had ever delineated the genus of Pop-ologan and Musquash, in the posses-sion of the bump of admiration. Turn from the picture to the hard fact, that for want of earth the natives had to pound up stone to make roads with, s, N.B.
had ever delineated the genus of Pop-ologan and Musquash, in the posses-sion of the bump of admiration. Turn from the picture to the hard fact, that for want of earth the natives had to pound up stone to make roads with, s, N.B.
had ever delineated the genus of Pop-back again. But unlike the six hun-dred, there would be no glory in their defeat, and no man would be inspired to emulate their deeds.
had hon. members would be forced s, N.B.
had ever delineated the genus of Pop-back again. But unlike the six hun-dred, there would be no glory in their defeat, and no man would be inspired to emulate their deeds.
On Feby. 17th he had asked for the papers connected with the Botsford matter. It was a delicate subject, and
they commercial testimony? He thought not.
Mr. Austin had guarded his resolu-tion by referring to "some other com-the to make roads with, and hon. members would be forced s, N.B.

General himself. He applied the ever and he asked him about it a same style of fine word-painting in describing the country through which and smiling, as usual, and said, "Oh, desired to injure the engineer, how he fruitless mining operations. He did the Grand Southern ran, as he did in I never thought of it."

B. The resolution had emanated from a friend and supporter of the Govern-twin the pollica, while defined to higher the the form over the cost of securing the services over the cost of securing the services of a man as competent as Mr. Perley. The resolution had emanated from a friend and supporter of the Govern-twin the pollica, while defined to be over the cost of securing the services of a man as competent as Mr. Perley. How the hon. gentleman would scat-ter such a argument to the winds if it to taking up and acting on mere rumor, to taking up and acting on the taking up and acting 11. 0............ mbers who happened to considerate ference to met

of the country was entirely imagin- matter. It was a delicate subject, and grounds? Must they not relate to the John who were largely interested in ary. The Attorney General said there was no perspective in the speeches of M. P. his hon. friend from St. John (Mr. the Secretary would keep his promise A. his hon. friend from St. John (Mr. the Secretary would keep his promise Willis), but the same might be said and bring the documents down. The impossible. His hon. friend near him, by be located in the University buildured of many of the efforts of the Attorney hon. gentleman did not do so, how- (Tweedie) in his childlike and bland
