*Re Militia Revenue—Sale of Stores.*

AUDIT OFFICE, OTTAWA, June 7, 1897.

SIR,—I have to call your attention to the stores issued to C. C. Cummings, entered on the revenue return for May.

The only information furnished is a memo. signed by the secretary of the department, to the effect that the following stores were issued to C. C. Cummings on repayment:—

1,000 pairs black ankle boots, at 50½ cents.....	\$ 550 45
690 " brown " at 50½ cents.....	348 45
775 " black long boots, at 70 cents.....	542 50
1,750 " brown " at 70 cents.....	1,225 00
1,092 white cotton shirts, at 15 cents.....	163 80
	<u>\$2,830 20</u>

None of the usual certificates have been furnished.

I am sir, your obedient servant,

The Deputy Minister of Militia.

J. L. McDOUGALL, A.G.

*Re Sale of Condemned Stores, &c.*

AUDIT OFFICE, OTTAWA, December 31, 1897.

SIR,—I have again to call your attention to the omission of having advertising accounts certified by the Queen's Printer; and to the different rates of commission charged by the auctioneers who conduct the sales of condemned stores, &c.

There were two sales at Quebec, and in each case \$4 was charged for advertising, but no voucher was furnished. I would like to have the voucher in each case.

The advertising of the sales at Toronto and Montreal was charged to expenditure, and the advertising of all the other sales was made a charge against revenue. This is objectionable.

The auctioneer's charges for commission on sales vary from 4 per cent to 10 per cent. For the sale at Winnipeg, 10 per cent is charged, and in addition \$6 for a clerk for two days. Should the auctioneer not be called on to refund this amount?

I am, sir, your obedient servant,

The Deputy Minister of Militia.

J. L. McDOUGALL, A.G.

*Re Arrears Due.*

AUDIT OFFICE, OTTAWA, January 4, 1897.

SIR,—On the statement of arrears due to your department, as rendered last year and published in the Audit Report of 1895-96, there appear the following:—

Estate late Col. de Bellefeuille.....	\$1,262 05
Estate Beaudet & Chinic.....	438 16

These items do not appear on the statement of arrears inclosed in your letter of the 3rd instant, and I have to ask if these amounts have been paid.

I am, sir your obedient servant,

The Deputy Minister of Militia.

J. L. McDOUGALL, A.G.

## Re Arrears Due.

NORTH-WEST MOUNTED POLICE, OTTAWA, Dec. 24, 1897.

SIR,—Referring to your circular letter asking for a detailed statement, arranged alphabetically, of all arrears due on the 30th June last that had not been paid: (1) by collecting officers; (2) by disbursing officers; (3) by all other persons whether government officers or not.

1. We have no collecting officers.

2. All amounts relating to the fiscal year 1896-97 have been accounted for by disbursing officers, except one advance of \$300 made in April last to an officer in charge of a party of Mounted Police *en route* to the Yukon.

3. On the 30th May, 1895, an advance of \$1,000 was made to Inspector C. Constantine, who was then leaving the North-west Territories in command of a detachment of police for duty in the Yukon district. The last returns received from him left a balance of \$669.72 unexpended.

I have delayed replying to your letter in the hope of receiving vouchers in support of the expenditure of the above amounts, but all our returns from the Yukon are several months overdue.

I am, sir, your obedient servant,

The Auditor General.

FRED. WHITE, *Comptroller.*

## Auditor General's Report—Part N

### Payments for Travel and Board made to a Temporary Clerk.

AUDITOR GENERAL'S OFFICE, OTTAWA, May 1, 1897.

SIR,—I beg to bring to your notice several payments for travel and board made to Mr. John Kahala, employed up to November 30th last so far as the vouchers sent me show, as a temporary clerk in the office of the post office inspector at Sherbrooke, to the amount of \$71.20.

Mr. Kahala had been previously employed at Ottawa as a railway mail clerk, but I do not think that his transfer to Sherbrooke gave him any claim for board.

An extra clerk has no claim for anything but the allowance mentioned in the Act while he has stationary employment at a place.

I have the honour to be, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPARTMENT, OTTAWA, May 3, 1897.

SIR,—In reply to your letter of the 1st instant, respecting the allowance made to Mr. John Kahala, temporary railway mail clerk, I beg to explain that Mr. Kahala has his home in Ottawa; but he has been employed for a short time at Sherbrooke, and he is now similarly engaged at Quebec; under these circumstances, as he belongs to the Ottawa division, and is being employed at other places for short periods for the convenience of the department, it seemed only reasonable that his expenses whilst so temporarily employed should be defrayed by the department.

I have the honour to be, sir, your obedient servant,

The Auditor General.

WM. WHITE, D.P.G.

AUDITOR GENERAL'S OFFICE, OTTAWA, May 13, 1897.

SIR,—I beg to acknowledge the receipt of your letter of the 3rd inst., in explanation of several payments for board and lodging made to Mr. John Kahala while stationed at Sherbrooke as a temporary clerk. I cannot agree with your contention that Mr. Kahala belonged to the Ottawa division in the sense that he was a temporary employee attached to the Inspector's office at Ottawa, during the time he was employed at Sherbrooke. He was, it seems to me, a temporary clerk of the division in which he happened to be employed, and there was no more obligation on the department to pay his board at Sherbrooke than at Ottawa. A temporary clerk employed in one of the departments here would not be entitled to a board allowance on the ground that his home was at Toronto, and that he had been previously employed there in a similar capacity.

If Mr. Kahala were employed at Sherbrooke on temporary work in connection with the Ottawa division which could not be as efficiently performed by a temporary clerk, selected in the ordinary manner, then I think his board and reasonable travelling expenses might be paid during his absence from home, but the case has not been represented in this light.

I have the honour to be, sir, your obedient servant,

The Deputy Postmaster General

J. L. McDOUGALL, A.G.

### Daily Allowance to cover travelling expenses paid to Colonel White.

AUDITOR GENERAL'S OFFICE, OTTAWA, May 11, 1897.

SIR,—I am in receipt of a copy of an Order in Council of the date of May 4, 1897, granting to Lt. Col. White, Deputy Postmaster General, in addition to his actual travelling expenses, the sum of ten dollars per day, to cover all other expenses in

connection with his trip to Washington as a delegate from Canada to attend the Postal Union. I beg to point out that in my opinion a payment to a civil servant in connection with his travel of any amount over and above his actual expenses is an addition to his salary and contrary to the provisions of the Civil Service Act, and that therefore the payment to Lt. Col. White of any sum over his actual travelling expenses would be an illegal payment.

I have the honour to be, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

AUDITOR GENERAL'S OFFICE, OTTAWA, September 4, 1897.

SIR,—I have to call your attention to an item in Lieut. Col. White's statement of travelling expenses for a trip to Washington. The item is as follows:—

May 6 to June 17— 41 days at \$10..... \$410 00

Please ask Mr. White to furnish a detailed statement of his expenses for this period, to show that the amount of allowance was actually expended.

I have the honour to be, sir, your obedient servant,

The Accountant of Contingencies.

J. L. McDOUGALL, A.G.

AUDITOR GENERAL'S OFFICE, OTTAWA, September 10, 1897.

SIR,—I beg to inform you that I have received an Order in Council of August 10, last authorizing the employment of Lieut. Colonel Wm. White, late Deputy Postmaster General, in connection with a system of examination proposed to be established by the Postmaster General to test the efficiency of the staff of the Railway Mail Service and other branches of the outside service of the Post Office Department.

By this order the sum of \$5, in addition to his moving expenses, is allowed Colonel White for every day on which he is absent on the duty assigned him; and in this regard I desire to bring to your notice an Order in Council of February 6, 1893, governing travelling expenses, which was passed partly owing to the objections repeatedly raised by this office against the legality of granting daily allowances to cover travelling expenses. It has always seemed to me that the payment of such allowances was, in so far as the rate authorized exceeded the actual necessary expenditure, simply and increase of salary without statutory authority.

It is now the almost invariable rule to reimburse persons travelling in the public service their actual expenses as shown by account rendered, and in my opinion, this course is the only legal one. I may mention that since its adoption the saving to the country in travelling expenses has been considerable. Apart from the legality of substituting a daily allowance for actual expenses, you will understand how complicating must be the work of auditing accounts when there is no uniformity in the various departments respecting the different expenditures under their control. I shall be glad, therefore, if you will give this matter your consideration with the view of having the actual cost incurred by Colonel White made the basis for the payment of his travelling expenses.

I have the honour to be, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

### Authority for several Payments in connection with Investigations not sent me.

AUDITOR GENERAL'S OFFICE, OTTAWA, February 13, 1897.

SIR,—I beg to point out in connection with a payment of \$136.05 from the Vote for Post Office Miscellaneous, during the current fiscal year to Mr. Geo. W. Dawson for services and expenses inquiring into the Mail Service at Cape Breton, that I have not received the authority of the Governor in Council for the appointment of Mr. Dawson and for the rate (\$5 per diem) at which he has been paid for his services.

I have the honour to be, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

---

AUDITOR GENERAL'S OFFICE, OTTAWA, May 22, 1897.

SIR—I beg to bring to your notice two payments amounting to \$364 made during the current fiscal year to W. F. Munro, for services from January 8 to February 28, 1897, preparing a special statement for the Postmaster General.

Mr. Munro has been paid at the rate of \$5 per day—Sundays included—with \$2 per day additional for living expenses.

Please let me know the authority under which this expenditure has been incurred.

I have the honour to be, sir, your obedient servant,

The Acting Deputy Minister, Post Office Dept.

J. L. McDOUGALL, A.G.

---

AUDITOR GENERAL'S OFFICE, OTTAWA, January 11, 1898.

SIR,—I beg to bring to your notice a payment of \$828.25 made to Mr. W. H. Cross, from the Vote for Post Office Miscellaneous, during the fiscal year 1896-97, for 29 days' services at the department between February 7 and May 25, 1897, at \$25 per diem and disbursements. The authority of the Governor in Council for the appointment of Mr. Cross, or for the rate at which he has been paid for his services, has not been sent me.

In this connection I desire to call your attention to my letter of May 22, 1897, respecting two payments for similar services to Mr. W. F. Munro. I learn from the accounts sent me subsequently to the date of that letter that Mr. Munro was retained in the service of the department until May 31, 1897, and received altogether for services and disbursements \$1,050.65; though there is no Order in Council, so far as I am aware, authorizing either the rate of remuneration or the living allowance.

As pointed out in my letter of December 22 ultimo, the authority of the Governor in Council should, in my opinion, be obtained for the rate of pay in cases of this kind; and in respect of the daily living allowance to Mr. Munro, it was, as you are doubtless aware, contrary to the explicit directions of Council as contained in the Order of February 6, 1893.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

---

AUDITOR GENERAL'S OFFICE, OTTAWA, May 22, 1897.

SIR,—I beg to bring to your notice several payments made during the current fiscal year to Messrs. C. Seager, S. S. Lazier and L. Lavergne, for remuneration and expenses in connection with investigations held by them at various post offices. The amount paid to March 31, 1897—\$746.26—has been charged against the appropriation for Post Office—Miscellaneous.

Please let me know the authority under which this expenditure has been incurred, and your reasons for having paid it from the Vote for Post-Office miscellaneous.

I have the honour to be, sir, your obedient servant,  
The Acting Deputy Postmaster General. J. L. McDOUGALL, A.G.

AUDITOR GENERAL'S OFFICE, OTTAWA, May 22, 1897.

SIR,—I beg to point out, with reference to the accounts rendered by Mr. Frank Pedley for legal expenses in connection with an investigation held at Pickering Post Office, that they are not certified by the Department of Justice.

I should like to know your reasons for making expenditures incurred in connection with those special investigations a charge on the Vote for Post Office Miscellaneous.

I have the honour to be, sir, your obedient servant,  
The Acting Deputy Postmaster General. J. L. McDOUGALL, A.G.

AUDITOR GENERAL'S OFFICE, OTTAWA, December 22, 1897.

SIR,—I beg to inform you that I have quite recently received an Order in Council of November 27, 1896, giving authority to the Postmaster General, under chapter 115, R.S.C., to appoint commissioners for the purpose of inquiring into charges of political partisanship preferred against certain postmasters, but there is no direction from the Governor in Council in regard to the rate of remuneration at which the commissioners appointed by the Postmaster General may be paid.

It seems to me that the remuneration in these cases should be authorized by Council, and in this opinion I am borne out by the practice of the Departments of Justice, Interior and Marine and Fisheries, in cases similar to those dealt with by the Postmaster General.

I have the honour to be, sir, your obedient servant,  
The Deputy Postmaster General. J. L. McDOUGALL, A.G.

### **Hamilton Post Office—The necessary refunds not made by the Postmaster and Assistant.**

AUDITOR GENERAL'S OFFICE, OTTAWA, December 9, 1897.

SIR,—With reference to previous correspondence in regard to the salaries that should have been paid the postmaster and assistant postmaster at Hamilton during the fiscal year 1895-96 (see Report of this office, 1896, page N-47), I beg to point out that according to the pay-lists sent me for the year ended June 30, 1897, the instructions of the Postmaster General, as indicated in the deputy's letter of November 30, 1896, have not been carried out. The postmaster and his assistant were paid the full salaries of last year, no deduction having been made, as directed by the Postmaster General, for the overpayment of the previous year. There appears to be no explanation to justify the course which has been taken by your department in this matter. If there is none, be good enough to keep the overpayments from the respective salaries as they mature.

I have the honour to be, sir, your obedient servant,  
The Deputy Postmaster General. J. L. McDOUGALL, A.G.

## Auditor General's Report—Part N

### Accounts for Legal Expenses not certified by the Department of Justice.

AUDITOR GENERAL'S OFFICE, OTTAWA, December 7, 1897.

SIR,—With reference to the accounts for legal services and expenses sent me in support of payment made by the Post Office Department during the fiscal year 1896-97, I beg to call your attention to the following, which are not certified by the Department of Justice.

Denton and Dodds, voucher 2041.....	\$ 28 50

Kerr & Kerr, voucher 1842.....	154 90

W. B. A. Ritchie, vouchers 1595, 1608.....	3 50
H. W. Sinclair, voucher 2412.....	116 97

The certificate of the Department of Justice to all accounts rendered for legal services is made necessary, before payment may be made by any of the departments of the government, by an Order in Council of April 12, 1879, which you will find published at page XV of the executive regulations in the report of this office for the year 1896 ; and in view of the explicit directions of Council in this respect I shall be glad to have your reasons for having paid the accounts in question before procuring the necessary certificate.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Postmaster General.

### Payment in connection with a Country Post-Office.

AUDITOR GENERAL'S OFFICE, OTTAWA, December 7, 1897.

SIR,—I beg to bring to your notice a payment of \$100, made to James Bridges by cheque 2632 of the fiscal year 1896-97, "in full settlement of claim for amount expended in fitting up a building for the Post Office at Duntroon, Ont."

The claim as presented by Mr. Bridges has not been sent me, nor is the payment supported by the necessary certificate respecting the performance of the work and the fairness of the price paid. It is not usual for the department to pay for the fitting up of country offices, and I shall be obliged if you will let me know the circumstances in connection with the present instance which justified a departure from the customary practice. Please let me have the particulars of this claim and the certificate upon which the payment was made.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Postmaster General.

**Re Sale of Unclaimed Dead Letter Parcels.**

AUDIT OFFICE, OTTAWA, March 30, 1897.

SIR,—I received your letter of December 14th, last inclosing a statement and vouchers in connection with the sale by auction of the unclaimed dead letter parcels.

Pressure of work preparing my report for Parliament has prevented me from replying sooner.

I am now returning the statement and vouchers to have the necessary certificates attached.

(1) The auctioneer's account should be certified by the Superintendent.

## Auditor General's Report—Part N

---

(2) The advertising accounts should be certified by the Queen's Printer.

(3) I understood from the Superintendent that he would have a clerk from the Department attend the sale. The statement should be certified by this clerk.

(4) The additions should be certified by the clerk who passed them.

A memo. signed by the Superintendent, attached to the statement, states that 1,736 packets were sold. It does not state how many were sent to the auctioneers.

I have to ask that the statement and vouchers when completed may be returned.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A. G.

---

POST OFFICE DEPARTMENT, OTTAWA, April 5, 1897.

SIR,—In reply to your letter of the 30th ult., I beg to forward you herewith the papers, &c., in connection with the sale of unclaimed dead letter parcels, held in December last.

(1) The auctioneer's account is returned herewith, certified by the Superintendent of the Dead Letter Branch.

(2) The advertising accounts are also returned, certified by the Queen's Printer.

(3) No clerk from the department attended this sale. I think you must have misunderstood the Superintendent, who informs me that what he did say, was that he would report to me your suggestion that a clerk should attend this sale.

(4) The additions have been certified by the clerk who passed them.

The Superintendent's memo. to the effect that 1,736 packets were sent to the auctioneer is affixed to the statements. I trust you will find the whole satisfactory as now returned.

I am, sir, your obedient servant,

The Auditor General.

### *Re Rents of Letter Boxes.*

AUDIT OFFICE, OTTAWA, March 2, 1897.

SIR,—I have had no reply to my letters of July 22nd, November 17th, and December 8th, in reference to the returns furnished by postmasters of rents of letter boxes, retained by them.

I have again to ask that the returns in question may be furnished.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A. G.

---

AUDIT OFFICE, OTTAWA, July 16, 1897.

SIR,—I have not yet received any returns of the rents of letter boxes retained by postmasters. You wrote July 9th, 1895, that the postmasters had been instructed to furnish detailed statements of the amounts collected. I have written you four letters calling your attention to this matter, and I have had no reply.

Under these circumstances, I have to inform you that I feel called on to report the matter to the Treasury Board.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A. G.

AUDIT OFFICE, OTTAWA, September 14, 1897.

SIR,—I inclose herewith for the information and consideration of the Treasury Board, a copy of the correspondence with the Deputy Postmaster General, in reference to the rents of letter boxes and drawers retained by postmasters.

By a minute of the Treasury Board, dated November 21st, 1894, it was decided that section 53 of the Post Office Act, R.S., chap. 35, gives to the Postmaster General the power of allowing postmasters the rents of the letter boxes and drawers placed by the government in Post Office buildings.

On April 30th, 1895, I asked the department for a list of all postmasters authorized to retain these fees, and for the statements furnished.

The Deputy Postmaster General in his reply of July 9th stated that hitherto no such statements had been furnished to the department, but arrangements had been made by which the information required would be supplied from July 1st instant.

Though I have written repeatedly since, as shown by the inclosed correspondence, I have not yet been furnished with the statements in question.

My object in asking for these statements was to be able to show in the Audit Report, a complete account of the remuneration of postmasters.

I am, sir, your obedient servant,

The Secretary, Treasury Board.

J. L. McDOUGALL, A.G.

*Extract from Minutes of Treasury Board Meeting held 22nd September, 1897.*

POST OFFICE—The Board had under consideration a communication from the Auditor General inclosing a copy of correspondence with the Deputy Postmaster General in reference to the rents of letter boxes and drawers retained by postmasters. From the correspondence it appears that on the 30th April, 1895, the Auditor General asked the Deputy Postmaster General for a list of all postmasters authorized to retain fees collected by them and for the statements of these collections furnished, and that he was informed by letter of 9th July, 1895, from the Deputy Postmaster General, that hitherto no such statements had been furnished to the department, but that arrangements had been made by which the information required would be supplied from 1st July, 1895; that the Auditor General has not yet been furnished with the statements in question, and the Board direct that the statements be furnished.

J. M. COURTNEY, *Secretary.*

POST OFFICE DEPARTMENT, OTTAWA, October 23, 1897.

SIR,—I have the honour to enclose herewith statements showing the Box and Drawer Rents received by the Postmasters at Post Offices occupying public buildings, for the years ended 30th June, 1896 and 1897.

I am, sir, your obedient servant,

The Auditor General.

W. J. JOHNSTONE, *Accountant.*

NOTE.—See statement for 1897 on page N-71.

POST OFFICE DEPARTMENT, OTTAWA, January 7, 1898.

SIR,—With reference to previous correspondence on the subject, I have the honour to inform you that the Postmaster General has made a regulation which took effect on and from the 1st November, 1897, requiring postmasters whose offices are situated in government buildings, to account for all box rents collected by them as part of the revenue of their respective offices.

Upon the revenue collected from this source a percentage will be paid in accordance with the scale applicable to receipts from the sale of stamps.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, *D.P.M.G.*

## Auditor General's Report—Part N

### *Re Money Order Funds.*

AUDIT OFFICE, OTTAWA, September 14th, 1897.

SIR,—In the return of casual revenue for the June quarter, lately to hand, the following item—

Part of \$662.53, Money Order funds, reported due by C. B. Kelly, late postmaster at Shelburne, N.S., on statement of losses during year ended 30th June, 1888, now recovered \$338.10.

Please explain why this amount is credited to casual revenue. Unless the loss was made up to the Money Order Account when it occurred, this amount should be credited to that account. Is it the general practice to deduct from the commission on money orders any losses that have occurred each year?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPARTMENT, OTTAWA, October 5, 1897.

SIR,—I have the honour to reply to your letter of the 14th inst., respecting a transfer to Casual Revenue during the quarter ended 30th, June 1887, of \$338.10 and to offer the following explanation.

On the 18th September, 1886, Mr. C. B. Kelly, postmaster at Shelburne, N.S., was found to be a defaulter in the sum of \$662.53. As that amount had not been paid up to the 30th June, 1888, it was deducted from the Money Order Revenue of that year. Up to that time the Money Order Revenue had been kept as a separate revenue account; but beginning with the 1st July of that year it was merged into the General Post Office Account, and the Money Order Account having ceased, Casual Revenue was credited with the \$338.10 on its recovery.

Since the 1st July 1888 such losses, when their recovery is considered improbable, have been deducted from Post Office Revenue.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D. P. M. G.

### *Re Post Office Revenue.*

AUDIT OFFICE, OTTAWA, September 20, 1897.

SIR,—Referring to your application of August 30th, I have to inform you that I have passed an entry warrant as requested, covering the following items: Mail Service, \$554,902.90; Salaries, \$8,379.40; Miscellaneous, \$21,058.90.

I have withheld for the present the balance of the item in your application under the heading of Miscellaneous, viz.:—Outstanding salary Warrants, June 30, 1896, \$80,747.83, and transit postage through United States unpaid June 30, 1896, \$20,360. As there is at present an unpaid balance due the United States which accrued before the 30th June last, but which is not yet determined nor likely to be for some time, it is worthy of consideration whether this item should not remain as it is. The result would be that the amount paid instead of the amount accrued would come to account each year. Then without this credit being made you are charged with the accruals of only a year.

With regard to the salary warrants please give a description of the provision which has been made for the redemption of them as they come in and how you intend to deal with those which may be issued for the future.

I should like to be furnished with a statement of the outstanding warrants showing when they were issued.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A. G.

---

POST OFFICE DEPARTMENT, OTTAWA, October 5, 1897.

SIR,—I have the honour to acknowledge receipt of your communication of the 20th ultimo, and to say in reply to that portion of it which refers to the outstanding salary warrants 30th June, 1896, that on June 30th 1897, Post Office Revenue was charged with the salary warrants outstanding on that date, which placed that account in the same condition as though the total of salary warrants issued had been charged against revenue instead of the total of salary warrants paid, as has been the case since the system of paying by salary warrants was introduced on the 1st July, 1888.

Beginning with the 1st July, 1897, it is the intention to charge revenue with the salary warrants issued, the payments of salary warrants will not for the future affect the post office revenue.

That portion of your letter regarding transit postage through the United States will be dealt with, in a subsequent letter.

I am, sir, your obedient servant,

The Auditor General.

W. J. JOHNSTONE, *Accountant.*

---

NOTE BY A. G.—The claim of the United States for transit postage to June 30, 1897, having been subsequently paid and charged against the Revenue of 1896-97, the objection to passing that portion of the application of August 30, in reference to transit postage was removed, and the entry was passed.

**Re Arrears due to Department of Public Printing and Stationery.**

AUDIT OFFICE, OTTAWA, September 17, 1897.

SIR,—The arrears due to the Department of Printing and Stationery on June 30th, 1896, which remained unpaid when the Audit Report of 1895-96 went to print, amounted to \$1,263.28, as published at page O—40. This amount only covered arrears that accrued subsequent to July 1, 1891. There has since been paid \$162.60, leaving a balance yet unpaid of \$1,100.68.

I have lately received a statement from the Department, of arrears that accrued during the year ended June 30th last, amounting to \$472.54.

Over two-thirds of both these amounts are due by Senators, Members and ex-Members of Parliament for Publications and Voters' Lists.

I have written repeatedly to the Queen's Printer in reference to these arrears. He assures me that he has taken every means possible to collect them, but he declines to carry out my suggestion to refuse to furnish supplies to persons in arrears.

Each year for a long time, though not called on to do so, I have notified all Senators and Members of Parliament in arrears, of the amount held against them. Though many promptly remitted the amount due by them, a large number failed to do so.

I have endeavoured, but so far without success, to have a regulation authorized, that accounts of Senators and Members of Parliament remaining unpaid at the close of each Session, should be deducted from their indemnity by the Accountants.

I have to submit these facts for the consideration of the Treasury Board and such action as it may deem proper, to remedy the matter. I have exhausted every means at my disposal to have these arrears collected. Unless I refuse to continue its Letter-of-Credit to the Department, the amount due will in all probability keep increasing each Session. As the stopping of the Letter-of-Credit would leave the department unable to make any disbursements, however proper and necessary to carry on its functions, I hesitate to take this step till all other means fail.

I am, sir, your obedient servant,

The Secretary Treasury Board.

J. L. McDOUGALL, A.G.

NOTE.—The Treasury Board, by minute of September 22, 1897, directed that the Queen's Printer be instructed hereafter to give no further supplies to persons who are in arrears for supplies previously furnished.

AUDIT OFFICE, OTTAWA, November 9, 1897.

SIR,—According to the return furnished by you a few days ago, only \$162.60 of the arrears outstanding on June 30, 1896 have since been paid. There is still due \$813.67 by Senators, Members of Parliament and ex-Members; and \$287.01 by others, in addition to what has accrued during the past year.

I have to inquire what steps you have taken or propose taking to secure payment of these amounts.

I am, sir, your obedient servant,

The Queen's Printer.

J. L. McDOUGALL, A.G.

DEPT. OF PUBLIC PRINTING AND STATIONERY, OTTAWA, November 10, 1897.

SIR,—In reply to your letter of the 9th, I beg to say that I am constantly sending out bills to all those who are indebted to the department, and that amounts keep coming in from time to time. I shall make one more effort before your report is ready.

I am, sir, your obedient servant,

The Auditor General.

PRIVY COUNCIL, OTTAWA, May 10, 1897.

SIR,—With reference to your communication of the 28th ultimo, respecting my account for travelling expenses, to the amount of \$18, and requesting an explanation of the charge of \$7 for fare to Montreal and return, I have the honour to inform you that the fare from Ottawa to Montreal is \$3.50, and the fare from Montreal to Ottawa is the same, that is going by one line and returning by another, it not being always convenient to return by the same line.

I am, sir, your obedient servant,

The Accountant of Contingencies.

JOHN J. MCGEE, *C.P.C.*

AUDIT OFFICE, OTTAWA, July 14, 1897.

SIR,—I have to call your attention to Mr. J. J. McGee's accounts for travelling expenses, charged to Civil Government Contingencies, Privy Council Office.

For each trip to Fredericton, Nov. 2-4 and Dec. 10-12, 1896, Mr. McGee has entered these items: "Fare to Fredericton and return," \$35.30, and "Pullman fares" \$7. The fare to Fredericton and return (winter rate) is \$30.40, while Pullman fares for one trip amount to only \$6, making an overcharge in the accounts for these trips, in these items, of \$11.80.

For the trip to Toronto, Nov. 16-17, these items are entered: "Fare and return, Toronto," \$15.60, and "Pullman fares," \$8. The fare and return to Toronto is \$13, while Pullman fares amount only to \$4, making an overcharge in these two items in the account of \$6.60.

Please ask Mr. McGee to recast the accounts, and to refund the amount of the overcharge as above, \$18.40.

I am, sir, your obedient servant,

The Accountant of Contingencies.

J. L. MCDUGALL, *A.G.*

PRIVY COUNCIL, OTTAWA, July 24, 1897.

SIR,—I have the honour to inform you, in reply to your communication, dated the 23rd instant, transmitting a letter, dated the 14th instant, from the Auditor General, referring to certain items of expenditure contained in my accounts for travelling expenses, that the fare from Ottawa to Fredericton was \$17.65, and that the Pullman fare was \$3.50. That the fare from Ottawa to Toronto was \$7.80, and that the Pullman fare was \$4.

I am, sir, your obedient servant,

The Accountant of Contingencies.

JOHN J. MCGEE, *C.P.C.*

AUDIT OFFICE, OTTAWA, Aug. 4, 1897.

SIR,—I am in receipt of yours of July 28, with inclosure. With reference to Mr. McGee's letter in connection with the matter to which attention was called in my letter dated July 14th, I have to say that Mr. McGee's statement that the fare from Ottawa to Fredericton was \$17.65, and that the fare from Ottawa to Toronto was \$7.80, is not a sufficient explanation of the entries in his travelling expense statements, viz.:

Nov. 2—Fare to Fredericton and return .....	\$35 30
“ 16—Fare and return Toronto.....	15 60
Dec. 10—To Fredericton and return.....	35 30

If Mr. McGee purchased single fare tickets, and I presume he wishes this to be inferred from his letter, his statements of expenses as vouchers for the proper account-

## Auditor General's Report—Part P

---

ing of money received by him, should carry his reasons for so doing. On the other hand the statements bear every reason, viz. : the short duration of the trips and direct routes to definite points, why return tickets should have been used by him.

As to Mr. McGee's statement that the Pullman fare from Ottawa to Fredericton was \$3.50, and from Ottawa to Toronto was \$4 (this is exclusive of portorage as he has entered charges for that separately), I have to say that the amounts of these fares are as stated in my former letter.

If Mr. McGee has no other explanation than that in his letter, I must still ask that he refund \$18.40, the amount of apparent overcharges in his statements.

I am, sir, your obedient servant,

The Accountant of Contingencies.

J. L. McDOUGALL, A.G.

PRIVY COUNCIL, OTTAWA, September 25, 1897.

SIR, -In reply to your letter of the 11th August, inclosing a communication from the Auditor General, dated the 4th August, having further reference to the subject of my travelling expenses to Fredericton and Toronto, I have never purchased return tickets.

The Pullman fares to Fredericton and Toronto were, as I have stated, \$3.50 and \$4 respectively.

I am, sir, your obedient servant,

The Accountant of Contingencies.

JOHN J. MCGEE, C.P.C.

AUDIT OFFICE, OTTAWA, August 18, 1897.

SIR,—With further reference to Mr. McGee's statements of travelling expenses, I have to call your attention to the Account of his expenses to Montreal, the statement of which was sent in with your supplementary vouchers.

Mr. McGee has entered this item :—

Fare to Montreal and return . . . . . \$7 00

This would appear to be an overcharge of \$1.15, as the fare from Ottawa to Montreal and return is \$5.85. Please ask Mr. McGee to explain this item.

I am, sir, your obedient servant,

The Accountant of Contingencies.

J. L. McDOUGALL, A.G.

---

AUDIT OFFICE, OTTAWA, October 25, 1897.

SIR,—Referring to your statements of travelling expenses for 1896-97, forwarded to this office by the Accountant of Contingencies, please send me a memo. showing what amounts, if any, in these statements are properly chargeable to the Premier.

Kindly expedite the matter, as the statement covering this portion of expenditure is now being prepared for the annual report of this office.

I am, sir, your obedient servant,

Private Secretary, Privy Council Office.

J. L. McDOUGALL, A.G.

NOTE.—This memorandum has not yet been received.—Nov. 12, 1897.

## Auditor General's Report—Part Q

### Travelling Expenses of Ottawa Officials.

AUDIT OFFICE, OTTAWA, Jan. 12, 1897.

SIR,—I have completed my analysis of the travelling expenses of your Ottawa officials during 1896-97, on the same plan as that shown at pages Q.-11 to Q.-16 of 1895-96, and beg to offer the following remarks thereon :

The objectionable items mentioned in my letter of February 7, 1895 (1894-95, page P-213), namely, Books, Shaving, Cleaning Boots, Baths, Umbrella, Medical Attendance, Hire of Fur Coat, and Wear and Tear of Coat and Suit, are now almost eliminated ; and a slightly closer scrutiny on the part of the accountant will, I have no doubt, remove them altogether. The overcharges of previous years should however be refunded ; please see that this is done.

Progress in the line of purchasing return tickets is as yet only partial. For instance, in travelling between Ottawa and Montreal : Mr. Emery Lafontaine, the new engineer, charged 9 return tickets at \$5.85 between March 30 and June 30 1897 ; while during the 12 months Mr. F. W. Cowie charged 40 single trips at \$3.50, and Mr. E. D. Lafleur 28 single trips at \$3.50, with no return tickets for either of them. An economy which was feasible for Mr. Lafontaine, with his inexperience, should be equally feasible for older officers like Messrs. Cowie and Lafleur. Please call their attention to this.

There seems to have been no notice taken of my suggestion that frequent travelling should be done on mileage-books. Books for 1000 miles each are issued by either railway company for \$25, being the equivalent of return ticket rates. Payments for single fares amounting to more than \$125, were made by : J. C. Blais \$129.10, L. Coste \$204, I. Coté \$444.35, F. W. Cowie \$342.55, E. B. Godwin \$246.25, E. D. Lafleur \$154.85 : total \$1520.90. This, at 3 cents a mile would make 50,000 miles or \$1,250 for mileage-books, a practicable saving of \$250.

The saving by purchase of return tickets or mileage books is so simple and obvious—and so manifestly what a private person would do with his own money—that all entries of single fares should be explained separately, and weighed by some high authority. Unused return halves are redeemed by the railway companies, as shown in Mr. Keeley's accounts.

Similar remarks apply to the charging of large sums for cabs to and from the Ottawa stations, where other people use the street cars. Marked instances of the use of street cars will be found under the names of W. R. Billings, I. Côté, O. Dionne, D. Ewart, and E. B. Godwin. Such representative names demonstrate that this economy is within the reach of all.

All travel of Civil Government Officers should be charged to Civil Government Contingencies. See report of 1890, page A-3. Please see that this is done for 1897-98.

I am, sir, your obedient servant,

The Secretary Public Works Department.

J. L. McDOUGALL, A.G.

### Conditions of Letter of Credit.

AUDIT OFFICE, OTTAWA, July 28, 1897.

SIR,—I am passing your application for a letter of credit of \$100,000 in favour of the deputy minister and accountant, to make payments for the fiscal year 1897-98.

Please see that all expenditure from the letter of credit is in conformity with the requirements of this office, of which the following are some: the vouchers supplied to me should be originals, made out by the creditors or their agents ; the qualities and grades of materials should be fully described ; the dates of employment should be given on the pay-lists ; the men should sign their names in receipt, whenever they can write ; and all certificates should be made by the officers who have personal knowledge of the facts.

No employees engaged on departmental work should be paid out of votes other than those explicitly designated as for such service.

I am, sir, your obedient servant,

The Secretary Public Works Dept.

J. L. McDOUGALL, *A.G.*

PUBLIC WORKS DEPT., OTTAWA, August 4, 1897.

SIR,—I have the honour to acknowledge the receipt of your letter dated the 28th ultimo, stating that you are passing the application for a letter of credit of \$100,000 in favour of the deputy minister and accountant, to make payments for the fiscal year 1897-98, and asking that all the expenditure be in conformity with the requirements of the Audit Office, etc.

I am, sir, your obedient servant,

The Auditor General.

E. F. E. ROY, *Secretary.*

### Supervisor of Ottawa Buildings.

AUDIT OFFICE, OTTAWA, July 27, 1897.

SIR,—Let me call your attention to the Order in Council of Dec. 23, 1896, which appointed Mr. J. B. Charleson as supervisor of Ottawa buildings, "to ensure a superintendence as close and effective as possible on the men that are performing the various works, as well as regards the use of materials."

The Order in Council goes on to state that Mr. Charleson entered upon his duties and received his instructions Oct. 21, 1896.

I should like to have a copy of the instructions, as far as they relate to the examination and approval of pay-lists and accounts.

This subject comes now to my notice from the fact that, while part of the vouchers for Ottawa buildings carry Mr. Charleson's initials, a large number do not.

I am, sir, your obedient servant,

The Secretary Public Works Dept.

J. L. McDOUGALL, *A.G.*

PUBLIC WORKS DEPT., OTTAWA, August 14, 1897.

SIR,—In compliance with the request contained in your letter of the 27th ultimo, I have the honour to forward to you, herein inclosed, copy of Mr. Ewart's letter informing Mr. J. B. Charleson of his appointment as supervisor of the Public Buildings, Ottawa, and containing certain instructions in connection with the duties he has to perform.

I am, sir, your obedient servant,

The Auditor General.

R. C. DESROCHERS, *Asst. Sec.*

CHIEF ARCHITECT'S BRANCH, Nov. 9, 1896.

You will have the general supervision of all the parties employed by the department at the public buildings here, whether carpenters, mechanics, firemen, elevator conductors, watchmen or labourers.

## Auditor General's Report—Part Q

You are to periodically visit all the public buildings in the city, examine the exterior, interior, roofs, roads and sidewalks adjoining and to report to this office whatever is required to keep such in a proper state of repair.

You are also to see that the halls and corridors of the buildings are free from all encumbrances, and when changes or renewals are being made report here on the disposal made of furniture no more required.

In your rounds, you should also see that no undue waste is made in the consumption of fuel, gas, water or any material used in the maintenance or repairs of the public buildings referred to.

You are further to see that the contractors for the public grounds and Major's Hill Park, as well as the contractors for the removal of snow from the public grounds, sidewalks and roads, and from the roofs, yards, &c., of every public building in the city, carry out the terms of their contracts.

Herewith is a list of the names and occupation of the workmen, &c., now in the employment of this department.

Please report here daily whatever information on the various matters coming within the scope of your duties, you may derive from your periodical visits or tours, for use in the preparation of pay-lists, &c.

I am, sir, your obedient servant,

D. EWART, *fr. Chief Arch't.*

### Bayfield and McNair's: Following Q-196 of 1895-6.

PUBLIC WORKS DEPT., OTTAWA, March 18, 1897.

SIR,—Having reference to your letter of the 10th ultimo concerning payments made to Angus McNeil and A. H. McDonald as compensation for injuries received on the works at McNair's Cove and Bayfield, in 1893, I am directed to enclose to you herewith a memorandum giving the history of the payments in question.

I am, sir, your obedient servant,

The Auditor General.

E. F. E. ROY, *Secretary.*

---

MEMO.: Relative to the payments of \$39 and \$32.50 respectively made to Angus McNeil and Allan McDonald as compensation for injuries received by them on Government works and about which the Auditor General has asked for information, the facts are as follows, viz. :—

McNeil was employed as labourer on the work at McNair's Cove, in November, 1892, and according to the report of the engineer and foreman, while in the execution of his work, a stone which was being moved fell upon his ankle causing a fracture of the tibia, and he was in consequence laid up for several weeks, losing time and money—the doctor's account alone amounting to \$37.50.

Mr. McDonald was employed at Bayfield, and in July, 1893, while at work on the breakwater moving stone on a trolley, he slipped and the wheel of the trolley passed over his foot fracturing the bone and spraining the ankle. He was incapacitated from work from the 14th July to the 17th September.

Both McNeil and McDonald put in claims for compensation.

The department did not consider itself legally responsible, but the Minister decided under the circumstances to grant them each one month's salary as a compassionate allowance, and payment was made accordingly.

**Over-expenditure at Williams Head Quarantine.**

AUDIT OFFICE, OTTAWA, May 13, 1897.

SIR,—The April letter of credit expenditure of Messrs. Gamble and Macdonald, of which a statement was received yesterday, will cause an over-expenditure on “Williams Head quarantine station wharf,” as follows :

Previous payments . . . . .	\$1,922 75
April cheques . . . . .	1,632 67
	-----
Total to April 30 . . . . .	3,555 42
Vote for wharf . . . . .	2,000 00
	-----
Vote exceeded by . . . . .	1555 42

Please explain at your early convenience the circumstances under which this overdraft was made.

I am, sir, your obedient servant,

The Secretary Public Works Dept.

J. L. McDOUGALL, A.G.

PUBLIC WORKS DEPT., OTTAWA, June 3, 1897.

SIR,—I reply to your letter of the 13th ultimo asking for explanations *re* over-expenditure on Williams Head quarantine station wharf, I beg to state that the chief engineer reports on the matter as follows :—“When the repairs were begun, it was discovered that in addition to the fender piles, a large number of main bearing piles had been worm eaten to such a degree that it would have been absolutely unsafe not to replace them. In view of the new quarantine regulations which compel all steamships from Chinese or Japanese ports to call at the station for disinfection, it was imperative, even if the appropriation was exceeded, to put the wharf in a satisfactory condition. Delay might have caused serious complaints from the steamships and possibly demands for damages.”

I am, sir, your obedient servant,

The Auditor General.

E. F. E. ROY, *Secretary*.

### *Re Slide and Boom Dues—Newcastle District.*

AUDIT OFFICE, OTTAWA, March 2, 1897.

SIR,—Referring to your letter of August 5th last, and the inclosed memorandum of your collector, Mr. E. T. Smith, in connection with the uncollected slide and boom dues, Newcastle District, I have now to inquire what progress has since been made towards collecting these arrears. I do not find that anything has come to account. I shall be glad to have an early reply.

I am, sir, your obedient servant,

The Secretary Public Works Dept.

J. L. McDOUGALL, A.G.

---

DEPT. OF PUBLIC WORKS, OTTAWA, May 12, 1897.

SIR,—Having reference to your letter of 2nd March last, *re* uncollected slide and boom dues, Newcastle District, I am directed to state that the matter is receiving the attention of the department.

I am, sir, your obedient servant,

The Auditor General.

E. F. E. ROY, *Secretary.*

---

AUDIT OFFICE, OTTAWA, September 14, 1897.

SIR,—I have again to call your attention to the unsatisfactory condition of affairs in connection with the Slide and Boom Dues, Newcastle District. No revenue has come to account from these works for the seasons of 1894, 1895, 1896 and 1897, and a portion of the revenue of 1893 is yet uncollected. The expenditure is close on \$2,000 per annum for staff, and in the last four years over \$12,000 was expended on repairs.

In your letter of May 12th last you stated that the question was receiving the attention of your department.

I shall be glad to hear from you in reference thereto.

I am, sir, your obedient servant,

The Deputy Minister Public Works.

J. L. McDOUGALL, A.G.

---

AUDIT OFFICE, OTTAWA, September 23, 1897.

SIR,—I have to inform you that I am holding two applications of the Department of Railways and Canals in favour of Messrs. Rathbun & Co. for \$7,330, awaiting a settlement of the claim of your department against that firm for slide and boom dues.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

DEPARTMENT OF PUBLIC WORKS, OTTAWA, September 29, 1897.

SIR,—In further reference to your letter of the 23rd instant, *re* Slides and Boom dues, Newcastle District, I beg leave to send you, herewith inclosed, copy of a memo. from the Collector of Revenue of this department on the matter.

E. F. E. ROY, *Secretary.*

DEPARTMENT OF PUBLIC WORKS, OTTAWA, Sept. 29, 1897.

SIR,—Referring to your inquiry of this morning, I have to say that the account of the Rathbun Company for Slide and Boom dues, Newcastle District, stands as follows :—

Amount due.....	\$2,222 89
Less Refund due them of dues illegally collected in 1892.....	376 32
	\$1,846 57
But against this they have a contra account, which is being submitted to Council, of.....	985 78
	\$ 860 79

if Council acknowledges their contra account.

I am, sir, your very obedient servant,

The Secretary, Public Works Dept.

EDW. T. SMITH.

AUDIT OFFICE, OTTAWA, September 30, 1897.

SIR,—I have received your letter of the 29th inclosing a memo. from the Collector of Slide and Boom Dues showing the indebtedness of the Rathbun Co. This statement seemingly only covers the arrears of 1893. I have to ask for a statement of the arrears due by this company for the seasons of 1894, 1895 and 1896.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, *A.G.*

DEPARTMENT OF PUBLIC WORKS, OTTAWA, October 18, 1897.

SIR,—Heaving reference to your letter of the 30th ultimo, asking for a statement of the arrears due by the Rathbun Co., for 1894, 1895 and 1896, I am directed to state that a proposal is to be laid before the Privy Council which, if approved, will affect the charges to be made for dues for the years mentioned, against the lumbermen operating in the Newcastle District, and in consequence no correct statement can be given until the matter is decided by Council.

I am, sir, your obedient servant,

The Auditor General.

E. F. E. ROY, *Secretary.*

***Re* Slide and boom dues—Coulonge River.**

AUDIT OFFICE, OTTAWA, September 17, 1897.

SIR,—In the March return of Slide and Boom Dues there appears an entry against J. R. Booth for dues on logs from the Coulonge River. There were in all 234,022 logs containing 15,506,793 feet, and a deduction is made from this quantity of 75,000 logs containing 4,981,007 feet, with the explanation that these had passed through the Chute.

## Auditor General's Report—Part Q

---

I have to inquire on whose authority this deduction was made; what evidence was furnished of the correctness, or approximate correctness, of the quantity claimed as exempt; and what steps were taken to verify the quantity claimed.

I am, sir, your obedient servant,

The Secretary Public Works Dept.

J. L. McDOUGALL, A.G.

---

DEPT. OF PUBLIC WORKS, OTTAWA October 21, 1897.

SIR,—Having reference to your letter of the 17th ultimo, respecting an entry against J. R. Booth for dues on logs from the Coulonge River, I beg to inclose herewith a memorandum by our Collector of Revenue concerning the entry in question.

I am, sir, your obedient servant,

The Auditor General.

E. F. E. ROY, *Secretary*.

### Memorandum in reply to the Auditor General's Letter of 17th September, 1897, re J. R. Booth's Coulonge Slidage of 1896.

DEPT. OF PUBLIC WORKS, OTTAWA, Sept. 20, 1897.

It is quite correctly stated that there were 234,022 logs of Mr. Booth's which came down the river Coulonge, 1896, and that I showed 75,000 of them, having passed through the Chute, were therefore not chargeable with slide dues.

In May, 1896, I happened to be at the Coulonge slides, and met a Mr. Gillies, who resides there; he informed me that when the booms broke, to the best of his judgment about 70,000 logs went over the falls.

On the 18th of August, I received a certificate from the slide master, signed by J. W. Hennessy, agent for Mr. Booth's Coulonge business, acknowledging that 155,118 saw-logs went through the slides.

On receiving Mr. Booth's full return of logs made, I found that 234,022 pieces had been taken out on the Coulonge. When settling the details of the account with Mr. Booth, he claimed that he should not pay dues on his Coulonge logs at all, as the damage done to them through going over the falls would amount to more than the dues, and that judging by the unusual quantity of short lumber from the Coulonge logs, there must have been over 100,000 of them go over the falls.

As it was impossible to ascertain to a certainty the number of logs that passed through the chutes, and taking into consideration the statement of Mr. Gillies, that there was about 70,000 went over the falls, and Mr. Hennessy certifying 78,904 less than the total made on the river, I took as the mean 75,000, and actually charged for 3,904 pieces, more than I could have proved in a court of law if the charge had been disputed.

Respectfully,

The Secretary, Public Works Dept.

EDW. T. SMITH.

---

AUDIT OFFICE, OTTAWA, September 17, 1897.

SIR,—In the December return of Slide and Boom Dues, there appears an entry against Messrs. Bryson & Fraser of the dues on timber and logs from the Coulonge River, amounting to \$1,135.15, of which only \$938.44 was paid. I understand the balance is the amount of an account claimed by Messrs. Bryson & Fraser for repairs to the slides. If the amount was authorized and is correct, it should be certified by the superintendent, and an application made to have the amount debited to the vote for that service and credited to revenue.

As the accounts of last year will soon be closed, it is desirable that this matter should be attended to at once.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, *A.G.*

*Re* Kingston Graving Dock.

AUDIT OFFICE, December 20, 1897.

SIR,—The rules and regulations authorized by Order in Council for the management of the Dry Dock at Kingston fixes the charges for the use of the dock as follows :

- (1.) For the first day 20 cents per ton up to 500 tons and 10 cents per ton for all tonnage in excess of 500.
- (2.) For each day after the first, 7 cents per ton.
- (3.) In no case is the charge to be less than \$20 per day.
- (4.) Special rates for the use of the dock for wintering vessels, or for repairing of vessels in the dock during the winter, are to be arranged and settled with the dock-master, under an authority from the Hon. the Minister of Public Works, but in no case is the charge to be less than \$10 per day ; winter lay days to begin on December 1st and end on April 15th.

From the 6th to 15th April last, the dock was used by 10 vessels, in some cases two vessels at a time, and the rate charged was \$10 per day.

It seems to me that the minimum rate of \$10 is only applicable to vessels using the dock the whole or a considerable part of the winter ; and is not applicable to vessels using the dock for repairs for a day or two, even if before the 15th of April. The regulations evidently contemplated different payment for such cases as those now under consideration, as authority is given to the Minister of Public Works to authorize special rates to suit the circumstances. I have to ask if it was on the authority of the Minister that the minimum rate was accorded these vessels.

I am sir, your obedient servant,

The Secretary Public Works Dept.

J. L. McDOUGALL, *A.G.*

DEPARTMENT OF PUBLIC WORKS, OTTAWA, December 23, 1897.

SIR,—I have the honour to acknowledge receipt of your communication, dated 20th instant, *re* Kingston Graving Dock, asking whether it was on the authority of the Hon. the Minister that the minimum rate of \$10 per day was accorded certain vessels docked in April last.

I am, sir, your obedient servant,

The Auditor General.

R. C. DESROCHERS, *Asst. Secretary.*

*Re* Sale of Coal Screenings.

AUDIT OFFICE, OTTAWA, December 29, 1897.

SIR,—I have to call your attention to the prices at which soft coal screenings have been sold to Mr. Scrim. On June 10, 1896, 20 tons were sold at \$1.50 per ton. On June 17, 1897, 70·105 tons were sold at \$2.75 per ton.

Both vouchers were certified by the same person, and in both cases the certificate declared "that the price was a fair valuation."

I shall be glad to hear from you in reference thereto.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, *A.G.*
