Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

DIRECTION OF H. C. JACOBS

The Victoria Hospital
and Schreiber's Plan.

Most of our citizens consider that it would be a civic disgrace if the new hospital owing to the lack of funds, should not be built first-class and up to date in every respect. As London does not seem to have any woolly brained aldermen who are clever enough to extricate the Council from the hole in which they are wallowing, the proprietors of the famous "Spot" cigar have generously come forward with a suggestion to help the aldermen out. The proposal is that the city should sell 2,500 "maintenance coupons" of the value of \$10 each, thus raising \$25,000 with which to properly complete the hospital. Each coupon will be worth \$10 in paying for board and treatment at the new hospital, and would be honored by the hospital authorities from time to time as presented. There are hundreds of philanthropic citizens who would gladly buy these coupons and give them to those in need of hospital treatment. There are hundreds of citizens who would gladly buy them because they are interested in the new hospital. Even the elephant-hearted gentlemen of the County Council might buy a few. All the churches and the fraternal societies would buy some. The architect would buy a large number. The "sub-contracting" aldermen would fall over one another in their efforts to buy. The manufacturers of the "Spot" cigar would buy some. It is true that this plan would throw part of the cost of the hospital on the maintenance account of future years, but what of that? The yearly interest on \$25,000 would be saved, and the coupons would probably increase the demand for hospital per patient would be greatly reduced. The accommodation so much that the pro rata cost Mayor and Aldermen can put this in their pipes and smoke it, and if they haven't got pipes, let them each buy a "Spot" cigar.
