HELPING CANADIAN COMPANIES SUCCEED ABROAD

As part of Foreign Affairs and International Trade Canada, the Trade Commissioner Service is a network of more than 900 trade commissioners working in Canadian embassies, high commissions and consulates located in over 140 cities around the world and in 12 regional offices across Canada. We promote Canada as a dynamic partner for business, investment and science and technology. The Trade Commissioner Service works with Canadian companies that can demonstrate their commitment to succeed in the global marketplace. Once you have researched and selected your target market, trade commissioners can help you.

Services in Canada

From Trade Commissioner Service regional offices, Canadian companies can obtain practical advice on market entry strategies and up-to-date market and sector information to help smooth the way to exporting and to diversifying export markets. Doing business abroad?

It pays to have the right connections.

Canadians doing business abroad need reliable contacts with in-depth knowledge and local know-how. Finding the right people can be challenging. Finding the wrong ones can be costly.
