RULE 20.—WEIGHTS AND WEIGHING.

SEC. 1—Every horse starting for purse, sweepstake, or match, in any trotting or pacing race, shall carry, if to wagon or sulky, 150 lbs., exclusive of harness; and if under the saddle, 145 lbs., the saddle and whip only to be weighed with the rider.

SEC. 2—Riders and drivers shall weigh in the presence of one or more of the Judges or their assistants previous to starting for any race, and after each heat shall come to the starting stand, and not dismount or leave their vehicles without permission of the Judges, and those who are deficient in bodily weight shall be re-weighed after each heat. Any rider or driver not bringing in his required weight shall be distanced, unless such decision shall be deemed to favor a fraud. But a rider or driver thrown or taken by force from his horse or vehicle, after having passed the winning-post, shall not be considered as having dismounted without permission of the Judges, and if disabled may be carried to the Judges' stand to be weighed, and the Judges may take the circumstances into consideration and decide accordingly. And the riders or drivers who shall carry during the heat and bring home with them the weights which have been approved or announced correct and proper by the Judges, shall be subject to no penalty for light weight in that heat: *provided*, the Judges are satisfied the mistake or fault was their own, and that there have been no deception on the part of the rider or driver who shall be deficient in weight; but all parties shall thereafter carry the required weight.

RULE 21.—HANDICAPS AND MISCELLANEOUS WEIGHTS.

SEC. 1—In matches or handicaps, where extra or lesser weights are to be carried, the Judges shall carefully examine and ascertain before starting, whether the riders, drivers, or vehicles, are of such weights as have been agreed upon or required by the match or handicap, and thereafter the riders and drivers shall

be subject to the same penalties and conditions as if they were to carry the weights prescribed by the rules. Where less weight is carried than required in Rule 20, time made becomes a bar and not a record.

RULE 22.—WHEN RIDERS AND DRIVERS ARE OVERWEIGHT.

SEC. 1—If the bodily weight of any rider or driver shall be found to exceed that which is prescribed in the rules, or that which is required by the conditions of the race, and the overweight shall exceed twenty pounds, it shall be announced from the stand before the heat, and the Judges shall have power, if in their belief such extra weight was imposed on the horse for an improper or fraudulent purpose, to substitute another rider or driver of suitable weight; and if they believe the horse has been prejudiced in the race by such overweight, he shall not be allowed to start again or continue in the race, and all bets on such horse may be declared *off*.

Sec. 2—A horse prevented by this rule from continuing in the race shall not be distanced, but *ruled out*.

RULE 23.—LENGTH OF WHIPS.

SEC. 1—Riders and drivers will be allowed whips not to exceed the following lengths: For saddle horses, 2 ft. 10 in.; sulkies, 4 ft. 8 in.; wagons, 5 ft. 10 in.; double teams, 8 ft. 6 in.; tandem teams and four-in-hand, unlimited.; snappers, not longer than three inches, will be allowed in addition to the foregoing measurement.

RULE 24.—JUDGES' STAND.

SEC. 1—None but the Judges of the race in progress, the Clerk of the Course or Secretary, and their assistants, shall be allowed in the Judges' stand during the pendency of a heat. And it shall be deemed a dereliction of duty for any member not to enforce this rule

RULE 25.—SELECTION OF JUDGES.

SEC. 1—In every exhibition or race, over the course of any member, the presiding officer or manager of the member shall chose or authorize the selection of three (3) competent Judges, for the day or race, who shall understand the rules of the said association, and shall rigidly enforce the same; and all their decisions shall be subject to and in conformity with said rules.

SEC. 2—Any person who at the time is under penalty of suspension or expulsion, or who has any interest in, or any bet dependent on the result of a race, or has any interest in either of the horses engaged therein, shall thereby be disqualified and restricted from acting as a Judge in that race. And if any person who is thus disqualified shall intentionally and deceptively violate this restriction, he shall, upon conviction thereof by the Board of Appeals, be adjudged guilty of a dishonorable act, for which he shall be expelled from every course represented in said association.

RULE 26.—AUTHORITY OF JUDGES.

[See also Rule 28.]

SEC. 1—The Judges of the day or race shall have authority, while presiding, to appoint Distance and Patrol Judges and Timers; to inflict fines and penalties, as prescribed by these rules; to determine all questions of fact relating to the race over which they preside; to decide respecting any matters of difference between parties to the race, or any contingent matter which shall arise, such as are not otherwise provided for in these rules; and they may declare pools and bets "off" in case of fraud, *no appeal to be allowed from their decision in that respect*, but all their decisions shall be in strict conformity with the rules, or with the principles thereof. They shall have control over the horses about to start, and the riders or drivers and assistants of the horses, and, in the absence of other provision in these rules, they shall have authority to punish by a fine not exceeding \$100, or by suspension or expulsion, any such person who shall fail to obey their orders or the rules.

RULE 27.—DISTANCE AND PATROL JUDGES.

SEC. 1—In all races of heats there shall be a Distance Judge appointed by the Judges of the race or by those in authority, who shall remain in the distance-stand during the heats, and immediately after each heat shall repair to the Judges' stand and report to the Judges the horse or horses that are distanced, and all foul or improper conduct, if any has occurred under his observation. But, in the absence of a distance Judge, or on his failing to act, the Judges of the race shall determine what horses are distanced.

RULE 28.—POWERS AND DUTIES OF JUDGES.

[See also Rule 26.]

SEC. 1—The Judges shall be in the stand fifteen minutes before the time for starting the race; they shall weigh the riders or drivers, and determine the positions of the horses, and inform each rider or driver of his place before starting; they may require the riders and drivers to be properly dressed; they shall be prepared to take the time of each heat in the race, and they may appoint some suitable person or persons to assist them in that respect, and the time so taken shall be recorded and announced in conformity with these rules.

SEC. 2—The Judges shall ring the bell, or give other notice ten minutes previous to the time announced for the race or heat to come off, which shall be notice to all parties to prepare for the race or heat at the appointed time, when all the horses must appear at the stand, ready for the race or heat, and any rider or driver failing to obey this summons may be punished by a fine not exceeding \$100, or his horse may be ruled out by the Judges and considered drawn; but in all stakes and matches a failure to appear promptly at the appointed time shall render the delinquent party liable to forfeit.

SEC. 3—The result of a heat shall not be announced until the judges are satisfied as to the weights of the riders or drivers, and sufficient time has elapsed to receive the reports of the Distance and Patrol Judges.

SEC. 4—The Judges shall not notice or consider complaints of foul from any person or persons, except the Distance and Patrol Judges appointed by themselves or by those in authority, and from owners, riders, or drivers in the race.

SEC. 5—If the Judges believe that a horse is being or has been "pulled," or has been ridden or driven in other respects improperly, with a design to prevent his winning a heat or place which he was evidently able to win, and that such act was done on the part of the rider or driver for the purpose of throwing the race, or to perpetrate or aid a fraud, they shall have power to substitute a competent and reliable rider or

driver for the remainder of the race, who (if in the opinion of the Judges drives to win) shall be awarded by them a reasonable sum not exceeding 100 dollars for such service, to be paid by the member; and if such substituted rider or driver shall better the place of the horse in the race, the amount so awarded may be retained by the member from the winnings of the horse in the race. Any professional rider or driver who, without good and sufficient reason, refuses to be so substituted, may be fined, suspended or expelled, by order of the Judges and upon approval of the Board of Appeals; and the Judges may declare such heat void, if it be a deciding heat of the race; and, if the result and circumstances of the race shall confirm their belief, the rider or driver so removed may be fined not to exceed the amount of the purse or stake competed for, or he may be expelled by the Judges. And if the owner or person or persons controlling the offending horse shall be a party or parties to such fraud, he or they may be punished by a similar fine; or he or they, together with the horse, may be expelled. In any case of fraudulent arrangement, or agreement, for the determination of the race, otherwise than on its merits, whether the same be carried out or not, each person concerned therein may be fined a sum not exceeding the whole purse contended for, or he and his horse, if any, concerned therein may be suspended or expelled, and no person or horse so concerned shall be entitled to any part of the purse.

RULE 29—STARTING AND KEEPING POSITIONS.

SEC. 1—No rider or driver shall cause unnecessary delay after the horses are called up, either by neglecting to prepare for the race in time, or by failing to come for the word, or otherwise; and in scoring, if the word is not given, all the horses in the race shall immediately turn at the tap of the bell or other signal given, and jog back for a fresh start. But there shall be no recall after the starting word or signal has been given, and the horses shall be deemed to have started in the race when the word *go* is given for the first heat; *provided, however,* that if the Judges shall through an error give signal of recall, *after having given the word,* DISTANCE shall be waved in that heat, except for foul riding or driving.

SEC. 2—The Judges shall, after the first scoring, choose one of the contending horses (the pole horse being selected, if deemed suitable,) to score by. And no driver shall come up in advance of said horse, nor shall he hold back, under a penalty of a fine of not less than \$5, nor more than \$50, which shall be imposed and collected at once.

SEC. 3—No driver shall be allowed to sponge out his horse or horses oftener than once in five times scoring.

SEC. 4—If these requirements are not complied with on the part of any rider or driver, the Judges may not only start the race, or give the word without regard to the absence or position of the offending party or parties, but the offender may be punished by a fine not exceeding \$100, or by suspension not to exceed one year.

SEC. 5—In all cases, the starting word or signal shall be given from the Judges' stand, and in no instance shall a standing start be given.

SEC. 6—No warning shall be necessary on the part of the Judges before inflicting fines or penalties for a violation of any of the provisions of this rule.

SEC. 7—The horse winning a heat shall take the pole (or inside position) the succeeding heat, and all others shall take their positions in the order assigned them in judging the last heat. When two or more horses shall make a dead heat, the horses shall start for the succeeding heat in the same positions with reference to the pole that they occupied at the finish of the dead heat.

SEC. 8—In coming out on the home stretch the foremost horse or horses shall keep the positions first selected, or be liable to be distanced; and the hindmost horse or horses, when there is sufficient room to pass on the inside or anywhere on the homestretch, without interfering with others, shall be allowed to do so, and any party interfering to prevent him or them shall be ruled out.

SEC. 9—If a horse in attempting to pass another on the homestretch, should at any time cross or swerve, so as to impede the progress of a horse behind him, he shall not be entitled to win that heat.

SEC. 10—Although a leading horse is entitled to any part of the track, except after selecting his position on the homestretch, he shall not change from the right to the left, or from the inner to the outer side of the track, during any part of the race, when another horse is so near him that in altering his position he compels the horse behind him to shorten his stride, or cause the rider or driver of such other horse to pull him out of his stride; neither shall any horse, rider, or driver cross, jostle, or strike another horse, rider, or driver, nor swerve, or "carry him out," "sit down in front of him," or do any other act which constitutes what is popularly known as "helping," or which shall impede the progress of another horse.

SEC. 11—In any heat wherein there shall be a violation of any of these restrictions, the offending horse shall not be entitled to win the heat, and he shall be placed behind all the unoffending horses in that heat. And if the judges believe the forbidden action was intentional on the part of the rider or driver, his horse may be ruled out, and such rider or driver may be fined not to exceed the amount of the purse or stake contended for, or he may be suspended or expelled.

RULE 30.—HORSES BREAKING.

SEC. 1—When any horse or horses break from their gait in trotting or pacing, their riders or drivers shall at once pull them to the gait in which they were to go the race, and any party failing to comply with this requirement, if he comes out ahead, shall lose the heat, and the next best horse shall win the heat; and whether such breaking horse come out ahead or not, all other horses shall be placed ahead of him in that heat, and the Judges shall have discretionary power to distance the offending horse or horses, and the rider or driver may be punished by a fine not to exceed \$100, or by suspension not exceeding one year.

SEC. 2—Should the rider or driver comply with this requirement, and the horse should gain by a break, twice the distance so gained shall be taken from him at the coming out; but this provision must not be so construed as to shield any trotting or pacing horse from punishment for running.

SEC. 3—Any horse repeatedly breaking, performing at a mixed gait, or one different from that prescribed for the race, shall be placed after all other horses in the heat not so offending or ruled out, and where more than one horse so offends the Judges shall place

them with reference to each other as they may deserve

Sec. 4—To assist in determining the matter contained in Sections 1, 2, and 3, it shall be the duty of one of the Judges to call out during the progress of a race every break made, designating by colors or name the horse making it and the character of the break, and a Judge or assistant shall at once note the fact in writing.

Sec. 5—A horse breaking at or near the score shall be subject to no greater penalty than if he broke on any other part of the track.

RULE 31.—RELATIVE TO HEATS AND HORSES ELIGIBLE TO START.

Sec. 1—In heats one, two, three, or four miles, a horse not winning one heat in three shall not start for a fourth, unless such horse shall have made a dead heat. In heats best three in five, a horse not winning a heat in the first five shall not start for a sixth, unless said horse shall have made a dead heat, but horses so ruled out shall have a right to a share of the purse or premium, according to their rank at the close of their last heat. And where ten or more horses start in a race, every horse not ruled out shall have the right to compete until the race is completed—subject, however, to all other penalties in these rules.

RULE 32.—DEAD HEATS.

SEC. 1—A dead heat without regard to the stage of the race when it occurs, shall be counted in the race, and shall be considered a heat which is undecided only as between the horses making it, and it shall be considered a heat that is lost by all the other horses contending therein; and the time made in a dead heat shall constitute a record or bar for each horse making such dead heat.

SEC. 2—Whenever two or more horses have to their credit a sufficient number of dead heats, or heats and dead heats, to have terminated the race if all the dead heats had been won by either of them, only such horses shall start in the next heat.

SEC. 3—A horse prevented from starting by above rule shall not be distanced, but ruled out, and shall be entitled to a share of the purse or premium according to his rank at the close of his last heat.

RULE 33.—TIME BETWEEN HEATS.

SEC. 1—The time between heats shall be twenty

minutes for mile heats ; and for mile heats best three in five, twenty-five minutes; and for two-mile heats, thirty minutes, and for three mile heats, thirty-five minutes; and should there be a race of four-mile heats, the time shall be forty minntes.

SEC. 2—Not more than two races shall be sandwiched in the performance on one day, but when one race of the two has been finished, another may be called on. And when races are "sandwiched" the first race started shall be trotted out on time as far as practicable.

SEC. 3—After the first heat the horses shall be called five minutes prior to the time of starting.

PASSING TO THE LEFT.

SEC. 4—The rule of the road is reversed on the track; that is, horses meeting shall pass to the left.

HORSES PERMITTED ON THE TRACK.

SEC. 5—Horses called for a race shall have the exclusive right of the course, and all other horses shall vacate the track at once.

RULE 34.—TIME ALLOWED IN CASE OF ACCIDENTS.

SEC. 1—In case of accidents, ten minutes shall be allowed; but the Judges may allow more time when deemed necessary and proper.

RULE 35.—COLLISION AND BREAK-DOWN.

SEC. 1—In case of collision and break down, the party causing the same, whether willfully or otherwise, may be ruled out, and if the Judges find the collision was intentional or to aid fraud, the driver in fault shall be forthwith suspended or expelled, and his horse may be distanced; but if necessary to defeat fraud, the Judges shall direct the offending horse to start again.

SEC. 2—No horse but the offending one shall be ruled out in such a heat, except for foul driving.

SEC. 3—The Judges in a concluding heat, finding that a collision involved a fraudulent object, may declare that heat void.

which are required by the conditions of the race to be entitled to the purse or stake; but if a horse shall have distanced all competitors in one heat, the race will then be concluded, and such horse shall receive the entire purse and stakes contended for, unless stipulated otherwise in the published conditions.

SEC. 2—When more than one horse remains in the race entitled to be placed at the finish of the last heat, the second best horse shall receive the second premium, if there be any; and if there be any third or fourth premium, etc., for which no horse has won and maintained a specific place, the same shall go to the winner; *provided*, that the number of premiums awarded shall not exceed the number of horses which started in the race.

SEC. 3—The foregoing provisions shall always apply in such cases, unless otherwise stated in the published conditions of the race.

SEC. 4—In deciding the rank of horses other than the winner, as to second, third, and fourth places, etc., to be assigned among such as remain in the race entitled to be placed at the conclusion of the last heat thereof, the several positions which have been assigned to each horse so contending shall be considered as to every heat in the race—that is, horses having won two heats, better than those winning one; a horse that has won a heat, better than a horse only making a dead heat; a horse winning one or two heats and making a dead heat, better than one winning an equal number of heats but not making a dead heat; a horse winning a heat or making a dead heat and not ruled out in the race better than a horse that has not won a heat or made a dead heat; a horse that has been placed "second" one heat, better than a horse that has been placed "third" any number of heats.

SEC. 5—When two or more horses appear equal in rank in the summary of the race, they shall share equally in the award of premiums won by them.

SEC. 6—In case these provisions shall not give a specific decision as to second and third money, etc., the Judges of the race are to make the awards according to their best judgment, but in conformity with the principles of these rules.

RULE 37.—DISTANCES.

SEC. 1—In races of mile heats, 80 yards shall be a distance. In races of two-mile heats, 150 yards shall be a distance. In races of three-mile heats, 220 yards shall be a distance. In races of mile heats, best three in five, 100 yards shall be a distance. In heats of not over one mile, wherein eight or more horses contend, the distance shall be increased one-half; but in any heat wherein the number of starters shall be reduced to less than eight, the ordinary distance shall be restored.

SEC. 2—All horses whose heads have not reached the distance-stand as soon as the leading horse arrives at the winning post shall be declared distanced, except in cases otherwise provided for, or the punishment of the leading horse by setting him back for running, when it shall be left to the discretion of the Judges.

SEC. 3—A distanced horse is out of the race, and if in any heat one horse shall distance all competitors, the race will then be completed, and the winner shall be entitled to the entire purse and stake contended for, unless otherwise stipulated in the published conditions of the race.

RULE 38.—RANK BETWEEN DISTANCED HORSES.

SEC. 1—Horses distanced in the first heat of a race shall be equal, but horses that are distanced in any subsequent heat shall rank as to each other in the order of the positions to which they were entitled at the start of the heat in which they were distanced.

RULE 39.—TIME AND ITS RECORD.

SEC. 1—In every public race the time of each heat shall be accurately taken and placed in the record, and upon the decision of each heat the time thereof shall be publicly announced by the Judges, except as provided in these rules concerning those heats which are not awarded to either of the leading horses.

SEC. 2—It shall be the duty of the Judges of the race to take the time as aforesaid, or to appoint some suitable person or persons to assist them in that respect, but no *unofficial* timing shall be announced or admitted to the record, but in any case involving

alleged suppression of time, or false announcement of time, nothing in this rule shall be construed to limit the evidence admissible.

SEC. 3—In any case of alleged error in the record, announcement, or publication of the time made by a horse in a public race, the time so questioned shall not be changed to favor said horse or owner, except upon the sworn statement of the Judges and Timers who officiated in the race, and then only by order of the Board of Appeals.

RULE 40—HORSES TO BE TIMED.

SEC. 1—The two leading horses shall be separately timed, and if the heat is awarded to either, his time only shall be announced and be a record or bar as the case may be; and if the winning horse shall afterwards be ruled out of the race for fraud or ineligibility, he shall retain the record or bar acquired by the time so announced.

SEC. 2—In case of a dead heat, the time shall constitute a record or bar for the horses making the dead heat; and if for any other cause the heat is not awarded to either of the leading horses, it shall be awarded to the next best horse, and no time shall be given out by the Judges or recorded against either horse; and the Judges may waive the application of the rule in regard to distance in that heat, except for foul riding or driving.

SEC. 3—The time shall be taken from the pole horse, or from the horse that is selected to score by.

RULE 41.—SUPPRESSION OF TIME.

SEC. 2—In any public race, if there shall be any intentional suppression or misrepresentation in either the record or the announcement of the time of any heat in the race, it shall be deemed fraudulent. Any horse winning a heat or making a dead heat, wherein there was such a fraudulent suppression of time, together with the parties implicated in the fraud, shall by operation of the rules be henceforth disqualified from the right to compete on the grounds of members; which disqualification may be removed only by order of the Boards of Review or Appeals, when upon investigation the Board shall believe that the constructive fraud was not premeditated, but only then upon a restitution or return to this Asso-

ciation of any premiums that under any circumstances have been awarded such horse on the grounds of members during the time of disqualification, and upon the payment of a fine of \$100, to go to this Association, the fine to apply to the horse regardless of any change in the ownership.

SEC. 2—A fine of \$100 shall be imposed upon any member of this Association on whose grounds there shall be allowed any suppression of time as aforesaid; and up to one-half of said fine may be paid to the informer upon recovery.

SEC. 3—Any person who shall as Judge or timer be guilty of fraudulent suppression of time in any public race shall be expelled from the courses of all members.

RULE 42.—PUBLIC RACE.

SEC. 1—Any contest for purse premium, stake or wager, or involving admission fees, on any course and in the presence of a Judge or Judges, shall constitute a public race.

RULES 43—TIME RECORDS, AND BARS.

[When Time Becomes a Bar.]

SEC. 1—A *record* can be made only in a public race, the horse to trot or pace a full mile according to rule; and the time must be taken by at least two timers selected for the purpose, and the record of their names as well as the time must be kept.

SEC. 2—Time otherwise taken, at fairs and on any track, whether short or not, shall be known as a *bar*, and shall constitute a bar the same as if regularly made over a track that was full measurement.

SEC. 3—Any public race at a less distance than one mile and exceeding a half mile, shall be regarded as *irregular*, and time made in any such race shall create a *bar*.

SEC. 4—Time heretofore made on non-association tracks shall be records or bars, as the case may be, the same as if made over association tracks.

SEC. 5—If it should appear to the Board of Appeals, upon investigation, that any record was fraudulently obtained, it shall be declared not a record but a *bar*.

RULE 44.—WHEN TIME SHALL NOT BE A BAR.

SEC. 1—Time made under the saddle, or on snow or ice, as well as time made when two or more horses are harnessed together, shall constitute a bar for races of the same character, but shall not be a bar for races of a different character.

RULE 45.—COMPLAINTS BY RIDERS OR DRIVERS.

SEC. 1—All complaints by riders or drivers, of any foul riding or driving, or other misconduct, must be made at the termination of the heat, and before the rider or driver dismounts or leaves his vehicle.

RULE 46.—DECORUM.

SEC. 1—If any owner, trainer, rider, driver, or attendant of a horse, or any other person, at any time and in any place, use improper language to the officers of the course or the Judges of a race, or be guilty of any improper conduct toward such officers or Judges, or persons serving under their orders, such improper language or conduct having reference to acts and things connected with the administration of the course or of any race thereon, the person or persons so offending shall be punished by a fine not exceeding \$100, or by suspension or expulsion.

SEC. 2—If any owner, trainer, rider, driver, or attendant of a horse, or any other person, at any time or place, shall commit an assault, or an assault and battery upon any rider or driver who shall ride or drive in a race by order of the Judges, or shall threaten to do bodily injury to any such substituted rider or driver, or shall address to such rider or driver language outrageously insulting, for or on account of his services as aforesaid, such person so offending shall be punished by expulsion.

RULE 47.—LOUD SHOUTING.

SEC. 1—Any rider or driver guilty of loud shouting, or making other improper noise, or of making improper use of the whip during the pendency of a heat, shall be punished by a fine not to exceed \$25, or by suspension during the meeting.

RULE 48.—“FOULS.”

SEC. 1—If any act or thing shall be done by any

owner, rider, driver, or their horse or horses, during any race or in connection therewith, which these rules define or warrant the Judges in deciding to be fraudulent or toul, and if no special provision is made in these rules to meet the case, the Judges shall have power to punish the offender by fine not to exceed \$100, or by suspension or expulsion. And in any case of foul riding or driving they shall rule out the offending horse, unless they believe such a decision will favor a fraud.

SEC. 2—The penalty imposed herein for "Fouls" should apply to any act of a fraudulent nature, and to any unprincipled conduct such as tends to debase the character of the trotting turf in the estimation of the public

RULE 49.—FINES.

SEC. 1—All persons who shall have been fined under these rules, unless they pay the fines in full on the day when imposed, shall be suspended until they are so paid.

SEC. 2—All fines which shall be paid to the Association or proprietor on whose grounds they were imposed, shall by them be reported and paid to the Treasurer of said Association.

RULE 50.—NO COMPROMISE OF PENALTIES BY JUDGES OR MEMBERS.

SEC. 1—In no case shall there be any compromise or change on the part of the Judges or member in the manner of punishment prescribed in the rules, but the same shall be strictly enforced; but members may accept compromise settlements of suspended dues, and the penalties in such cases shall be reduced in proportion.

RULE 51.—SUSPENSIONS AND EXPULSIONS.

SEC. 1—Whenever the penalty of suspension is prescribed in these rules, if applied to a horse it shall be construed to mean a disqualification during the time of suspension to compete in any race to be performed on the course of a member; and if applied to a person it shall be construed to mean a conditional withholding of all right or privilege to compete

The produce is entered by entering the dam and sire or sires.

Allowances to the produce of untried horses extend only to the produce of horses whose produce in any country have not ceased to be maidens up to the day previous to that fixed for claiming allowances, and any such allowance shall be claimed before the expiration of the time for naming, and shall not be lost by winning after that time.

The real or assumed name of any person who runs, or, within twenty years, has run horses in the United States shall not be registered.
20. Joint subscriptions and entries may be made by two or more owners.

The full names of all persons composing a company, and the real names of all persons confederating under an assumed name must be registered with the Clerk of the Course.

If either party to a match die, the match is off.
26. The death of a horse or a mistake in the entry of a horse does not release the subscriber or transferee from liability for a stake or forfeit.
27. Entries in purses are not void by the death of the nominator, and are transferred to the actual owner, unless the horse has been sold without the engagement.

28. Entrance money for a purse is not returned on the death of a horse, or his failure to start for any cause whatever.
29. A person entering a horse thereby becomes liable for the entrance money, or stake or forfeit,
 A subscriber to a sweepstakes is liable for the stake or forfeit, but if he transfer an entry or a right of entry therein to any other person he is liable only in case of default by the transferee, and in that case may recover from the transferee, and may, if he pay such stakes or forfeits, place them on the forfeit list as due to himself.
30. Entrance money, stakes and forfeits must be paid in cash (if required) to the Clerk of the Course.

No money shall be added to any race exclusively for two-year-olds carrying 110 lbs., longer than three-quarters of a mile.

Welter weights shall be 28 lbs., added to weight for age, and in the absence of conditions, shall be the weights for steeplechases and hurdle races.

37. Every jockey who is to ride in the race shall weigh at the usual place, unless especially excused by the Judges, or his horse shall be disqualified.

If a jockey intend to carry overweight exceeding by more than two pounds the weight at which his horse is to run, he must declare the amount of such overweight to the Clerk of the Scales not later than 15 minutes before the time appointed for the race; and the clerk shall announce or exhibit in some public manner the amount of such overweight, with the name or number of the horse.

A horse shall not be qualified to run in a race with more than five pounds overweight.

If a horse carry more than two pounds, which has not been duly declared, or more than five pounds overweight, he is disqualified.

Any overweight exceeding two pounds which has been carried, whether it has been duly declared, or the horse has been disqualified, shall be stated in the official summary of the meeting.

38. After the horses are ordered to the starting post, and until the Judges direct the gates to be reopened, all persons except the racing officials, and the owners, trainers, and immediate attendants of the horses in the race shall be excluded from the course to be run over.

39. Every trainer or jockey who does not bring his horse promptly to the post at the time appointed for the race shall be fined.

The winner of a heat, shall at the next start have the inside position, and the others shall take their positions on his right, in the order in which they came out in the previous heat.

Nevertheless, the starter may place vicious or unruly horses where they cannot injure others.

A horse in the hands of the starter shall receive no further care from his attendants.

He must be started by the jockey. With the sanction of the starter, a horse may be led to his position, but must then be let loose. The jockey must not dismount except to set right insecure equipments.

If an accident happen to a rider or his equipments, except while repeating heats, the starter may grant a delay not exceeding fifteen minutes, which in extreme cases may be extended by the Judges.

During such delays the other jockeys may dismount and their horses be given up to their attendants.

The horses shall be started by a flag, and there shall be no start until and no recall after the assistant starter drops his flag in answer to the flag of the starter.

The starter may give all such orders and take all such measures as are necessary to secure a fair start, and in particular may order the horses to draw up in a line as far behind the starting post as he thinks necessary.

The starter shall have authority to fine or suspend a jockey for disobedience of his orders, or of attempting to take any unfair advantages, but the suspension of a jockey shall not take effect until after the last race of the day of his suspension, and the Executive Committee may modify or remit penalties imposed by the starter.

If the starter allow a start to take place in front of the starting post, the start is void, and the horses must be started again.

The statement of the starter and his assistant, as to incidents of the start, is conclusive.

42. If a race has been run by all the horses at wrong weights, or at a less distance, or when a judge is not in the stand, it shall be run again at such time as the Executive Committee appoint, but at an interval of not less than twenty minutes, if the distance to be run is two miles or less, or than thirty minutes if over two miles.

43. A leading horse is entitled to any part of the course,

but if he swerve to either side so as to compel another to shorten his stride and to impede him, it is a cross.

A horse which crosses or jostles another so as to impede him, is disqualified, whether the cross or jostle happened through the wilful or careless riding of the jockey or the swerving of the horse, unless the judges think that the cross or jostle was wholly caused by the fault of some other horse or jockey, or that the other horse or his jockey was partly in fault.

A horse is disqualified if his jockey strikes another horse or jockey, or rides either wilfully or carelessly so as to injure another horse, which is in no way in fault.

When a horse is disqualified under this rule, every horse in the race belonging wholly or in part to the same owner, is also disqualified.

In steeple-chases and hurdle races, a horse is not disqualified under this rule, unless in the opinion of the judges, he is intentionally ridden so as to jeopardize the chances of success of another horse.

If the Judges are satisfied that the riding of any race was intentionally foul, or that the jockey was instructed or induced so to ride, all persons guilty of complicity in the offence shall be ruled off the course.

Complaints under this rule can only be received from the owner, trainer, or jockey of the horse alleged to be affected, and must be made to the judges either before or immediately after his jockey has passed the scales.

44. If a horse leave the course, he must turn back and run the course from the point at which he left it.
45. If a rider fall, and another person of sufficient weight ride the horse in from the spot where the rider fell, the horse shall not be disqualified for overweight.
46. Every jockey must immediately after pulling up, ride his horse to the place of weighing, and there dismount, after obtaining permission of the judge, and be weighed by the clerk of the scales, provided that if a jockey be prevented from riding to the place of weighing, by reason of accident or illness, by which he or his horse is disabled, he may walk or be carried to the scales.
If a jockey does not weigh in, or is short of weight, or is guilty of any fraudulent practice with respect to weight or weighing, or dismounts before obtaining permission, or

touches (except accidentally) any person or thing other than his own equipments before weighing in, his horse is disqualified, and he may be fined or suspended, unless he can satisfy the judges that he was justified by extraordinary circumstances.

It is optional for a jockey to weigh out or in with his bridle, and the clerk of the scales shall allow one pound for a curb or double bridle, but no weight shall be allowed for a snaffle bridle unless it is put into the scales before the horse is led away, and no whip or substitute for a whip shall be allowed in the scales.

If a horse run in a hood or clothing it must be included in the jockey's weight.

Horses not bringing in their weight out, or within one pound of it, shall be disqualified, but the judges shall make allowance for over-plus occasioned by rain or mud.

47. No person shall start more than one horse of which he is wholly or in part the owner in a race of heats.

All horses whose heads have not reached the distance post as soon as the leading horse arrives at the winning-post are distanced, but as proof of the fact the distance judge must have dropped his flag in answer to the judge's flag.

In a race of heats, a horse that actually wins two heats, or distances the field, wins the race.

A horse running in any two consecutive heats without winning or running a dead heat, cannot start again in the race.

When a race is won by two heats, the preference of horses is determined by the places they get in the second heat.

If more than two heats are run, the horses starting for the deciding heat shall alone be placed in the race.

Horses disqualified and horses started and drawn before a race of heats is won, are held to be distanced.

If any person draw or sell his horse (if by the sale the horse be drawn) during the pendency of a race of heats, without permission of the judges, he shall be ruled off the course.

In races not of heats, a dead heat for the first place shall be run off after the last flat race of the day, unless the Executive Committee otherwise appoint, but at an interval of not less than twenty minutes.

The other horses shall be deemed to have been beaten, but they shall be entitled to their places (if any) as if the race had been finally determined the first time.

If a dead heat be run by two or more horses for second or any lower place in a race, the owners shall divide, subject to the rules applicable to objections, when the winner is objected to, and if they cannot agree as to which of them is to have a cup or other prize, which cannot be divided, they shall draw lots for it.

When owners divide, they shall divide equally all the moneys and other prizes, which any of them could take, if the dead heat were run off, but owners cannot divide in a race of heats, or in a race where any of the horses are to be sold, or in any race where division would conflict with any of its conditions.

Horses running a dead heat for a race or place, shall be deemed winners of the race or place until the dead heat is run off, or the owners agree to divide, and if the owners agree to divide each horse which divides shall be deemed a winner of the race or place for which he divides

49. Any money or prize which by the conditions is to go to the horse placed second or in any lower place in the race, shall, if the winner has walked over, or no horse has been so placed, go to the winner, if it be part of the stakes or purse, and if it was to be given as a separate donation from the race fund, or any other source, shall not be given at all.

50. The determination of the judges declaring a horse to have won, or to be entitled to a place, shall be final, unless some objection is made and allowed on the ground of disqualification, provided that this rule shall not prevent the judges from correcting any mistake.

Every objection must be made by the owner, trainer, or jockey of some other horse engaged in the same race, or by the officials of the course and on race days must be made to one of the judges of the race, or to the Clerk of the Course, and at other times to one of the Executive Committee or to the Clerk of the Course.

The person to whom an objection is made, may require it to be put in writing and signed.

If an objection is made not later than the time of the race, the objection to be made must be supported by such proof as shall satisfy the Clerk to declare him disqualified.

An objection to a horse who has run the race may be made within the time specified before the race is put up.

An objection to a horse who has run, or who has not the horse, or at the time of the race was represented in 12 months.

The function of the judges is to determine the objections to a horse and to terminate the race if necessary.

If an objection is made to a horse who has run the race, the objection shall be made as last in order of places according to the race.

When an objection is made to a horse who has run the race, the objection shall be declared.

If an objection to a horse engaged in the race be made not later than eleven o'clock on the morning of the day of the race, the Executive Committee may require his qualification to be proved before the race, and in default of such proof being given to their satisfaction, they may declare him disqualified.

An objection to a horse on the ground of his not having run the proper course, or of any other matters occurring in the race (except those coming after under rule 43) must be made within a quarter of an hour after the finish, and before the numbers of the horses placed in the race are put up.

An objection on the ground of fraudulent or wilful misstatement or omission in the entry under which a horse has run, or on the ground that the horse which ran was not the horse which he was represented to be in the entry or at the time of the race, or was not of the age which he was represented to be, may be received at any time within 12 months after the race.

In any other case an objection shall be made before the conclusion of the meeting, which is deemed to conclude one hour after the last race on the last day.

Payment of the moneys due to owners of horses which have run during the meeting shall be made on the day after the meeting.

If by reason of an objection to a horse made after the conclusion of a meeting, a race or place is awarded to another, his owner can recover the money for such race or place from those who wrongfully received it, and in case of default may place it on the unpaid forfeit list.

Every objection shall be determined by the Judges of the race or by the Executive Committee.

The functions of the Judges of a race cease when they determine the places of the horses in the race, subject to objections they have not decided, and thereafter the determination of all matters affecting the race devolves on the Executive Committee.

If an objection to a horse which has won or been placed in a race be declared valid, the horse, if qualified to compete, shall be regarded as distanced in races of heats and as last in other races, and the other horses shall take their places accordingly.

on the day of the race, the Executive Committee may direct it to be run off accordingly. Otherwise, the horses which ran the dead heat shall divide and draw lots for an invisible prize, and each horse which divides shall be liable to the penalties attaching to a winner of that race.

Every objection which cannot be decided by the Judges or Executive Committee during a meeting, must be made in writing and lodged with the Clerk of the Course.

An objection made in writing cannot be withdrawn without leave of the Executive Committee.

All costs and expenses in relation to determining an objection shall be paid by the person decided against.

If the Executive Committee decide an objection to be frivolous, they may fine the person making it.

51. Pending the determination of an objection, any money or prize which the horse objected to may have won or may win in the race shall be withheld until the objection is determined, and any forfeit payable by the owner of any other horse shall be paid to the Clerk of the Course and held for the person who may be determined to be entitled to it.

When any race is in dispute, both the horse which came in first and any horse claiming the race shall be liable to all the penalties attaching to the winner of that race until the matter is decided.

52. The Executive Committee shall have power at any time and either upon or without objection made, to order an examination by such person or persons as they think fit, of the mouth of any horse entered for a race or which has run for a race, and shall withhold any money the horse or his owner may have won until such examination is made.

If the horse be declared to be of the wrong age, the expense of such examination shall be paid by the owner. Otherwise, it shall be paid by the person (if any) at whose request the examination is ordered, or out of the race fund, as the Executive Committee direct.

The Executive Committee shall also have power to call on any person in whose name a horse is entered to produce proof that the horse entered is not the property either wholly or in part of any person whose name is in the unpaid forfeit list or otherwise disqualified, or to produce proof of the extent of his interest or property in the horse.

53. Any horse running for any race "to be sold," shall, if the winner, be liable to be claimed for the selling price, and if it is a condition of the race that the winner is to be sold by auction, the sale shall take place immediately after the race, and two-thirds of any surplus over the selling price shall go to the second horse, and one-third to the third horse or to the race fund, if no third horse be placed. If sold, the horse shall not leave the place of sale until authorized by the Clerk of the Course to do so; and if the horse be not paid for, or the Clerk of the Course be not satisfied with the security, within a quarter of an hour, he may order the horse to be put up a second time, and the purchaser at the first sale shall be responsible for any deficiency arising from the second sale.

All other horses running to be sold may be claimed for the selling price and the amount of the stakes or purse by the owners of the horses running in the race.

Owners of horses placed shall have priority of claim in the order of their places; and if the owner of two or more horses having equal rights claim, they are to draw lots. The owner of the winner has the last claim.

No person can claim more than one horse.

Every claim must be made to the Clerk of the Course within a quarter of an hour after the race.

The price of every horse claimed, or sold, or bought in, must be paid to the Clerk of the Course, and an order be given by him for the delivery of the horse.

In the case of a horse being claimed, if the price be not paid within one hour after the race, the claimant forfeits his right. If none of the other persons entitled accept the horse, the owner may insist on the first claimant taking and paying for it.

If a horse walk over for a selling race, he shall not be liable to be sold, unless the whole of the added money be given, and in that case any surplus shall go to the race fund.

54. Subject to the rules relating to objections, the following special provisions shall apply to selling and claiming races:

1. If the objection has not been made until after the horse has been claimed or bought, the person who claimed

or bought him, shall, if the objection be declared valid, have the option of returning him or retaining him at the price of a beaten horse, and any money returnable by reason of the exercise of such option, whether price or surplus, shall be repaid by those to whom it has been paid over, and in case of default may be placed on the unpaid forfeit list by the persons to whom it is due.

2. If the objection has been made before the horse has been bought or claimed, the time for delivering, but not for selling him, is thereby postponed until such time after the determination of the Executive Committee appoint, and if the objection be valid, the person who claimed or bought him shall have the same option as in the last mentioned case.

3. If the objection be declared valid before the close of the races of the same day, the horse to whom the race is given shall then be sold by auction, if it be a condition of the race that the winner is to be thus sold, and any surplus resulting from his sale and from the previous sale of the horse objected to shall be treated as surplus from the sale of the winner, and be divided accordingly, but liability to be sold shall in all cases end with the day of the race.

If a horse which is to be sold by auction, or a horse which has to run off a dead heat in order to determine a race, has been claimed, he is to be returned, and the price at which he was claimed repaid to the claimant.

55. The time for claiming or selling horses running a dead heat is thereby postponed until the dead heat is run off.

56. Any person, who refuses to deliver, as required by these rules, a horse entered to be sold or one bought or claimed in a selling race, shall be ruled off the course, and the horse shall be disqualified for all races.

Any person who fails to pay for a horse bought or claimed in a selling race may be ruled off the course.

57. No horse shall be considered as struck out of his engagement unless the declaration be made by the owner, or by some person deputed by him, to the Clerk of the Course, who shall record the day and hour of its receipt and give early publicity thereto.

The striking of a horse out of an engagement is irrevocable.

Omission to strike a horse out of an engagement not sold or transferred with him does not entitle his owner to start him, or to the stakes, if he wins.

58. When a horse is sold with his engagements, or any part of them, the seller cannot strike the horse out of any such engagements, and he remains liable for the amount of the forfeits in each of the engagements; but he may, if compelled to pay them by the purchasers' default, place the forfeit on the forfeit list as due by the purchaser to himself.

In all cases of sale by private treaty, the written acknowledgement of both parties that the horse was sold with the engagement is necessary to entitle the seller or buyer to the benefit of this rule, and if certain engagements he specified, it is to be understood that those only are sold with the horse, but when the horse is sold by public auction, the advertised conditions of the sale are sufficient evidence, and if certain engagements only be specified, it is to be understood that those only are sold with the horse, and if he has been bought or claimed in a race of which it was a condition that the horse was to be sold or claimed with his engagements, this also is sufficient.

When a horse is sold without an engagement, the seller may grant or refuse the right to start for it.

When a person is entitled by purchase or otherwise to start for any engagement a horse which was entered by another person, and he is prevented by these rules from starting the horse without paying forfeits or defaults to which he would not otherwise be liable, he may, if he pay such forfeits or defaults, start the horse and place the forfeits or defaults on the forfeit list, with the names of the horses in respect of which they are due as due to himself.

59. Winnings shall include all prizes up to the time appointed for the start, and shall apply to all races in any country, and winning shall include walking over or receiving forfeit.

Winnings during the year shall be reckoned from the 1st of January preceding.

Winner of a certain sum shall mean winner of a single race of that value, unless otherwise expressed in the conditions.

In estimating the value of a race there shall be deducted the amount of the winner's own stake and any money payable to other horses, or out of the stakes by the conditions of the race, or by the general conditions of the meeting; entrance money to a purse or entrance money going to the race fund shall not be deducted.

The value of any prize not of money or not paid in money shall not be estimated.

60. No horse shall receive allowance of weight, or be relieved from extra weight, for having been beaten in one or more races; provided that this rule shall not prohibit maiden allowances.

Penalties and allowances are not cumulative, unless so declared by the conditions of the race.

Allowances and extra weights shall not be allowed or incurred in respect of matches or private sweepstakes.

Where winners of selling races are exempted from penalties, only such horses as have run to be sold shall be entitled to the allowance.

Conditions referring to maidens shall mean maidens at the time of the start.

Winners or losers of steeplechases or hurdle races are not considered winners or losers in flat racing.

61. When the last day for doing anything in relation to a race falls on Sunday, it may be done on the following Monday, unless the race to which such act relates is appointed for that day; in which case it must be done on the previous Saturday.

62. When a match or sweepstakes is made, and no weight mentioned, the horses shall carry the weights specified in Rule 36.

63. When a match or sweepstakes is made and no distance mentioned, the distance shall be as follows:

If two years old, six furlongs.

If three years old, one mile and a half.

If four years old, two miles.

If five years old or upward, three miles.

And if the horses be of different ages, the distance shall be fixed by the age of the youngest.

66. All riders must be dressed in jockey costume,—cap and jacket of silk or satin, breeches, and top boots.
The colors selected by owners are to be recorded with the Clerk of the Course, and when thus recorded, shall not be used by others except in case of death or withdrawal from the turf for five years.
A list of all colors that have been recorded shall be posted in the office of the Clerk of the Course.
67. No owner or trainer shall engage a rider or employee from another stable, who has not a written consent to his engagement from his last employer.

Any owner or trainer knowingly infringing this rule shall be fined not less than \$100, and if he continue to employ such rider or employee after notice of complaint has been served on him through the Clerk of the Course, either personally or by letter addressed to his usual post-office, he may be ruled off the course.

Any rider or employe leaving his employer before the terms of his engagement are complete, shall not be qualified to ride in any race, and shall not be allowed on the grounds of the course.

Any rider or employe prevented from obtaining employment by this rule, shall have the right of appeal to the Executive Committee, who may authorize the engagement.

If a jockey rides a race without the consent of his employer, the Executive Committee may fine or suspend him, and may also fine or suspend the owner or trainer for whom he rode.

If a jockey engaged for a certain race, or for a specified time, refuses to fulfil his engagement, the Executive Committee may fine or suspend him.

The proceeds of all fines shall be applied under the direction of the Executive Committee to the relief of sick and disabled riders and employes.

If any person be guilty of any other corrupt or fraudulent practices on the turf in this or any other country.

Every person so offending shall be ruled off the course.

Every person ruled off the course of a recognized association shall be ruled off the course wherever these rules have force

When a person is ruled off the course and so long as his exclusion continues, he shall not be allowed on the grounds of the course, and he shall not be qualified, whether acting as agent or otherwise; to subscribe for, or to enter or run any horse for any race either in his own name or in that of any other person, and any horse of which he is wholly or partly the owner, or which after one month from his exclusion, shall be proved to the satisfaction of the Executive Committee to be under his care, management, training or superintendance, shall be disqualified.

which such horse has fraudulently won in any race at any meeting.

71. When there is no specified penalty for violation of the rules of racing, or of the regulations of the course, the Executive Committee shall have power to fine, suspend, expel from or rule off the course.

If any case occur which is not, or which is alleged not to be, provided for by these rules, it shall be determined by the Executive Committee in such manner as they think just and conformable to the usages of the turf.

BETTING RULES.

1. In all bets, there must be a possibility to win when the bet is made. "You cannot win where you cannot lose."
2. If a horse entered by an incorrect or insufficient description is for that reason disqualified before the race and prevented from running, bets on that horse are void.
3. Bets go as the prize or stakes go. If, however, an objection be made and sustained, to the qualification of a horse on the ground of incorrect pedigree or nomination or other defect in his engagement AFTER THE RACE IS RUN, the bets shall go to the horse that comes first, provided his engagement was in good faith and he is of the right age, and in other respects has not transgressed the rules of racing, but if the owner of a horse, or a person on his behalf, succeed by fraud or by false statements in starting him for a race for which he is legally disqualified, the bets will go with the prize or stakes, whether any objection be made either before or after the race.
4. If a horse is illegally entered for the purpose of betting against him, and, if he comes in first, of having him disqualified, by means of an objection made AFTER THE RACE; such bets are fraudulent and void.
5. All bets are play or pay, unless otherwise stipulated.
6. All double bets must be considered play or pay.
7. Confirmed bets cannot be off, except by mutual consent or by failure to make stakes at the time and place which may have been agreed upon, in which case it is optional with a bettor not in default to declare then and there that the bet stands. If at the time specified for making

- stakes, the horse or horses backed are dead or struck out of the engagement, and a start has not been stipulated, the bettor against them need not, while the backer must deposit his stake. If there is no stipulation when the bet is made for the deposit of stakes, they cannot be demanded afterward. Bets between the members of the betting room are not governed by this rule where it conflicts with any regulation or practice there established.
8. All bets on matches and private sweepstakes depending between any two horses, are void if those horses become the property of the same person or his confederate, subsequently to the bets being made.
 9. Unless agreed by parties to the contrary, all bets between particular horses are void if neither of them is placed in the race; except bets between particular horses started for a race of heats, but not starting for a third heat, which shall be determined by their places in the second heat, and bets between such horses and a horse starting for a third heat, which are won by the latter, even though he be distanced afterward.
 10. If any bet shall be made by signal or indication after the race has been determined, such bets shall be considered fraudulent and void.
 11. The person who lays the odds has a right to choose a horse or the field; when a person has chosen a horse, the field is what starts against him.
 12. When a certain number of horses are taken against the field and among them are horses struck out of the engagement, or disqualified, or even never engaged, the bet nevertheless stands, so long as there remains one horse which is qualified to start at the time the bet is made.
 13. If odds are laid without mentioning the horse before the race is over, the bet must be determined by the state of the odds at the time of making it.
 14. When a race is postponed, all bets must stand; but if the slightest difference in the terms of the engagement is made, all bets before the alteration are void.
 15. Bets made on horses winning any number of races within the year shall be understood as meaning between the 1st of January and the 31st of December, both inclusive.
 16. If a bet is made between two horses, with a forfeit affixed,—say \$100, half forfeit—and both horses start, either party may declare forfeit; and the person making such a declaration would pay \$50 if the other horse was placed in the race, but would receive nothing in the event of his horse being placed.

17. Money given to have a bet laid shall not be returned though the race be not run.
18. Matches and bets are void on the decease of either party before the match or bet is determined.
19. Bets on a match for which a dead heat is run are void; and if the match is run over again instanter, it is considered a fresh engagement.
20. When the riders of any horse brought out to run for any race are called upon by the starter to take their places, all bets respecting such horses shall be play or pay.
21. When horses run a dead heat for a purse or sweepstakes, and the owners agree to, or by the rules of racing, divided, all bets between such horses, or between either of them and the field must be settled by the money betted being put together and divided between the parties in the same proportion as the prize or stakes.

If the dead heat be the first event of a double bet between either of the horses making it and the field, the bet is void, unless one horse received above a moiety, which would constitute him a winner in a double event.

If the dead heat be the first event of a double bet between the horses making it, the bet is void, unless the division was unequal, in which case a horse receiving a larger proportion would, in a double event, be considered as better placed in the race than one receiving a smaller sum.

If the bet is made on one of the horses that ran the dead heat against a beaten horse, he who backed the horse that ran the dead heat wins the bet.
22. If a match be run by mistake after the principals have compromised, it does not affect the betting on the result.
23. Pools sold shall not be play or pay unless so declared at the time.
