Representative and Champion of American North Bristish and Mercantile Art Taste. PROSPECTUS FOR 1875--- EIGHTH YEAR.

THE ALDINE,

THE ART JOURNAL OF AMERICA,

ISSUED MONTHLY.

A MAGNIFICENT CONCEPTION, WONDER FULLY CARRIED OUT." The necessity of a popular medium for the

artists, has always been recognized, and many CAPITAL - - 10,0000,000 Pollars. attempts have been made to meet the want. The successive failures which so invariably allowed each attempt in this country to establish an art journal, did not prove the indefer ance of the people of America to the claims of since of the people of America to the claims of pany, is now prepared to effect insurances on high art. So soon as a proper appreciation reasonable series. of the want and an ability to meet it were shown, the public at once rabled with enthu siasm to its support, and the result was a great THE ALDINE, while issued with all the re-

gularity, has Lone of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant mi cellany of pure, light, an graceful literature; and a collection of pictures, the rarest specimen of artistic skill, in black and white Although each succeeding number all rds a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it is bound up at the end of the year. While other publication may claim superior cheapness, as compare with rivals of a similar class THE ALDINE is unique and original conception-alone and un approached—absolutely without competition in price or character. The possessor of a com plete volume can not duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost; and then, there is the chromo, besides!

entirely to the reproduction of native art. Its mission is to cultivate a broad and appreciative art taste, one that will discriminate only one ground of intrinsic merit. Thus, while placing before the patrons of THE ALDINE, us a leading characteristic, the productions of the centreturn stamp, M. Young, 188 Greenwich, N. Y. leading characteristic, the productions of the most noted American artists, attention will always be given to specimens from foreign

The artistic illustration of American scen ery, or iginal with THE ALDINE, is an import ant feature, and its magnificent plates are of a size more appropriate to the sati-factory reatment of details than can be afforded by any inferior page. The judicious intersperubjects, sustain an unabated interest, impost ble where the scope of the work confines the artist too closely to a single style of subject. . he literature of THE ALDINE is a light and praceful accompaniment, worthy of the artistic estates, with only such technical disquisitions as do not interfers with the popular interest of

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chirfly from the native herbs found on the lower ranges of the Sierra Novada mountains of California, the medicanal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vineaan Barrens?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegan Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilicus Diseases.

If men will enjoy good health, leften use Vinegas Bitters an edicine, and avoid the use of alcoholic stimulants. Dr. J. Walker's California Vinegar

them use VINEGAR BITTERS as a medicine, and avoid the use of alcoholic stimulants

in every form.
R. H. McDONALD & CO.,

No Person can take these litters according to directions, and remain long unwell, provided their bonce are net destroyed by mineral poison or os for means, and vital organs wasted beyond ropair. Grateful Thousands proclaim Vinegam Birrens the most wonderful Invigorant that ever sustained the sinking system.

Billous, Remittent, and Internitation Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially these of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumoerland, Arkansas, Red, Colorado, Brezos, Rio Grande, Pearl, Alabama, Mobilo, Savannah, Roanoke, James, and many others, with their vast tribataries, throughout currentire country daring the Sammer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other absencinal viscers. In their treatment, a purgative, exerting a powerful induces upon these various organs, is essentially necessary. There is no cathartie for the purpose equal to Dr. J. Walkel's Vixnoan Bitterns, as they will speedily remove the dark colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs. Bilious, Remittent, and Intermit-

organs.

Dyspepsia or Essingestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitations of the Heart, Inflammation of the Langs, Pain in the region of the Kidneys, and a hundred other painful aymptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Serofula or Kinn's Evyll, White Swele

its merits than a lengthy advertisement.
Scrofula, or King's Evil, White Swellings, Utcers, Erysipelus, Swelled Neck,
Gottre, Scrofulous Inflammations, Indolent
Inflammations, Mercurial Affections, Old
Sores, Eraptions of the Skin, Sore Eyos,
etc., etc. In these, as in all other constitutional Diseases, Walkers's Vinenan Barrens
have shown their great curative powers in
the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bibous, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these

Blood, Liver, Kidneys, and Bladder, these Batters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Piumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guand against this, take a dose of Walken's Vinceas Bergers occasionally. EGAR BITTERS occasionally

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncies, Ringworms, Scald Head, Sore Eyes, Erysipelas, Lich, Scurfs, Discolorations of the Skin, Humors and Discases of the Skin of whitever name or nature, are literally dug up and carried out of the system in a short time by the use of these Skins. e Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelimities, will free the system from worms like these Bitters. For Female Complaints, in roung or

old, married or single, at the save, of wou-annood or the turn of life, these Tonic Bit-ters display so decided an influence that improvement is soon porceptible.

Jaundice.—In all cases of jour lice, rest

assured that your liver is not doing its work.
The only sensible treatment is to promote
the secretion of the bile and favor its removal. For this purpose ase Vinegan Brr-Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Fimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system
