A WORTHY CASE

At a meeting of the Women's Hospital Aid on Saturday, Mrs. E. A. Smith presiding, Mrs. L. P. D. Tilley reported a case which was being attended to by the visiting committee. It was that of a young Italian who after eight months' illness in hospital here had become stranded. He had taken ill while serving in the Canadian army, and was now a chronic case. His one desire was to reach his home in Italy and see his family before he died. His passage would cost \$72 she said. The Knights of Columbus had contributed \$38 towards the cost of sending him home, the Red Cross and private citizens had donated clothing, and she hoped the I. O. O. E. and others would also help. A. C. Skilton was appointed auditor of the society.

THE DREAD PYORRHEA BEGINS WITH BLEEDING GUMS

Pyorrhea, an infecting germ disease, many ill. Medical science has proven this. Disposed conditions, which not long ago doctors were unable to trace to a cause, are now known often to be the result of Pyorrhea germs that breed in pockets about the teeth. Rheumatism, anaemia, nervous disorders and other diseases have been traced in many cases to this Pyorrhea infection. Don't let Pyorrhea work its wickedly on your body. Visit your dentist frequently for tooth and gum inspection.

And watch your gums yourself. Pyorrhea, which afflicts four out of five people over forty, begins with tender and bleeding gums; then the gums recede, the teeth decay, loosen and fall out, or must be extracted to rid the system of poisons generated at their base. Forhan's For the Gums will prevent Pyorrhea—or check its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's keeps the gums hard and healthy—the teeth white and clean. Start using it today. If gum-shrinkage has set in, use Forhan's according to directions and consult a dentist immediately for special treatment.

35c. and 60c. tins in Canada and U.S. If your druggist cannot supply you, send to us direct and we will mail you postpaid.

**MORNING NEWS
 OVER THE WIRES**

Rufus Penley, aged 60 years, a sailor belonging to Grand Manan, N. B., has been arrested in Lisbon Falls, Me., on a charge of performing an illegal operation on Mrs. Samuel French, aged 40 years, with whom he was said to be very intimate.

Damage to the extent of \$12,000 was done in Halifax yesterday morning by fire which destroyed the Oxford street Methodist church.

Brig. Gen. A. A. Helmer, C. M. G., is dead at his home in Ottawa.

Hon. Arthur Meighen, minister of the interior, speaking in Montreal on Saturday before the Canadian Railway Club, said that in time he believed it would come to pass that all railways in Canada would be under the control of the state.

was raised twenty-five cents per bushel by the Canada wheat board, effective Saturday at midnight. The maximum wholesale price for standard winter wheat flour has also been raised from \$10.10 to \$11.25 per barrel.

The British government has issued a denial of reports that it intends seeking further loans from America.

The roundhouse at Louisburg, N. S., was destroyed by fire on Saturday with a loss of \$10,000.

No Liberal will oppose Premier Drury of Ontario in his by-election in Halton county.

**Serving the
 New Canadians**

DURING the past twenty years Canada received three million new settlers of whom about one million were of foreign speech. The war interrupted immigration, but soon the march westward will begin again.

Mutual Requirements

What do we expect of these new citizens? Respect for Law and order, a measure of diligence, that they may not become a charge upon the community, and a willingness to adjust themselves to a new environment.

What do they expect of us, the native-born? Justice, sympathy and kindness. They are entitled also to the stimulating influences of great Canadian Ideals. They have a right to the Gospel of Christ, not only explained in theory, but worked out in practice by Christian men and women.

The Church Hampered

The Church has not been neglectful of these new Canadians, whether settled in the crowded cities, or on the Western plains. But the effort to reach them with the ministry of Religion has been made difficult for lack of Missionaries to overtake the work, and by inadequate financial means.

A Case of Misunderstanding

Many Church Members do not realize the magnitude of the task. Lacking complete understanding of the situation, they have not sought out spiritual leaders for these new Canadians, and have been content with former standards of giving. Even with a slowing-down of immigration, the needs have not been met. What will happen when the flood-tide rolls in again?

Look! A Study in Contrasts

In the year 1800, the United States had a population of 5,308,483. During the next twenty years, 184,000 immigrants arrived in American ports.

In 1901, Canada had a population of 5,371,315. During the next fifteen years, the immigration to this Dominion reached a total of 2,906,021.

From 1904 to 1914, Canada accepted 250,000 MORE immigrants

than the United States received in the same period—despite the fact that the population of the Republic was ten times that of Canada.

Israel Zangwill and others speak of the United States as the melting-pot of the world, and marvel at the task of assimilating the new comers. **WHAT WOULD THEY THINK OF THE PROBLEM IN CANADA?**

Moulding the National Spirit

The great majority of immigrants now settled in the Dominion are men of good-will, with an aspiration for useful citizenship. They are helping to do the day's-work of this land for the advantage of us all. The future public opinion of Canada, the future moral stability of the nation depends upon the will and power of the Church to fulfil its trust to these New Canadians.

Motives for Activity

You are a Canadian, proud of your country, and deeply concerned for its future. You are a Christian, believing that the Gospel is the only dependable and invincible civilizing agency. You are urged to pray, to serve and to give, that the Home Missions of your Church may be properly sustained in this day of national emergency.

**HON. P. J. VENIOT HEARD
 BY BOSTON AUDIENCE**

Boston, Jan. 31—Hon. P. J. Veniot minister of public works for New Brunswick, in addressing the Canadian Club of this city at their monthly dinner, took up the subject of "Betterment of the Automobile Highways from New England to the Maritime Provinces." Some 300 people heard him with much pleasure. He said he thought it possible that the turn to the right as the rule of the road would be adopted in New Brunswick by June next. T. P. Regan of St. John, president of the N. B. Automobile Association, was a guest and speaker. Hon. Mr. Wickwire, minister of high-ways for Nova Scotia, He and Mr. Veniot said that an endeavor was being made to have a good trunk line from the Maine border through the two provinces.

Pay Your Boy Debt Today

THE Commercial Club drive on behalf of the Boy Scout Movement, beginning today, is *your opportunity*. This movement is only nine years old but it has worked wonders already; it has spread all over the civilized world and contributed materially to the advancement of that civilization.

Lord Rosebery says:
"It is the greatest moral force the world has ever seen"

Harold Begbie says:
"Everywhere a Scout lives he has got the fire of Christ's idealism"

The provision of a fund of \$4,800 means distinctive provincial headquarters of the movement in St. John and extension of privileges to many of the city's 4,000 boys. Subscriptions of \$25 entitle the giver to life membership in the provincial Boy Scouts' Council and \$2 gifts carry with them associate membership for one year.

The Speaker Sat Down.

For the opening of their Thrift Society the Mudleborough committee invited a successful local man to speak.

Unfortunately his business methods were not so reputable as they were beneficial to him.

"The chief cause of distress in this country," he said, in his address, "is a lack of frugality and thrift. We hear a lot of talk about a wolf at the door. Well, he never comes to mind."

"Course not," came a prompt retort from the body of the hall. "I suppose 'e's afraid o' being skinned!"

Taking a Chance.

"I want a pound of butter."

"The best?"

"What was the last I had?"

"The best."

"Give me a pound of the other."

ST. JOHN'S WOMAN ALMOST GAVE UP

Was so Weak Had to be Helped Out of Bed—Gains Thirteen Pounds Taking Tanlac.

"Just to think only a few days ago I was so bad off I was almost helpless, but now since taking Tanlac I have gained thirteen pounds in weight and am enjoying the best of health," said Mrs. Leonard Miller, 124 Water street, St. John's, Newfoundland, a few days ago. "No one knows what I have gone through during the past nine years for I have suffered from a complication of troubles," she continued. "My digestion was so bad that no matter what I ate it seemed to disagree with me and I would be in misery for hours afterwards. I was troubled a great deal with heartburn and after every meal I would have a steady, distressing feeling. My heart palpitated so bad I thought I would smother and I became so dizzy I had to catch hold of the nearest thing to me to keep from falling over. My back was weak and it pained at times. I would have so bad I just had to take to my bed and whenever I wanted to get up I always had to have someone help me. Severe headaches often came on me and I was so restless and miserable I could never sleep good at night. My nerves were terribly upset and even the children, playing would nearly run me wild. I was afraid to be alone, in fact several times I thought I was going to die. Then rheumatism set in and my hands and feet would swell up and pain me so bad I could hardly stand it. I gave up my house-work entirely and was so weak that as I now look back over my condition it is hard for me to understand how I held out as long as I did.

"But now, I am happy to say that things are different for Tanlac has over all my troubles and I am feeling like a young girl again. I enjoy my meals now because I can eat anything I want and not suffer one bit afterwards with palpitation or with heartburn. My back never bothers me as it did. In fact several times I thought I was going to die. Then rheumatism set in and my hands and feet would swell up and pain me so bad I could hardly stand it. I gave up my house-work entirely and was so weak that as I now look back over my condition it is hard for me to understand how I held out as long as I did.

Tanlac is sold in St. John by Ross Drug Company and F. W. Munro under the personal direction of a special Tanlac representative.—(Adv.)

Rev. J. F. X. O'Connor Dead.

New York, Feb. 2.—Rev. John Francis Xavier O'Connor, assistant pastor of the church of St. Ignatius Loyola, well known as an educator, lecturer and author, died here on Saturday night. He was sixty-eight years of age and a native of New York.

Elected Prince of Cough Cures

BUCKLEY'S WHITE BRONCHITIS MIXTURE has been unanimously declared by all victims of bronchitis, coughs, colds, hoarseness and bronchial asthma as the world's greatest remedy for any of the above ailments. Doctors stand amazed at its wonderful healing power. Long standing cases of 20 and 30 years of coughing have been cured by this great mixture. Not a syrup but a medicinal mixture, discovered by a chemist who had labored night and day to compound a mixture that would give his only daughter some relief, as bronchitis was choking her to death. It not only relieved her but produced an everlasting cure. Are you a victim of any of the above ailments? If so, get a bottle today, use it for five days, and if it does not prove to be the greatest of all remedies, take the bottle back and get your money. Is this fair? Can one do more than this to prove what a marvelous medicine it is? Price 60 cents. Sold by all live dealers. Take no substitute, and fear the man who darts to say he has one just as good. Mailed for 75 cents.

D. J. Buckley, Mfg. Chemist, Toronto. Direct Import Co., 1 Union St.

The temperature in St. John yesterday morning was 16 below, but had risen to three degrees by 9 o'clock last night.

NEAL-COMPTON.

A wedding of interest took place at the home of Mr. and Mrs. Joseph Compton, 19 Kennedy Place, this afternoon at 4 o'clock, when their daughter, Miss Sarah Gertrude, was united in marriage to John Boyd Neal of the Willet Fruit Company. The ceremony was performed under a floral arch of maiden hair ferns and roses by Rev. Mr. Townsend in the presence of immediate relatives and friends. The bride, who was given away by her uncle, William Morrish, wore a becoming suit of taupe velvet with seal trimmings and hat to match and carried a bridal bouquet of roses. She was unattended. Following the ceremony a wedding supper was served, after which Mr. and Mrs. Neal left on a honeymoon trip through the maritime provinces. Returning, they will reside in Kennedy street. The groom's present to the bride was a check. The popular young people were the recipients of a large number of beautiful presents, among which was a chest of silver from the Willet Fruit Company.

THE FUNCTION OF THE AGRICULTURAL COLLEGE.

The services that may be performed by the agricultural colleges in Canada in the up-building of a sound rural spirit, as viewed by the presidents of these institutions, are graphically outlined in the January number of the Agricultural Gazette of Canada, published by the Department of Agriculture at Ottawa. Principal Cumming, of the Nova Scotia Agricultural College, observes that, whereas other professions have been in the forefront of the world's councils for centuries, it has remained for the twentieth century to witness at least the beginning of a movement in which farmers will take their place among the leaders in the seats of the mighty. The new situation is said by Dr. Cumming to put a new responsibility on the agricultural colleges of the country, which have heretofore been teachers mainly of the science of production. Professor Cumming calls upon the new farm leaders to see that the agricultural colleges are advanced and that agricultural education receives more attention in the schools.

Cremonaphone TALKING MACHINE

Music brightens the home and sweetens the life—

The talking machine is without doubt the most wonderful musical instrument in the world. One should be in every home, not only for the rich and varied entertainment it provides, but also because of its cultural and refining influence, especially where there are children.

Like every other invention, of course, the talking machine has been improved and developed, and today the Cremonaphone Talking Machine represents the highest development yet made. It plays all makes of records with one universal tone arm, but greatest feature of all is its extraordinary tone. It actually creates living sound in all its perfect naturalness, the genuine melodious tones of musical instruments and the voices of human beings with a life-likeness that is remarkable. The reason of this

is to be found in the unique construction of the sound-chamber in the Cremonaphone, which reproduces the actual quality or timbre of different tones without any of that stridency or added noises so common in many machines.

If you are thinking of buying a talking machine, on no account fail to see and hear a Cremonaphone before making a decision. The Cremonaphone is made in a variety of models at prices to suit all pockets.

Easy monthly terms of payment can be arranged.

THE EVENING TIMES AND STAR, ST. JOHN, N. B., MONDAY, FEBRUARY 2, 1920

THE PROVINCIAL ACCOUNTS FOR 1919

Deficit, Due to High Cost of
Labor and Material,
Amounts to \$327,000.

Fredericton, Jan. 31.—The financial statement of the Province of New Brunswick for the fiscal year which ended October 31, 1919, is published in an extra of the Royal Gazette just issued. The statement is accompanied by a certificate of Messrs. Price, Waterhouse & Co., chartered accountants, whose chief Canadian office is in Montreal, and this certificate states: "Balance sheet attached hereto exhibits a true and correct view of the financial position of the Province as at October 31st, 1919, according to the best of our information, the explanation given to us and

as shown by the books of the Province." The expenditures for the year exceeded the revenue by \$327,000. Such a statement as this will undoubtedly attract the attention of every business man in the Province, and every ratepayer in the Province will realize more clearly that the expenditures of the government are increased for the same reasons as the expenditures of corporations and private individuals. The cost of service, professional and manual, the prices of materials, have all soared in government circles just as they have elsewhere, and no estimates of costs prepared at the beginning of the fiscal year were sufficient to cope with the demands upon the treasury to pay for the necessities of the public service.

Where the Money Went.
More than the amount of the deficit can be found in the over-expenditures in two departments of the government and the maintenance of the Provincial Hospital for Nervous Diseases. One of the government departments, the Crown Lands, which is the greatest revenue producer, over-expended \$53,346.72, and at the same time exceeded its revenue estimate by about \$20,000. The other department, Public Works, in which lies the greatest outlay of the administration, over-expended by \$283,654.31, and the Provincial Hospital, to maintain the patients, over-expended by \$24,949.99.

The over-expenditure in the Department of Lands and Mines was found to be necessary, for one reason, to get at more accurately the lumber cut of the province, and for another reason the more fully to protect the great lumber asset as well as the game, which former must, for all time probably, be the chief source of revenue. The expenditures of the forest service, to afford greater protection to the forests from fire, have been very large, and this is accounted for by the fact that materials for the construction of telephone lines and the additional wages paid to labor of this class exceeded the estimates by thousands of dollars.

While the accounts closed on October 31 last, the auditor, W. A. Loudoun, makes the statement that every account for work done or goods furnished, received after that date, but which covered transactions before the 31st of October, has been included in the statement of the auditors Messrs. Price, Waterhouse & Co.

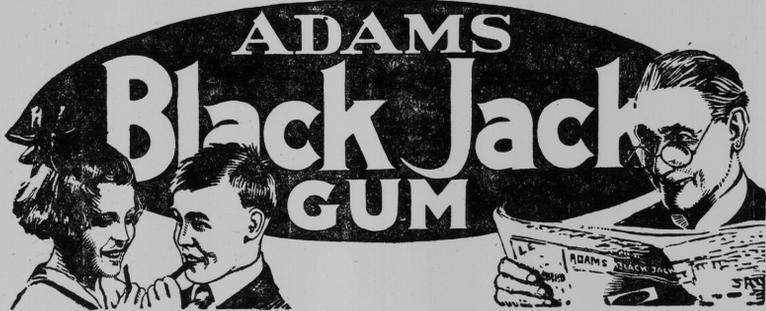

Under the former government the books were kept open for ten days after the close of the fiscal year, but Mr. Loudoun says that all accounts this year that were received up to the latter part of December, when the statement was compiled, were included.

More Revenue.
While there must be considerable satisfaction that the government has instructed the operations of every year to be shown in the statement for the year and thereby shows the people the true condition of affairs, yet the demands of the public service which necessitated so large an over-expenditure will call not only to the attention of the government and those supporting it, but all representatives of the people and the people themselves, to give grave consideration to such reasonable suggestions as will increase the revenue of the province to such a point that they will meet the expenditures easily.

The crown lands will afford more revenue next year because on the first of August, 1919, the government announced an increase in stumpage. The lumber cut will, no doubt, be very large, as the reports so far have surely indicated, but there is a general impression that too much dependence has been placed upon crown lands as a source of income in the past and not enough attention paid to other possible sources of taxation to obtain revenue. Other provinces of the Dominion have differed from New Brunswick in this respect and have placed taxation in many quarters which have hitherto escaped paying tribute here. If there is any consolation in the fact, the government can find it in knowing that this province does not figure alone in the deficit class. Nova Scotia had the same experience last year. The new government of Prince Edward Island found a large deficit awaiting them. British Columbia, a short time ago, had a deficit of over \$2,000,000, and the Prairie Provinces were likewise unfortunate. The richer provinces of Quebec and Ontario have been freer from such experiences than other parts of Canada, but this can be explained by the fact that they contain the largest centres of population and have great manufacturing zones in their areas. Taxation and license fees of all kinds upon business are imposed by the governments in both of these provinces, from which New Brunswick happily in the past has been free.

An interview with the minister of public works which is sent herewith, gives a very full and frank explanation of the over-expenditure in his department. He makes no excuses for absolutely needed expenditures but deals with the facts as they exist, just as he dealt with the necessities as they were reported to his department during the many months that additional and unexpected repairs were needed to the bridges of the province. He says that any other course would have been criminal—that the safety of the people was the first consideration.

A fair sum was realized on Saturday in a pantry sale in the school room by the Girls Mission Circle of Carleton Methodist church. Mrs. J. Thompson was convener.

JEWISH RABBI IN PRESBYTERIAN CHURCH YESTERDAY

An innovation in Christian church services was presented to the congregation of the First Presbyterian church, West End, last night when B. L. Amshar, one of the leaders of the Jewish church in this city, read Psalm 121, in the language in which it was originally written, and then explained some of the untranslated Hebrew terms to his gentile audience.

Mr. Amshar, the speaker, is one of the foremost Hebrew scholars of eastern Canada, with considerable experience as teacher and rabbi in the Yiddish temple

in Buffalo, the synagogue in Hamilton, and the Jewish synagogue in this city. The Rev. Dr. Morrison, pastor of the church, conducted the regular part of the evening service, which was largely attended.

ST. VINCENT'S ALUMNAE.

The St. Vincent's Alumnae met in the St. Vincent's high school yesterday afternoon, when the chair was taken by the president, Miss Annie Gonnell. It was announced at the meeting that the proceeds of the recent sale and tea had amounted to about \$250. The Alumnae decided to make garments for the children in the infants' home in Cliff street, which now has 150 inmates. For this purpose sewing meetings will be held

weekly during Lent. A donation was voted for the International Federation of Catholic Alumnae to be spent for the extension of the Braille studies for the blind. Further investigations regarding the Braille studies will be made by the alumnae. A social gathering of the society was arranged for the future.

ANNIVERSARY SERVICES.

At the services yesterday in Exmouth street Methodist church in honor of the 63rd anniversary of its founding, Rev. O. P. Brown preached in the morning. In the evening, Rev. J. J. Armitage of Windsor, N. S., as the special preacher but he was un-

able to reach the city owing to train delays. The sermons were heard with much enjoyment by large congregations. Rev. George Dawson presided and the singing was led by E. E. Thomas.

FORWARD MOVEMENT.

Some of the laymen who spoke in the Anglican churches yesterday in the interests of the forward movement were as follows: Trinity church in the morning, R. Frith; St. Paul's, H. Usher Miller and E. T. Sturdee; St. Mary's, A. C. Skelton in the evening; Good Shepherd, J. Belys in the evening; Mission church, W. H. Harrison; Stone church, Dr. James Manning.

Protection Against BURGLARY

Worth a lot—in peace of mind alone.

There are four times as many burglaries in a year as fires. You run four times the risk of loss. You carry fire insurance of course—why not insure against a far greater hazard?

These dark nights—while the entertaining season is at its height—are harvest-time for hold-up men and burglars.

Four policies offered by The Dominion of Canada Guarantee and Accident Insurance Company will protect you against loss of this kind.

Mercantile Burglary Policy

Serious loss may be incurred through burglary of your store, warehouse, or factory. This policy covers such losses, and also damage of your premises caused by forced entry.

Insurance on Safes

Why do you have a safe? Your answer is a reason why you should in addition have insurance on your safe. Costs little—is a sensible protection in these days of organized, skilled burglary.

Hold-Up Policy

Specially planned to protect against business losses. Messengers carrying money or securities; teamsters, drivers or travelers making collections; clerks landing cash in stores or offices are all liable to be "held up."

Residence Burglary Policy

This policy protects you against loss of valuables through burglary. It will also cover loss from petty thefts in the house. It can be extended to protect both you and your wife against loss from hold-ups.

TAKES GRIP WITH DOCK STRIKERS
President of Cuba Suspends Constitutional Guarantees for 60 Days.

Havana, Feb. 2.—A presidential decree suspending the constitutional guarantees for sixty days was published in the official Gazette on Sunday afternoon, following a refusal of the striking dock workers to accept a plan of arbitration demanded by President Menocal and agreed to by the employers.

Reports were current last evening that the police already are making numerous arrests of so-called labor agitators. Accompanying the decree was a proclamation by President Menocal saying that "the hour for deliberation has passed for the government," and adding that the honest laborer had nothing to fear from the suspension of the guarantees but "that the enemy of order shall feel the full weight of the law."

Traffic on the C. N. R. line was blocked for about five hours on Saturday through the derailment of a big engine attached to a train carrying Chinese troops, at Norton on its way to St. John.

NOW PLAYING AT THE UNIQUE

MONKEY ACTOR TROUPE BIG FEATURE IN NEW OPERA HOUSE BILL

A group of Pedrini's famous Monkey and Baboon Actors, in an uproariously funny playlet, "Fun on a Battleship," one of the features of the all star vaudeville programme at the Opera House commencing tomorrow afternoon.

One of the prime features of the Opera House change of vaudeville programme opening tomorrow afternoon will be Pedrini's Monkey Actors, in a comedy monkey playlet, "Fun on a Battleship," with the scene laid on the deck of a dreadnought and the monkeys for the crew. They are not only well trained to perform like regular actors but they are also excellent comedians and present a skit that is just one huge riot of laughter.

The leading actor of the troupe, "Teddy," has had a varied experience since he was found by Paul Pedrini in the jungles of Africa about seven years ago. As a baby monkey he already showed signs of talent for acting, being particularly clever in imitating everything he saw people doing. When he

carried them safely to Colombo. Later on, in the Philippines, Teddy was lost for two days in the Nina swamps, and when finally located was a mile out in the water having a great swim to himself.

Two years ago, at Long Beach, California, Teddy was up in a big Curtiss aeroplane for 15 minutes, with the noted flyer, Christoferson, who was afterward killed in France in the service of the American army.

Teddy is some actor, even for a monkey, and runs the show just like a regular fellow.

The Opera House has offered some clever animal acts in the past, but nothing quite so amusing and interesting as Pedrini's troupe of baboon and monkey actors.

ALICE BRADY in "THE INDESTRUCTIBLE WIFE"
This is a corking five-reel drama, and here are the reasons: Can you keep up with your wife? Is your wife outpacing you? Do you want to catch up to her? Don't marry an athletic girl unless you are athletically inclined. Don't you plan a honeymoon trip until you see this picture. For the answer to these questions, come and see this dandy comedy drama.

HOW could she prove that she was this monster's legal wife? The only proof that a court would recognize lay at the bottom of the mighty sea, eight fathoms down.

See the tremendous climax to her quandary! See the staggering scene staged in the ocean depths, where the search for the proof of her marriage leads two men to grapple in mortal combat, that an innocent woman's faith in all mankind might not be shattered.

By special arrangement the undersea scenes in "The White Heather" were produced by the use of the Williamson Submarine Tube and patented inventions, the only means by which such undersea scenes are made possible.

BETTER

Deposits in the government savings bank here during January amounted to \$64,025.55, as compared with \$62,000 in January 1919. Withdrawals during the month reached \$42,551.16, compared with \$58,000 in 1919.

WILL BE CONVENIENCE

The little office in the Union Depot formerly occupied by the militia as an information centre has been taken over by Walter Gaskin and was opened today as a baggage transfer station. This is a convenience in use in many cities and should prove welcome in St. John.

DONALDSON-CLAYTON

A quiet wedding took place on last Monday in the Carmarthen street Methodist parsonage when Rev. Henry Penna united in marriage Miss Myrtle Clayton and William Donaldson, both of this city. Miss Lulu Wells was bridesmaid and Richard C. Thorne supported the groom. Mr. Mrs. Donaldson will reside in St. John.

A BIRTHDAY PARTY

On Saturday afternoon little Miss Geraldine Mitchell entertained about twenty-five of her little friends at her home, 7 Mill street, the occasion being her birthday. Games and other amusements were enjoyed. The happy gathering dispersed after wishing the young hostess many happy returns of the day.

OVER TILL WEDNESDAY

In the chancery division today the case of Baird vs. Jones came before Chief Justice Hazen again. The cross-examination of the defendant, J. B. Jones, jr., on his affidavit, was commenced by D. Mullin, K. C. F. B. M. Baxter, K. C., appeared for the defendant. This is an application to have the defendant committed for contempt by alleged breach of an injunction order issued by Mr. Justice Grimmer. The court adjourned to Wednesday next at 10.30 a. m.

DISEASE PREVENTION

An instructive lecture on disease prevention was given last evening in their rooms in Horsfield street before the members of the Y. M. H. A. by Dr. H. L. Abramson. He was heard with close attention by an appreciative gathering. I. Amdur occupied the chair, and a hearty vote of thanks was tendered the speaker on motion of Max Marcus, seconded by Kominsky. He was solo by Miss Cecile Amdur who well received.

HOUSES AND RENTS

A "hard working woman" writes to the Times-Star urging the men of the city to take some action against the renting of unit tenements at very high rates. The women, she says, were willing to put up with all kinds of hardships to help win the war, and now they ask that the comforts of life be not denied to them and their children. She asserts that some places offered for rent are "not fit for a pig." This is the day of notification and decision as between landlord and tenant.

FOR THE BOY SCOUTS

Although disagreeable weather met them today in the opening of the campaign, those in charge of the Commercial Club drive for funds for the Boy Scouts of the city were not at all dismayed and are hopeful of the results. Envelopes were distributed today by nine or ten boys, who were collecting the ward captain who directs the arrangements in his district. Those in charge of the campaign say that even a five cent subscription will be appreciated.

DEATH OF FRANK W. DOVE

In Montreal on last Tuesday of Frank W. Dove of the C. Ocean service was passed away. Mr. Dove had been connected with the steamship service for the last fifteen years, spending the winters here. He was well and favorably known among all with whom he came in contact. He leaves, besides his wife and one son, many friends to mourn his death. Although he had been in failing health for the last couple of years, yet the news of his death came as a great shock to his friends here. The funeral took place on last Thursday from his late Montreal residence, 796 St. Urbain street, to Mount Royal Cemetery.

ST. JOHN IS FAR IN THE LEAD

Some interesting figures are disclosed in the monthly report of Canadian trade, published by the department of customs, which has just arrived in the city. The report shows among other totals the following:

Exports for the eight months ending November 30, 1919.
From St. John \$32,560,272
From Halifax 30,460,522
Imports during the same period:
To St. John \$17,498,658
To Halifax 18,992,258

Evangelical Alliance

A meeting of the Evangelical Alliance was held this morning, Rev. S. S. Poole presiding. A committee looking after the week of prayer reported that they had received \$207 from the collections and that other churches were to be heard from.

The new regulations regarding giving returns of marriages were discussed and suggestions for the government with reference to amending some of the clauses.

Rev. O. P. Brown, an evangelist, read a paper on eternal punishment and was tendered a hearty vote of thanks. Word was received that Rev. Charles Steltz, who was invited to come to this city to address meetings, was unable to accept and therefore the proposed meetings were cancelled.

FIVE CASES OF "FLU" ARE HERE

Four in North End and One in Simonds Reported to the Board of Health—All Declared Mild.

The officials of the Board of Health were somewhat alarmed this morning when it was announced by their secretary, T. M. Burns, that five cases of influenza had been reported from the city and county. Four of the cases were reported from the North End, and one from Simonds, but they are of a very mild type. All necessary precautions are being taken to prevent spread.

The members of the board held a meeting this morning to discuss the matter. Arrangements were completed to take over a building from the emergency hospital if needed. The board have time and have had arrangements made to take over several buildings at short notice if necessary. It was announced this morning that there is no need of alarm being felt as the disease has not taken the form of an epidemic and nothing is being left undone to prevent it from doing so. This is the first occurrence of the disease since the epidemic of 1918.

RED CROSS IN ANNUAL MEETING

The annual meeting of the local Red Cross Society was opened at three o'clock this afternoon in the local depot, with the president, Mrs. John A. McAvity, in the chair. Reports of the activities of the last year were presented and a discussion took place as to the work to be done this year. Election of officers was to take place. The president reported upon the convention in Quebec, some time ago, which she attended.

Among the reports submitted was that A. A. Simon as treasurer, which showed a balance of \$10,209.24 in September, the report having been made for the time with the intention of presenting it to the annual meeting, which, however, was postponed until today. The following is a list of the receipts:

WRAP BREAD; ONE CENT MORE

Starting today the St. John public will pay one cent a loaf more for the one and one-half pound loaf sold in the shops, but will get a sanitary wrapped loaf as ordered by the new board of health ruling that went into effect yesterday. The wholesalers announced this morning that the new price for pound and a half loaf would be fourteen cents from the bakeries, and that the retailers had increased their prices by the same amount.

JOSHUA CORKERY DIED TODAY AT GREAT AGE OF 93

After an illness of but a few days, Joshua Corkery, one of the oldest residents of the city, died this morning at his home, 98 Elm street, aged ninety-three years. He was very well known, especially about the North End and through the river country. He had been identified with the meat business in St. John for many years but had retired some time ago.

Besides his wife he is survived by two sons, Joshua, of St. John, and Maurice of Boston, and three daughters, Mrs. Thos. Connor of Wisconsin, Sister De Chantal of St. Vincent's Convent, and Miss Catherine at home. Mrs. William Cotter of this city is a sister, and there are three brothers, Thomas of California, Daniel of Vermont, and David of Boston. Mr. Corkery's funeral will take place on Wednesday morning.

BOY SCOUTS OF NEW BRUNSWICK THIS IS YOUR WEEK

REMEMBER—
A Scout's duty is to be useful and to help others.
A Scout whistles and smiles under all circumstances.
A Scout's honor is to be trusted.

These are three of the many practical teachings of the Boy Scouts Organization, and these alone, if nothing else, should commend the Boy Scout Drive this week to one and every person.

BOY SCOUTS remember also that Scovill Bros. are the official outfitters for this district, so that our uniforms and equipment are correct and the prices as low as is consistent with the quality.

Why Is a House Divided Into Rooms?

That the greatest convenience and comfort may be derived, a house is divided into rooms, and the genuine purpose of this house as a home depends upon the completeness and appropriateness of each of these rooms' appointments.

The furnishings of a room may be recognizably costly, yet wholly lacking or incompatible with the feeling of warmth and restfulness which should be the end to be gained, and never to be departed from, in the entirety of its furnishing scheme.

Possibly, by the rearrangement of this same furniture, all the serenity of harmony and the exquisiteness of effect may result in the transformation of this atmosphere.

Color tones must be essentially correct and in concord with the furniture it is to display to advantage, and at the same time adding that subtle "something"—better perceived as the "soul of a room."

For your realization to the fullest extent of each separate room's distinct individuality, we invite you to come to this resourceful furnishing establishment for furniture of quality and beauty which will become an asset to your home.

Service is courteously and conscientiously extended you in every department of our store.
