PREFACE.

THE PUBLISHER, in presenting his EIGHTH ANNUAL EDITION of the HAMILTON CLASSIFIED BUSINESS AND NIAGARA DISTRICT DIRECTORY, believes that the book will prove very useful to both Hamilton and country residents. The compiler having lived here for the past twenty-seven years, and intimately knowing almost every business and professional man in the city, has been enabled to do thorough justice to all without fear or favor.

For strangers this book will be found an accurate and reliable business guide. The publisher returns his thanks to the advertisers and subscribers who have so liberally supported him, and hopes that every year the "Ambitious City" and the old Niagara District will grow in prosperity and importance.

City of Hamilton.

THE City of Hamilton has a population of 50,000, making it the second largest City in the Province of Ontario. It is beautifully situated at the head of Lake Ontario, on Hamilton (formerly Burlington) Bay, and has one of the finest harbors in the world. It is 40 miles from the City of Toronto, 45 from Niagara Falls on the Main Line of the Grand Trunk Railway, also the N. & N. W. Branch of the same road, running north, south, east and west out of the city. Besides this, trains for W. G. & B. and B. & T. Branches leave Hamilton each day. The Canadian Pacific and Michigan Central both run through Hamilton on the Toronto, Hamilton and Buffalo tracks, giving the City as good shipping facilities as any city on the Continent. The Hamilton and Dundas Railway, Hamilton and Grimsby Electric Railway, Radial Electric Railway and others in the course of construction and the Hamilton Electric Street Railway, make Hamilton one of the most pleasant places to live in to be found in the Dominion.

We have a number of large stove foundries, agricultural and wheel works, Air Brake works (the only in Canada), steel, bridge, smelting works, rolling mills and nail works, etc.; in fact, Hamilton is known all over the world as the Birmingham of Canada. The principal streets and pavements are of Trinidad Asphalt. There are many lovely residence in all parts of the city; also two Incline Railways to carry farmers and others down and thousands of pleasure seekers up to the top of the mountain during the hot weather, from which a grand view of the city and surrounding country can be had.

The Public Buildings, such as the Court House, City Hall, Ontario Normal School, Market Hall, Post Office, Churches and Schools, also Public Parks, are as fine as can be had in the Dominion.

Our Markets are stocked with the choicest fruit and vegetables that can be grown; being situated as it is in the centre of the Fruit Garden of Canada. As many as four hundred farmers' wagons loaded with all kinds of produce are to be seen many market days.

Altogether a more pleasant place to live could not be wished for. To all parties looking for a place to go in business, either in manufacturing, or mercantile line, visit Hamilton before you decide.
