ST. PETERSBURG BIG POPLACE REBELS DEFEAT RUSS IN FIGHT WITH POLICE

People Used Cudgels and Officers Flat of Their Swords in Anti-Government Demonstration

St. Petersburg, Dec. 11.—A popular anti-government demonstration, the participants in which included large numbers of students, both sexes, began at midday in the Nevsky Prospekt and lasted about two hours. Hundreds of police and mounted gendarmes, which were hidden in the courtyard of the public buildings, emerged suddenly and charged the crowd at full gallop, driving the demonstrators in headlong confusion and screaming with terror upon the sidewalks and into adjacent streets. This led to serious encounters, fifty persons being more or less severely injured. Large numbers were arrested.

Not since the riots of 1901, when Cossacks stretched across the Nevsky Prospekt from building to building, charged down the boulevard from the Moscow station to the Neva, has the Russian capital lived through such a day of excitement as this. The authorities last night got wind of the big anti-government demonstration planned for today by the Social-Democratic Labor party to demand an immediate end of the war, and the conviction of a national assembly, and leading every paper this morning in black-faced type was an explicit warning to the people at their peril to desist from congregating in the Nevsky Prospekt, near the Kazan Cathedral.

Towards 1 o'clock the workmen and students seemed to swarm toward the corner of the Hotel Europe, opposite the Kazan Cathedral. The police tried in vain to keep back the human tide. When there was not a single mounted policeman in sight, from the rear of the crowd a young man, who was holding a flag, threw a stone at the police. This was the signal. Other flags waving frantically overhead, and they were greeted with a hoarse roar. "Down with the autocracy!" the students surged into the street singing the "Marseillaise." Dispersed police men, some wheeling a squad of gendarmes.

Battalions of Police.

The doors of the cathedral were thrown back and battalions of police came out. A double squadron charged into the street, the main body drawn abreast. Five other squadrons circled the mob, cutting thru the fringe of the crowd. The main body of demonstrators stood fast only a moment, or two. There was a sharp rattle of rifles and the crowd broke up. Many were struck and trampled and blood streaming down their faces. They urged their way through the crowd, driving before them those who resisted. "Down with the autocracy!" they chanted. About only one or two abortive attempts were made at demonstrations. To-night the students of the Polytechnic Institute and bodies held meetings, at which fiery speeches were made in favor of return to the convocation of a national assembly.

Great Distress Expressed.

The demonstrators of the day of the events, all declaring that just when the Zemstvo was expected to balance the budget, the outbreak will be sure to prejudice every observer and put the fate of the country in the hands of the bureaucratic reactionaries.

Such demonstrations of the social-democratic labor party are not confined to the capital as shown by a letter received here from a prominent Zemstvoist in Southern Russia, in which the writer says: "The government is not showing a disposition to meet half way of reform. On the contrary there seems to be hesitation to do anything but to return to the path of reaction. The government seems unable to comprehend the real state of popular feeling, the importance of decisive action and the disastrous consequences of procrastination. The people of this province are in a state of great excitement. Large meetings have taken place in many parts of the province. Resolutions have been adopted; but the bad feature of the situation is the attitude of the workingmen. Incited by the underground press of Geneva and Paris, who declare themselves in complete antagonism to the moderate demands of the Zemstvoists, they proclaim a definite socialist program, declaring they want no political but social reform."

Call of Demonstration.

Following is the text of the proclamation of the Social-Democratic Labor party, calling today's demonstration: "We have raised our voices, calling for better things, but the government has turned a deaf ear to our cry. We day by day draw out a laborious existence, a condition worse than convalescence, while they convert millions into smoke and sacrifice thousands of workers' lives under incompetent generals. We are shedding our blood for our tortures, while they are entering into a new bargain with wealthy landlords and Zemstvoists. Enough! We cannot endure any longer the rule of the autocracy. Long live the Social-Democracy! Down with the war! Down with autocracy! "All who are ready to fight for our demands assemble in front of Kazan Cathedral at 12 o'clock on Tuesday. During confusion and jostling, the demonstrators freely used cudgels, and the police were compelled to beat back the crowd with the flat of their swords. "The rioting naturally was not suppressed without casualties, but none were serious."

STARK IS DEPUTY POLICE CHIEF STUART WILL RESIGN THIS WEEK

Commissioners Hold Special Meeting and Decide—Archibald Given \$300 Raise.

Deputy Police Chief Stuart will resign this week. His resignation will be accepted. Inspector of Detectives Stark will be appointed deputy chief. Staff Inspector Archibald has been given an increase of \$300 per annum. The reason of the emergency meeting of the board of commissioners of Saturday has leaked out. Deputy Chief Stuart had intimated to Chief Grasset that he would this week tender his resignation as deputy chief of the Toronto Police Force, a position he has filled with honor and credit to himself and the force for nearly 20 years. Mr. Stuart is 72 years of age, but does not look more than 50. He is active and has more vigor and vim than many of the men and officers that he has controlled for so long a period. Mr. Stuart is a native of Ontario, and is a well-known and well-liked man. He is a member of the police force since 1887, and has risen from a constable on the beat to the position of deputy chief of force, without ever asking for promotion or using outside influence to further his own ends.

The new deputy chief will be given a wide scope and great powers in the reorganization of the police department. It is left to him to recommend, in conjunction with the chiefs of the various divisions, the personnel of the force, which he will vacate. Staff Inspector Archibald will be given an increase of \$300. This will make his salary \$1750. Perhaps later on, the police commissioners will take the taxpayers into consideration and give their reasons for this. The salary that Inspector Stark will receive has not been made public. Deputy Chief Stuart received \$1900 per annum. In case Mr. Stark should receive an offer from Ottawa, a salary of \$1900 will not pay him to remain in Toronto. The Ottawa position is worth \$1800, a year and with the \$100 he will receive from the police benefit fund will bring his income up to \$2000.

CHADWICK CREDITORS WILL GET ONE AND A HALF MILLS ON THE \$

DR. EATON'S STATEMENT
Cleveland, Dec. 11.—Rev. Dr. Charles A. Eaton said to-night that he could best explain his connection with the Chadwick case by quoting from an interview with Senator Newton of Boston. In that statement Senator Newton told how he became financially involved, referring to the Eatons as follows: "I believe that both Eatons acted in a perfect good faith in the introduction and that their confidences were abused, as were the confidences of many other persons." The introduction of Mrs. Chadwick to Mr. Newton referred to resulted from a letter from Dr. Eaton to his brother, John B. Eaton, who presented the woman to the Massachusetts banker.

11-15 mills on the dollar. It is not believed by any of the attorneys in the case that the Carnegie securities will be of any account whatever. The case of Mrs. Chadwick will tomorrow morning be brought before the grand jury of Cuyahoga County. The investigation will extend only to the alleged forgery of the Chadwick note, and a report from the jury is expected no later than Tuesday. It is the opinion of some of the leading attorneys of Cleveland that a charge of forgery cannot be made to hold in connection with these notes. They declare that it is not an act of forgery for one person to write the name of another, but that the offense lies in the attempt to negotiate such a signature for a specific value. They say there is so far no evidence that Mrs. Chadwick has done.

RECEPTION TO EARL GREY MARRIED BY OFFICIAL DOM

Personal Likes and Dislikes of Nova Scotia Officials Too Much to the Fore.

Halifax, Dec. 11.—(Special)—The special train with the vice-regal party on board left Halifax at one minute past midnight, and is scheduled to arrive in Montreal in 27 hours, and at Ottawa in 30 hours. His excellency attended divine service at St. Luke's Cathedral in the morning, when Bishop Worrell of Nova Scotia preached from the text, "They bowed their heads and worshipped," and the choir sang as the procession moved, "God Save the King." In the evening Earl and Countess Grey were entertained at dinner at Bellevue, the residence of Mrs. Gen. Sir Charles Parsons, at which the military predominated. Late Saturday night their excellencies held a levee at the provincial building, which, owing to the intensely cold weather, was not largely attended. On the whole the reception was no quite the success anticipated, owing to a number of causes, the chief of which was "officialdom" at the government house, the personal likes and dislikes of those conducting the function being taken too much into consideration.

Get \$50 and Other Valuables at One But Desert \$700 at Wallace Bros' Store.

St. Thomas, Dec. 11.—The postoffice at Union, a small place about five miles from this city, was broken into one fine Saturday night or early this morning. The safe was blown up and pilfered of its contents. Fifty dollars in bills were secured and some small change. Some bonds and other valuable papers were also taken. There is no clue to the burglars, but it is supposed that the robbery was committed by the same gang who have been operating in this vicinity for two months past.

LOSES TWENTY-FOUR RINGS.

Hold Diamond Robbery in Winnipeg That Mystifies Police.

Winnipeg, Dec. 11.—(Special)—Within sight of hundreds of passengers a daring robbery was committed last night whereby the jewelry store of Thomas J. Thurnham in Spencer block on Portage-avenue, was entered and rings to the value of between \$2500 and \$3000 were taken from a window. The greatest mystery surrounds the robbery, which must have been committed by persons whose nerve was not the least prominent feature of their make-up. Mr. Thurnham left for dinner about 4:30, intending to return to the store at 7 o'clock but he did not get home until 10 o'clock. He was back at his place of business and not until he commenced to put away the more valuable pieces of jewelry for the night did he notice the absence of two trays of rings. One tray contained diamond solitaire rings ranging in value as high as \$300 each, while the other tray contained two diamond mounted and whole pearl rings. The total number of rings taken was twenty-four.
