

The Hantsport Acadian

DEVOTED TO THE INTERESTS OF HANTSPORT AND VICINITY

HANTSPORT HAPPENINGS

Mr. Kenneth McKenzie, of Acadia University, was the week end guest of Mrs. J. W. Churchill and Mrs. Laura Rice, "The Cedars".

Miss Laura Lane, of Morden, Kings county, is visiting her grandfather, Mr. J. W. Lawrence.

Mrs. Ervin Pattison and child left recently for Detroit Michigan, where she will join her husband who preceded her for several weeks.

Messrs. A. R. Holmes, of Toronto; G. A. Holmes, of Philadelphia; and Mrs. W. W. Clark, Kentville, were in town on Wednesday of last week attending the funeral services of their father, the late Capt. G. L. Holmes.

Mrs. B. Davison, who spent two months in Boston at the home of her son, Mr. E. C. Davison, returned home on Tuesday.

Mrs. Chas. Dunbar returned to Hantsport last week from Halifax, where she spent the winter months.

Mrs. McSweeney and daughter, of U.S.A., are guests at the home of Mr. and Mrs. Maurice Smith. Mrs. McSweeney was formerly Miss Edith Wheaton, of Hantsport.

Mr. and Mrs. Cyril Duncanson, of Grand Pre, spent Sunday at the home of Mr. Duncanson's parents, Mr. and Mrs. S. Duncanson, Cottage Hill.

The funeral service of the late Capt. George L. Holmes, who passed away at the home of his daughter, Mrs. W. W. Clark, Kentville, on Thursday, April 16th, after several weeks' illness, was held on Wednesday afternoon, April 22nd, from the Baptist church, conducted by the pastor, Rev. Z. L. Fash, assisted by Rev. R. Ross, pastor of the Baptist church, Kentville. The choir rendered the hymn, "Beautiful Isle of Somewhere", "Asleep in Jesus". The male quartette gave two selections "I shall find my Saviour There" and "We are Going Down the Valley". The pall bearers were Messrs. W. Wellwood, L. V. Marsters, A. Newcombe, N. E. Coldwell. The floral offerings were profuse and beautiful. Interment was in River Bank cemetery.

Mrs. H. L. Smith was hostess to the XII's at her home last evening.

News has been received by his sister, Mrs. G. P. Churchill, of the transfer from the Grace Line of Steamships to that of the Pacific Mail line, of Captain Max Welton Cochrane, of Hantsport, who sailed in command of the passenger steamer, "President Taft", from San Francisco to Hong Kong, China, on Saturday 18th. Since his retirement from the Grace Line Captain Cochrane has occupied the position of assistant portmaster of San Francisco, and has the honor of being the youngest of all the sea captains who claim Hantsport as their place of nativity to have obtained a captain's certificate.

Mrs. (Capt.) Asa Davison left Monday morning for Boston, where she will be joined by Captain Davison, and they will proceed to Washington. Mrs. Davison will be absent about ten days.

The ordinance of baptism was administered to eleven candidates Sunday evening in the Baptist church. The altar was decorated with cut flowers, potted plants and ferns and the ceremony was witnessed by a large number of church members. The pastor, Rev. Mr. Fash, preached a very forceful and appropriate sermon. Special music was furnished by a large choir assisted by the male quartette, with Miss Claire McDonald at the organ.

Edwards Lodge, I.O.O.F. held their annual church service Sunday evening. The members of the order marched from their lodge rooms to the Anglican church where they were joined by Helping Hand Rebekah Lodge and proceeded into the church which was decorated with lilies and ferns. Rev. Mr. Cribb, of Paimouth, was the speaker. A large audience listened with intense interest to his remarks. Special music was furnished by a large choir, with Mrs. F. C. Coffil at the organ.

The snow-storm last week afforded an opportunity to haul in to the mill of the Hantsport Fruit Basket Co. a quantity of logs that were held up by the unusual early opening of spring. Teams were in action at a very early hour on Tuesday morning and a large supply of material was landed in the mill-yard before the snow made its departure. The mill was in starting this season but since March 10th it has been running full time and will be prepared to supply all demands that are made upon it for the finished product.

The announcement that The Harry Murray Players, of Stellarton, who last November toured the section and presented "The Rosary" so successfully to good houses, is to broadcast the play from Moncton on May 5th, will be of special interest to readers of the Hantsport Acadian, because of the fact that a member of the company, Mrs. Millage Oulton, was formerly Miss Grace Burgess, of this town. Mrs. Oulton, who is a graduate of Acadia Seminary in the class of '06 and is a vocalist of much merit, will sing on that occasion, as well as Mr. Stewart, and Mr. Murray will render a number of comedy selections. Local radio fans should not fail to listen in.

ground in crossing, but soon backed off and about 3 p.m. we entered St. Clair River. The land on each side is low and flat, and for the most part covered with a thick forest, with here and there a little town or village just springing up.

14th. All this day running up Lake Huron with thick fog. The water in the lake is clear and blue like the ocean. Towards evening the fog cleared off and about 7 p.m. we arrived at Mackinaw where there is an U. S. Arsenal. The passengers went up to the fort, which is situated on a high bluff at the back of the village. This is the most picturesque place I have seen yet on the lakes. The principal business carried on here is fishing.

15th. This day again thick fog. We ran into Sheboygan, Wisconsin, about six o'clock, which place we were enabled to find by the people ringing a bell ashore. The next place we stopped at was Milwaukee; went to bed about 8 o'clock but was awakened in the night by the boat running ashore, which cost them several hours work to get off again.

16th. Landed this day at Racine and went to a public house where we stopped till Tuesday. This is a flourishing place; it is scarcely twelve years since it was first settled. It will soon rise to consequence among the cities of the West. On Monday evening I took a stroll along the lake shore out of town. It was a beautiful evening. Young women on fine horses accompanied by young men rode gaily along the streets; the clear lakeside distance with not a breeze to disturb it, and the fine oak woods presented a beautiful picture.

June 19th. Chicago, Ill. On Tuesday we took the steamboat, "Sam Ward", and after a pleasant run up along the shore we arrived here in the evening and immediately shipped aboard the "Robert Emmet".

July 8th. We are now ashore at a boarding house in Chicago. We had quite a pleasant trip up to the Manitou's, only Curry got sick and had to go to a boarding house; when we returned I having sprained my ankle, was obliged to lay by a few days also. (Concluded in next issue)

COUNCIL HOLDS SPECIAL MEETING

A special session of the Council was held on Wednesday evening at which no representative of THE ACADIAN was present, as no notice was given of the meeting.

The following particulars have been kindly furnished us by Town Clerk Ford:

The special committee appointed to revise the rate-roll reported, approving of the same. The report was adopted and June 1st was fixed as the date for payment of taxes in order to secure the 2 1/2 per cent. discount. Interest at the rate of 6 per cent. will be charged on all taxes after that date. The school rate was fixed at \$1.54 on the hundred dollars.

The Poor Committee recommended the payment of five dollars per week for six weeks for special treatment at the Children's Hospital, for a child whose parents are unable to provide same. An equal amount will be paid by the V.O.N.

The Council met as a Building Committee to consider the following applications:

T. E. Hutchinson asked for permission to build an addition to the old blacksmith shop near the rink, to be used as a stable. L. E. Duncanson applied for a permit to build a small barn and garage combined at the rear of his residence on Main street. Both these requests were granted on condition that applicants comply with the building by-laws.

An application was received from H. E. Gates for permission to erect three residences on Gasperau avenue, which permission was granted.

OUT ON THE FARM

The freshman was spending Saturday afternoon on the farm owned by his sweetie's papa and the scenery filled him with romance. They were walking through the pasture when he noted a cow and calf rubbing noses. He stopped and smiled.

"Such a loving sight," he said to the girl, "makes me want to do the same thing."

"Go ahead," the girl said, "it's pa's cow and he won't care."

Mr. Fred Carey, of Bear River, spent the week end with his father, Charles Carey.

HARRIS CAREY

Harris Carey, a highly esteemed resident of Avonport, and well known farmer and fruit grower, passed away at the Payzant Memorial Hospital, Tuesday, April 21st, after undergoing a serious operation, aged 54 years. His wife predeceased him just eighteen months. He leaves four sons and one daughter, William, Murray, Truman, Roy and Eva; three brothers, Charles, and Gilbert, at home, and Howard in Massachusetts; three sisters, Mrs. Harvey, Mrs. Greeno, Hantsport, and Mrs. Brown, Massachusetts. He also leaves a very aged mother who has been long confined to her bed and will miss the care of a devoted and loving son. Interment was in the Brooklyn cemetery.

Many should enjoy this service. Church was very prettily decorated on Sunday with potted plants in bloom.

The ringing of the bell of the Baptist church across at Port Williams on Monday morning caused those who heard it to at once think of fire, and thus it proved. The barn of Mr. Justin Gates was completely burned and the house damaged inside with smoke, as well as the end toward the barn badly burned. The fire was caused by the automobile catching on fire, which was in the garage in one end of the barn. Much sympathy is felt for Mr. and Mrs. Gates over their heavy loss.

NEW TOM MIX PICTURE PRE-TENTIOUS PRODUCTION

-A Special-

Admirers of Tom Mix, with the inseparable Tony and the more recent co-star, Duke, the dog, will have the opportunity to see their favorite in a new wonder picture when "Teeth" comes to the Orpheum Theatre next Monday and Tuesday. In this, his latest vehicle, he appears as Dave Deering, a happy-go-lucky wandering prospector, a lover of his horse Tony, and later a dog Duke, that he finds sorely wounded. From this point the story moves with intensified action, with many realistic scenes, one vivid feature being a real forest fire. It is an ideal vehicle for Mix.

"Teeth" was directed by J. G. Blystone for William Fox and was adapted from "Sonny", the popular novel by Virginia Hudson Brightman.
