## V. REPORT FOR SESSION 1877-78.

Your Board have much pleasure in reporting that the past Session of which they have now to give an account was characterized by steady and unbroken work on the part of both Professors and Students.

The Session was opened at the appointed time, and with the usual public service, in Zion Church, at which the Rev. S. N. Jackson, M.D., delivered the opening address. The closing service was held in the same Church, on Thursday, April 11th, and the address

Your Board are happy in being able to report a largely increased number of candidates for admission during the past Session; there being no less than seven, of whom six have been received as students of the College. Of these, one came from Newfoundland; one from Nova Scotia; four from Ontario; and one from Quebec. The Sessional Roll contained the names of sixteen Students in attendance, as follows:—

- (1) William H. Warriner, B.A., Full Course, 5th year.
- (2) Archibald F. McGregor, B.A., Full Course, 5th year.
- (3) Charles H. Pedley, Full Course, 4th year.
- (4) Allan L. McFadyen, Full Course, 4th year.
- (5) William Ewing, Full Course, 4th year.
- (6) Robert Eadie, Full Course, 3rd year.
- (7) George Willett, Theological Course, 3rd year.
- (8) James C. Wright, Theological Course, 3rd year.
- (9) Alexander H. McIntyre, Full Course, 2nd year.
- (10) Charles H. Black, Full Course, 1st year.
- (11) J. B. Saer, Theological Course, 1st year.
- (12) George Robertson, Full Course, 1st year.
- (13) Gregory J. Powell, Full Course, 1st year.
- (14) Henry D. Grieve, Theological Course, 1st year.
- (15) Alvan McLeod, Full Course, 1st year.
- (16) James E. Richards, Theological Course, Preliminary.

From the above list it will be seen that two students were graduates of the University, and nine were undergraduates. Of these latter, Messrs. Pedley, McFadyen and Ewing passed for the degree of B.A., at the Sessional Examinations, at the University in April, at which Mr. Pedley also won First Rank Honours in Mental and Moral Philosophy.

At the beginning of the session, Mr. Eadie won one of the Scholarships in Classics and Modern Languages, of the value of \$125 per annum and tenable for two years. At the Sessional Examinations in the Faculty of Theology, Mr. Warriner, in the Competitive Examination for the same, was awarded the *Calvary Church Silver Medal* in Church History.

Messrs. Warriner, McGregor, Willett, and Wright have completed their course, and have left the College with the best wishes of your Board for their future usefulness, happiness, and success, to enter upon spheres of labour in different parts of the Provinces of Quebec and Ontario.

It is also matter for thankfulness, that the work in the Theological Department was prosecuted throughout the session without intermission arising from ill health or any other cause. The thanks of the College are again due to the esteemed Chairman of the Board for his services gratuitously rendered in conducting the class in

Greek Testament Exegesis. Thanks are also due to Principal Dawson for the permission extended to the students of this College to attend a series of lectures delivered by him on Egypt and Sinai to the Theological Schools in Montreal. Grateful mention should also be made of the fact that two of the Senior students cheerfully gave lessons in Greek to the First Year Theological Students;—a practice which if continued will be a valuable aid in enabling these students to read the Greek Testament.

The following Reports show the amount and character of the work done in the several classes in the Department of Theology.

(1) Dr. Wilkes reports:—

I have to report the attendance of ten Students, forming the general Theological class, to whom were delivered forty-two lectures on Systematic Theology, eleven on Homiletics, thirteen on Pastoral Theology, twenty-two on New Testament Introduction; and to the four Seniors, eight lectures on the Pentateuch. Their attendance has been remarkably regular and their conduct all that could be desired. During the first half of the Session I conducted the class in Homiletic exercises, Professor Fenwick presided in this class the last half. A statement was sent to the Board of the result of the Christmas Examinations; herewith is the report of the Sessional, signed by Rev. A. J. Bray and myself.

(2) Professor Fenwick reports:—

In the *Ordinary Classes* the following lectures have been delivered in my department:—I. *Church History*, 28 lectures. From the death of Hildebrand to the death of Arnold of Brescia; and the German Reformation, from its rise, to the Leipzig Disputation. II. *Historical Theology*, 24 lectures. The dogma of the Formative Theologians—the Church and Sacraments of the Ante-Nicene period—the historical development of the Ante-Nicene Trinitarian dogma, and the Precursors of Arius. III. *Apologetics*, 40 lectures. Internal Evidence—personality of God—testimony of the Bible to Christ, the intrinsic evidence of Christ's personality—and the relation of Christianity to Ethnic thought.

In the *Extra Classes* the following subjects have been taught. *Senior Students*, a course of 17 lectures on *Old Testament Economy*; embracing Self-revelation of God—the Sabbath—Sacrifice and the covenant, in their dispensational phases. *Historical Theology*, 22 lectures. Heretical apprehensions of the Trinity—Arius—the Council of Nice from a dogmatic standpoint. Athanasius and the Arians of the fourth century. In all I have delivered 131 lectures during the Session. *Junior Students*—Twice every week they have met for instruction in the Hebrew language. I have merely to add my testimony, to the faithful application of the students to their work—to their satisfactory progress, and to their uniform propriety of conduct.

(3) Mr. Stevenson reports:—

In the class for Greek Testament Exegesis I have read with the students parts of the Gospel according to St. Mark. The studies of the Session have been profitable and satisfactory. While some students have done remarkably well, others have shown less aptitude for critical inquiries, but all have manifested a praiseworthy diligence. Rev. G. H. Wells kindly assisted me as examiner, by the request of the Board, and he bears emphatic testimony to the care and industry of our Students. I may add that the demeanor of the class towards the tutor is uniformly respectfully and appreciative.

The usual examinations were held at Christmas and at the close of the Session, at which latter the Revs. A. J. Bray, R. K. Black, and G. H. Wells, kindly acted as associate-examiners with the Principal,

Professor Fenwick during the summer vacation again visited certain churches on behalf of the College. In his Report to the Board, he stated that he had, in all, preached fifteen college sermons, at fifteen different places, mostly on the Lord's Day; and that addresses on week-days had been delivered at twelve places. Judging from the Congregations present at these services, it is manifest that much interest in the work of the College was awakened by them. The pecuniary results of the visitation were, considering the season of the year and the depressed state of trade, satisfactory. Your Board returned a special vote of cordial thanks and of appreciation to Professor Fenwick for this valuable service; which action you will doubtless cordially sustain.

The thanks of the College are also due to the Rev. R. K. Black for similar services rendered to the College by him, at the request of your Board, among the churches of Nova Scotia and New Brunswick, whereby large interest was awakened in the work of the College and its claims were recognized by liberal contributions. It is likewise worthy of note that a substantial contribution has been received from the church at St. John's, Newfoundland. The importance of a periodic and systematic visitation of these churches on behalf of the College should not be lost sight of.

At the last Annual Meeting, the following resolution was passed and remitted to your Board for consideration and report:—

*Resolved*:—That this Corporation request the Board of Directors to consider the advisability of a gradual reduction of the amount appropriated for Students' board, with a view to their ultimate self-support; and that the Board do report thereon at the next Annual Meeting.

Your Board have to report, that a Committee consisting of the Principl, Prof. Fenwick and Rev. S. N. Jackson, M.D., was appointed to consider and report on the above resolution. The Committee reported that they had considered the matter in its several bearings; and had concluded to recommend the discontinuance of the present plan of granting pecuniary assistance to the students, and the adoption of another which is considered not to be open to many of the objections at present felt. The reasons submitted for this recommendation were:—(1) College funds should not be so appropriated as necessarily to raise a question of finance when suitable applicants for admission present themselves. (2) Though the nominal character of the present method confines the granting of pecuniary aid to such as absolutely need it, the practical working is found to be that all, whether very needful or not, reckon upon it as a provision made for all students, and therefore one to which each has a claim. [3] It is known that some of the liberal supporters of the College have objections to the existing arrangement, on the ground that it tends to diminish self-reliance in the students, many of whom would

struggle through their college course, and that to their own advantage and better development, without such aid. And, further, that it is an unfavorable departure from the general practice of Colleges and Medical and Theological and other Professional Schools on this continent. To provide for cases wherein pecuniary aid would be essentially necessary to enable students to go through their college course, the Committee recommended the institution of a Board of Bursaries, distinct from the Board of Directors, to which should be committed the entire charge of this matter. Such a Board could receive money for Bursaries from Churches or individuals, who chose in this manner to aid particular students, or to aid generally, and from any other quarter. In some instances competitive preliminary examinations might be introduced. In short, without interfering with the maintenance of the income proper of the College, the Board of Bursaries would be entitled to ask for contributions from such quarters as they might deem expedient. In summing up their Report, the Committee recommended that the Board of Directors be relieved of the duty of providing pecuniary aid for students. That such students as may require aid be referred to the Board of Bursaries, whose duty it will be to consider each case on its own merits, ascertain the amount of compensation for services rendered by students to the Missionary Society, or otherwise, during their vacation, and to adopt such methods as it may find necessary for maintaining the fund it will have to administer. The Committee, further reported and submitted a large correspondence which they had had with divers colleges and officials engaged in the conduct of such Institutions and which they had found of great service in making their Report; whereupon, your Board resolved:—"That the Report now presented be received and adopted; and that it be a recommendation to the Corporation at its next Annual Meeting to adopt the changes therein recommended."

The importance of this matter, as well as your instructions thereupon, is a sufficient justification for the fulness with which it has been here referred to, and it is commended to the serious attention of all concerned therein.

It is the pleasing duty of your Board next to report the foundation of the first medal held by this College; and as the matter is not only novel in character, but also worthy of imitation by others, and of sufficient importance in itself to be thus recorded, your Board give *in extenso* the document forwarded to them by the Donors.

to secure this sum as soon as practicable. As an earnest, however, of their desire and intention to give effect to their resolve, they have secured the execution of the dies for the medal, which they are prepared to hand over to you to hold and possess for the College, on their receiving official notification of your acceptance of their offer, and on the conditions hereinafter set forth.

Furthermore, the donors undertake from this time forth, and until such time as the Medal Endowment Fund shall be completed, to provide at their own charges and to place in your hands, annually, a copy of the medal for annual competition. They respectfully submit the following as the terms and conditions on which they desire to present the said medal to the college:—

1. The medal is founded by Calvary Congregational Church, Montreal.
2. It shall bear the name of "The Calvary Church Medal."
3. The medal shall be of silver, and shall bear on the one side, the arms or corporate seal of the College, and on the other, a representation of the present church-edifice of Calvary Church, with the inscription, "Calvary Congregational Church, Montreal, organized 1874."
4. The object of the medal shall be the study of Church History in the Theological Course of the College.
5. The medal shall be annually offered for competition at the Sessional Examinations in the Theological department to students completing their college course at the said examinations.
6. The course of study and the subjects of examination for the medal shall be in Church History, and shall be such as the Faculty of Theology, subject to the approval of the Board of Directors, shall from time to time appoint.
7. The examiners for the medal shall be chosen by the Board of Directors.
8. The medal shall be awarded for absolute merit or excellence in answering, and to the student whom the faculty, on the report of the examiners, shall recommend to the Board of Directors as the successful competitor.

On behalf of the donors:—

[Signed] J. REDPATH DOUGALL,  
*Sec. Calvary Church.*

MONTREAL, December 21st, 1877.

Your Board also submit the Resolution adopted in response to the above, with the recommendation that it be adopted by the Corporation, substituting the word "Corporation" for the word "Board" in the original.

*Resolved:—*That the Corporation has heard with much gratification the communication from the friends of Calvary Church, and gratefully accept their generous gift of the *Calvary Church Medal* on the terms and conditions specified; and records its high appreciation of the enlightened interest thus manifested by the donors in the important work of this Institution. Further, that the Secretary be, and hereby is, authorized to receive on behalf of the College from the donors the dies of the said Medal, and such copies of the same as may be offered for competition at the close of this and other sessions; and, further, that the details of the course of study and of the examinations for the said Medal be referred to the Faculty, with instructions to report thereon to the Board of Directors.

Herewith is also submitted a copy of a device for the corporate seal of the College, and it is recommended that the same be adopted as the corporate seal of this Corporation.

Your Board have further to report, that they have carefully considered the question of recommending that the Rev. Professor Fenwick be appointed Vice-Principal of the College. This important matter was not taken up until after full conference with the honoured Principal thereupon had been held, and it had been ascertained that such a proposal met with his hearty approval. It is proper that the grounds for recommending this appointment should be stated to you, which are:—[1] That while the Principal is fully competent for the tutorial and administrative duties appertaining to his office, yet his physical inability to move freely about from place to place, visiting churches or attending meetings in his official capacity, prevents his doing what he wishes to do for the College in this way, and renders it necessary to devolve this work upon some other person. [2] That Professor Fenwick has, at the request of the Board, performed this service with much advantage to the College, and acceptability to the churches visited. [3] That whilst Professor Fenwick happily enjoys the full confidence of the churches, it is yet desirable that he should in discharging these and other public duties on behalf of the College be invested with such weight and representative character as the College can give him. And [4] That the faithful and valuable professorial services of Mr. Fenwick constitute a strong ground for bestowing on him this further mark of the approval and confidence of the Corporation. For these reasons, it is the unanimous recommendation of your Board that Professor Fenwick be appointed Vice-Principal of the College.

The Report of the Treasurer is herewith submitted. It shows, total Receipts for the past Session, including \$1,271.37 from the Colonial Missionary Society, and \$600.00 interest from the Endowment Fund, \$4,567.85. The Disbursements, including the deficit of \$888.95 on account of 1876-77, have amounted to \$5,316.04. Thus your Board have again to regret to have to report the balance of \$748.19 on the wrong side of the account, and this notwithstanding the strictest economy in the administration of the funds entrusted to them. In this connection, it is proper that your attention should be called to the inadequacy of the salary paid to Professor Fenwick for his valuable services. Your Board recommend that their successors be authorized to take action in this matter.

The Report of the Treasurer of the Endowment Fund is also herewith submitted. It shows that the receipts for the past year on account of the Fund amount to \$637.00; and, including expected receipts on account of this year, that the aggregate receipts will amount to \$13,760.00.

All which is respectfully submitted by your Board.

GEORGE CORNISH, LL.D.,

*Secretary.*

In looking forward to the future it is to be noted that subscribers to the amount of \$2000 have paid as yet nothing on account; of this sum we cannot expect more than one-half, say \$1000.

Those who have paid one instalment now owe \$970; of this sum we may expect about \$500. Such as have paid two instalments are good for the remainder, which amounts to \$750. The same may be said of such as have paid three and four, whose promises yet unfulfilled amount to \$500, making a total of expected receipts of \$2750; add \$11,010 already received, and we have a total of \$13,760, which comes short of the \$15,000 by which Mr. Smillie's \$5000 will be secured, to the extent of \$1240. What may be further expected from the Alumni is not estimated.

A Subscriber of \$500, of which \$200 is paid, promises to pay interest on the unpaid portion until the matter is closed.
