SOME MORE CHANGES

Over the New Tariff Bill to Come Down.

SOME PROBABLE CHANGES.

A Leading Liberal Says the Duty on Raw Sugar is to Go Up.

Old Settlers Anticipate a Reduction of One Cent Per Gallon on Refined Oil.

They Say Will Paralyze Them and Cut the Patrons'—The Tariff on Agricultural Implements—High Taxes Among the Ottawa Liberals—Capital Topics.

Ottawa, April 16.—(Special.)—Expectation is running high in Ottawa that the new tariff bill will be introduced today.

A leading Liberal stated today that as far as he could learn from tea, sugar, coffee, tobacco, beer and spices, were the duties now exist, they would be increased and where the articles are free they will be made dutiable.

It is expected that the present tariff, as in some classes of goods there will be reductions. Raw sugar will likely be increased from one-half cent to one cent per lb. while on refined sugar the duty will be raised from 12 to 14 cents per lb. white on more per hundred pounds.

On lumber the duty will be reduced from 10 to 8 cents per 100 feet. The cost duties will be reduced, the duty on bituminous being reduced probably to 40 cents a ton, while 40 cents a ton will be put on anthracite. The duty on steam coal may be reduced to place as others.

When the proposed retaliatory Canadian duty on raw logs was spoken of, Mr. Munson said that it would not be introduced.

Mr. H. Munson, a prominent lumberman of Bay Mills, Mich., in an interview last evening expressed strong views against the manner in which the tariff bill makes the import duty on lumber 25 cents per 100 feet.

Referring to the clause of the Dingley bill which makes the import duty on lumber 25 cents per 100 feet, he said that he would not be sorry to see it carried.

Between Greek Irregulars and Turkish Forces.

A BIG KILLING OF TURKS

At the Same Time the Grecian Invaders Suffered a Severe Check.

The National League of Greece Ordered to Retreat Into Greek Territory Unless the Regular Army Supports the Irregulars.

The Latest News From Macedonia. Headquarters of the Turkish Army in Macedonia—Have the Greeks Broken Thru Larissa (Headquarters of the Greek Army in Thessaly), April 16.—Severe fighting has occurred in Macedonia between the Greek irregulars and the Turkish forces.

The column of Greek irregulars sent to the right from Pigiaria, after having invested and captured Stiven, continued its advance towards Kritis, Plisia and Kouruzi, with orders to hold Kouruzi at all costs, as it commands the right approach to Grevena, the objective point of this column, commanded by chief Zermes and Luazo, attacked Kritis on Tuesday. The place was defended by two companies of Turks. After a severe fight, during which 80 Turks were killed and 25 were taken prisoner, the position was captured by the Greeks, who also obtained possession of 150 rifles and a quantity of cartridges.

Greeks Suffer a Check. The insurgents, however, have suffered a severe check in another direction. A strong force of Turkish troops, from Meovon, with a number of mountain guns, advanced on Krania, which has previously been occupied by the Greeks, and attacked the 400 irregulars of Greece, who occupied an entrenched position in that direction. The fighting was ferocious on both sides. The insurgents, eventually, were compelled to retreat north to the mountains. Some of them, however, succeeded in breaking through the Turkish lines, and fled to Balitino, the town just across the frontier in Macedonia, first captured by a depot for provisions and ammunition.

Big Killings of Turks. The accounts given by the refugees of the Turkish losses are believed to be exaggerated. They say that the Turks were killed, not only in the field, but also in the depots. The Emperor of Germany and Russia, and to abide by the terms of the final decision.

Our disgraced office seems to be a number of the refugees who are at their disposal for the purpose of keeping down the movement for the independence of the Balkans. These young men, who have in no way earned the confidence of Europe, are being sent to the front, and are being sent to the front, and are being sent to the front.

THE TROUBLE IN SOUTH AFRICA.

THE SPANIARDS ARE TIRED OUT.

A Part of the Army Will be Withdrawn From Cuba in a Few Days.

Washington, D. C., April 16.—According to information received from trustworthy sources here, the withdrawal of at least a part of the great army that Spain has maintained for several years in the island of Cuba will begin within a few days.

The initial movement will be the departure of 10,000 Spanish troops from Havana for Spain, and within a short time after that 30,000 troops it is understood, will follow.

Whether this movement is to be construed in favor of or against the insurgents is not possible to say. The Spaniards insist positively that it means only that little or nothing remains of the insurrection; that Gomez has only about 50 or 100 followers, and that to watch these under the conditions in which the campaign has been conducted is a few thousand men are quite as effective as the army of 180,000 men which has been maintained in Cuba since the beginning of the war.

On the other hand, it is said that the Spanish financial resources are exhausted and that the troops are to be withdrawn because of lack of money to keep them in the service.
