DeMerchant—Cannan

G. MURRAY McLEOD, MANAGER

Centerville can well afford to be proud of its stores. They are clean, bright, and safe, without the contradictions that their counterparts cannot be found in any centre elsewhere in the province, and many of the towns much larger than Centerville haven't anything on a par with them. They are commodious, have well laid off and well stocked departments where any article in common or daily use may be purchased from well selected and diversified merchandise. They are cleanly, sanitary and brightly lit. The electric lighting system renders them comfortable and pleasant during the coldest of the year. To top, we not only have a few up-to-date stores, but likewise a number of the old-fashioned stores.

Time it! In five minutes all stomach distress, due to acidity, will go. No indigestion, heartburn, sourness or belching of gas or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapiesin is noted for its speed in regulating upset stomachs. It is the surest, quickest stomach sweetener in the whole world, and besides it is harmless. Put an end to stomach distress at once by getting a large fifty-cent case of Pape's Diapiesin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by fermentation due to excessive acids in stomach.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.

"CASCARETS" WORK WHILE YOU SLEEP

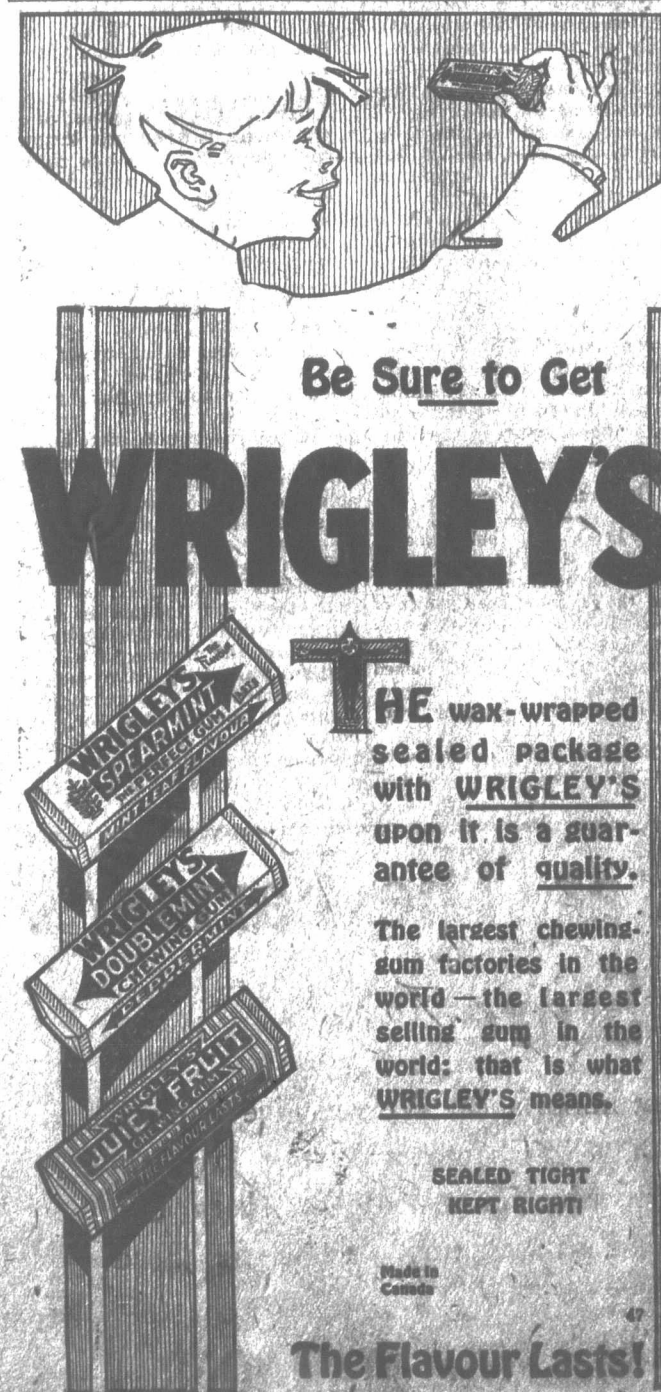

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Malarious Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a cask. That's the first step to untold misery—indigestion, flat gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep, a 10-cent box from your druggist will keep you feeling good for months.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, Liver and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

DO YOU WANT PINK CHEEKS?

They Can Be Had by Keeping the Blood Rich, Red and Pure

Every woman—every girl—wants pink cheeks. They mean not only beauty but good health. When a woman's blood is scanty or anemic, her color fades, she looks debilitated, is short of breath and her heart palpitates after slight exertion. Sometimes this trouble is accompanied by severe headaches or pains in the back or sides. This condition is entirely due to weak, watery blood, and can only be cured by making the blood rich, red and pure. For this purpose there is nothing as equal as Dr. Williams' Pink Pills, which act directly upon the blood, and in this way bring new health and strength to weak, ailing people.

Mrs. Anderson, Hearst, Ont., says: "Before coming to Canada from England, I was a sufferer from anemia for upwards of a year. I had been gradually getting paler and weaker. I did not realize that I was sick, but felt constantly tired and worn out. I had no ambition for anything, and grew so white that my brothers used to call me 'snowball'."

At this stage my mother decided that she would get Dr. Williams' Pink Pills, which are a favorite medicine in England as well as in Canada. On the day I commenced taking them I fainted on getting out of bed and mother urged me to stay in bed for a few days. I really felt so weak that I was glad to take her advice. I looked more like a corpse than a living person. I remained in bed for a week, taking the pills regularly, and then I felt that I was able to get up, though not able to go about. From that on, however, I gained strength daily, and in a little more than a month I was feeling as well as ever I did. The color returned to my cheeks and lips, and my friends were all surprised at my rapid recovery. I took no medicine but Dr. Williams' Pink Pills, so that they deserve all the credit for my restoration to health."

You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

The Observer will be sent to Canadian subscribers a full year for \$1 paid in advance.

Ringworm on Child's Head

Caused Great Distress and Spread to Neck and Hair—Cure Was Speedily Effectuated When Right Treatment Was Recommended.

There is no disease of the skin more obstinate than ringworm, and the mother who writes this letter does so fully realizing what it will mean to other anxious mothers to know about Dr. Chase's Ointment.

This remarkable cure was brought about two years ago, and as there has been no return of the distressing disease there can be no doubt that the cure is permanent.

Mrs. D. Stebbins, Grand Bend, Ont., writes: "I am going to tell you of my experience with Dr. Chase's Ointment. My little girl had some sores on her head which looked like ringworm. They were spreading fast, and I tried home treatment, but nothing helped her. I took her to the doctor, and he opened some of the sores, which were as deep as the yoke of an axe. The sores he gave me to put on was very severe, and the poor child would cry for an hour or more after an application. For six weeks it continued to spread all over her head, and came down to her neck and ears. She suffered terribly. At last I had better luck with Dr. Chase's Ointment, so I got a box, and the first time I put it on she was relieved of pain, and the second time the swellings were all gone. Before we had finished the first box the sores were nearly all gone. I have told all the people around here about your Ointment, and I cannot praise it too much. I feel now two years since my little girl was troubled in this way, and it never came back, so you can see she is completely cured. You are at liberty to use this statement for the benefit of others who may be suffering in a similar manner."

Joseph Brenner, J.P., endorses this statement as follows: "I am personally acquainted with Mrs. D. Stebbins of Grand Bend, Ont., and believe her statement with reference to Dr. Chase's Ointment to be true and correct."

Dr. Chase's Ointment is sent in a box, all dealers or Edmonson, Bates & Co. Limited, Toronto, Ont., supply the drug stores, who try to talk you into accepting a substitute.

A tiny bottle of Frezome costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

HAVE YOU NICE HANDS?

You can have if you use Zam-
Buk regularly. Women who do
their own housework, and con-
stantly have their hands in water,
say nothing equals Zam-Buk for
keeping the hands in good condition.
Or, if your hands are chapped,
one thorough application of
Zam-Buk at night will bring ease
by morning, and continued use of
this balm will heal the cracks and
roughness.
Miss Della Martel, of 35 McKay
St., Ottawa, says: "For two winters
I suffered acutely from cracked
and chapped hands. I tried various
salves, which seemed to do them
good for a time, but as soon as I
went out doors my hands would be-
come just as bad as ever. A friend
advised me to try Zam-Buk, and it
was really wonderful how even the
first application of this balm stopped
the smarting and drew out the sore-
ness. In a very short time my hands
were quite smooth again. Now I
rub Zam-Buk on my hands occa-
sionally all through the winter, and
never have any trouble from cracks
or chaps."
For frost-bite, chilblains, cold
sores, eczema, boils, ulcers, blood-
poisoning, cuts, burns and scalds,
Zam-Buk is equally good. All
dealers, 50c. box.

Zam-Buk

After the ceremony, they
drove to Arrostook Jet. where they
were the guests of Mr. and Mrs. D.
McLellan. They returned home the
next evening expecting to give Mr.
and Mrs. J. R. Tompkins a surprise,
but a surprise was in store for them
also. It being Mrs. Tompkins' (the
groom's mother's birthday,) a large
crowd of neighbors had gathered to
celebrate the occasion. A handsome
birthday cake, a gift from Mrs. L.
Saunders, adorned by candles was very
pleasing to the eye as well as to the
appetite. The costumes worn by some
of the ladies in the party were charm-
ing. It is enough to say that every-
body had a wonderful time, and were
very loath to leave for that differ-
ent homes, even after the clock had tolled
the hour of midnight. We all join
in wishing Mr. and Mrs. Hadah Tomp-
kins a bright and happy voyage over
the matrimonial sea.

Friends of William Craig are pleased
to see him out again after his long and
tedious illness.
Miss Fannie Larlee (trained nurse)
accompanied her cousin Miss Cassa
Bishop to Fredericton recently, where
she underwent a slight operation for
throat trouble.
Miss Sarah Armstrong recently
visited at the home of Mrs. John Ful-
ton of Wicklow.

A NERVOUS BREAKDOWN

Miss Kelly Tells How Lydia
E. Pinkham's Vegetable
Compound Restored
Her Health.

Newark, N. J.—"For about three
years I suffered from nervous break-
down and got so
weak I could hardly
stand, and I cried
every day. I tried
everything I could
think of and was
under a physician's
care for two years.
A girl friend told
me of Lydia E. Pinkham's Vegetable
Compound and she
told me about it.
From the first day
I took it I began
to feel better and
soon I was well and
able to do most any
kind of work. I
have been recom-
mending the Com-
pound ever since and
give you my per-
mission to publish this
letter."—Miss
E. Kelly, 478 So. 14th St., Newark,
N. J.

The reason this famous root and herb
remedy, Lydia E. Pinkham's Vegetable
Compound, was so successful in Miss
Kelly's case was because it went to the
root of her trouble, restored her to a
normal healthy condition and as a result
her nervousness disappeared.

PREMIER FOSTER ADVISES FARMERS

To Get Bigger Representation in the House.

The forty-third annual convention of the New Brunswick Farmers' and Dairymen's Association opened today with the annual address of the president, L. M. Anderson.

Hon. J. F. Tweeddale, minister of agriculture, referred to the plans for providing farms for returned men. The federal and provincial governments are uniting in this effort, and as a result of his representations the federal act will apply to eastern as well as western Canada. A bill for the settlement of soldiers in this province will be introduced in the legislature on Wednesday. It will provide for the purchase and sale on easy terms of established farms, for the advance of money for the development of homes on forest lands, and to provide free of charge farm areas in the Bluebell tract. It is also the intention of the government to spend \$50,000 for the provision of truck farms of smaller area nearer the cities for the soldiers whose disabilities will not permit of farming on a larger scale. These provisions, he said, are the most generous afforded by any of the provinces.

Referring to the federal government proposal to establish cold storage facilities and an abattoir in Halifax, the minister said that he had advocated the choice of St. John as the site and was seeking the co-operation of the St. John Board of Trade in achieving this. The exceptional opportunities afforded by the province for the production of sheep stock which pays 100 per cent, per annum, was touched on by the speaker, who also told of the government measures to aid in increasing the flocks and the marketing of wool. Government aid for hog raising, dairying, bee keeping, cattle raising and poultry clubs and the satisfactory results were touched on and the minister made the interesting announcement that the department is arranging to bring in fifty pure bred bulls for the improvement of stock.

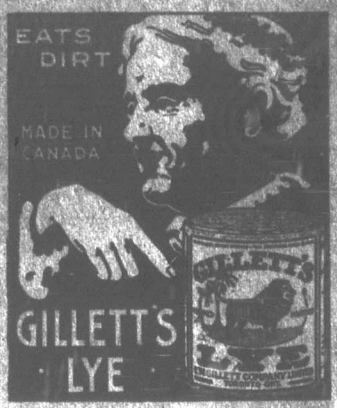

In the Farmers' and Dairymen's Convention on Wednesday afternoon there was a discussion of co-operative methods, led by J. D. McKenna, of Sussex, who told of his experiences in aiding the farmers by buying goods direct from the source of production and eliminating middlemen's profits.

J. A. Bernier, of Edmundston, addressed the gathering in French and was followed by Rev. Father Legasse, St. Ignace, and Rev. W. E. Sormany, Rogersville.

Premier Foster told the convention that the soldiers' farm settlement bill was to be brought down in the legislature by Hon. J. F. Tweeddale, Minister of Agriculture. He advised the farmers to stick together and get a larger representation on the floors of the House with a free hand to act.

Nothing Can Compare With It

Mr. Fred Adams, New Rose, N. S. writes:—"I have tried many medicines for coughs and colds but never found anything to compare to Dr. Chase's Syrup of Linseed and Turpentine. We have had the greatest satisfaction with this medicine for it never fails to relieve a cough and loosens it up."

Many contributions of obituary poetry, while they may express the sentiment and sadness of those directly concerned, are nearly always absurd in composition and excite only ridicule. The Observer charges for these at 5 cents a line and they must be limited to four lines of so-called "poetry." Any such contributions, several this week, are promptly consigned to the waste basket together with several communications where the writers fail to sign their names. Correspondents must verify all the items they send in and must be absolutely sure that all are true.

Recently a correspondent announced an engagement that was absolutely ridiculous but on the face bore the evidence of truth. This week a birth was announced apparently for no other purpose than to bring discredit on the parties mentioned. Any correspondent who makes trouble for The Observer in this manner can feel assured that they are making only trouble for themselves and very serious trouble at that.

One of our older brethren, while preaching on one occasion during the past year, became exceedingly happy during his sermon, and jumped about with such youthful vigor that his false teeth flew out, and naturally the congregation were convulsed with laughter, and the brother undergoing another wave of great joy, jumped high, as only an old man can, and declared he would preach holiness if he flew all to pieces. — Kings Highway.

The Tablets are a mild but thorough laxative. They regulate the bowels and stomach; drive out constipation and indigestion; cure colds and simple fevers; promote healthful sleep and make teething easy. Concerning them Mrs. Omer LeBlau, Maddington Falls, Que., writes: — "I am well satisfied with Baby's Own Tablets and will always use them for my little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Funeral services were in charge of Rev. P. J. Quigg and were held at his home on Sunday afternoon. Interment in the Cloverdale cemetery.

LOCAL AND PERSONAL ITEMS

On Monday evening a delegation from Brunswick Lodge, I.O.O.F., Florenceville, paid a fraternal visit to Centre Lodge and spent a pleasant evening with the brothers of the latter organization. The initiatory and first degree were worked on four new candidates for the pleasure of the visitors. Following this, Centre Lodge, as host, catered to the pressing needs of the inner man, and all went home happy.

LeRoy T. Lee, J. C. Stevens and E. R. McClintock spent Thursday and Friday in Woodstock attending a special convocation of Woodstock Preceptory of Knights Templar. A class of 30 chapter men were put through the several degrees by a degree team from De Mabey Preceptory St. John. Other members of Carleton Lodge attending were A. D. McCain, Hedley Jewett, J. F. Waugh and Cook Boyer of Florenceville, and Guy Welch and Wm. Love of Glassville. The ladies of the Eastern Star catered to the brothers.

Rev. J. B. Champlain went to Fredericton on Thursday where he delivered a lecture on Thursday evening, returning on the Valley on Friday.

Miss Marguerite Campbell of the Normal School, Fredericton, arrived on the Valley on Friday evening, called home on account of the illness of her grandmother, Mrs. Chas. West. We regret very much the serious illness of the good old lady and only hope she may be restored to her wonted health.

Dollar Day in town on Wednesday proved a decided success. The town was thronged with eager shoppers and gave a very close resemblance to the day before Christmas. The merchants seem all very happy over the marked increase in sales and the people look pleased when their dollar becomes a little more potent on the purchasing end of the market.

J. R. D. White of Arcostock, Jct., spent Thursday in town.

Mrs. Robert Burke of Fort Fairfield spent the week with her friend, Mrs. J. C. Stevens.

David Burt, returned from Millinocket, last week.

The funeral of the late Lt. Col. G. D. Perkins was held in the U. B. church on Wednesday at 3 p.m. A crowded church bespoke the esteem in which the townspeople held their former neighbor and friend. Deceased was 66 years of age, having been borne in Centreville and spent the greater part of his life here. Some 12 or more years ago he purchased a farm at Connell and has since followed agricultural pursuits there. He had been in failing health for some time and the end was not unexpected. He leaves a wife, four sons, and a daughter to mourn a good, kind husband and father. Interment was made in the family lot in the U. B. cemetery, Rev. S. Johnson officiating.

On Saturday evening C. A. Nelson and Harry Sawyer of Hartland put on the picture "The Kaiser, the Beast of Berlin" in the Opera House to a well filled house.

We are glad to read of the progressiveness and well earned and continued prosperity of The Observer. It must surely be extremely comforting each week to know that you have a large surplus of subject matter for the issue rather than a dearth. We heard considerable favorable comment in Woodstock last week over the relative superiority of the Carleton Observer to other local papers. May it keep on at the top and still increasing.

The parishioners of the Anglican church held a reception and donation in the Opera House on Tuesday evening for their new priest-in-charge, Rev. J. Rees-Jones, and wife. A short program was rendered and a very pleasant evening spent.

Another good old lady of the vicinity passed to her reward on Friday in the person of Mrs. John Harold. Deceased was nearly 90 years of age and spent all of her long life in the vicinity. She died of pneumonia at the home of Mrs. Ingles Harold, Goods Corner. The funeral was held at the United Baptist church on Sunday afternoon at 2.30.

The Progressive Farmer

is the one who while looking to the future learns from the past. He does not figure that because one year is a poor year or that one time prices have been very low that they will always be low. The past indicates that occasionally there is a year of low prices on one thing or on many things but the next year usually sees a swing the other way and the low prices of a year ago have become the high prices of the present.

The Progressive farmer gets ready for the planting season before it is here. He ploughs in the fall and has his land ready for an early season. He arranges for his seeds, his tools and his fertilizer before the spring is actually upon him.

This year especially is a year for big crops. This spring season will undoubtedly be an early one and a long one and it will give the farmer a chance to do his best.

Whether it is a year of low prices or of high prices the farmer with crops to sell is the farmer who will get the best returns. The farmer who uses a liberal supply of fertilizer will have the largest crop to market at the end of the year.
