Baccalaureate Address

E. W. BEATTY, K.C., L.L.D., D.C.L.

Service Conducted by

THE REV. PRINCIPAL F. SCOTT MACKENZIE, M.A., Th.D., D.D.

ORDER OF SERVICE

Call to Worship and Invocation, all standing.

The earth is the Lord's, and the fulness thereof: the world and they that dwell therein. O worship the Lord in the beauty of holiness: let the whole earth stand in awe of Him.

Almighty God, who art the Source of all blessing, and who art always near to those who seek Thee, grant us in every circumstance the grace to ask what Thou wouldst have us to do. May Thy spirit of wisdom save us from all false choices. In Thy light may we see light, and in Thy straight path may we not stumble, through Jesus Christ our Lord.

Amen.

HYMN

All people that on earth do dwell,
Sing to the Lord with cheerful voice;
Him serve with fear, His praise forth tell,
Come ye before Him, and rejoice.

The Lord, ye know, is God indeed;
Without our aid He did us make;
We are His flock, He doth us feed,
And for His sheep He doth us take.

O enter then His gates with praise,
Approach with joy His courts unto;
Praise, laud, and bless His name always,
For it is seemly so to do.

For why? the Lord our God is good;
His mercy is for ever sure;
His truth at all times firmly stood,
And shall from age to age endure. *Amen.*

SCRIPTURE LESSON

Proverbs 3: 1-6, 13-18. Revelation 21: 1-7.

PRAYER

Closing with the Lord's Prayer in unison.

HYMN

O God, our help in ages past,
Our hope for years to come,
Our shelter from the stormy blast,
And our eternal home;

Under the shadows of Thy throne
Thy Saints have dwelt secure;
Sufficient is Thine arm alone,
And our defence is sure.

Before the hills in order stood,
Or earth received her frame,
From everlasting Thou art God,
To endless years the same.

A thousand ages in Thy sight
Are like an evening gone,
Short as the watch that ends the night
Before the rising sun.

Time, like an ever-rolling stream,
Bears all its sons away;
They fly, forgotten, as a dream
Dies at the opening day.

O God, our help in ages past,
Our hope for years to come,
Be Thou our guard while troubles last,
And our eternal home. *Amen.*

BACCALAUREATE ADDRESS

E. W. BEATTY, ESQ., K.C., L.L.D., Chancellor

HYMN

Fight the good fight with all thy might;
Christ is thy strength, and Christ thy
right;
Lay hold on life, and it shall be
Thy joy and crown eternally.

Run the straight race through God's good
grace;
Lift up thine eyes, and seek His face.
Life with its way before us lies;
Christ is the path, and Christ the Prize.

Cast care aside; upon thy Guide
Lean, and His mercy will provide;
Lean, and the trusting soul shall prove
Christ is its life, and Christ its love.

Faint not, nor fear; His arms are near;
He changeth not, and thou art dear;
Only believe, and thou shalt see
That Christ is all in all to thee.

Amen.

Benediction

McGILL, ALMA MATER

Hail Alma Mater, we sing to thy praise
Great our affection, tho' feeble our lays;
Nestling so peaceful and calm 'neath the hill
Fondly we love thee our dear old McGill.

30th March 1936

Dear Harrington,

I am honoured by the suggestion made by the Graduating Students through their Convocation Committee that I should deliver the annual Baccalaureate Address on Sunday the 24th May in Moyse Hall. It will be a great pleasure for me to do this and I accept the suggestion very readily.

Yours sincerely,

Conrad Harrington, Esq.,
Chairman 1936 Convocation Committee.

24 Ramzay Road,
Westmount.

27.3.36.

To:-

Principal A.E. Morgan,
Mc Gill University,
Montreal.

Dear Sir,

it is my privilege to extend to you
on behalf of the graduating students of
Mc Gill, as represented by their
Convocation Committee, an invitation to
deliver the annual Baccalaureate address
on Sunday May 24th. at 11 a.m. in
Moyse Hall.

May I also express the hope that
this will be but the first of many

2.

similar occasions, and that succeeding classes of graduates will have the pleasure of being addressed by you as their principal before they leave this their Alma Mater which should mean so much to them.

Trusting that you will be able to accept this invitation,

I remain,

Very sincerely yours,

Conrad F. Huntington,

Chairman.

1936 Convocation Committee.

RECEIVED

MAY 20 1936

18. 5. 36.

Principal A. E. Morgan M.A.,
Mc Gill University,
Montreal.

Dear Sir,

it is my pleasant duty to extend to
you the most sincere thanks of the
Convocation Committee for the address
you gave the graduating students at
the Baccalaureate Service yesterday.

I regret that a larger attendance
did not show up, as my personal view
is that the Baccalaureate Service could
be made into one of the most important &

significant events ^{2.} in connection with graduation — however, it has been said that "You can lead a horse to water, but you can't make it drink" — I hope that future Convocation Committees will find a method of ensuring a better attendance, and those who did not come missed a most interesting & thought - provoking address, in any case!

Thanking you again, & trusting that you & Mrs. Morgan will have a very enjoyable vacation,

I remain,

Yours very truly,

Comas Harrington,

(Chairman, Convocation Committee)

Dr. Mackenzie, Presbyterian College:

He is asked by students to take bacalaureate service.

Here is last year's programme.

Would you like any special hymns or scripture reading?

If so, he would be delighted to know what,

If not, he will make his own selection.

The service has to be kept fairly undenominational, many Jews, etc.

But to my mind it is usually of late years much too abrupt.

One is no sooner in than out. It lasts from half an hour to

three-quarters. You can see here that this is all very very

short except for your own address. If you only speak 10 minutes

it makes the whole affair very brief. There is also the likelihood

that many people might attend when they know you are to speak

this year, particularly as you have spoken so seldom in Montreal as yet.

Baccalaureate Address

A. E. MORGAN, M.A., LL.D., *Principal and Vice-Chancellor*

Service Conducted by

THE REV. PROFESSOR R. K. NAYLOR, B.A.

ORDER OF SERVICE

Call to Worship and Invocation, all standing

The earth is the Lord's, and the fulness thereof: the world and they that dwell therein. O worship the Lord in the beauty of holiness: let the whole earth stand in awe of Him.

O God, the source of all good gifts, we thank thee for the rich heritage which is ours in thy holy Catholic Church. Thou hast done much for us already and we believe that thou hast also much to give and teach us in our own time. Grant that thy Church may never settle down to mere contentment with the tradition of the past. Grant that it may be alive to all new movements of thy Spirit in the hearts and minds of men. May it stand always for the removal of injustice and the vindication of righteousness and truth; through Jesus Christ our Lord. *Amen.*

HYMN

Praise, my soul, the King of heaven;
To His feet thy tribute bring;
Ransom'd, Heal'd, restor'd, forgiven,
Who like me His praise should sing?
Praise Him, Praise Him, Praise Him,
Praise Him,
Praise the everlasting King.

Praise Him for His grace and favour
To our fathers in distress;
Praise Him, still the same forever,
Slow to chide and swift to bless;
Praise Him, Praise Him, Praise Him,
Praise Him,
Glorious in His faithfulness.

Father-like He tends and spares us;
Well our feeble frame He knows;
In His hands He gently bears us,
Rescues us from all our foes;
Praise Him, Praise Him, Praise Him,
Praise Him,
Widely as His mercy flows.

Frail as summer's flower we flourish;
Blows the wind and it is gone;
But while mortals rise and perish,
God endures unchanging on;
Praise Him, Praise Him, Praise Him,
Praise Him,
Praise the high eternal One.

Angels help us to adore Him;
Ye behold Him face to face;
Sun and moon bow down before him;
Dwellers all in time and space;
Praise Him, Praise Him, Praise Him,
Praise Him,
Praise with us the God of grace.

Amen.

SCRIPTURE LESSON

I Peter 2: 11-17. Philippians 4: 4-8.

PRAYER

Closing with the Lord's Prayer in unison

HYMN

Lord of heaven, and earth, and ocean,
Hear us from Thy bright abode,
While our hearts, with deep devotion,
Own their great and gracious God;
Now with joy we come before Thee,
Seek Thy face, Thy mercies sing;
Lord of life, and light, and glory,
Guard Thy Church, and guide our king.

Peace and health, and every blessing,
Are Thy bounteous gifts alone;
Comforts undeserved possessing,
Here we bend before Thy throne;
Young and old, O God, before Thee
Their united tribute bring;
Lord of life, and light, and glory,
Shield our land, and save our king.

Thee, with humble adoration,
Lord, we praise for mercies past;
Still to this most favoured nation
May those mercies ever last;
And Thy servants still before Thee
Songs of ceaseless praise will sing;
Lord of life, and light, and glory,
Bless Thy people, bless our king.

Amen.

BACCALAUREATE ADDRESS

A. E. MORGAN, M.A., LL.D., *Principal and Vice-Chancellor*

HYMN

Lead on, O King Eternal:
The day of march has come;
Henceforth in fields of conquest
Thy tents shall be our home:
Through days of preparation
Thy grace has made us strong;
And now, O King Eternal,
We lift our battle-song.

Lead on, O King Eternal,
Till sin's fierce war shall cease,
And holiness shall whisper
The sweet Amen of peace;
For not with swords loud clashing,
Nor roll of stirring drums,
But deeds of love and mercy,
The heavenly Kingdom comes.

Lead on, O King Eternal:
We follow, not with fears;
For gladness breaks like morning
Where'er Thy face appears:
Thy Cross is lifted o'er us;
We journey in its light;
The crown awaits the conquest;
Lead on, O God of might.

Amen.

Benediction

O worship the King, all glorious above;
O gratefully sing His power and His love;
Our Shield and Defender, the Ancient of days,
Pavilioned in splendour, and girded with praise.

Thy bountiful care what tongue can recite?
It breathes in the air, it shines in the light;
It streams from the hills, it descends to the plain,
And sweetly distills in the dew and the rain.

Frail children of dust, and feeble as frail,
In Thee do we trust, nor find Thee to fail:
Thy mercies how tender, how firm to the end,
Our Maker, Defender, Redeemer and Friend.

O measureless Might, ineffable Love,
While angels delight to hymn Thee above,
The humbler creation, though feeble their lays,
With true adoration shall lisp to Thy praise.

Amen.

PRAYER

Supreme in wisdom as in power
The Rock of Ages stands,
Though Him Thou canst not see, nor trace
The working of His hands.

He gives the conquest to the weak,
Supports the fainting heart;
And courage in the evil hour
His heavenly aids impart.

Mere human power shall fast decay,
And youthful vigour cease;
But they who wait upon the Lord
In strength shall still increase.

They with unwearied feet shall tread
The path of life divine,
With growing ardour onward move,
With growing brightness shine.

On eagles' wings they mount, they soar—
Their wings are faith and love—
Till, past the cloudy regions here,
They rise to heaven above.

Amen.

Forth in Thy name, O Lord, I go,
My daily labour to pursue;
Thee, only Thee, resolved to know,
In all I think, or speak, or do.

The task Thy wisdom hath assigned,
O let me cheerfully fulfil:
In all my works Thy presence find,
And prove Thy acceptable will.

Thee may I set at my right hand,
Whose eyes my inmost substance see;
And labour on at Thy command,
And offer all my works to Thee.

Give me to bear Thy easy yoke,
And every moment watch and pray,
And still to things eternal look,
And hasten to Thy glorious day.

My dear Dr. Reid,

Thank you so very much for your kind letter.

I appreciate your references to my baccalaureate address, but I do indeed realize that I could have said a great deal more than I did and that I probably left out many things. That is the worst of extemporaneous addresses - so much always remains that there was not time to include.

Yours sincerely,

Dr. W. D. Reid,

My Dear Principal Douglas:-

I drop you this line to say how deeply I appreciated the service of yesterday morning in the Ingersoll Hall, and your splendid address on character.

I myself am a graduate and member of forty eight years standing, having gone forth from McPhee in 1890. I afterwards graduated from the Presbyterian College Montreal, B.D. and D.D. and M.A. from Harvard. Fifteen of our class carry the McPhee degree. I have been Pastor of Stomly Presby. Church for twenty five years and resigned last year because of reaching the Pension age. Was born a few miles from where your father was born in the old City of Quebec.

This is perhaps rather a long introduction but I thought you might be interested in it. One son graduated four years ago, now assistant in the University of Pennsylvania, another graduates this week.

Yes, I enjoyed the service very much especially its simplicity. No pills or feathers. I enjoyed immensely your address - its simplicity - its practicalness - its directness - its common sense. It reminded me of the addresses the Principal of my day Sir William Dawson used to give us. I know you will pardon me if I say that I was a little disappointed that in the closing of your fine address, you did not intimate that after all real character is based upon an intelligent belief in an all-wise righteous ruler of the Universe - God - and the real ethics of life as found in the teaching of Jesus Christ. This I very firmly believe. That is the real foundation of character. Again congratulating you and hoping to meet you soon. One of the McPhee family (Peter) W. Reid

Dear Lady Peterson,

I am enclosing a letter and account from Richard G. Badger, Boston, which was received at the end of last week but which I kept in order to look up the correspondence. I am now enclosing a copy of the letter which Sir William asked me to write and sign for him, together with Mr. Badger's original account and the Post Office receipt for \$1.62. I hope that these will help you to straighten out the matter. Very likely they have received the amount but through carelessness it has not been entered on their books. They might ask at the Post Office in Boston, as an advice as to the Post Office Order should have been received there.

Yours sincerely,

Margaret J. Field

Dear Sir Arthur

The writers name may
have slipped your memory
in these busy years -

It used to be that I was
with your Corps in France -
and later helped to
make the Canadian Legion -

I hope my letter which
is going out to many college
heads is not too impossible
and I realize that at
home the habit has been
to go to the woods -

It is that we might
help forge a cultural
link between these lands
and Canada. I am hoping
to see ways of doing so -
I will value your judgment
greatly upon.

Yours always

Dear Sir,

We are anxious to acquire some information relative to the requirements for summer school purposes and, if possible, to make such adjustments in our amenities in Nassau as will permit us to place before the leaders of the educational field their availability for such a programme.

Nassau in the Bahamas is, as you doubtless know, accessible to the United States through New York, Jacksonville, and Miami. It has a rich historical background linked up to that of the Americas from the sixteenth century onwards. It has various scholastic and hotel properties which from July to September would be available for study groups.

Climatically it would permit outdoor class work in the tree and palm shaded courts and gardens and from an economical viewpoint to those undertaking extra mural work.

Your name was suggested to us as one likely to advise upon the matter and we take the liberty of writing to ask your opinion.

Thanking you,

Yours faithfully,

Hugh Bell

Dear Mr. Bell,

I have read your letter of July 3rd with reference to your hopes of establishing in Nassau some sort of educational centre.

The success of such a venture would largely depend upon what you have to offer. One cannot ignore the fact that in recent years many more of our people have formed the habit of taking their vacation in the Bahamas, and I daresay if you are able to offer an attractive programme from an educational point of view, the venture might prove successful.

When your plans are completed, I shall be pleased to let them be known, by giving them as much publicity as we can. One would do everything possible to cement further the ties that bind us to that part of the Empire we call the West Indies.

Ever yours faithfully,

Principal & Vice Chancellor,

Dear Sir Arthur Currie,

The writer, a few weeks ago, had occasion to write you regarding plans to more closely unite educational forces between Canada and the Bahamas. Under separate cover he is replying to your letter in that regard.

This letter is, if you will permit, a personal one, from an old officer of the Corps to say that your reply was the most considerate and understanding he received and that it has given him a thrill of pleasure. It was in line with what for years we had learned to appreciate in a far different area of operations.

With this letter please accept my good wishes for a long and happy life in your new command, and if we are needed again, may it be that the writer can serve with you.

Yours faithfully,

Hugh Bell

Dear Sir,

Your reply encourages me to place before you a few thoughts with the hope that you will be kind enough to give them consideration. As you are doubtless aware the Colony has had very considerable attention since as far back as 1780 from naturalists and botanists. It has also had from institutions such as the American Museum of Natural History and the Smithsonian Institute expeditions of various kinds.

This winter we are looking forward to welcoming a class of fifty from a Southern University to study marine life. We take particular pains to ensure that whatever is essential to their health and well-being is provided and that any facilities they may wish of an academic kind are forthcoming. In the past it would seem that these study groups left pleased with their reception.

It is our understanding that University Foundations and individual professors frequently lead such groups and the purpose of this letter is to determine whether our facilities in such a regards are of interest to your University. We could very well take care of the following types of study groups at rates which would have the sanction of the Government:-

1. Marine Research Expeditions
2. Botanical Summer Schools
3. Educational conferences
4. Specific Study groups

Particularly associated with our Colony of late years has been Dr. Waldo Miner of the American Museum of Natural History and I have no doubt that he would be pleased to give you a personal opinion as to the suitability of the Colony for such scholastic enterprise.

With renewed appreciation of your kindness and a hope that you further consider the matter and advise us.

Yours faithfully,

Hugh Bell
Director of Publicity.

Enquiries are being made for the above named who left Winnipeg about the end of June last, and has not since been heard of. Bailey is an Englishman said to be an engineer who has lately been prospecting in British Columbia. He has stated that he is a graduate of McGill University. Can you please inform me if this is correct? I believe Bailey is a native of Crawley, Sussex, England.

I am to-day in receipt of your letter written from Boston with reference to your arrival in Montreal.

I am very sorry but it will not be possible for us to lunch together on Saturday, but on Monday I am entertaining the Rt. Hon. and Most Rev. J. H.
