Petrograd, Oct. 22.-Via London, Oct. 23 -The powerful Austro-German offensive launched a week ago in the region south of Dorna-Watra, with the intention of driving a wedge between the Russian and Rumanian forces, preventing further Russian assistance to her new ally and regaining Bukowina, has apparently broken down before the counter manoeuvres of Russians. The Russian commander anticipating the German move, threw a large body of troops to this portion of the front, causing, according to official accounts, the Austro-Germans to fall back to their original positions.

(Canadian Press.)

Berlin, Oct. 23.-Via London, 5:45 p.m.-The Rumanian fort of Constanza has been captured by the Germans, the war office a nounced today.

Constanza was one of the principal objectives of Field Marshal von Mackensen in his campaign in Dobrudja. Thence the railroad runs westward into old Rumania.

Troops of the Central Powers have crossed the railway line running between the Black Sea port of Constanza and the River Danube at a point to the east of Murfetler, the official announcement says: The fortress of Constanza was taken by German and Bulgarian troops.

Important News for Tomorrow

Clearance of About 50 Ladies' Suits

It is our unalterable policy to sell "season's merchandise in season," and here is the real reason for this sale of suits, which consist of this season's best styles-serges, gabardines and cheviots, in Copenhagen, green and black.

They are the remaining few of a great many lines which have been this season's most popular suits, and many of same need no reduction to clear, but when sizes become broken the accumulation of odds and ends means extra stock. These have all been grouped into three lots and priced, in some cases, about half in order to effect a speedy clearance. We expect to clear the entire 52 suits in one day (tomorrow). Note the prices below:

\$15.00 to \$25.00 Suits--Sale Prices \$10.00 to \$16.50

Styles are Russian and belted, braid and velvet trimmed, and all well lined. In these you will find, collectively, all sizes in both misses' and ladies'. We cannot give individual descriptions with such a varied lot, but you will find a choice in your size if you come early tomorrow.

12 ONLY SUITS, REGULAR \$15.00. SALE PRICE......\$10.00 20 ONLY SUITS, REGULAR \$16.50 to \$20.00. SALE PRICE \$12.50 20 ONLY SUITS, REGULAR \$21.00 to \$25.00. SALE PRICE \$16.50

Considering the present scarcity of woolens and worsted materials and the advancing prices on all imported lines, above reductions are of unusual significance, as the styles are this scason's very newest.

Have You Had a Narrow Escape?

Have you ever noticed that when men are together, they will often start talking about the narrow escapes they have had. It might have London been in a train wreck, by the sinking of a boat, or the felling of a tree, or as Launcelot Gobbo said, "by the edge of a feather bed." Insurance Company

Each man seems to enjoy telling of the narrow escapes he has had in his life. Yet very few men stop to think that the escape is not their own.

If you had been killed, that would simply have closed your chapter. But how about your wife and children? If your narrow escape had not turned cut to be an escape, what would have happened to them? They probably would have been penniless.

If you have ever had a narrow escape just stop and think. When you have thought it over carefully you will think it good business to look into our insurance policies.

Chicago, Oct. 23.—Estimates that the world's 1916 crop was 25 per cent short of last year's total led to a decided new advance today in the price of wheat. Continuance of the drought in Argentina tended also to lift values, but a temporary reaction was caused by reports that the weather there was unsettled. Liverpool dispatches saying that arrivals in Great Britain were inadequate acted as a handicap on the bears. Opening prices, which ranged from 1031/26 higher, with December at \$1724/20174, and May at \$173/20174, were followed by a substantial setback, but then a fresh advance.
