## DRESS AND MANTLE MAKING

**The Fashionable West End.**

**To the Ladies:**

We have during the past two years con-  
templated the establishment of a Dress  
Making Department, in connection  
with our other branches. The difficulty  
of obtaining a suitable person to take  
charge, has up to the present time, only  
presented us from doing so.

We have now great pleasure in inform-  
ing you that we have secured the services  
of Miss Morrison, of Toronto, a lady  
of first-class abilities, highly recom-  
mended to us, and we believe, eminently  
qualified to give complete satisfaction in  
every respect. Miss Morrison has for  
the past ten years occupied the position  
of cutter and fitter in one of the leading  
Fashionable Dress Making Establish-  
ments in the City of Toronto.

Miss Morrison is also an experienced  
Mantle maker, and all orders entrusted  
to her will be executed in a style equal  
to anything that can be obtained in the  
largest cities.

Orders for these departments will be  
received on and after Monday next, the  
4th of May.

**A. O. BUCHAM,**  
Fashionable West End Dress, Mantle  
and Millinery Establishment.

**TUESDAY EVENING, JUNE 17, 1873.**

**Town and County News.**

**LECTURE**—Mr. E. E. Parrott, Agent of  
the Grand Lodge of the I. O. of G. T.,  
will deliver a lecture on Temperance on  
Friday night, on No. 2 1/2 School House, in  
the Paisley Block.

**FINANCIAL**—The information was  
elicited last night at the Council meeting  
that the rate of assessment for the pre-  
sent year would be 1 1/2 cents in the \$,  
which would leave a balance as per esti-  
mate of a little over \$900.

**"ALL AMONG THE CLOVER"**—J. Andor-  
son has copies of this favorite song and  
chorus. It is written in the key of D,  
and both air and accompaniment are  
simple and pleasing. Mailed to any ad-  
dress on receipt of price—36 cents.

**STRAWBERRY FESTIVAL**—A strawberry  
festival in aid of the Ladies' Fund of St.  
George's Church will be held in the Drill  
Shed on Wednesday, 25th inst. The  
Vocal String Band has been engaged  
and will be in attendance. Price of ad-  
mission 10 cents. Don't forget it.

**INSPECTOR OF LICENSES**—Mr. N. Croft  
has been appointed Inspector of Licenses  
at a salary of \$100 per annum. He is  
required to give security for the proper  
discharge of his duty. Let the temper-  
ance advocates see that it is done—less  
preaching and more practical working  
would advance their interests in a sub-  
stantial manner.

**THE NIGHT WATCH**—In consequence  
of the new police arrangements, Mr.  
Mitchell, for some months past night  
watchman, has decided to give up his  
duties at the end of this week. Mr.  
Mitchell has been a very efficient watch-  
man, and no doubt he would have been  
well supported had he remained, but he  
thinks there is no necessity for his ser-  
vices now.

**BROGUES FOR MANITOBA**—Messrs. J. B.  
Armstrong & Co. received an order to-day  
for six of their buggies to be shipped to  
Mr. Livingstone, formerly of Elora, and  
now living in Manitoba. This is the  
second shipment Messrs. Armstrong &  
Co. have made to that Province, and  
there is every prospect that the business  
will be greatly extended, as the excel-  
lence of our Guelph buggies become better  
known.

This singular escape from death by  
lightning is recorded in the North  
Wellington Times.—A thunderstorm passed  
over the Hereward neighborhood in East  
Garafraxa on Tuesday afternoon. The  
lightning struck Atkinson's Rossin  
house, going down a chimney, along  
stove-pipes through two rooms, out  
through the bottom of the stove, and  
through the floor into the cellar. Some  
of the stove-pipes were ripped open and  
thrown out of the house by the electric  
fluid, which shattered the bottom of the  
stove and splintered a sleeper, as also a  
large elm post on which it rested. Though  
there were people in the two rooms  
through which the lightning passed in the  
stove-pipe, none of them were in-  
jured, and the damage to property is very  
slight.

**RACES**—On Monday afternoon several  
impromptu races were got up, and came  
off on the race course in presence of quite  
a number of spectators, who enjoyed the  
afternoon's sport very much. The first  
was a trotting race between two horses  
belonging to butchers. After a spirited  
trot the brown horse won. The next was  
a trot between Woods' "White Rose" and  
Deveraux's roan mare, which was won by  
"White Rose." Next was a running race  
between W. West's "Blackbird," John  
Bunyan's sorrel Kate, Hearn's mare, W.  
Wood's "Grey Tom" and John West's  
"Old Bob." This was a capital race, and  
was keenly contested, "Old Bob" sur-  
prised all by coming in ahead. A foot  
race next came off between G. Amos and  
—Simmons mile heat. It was won by  
the latter. Next a foot race between  
Burns and Clarke—mile heat—won by  
Burns. The last was a foot race—100  
yards—between Watson McPhail and a  
stranger just out from Hawick. Watson  
came in first, and Hawick second.

**JUST RECEIVED** at the Golden Lion—  
Chance & Williamson's noted cheap  
goods—one case of Jonvin's two-buttoned  
kid gloves in all shades and sizes. The  
best glove made at \$1.25.

**RESIGNATION OF CANON RAMSAY**—Ac-  
cording to the Mail the Rev. Canon Ram-  
say, acting on the advice of the Bishop,  
has sent in his resignation of his charge  
at Newmarket, to take effect on the 1st  
of July.

before the Senate, which has adopted the  
first seven clauses.

Portress Monroe, June 16.—The Nor-  
wegian barque "Asto," from Havana for  
Havre, arrived in the Roads to-day with  
yellow fever on board. One man died on  
the passage. The captain and three men  
have the fever, but are convalescing.

New York, June 16.—Supposed in-  
cendiarist fires in Mexico and Missouri  
yesterday destroyed \$30,000 worth of  
property.

The court-house, Green County, Ark.,  
with all the records was burned on the  
12th inst.

New York, June 17.—A fire is reported  
early this morning raging in Westboro',  
Mass., and is threatening the whole  
town. The fire department of Worcester  
has been called on for aid.

The boiler in Queen's glue factory,  
Rahway, N. J., exploded yesterday, de-  
molishing the factory, and killing Frank  
Weiss and fatally injuring two others.

It is stated that the Navy Department  
has purchased the British steamer  
"Tigris," which will be re-manned by  
American officers, and sent in search of  
the "Polaris."

New York, June 16.—The last day  
of the spring meeting of the Prospect Fair  
Grounds Association. First race, run-  
ning race, mile heats best 3 in 5. Two  
entries, purse \$300. "Boughram's" "Ger-  
ald" 1, 1, 1; Thos. Jones' "Bay Billy"

ond race, purse \$1,000, for horses that

first, third and fourth heats. "Ida Pic-  
ton" winning the second heat and sec-  
ond place. Time 2:30, 2:27, 2:30 and  
2:32 1/2.

Chicago, June 16.—A desperate fight  
occurred here this morning at the corner  
of Halsted and Erie Streets between  
three police officers and some burglars,  
which resulted in the shooting and prob-  
ably killing of Jack Allen, one of the  
most daring and notorious thieves in the  
country, and the capture of Jake Boggio  
alias Rogers, or one-armed Dave, a  
scarcely less noted villain.

Nashville, Tenn., 16.—In Rutherford  
County, about three weeks ago, Joe  
Woods (colored) ravished a widow and  
knocked her on the head with an axe.  
The woman died on Saturday night, and  
a party of fifty men took him to the  
woods and hung him.

Thirty-two interments from cholera  
are reported since Saturday, and a large  
percentage of those attacked have re-  
covered. The deaths are principally of  
colored people.

Cincinnati, June 16.—A few cases re-  
sembling cholera has appeared within  
the past few days. One fatal; no  
excitement on the subject.

**Breakage.**

*(Special to the Evening Mercury per Mon-  
day Evening.)*  
St. Catharines, June 17.—The prop-  
er "Granite State," of the Northern  
Transportation Company, bound up,  
broke four gates of lock No. 2, Welland  
Canal, this morning.

Navigation will be interrupted for  
three or four days, owing to the break.

**Royal Arch Chapter No. 40.**  
At the regular communication of the  
R. A. C. No. 40, held in the Masonic  
Hall, on Friday night last, the following  
officers were elected for the current  
year:—  
V.E.C.W.D. Hepburn, H.  
E.C. G. W. Jessop, H.  
E.C. F. Biscoe, J.  
C. J. Minnae, Scribe E.  
C. W. H. Paterson, N.  
C. J. E. Workford, Treas.  
C. Hugh Walker, P. Sojourner.  
C. Geo. Smith, Janitor.

**STRAITFORD PUBLIC SCHOOLS**—Complaints  
have been rife respecting the condition  
and management of Stratford Public  
Schools, and the Editor of the Beacon  
has taken some pains to ascertain if they  
are well-founded. The result is given in  
its columns.—"So far as we have been  
able to ascertain, it appears that the dis-  
cipline in the various departments is not  
sufficiently strict, that the organization  
of classes is defective, that the schools  
are over crowded, and the regulations of  
the new School Act are not carried out."  
Plenty of room for improvement.

**The Northern Advocate says**—On  
Wednesday last about 50 Norwegian Im-  
migrants passed en route to the township  
of Montclair. This township has been  
set aside as a Norwegian settlement, and  
we trust the experiment will be a suc-  
cess.

The Hamilton murderer, Thomas  
Fields is trying to play the insanity  
dodge.

Go to the Lion for lace and Turkish  
curtains.—Chance & Williamson.

## OUT-SIDE SPORTS.

**BASE BALL.**

**THE ATHLETICS WHITEWASH THE BOSTONS.**  
The above clubs played their first  
game in Boston on the 14th, in the pre-  
sence of about 2,000 people. The Ath-  
letics completely outbatted and outfielded  
their opponents, only making two errors  
in the whole game. Time, 1 hour and  
40 minutes. The score stood at the close,  
3 to 0, the Athletics making their runs on  
the 2nd and 7th innings.

In Philadelphia, on the 14th, the Phila-  
delphias and Athletics played their 4th  
game. Some splendid batting was done  
by the Philadelphia nine, Meyerle making  
two three base hits, and Tracy and Fulmer  
making home runs. Time, 1 hour  
and 43 minutes. The following is the  
score:—  
Athletics... 1 5 0 0 3 0 0 0—9  
Philadelphia 1 3 0 3 3 0 0 4 0—14

The following matches have been ar-  
ranged:—To-day the Philadelphia and  
Boston play at Boston; to-morrow the  
Athletics and Athletics on the Union  
Grounds, Brooklyn; on the 19th Atlan-  
tics and Athletics in Baltimore; on the  
20th the Mutuals and Athletics on the  
Union Grounds; on the same day the  
Athletics and Washingtons in Wash-  
ington; on the 21st the Athletics and  
Baltimore in Baltimore; and the Ath-  
letics and Mutuals on the 4th prox.

**LOCALS.**  
Two weeks to-day is the first. Match  
up your matches!  
Emery plays second base splendid, so  
the boys say. Well done, Bob.

The Athletics, town juniors, are going  
to get a suit: brown stockings, white  
pants and light shirts. The Athletics  
are a terror to the other clubs.

Some say the Unions have broke loose  
and joined the "Leafs" and Regulators.  
Pity 'tis 'tis true. They hadn't enough  
steel to carry on.

Who's coming on the first? Dilly  
says the Boston's can't come any way.  
We hope they will get the Athletics or  
Philadelphia.

The only thing notable about the Re-  
gulators is the noise they make. Don't  
all speak at once.

They have a good club away out in  
Fort Garry. Practice goes on every  
evening. Pity they're so far away, or  
we would have a match.

**CRICKET.**  
A cricket match was played in Strath-  
roy on Monday between the elevens of  
Petrolia and Strathroy. The score stood  
at the close of the two innings, Petrolia,  
128; Strathroy, 101; Petrolia winning  
by 27 runs.

A cricket match was played in Strath-  
roy on Saturday between the Brampton  
and Strathroy clubs, which resulted in  
the defeat of Brampton by four runs.  
The excitement was intense towards the  
close.

**Town Council.**  
The Council met last (Monday) eve-  
ning in the Council Chamber. Members  
present—Messrs. Massie, (in the chair)  
Howard, Hefferman, McLagan, Elliott,  
Coffee, Robt. Mitchell, Hogg, Richard  
Mitchell, Chadwick, and Kennedy. Min-  
utes of last meeting read and approved.

Therefore Mr. Massie must have taken it upon himself to change it, and Mr. Massie firmly maintaining that he had not made any unauthorized change. The item which Mr. Elliott objected to was committed to a committee in a lump sum, and he (Mr. Massie) had authority to obtain and submit the exact figures. Other members of the committee sustained Mr. Massie in his explanation. Mr. Elliott refused to be satisfied and words ran high. After adopting the report the committee rose. On motion the report was adopted in Council.

The Council went into Committee of the whole on the fifth report of the Fire and Water Committee. Mr. Chadwick in the chair. Mr. Hefferan moved, seconded by Mr. McLagan, that the first clause be inserted granting the prayer of the petitioners and providing for the erection of a lamp on Macdonnell street, in the vicinity of Thorp's hotel.—Cried.

Mr. McLagan moved, seconded by Mr. Robt. Mitchell, that the second clause be struck out. The mover thought it was better to increase the number of tanks rather than buy new hose.

Mr. Hefferan moved that the clause be adopted, but found no seconder. The motion was declared carried.

The committee rose and on motion the report as amended was adopted by the Council.

The report of the Market Committee was adopted.

**BY-LAWS.**

Moved by Mr. Richard Mitchell, seconded by Mr. Chadwick, that leave be granted to introduce a by-law for the levying of a special rate on the lot for watering certain portions of the Market Square and Wyndham Street, and that the same be now read a first and second time.—Carried.

The Clerk read the by-law accordingly.

On motion the Council went into Committee of the whole on the by-law for the appointment of a License Inspector in conformity with the statutes. Mr. Coffee in the chair.

Moved by Mr. Chadwick, seconded by Mr. Hefferan, that the name of Nathaniel Croft be inserted in the blank left for that purpose.

It was moved in amendment that the name of Philip Sprague be inserted.

Mr. Chadwick said that he had no special reason for moving that Mr. Croft be appointed other than that the same person could fill both offices for the remainder of the year.

Mr. Howard thought Mr. Croft was incompetent. He knew him to be so, but no complaint had been made against him, and therefore he would support the motion.

Mr. Kennedy said he was grossly negligent and incompetent and he could prove it.

A vote was taken which resulted in a tie when the chairman gave his vote for the motion, and the name of Nathaniel Croft was accordingly inserted.

The first clause was amended so as to include the inspection of all places where liquor was sold or reputed to be sold. The third section was amended so that no reference was made to the old statute.

On motion the blank for the amount of salary was filled up with the sum of \$100, a motion making it \$50 having been withdrawn. A section was added requiring the officer to give security, himself in \$200 and two sureties of \$100 each, for the proper performance of the duties of his office. It was then dated 16th June, 1873, and takes immediate effect.

The committee then rose and on motion in Council the by-law was numbered 232, read a third time and finally passed.

Mr. McLagan moved, seconded by Mr. Kennedy, previous to the final passage, that the name of Philip Sprague be inserted instead of Nathaniel Croft. Yeas and nays having been called on the motion it was lost by 6 to 4.—Nays—Messrs. Chadwick, Howard, Coffee, Hefferan, Rich. Mitchell, Robt. Mitchell—6. Yeas—Messrs. Kennedy, Elliott, McLagan, Hogg—4.

On motion of Mr. Hogg the Mayor was authorized to issue a proclamation making the 1st of July a public holiday. The Council then adjourned at 11-10 p.m.

The Governorship question of Nova Scotia is still unsettled. The Dominion Government are liable to be waiting an answer from Mr. Archibald.

A rumor is afloat that additional evidence has been obtained in support of the Huntington charges, consisting of certain telegrams that passed directly between Sir Hugh Allan and a member of the Cabinet.

**SOUTH ONTARIO.**—The writ for the new election for South Ontario, consequent upon Mr. Gibbs' Cabinet appointment, was received on Saturday. The nomination is appointed for Monday, 23rd inst., and the polling for the 30th inst. At a large and influential meeting of the representative Reformers from all parts of the South Riding, held at Whitby on Saturday, Mr. James Holden, of Whitby, was unanimously chosen as the Reform candidate to oppose Mr. T. N. Gibbs at the election for the Dominion Parliament to be held on the 30th inst. Notwithstanding only six hours' notice of the meeting could be given, over 100 representative Reformers were present.

The spring trade is opening beautifully, thus encouraging us to greater endeavors in the public well; and the reason of our success is apparent. Our Goods are all direct from the manufactory, and none can do a successful business only those who buy from first hands, for which our Establishment has long been noted, and has raised the standard of our House (combined with the energy of the proprietors of the firm) to the present proud position, and more especially for the last two years, so that our daily sales are almost equal to the combined trade of the same character in the Town of Guelph.

**OUR MILLINERY DEPARTMENT**

**FOR SALE**—A desirable Villa near Guelph, being part of Lot 35, Division A, Township of Guelph, lying on the north side of the Guelph and Fergus Road, 14 miles from the Market Square, and formerly known as the "Valentine" lot, containing about 2 acres of land, beautifully situated with natural trees, and having two remarkably fine springs of pure water, which might be used to advantage by a lover of pisciculture. There is a very comfortable brick cottage on the property containing 7 good sized apartments with stable and driving shed. There are few such properties to be purchased around Guelph.

Also—the "Let adjoining"—known as the "Hubbard Lot"—containing five acres, having natural shade trees interspersed throughout. The river Snyed forms its eastern boundary, and presents a very eligible site for a private residence, being a convenient distance from the town on one of the leading roads.

Terms for both properties liberal, and may be learned by applying to Charles Davidson, Land, Loan, and General Agent, Town Hall, Guelph. dw

ANNABEL OR THE TEMPTATION.

CHAPTER XXIV. PHILIP WESTON AND JIM POTTS IN THE FAR WEST.

The three travellers, we may say at once, were Philip Weston, Jim Potts, and a man named Steve Beekman, a veteran hunter and trapper, whom Philip had secured as guide through the lonely and perilous regions which they had found it necessary to traverse.

A fortunate thing was it for Philip and Jim that they had been able to enlist into their service such a man as Steve Beekman. Indeed, without a person of similar qualifications to act as guide and protector, they could not possibly have undertaken the journey, for it would have been to throw away their lives had they ventured upon it alone, and even with this man as their leader the hazard was great.

The way in which they had become acquainted with Steve was a little remarkable. On reaching Montreal, from England, Philip went straight to the agent of Langton & Co., who did everything in his power to forward his object.

At several of their interviews with Yorke a strongly-made, roudly-made, red-haired, shaggy eye-browed man was present, who seemed to take a keen interest in the subject of their inquiry, and to be anxious to dissuade them from further effort to find Jerry.

HARPER'S MAGAZINE for July contains a timely paper by W. H. Bieleing, entitled "Jack Ashora." An illustrated article on "National Standards and Emblems," by H. K. W. Wilcox, is novel and interesting. A paper on the "Signers of the Declaration," contains twenty-three facsimiles of the signers' handwriting, and forms the basis of a very entertaining article by Mr. Lossing. This subject will be concluded in the August number. A series of illustrated papers descriptive of General Sherman's recent tour in Europe and the East, written by the General's aide-de-camp, Colonel J. C. Anderson, is begun in this number. That part of the first article which relates to Sicily is very ably supplemented by Mr. Junius Henri Browne's beautifully illustrated paper on "Sicily and the Sicilians." Emilio Castelar, the Spanish Republican leader, continues in this number his instructive and eloquent exposition of the Republican movement in Europe. A brilliant and ably considered contribution by T. W. Knox, entitled "Russian Policy in Asia." The "Old Stager" continues his interesting recollections. D. B. Castleton contributes a very interesting character-sketch, entitled, "Was it a failure?" and Mrs. Frank McCarthy gives us a very humorous story, "The Rev. Gabriel M'Murray's Conversion." Chas. Reader's story, "The Stimpson," is continued. The poetry of the number is contributed by Bayard Taylor, Kate Putnam Osgood, Mrs. M. D. Brine, Tracy Robinson, Miss Constance F. Woolson, and Miss Fannie R. Robinson. The editorial departments are excellent as usual, including a contribution from Dr. Samuel Osgood for the "Easy Chair," an exhaustive summary of scientific progress, a very complete Historical Record, and an entertaining Editor's Drawer.

**A ROYAL VIOLINIST.**—The aristocracy of England have recently been greatly shocked by the appearance of Prince Alfred, otherwise known as the Duke of Edinburgh, in the role of a musical amateur. Fiddle and bow in hand he came upon the stage with the other performers, to the astonishment and indignation of the music circle, who, while they consider such conduct scandalous in the Queen's own son, nevertheless admit that he acquitted himself ably.

**MINISTERIAL EXCURSION.**—The G. W. Railway Company have placed a special train at their disposal free of expense, about two hundred ministers of the Wesleyan Conference, with their hosts and hostesses, making a party of some three hundred persons, went to Port Stanley on Saturday afternoon to refresh themselves on the shore of Lake Erie.

**Iron in the Blood**  
**PERUVIAN IRON TONIC**  
**MAKES THE WEAK STRONG.**

The Peruvian Syrup, a Protected Solution of the Protochloride of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with a food as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Impregnating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damage, and waste, searching out and ridding the system, and leaving nothing for disease to feed upon.

This is the secret of the successful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, increasing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and in all cases cannot reasonably hesitate to give it a trial.
