The Philatelic Messenger

VOL. I.

OCTOBER 1ST, 1896.

No. i.

The Philatelic Messenger is published quarterly, and contains reading matter and advertisements of interest to stamp collectors. It will be sent regularly for one year to any address upon receipt of 12 cents, 6d. sterling or 50 Pf., in current unused stamps. Advertisements inserted at 25 cents per square of 12 nonpareil lines each insertion, CASH IN ADVANCE. Squares will not be broken; more than one square counts two.

MATTHEW R. KNIGHT,
Oak Hill, Charlotte County,
New Brunswick, Canada.

NOTES.

It is said the original brass stamp used for cancelling the lake issue of Newfoundland is in the hands of a prominent collector.

The Canadian Weekly Stamp News has doubled up, and is now issued with a smaller page. I like the larger page better. This sheet supplies a want, and I trust it will have a prosperous career.

Mr. Wm. Brown, of Salisbury, England, is about to issue a new paper to be devoted entirely to advertisements, and to be sent out as a supplement to the Philatelic Journal of Great Britain.

The auction catalogues are beginning to come in. Three of Bogert & Durbin's and one of Gremmel's have been received. This auction season promises to be a lively one.

If you receive more than one copy of this paper, you will confer a favor upon the publisher if you will hand the extra copy to some philatelic friend.

The big find of Nova Scotia remainders is one of the most important since the birth of philately. Prices are now away down, and will be down much lower. Scott's Catalogue prices the set of five values, 1c, 2c, 8½c, 10c and 12½c, at \$15.50. They are advertised in the Stamp Collectors' Fortnightly at \$3.75, and I would advise intending purchasers of single sets to wait. There will be plenty to go round.

Some collectors buy none but the fashionable stamps, and consequently in most cases pay more than the stamps are worth. Others prefer to buy the stamps which for the time are unpopular, because they can buy them at a lower figure, and because they know that every stamp country, like every dog, has its day.

I purpose commencing in the January number of this paper a Chronicle of New Issues in the British Colonies.

A correspondent of the Daily Stamp Item professes to have information that the total face value of the recent find of Nova Scotia Stamps is about \$10,000. It seems that there were about twelve thousand of the 12½c, and probably about forty thousand each of the other values, except the 5c, of which there were no remainders.

WORDS TO THE TARDY.

Those who find a pencil mark opposite this paragraph are reminded that they have kept approval lots beyond the time allowed, and are requested to make immediate returns.

QUARTERLY PRICE LIST.

Terms: Net cash in advance. No DISCOUNT WHATEVER. Remittance must in every case accompany order, together with sufficient for return postage if order amounts to less than \$2.00.

I pay registration on orders amounting to \$5.00 or over. I cannot, however, under any circumstances, be responsible for letters lost in transit.

Remittance should be made by Post Office Order, American Express Order, or Bank Notes at current rates of exchange. Cheques or silver coin will not be accepted.

Fractions of a dollar may be remitted in current unused stamps of any country. Values not commonly used are preferred.

Money orders should be made payable at St. Stephen, New Brunswick, or Calais, Maine.

Every communication should bear the sender's address in full, to avoid all possibility of mistake.

ALL STAMPS SOLD BY ME ARE WARRANTED GENUINE.

SINGLE STAMPS AT BARGAIN PRICES.

Of most of the following stamps I have very few copies, and in some cases only one. First come, first served. FIRST ORDERS SECURE BEST SPECIMENS. Money refunded if stamps are sold. Every stamp in perfect condition, if not otherwise stated. Those marked * are unused.

APPROVAL SHEETS.

If you want to start a collection, the first thing to do is to send for a packet of 500, 1000, 1500 or 2000 varieties, according to the amount you wish to expend.

The next thing to do is to send references, or a deposit of \$2.00 or more, and receive some of my APPROVAL SHEETS, containing stamps from 2c to \$1.00, arranged according to countries. Then you can see the stamps before you buy them, and select none but good specimens, although you will find on my sheets very few stamps to reject because of their condition.

The discount on my Approval Sheets is generally from 33½ to 50 per cent., and all stamps as far as possible are priced by Scott's Standard Catalogue. But for collectors somewhat more advanced, I have APPROVAL BOOKS of scarcer stamps, the discount on which is from 10 to 25 per cent. One or two trials will convince you that for variety and quality my Approval Sheets and Books are unsurpassed.

My conditions are: POSTPAID AND REGISTERED AGAINST POSTPAID AND REGISTERED. This rule must not under any circumstances be departed from. Parties who do not purpose to spend at least \$1.00 each time need not apply. No discount is allowed when purchase is less than \$1.00. Sheets must not be kept more than 5 days, exclusive of time occupied in transit.

SPECIAL NOTICE.—I cannot send approval lots to minors without guarantee from parent or guardian.

HAPS AND MISHAPS.

Fortune is indeed a fickle maid. On December 6th, 1895, I sent an approval lot of stamps, value \$15.35, to Chas. L. Wilcox, of Hastings, Minn. Mr. Wilcox claims that the letter was stolen by a boy who drove a milk wagon for him, and while he has made some promises, has made no remittance. On the 8th of February last I sent another approval lot, value \$18.01, to Richard Goerke, 3631 Robert Avenue, St. Louis, Mo. Mr. Goerke says that this particular lot was carried off by the memorable cyclone, and he refuses to pay anything. If the lot had been returned in reasonable time, it would not have been in the cyclone's path. To a gentleman in Kansas City, Mo., I sent, on the 24th of April, a lot, value \$74.36, and he claims that a friend in whose hands he left the sheets carried them off to New York. He has not been successful in getting them from his friend, and I have had no returns. I cannot say that I hope to have other mishaps to record in next issue of the Philatelic Messenger, but I shall try to prepare a faithful chronicle of them, be they few or many.
