church were opened yesterday when great inspiration was derived from the stirring messages of Rev. George F. Bolter, of Hartland, N.B., who will conduct the services throughout this week and for the first part of next week. Rev. D. C. Kane, of South Devon, will follow Mr. Bolter and will conduct the meetings at the end of next week. Rev. A. L. Tedford, pastor of the church, was in Hartland occupying Mr. Bolter's pulpit and will return to the city to assist with the service in his own church.

Rev. Dr. David Hutchinson occupied his own pulpit in the Main Street Baptist church yesterday at both services and was welcomed by his congregation after his absence of the last few weeks.

NATURE SUPPLIES MANY THINGS BESIDES FOOD

As a people we get into the habit of taking things for granted. For instance, we seldom realize that we are indebted to nature for other things than our daily food. But if we think for a few moments we shall see that, at every turn, we should be very badly off if it were not for nature's wonderful gifts, writes "Answers" (London).

Who would ever dream that the pretty, colored, silvery table jelly, looking on our tables like fairy fare, was once connected with cows' and calves' feet, and, in some instances, comes from bones and hide clippings. The site used in paste and glue is a poorer kind of gelatine, which

is made from parchment clippings, old leather and rabbit and fish skin. Fur coats are made from the skin of thick-furred animals, such as the seal, beaver, mole and even the humble rabbit and rat.

Squirrels and not camels, are responsible for the "camel hair" paint brushes which are named after Mr. Camel, who invented them. The hairs used to come from the tip of the squirrel's "brush."

The elephant's tusks provide us with ivory of the very best kind. The tusks of the walrus, narwhal and hippopotamus yield slightly inferior kinds of ivory, which are used for making knife handles and ornaments.

Artificial flowers are sometimes made from the iridescent scales of fishes, while some fish also give us oil. "Train" oil, which is used as a lubricant for machinery, is produced from the blubber of the whale; and, of course, you are all familiar

COULD YOU BICYCLE 1800 MILES IN 19 DAYS?

Have you ever ridden ten miles, straight away, on a bicycle? Then you knew it was a real effort. But what would you think of riding 1800 miles in 19 days, in the cold month of May 1924, sleeping out, almost always wet to the skin? Such is the accomplishment of Robt. G. Jackson, M. D., of Toronto, who achieved this remarkable feat at 65 in contest with C. J. Gregory, 65, a life long bicyclist and an ex bicycle racer.

Mr. Gregory is the red headed, gray-eyed, lithe, hard-muscled sinewy tireless type. He lived upon meat, white bread, etc., the usual diet of civilization. Dr. Jackson lived largely upon Roman Meal and milk. He did not taste meat. Although 30 years older and 30 pounds heavier, Dr. Jackson ran away from his contestant. But mark, at 55 Dr. Jackson was a physical wreck, when he invented Roman Meal for rebuilding his bodily vigor and health. So effective was it that he could tire out nine out of ten men of any age. It is a wonderful food. Try it and find out the deliciousness and the great health and strength value of Roman Meal. It prevents indigestion and positively relieves constipation. At all grocers.

The Toll Gate of the Inland Seas

FROM Canada's earliest days, when the canoe route was the highway to the great West, Sault Ste. Marie has always been a strategic point on the charts of Canadian trade.

The day is not long past when the Soo was proud of the title, "the Suez of the Great Lakes." Now the figure no longer flatters, for the tonnage that passes through the great locks at the Soo is greater than that through Suez Canal!

It is nine times the traffic through Panama Canal!

Nor does the Soo take tribute only from traffic by water. It holds a commanding position on the rail lines which tap the fertile northwestern States and,

entering Canada at the Soo, find their shortest haul to eastern markets over the Canadian Pacific.

The Canadian Pacific Bascule Bridge at this point is remarkable in that it provides a wider single unobstructed channel than any other movable bridge.

Great industries have been built up at the Soo, to give employment to thousands of men—pulp and paper mills of huge capacity, lumber mills, chemical plants and many more.

At Steelton, sister town to Sault Ste. Marie, are gigantic steel works, rail mills, structural steel mills, blast furnaces; Algoma holds Canada's richest iron deposits.

Reminiscent of olden days, the Soo still profits substantially from the fur trade.

THE EMPIRE AND THE LEAGUE

Mr. Baldwin's attitude toward the League of Nations depends quite largely upon his view of Imperial defence and the proper relations to be established and continued between Great Britain and the self-governing dominions overseas.

In other words the Empire comes first, naturally, the cause of general peace second. This position will be thought wise both in Britain and the overseas dominions, because in those quarters it is thoroughly understood that Mr. Baldwin is most friendly and greatly in earnest in regard to the cause of world peace but that his first thought must obviously concern the Empire itself.

There appears to be doubt in some quarters to-day as to whether or not President Coolidge and his Secretary of State, Mr. Hughes, are willing—without League membership—to keep step with the League of Nations and with Britain in the matter of further disarmament. It is quite true that Mr. Coolidge, long before he was elected to succeed himself, had spoken freely of his intention to sound the great Powers with respect to their desire for another disarmament conference after he had taken some soundings in Europe and was convinced that European affairs were likely to be cleared up by the adoption of the Daves plan.

It is expected to-day that, although the United States may abstain from actual membership in the League, the American nation, in order to protect itself and because it is thought really to favor world's peace, will be represented at Geneva. Otherwise a very great percentage of the American population will be reminding the government that had Mr. John W. Davis been elected President, American relations with Europe would have been on a very much better basis than they could be if the Geneva conference is ignored.

It is now being said by some newspapers in London that the Geneva protocol is already definitely scrapped. That seems not actually to be the case. Great Britain and the dominions, if we resort for the moment to speculation, are likely to agree upon a common policy with respect to the protocol, and are likely to succeed in having it modified to the extent desired by the Prime Minister of Great Britain. If such be happily the outcome, the Empire's interest will be well safeguarded, and yet the British Empire will have joined the other great Powers in such reduction of armaments as should naturally follow the famous Arms Conference held in Washington.

Why is it unlikely to light three cigarettes from the same match? A student of superstition has been trying to find out the origin of this most popular of recent beliefs in omens.

Ostrich Camel of Bird Family.

Ostriches are regular octogenarians, as most of them live to be from 70 to 90 years old, while individuals that reach the century mark occasionally occur. As an ostrich from the egg, the ostrich chick is as large as the average full-grown American hen.

Fish Fights Popular in Siam.

In Siam the "Pla-kat," or fighting fish, is widely noted. Cantor says that if two be brought together, or if one sees its own image in a looking-glass, the little creature becomes suddenly excited, the raised fins and the whole body shiver with metallic color.

Kept King Tut Awake.

Prisoner's Hand Severed.

In earlier times, and certainly throughout the reigns of the Tudors and the Stuarts, and even later, the man who struck a blow or threw a missile in court had his right hand cut off, in addition to other penalties, the Manchester Guardian says. When a prisoner who had just been sentenced to death by Chief Justice Richardson at Salisbury assizes, threw a brickbat at that judge, an indictment was immediately prepared and the culprit's right hand was then and there cut off and nailed to the gibbet on which he was immediately afterwards hung.

TAKEN IN HALIFAX ON FRAUD CHARGE OF TWO MILLIONS

Chicago Attorneys to Accompany Prisoner Back—Waives Extradition.

Halifax, N. S., Nov. 23.—Described by assistant State Attorneys Sharbaro and McSwiggan, of Chicago, Ill., as the smoothest and most dangerous confidence man in the United States, Leo Koretz, alias Lou Keyte, was arrested at a local hotel here tonight on a charge of using the mails to defraud to the extent of \$2,000,000 and will leave for Chicago tomorrow, he having waived extradition.

According to the two attorneys from Chicago, who arrived here last night, the prisoner left Chicago nearly a year ago with \$2,000,000 in cold cash, carried in a hard bag. Since last March he has lived in Nova Scotia, having purchased "Pinhurst," a historical residence near Liverpool in a very rural district. He paid \$18,000 for the property and has since made additions to the extent of \$38,000, transforming the country house into a residence of the most modern nature with all the conveniences of a city home.

He represented himself as a man of wealth who had recently suffered a severe illness and wore a full beard which he explained as having since made additions to the extent of the teeth and jaw. Popular in Nova Scotia. With his evident wealth, his generosity and interest in the country, he had become very popular and had even agreed to preach a sermon shortly in the local church. He made frequent visits to Halifax where he became a member of the Nova Scotia Yacht Squadron and his entertainments here were always on a lavish scale.

It was during one of his periodical visits that he was arrested. Tonight at 8:50 Deputy Sheriff Scriven and Provincial Constable Mitchell apprehended him. He admitted, the officers said, that the man described in a circular as Leo Koretz wanted for a two million dollar fraud in Chicago and for whose arrest \$10,000 dollars reward was offered, was himself.

The circular offering a reward for the arrest of Koretz described him as 45 years old, smooth faced and wearing spectacles. He had worn a full beard ever since coming to Nova Scotia and it is not known through what agency his identification came about. The two Chicago attorneys refused to divulge this aspect of the case.

Took Life Savings.

The specific charge upon which the extradition warrant for the arrest was sworn out was of defrauding by use of "the confidence game" Samuel J. Richman of Chicago, to the extent of \$88,400. The Chicago attorneys, speaking of other charges against the prisoner, said that one of his exploits was to defraud a dining car steward of \$20,000, his life savings. He is said to have headed at various times The Bayano Syndicate, The Bayano River Trust Company and The Bayano River Timber Syndicate, with offices in Chicago and New York.

Chicago Operations.

Chicago, Nov. 24.—Koretz, a broker, who maintained luxurious of his life, was last seen, according to the circular, in the St. Regis Hotel, New York, Dec. 6, last. He was indicted in Chicago for using the mails to defraud and since that time has been the object of a world-wide search.

ices in a downtown building and at a fashionable hotel, disappeared early last December after having induced many wealthy friends and relatives to invest in his Bayano Land Development Scheme. Many persons gave money to him without question but to satisfy the more credulous he financed a committee of six in making a trip to Panama to inspect the prospective oil fields. The six, Emil Kitzinger, Henry A. Klein, Edwin Mayer, William Smith, Harold Boyesen and Shander Zimmer, all of Chicago, returned with the word that "we found nothing at all."

Family Penitents.

"It was just a scheme," they contended upon landing in New York, "to get us out of the way until he could make his getaway." Koretz's family had invested in his company wholeheartedly and were left penniless when he fled. Mrs. Koretz gave up their home in Evanston and her personal jewels to satisfy demands of creditors outside of the family. The federal government attached a fund of money that Koretz had left with her and other members of the family as "dividends" from his project.

WHAT ARE YOU SAVING 'EM FOR?

After Moving Day is over, your best friend comes in and pokes fun at you.

"You've got six clocks," he chortles, "but you're room only for two."

"You've been saving that cut glass for ages," he snickers, "but you never use it."

"And you've kept those three boxes of books in the cellar for the last ten years," he giggles, "but you never open them."

"That lawn-mower's a joke, you haven't got any lawn to mow... and what do you want with a snow-shovel in this apartment house? There's the boy's old bat and glove, kid's size, when he's about ready to graduate from college. Why do you save all those things?"

Well—too, sometimes wonder why people save discarded things.

There is a quick, easy, profitable way to dispose of them—through the want ad columns of The Times-Star.

Why not clean house? Stack up all the things you'll never use again. Advertise them for sale tomorrow in the want ad columns of this newspaper.

DEATHS

Captain Herbert H. Cann.

Yarmouth, N.S., Nov. 23.—The news was received from Roxbury, Mass., this morning of the death of Captain Herbert H. Cann, formerly of Yarmouth North, and one of the old-time master mariners for which the port of Yarmouth for many years was famed the world over.

Captain Cann was in the 81st year of his age and for the last few years he had made his home in Massachusetts. As a youth he commenced a seafaring career and soon attained an officer's certificate and later a master's certificate. He commanded some of the best ships out of Yarmouth and was always very successful.

His first command was the Yarmouth bark Annie M., owned by Hugh Cann and others. He sailed for many years in that employ. Resigning from that concern he took charge of the ship Euphonia, belonging to H. & N. B. Lewis, Yarmouth.

Later Captain Cann went to Ardrossan, Scotland, and there took command of the steamer Baron Bebeven, owned by Hugh Hogan, a brother, and a second command was the Yarmouth bark Brookside and the barquentine F. B. Lovitt, owned by the late W. L. Lovitt of this town.

Captain Cann is survived by two daughters, Mrs. Henry Stephenson, of Roxbury, Mass. and Mrs. Amy Conrad, Boston, and one son, Rev. Frank Cann, of New York.

The body will be brought to Yarmouth on Tuesday morning and the funeral will take place that afternoon.

R. H. Edwards.

Halifax, N.S., Nov. 23.—R. H. Edwards, aged 75, head of the provision firm of J. A. Lesman & Co., and prominent Maritime Province horseman, died suddenly this afternoon, at his residence here, Col. M. B. Edwards, St. John, N.B., a brother, and a sister, Mrs. George Hodge, resides in Fredericton, N.B.

Mr. Edwards was trainer and owner of Brage, famous trotting horse, now in Belgium, and was a familiar figure on eastern race tracks.

Mrs. George Curry.

Newcastle, N.B., Nov. 23.—The death of Mrs. George Curry, occurred at her home here very suddenly Thursday evening, death being due to heart trouble. She was apparently in good health and was preparing supper for the family when she dropped dead. She was 56 years of age, and is survived by her husband, a merchant of the town, two sons, Michael, of Portage River, and Joseph, of Neguac, and eight grandchildren. The funeral was held Saturday morning to St. Mary's church, where requiem high mass was celebrated by Rev. P. Q. Dixon. Interment was in St. Mary's cemetery.

Mrs. I. A. Mott.

The death of Mrs. I. A. Mott, widow of I. A. Mott, of Belyea's Cove, Queens county, occurred yesterday at the residence of A. I. Jones, 178 Adelaide street. She was 82 years of age. She is survived by two sons, B. M. Mott, of this city, and I. G. Mott, of New York; four daughters, Mrs. S. D. Akerley, Cambridge, Mass.; Mrs. W. D. Foster, Abid Hill, Queens county; Mrs. S. E. Rice and Mrs. A. I. Jones, of this city; and two brothers residing in Queens county. The funeral service will take place at her late residence, Monday evening. Interment will be made at Crafts' Cove, Queens county, on Wednesday afternoon.

Mrs. Charles Barnes.

Fredricton, Nov. 23.—Mrs. Charles Barnes, of Lincoln, died at her home today. Surviving are her husband, two

sons, Harold and David, and one daughter, Helen Myrtle. She also is survived by her parents, Mr. and Mrs. David Targett, of Lincoln, seven sisters, Mrs. Cole, of Lincoln, Mrs. Charles McKillop, of Winnipeg, Mrs. Wesley Cole, of Portland, Me., and Deborah, Elvina, Isabel and Alice Targett, all at home, and three brothers, James, of Atlanta, Ga., and David and Bertram, at home.

E. C. Lachler.

Pilot Fenwick W. McKelvie received a telegram on Saturday evening to the effect that his uncle, E. C. Lachler, had died suddenly at his home in Dorchester, Mass., during that afternoon. Mr. Lachler leaves his wife, one son, Carl at home and two daughters, Mrs. Edward W. Henry, of 215 Germain street, this city, and Mrs. William Wickmire, of Boston. Mr. and Mrs. Henry on receipt of the word left for Dorchester, Mass. on Saturday evening's express.

Mr. Lachler had been for nearly fifty years employed with the International and Eastern Steamship Co., and for many years was stationed in St. John as the agent for the steamship company and was beloved by all business men and others who came in contact with him, and while in St. John he was a staunch member of St. David's church.

James L. Lamb.

Sincere regret was expressed in many circles when it became known that James L. Lamb had died yesterday morning in the Military Hospital, Lancaster Avenue. Sgt. Major Lamb came from an ancestry of soldiers. His grandfather fought at Waterloo. His father came to Canada with an English regiment at the time of the Trent affair. Early in life Sgt. Major Lamb enlisted in the local militia forces, afterwards taking courses at Fredericton and Quebec.

The term of his course in Quebec was about completed when the South African War broke out. The Canadian Government would not allow its staff to enlist, so when Sgt. Lamb's time was up he received his discharge and paying his own way to Cape Colony enlisted in Marshall's Horse, a colonial corps and saw service until the close of the war.

In 1914 he was one of the first to enlist. He was very popular with his men. Many will recall the memorable evening when St. John's section of the first contingent marched to the train en route to Valcartier. The crowd broke through the ranks at Market Square and caught up "Ginger," as the boys called him, and carried him shoulder high as far as the Union

Mr. Lamb is survived by his wife and four children, his father and brother at home, and two sisters. The brother is Walter J. Lamb, Jr. The sisters are Mrs. J. H. Barton, of this city, and Mrs. W. O. Swatridge, of Brookly, N. Y.

The funeral will take place from St. James church Tuesday afternoon at 2:30 o'clock.

Mrs. Eva M. Dryden.

The death of Mrs. Eva M. Dryden, wife of Roland Dryden, occurred on Saturday after a short illness at Hecanooga, N. S. She was the second daughter of the late Mr. and Mrs. Walter Knowles, of this city. She leaves her husband, one son, Gordon,

FUNERALS

The funeral of Mrs. John Ewart was held from her late residence, George street, Fairville, at 2 o'clock on Sunday afternoon and was attended by many friends and relatives. Rev. W. M. Townsend conducted the service following which the rites of the L. O. B. A. were carried out under the auspices of Baxter Lodge, of which Mrs. Ewart was a member. The worthy mistress, Mrs. Edward Duff, and other members took part in the service. Interment was made in Cedar Hill cemetery. Among the floral tributes received were wreaths from Baxter Lodge, L. O. B. A.; from the Sunday school, from Golden Rule class, from Beacon Light class and the Junior Temperance class of the Sunday school of the Union church at Pleasant Point; from the Ladies Auxiliary of the B. of R. T., and from the employees of the West St. John elevator, and a broken wreath from Department Employees of T. S. Simps & Co., Ltd.

There were wreaths from Mrs. W. Bronnell, Mrs. Louise Hampton, and Mrs. Harry Comand; sprays from Mr. and Mrs. F. T. Cougle and family, Mrs. Mary Alexander, Mrs. George Stevens, and Mr. and Mrs. Fred Cuck, pillow from the family, star from Mr. and Mrs. Charles Smith and family and cross from Muriel and Kenneth Cougle.

WHY SOME PEOPLE ARE "FRIGHTENED TO DEATH"

YOUR nervous system is the vital force of your body; the force that gives energy to every organ and every muscle. So great is the power of the nerves that a tremendous shock, such as fear, may cause death.

A lesser nerve shock will blanch the cheeks, make the knees tremble, cause the heart to beat wildly or almost paralyze breathing.

To sustain our vitality we must nourish the nervous system. When we restore lost nerve power we find ourselves filled with new strength.

Nervous, exhausted men and women can quickly regain their nerve power. As they rebuild their nerves they soon see the signs of returning vitality.

Wincarnis gives to the nerves the very elements they must have to be nourished back to energy. For fifty years this nerve restorative and strength giver has reinvigorated those who were weak, thin, pale and so castly discouraged that life seemed scarcely to hold any real happiness.

If you are lacking in vital nerve force, go to your druggist today and begin the safe Wincarnis treatment. A sixteen-ounce bottle, which is a fourteen-day Wincarnis treatment, is sold for \$1.50 by all leading druggists. Wincarnis is so effective that only three table-spoonful a day need be taken. Try Wincarnis and see the difference just a few days will bring.

ADVENTURES OF THE TWINS
By Olive Roberts Barton

THE FLOATING POWDERS

"Ha, ha, ha!" laughed the old peddler. The magic teapot poured out four vanilla ice cream sodas into the four empty glasses and the Twins and Daddy Gander and the peddler drank them all up to the last drop. And then something very queer happened. Nancy felt as though she had swallowed a wing-bag, and Nick felt as though he had swallowed a balloon and Daddy Gander felt as though he'd swallowed—I don't know what. They felt so queer and so light they couldn't keep their feet on the ground. Their feet began to dangle and then they knew that they had left the earth and were moving right up through the air. "Ha, ha, ha!" laughed the old peddler. "I put some floating powders into your soda water so you'd go away and never come back to Yum Yum Land. If you had stayed, no doubt you'd be wanting my magic teapot and as it is all I have left, I'd like to keep it. Good-bye! Give my love to the Man-in-the-Moon." "Oh, dear!" said Daddy Gander. "It's dreadful to be up in the air without the magic dust-pan to sit on. One never knows how long the magic powders will last. If they give out we'll go down like sky-rocket sticks." "I'm not afraid," said Nick. "The cook's up here somewhere in the sky, too. Perhaps we'll find the fork and the dust-pan." "Why, I never thought of that," said Nancy suddenly. "He'll let the air out of the bread-sponge in the House-That-Jack-Built and we can take it back to Pippin Hill and give it to Jack and Jill and Mrs. John. Won't they be happy?" "Yes," said Daddy Gander dimly. "But who is going to let the air out of us? You can't stick us with a fork. If something doesn't happen we'll be sailing around up here in the air until we turn into stars." But, my dears, we shall have to leave Nancy and Nick and Daddy Gander sailing around in the air, talking to each other. They weren't a bit uncomfortable so it didn't hurt them a bit to be there. Down in Yum Yum Land the king

was back on his throne, and it wasn't so bad to be king again because the Lord High Councillor and the Prime Minister, and the Keeper of the Bird-Cages, had all learned to cook a little, and when it came dinner time, the king's meals were served in the dining room at the palace the same as usual. One can always get along without cooks if one has to. And the peddler was very happy as he went down the road of Yum Yum Land in his old duds, because he had a new idea. With his magic teapot he would start a lemonade-pop-soda-water stand and make a fortune. But the cook! You haven't any idea what had happened to him, after he disappeared in the clouds like a speck of dust, have you? He had epied the House-That-Jack-Built up on a cloud and was going straight toward it on the magic dust-pan. (To be continued.)

ST. PETER'S Y. M. A. HOLDS REUNION

The Twenty-seventh anniversary of the Y. M. A. was fittingly celebrated yesterday afternoon when the members filling the large entertainment hall were treated with an excellent programme. The president, Dr. Ken Higgins, after a brief address of welcome, gave over the chair to the literary chairman, John W. Hagerly, who then proceeded to bring forth his entertainers, introducing them in a new and novel manner. The programme included solos by Harold Gillis, William Grannan and B. Devine; accordion selections by Phillip P. Connor; a clog dance by George Burns and an extra number of tumbling by the Chandler brothers and Owen Kennedy. A feature of the afternoon was the community singing led by William Grannan, accompanied at the piano by Gerard Daly. The Y. M. A. orchestra also played several pleasing selections. At the close of the programme, Rev. Father Cloran, rector of St. Peter's, congratulated the members for the interest they were taking in the society and urged them to a greater endeavor to equal if not surpass former years of achievement. The members of the association expressed their satisfaction with the announcement that the society had renewed its affiliation with the M. P. B. A. U. of Canada as the members plan not only a large social season, but also one of activity in sports. Several fast skaters will wear the colors of the green and white this winter and a sextet will be in readiness to enter the City Hockey League. A House Hockey League is also under way. At the present time the society is well to the front in both the city City and Inter-Society Bowling League and are setting a fast pace for the other teams to follow. The officers of the society aided by the co-operation and high enthusiasm of the members, are now completing the plans that will enable St. Peter's Y. M. A. to again take its place as one of the leading amateur societies in the Maritimes.

CROSS-WORD PUZZLE

The object of the cross word puzzle is to fill out the white spaces in the diagram with words which agree with the definitions given in the accompanying text.

The word defined in the text under "HORIZONTAL" and indicated as No. 1 (in case such a number appears in the Horizontal list) will extend horizontally from No. 1 square to the next black square.

The word indicated as No. 1 under "VERTICAL" in the list of definitions will extend from white square No. 1 to the black square below. And so on.

Most of the letters are used in the making of two different words.

SUGGESTIONS FOR SOLVING CROSS-WORD PUZZLES
Start out by filling in the words of which you feel reasonably sure. These will give you a clue to other words crossing them, and they in turn will still others. A letter belongs in each white space, words starting at the numbered squares and running either horizontally or vertically or both.

VERONICA CAPTAIN NOW IN HOSPITAL \$100,000,000 LOAN ON MARKET TODAY

Halifax, Nov. 23.—Captain Danielson of the four-masted steel schooner Veronica, which arrived in port Friday afternoon with a lurid story of hi-jacking on the high seas, is undergoing medical treatment at hospital here. While the nature of the Captain's ailment is not stated it was admitted at the hospital that he was not suffering from any wound and that he was resting "fairly comfortably."

New York, Nov. 23.—J. P. Morgan & Co. and their associates will launch the new \$100,000,000 loan to the French Republic here tomorrow. The loan will be offered in a single issue of 24 year 7 per cent gold bonds at 94. The effect of the loan is to absorb the recent series of short-term credits and convert the funding into a 25-year operation.

HELP WANTED
Cargo of 140 Fair Answers Come From Erin, Poverty-Stricken by Long Rains

Margaret Egan, with a background of collets on shipboard

(By Gene Cohn.)
New York, Nov. 24—Six months of seemingly ceaseless rain along the bleak west coast of Ireland is sweeping to American shores such a flood of maid-servants as this country has not seen in a generation.
A cargo of 140 answers to the servant problem recently arrived upon the S. S. Laconia alone.
From Donegal Bay, north of County Sligo, to the River Shannon, south of County Clare, the dark-haired, blue-eyed, pink-cheeked daughters of West Ireland's farm folk are in poverty-forded exodus.
It seems that the "wee folk" of the Irish tales were at some tragic prank.
What with a rain that has no ending, and the potatoes washed from the ground, and the deep, long valleys carrying torrential destruction, great poverty and need have come upon Mayo, Galway and Clare.
All through Connacht the same drama was being played in a thousand homes, each unknown to the other. With the mournful monotony of exterior of the church and the vestry during the last few years and now it was possible to do necessary work in the interior. In addition to what he had outlined was the freshening and cleansing of the walls and other parts. He felt sure that many would be glad to contribute during the jubilee year.
Beginning on the third Sunday of December every third Sunday the collection at the masses would be devoted to this purpose. In addition, private donations would be very welcome and if all co-operated and gave as generously as their means would permit, the necessary expense would be easily met. It was the desire to make this work a jubilee gift of the people themselves. The children would be asked to collect the amount needed for the communion rail and they would be asked to pray for the success of the whole project.
Every Saturday, beginning next month, high mass would be celebrated at 8 o'clock, with the children's choir singing, to ask God's blessing on the work. These masses and the children's communions would be offered for the intention of those who gave generously on the third Sundays. This would mean some 62 masses and thousands of communions. He presented the matter to the people as a demonstration of their faith marking the year of jubilee.
The Plans.
It is planned to have the new altar of marble and of artistic design. It would be placed farther back than the present one, which has been in use since the cathedral was built, and would be built against the rear wall of the church under the great stained glass window. That would enlarge the sanctuary greatly. It is also proposed to have the sanctuary tiled. To make up for the loss of room behind the altar as at present there would be an addition made at the rear of the new altar outside the present church wall, jutting out into the space back of the Cathedral. The whole plan is devised to make a great improvement in the appearance of the inside of the Cathedral.

was read at the masses in the Cathedral yesterday. It showed a total of \$8,236.16 in the society's hands during the year ended Nov. 23 for assistance of the poor. There was a balance of \$1,497.66 to start the year and the receipts included Cathedral collection, \$1,992.28; C. W. Hope Grant, \$201; M. Potter, \$5; donations from friends, \$40; estate of Mrs. Patrick Donohoe, \$800; collected by members at the society meetings, \$43.07; interest, \$37.98, making a total of \$3,236.16.
The expenditures included—Coal, \$1,023.07; groceries, \$811.23; books, \$215.13; clothing, \$51.57; light \$3; water rates, \$13.07; lumber, \$56.95; insurance \$6; various expenses \$388.53. The balance now on hand is \$696.53.
Both Bishop LeBlanc and Father Duke praised the work of the society among the poor and commended this charity to the generosity of the people at the collection to be taken up on next Sunday.
Holy Name in North End.
St. Peter's church was well filled last evening at the first of a series of three meetings leading to the organization of a Holy Name Society. At all the masses in the church yesterday the rector, Rev. James Cloran, C. S. R., addressed the members of the congregation and explained that he proposed doing away with the single and married men's societies and forming a Holy Name Society. The new body is to take in every married man in the parish. It was estimated that 750 men attended the service last evening despite the inclement weather. The sermon last evening was delivered by Rev. A. McDonald, C. S. R., who brought out the benefits to be derived by the men by becoming associated with this society. At the conclusion of the sermon Benediction of the Most Blessed Sacrament was given. This evening Rev. Francis Mullins will be the speaker.
Infirmary Tea.
A meeting of the presidents of the Catholic women's societies with the St. John Infirmary Alumnae was held over the week end to make arrangements for a tea and sale to be held in the new wing of the Infirmary early next month.
Miss Mary J. Doherty, R. N., was appointed general convener. The societies taking part will be: Catholic Women's League, Altar Society of St. Anne, League of the Sacred Heart, who will take charge of the tea; St. Vincent's Alumnae, candy booth; Children of Mary, fancy work; St. Elizabeth's Society and Assumption Society, doll table; Ladies' Auxiliary A. O. H., ice cream and games; Society of the Blessed Sacrament, aprons and handker-

chiefs, and the Society for the Propagation of the Faith, the art room.
Lecture at St. Vincent's.
By his beautiful exposition of the life, works and death of Blessed Theresa, known to the Catholic world as The Little Flower of Jesus, Rev. James Brown delighted a large audience in St. Vincent's Auditorium last evening. The lecture was the first of a series under the auspices of the Catholic Women's League. Mrs. J. Owens, president of the C. W. L., was in the chair. Solos were sung by Miss Downing, Mrs. Walter Morris and Mr. Joyce. Mrs. D. J. Barrett acted as accompanist. E. J. Henneberry moved a vote of thanks to Father Brown which was heartily passed. His Lordship Bishop LeBlanc and several of the priests were present.
Father Brown enumerated some of the interesting facts about Blessed Theresa. Had she been living now, she would be but 55 years old, which fact made her approaching canonization all the more remarkable. Sister Theresa became a Carmelite nun at the age of 15. She died when she was but 24 years old.
A novena in honor of the Immaculate Conception of the Blessed Virgin will begin in the Cathedral next Friday and will continue until December 8, the feast of the Immaculate Conception. A pontifical requiem high mass will be celebrated in the Cathedral tomorrow morning by His Lordship Bishop LeBlanc, for the repose of the soul of the late Cardinal Logue, of Ireland.

MARBLE ALTAR FOR CATHEDRAL

Other Changes—St. Vincent de Paul Report—Holy Name, N. E.
Jubilee year in the Catholic church is to be marked at the Cathedral of the Immaculate Conception here by the start of a project to improve the interior of the large Waterloo street edifice, the chief design being to replace the main altar with a new one, to remake the sanctuary and erect a new communion rail.
Rev. W. M. Duke, rector of the Cathedral, outlined the matter at the masses yesterday and it was also presented to the people by His Lordship Bishop LeBlanc. Father Duke said that many would not be able to go to Rome during the jubilee year of 1925 but they could demonstrate their faith in other ways, in works of mercy and charity. The people knew, he said, that improvement of the interior of the Cathedral was necessary and he asked their aims to make the work possible in the jubilee year.

FIND LEWIS BEVIS GUILTY OF MURDER

Halifax, Nov. 23—Lewis Bevis, on trial for the second time on a charge of murdering Police Officer Charles Fulton last July when the officer was shot dead while pursuing Bevis, was found guilty late yesterday afternoon. The jury was on one hour and twenty minutes and returned a verdict of guilty with a recommendation for mercy. At his first trial the jury disagreed. Bevis heard the verdict unmoved and coolly lit a cigarette as he left the prisoner's dock to return to the cells. He will be sentenced some time this week.

INSIDE OF ALIEN SMUGGLING RING

30,000 Wait in Cuba for Chance To Sneak Into the United States

Above—Type of ships used in alien smuggling. Below—Chinese removed from captured boat. Inset—Captain Ohlemutz.

New Orleans, Nov. 24.—Thirty thousand aliens, denied legal entry into the United States, are in Cuba waiting to be smuggled into this country. And hundreds of them are being brought over nightly.

Scores of ships, loaded with them, pull out regularly under cover of darkness from Havana, Juanaína and other parts, with authorities guarding them safely out of the harbors.

Many are landing their illicit cargoes on the Florida coast. Others are taking them even so far as New York. A few have succeeded in sneaking them in around New Orleans.

These and other facts have just been given federal officials here by a skipper now under sentence to Atlanta penitentiary.

He is Captain Henry Ohlemutz, 60, owner and master of the schooner *Abeona*, nabbed by a coast guard patrol after a thrilling chase through the marshes and winding bayous of Louisiana's southern coast. Huddled below were 15 Chinese and 13 white aliens, including one woman.

"I left again June 11, arriving in Juanaína, June 21. I remained a week, leaving July 2. On the first trip I did not deal with anybody particularly. I got the men myself. On the second trip I made arrangements with a man in Juanaína.

"I was to receive \$250 each for two of the Chinese, and \$300 a head for the rest of them. Having failed to make safe delivery, I got nothing.

"The whites gave from \$50 to \$150 apiece. When I paid for protection I had about \$500 left. The protection cost \$241, two policemen collected it on board just before we pulled out.

"Two Chinese were to be delivered here. Twelve were to be taken to Philadelphia. I intended to stop in some desolate place and get them loaded on automobiles or trucks. The other one was to have worked his own way through. But U. S. agents got me, and the whole transaction was off."

Juanaína, Ohlemutz asserts, is a regular clearing place for the smugglers. They leave nightly for Tampa and other points on the Florida coast. Under direction of a millionaire head of the smuggling ring ships are seen safely out to sea. A scout boat sees that the coast is clear.

"I was in Cuba long enough to learn all these facts," related Ohlemutz. "I was after aliens myself, so it was easy to learn all about it. I knew most of the houses in which they stopped.

"They are all cheap hotels. Speaking several languages, it was not difficult for me to discover the full extent of this business.

"I was getting sick of the whole mess. I intended my second trip to be my last. And it was. I know I have committed a serious offense. I only ask I be dealt with as leniently as possible, for my wife's sake. She is very ill."

It Was His Second Trip.

It was, according to Ohlemutz, the second batch he had brought over. In the first, two months before, were 10 whites and two Chinese, he said.

Ohlemutz, a mariner nearly 40 years, was tried in the U. S. District Court here and found guilty. On his plea for mercy, he was given a year and a day in Atlanta. He since has filed notice of appeal.

The last boat the captain sailed, before acquiring the *Abeona*, was the *Asuncion*, out of San Francisco. Then he bought his own ship and fixed it up, as he says, "to make a living with it in Mexico or wherever I could." He used it in fishing and oyster hauling. But he says he made no money. He accepted a proposition to engage in the alien "bootlegging" operations. "I did not like the idea," he said, "but pressing need for money overcame my scruples."

Six Aliens Worked on Crew.

The *Abeona* sailed from here on May 11 for Havana on its first smuggling expedition. No arrangements, according to Ohlemutz, had been made in advance. They were attended to after they reached Havana. There he took on board the two Chinese and the ten whites. The whites were mostly Hungarians and Poles as near as the captain could determine. They paid an average of \$25 apiece, according to District Attorney Louis H. Burns. The Chinese, because they are harder to get in, paid more.

"Six of the aliens were signed on the crew," Ohlemutz explained. "Beside them I had an engineer. He was to share in the profits with me.

"We arrived in New Orleans about 8 in the afternoon. I released the ten whites when they paid up. I delivered the two Chinese to a Chinese here. The money collected, all told, was around \$1,700. After paying overhead and expenses for protection in Cuba, the engineer and I had about \$800 left."

LEADERS IN WORLD LEAGUE AGAINST ALCOHOLISM SPEAK IN IMPERIAL

"Pussyfoot" Johnson and the Rev. Ben Spence Address Large Gathering.

W. E. Johnson, known the world over as "Pussyfoot" Johnson, intrepid temperance advocate, and Rev. Ben Spence of Toronto, representatives of the World League Against Alcoholism, addressed a packed house in the Imperial Theatre last night, and were accorded a very sympathetic hearing. R. I. Hayes, M. L. A., presided, the opening prayer was offered by Rev. Hugh Miller and the Benediction pronounced by Rev. A. D. McLeod. A large choir on the platform led in the singing and Dr. W. P. Bonnell was the soloist of the evening, giving a splendid rendering of "The Holy City."

Mr. Spence in a vigorous address declared federal measures were needed to make provincial prohibitory laws effective and he said that liquor could no more readily be re-landed in Canada than gain access to the United States. From an international viewpoint, Mr. Spence also showed the obligation of Canada to have federal prohibition legislation, saying that it was a farce to prohibit in the 100 years of peace with the United States and to talk of an unguarded borderline when the borderline was patrolled by armed guards of the United States, made effective and he said that liquor could no more readily be re-landed in Canada than gain access to the United States. From an international viewpoint, Mr. Spence also showed the obligation of Canada to have federal prohibition legislation, saying that it was a farce to prohibit in the 100 years of peace with the United States and to talk of an unguarded borderline when the borderline was patrolled by armed guards of the United States, made effective and he said that liquor could no more readily be re-landed in Canada than gain access to the United States.

Nearly every British province in India was studying how to curtail the liquor traffic and Bombay had already started prohibition each year. That means that ten per cent of the liquor consumed in a programme which was to cut in ten years Bombay and its 40,000,000 of people would be dry. Australia was now inaugurating its new dry capital city. Norway had prohibited the sale of distilled liquors and in France, Switzerland and many other nations drastic laws to curtail the liquor traffic had been enacted. Not for 20 years had any civilized government looked upon the drink business as a legitimate business to be promoted.

Mr. Johnson said the United States law prohibiting the sale, manufacture, exportation and transportation of liquor had been placed on the statute books because prohibition had been proved a success in 12,000 towns and 32 States and licensing system had proved a failure after 100 years. With each succeeding congressional election a Congress that was drier was elected and there was no danger of the prohibitory legislation being repealed, although all that was needed to repeal it was a vote of Congress. With regard to newspaper accounts of violation of the liquor laws, Mr. Johnson said it must be remembered that it was the unusual occurrence which the newspapers noted. In the old days these occurrences would have caused no comment. He found a good evidence of the success of prohibition in the fact that where there had been 200 organizations offering drink cures in the old days in the United States there were now only 16, and prohibition had been in force but five years, and was only imperfectly enforced.

World Temperance.

Within the last two years the non-Christian advocates of temperance had begun to give their definite support to world temperance movements, he said, and he spoke of the 600,000,000 people, Hindus, Buddhists and Mohammedans whose religion established for 1,200 years or more demanded of them total abstinence. He had been marooned in Zanzibar last year for three weeks, and had attended the bigational meeting at which an organization was formed that would lead to the establishment

Don't Wait Any Longer To Get in The Great "Carrie Joy" Game

"CARRIE JOY"

These dolls are going to be given ABSOLUTELY FREE OF CHARGE to little girls and any person who may wish to win ideal Christmas presents for "little sisters."

In a toy store "Carrie Joy" would cost you at least \$8, but The Telegraph-Journal won't sell her. She is to be given to anybody who secures five new six-months subscriptions in St. John or three new yearly subscriptions outside St. John. Forty-five little girls completed this task the first day. If these girls can win so easily so can you.

Here Is How You Do It

First of all you cut out the coupon at the bottom of this advertisement and then write your own name and address at the bottom.

The very next thing to do is get your first subscription. If your father is not already a subscriber, no doubt he will start the coupon for you. If your folks are already subscribers, then surely your aunt or your uncle will be number one to subscribe.

After you get number one the rest will come easy. It will take you less than a few hours or so if you keep on plugging until you have the required number of new subscriptions. Your neighbors will gladly help you. Just try and see.

See these dolls on display in the window of the Macaulay building, King street; in the Imperial Theatre window, or call at The Doll Room on the second floor of The Telegraph-Journal building, Canterbury street.

The Telegraph-Journal will give a beautiful "Carrie Joy" doll to every girl who sends in three NEW yearly mail subscriptions to The Telegraph-Journal at \$5.00 each.

Keep in mind that these must be new subscriptions—renewals subscriptions do not count—that they must be for a period of one year, and that it is necessary to collect \$5.00 from each of these subscribers.

Tell your neighbors and friends that they do not have to pay a cent more because you are getting a Mama Doll. They pay only the regular subscription price.

As soon as you have secured all three subscriptions mail them to The Telegraph-Journal and you will get a "Carrie Joy" doll by return mail.

THE TELEGRAPH-JOURNAL

In consideration of your offer to give a "CARRIE JOY" Mama doll to the girl whose name appears below, I agree to take THE TELEGRAPH-JOURNAL for at least six months, for which I agree to pay the regular carrier at the regular rate of eighteen cents per week. I am not at present a subscriber.

Mr. Johnson Speaks.

Mr. Johnson, to prove that the United States had the biggest things in the world including the biggest Harp, told humorous anecdotes of prohibition which caused much laughter, and frequently flushed with humor gave his address a special appeal. He apparently had endless prohibition figures and facts at his fingers' ends presented his statement clearly and concisely. He closed with an earnest and eloquent presentation of the religious aspect of the campaign.

Mr. Johnson declared that never had a social reform made such rapid progress as had prohibition in the last two years. While the two democratic countries in North America declared for prohibition, other countries looked across and longed to enjoy the same freedom from the bondage of booze. He told of the formation of temperance organizations throughout the world. Already two states in Mexico, the country of Finland and five Independent States in India had gone dry.

of total prohibition in Zanzibar instead of the curious anomaly which had existed, prohibition for the 200,000 native non-Christian population and no prohibition for the 3,000 Christians. Slavery, he said, had endured for 4,000 years and had been put under through British influence. So the liquor traffic had endured for 4,000 years and he looked forward to the time when it too should be put off the earth.

Mr. Johnson and Mr. Spence spoke to the United Presbyterian, Methodist and Baptist congregations of Fairville in the morning, yesterday in the Baptist church and in the afternoon Mr. Johnson addressed a meeting in the Carleton Methodist church.

"Pussyfoot" Johnson.

"Pussyfoot" Johnson is of sturdy build and average height, and is 62 years of age. He was born in New York but his early life was spent in the plains and he attended the University of Nebraska. After his college days he went in for newspaper work and detective work, and had remarkable success as a detective. In 1905 he conducted the publicity for the committee of manufacturers which was successful in having the tax removed from alcohol denatured for industrial purposes. President Roosevelt was instrumental in drafting Mr. Johnson into government work, and obtaining his appointment as chief officer of the United States Indian Service with eight deputies to assist him. In this work Mr. Johnson succeeded in securing conviction against 4,400 of the outlaw gangs of Indians on the frontier and many of these are still "doing time." During the last 20 years Mr. Johnson has been traveling continuously. Since

1912 he has devoted himself entirely to anti-saloon and anti-alcoholic work, and for the last five years has had charge of the London office of the World League Against Alcoholism. For two years he was managing editor of the 36 papers published by the League.

Mr. Johnson is very proud of the fact that he has two grandchildren, one a boy and one a girl.

United Church Meeting.

W. E. (Pussyfoot) Johnson was listened to with much interest by the united congregations of the Presbyterian, Methodist, and Baptist churches in the Fairville Baptist church on Sunday morning. The church was filled to capacity. Seated on the platform with Mr. Johnson were Rev. Ben Spence of Toronto, of the Dominion Alliance, Rev. C. T. Clark of the Baptist church, Rev. W. M. Townsend of the Presbyterian church, and Rev. J. M. Rice of the Methodist church. After conducting the devotional service Rev. C. T. Clark introduced Ben Spence, who in a few appreciative words introduced the speaker.

Mr. Johnson said, among other things, that "The curse of the drink traffic has been transferred to the innocent victims of the traffic, who have borne the sufferings." He said anti-declared that under prohibition everything was going to the bad, more drunkenness, more drug addicts, etc. and that the law was not properly enforced, but this was not the case. While true the dry law was violated, it was also true that there were far less violations than under license. In closing, he asked, "What are we in this world for anyway? Are we here to live as the wolf or are we here to live as the lamb? Shall we

live as the lycena—for its stomach—or shall we make it a death trap by not enforcing temperance, or shall we take a higher course and make the world brighter, and better and safer for homes and little ones, and have faith in God and fellowman; then no mother need worry about her boy on account of the dirty drink shops around the corner, and then the toiler instead of being ground down would stand erect. This is a dream that can be fulfilled, and will be fulfilled, if good men and women everywhere will get behind the movement for prohibition and not shirk duty, but put their hand to the plow."

Mr. Spence then made a plea for funds to carry on the temperance fund in Canada. The choir sang a beautiful anthem, in which Miss Irma Schofield was the soloist, and Mrs. E. C. Girvan was the organist.

Rev. W. M. Townsend gave a scriptural reading. Rev. J. M. Rice offered prayer. Rev. C. T. Clark pronounced the benediction.

CONCERNING MR. COVEY.

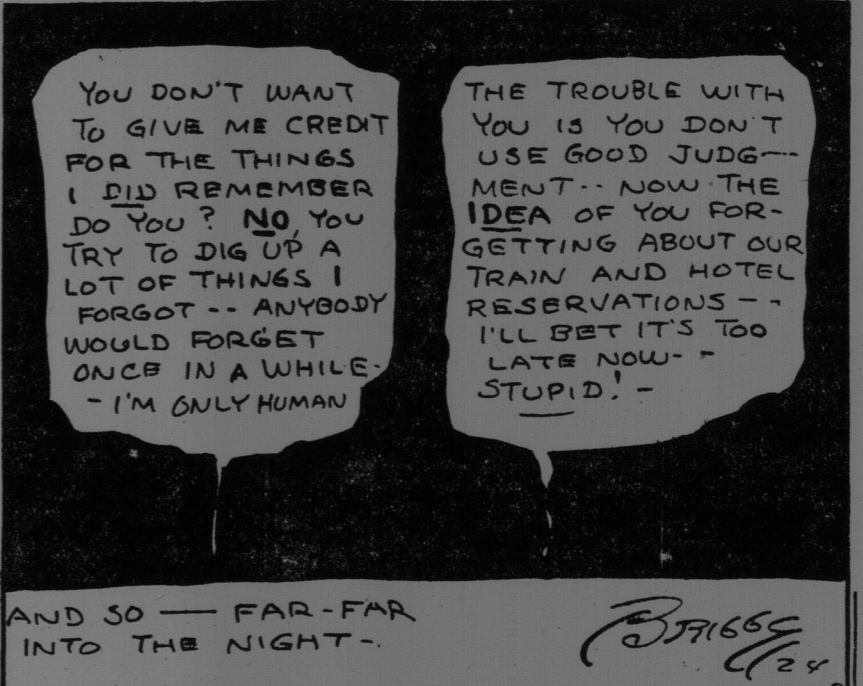

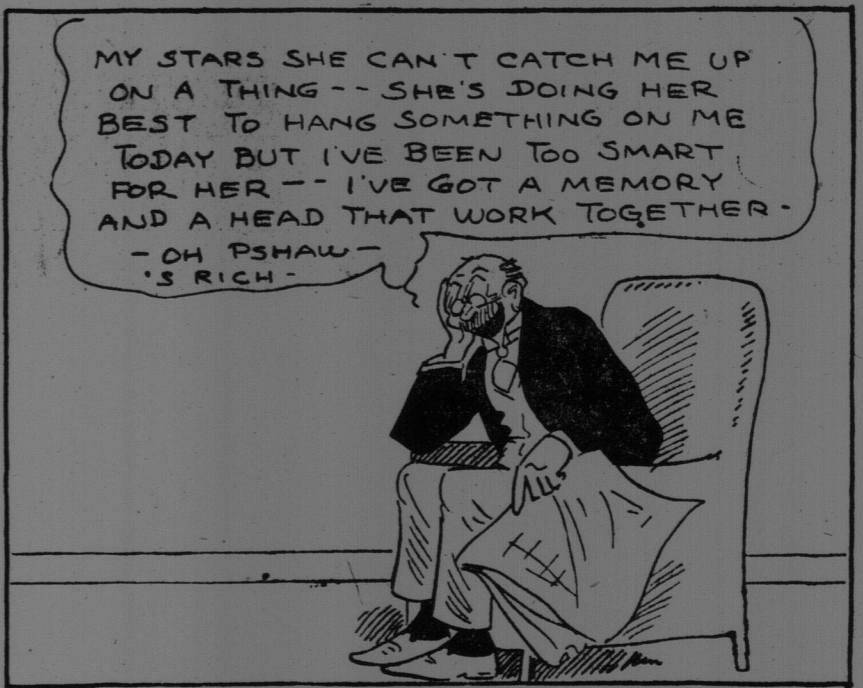

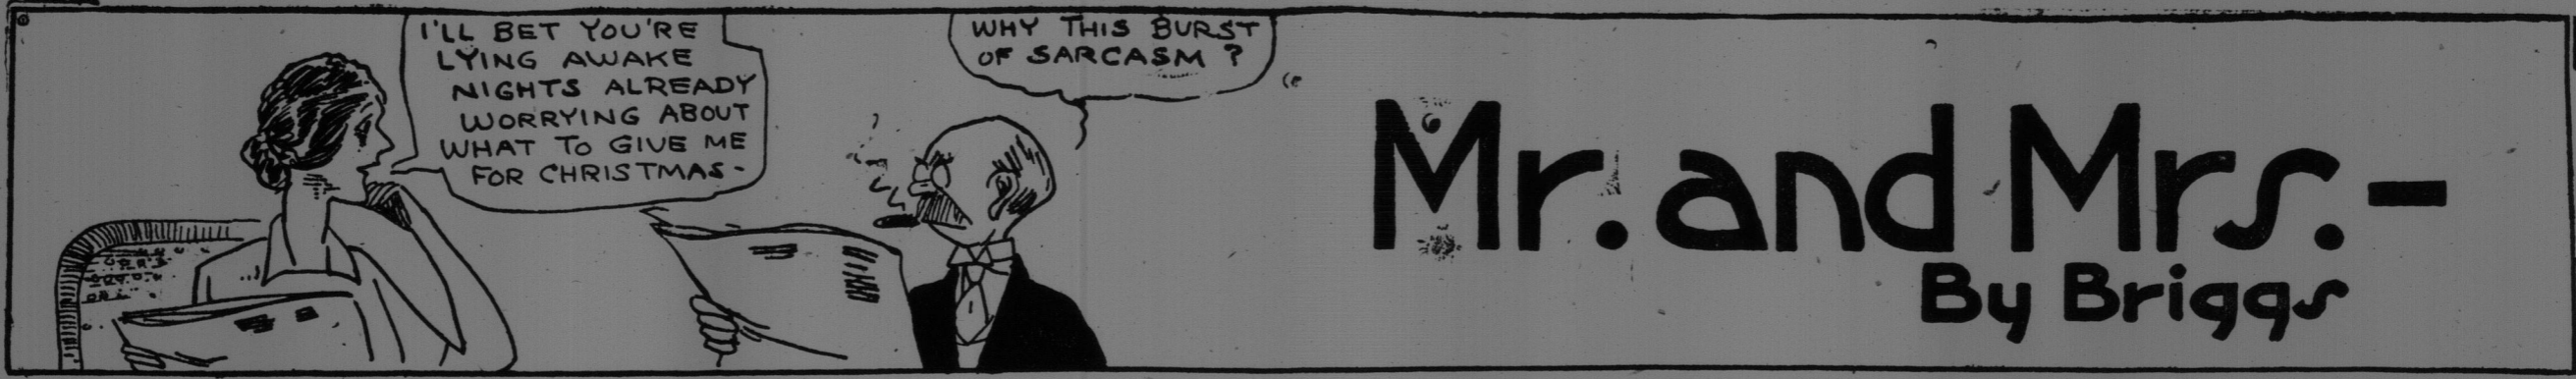

"Sloop" Ross, in the Amherst News, referring to the retirement of A. W. Covey from the presidency of the M. P. B., writes as follows:

"A. W. Covey, after five years of service devoted to the maritime province branch of the Amateur Athletic Union of Canada, has retired. A few people will declare that Mr. Covey has served long enough, others, and perhaps the majority will express a sincere feeling of regret over Mr. Covey's departure from the presidency of the maritime association. His real

has been unflagging. He made his mistakes—made enemies, and made friends. Even his enemies will concede that he has been sincere in his efforts. His work upon the maritime Olympic committee, where he secured four track and field men for the games in Paris, with Charles Gorman, skater from St. John, and Hilton Belyea, St. John, was wonderful. No other man that I know of in the provinces would have been willing to devote the same attention to a matter of this kind. His own money sent several track candidates to Montreal, and for years the M. P. B. of A. A. U. of C. has been in his debt, for actual cash expenditures. Autoeconomy has been unnecessary in his office. The M. P. B. of A. A. U. of C. has been a one man machine. It could not be otherwise. If anything Mr. Covey has been somewhat over-zealous in his efforts to purify maritime sport—and surely that cannot be called a mistake. Rather it is a devotion. His magnificent efforts are appreciated by most of the athletic clubs in the maritime provinces."

MISSIONARY WEEK FOR THE ANGLICANS

City and Country Clergy-men Exchange Churches For the Day

Missionary week for the Anglican churches in the diocese of Fredericton and especially for the churches in St. John deanery opened yesterday when clergymen from country districts occupied the city pulpits and spoke of the cause of missions.

There are thirty-five missions in the diocese needing help. These missions agree to contribute the sum of \$25,850 towards the stipends of their clergy and in addition are apportioned their share of the budget.

The total amount apportioned for the budget for the deanery of St. John for 1924 is \$17,490 divided among the following objects:

Table with 2 columns: Object, Amount. Includes Diocesan missions (\$10,214), M. S. C. U. (\$3,305), Contingent fund (\$1,854), Social service (\$420), G. B. I. E. (\$367), Missions to Jews in Canada (\$245), King's College (\$245), Incapacitated clergy fund (\$420), Widows and orphans' fund (\$420).

This sum of \$17,490 is apportioned among the parishes of the deanery as follows:

Table with 2 columns: Parish, Amount. Includes Carleton (\$1,300), Lancaster (\$300), Musquash (\$50), Petersville (\$115), Portland (\$2,100), Simonds (\$50), St. James (\$800), St. John (\$1,200), St. John Baptist (\$1,200), St. Mark (\$2,400), St. Mary (\$1,050), St. Paul (\$1,900), Victoria (\$1,100), Westfield (\$225).

Following is a list of those who

preached in St. John Deanery yesterday: Trinity—Rev. Archdeacon Newham, St. Stephen, in morning; Rev. A. J. Pastore, Westfield, evening. St. James—Rev. F. C. Gray, Stanley, morning; Rev. J. R. Belyea, Westford, evening. Stone—Rev. F. J. LeRoy, rector-elect of Fairville church, morning; Rev. Archdeacon Newham, evening. St. Paul's—Rev. W. H. Lance, evening. Adam, morning; Rev. W. E. Best, Waterford, evening. St. Luke's—Rev. J. R. Belyea, morning; Rev. R. H. Britton, Kingston, evening. St. Mary's—Rev. W. Martin, Canterbury, morning; Rev. Joseph McAllden, evening. St. George's—Rev. Joseph McAllden, morning; Rev. W. Martin, evening. Mission—Rev. R. J. Britton, morning; Rev. Norman Fairweather, evening. St. Jude's—Rev. W. E. Best, morning; Rev. F. C. Gray, evening. Rothsay—Rev. A. J. Pastore, morning; Rev. F. J. LeRoy, evening. Fairville—Rev. Norman Fairweather, morning; Rev. W. H. Lance, evening. Rev. W. A. Geddes, of Hershched Island, will be at the Cathedral in Fredericton.

The city clergymen were at the following places: Rev. A. L. Fleming, Moncton and Shediac; Rev. R. Taylor McKim, St. Stephen; Rev. J. H. A. Holmes, Hampton and Sussex; Rev. H. A. Cody, Chatham and Newcastle; Rev. C. P. Heaven, Westfield and Rev. C. J. Monkham, Greenwich. Preached in Trinity.

Preaching in Trinity church yesterday morning Ven. Archdeacon O. S.

Newham of St. Stephen, general secretary of the synod and secretary of the home mission board of the diocese, had for his text, the final command of Christ, "Go ye into all the world and preach the gospel to every creature," to which he added the words from Luke, 24:47: "beginning at Jerusalem." Archdeacon Newham declared emphatically that he was not begging. It was not necessary to beg for the work of Christ. He told of the organization in the church for the conduct of missionary enterprises, which are the chief aim of the church and spoke of the Missionary Society of the Church of England in Canada which under the supervision of the general synod apportioned to each diocese the amount which must be raised to carry on the missionary activities of the church at large. The sum apportioned to the diocese of Fredericton, Archdeacon Newham said, was \$8,000. He pointed out the fact that only 18 per cent. of all extra parish contributions asked for was to go to the foreign field.

In explaining the needs of diocesan missions, the Archdeacon told some very interesting facts of church history. When these parts were first settled the Society for the Propagation of the Gospel in Foreign Parts sent missionaries from England and up to 1910 contributions towards the mission of the diocese were received from England. In 1910 the diocesan synod relinquished all further aid from England. The board of home missions of the diocese at the present time had supervision of the mission districts and the administration of a diocesan mission fund. The sum asked from the whole diocese for extra-parochial causes was \$42,300. The spreading of a full knowledge of the needs, Archdeacon Newham felt, was a sufficient means of assuring the raising of the necessary funds.

NEW CHURCH OPENS IN EAST ST. JOHN

The formal opening of the East St. John United Church took place yesterday. Very enthusiastic meetings were held in the morning, afternoon and evening. The special preacher in the morning was Rev. Nell MacLaughlan. He took as his text St. John 21:22 and gave an inspirational message. Following the session of the Sunday school at 2:30 there was a mass meeting at 3 o'clock when the special speakers were Rev. Hugh Miller, moderator of the St. John Presbytery, and Rev. R. G. Fulton, president of the New Brunswick and Prince Edward Island Methodist Conference. Others who took part in the afternoon meeting were Rev. E. E. Styles, Rev. William Lawson and Rev. W. J. Bevis, who is the pastor of the United Church. The chairman of the afternoon meeting was J. W. McEwen. The congregation taxed the capacity of the building.

Rev. Mr. Miller brought greetings from the Presbyterian churches of the city and the Presbytery of St. John. In his address he emphasized three subjects of the church, a place for worship, a place for teaching and a place for service to the community. He spoke also of the individual church as part of the great organization to bring in the Kingdom of God, a unit in touch with all the world.

Decorate Church for Thanksgiving. A Thanksgiving service was held yesterday morning in the Portland Methodist church, the annual observance having been postponed from an earlier date because of the evangelistic services which had been in progress. A great supply of fruits and vegetables sent by the members of the congregation was used to decorate the pulpit and the decorations were arranged by the Young People's Society under the direction of the president, Miss Harriet Wright. Rev. H. A. Goodwin, pastor, preached an appropriate sermon and a pleasing quartet selection was rendered by Miss Elsie Spence, Miss Phyllis McGowan, Fred Jones and H. W. Bromfield. In the evening Rev. Ben. Spence gave a stirring worship service. Next Sunday the Portland church will observe its 98th anniversary with special services.

Large advertisement for ALBRIGHT TOOTHBRUSH. Text: 'Your toothbrush must do this. If you hope to preserve your teeth for life and keep them sound, healthy and pearly white. Note how the pointed, penetrating tufts of bristles in the ALBRIGHT slide clear through the spaces between the teeth, while the shorter tufts clean the even surfaces! SOUND, white teeth are lovely in themselves and a marvelous aid in improving your general health and hence your beauty. To keep your teeth sound and white you must have the right toothbrush; otherwise the film which clouds their beauty and the stains and tartar that mar their sides, cannot be removed. The only toothbrush that will do this for you thoroughly is the ALBRIGHT, because it is designed expressly to give you this necessary cleansing action. 4,118 prominent dentists designed the sloping shape and smaller size and the wedge-like trim of the bristles of the ALBRIGHT. Thousands of other leaders in the dental profession now give their unqualified endorsement. The photo above illustrates the ALBRIGHT principle of design. Press this brush against the teeth and you feel the pointed, cone-like tufts of bristles slide clear through between them—with the cleansing action of dental floss. No other toothbrush does this! Not a vestige of food particles or film remains on the teeth. In a few days the stains and tartar that no amount of brushing could remove with an ordinary toothbrush, is gone! The results are a revelation to all who use the ALBRIGHT. Andrew Albright, Jr., Pres., RUBBERSET COMPANY, Ltd., inventors of the method of holding bristles everlastingly in hard rubber—and for over 40 years makers of the ALBRIGHT-RUBBERSET Shaving, Hair, Nail and Paint Brushes—perfected it. The ALBRIGHT is the only toothbrush that comes to you absolutely sterile. It is sterilized and packed in a Purify Package; no hands touch it till you break the sealed, sanitary plastic envelope in which it is enclosed. No toothbrush packed only in a cardboard box or a receptacle with a perforated screw cap, can be kept sterile. Not being airtight, you have no assurance that the brush was not handled by someone before you. The tufts or bristles in the ALBRIGHT are widely spaced, so that a simple rinsing thoroughly cleanses the brush; no foreign matter remains among the bristles in which germs may breed to be carried into the mouth. The ALBRIGHT is an all-Canadian toothbrush—made in Canada by Canadian workmen. It is the very best made and most beautifully finished toothbrush ever produced. Quantity production and efficiency make possible the unsurpassed quality of the ALBRIGHT at 40c and 30c. Money cannot buy a toothbrush of better quality. The bristles STAY IN—never to come out. SPORT NEWS GLEANED FROM WORLD'S CENTRES

SAYS DAY OF BIG PURSES PASSING

Boxers and Their Managers Realize They Must Face Conditions.

BY HENRY L. FARRELL. (United Press Sports Editor) New York, Nov. 24.—(United Press) Disturbed by the sharp decline of business in the boxing racket, boxers and their managers are now ready to admit that the day of the huge purse is passing and that boxers will have to fight harder in the future and for less money if the sport is to be maintained in the public favor.

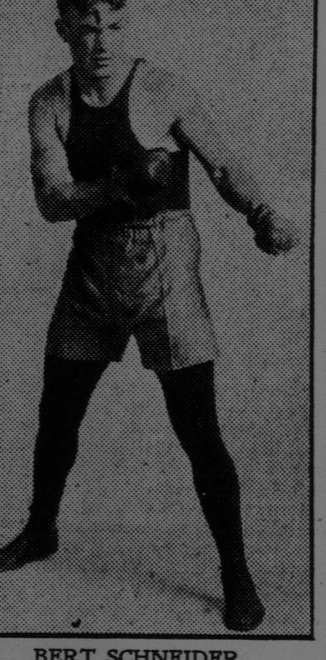

Eddie Kane, manager of Tom Gibbons and Sammy Mandell, two of the greatest drawing cards in the game, was the first prominent hand of boxers to read the signs and he was the first to start a new precedent for modern managers that will have to be followed if the sport is to be revived.

The big purses that once were the most profitable profession in the country for three years resulted from out-door shows and they were patronized so well that promoters could afford to offer absurd purses for the most ordinary attractions. It was foolish to believe that the public would tolerate indefinitely such an exorbitant assessment for the enjoyment of a sport that was decreasing constantly in class by the refusal of the topnotchers to meet real opponents.

Some managers fooled themselves to the notion that the public would stand for anything and they wouldn't consider a match that would demand any kind of a risk for their fighter. The public finally got fed up on poor shows and stopped paying the freight. The Firpo-Wills fight was such a disaster that it practically closed the out-door arenas for the season and almost blew up the business.

Kane learned one lesson when the Dempsey-Gibbons fight blew up in shelly and left him and Gibbons without a red cent for their effort. He had another lesson in London this summer when the promoter of the Gibbons-Bloomfield fight skipped and left him with a perfectly good court judgment for \$35,000 that couldn't be collected.

Canadian Champ. After More Bouts

BERT SCHNEIDER

Canadian welterweight champion, Bert Schneider, is being considered by the matchmaker of the Queensbury A. C. of New York City, for a 12-round decision bout this winter with Jimmy Cox, recent conqueror of Paul Doyle, claimant world's junior-welter title. There is also some talk of this match being staged in Troy, N. Y. Matchmaker Conroy Martin of that place was in New York recently conferring with Tommy Moore, manager of Schneider, and has the Canadian welter to terms. Schneider easily defeated Jimmy Finley, Al Walker, Jimmy Muehe, Johnny King and other top-line welter, and the fans believe that he is now ripe for a battle with Jimmy Cox or any other welterweight of class. It is expected the bout will be staged on New Year's Day, Jan. 1st. A match is now pending between Ken Buris and Schneider for Charlotte, N. C. Buris has lost only two decisions since he started out in 1923.

ST. ANDREW'S FOOTBALL CLUB CONCERT ENJOYED

The St. Andrew's Football Club held a very successful concert last Friday evening at the Seaman's Institute. The hall was filled with a delightful audience that enjoyed every artist. Jock Simpson was given a great reception. He had to respond several times. Art Devine is a coming entertainer and held the audience in good humor with his songs and dialogues. The other members of his company are well known and were in excellent form. Kaden McInerney as a boy singer made a fine impression. During intermission Percy McAvity presented a handsome cup to the St. Andrew's club for winning the St. John Soccer League.

JOHNSON UNABLE TO FINANCE DEAL

Senators' Pitching Ace and Partner Fail to Make Payment.

Oakland, Calif., Nov. 23.—Plant of Walter Johnson, pitching ace of the Washington American League baseball club, is to be sold to the owners of the New Haven Club of the Eastern League, to purchase the Oakland Coast League club have been abandoned, it is announced here today. Johnson and Weiss failed to make their second payment of \$25,000 on the club, which was due yesterday and the deal was called off. The stockholders of the Oakland Club tonight voted to return the initial sum to Johnson and Weiss. Joe Engel, scout for the Washington Club, is at Johnson's home in Reno on a hunting trip and it is reported that he has been authorized to offer Johnson a three year contract with a total compensation of \$90,000. It also is reported that there is a movement on foot in St. Paul to collect a fund by popular subscription with which to purchase the controlling interest in the St. Paul American Association Club and present it to Johnson.

GERMAN CUE STAR'S AFTER HOPPE

Taganlacher Also Anxious to Arrange a Meeting With Horemans.

New York, Nov. 24.—Satisfied with the form he has displayed in exhibition matches during the last two months, Ecol Taganlacher, the Belgian 18.2 ballroom champion, has announced that he would like to meet both Willie Hoppe, the world's champion, and Eddie Egan, the world champion in 18.2 ballroom, in special matches before the international tourney is held. The playing of Taganlacher has been one of the surprises of the billiard season and he clinched a few days ago when he made an unfinished run of 500 in a 600 point game. Horemans is expected in New York shortly from his tour of the Middle West and there is a possibility that Taganlacher will challenge him to a \$500-point match to be played here next month. It will be impossible to arrange a match with Hoppe for some time, as the champion will meet Young Jake Schaefer in two \$200-point ballroom matches on the Coast, the first to start in Los Angeles on Nov. 25 and the second to open in San Francisco on the afternoon of Dec. 2. Hoppe, it is known, is not averse to meeting any of the headliners and doubtless would welcome a match with Taganlacher, to be played in January, as a warm-up for the championship tournament.

DISCIPLINE IN RED ARMY STIFFENED

Moscow Commander Issues Order Against Slackness in Dress.

Moscow, Nov. 24.—(United Press) Discipline in the Red Army is assuming the most rigid forms, and a recent order of the commander of the Moscow military district illustrates the enforcement of an unaccustomed strictness upon the more easy-going and lenient spirit hitherto prevailing among officers and troops. The commander's instructions denounce the "untidiness and carelessness" apparent among the Moscow troops and even among those of higher rank. "It is common to see uniform coats unbuttoned," declares the commander, "overcoats worn as capes, hats pushed back upon the head and tunics unbuttoned." "It would seem," concludes the commander, cynically, "that this untidiness is regarded by many of the men as an expression of their 'patriotic discontent'."

TWINS ENGAGE IN BOXING BOUT. Boys Seven Years Old Take Part in Amateur Tournament. For the first time in any boxing ring there was a tissue-paperweight bout in the amateur boxing tournament held in Madison Square Garden last week when the Michel Twins, 7 years old and weighing together 110 pounds hooked up in a slashing three-round contest. At the finish Referee Mickey Walker, welterweight champion of the world, called it a draw. Each youngster scored one knockdown. When Bob dropped Frank, Walker rushed over and picked him up much to the miniature boxer's disgust. In fact, he was so incensed that he took a swing at the referee. After the bout Benny Leonard and Walker shook hands in the ring and Benny told the crowd he was glad to meet Walker and hoped to meet him again when he could get a purse for it.

BASKETBALL LEAGUE. A meeting has been called for this evening of the St. John Senior Intermediate Basketball League, to take place in the Y. M. C. A. at 7:30 o'clock. The meeting will be for the purpose of organizing the league for the coming season's play and all teams desirous of entering should have a representative at the meeting. SHADE TO MEET PHIL KRUG. Dave Shade, California welterweight, who has been recognized as the foremost challenger for the world's championship held by Mickey Walker, is scheduled to meet Phil Krug, the Harrison, N. GOVERNMENT QUILTS AFTER INDEMNITY OF £500,000 PAID

(Continued from page 9.)

pliance with which within 24 hours was specifically mentioned, it is assumed that the Egyptian Government will be allowed a reasonable time to fulfill the other stipulations. There is no expectation, however, of any weakening in the British determination to see the terms of the note strictly observed.

Commenting editorially on the situation, the Times today says there can be no reasonable doubt that the course adopted by the British government was a necessary one, not only for its own interests but for the interests of all civilized nations. The paper remarks that all the demands made in the note presented by Lord Allenby fall within the four points reserved to the discretion of His Majesty's government when the independence of Egypt was recognized.

The Morning Post and Daily Telegraph, Conservative, the Daily Mail, Independent, and the Westminster Gazette, Liberal, entirely approve the British note, as does the Independent Daily Express, with the exception that it regrets that the indemnity exceeded the amount intended for the victim's family.

The size of the indemnity is also among the objections raised by the Daily News, Liberal paper. The demand for Egypt's withdrawal from the Sudan is a very grave decision which may have serious consequences in Egypt, adds this paper, which also suggests the Sudan should be administered under the League of Nations mandate.

The Daily Chronicle, Liberal, while favoring strong measures, regards some of the demands as needlessly and unwise severe.

Herald Is Critical

The Laborite Daily Herald denounced the whole British action as "terribly reminiscent of the Austrian note to Serbia which led to the Great War" and says it constitutes the severest blow struck at the authority of the League of Nations, to which body the matter should have been referred.

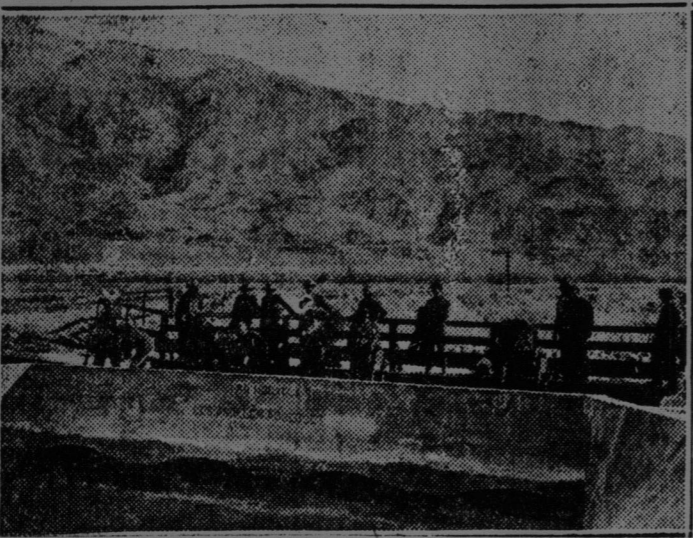

Special despatches from Cairo say that the note caused greatest satisfaction among the British residents in Egypt, who, however, would have preferred the conditions to include compulsory restraint on the native press. It is remarked that, unless the crisis is speedily settled, the tourist season in Egypt will certainly suffer, with consequent great pecuniary loss to the Egyptians. The season has already begun and large steamship accommodations have been reserved. Many of these doubtless will be cancelled unless a peaceful outcome is quickly assured.

British Demands

The Foreign Office last night issued the text of the communication which was in the form of two notes. The first note referring to the brutal murder of General Stack, says: "His Majesty's Government consider this murder, which holds up Egypt as at present governed to the contempt of civilized peoples, is the natural outcome of a campaign of hostility to British rights and British subjects in Egypt and Sudan, founded upon a heedless ingratitude for benefits conferred by Great Britain, not discouraged by Your Excellency's Government and fomented by organizations in close contact with that Government."

"Your Excellency was warned by His Majesty's Government that any such course would result in the severest consequences."

ON THE LOS ANGELES AQUEDUCT

This is one of the control gates on the Los Angeles aqueduct, which supplies the southern California city with water from the central part of the state. Ranchers claim that the city is stealing the water which makes their land productive, and, to force the issue, opened gates like these, so that water poured from the aqueduct into the Owens River. Los Angeles authorities called for state troops to prevent fighting.

His Majesty's Government a little more than a month ago of the consequences of failing to stop this campaign, more particularly as it concerned the Sudan. It has not been stopped. The Egyptian Government have now allowed the Governor-General of Sudan to be murdered and have proved they are incapable or unwilling to protect foreign lives.

The Egyptian Government therefore require that the Egyptian Government shall, firstly, present an ample apology for the crime; secondly, prosecute an inquiry into the authorship of the crime with the utmost energy and without respect of persons, and bring the criminals, whoever they are, before the law; thirdly, henceforth forbid and vigorously suppress all popular political demonstrations; fourthly, pay forthwith to His Majesty's Government a fine of £500,000; fifthly, order within 24 hours the withdrawal from Sudan of all Egyptian officers and purely Egyptian units of the Egyptian army, with such resulting changes as shall hereafter be specified; sixthly, notify the competent department that the Sudan Government will increase the area to be irrigated at Geira from 300,000 feddans (a feddan approximately is an acre) to an unlimited figure as the need may arise; seventhly, withdraw all opposition in respect hereinafter stated to the wishes of His Majesty's Government concerning protection of foreign interests in Egypt.

Will Take Action

"Failing immediate compliance with these demands, His Majesty's Government will at once take appropriate action to safeguard their interests in Egypt and Sudan."

The second note details the specific requirements respecting the army in Sudan and the protection of foreign interests in Egypt as follows: "Firstly, Egyptian officers and purely Egyptian units of the Egyptian army having been withdrawn, Sudanese units of the Egyptian army shall be converted into a Sudan defence force, owing allegiance to the Sudan Government alone and under the supreme command of the Governor-General, in whose name all commissions will be given."

"Secondly, the rules and conditions governing the service, discipline and retirement of foreign officials still employed by the Egyptian government and the financial conditions governing the pensions of foreign officials who have left the service shall be revised in accordance with the wishes of His Majesty's Government."

"Thirdly, pending the conclusion of an agreement between the two govern-

of confidence in the Government with only one dissenting vote. The reply again expressed sorrow and horror at the execrable murder of Major-General Stack, but said the Egyptian Government could not admit that it was in any way responsible; neither could it admit that the crime was the natural result of the political campaign. Nevertheless the Government agreed to the payment of the indemnity demanded.

DINNER PLANS ARE NOT YET COMPLETE

Three Toasts in List at Sir Henry Thornton's Banquet.

Arrangements for the complimentary dinner to Sir Henry Thornton, to be tendered him by the Board of Trade on Wednesday evening at the Union Club, are now being made and it is expected the capacity of the dining room at the Club will be taxed to care for the number who will wish to attend. Further progress with the plans will be made this afternoon.

Col. A. R. Macle is chairman of the committee for the banquet. He said today that it was probable that only three toasts would be proposed, "The King," "Our Guest" and "The C. N. R. System." The invited guests will include Sir Henry and his party and the Mayor and City Commissioners. An orchestra will be present and provide music during the dinner.

Arrange for Conference.

At a joint meeting of the City Council, port committee and delegates from the Board of Trade, held at noon in the office of Mayor Potts, a programme for a conference with Sir Henry was agreed upon. This afternoon Mayor Potts will wire Sir Henry asking him to meet the city council, port committee and representatives of the Board of Trade at 3 o'clock on the afternoon of Wednesday, in the office of the Mayor. Those present this morning were the Mayor and city commissioners, President G. E. Barbour of the Board of Trade, H. C. Schofield, L. W. Simms, D. W. Ledingham, L. V. Lingler, A. P. Paterson, and A. E. Massie.

NEW BUILDING BY-LAW COMING

City Committee Will Have It Ready for the Legislature.

At a meeting of the city commissioners this morning Commissioner Harding reported that he had been successful in getting the committee which had been named to revise the building by-laws together and they would have a new by-law prepared in time for submission at the next session of the Legislature.

An invitation from the Board of Trade to the Mayor and commissioners to attend the banquet to be tendered Sir Henry Thornton, president of the C. N. R., on next Wednesday, was accepted.

A letter from F. M. Ross to Mayor Potts saying that the Canadian High Commissioner was making every effort to have St. John placed on a parity with other Atlantic ports in the matter of marine insurance, was read and ordered filed.

Commissioner Frink reported that the railway siding at the public works yard at the east end of Broad street needed repairs and he was given authority to have this work done at an estimated cost of \$250, the work to be done by the C. N. R. and paid for out of public works appropriation.

CHARGE THAT HE THREW BOY INTO WATER

Louis Walsh was taken into custody yesterday on a warrant charging him with assaulting Donald Holmes by throwing him into the harbor on November 21 and thus endangering his life. Walsh was in the police court this morning. He was informed that the authorities were not ready to go on with his case and he would be remanded to jail for three days.

It is said that boys were throwing stones and the defendant chased them and caught young Holmes. He is then said to have carried him to a slip which leads from Chesley street into the harbor and to have thrown him into the water. The water is said to have been shallow and the boy was able to wade ashore.

A TAXI MATTER.

John H. Semone appeared before Magistrate Henderson at noon today on a charge of operating a taxi without a license. The defendant said that he had a chauffeur's license and had purchased the taxi from a man who had secured a license. He considered that he was entitled to operate his automobile until the expiration of that license. He was informed that, according to law he could not, but he was given an opportunity to take the matter up with the proper authorities.

MINISTERS' MEETING.

Reports of the opening services in the United Church at East St. John recently were presented to a meeting of the local Methodist ministers this morning. Rev. E. E. Styles presiding. Other routine business occupied the time. The ministers present were: Rev. A. D. McLeod, Rev. George Orman, Rev. Neil MacLaughlan, Rev. R. G. Fulton, Rev. William Lawson, Rev. J. M. Rice, Rev. J. K. King, and Rev. Walter J. Small.

HAVE LUNCHEON TOGETHER.

The Rotary Club and the Gyro Club held a joint luncheon at noon today in the Pythian Castle with H. Mont Jones, president of Rotary, and Ralph Gale, Gyro president, acting as joint chairmen. Club choruses were given with a marked degree of liveliness. Because of this meeting, Gyro will not hold its weekly gathering tomorrow.

IN BUSINESS AGAIN.

The light on the gas buoy at Black Point, which was out of commission a few days last week, was working again on Saturday. It was announced this morning at the local Marine and Fisheries Department.

PUT IN NEW MACHINERY.

G. J. Scott, of Cornwall, Ont., who has been in the city for some time installing new machinery in the Cornwall Cotton Mill, left on Friday evening for Montreal where he will spend a few days visiting his son before proceeding to his home.

GRAIN POURS IN.

Over the week-end 300,000 bushels of grain arrived at West St. John for the C. N. R. elevators. This brings the total on hand up to 1,300,000 bushels. Another 150 cars are en route here and are expected to arrive in the city tomorrow or Wednesday.

THREE OVER WEEK END.

Three men were arrested over the week-end charged with drunkenness. Two were allowed out on deposits of \$8 and, failing to appear in the police court this morning, their money was declared forfeited. One man pleaded guilty to the charge and was fined \$8 or two months in jail.

FOR SAFETY FIRST.

W. A. Booth, of Montreal, director of Safety First and First Aid for the entire C. N. R., is in the city today. He addressed a meeting of the local branch of the C. N. R. Safety First League at the depot this afternoon. W. H. Tout, safety first engineer for the Atlantic Region of the C. N. R., is accompanying Mr. Booth on his tour through the Maritime Provinces.

DIED IN WEST.

Henry Hamm of Grand Bay, N. B., has received the sad news of the death of his nephew, Oscar Gregg, which occurred at Ladysmith, B. C. on Oct. 24. Mr. Gregg was a former resident of Grand Bay and many friends will learn of his death with regret. He was a son of the late William and Ada Gregg. He leaves to mourn his wife and four small children.

CASE SET FOR WEDNESDAY.

In the police court this morning John Murphy, Jr., was charged with assaulting and doing bodily harm to Frank Zelek in Pond street and also acting with others and stealing \$12.50 from him. E. J. Henneberry announced that he was appearing for the defendant. Sergeant Detective Power asked that the case be set aside until Wednesday morning at 10 o'clock. His request was granted.

CHARGED WITH STEALING.

That he did steal \$37.65 from the Purty Ice Cream Company in 1922 while in that company's employ was a charge read against Walter Moulensou in the police court this morning. No evidence was taken as Sergeant Detective Power asked for a remand to prepare the case. The defendant was remanded until Wednesday morning at 11.30 o'clock. He was arrested on Saturday night by Sergeant Sullivan and Policeman Killen. E. J. Henneberry appeared for the defendant.

PLAN FOR CHRISTMAS.

The Blue Banner Bible Class of St. Matthew's Presbyterian church held their first social of the season at the home of the president, Miss Annie Ken, 200 Rockland road last week. Twenty-one members were present and special guests were Austin Galbraith, superintendent of Sunday school and Mrs. J. W. Britton, wife of the pastor of the church. A short business meeting was first held and arrangements made for a Christmas treat and entertainment. A musical programme was then rendered, and dainty refreshments were served by the hostess.

BURED TODAY.

The funeral of Mrs. Julia A. Johnston was held this afternoon from her late residence, 2 Gernain street, in Trinity church, where service was conducted at 8 o'clock by Rev. C. J. Markham. The choir of the church sang appropriate hymns. Interment was made in Fernhill. The funeral of Robert Aitken was held this afternoon from his parents' residence, 13 Holly street, in St. Peter's church. Service was conducted by Rev. E. Mehan, C. S. R. A delegation from the D. S. C. R. hospital attended, and the pall-bearers were chosen from among patients at the Lancaster Hospital. Many beautiful floral and spiritual offerings were received, among the former being a large sheaf of carnations from the Red Cross. Interment was made in the new Catholic cemetery.

TRAFFIC CASES.

Three violations of traffic laws were dealt with in the police court this morning. D. A. Porter was reported for falling to stop when signalled by Policeman Young at King and Prince William streets. He said that he had not seen any signal, a fine of \$5 was struck.

Norbert Donovan was reported by Policeman Young out of control sounding his klaxon and falling to give a signal while passing King and Prince William streets. He was also fined \$5.

Lester Bridges was reported for exceeding the speed limit in Prince William street and falling to sound his klaxon at Duke street. Policeman Young testified that he had seen him exceeding the speed limit twice later on the same day. A fine of \$10 was imposed.

GOLDEN WEDDING IS CELEBRATED

Mr. and Mrs. Arthur Kirkpatrick Centre of Happy Gathering.

An outstanding point in life's journey was reached on Sunday by Mr. and Mrs. Arthur Kirkpatrick, when they celebrated their golden wedding at their home in Westfield. As the anniversary took place on Saturday evening and took the form of an invasion of their home by a large number of friends who called to congratulate the worthy bride of 1874 and to show their good will in a happy presentation.

Mr. and Mrs. Kirkpatrick were taken greatly by surprise when their friends from town and country arrived. A very happy and pleasant time was spent in games and social intercourse, after which delicious refreshments were served, the piece de resistance being a large wedding cake surrounded by a miniature bride and groom. Rev. Robert Smart, in a very happy and appropriate speech, then offered the congratulations and good wishes of all and presented to Mr. and Mrs. Kirkpatrick a golden purse filled with gold coins, and Miss Edith Stephens presented an old-fashioned bridal bouquet.

After the presentations, Mr. and Mrs. Kirkpatrick were recipients of gold tokens from their sons. First was his wife; Mrs. Chas. H. Ramsey, Sr., and Miss E. Beatrice Smith. Those present were: Mr. and Mrs. John P. Fulton, Mr. and Mrs. T. H. Estabrooks, Mr. and Mrs. Robert Smart, Mr. and Mrs. E. R. Machum, Mr. and Mrs. Arthur Gilmour, Mr. and Mrs. Charles H. Ramsey, Mr. and Mrs. F. G. Spencer, Mr. and Mrs. Harold MacMichael, Mr. and Mrs. Wm. Foster, Mr. and Mrs. Wm. Robson, Mr. and Mrs. Fred Barbour, Mr. and Mrs. Fred A. Kirkpatrick, Mr. and Mrs. Blanchard, Mr. and Mrs. W. Stephen, Mrs. John McIntyre, Mrs. Geo. A. Smith, Mrs. R. A. Finley, Mrs. Frank Smith, Mrs. Pickett, Mrs. F. Gilliland, Mrs. Rowley, Mrs. Geo. Crawford, Mrs. Edith Stephens, Miss Dorothy Robson, Miss Porter, the Misses Jean and Helen Smith, the Misses Minnie and Ella Ballentine, Messrs. Kenster, Harper and Caulfield.

Mr. and Mrs. Kirkpatrick for some year spent the summer at Westfield, and for the last few years have made their year-around home there. Each was born in England, Mr. Kirkpatrick at Walsall. Coming to St. John as a young man, he was with the London House retail department, and some time after the fire went to the Vasek wholesale house, where he remained until his retirement from active business life a short time ago. Mrs. Kirkpatrick was, before her marriage, Miss Frances E. MacMichael. Their wedding took place in the old Verner building, Mount Pleasant, on Nov. 23, 1874. Rev. Mr. Dood officiating. There is one son, Fred, who is now in this city, after five years in Seasmith, Alberta, where he and his wife and son went after Mr. Kirkpatrick's return from the battlefields of France. Mrs. Kirkpatrick, Jr., was Miss Ida Ramsey, of this city.

In addition to those who took part in the happy celebration at Westfield on Saturday, there are many friends in the city and province who will wish the jubilee celebrants many more happy years.

BANKERS' BOWLING LEAGUE IS OPENED
