Moulton Case Takes a Peculiar Turn

Complainant Who Was Robbed Said to Have Left the Country.

The robbery case against Helen Monfton which was to have come on this morning before Mr. Justice Craig assumed rather a peculiar turn at its very beginning, extraordinary prank Brittain made two pleas in as well as unexpected. The first witness called on behalf of the crown was up in the police court this mornwas the complainant, John Edward ing. The first one was that he had Borns, and then it was learned that not been in the prisoner's hox before John Edward Burns was not at hand. to assist in the prosecution of her I who he swore had despoiled him of he had only just arrived from the his wealth. Three times did Sergeant creeks and had not been in town Holmes eall out John Edward Burns three hours when arrested. "It had but there was no answer until a moment later John S. Burns came forward and stated that he had been naed as a witness in the case but that his name was John S. and REFUSED TO not John Edward and furthermore that he was merely a witness and not the complainant. Then it devel oped that the wrong Burns had been summoned and the right one had disappeared, gone ontside or had been spirited away. The crown prosecutor ooked perplexed and his lordship was wrathy in the extreme and it looked as though there was trouble in store for some one.

The jury had already been sworn and were in the box and the representative of the crown had made a brief opening address setting forth the facts of the case which he expected to prove. The statuesque Helen sat in the prisoner's box looking the picture of despair and totally in capable of lifting a poke as she was charged, and if she knew what was to follow a moment later she gave no evidence of it, sitting as demurely as did ever Patience when smiling

as being the person who had served rant her arrest it. He was called to the stand and I Standard theatre. He had followed the advice and met Burns (John S.) nied knowing anything of the accusasked him if the name in the subpoena was his own and said that he l was merely asked if his name was looking at it. He declared he knew occupied the Malay

until it could be definitely ascertain—it is leared it means the extension of ed if the country and Crown Prose—whole Malay Perinsula."

The Xellandian left for Whitehorse ago and his whereabouts are at predictional protectors over the present year Sansterre staked the Holy See (C. A. Goubastoff) will warder. Carmen Brown, W. J. Hay.

"I am not at all satisfied with pality of Kalantan. the evidence of Burns and feel that he has testified as he has in order to shield the woman Moulton If I were positive of it I would give him a lesson that he would not soon forget. I am satisfied that no man could be an employe of the theatre where this ing his daughter from marrying a offense was afleged to have been compiled and not know something of The lather declares the girl is not marrying a control of the sound of the he has testified as he has in order to it, at least the name of the man who yet 20 years old, and he will not declared he had been robbed and was give his consent to the proposed martant Kenway.
