remedy that always cures is Dr. Morse's Indian Root Pills. Neglect of the daily movement of the bowels, so necessary to health, soon poisons the whole system from the impurities retained in the body. Headaches, indigestion, biliousness and lassitude follow, and often more serious female disorders are brought on or

aggravated. Dr. Morse's Indian Root Pills not only regulate the bowels, but they stimulate kidneys and skin as well to throw off waste matter and purify the blood. The result is quickly apparent in the disappearance of the headaches and biliousness, and the return of health and vigor. Thousands of women all over the world owe their present good health to Dr. Morse's Indian Root Pills.

ASAYA-NEURALL

IS RECOMMENDED

when a person, young or old, through overwork, worry, intense excitement, grief, alcoholic or other excesses, or from other recent or known causes, has overstrained and exhausted the nervous system, and as the result, does not sleep well, wakes up tired, is depressed, tearful, inclined to perspire at the least irritation, has indigestion, lack of appetite, and is, to sum up in a phrase, entirely unstrung. Such conditions are evident to everyone, and are common in every family, and can by early treatment of brief duration by this preparation, with its threefold effect of feeding the nerve tissue, enabling sleep to be obtained and food to be desired and digested, be quickly overcome.

FOUNDATIONS FOR C.P.R **BRIDGE THIS WINTER**

W. Peters, in Letter to Mayor Lee, Indicates That Aim of Company is to Have Substructure Complet ed Before Ice Goes Out-Details of Agreements Have Yet to Be Completed.

A letter received by Mayor Lee this norning from F. W. Peters, of the C.P.R., Winnipeg, confirms the previous expectation that the foundation for the high-level bridge will be place ed in this winter before the ice breaks up in the Saskatchewan. If this 600 German Workmen Who Went Out work is completed before spring it to Work on Railroad Construction is almost certain that within the Return With Their Ranks Greatly next year the big structure Decimated—Conditions Misrepre- ready for use both by the railway and the two cities.
