FARMERS' CANDIDATE FOR CARLETON CO.

Want Man in Field—Election
in the Fall Says Premier
Foster.

Woodstock, July 10.—Delegates to the number of eighty representing one thousand members in Carleton county of the United Farmers of Canada, met in the Vocational School this afternoon to nominate a candidate for the coming by-election.

A candidate was not nominated but a committee was appointed to wait upon the leaders of both political parties in this county and request that the seat be given by acclamation to the candidate to be nominated by the United Farmers at a convention to be held later. C. L. Smith, the president, who presided, stated that Premier Foster recently told him that the by-election would be held this fall.

C. Gordon Sharpe, the secretary, made a suggestion that the newspaper men be requested to retire from the meeting, but the convention decided to let them remain.

After three hours' session an amendment moved by Fred Brown seconded by C. Gordon Sharpe, that in the event of the political parties turned down the request of the secretary the organization will but a man in the field was defeated. An amendment moved by George McLeod, seconded by Mr. Peters, that it would be unwise at this time to put a candidate in the field was also defeated.

The following motion, which was supported by President Smith, was carried by a standing vote: Moved by T. W. Caldwell, seconded by Thomas Doherty, that we appoint a committee of committees to wait upon both political parties in this county and request that the candidate of the United Farmers be given an election by acclamation to fill the vacancy caused by the death of G. L. White, M. L. A.

The following committee, the first two Conservatives and the

last two Liberals, were appointed to carry out the wishes of the convention in the resolution: E. W. Melville, of Peel; A. A. H. Margison, of East Centreville; C. L. Smith of Woodstock, T. W. Caldwell of Florenceville.

One delegate suggested that there were no Liberals or Conservatives at present, but George McLeod had a well founded suspicion that in Carleton county the old political machines were well oiled and could start on a moment's notice.

A resolution was carried, moved by T. W. Caldwell, placing the convention on record as opposed to bribery at elections, suggesting that it be fought to a finish because by it the politicians are under the control of the corporations that put up the money to run elections.

Some of the delegates said they had been voting Liberal for 21 years, but they would heartily support a Conservative if one was nominated by the farmers. As showing the injustice practiced upon the farmers, C. Gordon Sharpe said that there was not one farmer among the six candidates in this county at the last election; that neither of the two representatives at present were farmers; that neither of the two candidates likely to be nominated by the two parties, Messrs. Morgan and McCain, were farmers, and that only two farmers had seats in the legislature at present. After passing votes of thanks to the reporters and to the caretaker the meeting adjourned to meet at the call of the chair when the committee would be ready to report.

Goes to Grand Falls

William E. McMonagle, of The Standard writing staff, will leave this morning for Grand Falls where he will open up a law office and follow up his practice. He graduated from King's College Law School here in May last, receiving the degree of B. C. L. He has made many friends in St. John, who will wish him every success in his new adventure. PICNIC PROVED BIG SUCCESS

A Good Time and More Than \$600
Raised

July 12 was the first fine day in more than a week and happily it was the day chosen for the grand picnic on the village green. While the afternoon was fine throughout showers hovered in the vicinity, which, with the muddy condition of the roads, no doubt kept numbers away that had intended coming. Nevertheless the crowd was by no means local and many faces familiar to the sister villages were seen here.

The preliminary work done towards improving the play ground was much commended and it was plainly seen that the place can be made very attractive and ideal for ball and tennis.

There were the usual amusements and the people spent freely. As usual at such picnics the commissary department evoked the greatest interest and the large number of young women who worked wholeheartedly, are worthy of a great deal of praise. The tables looked most attractive and nearly six hundred people sat down to them. These girls are justly entitled to one of the finest tennis courts that can be made and with all requisite fixings. The ball game between Bath and Hartland was warmly contested but the visitors went home with a setting of 14 goose-eggs.

Following is a list of the other sports, the winners, the prizes and the donors:

Girl's Race—Mildred Luskey, first, \$2; Rita Irving, second, \$1. (A. A. Rideout).

Boys' Race—John Donkin, first, box of chocolates; (F. F. Plummer); Hughie Smith, neck-tie; (Hartland Clothing Co.). The name of the winner of third prize is unknown; donated by R. R. Landon.

Sack Race—John Donkin, first watch; (Keith & Plummer); Albion Hattiel, second, umbrella. (J. T. G. Carr).

Ball Team Race—Dr. F. J. Commis, flash-light; (Estey & Curtis); Ray McInnes, second, flash-light; (C. R. DeWitt).

Fat Men's Race—Allison Clark and Sheriff Foster, Time 4 minutes; the prize, cuff-links, awarded by H. R. Nixon, who although fat was barred from competing, were awarded to Clark in deference to his years.

Bean Toss—Willie Taylor, first, Miss Jean Miller, second.

The proceeds of the afternoon was somewhere around \$600. A full statement will be found elsewhere in this paper. The whole thing was got up and brought to a successful close within one week. The whole village united with the utmost goodwill to make of the venture the successful success it proved to be.

Brighton Parish S. S. Convention

Brighton Parish Sunday School Convention met at the Reformed Baptist church at Lower Brighton Tuesday afternoon and evening last week. The convention opened by a devotional service led by Fred Brown. President Clyde Rideout then took the chair and the business of the session was commenced. Reports were received from a number of the schools in the parish, but the heavy rain kept many away. Reports were heard from the visiting committee appointed last session. Reports are expected from the absent ones at next meeting, in January.

The following additional committee was appointed: A. Plummer to visit Armand, Mrs. H. A. Sippelle to visit Lower Windsor, Rev. E. A. Trites to visit Cold-

McGee, Mr. Robinson, Mainstream, Arthur Baird, James Rogers, Highgate.

Rev. E. A. Trites was appointed delegate to the executive, Amasa Plummer county delegate from the parish.

An interesting address was given by Mrs. W. F. Watson of Georgia on Indian Missions. She said that a part of the mission problem was teaching the people to farm in an up-to-date manner so that the countless millions could be fed. She spoke of the work of Mrs. Hazen (formerly Miss Florence Hartt of Jacksonville) among the outcast children telling how much good she was doing.

Rev. E. A. Trites gave an impressive address on the text, "How shall I go up to my Father and the lad not be with me?" He placed a large responsibility on the fathers for the fate of their boys.

Mrs. G. C. Watson gave a black-board lesson.

All came home rewarded for their effort to be present and thanking the people of Lower Brighton for their hospitality.

INCORPORATION

The meeting of ratepayers on Monday evening for discussing the matter of incorporation was fairly well attended. E. C. Morgan occupied the chair and F. R. Kelly recorded the proceedings. Members of a committee appointed at the time of the last agitation to secure signatures to petitions for a charter gave a report of the work they had done. They had met practically no opposition. Those who spoke in favor of incorporation were W. D. Keith, J. T. G. Carr, J. E. McCallum, Dr. MacIntosh, R. W. Cameron, M. L. Hayward, Frank Hagerman, F. H. Stevens and others. None were outspoken against it, but there were those, especially those in the outskirts of the village who wanted more light. Very much of the spirit of opposition, manifested by an undercurrent of feeling rather than outspoken expression of thought, was satisfied when it was explained that provision would be made so that those not receiving the benefit of water service, fire protection, etc., would be exempted from taxation for these things. It was shown that a considerable less taxation for roads would be required unless more was expended on them than at present. On the whole it was apparent in this discussion that taxes need not necessarily be any higher for anyone while those not receiving all the public services of the town might have even a less tax than at present.

The meeting was postponed until next Monday evening at eight sharp when it is expected the opposition forces will be better organized. In almost every instance those who show hostility to the movement seem to have a personal interest in opposing it. Much has and still may be said in favor of incorporation but so far little sound argument has been put up against it. No ratepayer should be absent from the meeting next Monday evening.

FARMERS AND POLITICS

Before they go very far the United Farmers in this county will wisely conclude that their organization is too young to engage in the entangling question of politics. The Observer is con-

conscious that the farmers should have a very important part in the governing of the country, and the new Society, a success elsewhere, is entitled to encouragement and toleration by all classes. The organization is still in a formative state, however, and a portion of its articles of faith includes freedom from party politics. This is most commendable and should be adhered to. But all the farmers comprising the society are either Liberals or Conservatives, and very pronounced in their views at that. At present their tie to party is a great deal stronger than their tie to the society and the chances are that many of them would not vote for their candidate if they put up one. Not to do so would wreck their organization. Later, when their society is thoroughly seasoned and its members more strongly drawn together, they should be able to not only put a strong candidate in the field, but to elect him.

The Observer commends the idea of the election of a member of U.F. of N.B. by acclamation, but the answer of B. F. Smith and W. S. Sutton, is such as to make this impossible.

The day is at hand when the farmers should have, and the time is not far off when they will have a more commanding representation in the Legislature. They are entitled to it. But at the present stage the farmers are not yet sufficiently weaned from old party ties to form a party of their own—although, as stated, that day is soon to dawn.

Grand Falls Happenings

Mr. and Mrs. Collins and Mr. and Mrs. Chas. F. West of Presque Isle, were in town by auto Sunday.

Mr. and Mrs. E. W. Olmstead were in Perth this week.

Dr. and Mrs. Puddington and Master Jack were in Fort Fairfield and Limestone Saturday.

Allan McLaughlin was in Edmundston on business last week.

Dr. King, who has been overseas, is visiting his parents and sister here.

Fred Willett has sold his house and moved to a farm, Ennisborough.

Master Eric Wheeler of Florenceville is visiting his cousin, Ralph Kirkpatrick.

About 50 of James Mockler's friends gathered at the home of his daughter, Mrs. Henry Price to help him celebrate his 87th birthday on Friday. The evening was pleasantly passed in singing, dancing and some music played by Mr. Mockler on a violin he made himself. About half past twelve refreshments were served of sandwiches, cake and coffee. Mrs. F. W. Warnock sent a beautiful decorated birthday cake which was much enjoyed. F. B. Wilson on behalf of the crowd gathered, presented Mr. Mockler with a purse of \$7.50. After being thanked very nicely by Mr. Mockler, who, by the way, is a remarkably bright, active man for his years, all joined in singing For He's a Jolly good fellow. At about two o'clock in the morning the folks went to their homes.

Mrs. F. J. McCluskey was in St. Leonards Friday.

W. S. McCluskey returned from Belfast, Me., Friday where he had been to identify the body found in the Penobscot river in May. Mr. McCluskey is satisfied that it is his brother-in-law, John McConn who has been missing since December.

Mrs. S. Smith was in Edmundston this week.

Mrs. Geo. McMillan and Master Herman left for Old Orchard Maine on Monday.

Mrs. Curless, Mrs. Puddington and Master Jack went to Old Orchard, Monday.

Mrs. Jane Tompkins

Mrs. Jane Tompkins, an old and respected resident passed away on July 6, at her home in Brookville. She had been in fail-

ing health for the past year but had only been in bed about two weeks before she died. She endured her sickness without a murmur which showed her true Christian Spirit. She was 87 years of age; was beloved by all who knew her for her kind and gentle way. Those who mourn the loss of a good mother are one daughter, Mrs. Thomas Jones of Monticello, three sons Willard of Royalton, James of Brookville and William D. with whom she resided. The funeral was held on Monday at 3 p. m. at the Baptist church at Lakeville. The services were conducted by Evangelist F. Foster of Fort Fairfield. The pall-bearers were John Coughle, James DeLong, Jonathan Jones and William Crandlemire of Brookville.

William Lyon

On Saturday, July 13, William Lyon of Glassville passed away at the home of his daughter Mrs. Robert Hovey of Greenfield. He was in the 88th year of his age and had been in failing health for about six months. Deceased was born in the parish of Aberdeen Banffshire, Scotland, on August 25, 1830. In 1860 he came to Canada with the pioneers of Glassville. He settled first in Woodstock, where he worked as blacksmith for three years, and then moved to Glassville where he resided ever since. For many years he was the "village blacksmith" of Glassville and at the same time cleared land and did extensive farming. He was married before leaving Scotland to Miss Jane Taylor of Aberdeen. By her he had 12 children, 10 of whom survive. They are: five sons, Alexander and Albert of Glassville, James and John of Caribou, and Dawson of South Africa; and five daughters, Mrs. Isabella Shannon of Boston, Mrs. Robert Hovey of Greenfield, Mrs. James Hovey of Argyll, Mrs. William Donaghy of Gardiner, Me., and Mrs. Thomas Chapman of Northwood Centre, N. H. He is also survived by a number of grand children and great grand children. Mr. Lyon was a man of true Christian character, an earnest bible student, and a faithful member of the Church of Christ. The funeral was held on Monday afternoon and was largely attended. The remains were conveyed to Glassville. Service was held in the Presbyterian church and was conducted by Rev. M. H. Manuel assisted by Rev. L. Le-

gion. The body was then laid to rest beside that of his wife who died six years ago.

GUARD BABY'S HEALTH IN THE SUMMER

The summer months are the most dangerous to children. The complaints of that season, which are cholera infantum, colic, diarrhoea and dysentery come on so quickly that often a little life is beyond aid before the mother realizes he is ill. The mother must be on her guard to prevent these troubles, or if they do come on suddenly to cure them. No other medicine is of such aid to mother during hot weather as is Baby's Own Tablets. They regulate the stomach and bowels, and are absolutely safe. Sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

The Prospect for Potato Prices is GOOD

Then why let your potatoes rust and rot when you can secure the celebrated Brown Sprayer?

This Sprayer was designed especially for spraying potatoes, beans, celery, or any other field crop that might need spraying.

It derives its power from the wheels by a convenient chain drive that supplies a maximum of power to the pump itself. The sprayer itself is designed to meet with every condition. The wheels can be adjusted so that more than one crop can be conveniently sprayed. The spray boom can also be adjusted covering the variation of width in rows, and can also be raised or lowered in accordance with the height of the plants to be sprayed.

This sprayer will maintain a working pressure of 150 pounds with either four or six row attachment. We do not recommend using this sprayer with more than six nozzles.

The pump proper rests on the axle, doing away with the strain on the frame of the sprayer. The pump is so located that it enables us to build this machine in perfect balance.

The tank or barrel is also located over the axle.

The pump and air chamber are made of heavy iron castings which reduce the breakage to a minimum. This sprayer all the way through, is built of nothing but the best materials.

The frame is of two-inch ash reinforced with angle iron, which insures perfect

alignment; the axle is made of one and three-quarters inch cold rolled steel shafting.

A strong axle is an important feature in a horse-drawn sprayer. The axle of a poorly constructed machine usually breaks when the grower is in the midst of spraying and oftentimes causes expensive and troublesome delays, since when the axle breaks it also allows the weight of the machine to break the axle boxes.

We assure you that there is no danger of the axle on the No. 39 AUTO-SPRAY becoming broken.

The valves and plungers of this pump are of brass and all of the working parts of the pump are easily accessible. The wheels are of hickory and of Sarven pattern. They last indefinitely.

To operate this sprayer after it has been set up it is only necessary to fill the tank and drive fifty or one hundred feet until a satisfactory pressure is produced and then drive over the field.

On flow valve, relief valve, pressure gauge, shutoff are all before the driver's seat.

Allen W. Shaw

On Tuesday July 2 at his home in Middle Simonds, Allen W. Shaw passed to the Great Beyond at the age of 76 years and 16 days. In the passing of Mr. Shaw we lose one of our oldest and highly respected residents, friend, and neighbor. He professed faith in Christ in his younger years and united with the Primitive Baptist church of Simonds, and lived a consistent christian life till the end came, and died with the assurance of a glorious resurrection. He leaves to mourn their loss a sad and lovely wife, two sons Alva of Montana and Oscar L. of Simonds, one daughter, Mrs. Lorne Curtis of Bristol. The funeral was held on Wednesday afternoon from his home to the Primitive Baptist church, being well attended; interment in the church cemetery. The services were presided over by Rev. J. M. Mallory who spoke from words found in Rev. 21-7.

McAuley-Gowan

A very pretty wedding was solemnized at Christ church, St. Stephen, on Wednesday morning, June 19, when Elsie Gowan of Milltown, Me., became the bride of Roy McAuley of Centreville, the ceremony being performed by Rev. Archdeacon Newham. The bride and groom were attended by Mr. and Mrs. Walter Gowan, the bride being daintily attired in blue silk with panama hat. Immediately after the ceremony the happy couple left on the C.P.R. for Florenceville and from there motored to the groom's home in Centreville where that same evening a reception was given at which the immediate friends and relatives of the contracting parties were present. The gifts were numerous and costly consisting of cut glass, linen, silverware etc. The groom's present to the bride was a handsome chain and pendant.

MR. ROBERT NEWTON, Little Bras d'Or, C.B.

"I was a terrible sufferer from Dyspepsia and Constipation for years. I had pain after eating, belching gas, constant headaches, and did not sleep well at night. I lost much weight—going from 165 pounds to 145 pounds—that I became alarmed and saw several doctors who, however, did me no good. Finally, a friend told me to try 'Fruit-a-tives'.

In a week, there was improvement. The constipation was corrected; and soon I was free of pain, headaches and that miserable feeling that accompanies Dyspepsia. I continued to take this splendid fruit medicine and now I am well, strong and vigorous".

Revival at Lakeville

Evangelist Foster of Ft. Fairfield assisted by Evangelist Lee Good, gospel singer of Monticello, have been holding revival services at Lakeville Baptist church for two weeks. The power of God to save souls has been abundantly manifested. The church filled to the doors at nearly every service, many turning from sin to seek eternal life. At the close of the campaign baptism was administered to twelve candidates. The service was union, in which the Rev's Johnson (pastor), Williams (of Blaine), Manuel and Foster took part. Evangelist Foster is an able and convincing speaker and God wonderfully blesses his work.

Fordson Tractors

I have been appointed Distributor for the FORDSON TRACTOR on this territory.

This is the Tractor which, in competition with all others, was selected by the British Government as being the most efficient and economical. They purchased 6,000 for use in the British Isles this summer.

It was this Tractor which was selected by the Canadian Food Board as being the one best adapted to Canadian needs when they contracted for 1,000 for this spring's seeding in Canada.

Orders for this 1,000 came in so fast that 1,078 were actually distributed on this contract.

They were distributed as follows:—

Saskatchewan.....	349
Alberta.....	327
Ontario.....	200
Manitoba.....	143
British Columbia.....	20
Nova Scotia.....	14
Quebec.....	9
Prince Edward Island.....	6
New Brunswick.....	6

1,078

Of the five which came to New Brunswick—

One is being used on the farm of the Hon. F. B. Carvell, Woodstock.

One is being used on the farm of L. E. Young, Woodstock.

And one is being used on the farm of Peter Bertelson, Grand Falls.

These are giving absolute satisfaction.

During the past two seasons I have seen these Tractors at work in Nova Scotia, Ontario and New Brunswick. I have seen one drawing two plows, plough an acre of sod in an hour, and keep it up all day long.

It is a Kerosene burner.

I have only eight or ten of these Tractors for this fall's ploughing, as the West will take every tractor available. It will pay you to place your order early.

There is a fine opportunity for one man in each locality to buy a tractor for community work.

Don't delay. Place your order now.

Sheep on Every Hill Side in New Brunswick

The New Brunswick Government through the Department of Agriculture has arranged with the Chartered Banks to help the Farmers—where assistance is needed—to buy Sheep.

The Department will not only arrange to buy Sheep FOR the Farmers, but will also buy good breeders FROM the Farmers—in other words, this branch of the Agricultural Department WILL SUPERVISE ALL PURCHASES AND SALES OF SHEEP.

IF A FARMER NEEDS CREDIT TO BUY SHEEP he should consult his local banker who has the necessary forms.

If you cannot buy sheep in your locality, inform the nearest banker who will notify the Agricultural Department, or, better still, notify the Department yourself and say how many Sheep you want.

KEEP YOUR EWE LAMBS

Every Ewe Lamb, Weighing 80 pounds and over and of reasonable quality, should be retained by farmers for breeding purposes. Sell the males and the inferior females for butcher purposes. If you have more ewe lambs than required, induce your neighbor to purchase.

THE VALUE OF WOOL

Unwashed wool of the best quality brought 80 cents a pound this spring, or about \$5.00 a fleece.

SIXTY MILLION SHEEP

Have been lost in Europe since the war started. Wool in enormous quantities is now required to clothe the soldiers, it will take an immense quantity to reclothe the returned men in civilian dress. Prices will likely be high for ten years.

New Brunswick has the pasture, hay, roots and a climate suited to sheep. Every farmer should consider investing in a small flock as a foundation. The first year will give approximately \$4.00 worth of wool per sheep, the sheep will cost about \$15.00. Is it not a good business proposition?

If you cannot purchase locally, place your order with your banker. Orders will be filled, if possible, in the order filed at this office through the banks.

Lower Brighton

Intended for last issue
Mrs. Geo. Tiedie and daughter Sarah are attending the Boulah Camp meetings.
Wallie Birmingham, Judd McGee and Frank Nixon with their families attended the farmers' picnic at Woodstock on Friday last.
Mrs. Wm. Hale, Pembroke, has been visiting friends and relatives here during the past week.

Mr. and Mrs. Robert Hovey, Greenfield, spent Sunday with their daughter, Mrs. F. K. Brown.

Mrs. Calvin Jones, Avondale, spent a few days last week with her sister here, Mrs. J. B. Nixon.

Jas. McClary and daughter, Mrs. Wm. Grant, are visiting friends and relatives at McAdam.

On Thursday afternoon there was a picnic at the school house for the school. After lunch, Mrs. B. W. Brown in behalf of the pupils, in a few chosen words, presented the teacher Miss Aurilla Gibson with a beautiful fountain pen. Miss Gibson will be missed by both parents and pupils.

Arnold Brown, while working in the brick yard at Grafton, Saturday, had the misfortune to hurt his arm.

I hear a great many complaining about the bread made from this war flour being so poor, "not fit for a dog to eat," as some express themselves. The cook has just informed me that she puts 1 tablespoonful of shortening and 2 tablespoonful of sugar in her bread sponge when she mixes the bread up hard, and the bread keeps nice and moist as long as it lasts, four or five days. She also butters the loaves when taken from the oven, and this softens the crust, then nothing can be wasted.

The biggest ball game of the season is due on the new diamond, "Riverside Park," tomorrow evening at 7 sharp. It will be a sharp game as the visiting team, from Mars Hill, are jealous of the reputation they have earned this summer.

The Women's Institute will have a public meeting on Friday evening, July 26, when Mrs. J. W. V. Lawlor, president of St. John Housewives League, will give an address. She is a pleasing speaker and very full of enthusiasm. There will also be a short musical program. Admission free.

Woodstock Sentinel: A citizen who made the trip from Houlton in 35 minutes, by auto, advises hitting the man, who is complaining of the roads, over the head with a sledge hammer. Why the head? Why not deliver the blow on some part of the anatomy where it will do some damage and not break the sledge hammer.

Harry D. Chambers of Woodstock is getting out a large number of spruce and tamarack ship knees for different shipbuilding yards in the United States. He has been in the business two years. There is much demand for lumber of the kind mentioned and Mr. Chambers has already contracts for 100 cars of ship knees and wants 100 more to be delivered this year. The planing mill is at McAdam Junction.

In connection with the completion of shipment of 6,000 Fordson Tractors to Great Britain by Henry Ford & Son, it is interesting to notice that Messrs. Ford's London manager, Percival Petty has been knighted by the Imperial Government for his services in connection with the sale, importation and distribution of this most wonderful tractor. It is conceded that the importation of these tractors into Great Britain at this critical time will do more than any one agency toward provisioning the mother country the coming season.

In Canada the most essential industry at the present time is agricultural. Food production is a necessity of the summer of 1918 and the saving of the harvest is the necessity of the present moment. More than 65,000 able-bodied men, in addition to the men already employed on the land, such as the Soldiers of the Soil and the boys and women of other organizations will be needed to save the crops this season. There is no room for loafers; no time for idlers and there should be no mercy for tramps and mere pool-room sports.

PROTECTION FOR CENTREVILLE

May Instal Chemical Engines—Aged Lady Dies—Killed by Lightning

The ratepayers of the village met in a most interesting session at their annual school meeting on Monday morning, July 8. The large number present attested the increased interest that is being taken in school affairs of late. The sum of \$1800 was voted for school purposes for the ensuing year, Dr. E. R. McClintock was elected to fill the office of trustee, Howard Reid retiring, LeRoy T. Lee was elected auditor. The principal, L. H. Baldwin, continues in charge.

A good-sized audience greeted the players when the curtain rose on "Hooligan's Troubles" a comedy drama put on by the Palmer Amusement Co. in the Opera House on Saturday evening. The title seemed rather a misnomer, for your correspondent noted that all the rest of the cast had apparently many more troubles than Hooligan.

The members of Centre Lodge I. O. O. F. met in their Lodge rooms on Sunday afternoon and marched in procession to the United Baptist church. An eloquent address of a fitting nature was given by Rev. W. J. Hurlow. The poor roads prohibited the presence of a large contingent of visiting brethren from Brunswick Lodge at Woodstock.

A representative gathering of our townspeople met Mr. Rutledge, chief of the Fredericton fire department, in an interesting discussion in the Opera House on Friday evening. The consideration in question was the best means of an adequate fire protection for our town. A demonstration of the efficacy of the chemical engine now greatly in vogue was given on the square. At the close of the meeting a committee was appointed to give the matter further attention. This seems a step in the right direction.

Dr. Brown is occupying the Harold residence in Centreville East, pending the erection of a new home on the old lot. Rev. J. B. Champion and Rev. F. A. Wightman of Florenceville exchanged pulpits for the Sunday of July 7. Mr. Champion spent a few days in St. John this week. Another good old lady has gone home in the passing of Mrs. Benjamin Burt of Jacksonton. Despite the weight of 98 years the venerable lady retained all her faculties clearly to the last, and her many reminiscences of the dim past were enjoying by all who met her. Mrs. W. J. Webb of our town is a daughter.

The Misses Margaret and Elizabeth Henderson of St. John arrived at the home of S. W. Burt for a two week's visit on Saturday.

Miss Daisy Burt, spent Friday and Saturday at Aroostook Jet and Fort Fairfield.

Miss Vera Sloot returned from St. John on Friday.

During a heavy shower Saturday morning Havelock Crabb of Mars Hill, a former resident of this vicinity, was struck and instantly killed by lightning.

Strain-Phillips

A marriage of much interest took place at the residence of Byron Emery, Jacksonville, on Saturday afternoon, when Robert Strain, manager of the Manzer Department store, to Miss Mabel

McLeod Phillips, daughter of the late Rev. Dr. C. T. Phillips, one time pastor of the Baptist church in this town. Rev. L. A. Fenwick officiated at the ceremony.

The bride was arrived in a traveling suit of ecru color broadcloth, and only the immediate relatives were present. Mr. and Mrs. Strain left on a bridal tour of a few weeks to Boston and other American cities. Returning they will reside at Woodstock.

Tired and Discouraged

Mrs. Warren Randles, Rousesay, Kings County, N. B., writes, "I have three small children and had to stay in the house all winter. So when spring came I was all run down doing all my work and looking after the children. I felt all tired out, and looked on the gloomy side all the time. I decided to try Dr. Chase's Nerve Food, and the results were most satisfactory. I feel fine now, and am recommending the Nerve Food to others."

YOUR CUP OF TEA

Your cup of Tea means much to you. It is more than an item in the daily fare. It is the one thing that "rounds off"—or spoils—an enjoyable repast. Tea is fortunately so cheap in this country that there are few who cannot afford Choice Tea. The cost per pound is only slightly higher than ordinary Tea, while the increased pleasure you get from every cup you make is worth many times the difference. It is true also, that a FLAVOR-FULL Tea like KING COLE Orange Pekoe will actually spend further—that is, make more cups to the pound. KING-COLE Orange Pekoe is prepared particularly for lovers of Choice Tea.

WHEN YOUR COLOR FADES

When a girl—or a woman—finds her color fading, when her cheeks and lips grow pale, and she gets short of breath easily and her heart palpitates after slight exertion, or under the least excitement, it means that she is suffering from anemia—thin, watery blood, headache and backache frequently accompany this condition, and nervousness is often present.

The remedy for this condition is to build up the blood, and for this purpose there is no medicine can equal Dr. Williams' Pink Pills. They build up and renew the blood, bring brightness to the eyes, color to the cheeks, and a general feeling of renewed health and energy. The only other treatment needed is plenty of sunlight, moderate exercise and good, plain food. The girl or woman who gives this treatment a fair trial will soon find herself enjoying perfect health.

You can get Dr. Williams' Pink Pills from any dealer in medicine, or by mail, post paid at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Used for Shaving

Many men are troubled more particularly in the cold weather, with a sort of roughness of the skin or eczema caused by shaving. The application of Dr. Chase's Ointment after the shave soon cures the trouble and by using it after each shave you keep the skin soft and prevent irritation and soreness. Because of its antiseptic qualities this ointment prevents and cures Barber's Itch.

Your Health

Depends upon the condition of your Teeth and Gums. Good Teeth and Healthy Gums mean GOOD HEALTH. In having Dental work done, have the best and always remember the man with a long experience is the one who can give you the best, as EXPERIENCE is the great teacher. What better do you want than to have a guarantee that all fillings, crown, bridge work and artificial teeth put in by Dr. Manzer will wear you 10 years? The next time you require Dental work of a high class, done in a most modern and up-to-date office, come to the office of Dr. Manzer, where there isn't anything to good for his patients.

His motto is quality and not quantity of work. Office at his residence, Chapel street, which faces the Post Office and is opposite the Turner House and Armoury Woodstock, N. B.

Office hours: any time day or night and Sundays.
