Most colors, most styles

**A. D. FARRAH & CO.**

Newcastle, N. B.

### 12th BRIGADE C.F.A. WILL GO TO CAMP

The 12th Brigade Canadian Field Artillery will go into camp at Sussex shortly, according to instructions received during the past day or two. The Brigade which consists of the 8th Moncton Battery, the 10th Woodstock and the 29th Battery of Newcastle, will be in charge of Lt. Col. A. E. Barton of Moncton and will go into camp at reduced strength.

Lt. Col. Barton will have as his adjutant, Capt. E. A. Young and Regimental Sergeant Major MacKinnon. Major Wallace Smallwood will be in command of the 8th Moncton Battery and he will have with him Capt. R. E. Metzler and Lieuts. Nickerson, Ackman, Pincombe and Farthing. The 10th Woodstock Battery will be in command of Major Ritchie. Each battery will take into camp a personnel of 35 all told, including five officers.

It is the wish of the Railway that a full list of such places be kept on hand for the information of travellers and they are asking the co-operation of the public, especially those who desire Summer boarders. It is felt that throughout the Maritime Provinces there are many houses where very desirable board could be secured and there is an ever growing patronage awaiting for the farmer who can offer such accommodation. Those interested are invited to send in their names along with some particulars of the accommodation offered, such as location, number of rooms, rates, etc., to the Railway and they will list systematically for the hotel and boarding house guide books published by the Railway.

### WILL LIST COUNTRY HOMES FOR TOURISTS

People having desirable homes in country districts, or at seaside places who are offering accommodation for Summer visitors or tourists, are asked to send in their names to the General Passenger Dept. of the Canadian National Railway at Moncton.

### ROLL CALL VOTE IN FAVOR OF CHURCH UNION

St. James' Presbyterian Church held a roll call vote in St. James' Hall, last night on the Church Union question, which resulted about three to one in favor of Church Union. Major R. T. D. Allen on behalf of the non-concurrents filed a protest on the following grounds:—

- 1—That the said meeting was irregularly called.
- 2—That no proper notice of said meeting had been given.
- 3—That the roll of membership prepared and presented for voting at said meeting was not a proper and legal roll under the laws constituting and governing St. James' Church as a corporate body.
- 4—That no vote had been taken by the congregation of St. James' Church under the provisions of "The United Church of Canada Act" 14-15 George V. Chapter 100.
- 5—That no provision had been made for taking a ballot according to law.

### GRADUATES ARE ALUMNAE GUESTS

A pleasant event took place last week in the assembly hall of St. Mary's Academy when the graduates of 1925 were royally entertained by the members of St. Mary's Alumnae, an association formed about two months ago. An enjoyable programme was carried out by former students of the academy, after which ice cream and cake was served. Mrs. D. P. Doyle, Mrs. P. J. McEvoy, Miss M. A. Quigley, Miss Alice Morris, Miss May McEvoy and Mona McWilliam took part in the programme.

Miss Susie Kingston on behalf of the graduating class, replied graciously to the address of the president Miss M. A. Quigley.

### Graduation Exercises And Class

The graduation exercises of Newcastle High School were held in Harkins Academy on Monday, June 29th at 7.30 p. m. Miss Edith Gulliver was the valedictorian and Helen M. Tozer, class prophet. The graduates of the 1925 class are as follows:

George Russell Allison, Elsie Doris Anderson, Richard Gordon Anderson, Daniel Dickson Ashford, Emma Beulah Beers, Ruth Isabel Bishop, Annie Bertha Copp, Ralph Edward Croft, Viola May Dutcher, Catherine Isabella Falconer, Edith Edna Gulliver, Martha Elizabeth Hill, Elizabeth Marlon Jardine, John Richard Keating, Margaret Isabel McKay, Hannah Margaret Miller, Margaret Isabel Stables, Helen Margaret Tozer Cora Elizabeth Weldon.

### POPULAR YOUNG LADY WEDDED THIS MORNING

A quiet but interesting wedding was solemnized at St. Mary's Church at 6.30 this morning when Rev. P. W. Dixon united in marriage Miss Corinne Frances Lawlor, daughter of the late James Rogers Lawlor and Francis Redman Wallace of the firm of Wallace Advertising Agency, Halifax, N. S. The sanctuary where the ceremony was performed, was tastefully decorated with white peonies and Marguerites. Miss Alice Morris presided at the organ, the choir singing appropriate hymns during the nuptial mass.

The bride, who is one of Newcastle's most popular young ladies, was attired in a navy polart ensemble suit with bodice of grey crepe and wore a Gloria Swanson hat, trimmed with grey georgette and buckles of mauve and blue. She carried a sheaf of yellow roses and white sweet peas. Miss Agnes Lawlor, sister of the bride, who acted as bridesmaid, wore an ensemble dress of pine grove green charmeen, with bodice and jabot of brown figured crepe and leghorn hat, trimmed with pink roses. Mr. Maurice Beaubien of Quebec City acted as groomsmen.

Immediately after the ceremony, Mr. and Mrs. Wallace left on the south bound express for a two week's honeymoon to be spent in the Annapolis Valley, after which they will reside in Halifax. With them goes the best wishes of a host of friends.

The bride was the recipient of a large collection of useful and beautiful gifts, among which was a handsome collection of silver, china, cut glass and linen.

### NEWCASTLE TAKES GAME FROM CHATHAM IN LEAGUE

The Chatham team went down to defeat before Newcastle in a Miramichi League game in Chatham on Friday night. The score was six to three. This is the first defeat of Chatham on their grounds this season. The visitors started the scoring in the 1st. inning and had scored again in the fourth when four runners crossed the plate. Chatham tallied all their runs in the 3rd. Veno pitched good ball for Chatham, but was given poor support. He fanned six batters and was touched for three safeties. Graham turned in a good game for Newcastle. He had six strikeouts and allowed four hits, the game was called in the sixth on account of darkness. Score by Innings.

R H E  
Newcastle 10 14 00-6 3 5  
Chatham 0 3 0 0 0-3 4 6  
Umpires Mayes and Green.

### ANNUAL MEETING MIRAMICHI PRESBYTERIAL

The annual meeting of the Presbyterian of Miramichi was held in St. Luke's church Bathurst, last week. Delegates from the various churches in the district to the number of 75 being in attendance.

Addresses were delivered by Rev. Mr. Mortimer of Tabusintac, Mrs. Forbes and Mrs. Armstrong. Miss A. B. Cameron of Dalhousie presented the treasurer's report which showed \$4293 raised for foreign missions and \$1540 for home missions during the year. A number of excellent papers were read and addresses dealing with missionary topics delivered. Officers were elected as follows:

Honorary President—Miss Archibald  
President—Mrs. J. H. A. Anderson  
Vice-President—Mrs. L. H. McLean  
Mrs. Stewart McLaughlan, Mrs. W. R. McMillan, Mrs. A. B. Carson.  
Secretary—Mrs. Osburn Nicholson  
Treasurer—Miss A. B. Cameron  
Sec'y Young People's Work—Mrs. G. A. Rogers  
Ass't Sec'y—Mrs. A. D. Archibald  
Sec'y Home Missions—Mrs. H. F. Fair  
Sec'y Literature and Reports—Mrs. Wm. Currie.  
Expense Fund—Mrs. W. Edge  
Reporter—Mrs. W. F. Copp  
Mrs. A. D. Archibald was elected to represent the Presbyterian at the meeting of the general board this year, and adjournment was made to meet at Tabusintac next year.

### NEWCASTLE CLUB NAMES OFFICERS

The regular monthly meeting of the Young People's Club of the Methodist church was held Monday evening in the vestry with a large number present. The business for the closing of the year was transacted, after which there was election of officers for the ensuing year as follows: President, Mrs. Arthur Clark; first vice-president, Miss Doris Atkinson; second vice-president, Miss Muriel Atchison secretary, Miss Jeanie Copp; treasurer, Arthur Clarke; program committee for the year, Conv. Mrs. R. A. N. Jarvis, Miss Doris Atkinson, Miss Muriel Atchison, Miss Annie Stewart and Willie Mason; sick committee, Mrs. B. F. Maltby and Miss Josie Jeffrey; membership committee, Miss Ethel Allison, Mrs. H. Austin MacNeill and Miss Myrtle Delano.

### NEWCASTLE LOSES TO LOGGIEVILLE

The locals went down to defeat on the home diamond last night when Loggieville defeated them by a 11 to 4 score. The locals were decidedly off color and lost the game on errors. Loggieville were playing good ball and kept in the lead from the beginning. Lindon and Chester Murray was the battery for the locals, while Whalen and Harriman worked for the visitors. Green umpired balls and strikes and a large number of fans attended the game.

Chatham plays in Newcastle tomorrow night the postponed game of June 22nd, and the locals play in Nelson on Friday night of this week. Last night's game between Chatham and Nelson in Chatham was postponed.

### Town Topics Tid-bits on the Tip of Everybodys Tongue

Vol. 2 No 26 NEWCASTLE, N. B. JUNE 30 1925 FREE

#### Buttons

A buttery Scotch Shortcake about the size and shape of a large overcoat button. One of the best of the new Moira Biscuits.

#### RICE CAKES

Made from fresh eggs, butter,

sugar, and the best rice flour. Another good biscuit.

#### DAISY CAKES

Third of the big new trio of tasty biscuits. Made with fresh cocoa nut. Ask for these biscuits by name. They're new—there's nothing like them.

This Diploma certifies that the above mentioned young ladies have completed with commendable diligence and proficiency the Course of Studies prescribed by this Institution are entitled to the Honors of Graduation.

## CANADA'S LOSS

"Are honorable gentlemen quite satisfied with a condition of affairs where Canada, enjoying the possession of eighty to eighty five per cent of the asbestos resources of the world, sends those out almost wholly in the raw state, procurable for them only \$7,400,000, finds them manufactured in the United States and sold over there for \$75,000,000? Are we quite satisfied with a condition where we find Canadian raw material drifting there, employing but very few in Canada but providing the material for the employment of men in forty factories in the United States? If that is all right, if that is satisfactory to the Canadian people then nothing more can be said. If it is not satisfactory, the objective must be reached of bringing to this country the benefit of its own resources"—Mr. Meighen in enunciation of the Conservative Party's policy.

In the export of asbestos, according to Meighen's figures, \$70,000,000 is lost to Canada annually. To the same degree this country is losing in the export of raw material for the manufacture of paper. One-third of Canadian production going out in the raw returns nine or ten millions of dollars.

This Diplomat certifies that the above mentioned young ladies have completed with commendable diligence and proficiency the Course of Studies prescribed by this Institution are entitled to the Honors of Graduation.

The standing of the pupils of Grade VIII. will depend upon the results of the High School Entrance Examinations.

# "SALADA" TEA

is always fresh and of full strength. It therefore draws more richly in the teapot. Try it.

### Unsurpassed For Childhood Ailments

Mrs. Howard King, R. R. No. 5, Truro, N. S., says:—"I am the mother of four children and have always used Baby's Own Tablets when any of them needed a medicine, and I can recommend the Tablets as being unsurpassed for childhood ailments." Thousands of other mothers agree with Mrs. King as to the merits of the Tablets. There are thousands of homes throughout Canada where the Tablets are always kept on hand in readiness for the least sign of any of the minor ailments which afflict little ones. Baby's Own Tablets never fail to regulate the stomach and bowels, thus they banish constipation and indigestion; break up colds and simple fevers; relieve colic and bring the baby through that dreaded teething period in safety. The Tablets never do harm—always good—as they are guaranteed absolutely free from any injurious drugs. They are sold by medicine dealers or by mail at 25c. a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### To Locate in Alberta

Matthew S. Cox his wife and child left Tuesday by C.N.R. for Alberta where they will locate. They spent some weeks in Barker's Point visiting relatives. Mr. Cox who is a half-brother of Dr. Philip Cox of the University was a resident of Zululand, South Africa, for many years, returning from that country a short time ago.

### MILL SAW BILLS

We have just printed a large quantity of Mill Saw Bills, and can supply them to the different mills either singly or in quantities.

## How Teachers Federation Will Tour Canada

(1) One of the Great Lakes steamers which will convey the party from Port Williams to Port McNicholl. (2) The ferry boat "Motor Princess" plying between Vancouver and Vancouver Island. (3) The Special Train which makes a record run across the entire continent. (4) An open observation car used on all trains passing through the Rocky Mountains. (5) A Lake Kootenay steamer. (6) An automobile waiting to take passengers over the famous Banff-Windermere Highway. (7) Night-scene has used at various interesting points of the trip.

Robert Louis Stevenson crossed the Pyrenees on a donkey. He even enjoyed the trip. Whatever physical discomforts he had to put up with were more than compensated for by the amount of knowledge he accumulated and by the deep pleasure he derived from coming into close contact with the beauties and wonders of nature. But the donkey, whatever his good points may be, is not now regarded as the most satisfactory means of transportation and we in Canada have a decided preference for the more comfortable and rapid conveyances depicted above.

The picture illustrates the general system by which the various points of the Dominion have become linked up with one another by Canadian Pacific steamers, trains and automobiles. It also shows the means by which Dean Laird's special party of school-teachers will make their educational trip across Canada, from coast to coast, leaving Toronto on July 29th, arriving at Vancouver July 27th, and returning to Toronto early in August. A special train, (No. 3 in the illustration) will be utilized, and reduced rates are being offered to teachers who desire, as it were, to complete their own voyage.

tion by increasing their personal acquaintanceship with the country about which it is their duty to instruct the rising generation. Although the tour is arranged primarily for the benefit of school teachers, it is not restricted to them, and other professional and business people are taking advantage of the opportunity to make this combined pleasure and educational trip across the country.

The party will travel by rail, with several stop-overs, to Vancouver, and from there will cross to Vancouver Island by a Canadian Pacific ferry

boat (No. 2). From there by train they will proceed from Vancouver to Nelson, B.C., and thence via steamer (No. 5) over Lake Kootenay to Kootenay Landing. By rail again on to Windermere, from where the automobiles (No. 6) will convey them over the famous Banff-Windermere Highway to Banff. Entouraging once more, the party will go on to Edmonton, returning from there to Port Williams, from which point they travel by one of the Canadian Pacific Great Lakes Steamers to Port McNicholl (No. 1) and complete the tour from there to Toronto by rail.

### ANTI-UNIONISTS OF FREDERICTON

150 Persons Subscribed to Resolution to Form New Congregation

The Anti-Unionists of St. Paul's Church, who marched out of the congregational meeting called for the purpose of voting upon the question of Church Union, took immediate and active steps for the formation of a continuing Presbyterian Church congregation in Fredericton, at their session in the George Street Baptist Church, when about one hundred and fifty subscribed to a resolution, unanimously adopted, expressing their desire to form such a congregation. The resolution is being forwarded

### PREMIER ARMSTRONG EXPECTED TO RESIGN

HALIFAX, June 26—Premier E. H. Armstrong was today enroute to Halifax, from his constituency of Shelburne, where he yesterday, suffered personal defeat in the general election which swept the government out of office, and elected a House of Assembly consisting of 40 Conservatives and 3 Liberals. While constitutionally, a government may remain in office until the opening of the new legislature, it is anticipated that Premier Armstrong will call an early meeting of his administration, and placing his resignation in the hands of His Honor The Lieutenant Governor will recommend that Hon. E. N. Rhodes, leader of the victorious Conservatives and a former Speaker of the Dominion House of Commons, be called upon to form a new government.

With the exception of Quebec, Nova Scotia is the only province in Canada operating under a bi-cameral system of government. Yesterday the regular issues of the Royal Gazette announced four appointments to the Legislative Council, bringing the membership up to 18 in a House of 21. Of the present incumbents only one, Hon. William H. Owen is a survivor of the last Conservative Thomas Thompson administration. In the event of Premier Armstrong failing to fill the three remaining vacancies, and it is not anticipated that he will make further appointments to the Council, this means that the new government will face an adverse majority of 13 in the Legislative Council.

Whether or not this will have the effect of tying the hands of the new administration remains to be proved; but for years there has been a popular demand in Nova Scotia, officially backed by both parties, for the abolition of the council. At the last session of the House a bill was introduced by Premier Armstrong, which, if passed in its original form, would have provided the machinery for the abolition of the Council, but the Upper House amended it in such fashion as to render it innocuous so far as the immediate future of the council was concerned. Under the bill as finally passed all appointments are for a ten year period, and any new appointments automatically retire on reaching the age of 75. The present president of the council is Hon. Jason M. Mack, who holds his commission from the government, and who

**SUCCESS in baking is assured when you use**

## MAGIC BAKING POWDER

It contains no alum and leaves no bitter taste

with two others, Hon. William H. Owen and Hon. Robt. Drummond have passed their seventy-fifth milestones

MONTREAL, June 26—Le Canada, Montreal, says: "The result of the elections in Nova Scotia yesterday is essentially local. Throughout the struggle its character was strictly provincial. The Conservatives at Ottawa can hardly claim any advantage from the verdict as they took no part in the campaign."

The Gazette, Montreal, says: "The Conservative sweep in Nova Scotia will cause consternation in two quarters—Ottawa and Fredericton. Mackenzie King and his ministers shivering on the brink of a general election, and fearing to launch away, will find little in the returns from the province by the sea to hearten them for an immediate plunge. Whether they decide to postpone the fateful verdict as long as possible, or conclude that it is better to risk a decision before public opinion veers still more strongly against Liberalism, their outlook is equally dark. Premier Veniot of New Brunswick, faced by the necessity for an early appeal to the voters, will also get cold comfort from the smashing success of the Conservatives in the neighboring province. The Star of Conservatism is in the ascendant."

**DRUNKEN DRIVERS**  
The best way to deal with the drunken automobile driver is not only to put him in jail, but deny him the right to drive a car for a long period after his release. The number of such drivers is large enough to constitute a grave menace to the public safety. It ought to be an established policy applicable without exception in such cases, that the menace must be removed from the highways.  
The enforcement of such a policy might tend to make the prohibition laws better observed and that certainly would be a good thing. But the immediate and main advantage would be the protection of the public. So far as this is humanly possible, it is the first duty of organized government.

### DEVELOPMENT OF GRAND FALLS

Active preparations are being started for commencing the development of the Grand Falls on the St. John river, the official sanction for which was given at Montreal on Saturday afternoon by the International Joint Commission on Waterways.

Engineers are locating the course which the tunnel will take from the dam above Grand Falls to the lower basin where the power house will be located, and another party are making a route to the Miramichi, where it will link up with the other main transmission line which will come down the St. John river valley to Fredericton which will be the junction of the line to St. John, to Chatham and across the Nashwaak and Miramichi valleys to Newcastle and Chatham—Gleaner.

ing surveys along the Canadian side of the St. John river between Grand Falls and Edmundston in connection with the satisfying of rights arising from backflowage which construction of the dam above Grand Falls will cause.

It is also understood that preliminary surveys for the main transmission lines will also be started immediately. One of the main transmission lines will run up the St. John river to Edmundston and across the north of the province to Campbellton and thence down the North Shore

stands isolated and alone, like some lonely lighthouse towering above a rockstrewn coast. A little foundation planting, some trees about, a few shrubs cuddling up to it for protection, and a vine or two climbing on the walls would make such a house appear more like a home and blend the structure with the landscape where nature does her best to erase the man-made scars.

In this country, with splendid horticultural possibilities, there is no excuse for bareness and lack of natural beauty around our churches, schools and homes. Lack of time does not altogether vindicate Canadians in this regard. There is not the urge or the appreciation of the finer things in life that prompts one to plant flowers as well as wheat and potatoes. There is some excuse in the fact that our fields are large, neighbors far between and all the landscape before our eyes for miles is alive with plant and animal life.

Farming never was, and probably never will be an occupation that provides opportunities for the acquisition of great wealth. It does provide, however, an opportunity of living and working at the same time in a little kingdom of one's own; and the more pleasant one can make his surroundings and his home the more will he get out of the enterprise, the dividends of which are not all paid in cash.

**GOOD ADVICE**  
Go home and get happy. Drop all business for awhile and rest your mind. Stop magnifying your little difficulties. Think of pleasant things and talk about them to the exclusion of the unpleasant and the disagreeable. When you go to work have a beautiful picture on your desk and whenever you may be foolish enough to worry about your affairs, look at it, study it and fill your mind with it for a few minutes. Don't let pessimism park in your brain. If you do it will crush you. The people who succeed best and are happiest are those that give the least importance to the ills of life.

**What Will You be Worth at Sixty-Five?**

IT should be an easy matter for you to have from \$5,000 to \$50,000 at 65, according to your earning capacity. Spending all you earn, relying on one day "striking it rich," can bring only an old age governed by poverty and ruled by dependence.

There is a safer, safer way of ensuring a comfortable income for your declining years. Our booklet, "The Measure of Your Income," will show you how to accomplish this.

LIBERALS LOSE IN NOVA SCOTIA

Liberals lose in Nova Scotia
HALIFAX, June 25 The general provincial elections today, resulted in a complete landslide with indications pointing to a new assembly of 40 Conservatives and 3 Liberals.

Hon. E. N. Rhodes was elected with a good majority in Haunts county.
Victoria county, an old-time Liberal stronghold, returned one Liberal by a scant majority, while Antigonish returned two.

W. L. Hall, former leader of the Conservative party in Nova Scotia, was elected in Queens along with his colleague Frank J. D. Barnjum.

Unprecedented majorities were recorded in many of the constituencies and it was estimated that the popular vote would run five to three in favor of the Conservatives for the province as a whole.

A feature of the election was the defeat of the Labor candidates by the Conservatives in the mining constituency of Cape Breton East. The remaining eight Laborites offering in the contest lost their deposits.

HALIFAX, June 26—Last night Premier E. H. Armstrong at Shelburne, gave out the following statement:

"Latest information unmistakably indicates that a substantial majority of the electors have come to the conclusion that a time for a change had arrived. The outstanding majorities in many of the counties, clearly show that a popular verdict has been rendered against the government. It is quite impossible at this distance, and without the full facts before me to arrive at any well reasoned cause for the defeat of the government. The Liberal party had as fine a line up of candidates in the field as ever presented themselves, to the electorate for support, and that they had put up a gallant fight against overwhelming odds, will be admitted. The decision character of the verdict, would seem to indicate that there is no very practical desire for a 'redress of our economic ills. I am satisfied however, that the determination of our people to secure a redress of their grievances will have to be dealt with."

"I wish to express my sincere and warmest thanks to all candidates and party friends for their splendid support and hard work during the campaign."

paign. The government appealed to the people with a constructive programme that we felt deserved support. It can only bow to the popular will. I am convinced, however, that the policy which the government put forward, and supported, must in the interests of the province, some day be ripened into action.

"There is little doubt that there were many causes contributing to our defeat for which the government was held responsible. It was more than evident, that many irrelevant issues were raised by the opposition for which the government was neither directly, nor indirectly, responsible. These all had their effect. The opposition have sown to the wind—they must now reap the whirlwind."

The Morning Chronicle editorially says in part:

"It is a veritable Opposition sweep from end to end of the province. The Opposition have elected forty of their candidates, and only three of the Liberal candidates have been returned. Not only have the Opposition secured a majority in the House of Assembly, which has not been approached since the general election of 1901, when thirty-six Liberals and two Conservatives were elected; in practically every case the Conservative candidates have been returned by majorities so large, as to be quite abnormal, if not phenomenal—majorities which count up into the thousands in several counties, and in Halifax, Colchester, Cumberland, Cape Breton and Pictou, run into very large figures. The Opposition have won close fighting constituencies, and they have carried as well old time Liberal strongholds."

"However greatly we regret the outcome, we have no desire or intention of minimizing the extent either of the victory for the Opposition or of the reverse suffered by the Liberal party throughout the province. It is too early to estimate the influences which brought about the downfall of the government, but probably the chiefest of these was the prevailing business depression and cry of 'hard time's which always is the strongest and most deadly foe of a government and the party in power, notwithstanding the fact that the provincial government was not responsible for and had no control over the state of business and industrial inactivity, attributable largely to world-wide conditions."

"The Liberal party in Nova Scotia has fought many fights. It has suffered defeat as it has celebrated great victories. It has been strong in victory. It will be steadfast in defeat. Nova Scotia is traditionally and under normal conditions, a strongly Liberal province. Let there be no mistake about it. The Liberal party is defeated, but is not dismayed. It will rise from the present temporary debacle of its battle line, to reorganize its forces and live to fight another day for the great principles for which it has stood through all the years. It must face now, the task of reorganizing its ranks, of retrieving as best it may its losses and of setting its face steadfastly and resolutely now in the future as in the past to the great duty of service for Nova Scotia first."

Last night, Hon. E. N. Rhodes gave out a statement in which he said:

"The magnificent victory achieved by the forces of the Opposition in today's contest, I do not regard as a victory for the Conservative party alone, but rather a victory of the whole people—Liberal, Conservative, Labor, Farmer and Independent—who have risen in their might to wipe out a government which through long tenure of office, has regarded itself as all powerful, and in consequence has lost touch with the people."

"This expression at the polls, is an evidence that the people are determined to assert that they are the real masters and in consequence their verdict means that restoration of a responsible government to our province, which has always tried itself (Continued on page 5)

A Letter Explaining the Development and the Object of Golf Club

Bushville, N. B. June 22nd, 1925
To Editor "Union Advocate"
Newcastle, N. B.

Dear Sir:—
The Directors of the Miramichi Golf Club Limited feel that the public would be interested in knowing just what has been done along the line of developing the club, therefore the object of this letter is to give as much information as possible in a limited space.

As the matter stands today the club has been officially organized and the officers have been appointed as follows, G. Percy Burchill, President; R. Cory Clark, Vice-President; H. B. McDonald Treasurer and J. L. O'Brien, Secretary. Committees have been named to solicit stock subscriptions as well as memberships and thus far they have met with fair success. The property at Bushville has been leased at a favorable rental for a term of ten years with the option to purchase within that time. The Professional Golfer from the Celebrated St. Andrews Links spent two days on the course so that the club would get off to a good start with properly laid out grounds, which is one of the most important items to be considered. The ultimate object of the club is to have a nine hole course but the plans are to go along in an easy manner and construct two or three holes each year rather than make a large initial expenditure and endeavor to construct the course at once entirely. In this conservative manner the expense will be easily distributed and a much better course will eventually be the result. At the present moment work is going on constructing a temporary course that will serve until the regular holes are put in playing order. The layout is so planned that this temporary work will eventually fit into the general scheme therefore this work will not be lost. It is expected that this temporary course will be ready for play within two weeks but in the meantime the club wish it known that Bushville is an ideal spot for entertaining and with this thought in mind mention must be made of the splendid beach on the property where bathing can be enjoyed. The bathing and boating should be one of the chief attractions for those members that do not intend to play golf. The Bushville property, as is well known has a splendid old stone house with large rooms making an ideal club house for social entertainments of any nature. With all these attractions that the club can offer coupled with the fact that it is centrally located on the tarvia road and also considering that on the property there is a wharf where the river steamer calls daily or where private boats may dock surely such a combination of attractions will prove a wonderful source of enjoyment for all people who wish to become members. The club house should develop in a short time into the chief meeting place for the entire community.

While the object of this letter is to give information showing how far the club had progressed since its formation still the Directors also wish to give information regarding the membership. If those desirous of joining would get in touch with Messrs H. B. McDonald, J. W. Brankley, F. M. Tweedie, David Ritchie, D. S. Creaghan or John Russell they could obtain full particulars. The members are divided into two principal categories, viz., Share Members who are owners of at least one share of \$25 who have voting privileges and ordinary members who are not share holders and have no vote. The annual subscription for both classes is \$50

for gentlemen and \$40 for ladies; but for those ladies not wishing to play golf an annual subscription of \$5.00 has been arranged.

but as the club is being developed really in community spirit so that the people of the Miramichi may have some place to enjoy themselves and meet their friends and entertain visitors the directors feel that as many as possible can should become stock subscribers. The shares are \$25 each and by buying the stock you are really doing the district a service. Unless sufficient stock is sold the club will find it difficult to carry on and in any case if a small quantity of stock only is sold the activities of the club will be limited. Therefore if

## \$11,000 RAISED TOWARDS NEW CHURCH

FREDERICTON, June 26—Subscriptions amounting to \$11,000 towards the erection of a new Presbyterian church in Fredericton, for the members of St. Paul's church, who have voted non-concurrence in the Church Union, were announced by Col. T. G. Loggie, D.S.O. at the weekly meeting of the Fredericton branch of the Presbyterian Church Association, last night, when further steps were taken towards establishment of a continuing Presbyterian church in Fredericton.

Included in the subscription was the sum of \$5,000, which had been bequeathed by the late Mrs. Ads

Loggie, wife of Col. Loggie, to the Missionary Society of St. Paul's Church, with the proviso that the bequest become effective only if St. Paul's continued as a Presbyterian Church. St. Paul's Church congregation having voted to go into church union, Col. Loggie announced that, after consulting solicitors, and conferring with the Trust Company named as co-executors under the will it had been determined to make the \$5,000 available as the initial subscription to the fund for the new Presbyterian Church in Fredericton. This he said, feelingly, met the wishes of the testator.

Colonel Loggie further announced that he would add an additional \$1,000 as his preliminary personal subscription to the building fund, and he further stated that he had, during the day, changed his will so as to provide a bequest for an additional

## WEDDINGS

MORELL—YOUNG

A very attractive wedding was celebrated at the Windsor, N. S., Baptist Church at 3.30 Wednesday afternoon, when Rev. F. S. Kinley performed the marriage ceremony of Margaret Anne, daughter of William A. and Mrs. Young, and Arthur Herbert Morell of Newcastle, New Brunswick, accountant in the Halifax branch of the Royal Bank of Canada. The bride one of Windsor's most popular young ladies, looked lovely dressed in a handsome ensemble fawn suit and hat of coral and sand color. A shower bouquet of carnations and sweetpeas added to the perfect and altogether artistic costume.

The bride, escorted by her father, who gave her in marriage, entered the church to the accompaniment of "The Voice That Breathed O'er Eden," sung by the choir, with Mrs. W. E. Dimock presiding at the organ. The Misses Pearl Frizzell and Gladys Slack, young lady friends of the bride acted as ushers. The church had been handsomely decorated with flowers and foliage for the happy occasion by the many home town friends of the bride.

The wedding was quiet, only the immediate relatives and friends being guests, but a very large number witnessed the ceremony at the church. Among the guests were the groom's mother, Mrs. Walter Morell, and sister, Miss Annie Morell from Newcastle, N. B.

The bride was the recipient of a large number of useful and beautiful gifts among which was a handsome collection of silver, knives and forks from the staff of the Royal Bank at Halifax and a silver tray from the staff of H. E. Wilson, druggist, Windsor.

A shower for the bride had been given by her girl friends on Tuesday last week when a large collection of presents testified to her popularity among hosts of friends and well-wishers.

Mr. and Mrs. Morell left by the afternoon train for Halifax, where they will reside. There were many present at the station to wish the happy couple the best of luck and distribute showers of confetti.

## MONCTON MUSICIAN GETS NEW POSITION

Prof. Franklyn Glynn, whose skill as a musician is well known in the Maritime Provinces and who is prominent in Moncton musical circles as organist and choirmaster of Central Methodist Church, will leave this week to take up his new duties in All Saint's Episcopal Church, Worcester, Mass.

Prof. Glynn was recently chosen for the Worcester position from a large number of candidates. He will be organist and leader of a splendid professional choir of men and boys. Prof. Glynn came to Moncton from Brighton, England, in 1922, taking the position in Central Methodist Church, resigning in 1923. He returned to Moncton from Eau Claire, Wis. in August last.

He has been very active in musical circles having since his return to this city directed the Moncton Male Choir and the ladies' choir, talented organizations whose singing has won high praise.

Prof. Glynn is a director of unusual ability. He is known to a large number of radio listeners through his work at the Maritime Broadcasting Station of the C. N. R.

\$5,000 for the fund upon his death. Before the meeting closed steps were taken which it is expected will lead to the first services of the new Presbyterian church congregation being held on Sunday. Provisions for a Sunday School for the continuing Presbyterian church were also made.

## PERSONALS

Frank Park is spending his vacation at his home here.

Miss Mary Fletcher spent Thursday in Chatham.

Mrs. Andrew McMurray was a visitor to Moncton last week.

Mr. Wilson L. Brown, of Waterville, N. Y. is visiting Mr. W. F. Smallwood.

Miss Margaret Evans of Shediac is the guest of Mr. and Mrs. O. Nicholson.

Mrs. L. H. Giberson of Plaster Rock is visiting her son Mr. P. R. and Mrs. Giberson.

Messrs W. L. Durick and C. M. Jackson attended the druggist's convention in Woodstock.

J. B. Hawthorne, Chief Liquor Inspector of New Brunswick, was a visitor in town on Wednesday.

James and Michael McCabe returned last week to Montreal to resume their duties in that city.

Mrs. Harry Gorman of Marysville spent the last three weeks visiting friends in Black River and Newcastle.

Mr. and Mrs. W. R. Watson of Medicine Hat are guests of the latter's brother Mr. R. K. and Mrs. Galloway.

Mrs. John Williamson, who spent the winter with friends in St. John and Oak Bay is visiting friends in Newcastle.

Miss Helen Rogers of Boston Mass. and Miss Lillian O'Kane of Chatham, spent Friday with the latter's sister Mrs. W. J. Deredin.

Mr. Reg. Cottor returned from Halifax, N. S., last Friday after a two week's vacation spent at his home in that city.

Mrs. Michael Coughlan and Sterling little son of Mr. and Mrs. Stewart Stables are visiting in Loggieville the guest of Mr. and Mrs. John Landry.

Mr. George Wilson of St. John is supplying at the local Customs House during the absence of Mr. James Sullivan, who is at Camp Sussex.

Mrs. J. B. Weed and little daughter of Portland, Me., are visiting in town, the guests of Mrs. Weed's parents, Mr. and Mrs. Wm. Condon.

Miss Iris Forrest has returned from Halifax, where she has been attending school and will spend the vacation with her parents Mr. and Mrs. Herbert Forrest.

Rev. S. J. McArthur of Smiths Falls, Ont. formerly pastor of St. James' Presbyterian Church here, was in town on Tuesday and Wednesday of last week. His many friends were delighted to see him.

Miss Marguerite Bateman of Millerton left on June 15th to spend the summer with her grandparents, Mr. and Mrs. Joseph Arseneau, and her aunts, Mrs. G. F. Royal, R.N. and Mrs. Leroy McCready of Bangor.

Miss Mary Sinclair student at Netherwood School for Girls, Rothersay and Master Billy and Ned Sinclair, of St. Andrew's College, Toronto, are spending their vacation with their parents Mr. and Mrs. E. H. Sinclair.

## SERIOUS FIRE AT BATHURST

Bathurst, June 26—Several thousand dollars damage was caused by the smoke and water when a fire of unknown origin occurred in the store of H. A. Melanson in West Bathurst this evening. The origin of the fire is a mystery, as Mr. Melanson and his staff had closed the store at 6 o'clock and at that time everything seemed in proper order. Smoke was seen issuing from the building at 6.30 and an alarm was sent in from box 224. The firemen responded quickly and soon had three streams of water playing on the blaze. It was nearly an hour before the fire was under control. The damage is covered by insurance.

## HARNESS RACING ON CHATHAM TRACK

Thrilling heats and close finishes marked the opening day of Chatham's Curtain Raiser Meet. Three events were run off, a county race, 2.19 trot and pace and 2.17 trot and pace. The meet was attended by a fairly large crowd.

Owned by W. M. Sullivan, of Redbank, Aubrey McKinley won the county race in three straight heats, though in the final heat, Joe Niles was but a neck's length behind. Aubrey Wilks went lame after the first heat and it took four heats to decide the 2.19 trot and pace after Miss Atlantic had taken the first heat. Emotionless copped the race by winning the next three heats and she was hard pushed by Kate Volo. In the fourth heat David Hal, a Saint John horse, won the 2.17 trot and pace in three heats and he was never headed. Lacoia the Great and Bonnie Bingen a local horse, put up a great fight for second place in the final heat of this race.

The second and final day of the Chatham meet attracted a large crowd of spectators to the speedway Thursday where they saw some exciting finishes.

The Named Race went in straight heats to Lucky Strike, but in the others there was a fight for the money. In the 2.24 Hillsboro Pete, Mr. Avery's striking looking entry got second place in the first heat, but climbed into the pole on the second and after that was never headed.

The Free for All furnished the real fireworks of the afternoon, however. In this, Dr. Gano had taken first heat but in the second heat Tommy Holmes behind F. J. Devlin had by a hard drive passed the Dr. and ended in the lead in the fastest heat of the meet, 2.17 1-2. Then came the crucial third, with Devlin at the pole and holding the lead, until after the seven eighths pole was passed. At this point Tommy swayed about a foot to the right and Dr. Gano's owner and driver, seeing a chance to pass the leader on the inside, shot up quickly with this intention in view. Before however he could get even with the Fredericton horse the latter closed in towards the pole about one foot and Dr. Gano's sulky wheel was behind Devlin's sulky with insufficient room to pass between Devlin and the fence rail. As there was not time to drop back and go around Devlin, Mr. Rice and Dr. Gano were very nicely pocketed and came in second.

Mr. Rice at once protested vehemently to the judges after expressing his feeling towards Mr. Holmes in no uncertain language as they passed beyond the wire. The judges debated and heard both sides and finally placed Dr. Gano first and T. J. Devlin second for swerving on the track. Single G. who had many admirers could not do better than third money in this event, although he got a second position in the first heat.

## Liberals Lose In Nova Scotia

(Continued from page 4)

On the fact that we were the first of the British Colonies in North America to secure the right of representation which led to responsible government.

"It will be my endeavor, when called upon by His Honor the Lieutenant Governor to do so, to form a government, which will be truly representative and composed of men who will command the confidence of the people. I am deeply sensible of the great responsibility which has been placed upon my shoulders, and though fully conscious of my limitations it will be my earnest endeavor to cope with the many and grave problems confronting the province, which to-day, finds itself in a sorry condition."

"A particularly gratifying feature of the campaign has been the consistent and persistent course pursued by our candidates and those who assisted them on the platform in discussing the true issues. That there is a sound body of public opinion in the province is demonstrated by the size of the unprecedented majorities given by an electorate who so readily discerned and therefore turned in disgust from the changes of the government, in their varying attitude upon so many important questions.

"In its struggle to retain power, the Armstrong administration and those who supported it, made the mistake of attempting to play politics at a time when we were confronted with a grave situation, with respect to which a serious-minded and tax-burdened people had the right to expect, at least, an effort at some reasonable solution.

"To the candidates, many of whom made very great sacrifices in presenting themselves, to the great body of loyal workers, who gave of their best unsparingly, to the press, as a whole and to the electors of the province, I tender my grateful thanks."

### New Strength For Weak Girls

Can be Had Through the Rich, Red Blood Made by Dr. Williams' Pink Pills

There comes a time in the life of almost every girl when weakness attacks her. The strain upon her blood supply is too great, and there comes headaches and backaches, loss of appetite, attacks of dizziness, heart palpitation, a constant weariness and a tendency to a decline. All these symptoms may not be present in any particular case, but the presence of any one of them shows the necessity for prompt treatment. And the very best treatment is through the blood making tonic qualities of Dr. Williams' Pink Pills. They are the one thing needed to maintain the health of growing girls and women of mature years.

Here is a bit of strong proof:—Miss Matilda Breen, King Highway, Newcastle N. B., says:—"I was in an extremely run-down and nervous condition. I was losing flesh, had a poor appetite, always pale, and suffered frequently from headaches. In fact my condition can best be described as miserable. I had tried several treatments but they did not help me in the least. Then, reading one day about Dr. Williams' Pink Pills, I decided to try them. After using three boxes I was much improved, but continued until I had taken six boxes, with the result that I am now well and strong, with good color and a hearty appetite. In view of what Dr. Williams' Pink Pills have done for me I cannot recommend them too highly."

You can get these pills from any medicine dealer, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### Protection For Fruit Grower

Throughout this and previous sessions the representatives of the fruit and vegetable producing districts of Ontario and British Columbia have been demanding protection for their industry. Their demand has had no response from the Government. American potatoes and other vegetables have been permitted to drive Canadian produce from the market. Home grown vegetable and fruit stocks are allowed to decay while the market is supplied from the neighboring republic. The loss to Canadian growers amounts to millions of dollars annually. In Western Ontario and in the valleys of British Columbia growers with large investments are struggling against discouragement. An industry capable of turning over hundreds of millions of dollars a year is being blighted by unnecessary competition. Mr. Meighen, the policy on which he is about to challenge the Government before the country, is assuring protection for this industry. The preservation of the fruit and vegetable producing activities of Canada does not mean merely prosperity for those engaged in them. It means as well an increased buying power for large sections of the Canadian people to the ultimate benefit of the entire community. The consuming as well as the producing elements of the Canadian people will reap the profit. The Canada-first policy of the Conservative party has an effective illustration in its application to this one industry.

### NERVES AND FAINTING SPELLS

Sent Woman to Bed. Great Change After Taking Lydia E. Pinkham's Vegetable Compound

Sarnia, Ontario.—"After my girlie was born I was a wreck. My nerves were too terrible for words and I simply could not stand or walk without pains. I suffered with fainting spells until I was no longer any good for my household duties and had to take to my bed. The doctor said I should have an operation, but I was not in a fit condition at that time. My neighbor said, 'Why don't you try Lydia E. Pinkham's Vegetable Compound?' I am sure it will do you good and will save those doctor's bills. So I was advised by my husband to try it after I told him about it. I am very thankful to say that I was soon able to take a few boarders for a while as rooms were scarce at that time. My baby is 17 months old now and I have not yet had an operation, thanks to your medicine. I have recommended the Vegetable Compound to a few people and have told them the good it has done me. I know I feel and look a different woman these last few months, and I certainly would not be without a bottle of your medicine in the house. You can use this letter as you see fit as I should be only too glad for those suffering as I have to know what it has done for me."—Mrs. ROBERT G. MAC GREGOR, R. R. No. 2, Sarnia, Ontario.

A recent canvass of women users of the Vegetable Compound report 98 out of 100 received beneficial results. This is a remarkable proof of its merit.

### WHO OWNS THE POLE?

It is not now "How Old is Ann?" but "Who owns the Pole?" that is providing the newspapers with items for its jokes. Canada has made tentative claim to everything up to the Pole, and hopes to prove that claim; but when the day comes, as it will, when the scientists will agree upon its location, who then will assert ownership of the much discussed long sought for Pole? Commodore Peary some sixteen years ago claimed discovery of the Pole, and planted the Stars and Stripes on the point he identified as the zero point of latitude taking possession of the "roof of the World" in the name of the people of the United States. Amundsen, according to some reports, went prepared to plant thereon the flag of Denmark and to take possession of the roof of the world in the name of his sovereign. The MacMillan expedition is supplied with Canadian flags out whether they are to be used to decorate the Pole and to take possession of it in the name of Canada's King is not definite.

Professor Otto Basch of Berlin has now come forward with the declaration that as a result of investigations carried on by him in his study, he is convinced that Peary did not reach the Pole by three kilometers, which may or may not be so. Peary said the Pole was in an open sea, that is if a sea covered with thick ice can be called open; the point is that it was not land, which, according to some authorities, may be claimed for a sovereign while seas cannot. To the man who is more concerned with getting in his winter coal, or the future of his garden than as to whom the roof of the world belongs, all this discussion must seem futile. But says the Saint Louis Globe-Democrat, remember Alaska and how we! that supposedly worthless strip of frigidly has turned out for the United States, and take an interest in the flag-planting efforts of the nations. The earth is said to have shifted on her axis and converted the ice-capped regions of the world into flowery kingdoms. She may do so again and then the coal and oil, the minerals and all the vast stores of wealth that are known to be in the Arctic may be in the centre of a vast summer resort. Stranger things have happened in the world and it will be just as well that those Canadian flags should be in place for that event. While the whole thing is very much in the future the rapid strides that science takes is altering living conditions, is eliminating distances, and it is quite in order to ask for an answer to the query as to who really does own the Pole? It has been pointed out that the setting up of a flag does not mean much since the stability of the emblem cannot be guaranteed in a region where all things suffer from the winds and storms. The Canadian flag, the Danish flag, the American flag, three good flags, but each dependent upon the accuracy of the scientific observation and calculation for a permanent abode on the Roof of the World. If this question as to ownership were settled, it would bring with it time for a discussion of mine ownership, oil developments, the price of Arctic coal and other matters pertaining to Arctic settlement which will be upon us before long with the projected idea of an air service round the world via the Polar route.

## Canada's Affairs Discussed at Railway Meeting

President of great National Institution Tells of Country's Business Conditions and Discusses General Railway Situation — Immigration Shows Signs of Coming Improvement.

A glimpse at a corner of the big room in which Canadian Pacific Shareholders gather to hear the annual address of Chairman and President E. W. Beatty on national business conditions and the Company's affairs.

The annual shareholders' meeting of the Canadian Pacific Railway is one of the important financial events of the year as naturally follows from the position held by that company as a great national institution the activities of which touch every branch of Canadian life. On the first Wednesday in every May the shareholders gather to hear the president tell of the company's past year and to elect directors to carry on its great work. At these meetings are always to be found many of the country's leaders in industry, commerce and finance representing all parts of the Dominion, and the president's report is looked upon as an epitome of business conditions throughout the whole of Canada. Of course, all the shareholders cannot attend, they are far too many and they are too widely scattered, particularly in recent years when the holding of Canadian Pacific stock or bonds has greatly grown in popularity among the small investors of the country. If all were present the gathering would be a great mass meeting and the country towns, villages and even the farming districts of Canada would be represented to a surprising extent.

The meeting was this year held on May 6 and the chairman and president, Mr. E. W. Beatty, drew attention to the company's lessened earnings during 1924 which had resulted from a decrease in the movement of manufactured articles and a smaller crop movement for the year. These conditions, he said, had continued during the first three months of the present year, but during the month of April the decrease in gross earnings were appreciably less which gave ground for the belief that conditions were slowly improving. With a good crop, particularly in Western Canada, there was cause for confidence that the results of the year's operations

would be reasonably satisfactory. He pointed out, however, that neither rail nor ocean traffic had reached normal proportions and that until they did so the company's expenditures for capital, maintenance and general operation must be curtailed so far as may be without impairing the high standard at which the property has always been maintained. Mr. Beatty referred to the government proposal to subsidize a line of freight steamers on the Atlantic and pointed out that particularly during the past two years Atlantic shipping operations have been conducted with very unsatisfactory financial returns. He said the companies felt they had been placed on trial, and therefore were making the fullest disclosures of the traffic conditions and of the results of the operation of the Canadian Pacific Steamships, Ltd.

Attention was drawn to the need of an aggressive immigration policy and the unsatisfactory results so far this year when 16,792 immigrants came to Canada as against 23,880 during the same period of the previous year. Mr. Beatty pointed out there was nothing fundamentally unsound in Canada's immigration laws, but there was an apparent lack of concerted and definite policies in Great Britain and on the continent. There was encouragement in the fact that emigration from the British Isles was becoming more active, enquiries from the United States were becoming more numerous and the continental field showed considerable promise.

In this address Mr. Beatty felt impelled by the prominence which the general railway situation has recently been accorded in parliament and through the country generally to make some references thereto. He noticed and welcomed an awakening of public interest quite contrary to the disinterested apathy heretofore

displayed by Canadians towards transportation matters. Mr. Beatty drew attention to the statement often heard that the present railway situation in the Dominion was due to the failure in former years of private undertakings, the inference being that defects of private ownership and administration resulted in the establishment of public ownership. Mr. Beatty pointed out that the principal causes of the present unsatisfactory conditions "was undoubtedly the formation from time to time of policies of extensive new construction and duplication of existing lines, in most, if not all cases by the government or with government assistance and in anticipation of a much greater development than the country has enjoyed."

Failure was almost inevitable, Mr. Beatty continued, since the undertakings were so far in advance of the country's existing or immediate future requirements, and it did not to him seem material whether the over-ambitious projects were launched by the government of the day or were conceived by individuals or companies. In each case these undertakings received the financial support of the government and the approval of the people of Canada, without which they could not have been completed, but in neither case could their break-down be attributed to private ownership.

In consequence of the existing conditions, there was, said Mr. Beatty, a general and deep-rooted desire for railway economies, for the elimination where possible of intensive competition and duplicate services and the utilization where feasible of joint instead of separate terminal facilities. In this connection the president of the Canadian Pacific Railway pointed out that the position of his company was unique. He stated that many of the lines of railway now forming the National System were not constructed as part of one

railway conception, but were conceived and designed to compete with each other as separate transportation units, while each of them, in addition, was in competition with the Canadian Pacific system.

The consolidation of the National System had, he said, brought, in consequence under one administration, lines which were originally designed to be competitive and in no sense part of a unified system. On the other hand, the Canadian Pacific Railway had been conceived and constructed as one system, had been extended from time to time always as a single system, each part of which was planned to support the other. There had further been heavy expenditure of public monies with a view to bringing the national system lines to a higher state of efficiency, in particular by the addition of much modern equipment and power. Since little new traffic had been developed in Canada in the last five years and a very moderate amount of new territory opened, the expenditures were aimed to take from the Canadian Pacific Railway as much as improved service and large expenditures could accomplish.

As to the larger question of the future relations which the two systems would bear to one another, Mr. Beatty said: "We propose to work to the greatest possible harmony with the National Railways consistent with the interests of your property and of its owners. I am convinced that the vast majority of Canadians, especially the business interests of the country, do not desire to see the company either absorbed or menaced. I should add, too, that no proposals of any kind from the company to the Government or from the Government to the company have been made save those to do with the question of reducing economic waste through the elimination so far as possible of duplicate services."

### A LARGER HOME MARKET

Speaking on his tariff resolution in the House of Commons, Mr. Meighen asserted that if Canada produced all the textile goods the factories of this country have capacity to produce in the way of installed machinery there would be employment for men and women drawing wages of \$100,000,000 a year. This is only one phase of the effect to be achieved by the Conservative Party's policy of protection for Canadian industry and of the conservation and manufacture within the Dominion of the raw products of this country. But the tremendous benefit to the entire country from the protection of this one industry can be readily grasped. It would mean \$100,000,000 a year added to the purchasing power of the Can-

adian people. That additional amount of money would go into the pockets of other Canadian producers and those dealing in Canadian products. Farmers, laborers, artisans, manufacturers and merchants would share in its distribution. An increase of \$100,000,000 in the purchasing power of the home market from the protection of one industry alone raises some vision

of the prosperity to be achieved by comprehensive policy of protection that will ensure the activity and expansion of existing industries and the acquisition of new industrial establishments for the manufacture of Canadian raw materials employing additional tens and hundreds of thousands of Canadian workers.

**Here and There**

Record catches of mackerel are  
reported from Yarmouth, N. S. and  
nearby fishing villages. One man  
at Cranberry Head took over 150  
barrels of fish from one trap and  
another fisherman at Burns Point  
reported over seventy-five barrels  
from a single trap.

Thirteen ships with a total of  
7988 head of Canadian cattle left  
Montreal during May and three  
more ships left during the first  
week of June. Canadian cattle are  
now stated to be in strong demand  
in the British market despite Irish  
and English competition.

The reconstructed Basilica at  
Ste. Anne de Beupre which was  
destroyed by fire in 1923 will be  
open to the public on the second  
Sunday in September according to  
a recent report and it is expected  
that the huge pilgrimages to the  
famous shrine will shortly be re-  
sumed.

A remarkable wave of interest in  
Canada is sweeping Great Britain  
at the present time and all sorts of  
information is being sought by  
British firms as to conditions in  
the Dominion according to F. W.  
Mottley superintendent of the Domi-  
nion Express Company of Canada  
for Europe who arrived here recent-  
ly for a trip across the country.

Canada's third largest industry,  
its tourist traffic showed an in-  
crease of 60,000 in the National  
Parks for 1924, according to a re-  
port issued by Commissioner J. B.  
Harkin. Banff and Lake Louise,  
in the Rocky Mountains, showed a  
combined advance of 15,000 visitors.  
At Banff 1,693 camping permits  
were issued.

Robert E. Barlow, manager of  
Walter Hagen, announces that the  
British Open Championship winner  
will make a golf tour of Western  
Canada this summer visiting Win-  
nipeg, Regina, Calgary and the  
famous Rocky Mountain course at  
Banff. Hagen has won the Brit-  
ish Open Championship twice and  
the United States Open Champi-  
onship once.

Arrangements have been com-  
pleted for staging the biggest In-  
dian Pow-wow ever held on the  
North American Continent at Mac-  
leod, Alberta, early in July. Thou-  
sands of Indians from the Bloods,  
Blackfeet, Peigans, Crows, Crees,  
Stonies, Sioux and representatives  
from the Six Nations, in the East  
will take part in the historic and  
picturesque pageant.

A Canadian Pacific Railway  
freight train was recently held up  
near Lemberg, Sask., by a swarm  
of tent caterpillars which inter-  
fered with the functioning of the  
drive wheels on the greasy rails,  
where the insects had gathered in  
millions. All efforts to plow  
through or remove the swarm were  
unsuccessful and no progress could  
be made until half the cars were  
discharged.

Preparations are practically com-  
plete for the 1925 Calgary Exhibi-  
tion and Stampede. It is antici-  
pated that the stampede this year  
will be the biggest ever held. It  
has been extensively advertised in  
Canada and the United States, and  
a large number of inquiries have  
been received from interested par-  
ties, who anticipate being present.  
Entries have been received from all  
the best known riders and ropers  
on the continent, and the large  
number of valuable prizes offered  
for competition ensures that the  
spectator will see the best that can  
be offered in the way of broncho  
breaking, roping, wild steer riding,  
etc.

**Stiffness**  
It is astonishing how  
quickly Minard's Lin-  
iment relieves stiff-  
ness and lameness.

**Gives Great  
Relief**

Min. A. R. Colcott, 24  
Park Ave., Conch, Ont.,  
writes: "My lameness  
and Minard's Liniment  
disappeared, always with  
good results. Friends of  
mine use it for rheuma-  
tism and tell me that  
it gives great relief."

Min. A. R. Colcott, 24  
Park Ave., Conch, Ont.,  
writes: "I suffered very much with rheumatism in my feet but  
was relieved immediately after first application.  
I purchased in using it and it had entirely gone.  
This winter I can go out without tying up my feet  
and give the credit to Minard's Liniment. Have  
told several people about Minard's, and others are  
using it."

**MINARD'S  
King of Pains  
LINIMENT**  
Yamoucheville, N. B.

**COOLIDGE FOR  
LIQUOR DRIVE ON  
COAST RESORTS**

Washington, June 29.—The Govern-  
ment's plan to make more effective pro-  
hibition enforcement which includes  
attacks on bootleggers in the larger cities  
on the Atlantic seaboard and reorgan-  
ization of the State enforcement units at  
the beginning of the next fiscal year,  
July 1, were told to President Coolidge  
in detail today by Lincoln C. Andrews,  
Assistant Secretary of the Treasury.

President Coolidge conferred for half  
an hour with the Treasury official who  
has been directing the efforts of the  
Government agents on the border and on  
the seacoast. It is understood that the  
President approved of what has been  
done and urged General Andrews to in-  
crease his efforts. He is reported to be  
determined to prevent liquor getting into  
the United States by sea or land. This  
the President believes, is the essential  
work that Government must do if it is  
going to make more effective the enforce-  
ment of the Volstead law.

It is understood that further plans to  
build up the Government agencies en-  
gaged in enforcement work were laid be-  
fore the President by General Andrews.  
The plan, it is known, include some changes  
in the State directors as well as a strong  
mobile force at the borders.

General Andrews upon leaving the  
conference said that there would be some  
specific developments as the result of his  
talk with the President. He declined to  
give any intimation of their scope, de-  
claring that to do so would militate  
against the carrying out of his drive  
against lawbreakers.

It became known that President Cool-  
idge is great y annoyed by the repo-  
sitioning to him that the resorts along the  
coast from Florida northward do not  
lack a supply of good liquor which has  
been coming in on rum schooners. The  
ceasing up of the resort scandals is one  
thing that the President impressed upon  
General Andrews as a field for effective  
work as soon as the forces are reorgan-  
ized early in July.

It is believed that the border and the  
Rum Row through which New England  
has been getting its liberal supply at  
prices reported as "cut rate" compared  
with the prices demanded here by boot-  
leggers will be closed to smugglers at the  
specific demand of the President. He  
will spend his vacation in what is now  
described as one of the wettest zones in  
the United States. There will be thou-  
sands of visitors automobilists and others  
who will go to the north shore of Mas-  
sachusetts this summer. If they were to  
find rum flowing freely and openly at  
the roadhouses along the shore the pic-  
ture of law enforcement that they would  
carry away would not be a happy one.

President Coolidge wants the law rig-  
idly enforced everywhere and hopes that  
good results will be accomplished in New  
England this summer.

**CHINA ASKS CHANGE**

China requested readjustment  
of her treaty relations with other  
countries in a note sent Wednes-  
day to the diplomats representing  
the powers and the signatories  
of the Washington treaties.

A second note was sent based  
upon the "thirteen points" spec-  
ified by Chinese delegates to the  
recent abortive conference at  
Shanghai which ended when the  
foreign delegates refused to  
countenance the Chinese demands  
on the ground that they were  
beyond reason. This second note  
dealt with a basis of settlement  
of claims growing out of the re-  
cent disorders in which Chinese  
and Europeans have been killed.

**Duchess of York Won  
Large Sum at Ascot**

London, June 19.—The Duch-  
ess of York is reputed to be one  
of the biggest winners of the roy-  
al family at the Ascot race meet  
which ended this afternoon. As-  
cot gossip credits her with having  
won between two and three  
thousand pounds. She celebrated  
her triumph by giving a smart  
little dinner at Claridge's here,  
at which every guest was present-  
ed with a tiny gold race horse.

Princess Mary did not have  
such good luck. Although she  
won a considerable sum the first  
day, the amount being swelled  
by the victory of her father's  
Rose Aloysia, she ended the  
week's betting several hundred  
pounds loser.

**DEVELOPMENT OF  
EAST AND WEST**

The changes of fifty years in Canada  
show very striking contrasts between the  
extreme East and the West. Fifty years  
ago the first sod of the Canadian Pacific  
Railway was turned at Fort William.  
Since that date several millions of peo-  
ple have gone into the western country,  
great cities have risen, and the products  
of the region between Fort William and  
the Mountains have poured in growing  
volume through the ports of both the  
Atlantic and the Pacific. One marvel  
at the development which has taken  
place west of the Great Lakes in that  
fifty years. Along with its growth has  
been that of the Central Provinces  
whose industries found a larger market  
and whose financial institutions profited  
greatly by western business. In the  
Maritime Provinces on the other hand,  
while they helped to build the canals and  
railways, and to open up the great west-  
ern country, there has been compara-  
tive stagnation. It is true there has been  
much change in the manner of life of the  
people, due to improvement in trans-  
portation and the inventions of the past  
years; but their industries have not  
been developed nor have they shared in  
the growth of population so marked in  
the Central Provinces and the West.  
Obviously, they must change their out-  
look, and find in the sea-borne traffic  
their commanding position makes per-  
sible the development which should be  
theirs. It has taken a long time to come  
to a realization of the policy which must  
be pursued, and even now an education-  
al campaign is required to awaken all  
our people to a sense of the possibilities  
that lie in the development of our nat-  
ural resources and of overseas markets for  
the products.

The Advocate \$2.00 Yr.

**Ample Room for  
Each of the Five  
Passengers**

THERE is generous space in the  
new Oldsmobile Coach for both  
front and rear seat passengers. There  
is a full 18 inches between front and  
rear seats and the handsome, Fisher-  
built body is as large and roomy as the  
average sedan. So unusual is the Olds-  
mobile Coach in the completeness of  
appointments that the price must seem  
ridiculously low. Only the combined  
resources of Oldsmobile and General  
Motors could make such amazing value  
possible. A ride in this new Coach will  
prove a revelation to you. Come in and  
try it for yourself.

## ST. PAUL'S TO VOTE MONDAY ON CHURCH UNION

The vote on the question of Church Union will be taken in St. Paul's Church on Monday, July 6th, under Dominion Act. Announcement to that effect was made at St. Paul's Church at the Sunday services of the combined St. Paul's and Wilnot congregations by the minister Rev. Dr. J. S. Sutherland.

Mr. Allan A. Davidson, President of the Newcastle Branch of the Presbyterian Church Association received the following telegram yesterday:—  
Fredericton, N. B. June 29th, 1925

Allan A. Davidson, Esq. Newcastle, N. B. Session St. Paul's Church is calling another congregational meeting for July 6th, for purpose of voting under provisions of Dominion United Church Act. Doctor Sutherland, pastor, read notice calling this meeting at yesterday's services and with it a resolution of session setting forth that requisition signed by requisite number of persons had been presented under Dominion Act and that such Act required session, upon such requisition to call meeting of congregation for purpose of voting under Dominion Act. This act provides for vote by ballot and that voting be kept open for at least two weeks.

SIGNED  
HERBERT A. SPURWAY

### WANTED

A Second Hand Bicycle for girl about 19 years of age. Apply to ADVOCATE OFFICE.

### FIRE ALARM

The Fire Department was called out yesterday morning at 11.45 o'clock for a chimney fire in the residence of Mr. John Brander. It was quickly extinguished with salt with very little damage.

### NELSON WILL HAVE

#### \$10,000 POST OFFICE

In a telegram to J. D. Shanahan, Nelson, W. B. Showball, M. P., advises that a grant of \$10,000 was passed in the House at Ottawa for the erection of a new post office there. This will fill a long felt want.

## BASEBALL NOTES

The postponed game of baseball between Newcastle and Nelson was played last Wednesday evening on the Soldier's Memorial Field diamond and the locals suffered an 8 to 3 defeat by the visitors. A large crowd of fans attended the game and the weather was ideal for a ballgame. Green took care of balls and strikes while Ashford looked after the bases. Harry Graham and Jack Keating was the battery for Newcastle while Nelson worked Briggs and Coughlan.

The locals scored their three runs in the 4th, while Nelson scored 1 in the 1st, 5 in the 2nd, and 2 in the 3rd. Graham pitched a good game but the support given him was weak in spots several changes in the player's positions being necessary, in order to put Keating in as back stop. McCabe was brought in from left field to play short while McKenzie took McCabe's position in left field. These changes did not strengthen the team as some thought it would, and the result was an expensive defeat to the locals. However such is the game of baseball.

Briggs pitched good ball and was given air-tight support by his teammates. Both teams at periods batted hard and during the greater number of innings the fans were treated to good snappy baseball.

The outstanding features of the game were two fine running catches a home-run hit and a three bagger by Archibald, a three bagger by Graham and a hot catch off the bat by Briggs.

### NOTICE

The Annual Meeting of the New Brunswick Tourist and Resources Association will be held in the Board of Trade Rooms, Saint John at 2 o'clock Atlantic time, Thursday July 15th. All members of the Association are urged to attend.

## BURTON M. HILL TAKEN INTO THE PROV. CABINET

Burton M. Hill, chief highway engineer of New Brunswick, would be taken into the cabinet as minister of public works, it was announced in St. Andrews on Saturday by Hon. Dr. P. J. Veniot, Premier of the province, in addressing the Liberal convention of the New Charlotte county constituency.

"I am not going to announce the date of the election but when the time comes I shall not come before you as minister of public works. Before the day comes I shall have called to the public works department the man under whose direct supervision the expenditure on the roads has been carried out, your own Burton M. Hill," said the Premier.

The Premier made his announcement after the convention had acclaimed Mr. Hill of St. James; Hugh L. Lawrence, St. George and Leroy Ingalls of Grand Manan, as the Liberal candidates.

### FOR SALE.

We have in stock, Deed Forms, Teacher's Agreements, School District School Tax Books, Dog Tax Books, Assessment Lists, Road Tax Books, Poor and County Rates.

## W. B. HOWARD, OF THE C. P. R. DIED IN MONTREAL SUNDAY

William Brunswick Howard, General Executive assistant of the Canadian Pacific Railway, died at 4.30 Sunday afternoon at his home, 2 Edgehill Avenue, Montreal, in his 48th year. He was taken ill six weeks ago and succumbed to heart disease.

Interment will be at St. John N. B. The funeral service will be conducted at Trinity Church, St. John, Tuesday afternoon.

The late Mr. Howard was one of the younger officials of the Canadian Pacific Railway, although he had 28 years meritorious service to his credit. Born in Chatham, N. B. September 15, 1877, he attended Chatham Grammar School, served with the firm of McEster, Robertson and Allison, of St. John, then entered the employ of the Canadian Pacific Railway on August 22, 1897, as a junior clerk. Mrs. Howard (nee Stella Grey Sherman) sister of the Dean of Quebec, of Fredericton, N. B., and four sons survive. Mr. Howard's mother lives at Fredericton, and three brothers and a sister also survive him.

## House Of Commons Concluded Business Saturday

At daybreak Saturday morning the House of Commons concluded the work of the session. During the last few minutes of the sitting the Commons concurred in the Home Bank amendments, made by the Senate, the supply bill to provide for all the public services for the financial year ended March 31, 1926, was given third reading, and minor amendments made by the Senate in the Dominion's Elections Act, were accepted. It only remained for the ceremony of prorogation to terminate the fourth session of the fourteenth parliament of Canada.
