Dance in the Music Hall, Watford, this (Friday) evening. Thompson's Orchestra of Sarnia. \$1.00 per couple.—Orville Jones.

An Arkansas woman has cremated her third husband. It seems unfair that some should be old maids, while others have husbands to burn.

Mr. Phillip McKaig, son of Mrs. Mary McKaig, returned to Honolulu Monday after spending a week with his mother and friends here.

New Subscriptions to the Family Herald and Weekly Star will be accepted at \$1.00 for the balance of the year 1925.

Brooke Telephone Subscribers connecting at Watford can now receive April Directories by calling at Central.—Wm. McLeay, Local Mgr.

The new bridge over the Aux Sauble at the entrance of the Pinery road on the route to Grand Bend will be ready for traffic about May 5th. It is a steel bridge with concrete floor.

Our Suits made to your measure at \$22.50 and \$24.00 are wonders.—A. Brown & Co.

Mrs. J.L. Brown and daughter, Marion, of Froomfield, spent last week with Mrs. J.D. Brown, Watford, and her sister, Mrs. Clare Fuller, second line.

An oratorical contest will be given in the Lyceum on May 5th, by the Young People of Watford. This will be one of the best events of the season. Don't miss it.

A song service will be the special feature next Sunday night at 7 p.m. in the Methodist church. The choir will be assisted by Mr. and Mrs. J.B. Sandy and Mrs. B.A. Rivers, who will be guests at the Parsonage over the weekend.

First appearance here of beautiful Barbara LeMarr in "The White Moth", Lyceum, next Thursday.

Scientists have unearthed five glyptodonts, not to mention a scelidotherium, on the Argentine pampas. That probably marks the spot where the aboriginal Patagonians threw away their old cross-word puzzles.

For Saturday—Another lot Curtain Muslins, Scrims and Fancy Marquises at 25c.—A. Brown & Co.

The U.S. has 1,900 prohibition agents to keep that country dry, and even with that number the Star-Spangled land is not drying up as fast as the Great Lakes.

Good farm horses are scarce and in strong demand, which means higher prices. Hogs have also taken an advance and are now at the highest price in recent years. The farmer seems to be coming into his own again.

A newspaper points out how astonishing it is to find that a substance so minute as to be incalculable, is capable of raising man from decrepitude to robust strength. Are they speaking of the alcohol in the new 44.

Thos. Searson held a very successful auction sale on Friday last and will move into Watford on May 1st, into the home he recently purchased from H. Kersey on Front st. Mr. Kersey is this week moving his family into the house on Erie and Warwick streets owned and recently vacated by Mr. Ben Doan.

Dresden Times:—Mrs. Bruce D. Marwick, who has been in Dawn for the past month nursing her aunt, the late Mrs. Rupert, left on Tuesday with little Billie to attend the graduating exercises at Queen's University where Mr. Marwick is graduating as a science specialist.

Now is the time when, with a seed catalogue that costs nothing, seeds that cost 25 cents, personal labor that seems worth \$20 when it's over, and a 25-cent bottle of liniment, the back yard gardener begins to wait the fifteen cents worth of produce.

Business is good in Watford. We'll soon have to widen the streets for the week-end deluge of cars, if this town continues to grow in popularity with the purchasing public of the surrounding district. Automobiles have greatly increased the trading area for Watford and crowds are coming from greater distances than ever before.

Lyceum next Thursday, Barbara LeMarr in "The White Moth". A story of Paris, France, also special comedy "Dizzy Daisy."

Can you imagine a town nearly three times the size of Watford refusing to own its local hydro system? The following comment is lifted from the Amherstburg Echo:—"Towns that own their own Hydro systems are pleased with the results. The Hydro Commission has informed the Town of Essex that the net surplus for the town system was \$9,979.43 in addition to a provision for depreciation of \$785. The actual cost of power was \$1923.42 less than the amount of the interim bills, which is standing to the town's credit on the books. It looks as if Amherstburg made a mistake when it voted against the Hydro purchase by-law."

The comedy drama entitled "The Path Across the Hill" given by the Young People's Board of Sarnia, in the Lyceum, Tuesday evening was well attended, and much enjoyed by all present. Each role was well acted and the presence of Susu and Salamander, two colored characters, added much to the humor of the plot. The Tuxis Boys Orchestra, humorous monologue and readings took the place of the boy whistler who was unable to fill his engagement. After the play the Sarnia young people, together with the Councils of the Zion and Watford Y.P.C., met in the S.S. room of the Methodist church where luncheon was served.

For Saturday—Ladies' fine quality cotton hose in camel or black 25c. Art Silk Hose (firsts) all shades 48c.—A. Brown & Co.

The tourist trade is regarded as one of our most profitable national resources. What's the use of conducting our wealthy cousins from across the border (bent upon having a good holiday in Canada) along a long lone country highway, where there is no opportunity to spend their money. Bring them down the 4th line, where they will have every facility for rest and refreshment, and meet every inducement to part with their greenbacks at Wyoming, Watford, Kerwood and Strathroy. And then Mt. Brydges and Delaware villages would like to have at least a good look at them before they get into London. The Ontario Government will be well advised to designate the 4th line to Strathroy as the route of the new Sarnia-London highway.

The Young Ladies' Auxiliary of the Presbyterian Church held its regular meeting at the Manse, on Monday evening, April 20th. Twelve members were present and the president, Miss Anna Cran, presided. A hymn followed by the Lord's Prayer repeated in unison, opened the meeting. The treasurer reported that \$28.60 had been remitted to the Presbyterian Treasurer for the first quarter of 1925. Miss Cran and Mrs. Workman were appointed delegates to the Sarnia Presbyterian to be held in Alvinston on April 28 and 29th, and to the Provincial to be held in London in May. Miss Esther McKercher read a paper entitled "Japanese Christianity in Action." A hymn and prayer brought the meeting to a close, after which tea was served.

Prince Suits for boys—the better kind, with two bloomers.—A. Brown & Co.

The regular meeting of Lambtons Chapter 149 I.O.D.E. was held at the home of Mrs. T. A. Adams, on Tuesday, April 21st, at three o'clock with Mrs. Pritchett, first vice-regent in the chair. There were ten members and two visitors present. A letter of thanks was read from Secretary of Library Board for picture "Canadian Artillery in Action," presented to the Library by the Chapter. After the business part of the meeting a social hour was spent. Miss Dorothy Fowler gave a splendid talk on "Nobility," and Mrs. R. Brown gave a humorous reading. Both numbers were greatly enjoyed by the Chapter. The meeting closed with "God Save The King," after which the hostess served dainty refreshments. Mrs. Connolly invited the ladies to her place for May meeting.

The Missionary Mock Trial which formed a very interesting and profitable entertainment in the Methodist church on Monday, was put on by the Y.P. League and was well attended. The Pastor presided and conducted a devotional period before the Trial took place. The Prisoner (Mr. Ivan Parker), representing the Christian Church, was accused of gross neglect in the carrying out of the Great Commission to make disciples of all nations. Miss Fowler, acting as judge, presided over the court with dignity and fairness. Miss Reginae Stapleford as Crown Attorney presented the charge and examined the witnesses, viz: The New Canadian (Miss Laura Edwards); Japan, Miss Ila Cook; Africa, Miss W. Harper; The Red Indian, Gladys James; The Near East, Miss A. Lovell; India, Frank Roberts, The Constable in charge of the prisoner, T.J. Kersey. Miss Florence Lovell represented the Missionary Commission. All these young people very ably took their parts.

Mrs. Mary Jane Stapleford is the oldest citizen, being 99 years of age, and if she lives, will reach the century mark in August of this year.

The remaining three citizens who have passed their 90th milestone and are now on their way to the century mark are Messrs. E. McGillicuddy, Erie st, 93; George Zavitz, Huron st, 91; and David M. Ross, Simcoe st., 91.

We reserve the names of those 18 citizens who have passed their four-score years as the most of them are yet mere boys and girls in vigor and can still teach the younger generation what constitutes a good day's labor. As for those who have attained their allotted span of three-score ten, "Their name is legion," totaling 70 in all, and ranging from 70 years to 80.

BROOKE

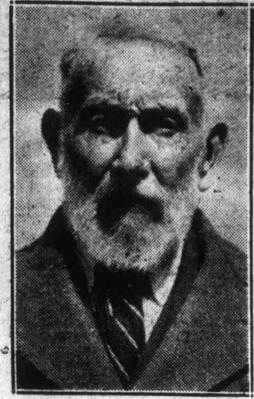

Miss Sadie McEachern, of Port Huron, visited her sister, Mrs. Frank Lucas, over the weekend, prior to leaving on an extended trip to California and Colorado.

The Box Social, under the auspices of Christ Church Women's Guild, which was previously postponed, will be held on Friday evening, April 24th in the school house at S.S. No. 17, 12th line Brooke. W.H.S. Orchestra in attendance. Good program. Ladies please bring your box.

The April meeting of the W.M.S. of Chalmers church was held at the home of Mrs. A.C. Walker. The meeting opened by singing and the reading of the scripture lesson. The minutes were then read and adopted, after which roll call was answered by a verse containing the word "Faith." Roll call at next meeting to be answered by a verse containing the word "Power." The following papers were then given: "Planting of the Faith" by Miss Margaret MacIntyre; "God is our refuge and our strength" by Mrs. J. Gilroy, and "Beautiful things I see in Nature," by Mrs. D. Campbell. The meeting was brought to a close by singing a hymn and repeating the Lord's Prayer. The hostess then served a dainty lunch and a social hour was spent by all present. The May meeting will be held at the home of Mrs. D. Macdonald.

MR. GEORGE ZAVITZ, one of Watford's nonagenarians who carries his 91 years as lightly as the average man a score of years younger. Mr. Zavitz was one of the old "original" pioneers of Brooke. He resides on Huron st., with his daughter, Mrs. Marwick.

HYDRO COMMISSION HAS NICE SURPLUS

The regular monthly meeting of the Public Utilities Commission was held Tuesday evening at 8 o'clock in basement of Public Library.

Present: W.G. Connolly, chairman; J. R. McCormick and J. T. Kersey. Minutes of March meeting and special meetings were read and approved.

A communication from the Hydro-Electric Power Commission of Ontario was read dealing with the Balance Sheet and Operating Report for our Hydro System for 1924. This report shows a net surplus for 1924 of \$2334.25, in addition to a provision for local depreciation of \$444.00.

Attention is also called in the report to the equity in the development and transmission system operated by this commission which we have acquired through the medium of our power bills and which at the first of the year amounted to \$1942.02. This report should be very gratifying to all concerned.

Another communication from the H.E.P. Com. was read asking for information relative to size, cost, location, etc., of all Transformers which we have in place or in stock.

The following bills were presented and on motion of J. T. Kersey and J. R. McCormick ordered to be paid: Waterworks:—

HICKSON—BRYCE

A quiet wedding was solemnized at the Baptist parsonage on Wednesday afternoon when Mabel Elizabeth, eldest daughter of Mrs. Wesley Bryce of Watford, was united in marriage to Robert Hicks of the same village. Rev. L. J. Stones officiating.

KERNOHAN—DODGE

The Methodist parsonage, Forest, was the scene of a quiet wedding at noon Wednesday, April 15th, when Freida Kathleen, eldest daughter of Mrs. Ida Dodge of Forest, became the bride of D. Basil Kernohan, third son of Mr. and Mrs. David Kernohan of Watford township. The bride wore her travelling suit of navy tulle with large grey hat. She carried a bouquet of roses and ferns. The young couple left for a honeymoon trip to Hamilton and Toronto. On their return they will reside on the 6th line, Watford township.

WARWICK

The April meeting of the Warwick Women's Institute was held in the Town Hall, Warwick, on the afternoon of April 9th. The president, Mrs. D. Falloon, presided. After the opening exercises roll call was responded to by a verse on Easter. Mrs. D. Falloon read a paper entitled "Women's Institutes." Mrs. John Archer read a poem "The Perfect Day", both being exceptionally good. Meeting closed by singing the National Anthem. The members are requested to be all present at the business meeting to be held in May. Roll call to be answered by paying fees. Ladies always welcome.

The annual meeting of the Zion Methodist W.M.S. was held in the church last night and reports submitted showed a successful year.

Miss Linda McIntosh of Port Huron, Mich., returned last week after a five weeks' vacation at the home of her parents, Mr. and Mrs. Jas. McIntosh.

"Squibographs"

Manufacturers and consumers regard the new Ontario tax on soft drinks as a hardship.

To the ultimate consumer a solitary strawberry perched on top of a restaurant shortcake is an impressive illustration of splendid isolation.

An American kodak magnate retired from business the other day with a fortune way up in the millions. His success is attributed to making his business shabby.

A Chicago beauty attributes her good looks and good health to a generous diet of prunes. Many equally handsome maidens prefer "dates" to the boarder's house staple.

Straws are not the only thing that show which way the wind blows. Balloon trousers register breezy effects.

A North Dakota law requires the presence of a police officer at all public dances in the state. One of his duties is to see that the fox-trotters do not exceed the speed limit.

Fish minus eyes have been discovered in an artesian well in Texas. Anglers who have dangled alluring bait for hours in places where fish are supposed to frequent without getting a "bite" are convinced that sightless fish are no curiosity.

No little lamb follows a Doukhobor Mary to school. It is against their rule to send a lad or lass to school.

The warning against taking "wooden" money does not apply to the currency in use in Yap. The "coin" of the island is said to be carved from logs.

Kansas prisons are so congested that short-term prisoners are being paroled to make room for new arrivals. The released prisoners kindly consented to vacate their quarters.

Instead of being designated by numbers fast freight trains on an American railway are given distinctive names. A stock train transporting Texas steers might be called the "Long-horn."

The Pittsburg jail is equipped with a radio set. For the convenience of prisoners who are accustomed to retiring early, bedtime stories are given first place.

The daily output of toothpicks in Maine is placed at 170,000,000. They lack the durability of the old-time quills which would last for months and could be carried in the vest pocket.

A Spokane woman considers that she has grounds for divorce. She charges her husband with making a practice of bringing a nanny goat into the breakfast-room and cooling his coffee with milk direct from the producer. She resents a rank outsider butting in to a private family function.

A University of California professor reports the discovery of a new vitamin. It requires the skill of a tight-rope walker to keep a "balanced ration" balanced. Just as we get accustomed to one "food unit" another is discovered and the cautious consumer has to start all over again.

The largest circus on the continent has decided to cut out animal acts involving danger to the performers and likely to terrify children and nervous patrons. Banishing the noisy and nervous of red lemonade and peanuts, the reserve seat bandits and alleged "concerts" after the show would add to the popularity of the performances under the big top.

Duties of Road Superintendents

In order that Township Councils may receive the Provincial grant on roads, under the new act, recently passed by the legislature, Township Road Superintendents must be immediately submitted to the department of Public Highways for approval. The general duties of Township Road Superintendents are as follows:

- (1) To attend regular meetings of the council or special meetings if so desired by the council, to receive instructions regarding work to be undertaken and carried on by him; also to report at meetings of the council as to the road work then in progress.
- (2) To report to the council early in each year as to the work required the coming season, to carry out the instructions of the council with regard thereto, and to perform such business or other services as may be required of him from time to time under the instruction of council.
- (3) To supervise all work of construction and repair on the roads and bridges within the exclusive jurisdiction of the township council.
- (4) To acquaint himself with the best methods of constructing and maintaining good roads, and of operating graders, crushers, rollers, or other road machinery used by the municipality.
- (5) To employ, direct, discharge all men and teams required to carry on the work, and to advise the council as to materials required.
- (6) To see that all washouts, drain and culvert obstructions, bridge failures, and other unforeseen defects are repaired or guard-railed with the least possible delay so as to prevent further injury to the road or accident to the users of the road, and to act promptly in all cases of emergency.
- (7) To keep an accurate record of the men employed and the work done, and furnish (on forms prescribed by the council) pay sheets, accounts and vouchers to the council at proper intervals for their approval, in order that the municipal treasurer, under authority of their certificate, and upon being satisfied with the correctness of the statement, may issue cheques for the payment, thereof.
- (8) To examine and certify all bills or accounts against the corporation for material and labor used in road construction, and to make, or cause to be made, the measurements and examinations necessary for such purposes.
- (9) To see that all work (especially for the road grader) is staked out, and see that it is undertaken systematically so that no time be lost in taking men, teams and machinery from one part of the municipality to another.
- (10) To keep stored and protected all machinery, tools and implements, owned and used by the municipality, and to store and protect all supplies

and material not immediately used.

(11) To supervise the performance of all work done by contract, and certify as to its completion.

(12) To arrange for the systematic use of the road drag, as far as the council may direct.

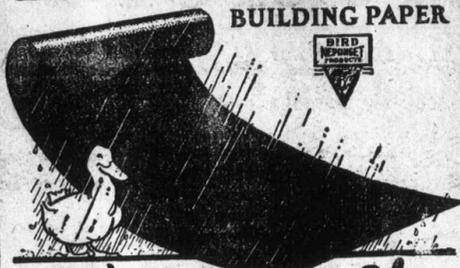

(13) To report to the council at the close of each year, showing in detail the character, location and cost of each separate work undertaken.

Mr. Marshall urged the most complete co-operation between councils, officials and all concerned to get the very most benefit obtainable under the new act, and cause no conflict of

authority. Road Superintendents are servants of the council, and should in all cases endeavor to carry out his work in harmony with his superiors.

Do Not Feed Cream to Calves

It is too expensive—yet many farmers feed 20 to 40 cents worth every day without knowing it—simply because their old cream separator does not skim closely and leaves cream in the milk. Cream does not fatten calves—but the sugar and starch in the skim milk does. Feed them skim milk and calf meal at ten cents a pound, not cream at forty.

Thirty cents worth of cream wasted a day amounts to \$109.50 in one year and since the average life of a Melotte is twenty years it would save you, on this basis, \$2,190.00. Start saving today by using a Melotte.

We have an interesting booklet on the Melotte which you should read carefully. Ask us for a copy.

THINK OF IT

If you do not own a piano, here is an opportunity to get one for only a few minutes' work. There is nothing to buy, nothing to sell. This is simply an advertising campaign for a Canadian manufacturer. You may be the lucky person to win one of the grand prizes.

Read the directions carefully and send in your answer as soon as possible. The contest closes Wednesday, May 13th.

COUPON

Name _____

Address _____

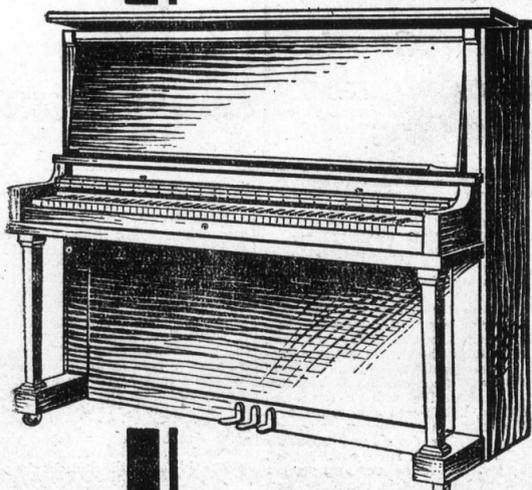

Prizes will be given for the best, neatest, most original correct answers.

DIRECTIONS

Place any number from one to fifteen in each of the Horseshoes shown above in such a manner that when added horizontally, vertically and diagonally, the total will be 33. It is possible to do this correctly and not use any number more than once. When you have solved the problem, mail the answer to the Canadian Selling Agents at the address given below. Mail your answer promptly, for in case of tie the prize will go to the first answer received.

THINGS TO REMEMBER

Answers may be submitted on this or on a separate sheet of paper, or any other material. There is no limit to the size of the solution. Only one member of each family should send a solution. Employees of the newspapers carrying this announcement should not enter this contest. Persons engaged in selling pianos should not enter. This is a Piano and Phonograph advertising campaign, and our hope is that the beautiful Piano and Phonograph will be awarded to families who do not now own a piano or phonograph; for this reason families who are supplied with pianos should not enter. All solutions entered are, and shall remain, the property of the Canadian Selling Agents. Each and every contestant entering a reply hereby agrees to abide by the decision of the judges, from which there shall be no appeal.

London-Sarnia Road Urged

Old Road Has Good Depth of Gravel for Foundation, and Fourth Concession Would be Expensive Route

Editor of The Guide-Advocate: Sir,—There has been a great deal of discussion of late, among the people of the towns and villages between London and Sarnia, regarding the paving of the highway running between the two cities. The large majority favor the original course, namely the Sarnia-London road, which has been the usual path for the past 90 years, with a great depth of gravel added yearly for 50 years, which would make a splendid foundation for a concrete road and which

would be a great help to the road standing after being built. It is the opinion that this is the best course to pursue. Others again, from a more selfish standpoint, think that it should be close to towns and villages, Wyoming, Watford, Kerwood, Strathroy and Mt. Brydges. This route would not go through any of the places mentioned but Strathroy and Mt. Brydges where they already have accommodation by way of railroad. The statement has been made in the daily press that there is no accommodation for tourists and the travelling public on the old London-Sarnia road. This is a false statement, made to mislead the people. Surely the writer knew better if he ever travelled on the road between London and Sarnia, as there are five villages and a number of lunch booths and nine gas stations and five garages, with the contract let for a very large garage

to be built at Warwick, which will add to the accommodation of the motorist, and the hotel at Adelaide village has been purchased and will be enlarged and fitted up in modern style with all conveniences for the accommodation of the public. There is an almost level road and nine miles of concrete road from Sarnia, and the highway already built within six miles of Adelaide village; roads have been widened and the bridges are all concrete. There is no comparison between the newly proposed road and the old London and Sarnia road, as it is level, without a crook or hill, whereas the fourth line road is very hilly, with very bad cuts that would cost an enormous amount of money to build up. No doubt it would cost hundreds of thousands of dollars more to build than the London and Sarnia road. Surely the deputation sent by the county coun-

cil were not asleep when they waited on the minister of highways, when the London and Sarnia was advocated by them. Hoping that will explain the facts and not try to mislead, as your former writer has done. Thanking you for your valuable space, I remain, respectfully yours,
RICHARD BROCK,
Strathroy, R.R. 5.

Mr. and Mrs. Thomas Polly of Petrolia, received painful but not serious injuries on Wednesday evening, when the car in which they were riding was forced into a ditch on the county road about a mile north of Wyoming, and overturned. Mr. Polly was driving slowly and was forced off the road by a car which he was meeting. When the car overturned both occupants were thrown out. The other car escaped undamaged and drove away in haste.

FOR MOTHERS OF YOUNG CHILDREN

Mothers are quick to praise anything which brings health and comfort to their little ones—any medicine that will make the baby well and keep him well will always receive hearty recommendation from the mother. That is why Baby's Own Tablets are so popular. Thousands of mothers, throughout the country, not only use them for their own little ones but are always delighted to be able to recommend them to other mothers. Thousands of mothers have proved Baby's Own Tablets to be without an equal in relieving their little ones of any of the many minor ailments which arise out of a derangement of the stomach and bowels. Baby's Own Tablets are the ideal laxative—easy to take but thorough in action. They banish constipation and indigestion; break up colds and simple fevers; expel worms and make the teething period easy. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

KERWOOD

One of the most brilliant events that has taken place in the village for some time took place in the young people's hall on Wednesday evening, when the Odd Fellows held their annual At Home at 8.30. Mr. R. E. Waltham, Grand Conductor of the Grand Lodge called the gathering to order and after extending greetings of the Lodge to all present, introduced a program of addresses, songs and recitations. Among those who appeared on the program, was singing by Mrs. Grogan and Mrs. Murray, Mrs. Geo. Brooks, Rex Winters, Allan Westgate, Kathleen Bourn, Helen Glover and Merline Mathews and Mr. Chas. Coles. Readings were given by Mrs. H. McLean, Miss Evelyn Mathews and Mr. Jas. Lucas, Rev. Brook of Kerwood and Rev. Bro. Oliver of Melbourne gave very fine addresses. The special guest of the evening was the Rev. Bro. J. W. Hibbert of Kingsville, G. H. P. of the Grand Encampment of Ontario, who gave an address and explained the high ideals of Odd Fellowship. The P. N. G. of Rebekah Lodge, Mrs. R. Waltham, Mrs. A. McInroy and Miss Edna McInroy were each presented with onyx rings by the members of the Lodge. The presentation being made by Miss M. Mathews D. D. P. of Melbourne. The Subordinate Lodge presented J. J. Toohill, S. H. Cook, T. F. Mills, Rev. H. P. Westgate, Jno. Tomlinson, R. F. E. Freele, T. F. Hawken, James Buchanan, J. M. Brent, Rich. Brock and George Dowling with twenty-five year veteran jewels. The presentation was made by the Rev. J. W. Hibbert assisted by Bros. R. G. Thomas, D. D. G. M. of District No. 6. Bro. A. Westgate, also of Egremont Lodge, was presented with a P. D. D. G. M. jewel by D. D. G. M. Thomas and D. D. G. P. Snellgrove of Mt Brydges. During the evening the Kerwood orchestra furnished several selections and after the singing of the National Anthem a dainty lunch was served, bringing the delightful and pleasant evening to a close. Prior to the opening of the program a banquet was tendered the evening of the Subordinate and Rebekah Lodges by the ladies.

The League met on Tuesday evening in the Sunday school parlors with Miss Mildred Morgan, superintendent of the Missionary Dept., in charge. The scripture lesson was taken from 1 Cor. 15, 1-20 and was read by Miss Rhena Carroll. In the absence of Mr. George Johnson the topic "What does the Resurrection of Jesus mean to me," was read by Florence Johnson, (Mr. Johnson was detained on account of sickness in the home). Rev. R. A. Brook then took charge of the meeting and conducted the election of officers: president, Mr. C. Fuller; asst. pres., Mr. Nichols; 1st vice-pres., Miss Mildred Morgan; 2nd vice-pres., Miss Beatrice Foster; 3rd vice-pres., Mr. Bert Langford; 4th vice-pres., Miss Irene Eastabrooke, secretary. AMERICANS ARE COMING IN HORDES TO TOUR ONTARIO

Government Swamped With Letters From New York State to California.

Toronto, April 17.—Thousands of United States citizens are seeking information from the Ontario government about roads and touring in Ontario. The government has been swamped with letters from individuals and clubs from New York state to California. The government has a new map showing all the main roads and these are being sent to those making inquiries.

CHOP STUFF

The Forest Spring Horse and Stallion Show will be held on Saturday, May 2nd.

Jacob Richter has rented his fruit farm near Arkona to his son-in-law, Stanley Stephenson, and is moving in to that village.

Strathroy young people staged the grand old comedy drama, "Peg O' My Heart," last week under the direction of Miss Sarah Gibney, the well known professional actress.

George Richardson, editor of the Strathroy Dispatch for many years, died at his home in Sault Ste Marie, on Wednesday, April 8th, in his 74th year. He was widely known throughout the district.

Fish stories have commenced for the season. The following is credited to the Ailsa Craig Banner:—"A pike three feet long and 11½ pounds in weight was pulled out of the river on Monday by Jack Burgess."

The Police Village of Mt. Brydges is anxious and ready to heartily support the movement to have the provincial highway designated via the 4th line to Strathroy and Mt. Brydges road to Delaware and London.

Thin men score again. It is announced that air liners are to charge passengers according to weight. It is estimated that the ordinary fare for the air trip between London and New York will be about one pound sterling per one pound avoirdupois.

As the price of tomatoes has been increased to 40 cents a bushel, a much larger acreage than usual will be planted this season for the Harrow and Amherstburg factories. One farmer has arranged to cultivate ten acres. At this price tomatoes are considered a very profitable crop to raise.

Premier Ferguson's suggestion that the educational management system in rural schools be rearranged by instituting Township Boards, to which each present school section would elect one representative, received discussion in the Legislature the other day, although the bill was withdrawn and will be sent broadcast before enactment next session.

Kamloops, B.C., sends out the names of 16 residents between the ages of 87 and 107, claiming that is a sign of a healthful country. The entire 16 were born either in Ontario or England, creating the suspicion that they may have simply taken their health with them when they went west.

The loss of eleven seats in rural Ontario to be added to the urban strength of the Legislature makes an actual difference of twenty-two in favor of the cities. This is an indication of the extent of loss of population in the townships through migration to the towns and cities.

Canada ranks high educationally, with over 2,000,000 attending public and other schools, and with 79 colleges and 23 universities. Canada is one of the best educated countries in the world, based on school attendance, with 61.72 of all between 5 and 19, or 89.10 of those between 7 and 14 attending school for some period in 1921.

Newspapers handled through the mails in Canada average in bulk 125 tons a day. The average cost per year of transporting newspapers through the mails in Canada is \$3,500,000, or about 37 per cent. of the total cost of handling all mail matter. Revenue derived by the Postoffice from the carriage of newspapers in 1923 totaled \$1,329,310, and in 1924 was \$1,352,800. This information was given in the house of commons in answer to a question.

Mr. Howard Fraleigh's flax plant in Forest, was the centre of continent wide attraction on Monday, Tuesday and Wednesday of last week, when a demonstration in artificial scutching of flax and hemp was staged. This machine is the only one of its kind in America and will offset many difficulties now encountered in the handling of flax where skilled labor is scarce. A large number of interested visitors called during the three days. Growers from various part of Ontario and Michigan as well as representatives of various departments of Agriculture from the U. S. and Canada. Two personal representatives of Henry Ford were present, as the latter is trying his hand in the flax industry, which makes one wonder if he will be able to make this department of his business declare dividends on a par with the motor branch of his industry.

What tickles a man more than getting out his summer suit and finding a dime in the pockets?

There is but one way of ensuring good work, the old-fashioned one of being on the spot.

The tourist traffic in Canada is rapidly mounting to large totals as motor travel increases from the United States. The estimated total for 1923 of \$136,000,000 takes third position with leading Canadian exports. The tourist traffic from the United States has increased three-fold in the last three years.

In committee of the whole in the Ontario Legislature, the Government accepted the amendment proposed by Mr. Sinclair that the registration of motorists be effective January 1, 1926, instead of July 1, 1925. Another amendment to the Highway Act provides that motorists must stop when they are about to come onto a provincial highway from a crossroad.

Taking their lead from Windsor, it is believed in some quarters that the dry forces of the province and possibly the Dominion will enter candidates in the next election on a straight "dry" ticket. If this is done Moderationists say they will also place "wet" candidates in the field, which will result in a four-party system. It is claimed by the Moderationists that the vote between "drys" and "wets" would be about even, and that Liberals and Conservatives, thinking more of politics than the liquor question will vote as they always have.

Contractors, workmen are finishing up details of their work and machinery is being installed and set up in the sheet mill, the first unit of the plant of the Dominion Alloy Steel Corporation in Sarnia. Several of the machinery units are already in position and an assembler arrived last week to set up other units. A big storage tank for acid has been delivered and will soon be in position and it is expected that within a short time actual production will be underway although the definite date has not yet been fixed. The big gas engine is functioning efficiently and a fire will be lighted under the new boiler in a few days.

COULD NOT SLEEP NIGHTS

Pains and Headaches Relieved by Taking Lydia E. Pinkham's Vegetable Compound

Dublin, Ontario.—"I was weak and irregular, with pains and headaches, and could not sleep nights. I learned about Lydia E. Pinkham's Vegetable Compound by reading the letters in the newspapers and tried it because I wanted to get better. I have got good results from it as I feel a lot stronger and am not troubled with such bad headaches as I used to be and am more regular. I am gaining in weight all the time and I tell my friends what kind of medicine I am taking. You may use my letter as a help to others."

FACTS ABOUT TEA SERIES—No. 1

The Two Types of Tea

There are two distinct types of tea, namely Black Tea and Green Tea. Both are made from the same bush and both are equally pure. The difference is in the process of manufacture which gives each a different flavour. Black Tea after it is plucked is withered and partially 'fired' or dried, then allowed to oxidize by being exposed to the air. This gives Black Tea its dark reddish colour when drawn. Green tea is immediately steamed after plucking, which prevents oxidization. There are delicious blends of "SALADA" in both of these types and also a unique blend of Black and Green Tea Mixed. All are sold in four qualities.

Enniskillen and Dawn Tps Will Vote in East Lambton

J. E. ARMSTRONG IS NAMED AS CANDIDATE FOR FEDERAL ELECTION EXPECTED SHORTLY

Petrolia Conservative Meet, with Representatives From Throughout the Riding

Petrolia, April 17.—Preliminary work toward the organization of the riding of East Lambton for the Liberal-Conservative party in the coming Federal election was undertaken at a well-attended and enthusiastic meeting held here this evening at which W. S. Haney, M.L.A., and Joseph Armstrong, ex-M.P., for the riding were the principal speakers. There was every indication that the nomination for the riding would again be tendered to Mr. Armstrong by the party.

E. Preston was returned as president of the association, and the other officers elected were: Honorary president, J. E. Armstrong, ex-M.P.; honorary vice-presidents: W. S. Haney, M.L.A., R. V. Lesueur, M.P., West Lambton; vice president, G. G. Moncrieff; second vice president, Mrs. J. A. Kerr; third vice president, Miss Elizabeth Thompson; secretary, Herbert Prior; assistants, James H. Gay and Wallace H. Reid; treasurer, J. J. Mathews; chairmen of divisions: No. 1, R. G. R. MacKenzie; No. 2, John Hext; No. 2A, S. Pollard; No. 3, J. Landon; No. 4, Thomas Rose; No. 5, Herbert Prior; No. 6, William Fletcher; No. 7, George Finlayson; No. 8, Thomas McMahon. The list of division secretaries was not completed.

MR. HANEY: Mr. Haney congratulated the association on its past successes and outlined for the meeting the main issues at the provincial session just closed, which he termed a most disagreeable one in view of the disclosures of conditions under the Drury regime. He pointed out that East Lambton farmers in 1921 voted Progressive, but said that now they had realized the mistake.

The downfall of the Progressives was the means of the Conservatives being placed in power by an overwhelming majority, the speaker said.

Regarding J. E. Armstrong, the speaker referred to his energy for the riding as a member of the Federal House and declared that men of his type were needed to rescue Canada from the conditions into which it had been cast by the King Government. Mr. Armstrong, he said, was the man who was needed by the Conservative Association as their candidate.

The provincial member explained the O. T. A. amendments, which he declared were the only means of providing temperance and at the same time abolishing bootlegging and moon shine, and saving the youth of the province from strong liquor. No solution, he admitted, could effectively heal at once the trouble caused by the O. T. A. but the Government was certain that the amendments would achieve final success despite the views of W. E. Raney. He did not know when the 4.4 per cent. beer would be placed on sale, but he could say that it was not intoxicating and that it would prove a palatable beverage.

Referring to the redistribution, the speaker pointed out that the Township of Enniskillen, including the towns of Petrolia and Oil Springs and Dawn Township, had been transferred to East Lambton. He expressed regret at losing Petrolia and Oil Springs from his riding, but stated that the change would provide more equitable population in the two ridings. Although he lost the two towns in question, he still had Point Edward, he said.

In closing, the speaker scored the King Government for its attitude of favoritism to the United States.

MR. ARMSTRONG.

Mr. Armstrong was warmly greeted by the audience when he arose to speak. He pointed out in his opening remarks that indications pointed to a federal contest shortly, and he pointed out that it behooved the association to prepare for the election.

The ex-member mentioned the harm which had been done to Petrolia's industry, the Oil Well Supply Company, which was practically being forced out of business by the most recent action of the Government on tariffs. The oil bounty removal, he stated, spoiled all hope of the oil producers in the district. Low foodstuffs tariff had hampered the erection of the Peninsular Sugar Company's refinery and the operation of the local canning factory. The fruit industry in North Lambton and the tobacco in the Dresden district were barely functioning, while the importation on eggs into the county showed that egg grading was a menace to the farmers. Factories in the cities were inactive, he pointed out, due to the tinkering of the King administration with the tariff. He scored the Federal

member Bert Fansher, for his stand on the oil bounty question and then his request asking the Government to remove the duties on refined oil products. This was ruining the large refineries throughout the country.

John Reid, in a brief address, mentioned the boast of Canada of the 450,000 men sent overseas, but failed to take note of the conditions recently which sent 600,000 Canadians to the United States. He declared that the way the present Government was carrying on Canada would soon be nothing but a geographical expression. G. G. Moncrieff and Mrs. J. E. Armstrong also addressed the association briefly.

One of the features of the meeting was the presence in the audience of a large number of women from various sections in the riding.

TONIC TREATMENT FOR INDIGESTION

The Surest Way to Relieve Stomach Trouble is Through Dr. Williams' Pink Pills.

When the stomach is feeble and food lies in it undigested, the poisonous gases distend the walls of the stomach and cause serious interference with the other organs, especially with the action of the heart and lungs. These poisonous gases have other ill effects. They are absorbed by the blood and so weaken and corrupt it as to cause aches in remote parts of the body and the formation of unhealthy tissue everywhere. Experience shows that these troubles vanish just as soon as the stomach is made strong enough to digest the food. In other words, it needs a tonic that will enable it to do the work of changing the food into nourishment. The tonic used ought to be one that will agree with the most delicate stomach and this is exactly what Dr. Williams' Pink Pills do.

Here is a bit of convincing proof given by Mrs. Chas. Ladner, Ellerslie, P.E.I., who says: "For some years I was a sufferer from stomach trouble. Everything I ate caused distress, sour stomach, and belching. I could not eat meat or potatoes, and I grew weak and very nervous. No medicine seemed to help me until I was persuaded to take Dr. Williams' Pink Pills, and these simply worked wonders. I took the pills faithfully for a couple of months, by which time every symptom of the trouble had disappeared, and there has not since been the slightest symptom of stomach trouble. No wonder I praise Dr. Williams' Pink Pills."

You can get these Pills from any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

OBITUARY

JACOB SAUNDERS

Death claimed one of Brooke township's most highly respected and worthy pioneers, in the person of Jacob Saunders, on Monday, April 13th, after a lingering illness since last fall. Although Mr. Saunders suffered a great deal he bore it all with great patience and steadfastness in his Maker.

Jacob, the third son of the late Absolom Saunders, was born on the 14 con. of Brooke, on June 29, 1867, but when he became a young man moved with his parents to Sutorville which was then the "Swamp." With his father and brothers they built a home and cleared the land which was then all bush, thus enjoying the pioneer life. Later they erected a saw mill, employing many men and succeeded in making the burden lighter for themselves, also the whole community. Today, situated where father and sons first set'ted there are 300 or 400 acres of the best land and buildings that can be found in the county.

In the year 1894 Mr. Saunders was married to Miss Emma Holbrook, also of Brooke, who survives, also one daughter, Mrs. Robt. F. Capes, of the 6th line.

Religiously, Mr. Saunders was a Methodist, being a member and steward of Bethesda church. He took a very great interest in the church, serving on the official board for many years.

The funeral was held on Wednesday afternoon to the Family Cemetery, 9 sideroad, the C.O.F. being in charge, he being an estimable member. Over a hundred cars took part in the procession while the floral offerings were many and beautiful, which all went to show his outstanding qualities as a neighbor. His whole ambition was to help others, to bring joy and happiness to all those who he came in contact with.

Besides his widow and daughter, five brothers and two sisters survive: Abraham and Isaac of the West, Thos. of Sarnia twp., Daniel and John of Brooke, also Mrs. Allan Eaddy and Mrs. Wm. Reid of London.

MRS. WILLIAM WATSON

The funeral of Mrs. William Watson was largely attended. She died suddenly while riding home from the funeral of Mrs. William Simpson. Interment was made in Wyoming cemetery.

Besides the floral tributes to the family was one from the Baptist church, one from St. Andrew's (where deceased attended before moving to the town line) one from the section and several from neighbors and friends. The services were conducted by Rev. Tiffin of the Baptist church, assisted by Rev. Loveday.

Survivors are the husband, five daughters, Mrs. J. Whitehead of the 12th line east, Mrs. Alex. Rundle, Mrs. Tom Coristine and Mrs. John Bourne of Brooke, and Mrs. Hugh Simpson of the 12th line west; two sons, Frank Taylor of Detroit, and George Watson at home, and four stepchildren, Mrs. James Keay and Mrs. Wm. Coll of Moose Jaw, Sask.; James Watson of Vancouver, B.C., and Mrs. Gadsby of Dawn.
