ARCHBISHOP ASKS COMMUNITY HELP

Toronto Branch of Catholic Women's League Does Good Work.

Commemorating the first annual meeting of the Toronto branch of the Catholic Women's League of Canada, a mass of thanksgiving was celebrated at St. Michael's Cathedral yesterday, Rev. Dr. McBride, rector of the cathedral, assisted by Rev. Fathers Flordan and Kehoe, officiating. The music was sung by the choir of the association under the direction of Mrs. Jas. Mallon. A business meeting was held later at 67 Bond street, followed by luncheon at 1 o'clock at the King Edward Hotel.

His Grace Archbishop McNeil gave an address at the meeting, at which he made an appeal for generous co-operation in the coming drive for the Federation of Community Service. He hoped the league would supply ten captains each with a team of twenty-five workers. His grace also expressed the hope that contributions would be as generous as possible. The spirit, motive and objects were still the same. That the members should be on the lookout for people coming to live in Toronto and help to make them feel at home was also urged. His grace, in conclusion, reminded the meeting that if they expected to grow they could not do so successfully without work—and perhaps money.

Some three hundred were at the luncheon in the Pompeian room of the King Edward Hotel, Miss Gertrude Lawler, M.A., president of the league, presiding. Among those at the head table was Miss Mary McCormack, a graduate of St. Joseph's College and winner of the Most Rev. Nell McNeil scholarship, awarded for attaining the highest standing at the late junior matriculation examinations among the girls who wrote from St. Michael's College.

In presenting the scholarship, Rev. Father Carr, president of St. Michael's, explained that there were four colleges in affiliation with the University of Toronto, of which St. Michael's was one, and that students from St. Joseph's College and Loretto Abbey registered thru St. Michael's. Mrs. J. J. Cassidy, on behalf of the committee on higher education, explained the terms of the scholarship, which annually was \$100 with a foundation of \$2,000, in commemoration of the silver jubilee of the archbishop, the Catholic Women's League being the donors.

Among the things to the credit of the league during the first year of its activities are: The work done during the "flu" epidemic, when the league had a depot in connection with the neighborhood workers; the gift of \$1,000 to the library of Louvain, the presentation of flags to a company of Boy Scouts, the reception to Matron-in-Chief Margaret MacDonalld at the King Edward Hotel, and the jubilee gift to the archbishop, and the presence of a large contingent at the national meeting in Montreal. The membership is now 1,424.

NUCLEUS OF LIBRARY ON TOWN PLANNING

Some time ago a valuable collection of books was formed by the housing and town planning committee. This collection has now been donated to the social service department of the University of Toronto under arrangements providing that the volumes shall be suitably supplemented and the whole collection made available for those interested in the subjects covered. The thought is that with this collection of books as a nucleus it should be possible to build up a good working library on housing and town planning, which would be valuable not only to students of the university, but to all who are interested in these important matters. Citizens who wish to consult this collection should make application to Prof. C. B. Sissons, Victoria College.

NEW LICENSE INSPECTOR.

Sergt. Naphan, of the Belleville police force, has been appointed license inspector of Prince Edward County.

Women of All Ages and Times

Ask your mother, aunt, grandmother, they will tell you of folks they have known—who were cured of the many distressing, painful diseases which occur in most women's lives, by taking Dr. Pierce's Favorite Prescription, which is sold by druggists, in both fluid and tablet form. What women say:

Tillsonburg, Ont.—"I found Dr. Pierce's Favorite Prescription an excellent medicine for the ailments of women. I had become very weak and nervous. I was just miserable when I began taking the 'Favorite Prescription' and it proved most beneficial. It so completely restored me to health that I have never had any return of this ailment."—MRS. GEO. WALKER, P. O. Box 490.

London, Ont.—"In my early married life I was very frail and delicate. I was feeling exceedingly weak and miserable when a friend advised me to take a bottle of Dr. Pierce's Favorite Prescription. From the very start I felt new strength and vitality. I feel certain that had I not taken this wonderful woman's tonic and builder just when I did I would never have been the happy mother that I am."—MRS. JOHN DANBY, 139 Ann Street.

Brampton, Ont.—"About five years ago I began suffering with woman's trouble. I became all run-down, weak and nervous. I was so completely down and out that I could not do anything, could scarcely dress myself. I had the doctor and took other medicine but without getting better until I began taking Dr. Pierce's Favorite Prescription and his Golden Medical Discovery. It was only necessary for me to take about three bottles when I was completely restored to health and strength."

MRS. HARRY KNIGHT, Jessie St.

SOCIAL EVENTS

Items intended for This Column Should be Addressed to The World City Editor.

Registering at the Hotel McAlpin from Toronto during the past week have been Mr. W. Wilder, Miss M. Anderson, Dr. T. S. Webster and wife, Mr. Wm. McCaskey, Mr. Wm. Garlock Jr., Mr. Wm. B. Hanna and wife, Mr. C. Gowans, Mr. J. R. Watson, Mr. G. M. Clark, Mr. A. C. Mitchell, Mr. E. L. Cousins, Miss A. Lyons, Mr. H. Johnson and Mr. C. E. Reid.

The marriage of Earl Minto to Miss Marion Cook will take place by St. Patrick's Church, Montreal, on Wednesday, January 19, followed by a reception at Juniper House, 495 West Pine avenue, which has been lent by Mr. and Mrs. F. R. Beardmore.

Lady Rachel Cavendish and Miss Cobbold arrived yesterday from Ottawa to spend a few days at Government House.

Mr. J. A. Harvey, "Harrold", High Park is visiting friends in Michigan and Ohio.

At the 21st annual meeting of the Nursing Mission, held yesterday afternoon at 44 Beveridge street, Miss Helen Scott, secretary, told of 311 patients treated, 68 free of charge. Seven nurses were employed, and in addition Miss Hudson, who received her certificate at the meeting, for a number of years had a studio and for the past year has been painting the portraits of the members of the Women's Art Association, formerly lived in Peterboro, in Paris. That number of years had a studio in Paris.

The women artists of the A.S.A. and the wives and members held an informal reception last night at the Grange, where the exhibition of pictures will be closed this afternoon at 7 o'clock. The pictures in the downstairs hall.

Miss Arthur Crow's handkerchief show for Miss Grace Horley one of the December brides, was a bright event of yesterday afternoon at her home, 35 Montgomery avenue. Mrs. Crow received her guests in a becoming turquoise blue tulle gown. The tea table was decorated with a mass of pink and white chrysanthemums with an electric light. Mrs. C. Davis, Miss K. Guilo and Miss Ruth Horley assisted.

Mrs. Hicks-Lyne and Miss Hicks-Lyne held their first reception in their new home, 575 Jarvis street, yesterday afternoon. The tea table was decorated with a mass of pink and white chrysanthemums with an electric light. Mrs. C. Davis, Miss K. Guilo and Miss Ruth Horley assisted.

Very satisfactory reports were heard at the seventh annual meeting of the Preventive Association, held at the Hotel McAlpin, presided by Mrs. E. F. P. Johnson and the nurses' residence had both been finished during the year, and the sum of \$74,000 has already been raised. The number of children in the Preventive Association during the past twelve months was 108. Little sickness was reported. The officers: Goderham, president, Mrs. E. F. P. Johnson, vice-president, Mesdames W. R. Riddell, T. J. Clark, J. D. Hay, Edmund Ristoll, hon. treasurer, Mrs. J. Bruce; recording secretary, Mrs. W. Macdonald; corresponding secretary, Mrs. A. E. Wells.

The vocal recital given by Edith Withington at Forster's restaurant a brilliant success. Society turned out en masse, not without giving rise to a number of interesting incidents. Being were a lovely gown of ivory lace, gaiters embroidered with pearls, and Miss Withington in peach colored satin, with a dress of net embroidered in silver, and also the recipient of some lovely bouquets. Other papers were: Miss Withington, a charming debutante, overdress of net embroidered in silver, and also the recipient of some lovely bouquets. The presentation of flags to a company of Boy Scouts, the reception to Matron-in-Chief Margaret MacDonalld at the King Edward Hotel, and the jubilee gift to the archbishop, and the presence of a large contingent at the national meeting in Montreal. The membership is now 1,424.

Some time ago a valuable collection of books was formed by the housing and town planning committee. COMMUNITY WORK ON BUSINESS BASIS

Federation for Service Making Appeal to Public of Toronto.

Charity bazaars, church socials, concerts and other parties were, at one time, the common method of securing philanthropic financial assistance, but the Federation for Community Service, of which the city of Toronto has just cause to be proud, has revolutionized matters, and today it is on a sound business basis, supported and directed by the city's most prominent business men.

The Federation for Community Service is appealing to the public of Toronto for community campaign, November 30, and the first three days in December for \$450,000 with which to carry on the work. The personal and financial support of such clubs as the Rotary, Kiwanis, Lions, G.Y.O., Knights of Columbus and the Young Men's organization of the board of trade is adequate evidence that the whole proposition is beyond question worthy of support. These hard-headed business men commenced the federation in a most efficient manner, and see to it that Toronto's charities are as efficient as it is possible to make them.

Money invested in community service pays tremendous dividends. "The door are with us always," and if the better equipped in life do not stoop down and help the widowed mother on the poor unfortunate thrown into dire circumstances thru no reason of their own, what would become of the city? It used to be said that one-half of the world did not know how the other half lived, but this can hardly be applied to Toronto today, for the leading citizens are actively engaged in solving the difficult problems of the poor and needy and helping them into positions where they are independent and self-supporting. Often a helping hand over a small but difficult breach means success or failure in life.

SIR JAMES W. WOODS, K.B.E.

Honorary chairman of the federation for community campaign, November 30, December 1, 2 and 3.

hood of the great prophet to the hour, when it was claimed mysterious voices summoned him to the apostle of Allah upon the earth. He touched briefly on the personal characteristics of Mohammed, and upon the prominent contrasts of his life remarking that he did much to elevate the position of women in the east. A quiet wedding was celebrated yesterday at St. Clare's Church, where Miss Louise O'Brien and Patrick Garly were married by Rev. Father Kelly. The bride, who was given away by her brother, was attended by Miss Irene O'Brien and Miss Mabel O'Brien, and James Garly, brother of the groom, was best man. After a short visit to Detroit, Mr. and Mrs. Garly will reside in Calcedon.

SCHOOL OF COMMERCE LITERARY SOCIETY MEETS

The literary society of the High School of Commerce held a meeting yesterday afternoon. The speaker was Dr. H. Gilbert of Burwich, Pennsylvania, who gave a very interesting talk on "Life."

The president of the society, E. L. Heeler, acted as chairman, and the secretary, Miss J. Fraser, read a report on the activities of the organization. R. E. Eldon, honorary president, and principal of the school, was present. Miss Davies sang a solo, and a recitation was rendered by J. Bradford. A school paper, "Toronto," was read by H. Russell.

This is the first meeting of the literary society, and about 700 were present. Musical selections were given by a twelve-piece orchestra.

LEWITZKI RECITAL HAS BEEN POSTPONED

I. E. Suckling announces that the Lewitzki piano recital, which was to be given at the W.C.T.U. hall, has been postponed. The following captains were elected: H. H. Morris, Harry Lorimer, R. Fitzpatrick, F. O. Madden, W. Rice and J. Berger.

At a late hour yesterday the Federation for Community Service received application for membership from the Central Neighborhood House on Elm street. As yet, it is impossible to state whether or not the Neighborhood House will be accepted to participate of the portion of the funds received from the Federation drive beginning next Tuesday, but it is presumed that this will be the case.

ARENA TENDERERS GET CHEQUES BACK

Special Committee Will Make Prunings to Bring the Price Down.

MILLION-DOLLAR CUT

City Architect Going to Chicago to See How Big Shows Are Run.

The tenders submitted for the construction of the proposed live stock arena were yesterday referred by the board of control to the special committee named a week ago to deal with them. As the figures are fully a million dollars over the amount authorized by the city, there is little prospect of a contract being let this year. The secretary of the board was instructed to return the deposit cheques to the tenderers.

It will be the work of the special committee to cut out any features that can be dispensed with in order to bring the price down to the level authorized by the ratepayers in the vote of January 1 last.

Policeman's Hard Luck

The board gave a sympathetic hearing to the case of G. H. Webb, former policeman, who went to the front and was wounded. He is being paid a pension of \$40 a month, but is a married man and needs a job. He is now physically unable to walk the beat. An effort will be made to place him somewhere in the civil service.

Both the Mayor and Controller Maguire

expressed the belief that the league was doing good work in educating the public to be careful. Controller Cameron pointed out that the grant could not be made legally, as there was nothing in the estimates for such purpose. If the grant should be made it would have to be carried as an overdraft against next year's taxes.

The board promised consideration and an early decision.

The Western Hospital asked for a grant of \$2,500 to cover the year's deficit.

On behalf of the Sisters of St. Joseph, Messrs. Hughes and Agar made application for the civil hospital allowance of \$150 a day for 221 incurable cases, 38 of them being in St. Michael's Hospital and 188 in the House of Providence. An allowance of 10 cents a day for these patients is paid by both the city and the province.

An application for a grant also came from the National Waterways Association of Canada. J. H. Duthie, secretary of the association, made the application for \$2,000 to meet the deficit on their operations.

Major-General Victor Williams asked for assurance that the militia department would be left in possession of Stanley Barracks until next September. The city owns the property and part of it is required as the site of the new live stock arena.

MANY PAY TRIBUTE TO LATE OPERATOR

The funeral of Charles E. Hill, well-known telegrapher, took place yesterday afternoon from his former residence, 262 Brock avenue, where a service was conducted by Rev. John McIntosh, of Olivet Baptist Church.

Wreaths were sent by St. John's Lodge, A.F. & A.M., Royal Arch Masons, Toronto; Saskatchewan Division, Telegraphists; Atlantic District C.T.U.A.; Ont. District C.P.R. Telegraphists; Pacific Coast Telegraphist Association; C. T. P. membership, Winnipeg, and the Saturday Evening Card Club, to which the deceased belonged.

Following the service at the house, the remains were conveyed to Park Lawn Cemetery, the pallbearers being Messrs. Schum, Alexander, Carruthers, Ames, Storey and Strachan. Representatives from the Canadian Press Club, who sent a beautiful wreath, members of the Masonic Order and officials of telegraphers' associations were present.

DRAYTON TO CONSIDER ARBITRATOR'S POSITION

"It is a matter I would have to think about," said P. H. Drayton, K.C., official arbitrator yesterday, when asked if he would act as the arbitrator to fix the price that the city shall pay for the T.S.R., as proposed by the company.

Mr. Drayton was further asked if he would be willing to take on the work in case it was decided that the matter was one for the official arbitrator. He stated that he was not prepared to say just now whether he would or would not, and did not wish to say anything about the matter at present.

BUSINESS PERMITS GIVEN BY CITY ARCHITECT

The city architect's department issued the following permits yesterday:

C. E. Blackburn, pair semi-detached dwellings on private street, running north from Robock avenue, near Irene avenue, \$7,000; S. McCord & Co., Ltd., metal-clad warehouse, east side of St. Lawrence street, \$7,000; Arthur H. Fisher, dwelling and garage, 15 Bonfomond avenue, \$7,400; Isaac Pimblett, store and dwelling on Applegrove avenue, corner of Morley avenue, \$6,000; Toronto Housing Co., eight detached garages, south side of Bain avenue, \$3,000; Deeth & Sons, dwelling, 131 Harvie avenue, \$3,000, and H. B. Jackson, four pair semi-detached dwellings, west side of Willow avenue, near Fine street, \$38,000.

FLEMING TESTING ATTITUDE OF BOARD

Beck, or Nobody, Will Be the Arbitrator for City, Mayor Church Says.

R. J. Fleming, manager of the Toronto Street Railway, was a visitor to the meeting of the board of control yesterday to observe the attitude of the board towards his company's suggestion that there should be one arbitrator instead of three to fix the purchase price of the street railway system by the city.

Mayor Church said it was the intention of the city to follow the procedure laid down in the agreement between the city and the street railway company and validated by special act of the legislature. This provided for the selection of an arbitrator by each side and these two or the chief justice of Ontario to name a third.

At the mayor's suggestion the notice of the railway company that they desired to proceed under the general act and let one arbitrator determine the claim, was referred to the legal department.

Mr. Fleming said there was a difference of opinion as to which act superseded, and he suggested that the solicitors of the city and company should get together and settle the point.

Mayor: You had better go ahead and appoint your arbitrator.

Mr. Fleming: We had better settle that point first. If we take the wrong course some ratepayers might have a writ issued to upset the whole settlement.

Later in the day Mayor Church issued the following statement: No Fifty-Fifty Bargain.

"The city will have an arbitrator under the street railway agreement act or nothing. The provision of the general Ontario statutes, giving the lieutenant-governor-in-council power to appoint an official arbitrator for Toronto, does not apply to the Toronto Street Railway agreement, nor is the official arbitrator's act retroactive, as it was passed after the Street Railway agreement was validated by the Ontario legislature.

"Sir Adam Beck is going to be our arbitrator or nobody. We want no fifty-fifty arbitrations in a big matter like this, and no spitting of the difference." We want the letter of the Street Railway agreement, the whole agreement and nothing but the agreement. This is what is wanted or nothing.

"I think our legal department will find that the official arbitrator's act does not apply to arbitrations regarding the purchase of electric street railways or light and power companies, and that the special act will prevail.

"I do not understand what the company are driving at in taking the stand they have in this matter, and delaying the appointment of their arbitrator, as this arbitration will take several months to complete. It is to be completed by the first of September, 1921, on time.

LATE TORONTO RESIDENT LEFT LARGE ESTATE

The sum of \$12,099 in the Dominion Bank at Yonge and Eglinton, formed the larger portion of the \$13,061 estate of Solomon Shepard, who died on Oct. 20. By a will made in July, 1917, he bequeathed \$2,500 to his sister, Mary Jane Shepard, to Florence E. Sprace, niece, \$500; May Risher, niece, \$300; general fund of the Church of England, \$500; Charles Shepard, nephew, Kingston road, personal belongings; Charles Shepard, Calgary, his walking stick; Mrs. Summers, Newtonbrook, his parent's pictures and "Lord's Prayer." He directed his executors to erect monuments to his memory, costing \$300, and another to George H. Shepard and his wife, costing \$200. The residue of the estate is divided equally among ten relatives.

TORONTO MAN'S DEATH ATTRIBUTED TO "FLU"

The death of Henry H. Moore, aged 47, 34 Davisville avenue, is attributed to "flu." This is the first fatal case of "flu" registered at the city hall in months.

Tuberculosis was a secondary cause of death in this case.

Dr. Hastings, M.O.H., says there may be an epidemic of influenza this winter, but he believes it will be of a mild type.

THREE YEARS FOR THEFT.

Judge Coatsworth in the general sessions yesterday sent T. W. Duncan to Kingston Penitentiary for three years on the charge of the theft of \$1,825 from the Harris Abattoir.

LEASE BUILDING SPACE.

The Quality Washer Company, of Hamilton, has leased 6,000 square feet in the Purman Building, 265 West Adelaide street, for a period of five years. The deal was negotiated thru J. R. Gay, of the A. R. Morton Company.

TORONTO HOUSES SOLD.

Robins, Ltd., report the sale of the eight-room bungalow at 16 Weldwood avenue by S. Watson to Mrs. A. C. Graham, for about \$12,000. Mrs. J. A. Godwin, 86 Rose Park drive, has also sold her nine-room residence to O. K. Lawson for about \$17,000.

Pictures taken in Toronto. Institutions in the Federation.

Whatever else may come These Toronto People Must Not Want

JUST put yourself in this position for a moment. You are old and feeble and tired. You have long since lost your job and your income. Your family and your friends of other days have departed. For years you have been living alone. And finally you have to do it. You have to seek the shelter of the old men's home!

And, contrary to your expectations, you get help, a fair measure of comfort, food and a clean and healthy place to live in.

Did you know that there are many men in Toronto in that Position?

You, well-fed and warmly-clothed, self-supporting and prosperous, did you know that this is only one of the great works of Federation. In addition to the Aged Men's Home, there are 47 other charitable institutions—all of them doing great and good work all the time. They support people who, by reason of old age, or sickness, or helplessness, are unable to do much for themselves. They keep contagion under control, and in every way do their utmost to make Toronto a better city in which to live.

And they all join together in the Federation. They ask your help in one body, only once a year. They do so now. They have to. Because they know all too well that whatever else may come, the people of this city must not want.

This is your business. It is everyone's. And when the campaign starts, give just your share—and no one of the Institutions in the Federation will want in 1921 if you do that.

URGES CHANGE IN INSURANCE PLAN

Veterans Suggest System to Run in Line With Loans for Houses.

The regular meeting of the North Toronto branch of the G.W.V.A. was held last night in the Orange Hall, the chair being taken by President Savage. There was a large attendance, and the meeting was addressed by a member of the insurance commission and Dominion Secretary J. B. Connor. Mr. Connor spoke on the unemployed in Toronto, and proposed that the association urge on the government the establishment of a returned soldiers' department, which was to be a pension from the government. Speaking on the soldiers' insurance, he stated that he thought some system might be adopted which would run concurrently with the loans for houses, in the event of the death of the insured the debt on the house might be paid off by the insurance. Speaking to the World, President Savage said that the insurance he has seen was all right for those returned who are disabled in such a manner that they are unable to obtain any ordinary company, but he declared it was no good for those men who can obtain insurance. "There are too many strings to it," said Mr. Savage. "In the first place, when a man takes out insurance he has to decide on some dependent, and if he dies and is insured for \$1,000, then his beneficiary is the dependent. Another thing, there is no loan value to this insurance. Thirdly, if a man insured becomes entitled to a pension from the government, at the death of the insured the amount of such pension is deducted from the insurance policy. If the insured becomes totally disabled, he can claim total disability payments only if the disability occurs after the insurance, therefore a man who has been gassed and becomes totally disabled cannot claim such disability benefit. It seems to me that a man is much better off if he can get insured in any ordinary company."

WYCHWOOD REQUESTS SIDEWALK IMPROVED

According to the statement of a prominent Wychwood resident the corners of the sidewalk in front of the Wychwood fire hall should be rounded and the entrance widened so that the fire reels could make more room for the fire trucks.

The chairman criticized the treatment meted out to the deputation which recently waited upon the county judge and police commissioners on the matter, who, he stated, received a shifty and evasive answer from the police commissioners. "More police protection is given in the Riverdale district to protect the residents' bonds than is given in the Beaches, and the candidates for municipal honors will be asked to give a sufficient police protection in the district," declared the chairman. The secretary reported that Dr. Hastings, M.O.H., would address the next general meeting on "The Work of the Medical Health Department." A special committee was appointed to draw up a plan regarding the extension of the Toronto Street Railway in the Ward Eight section. It was decided to discuss school board matters at a special meeting to be held early next month. Joe H. Harris, president of the Monarch Park Ratepayers' Association, stated to the World yesterday that he is not a candidate for municipal honors at the next election. St. John's Anglican Young People's Association held a pleasant dance and social evening in the hall of the fire hall last night. J. Collins, president, and the entertainment committee superintended the arrangements. Music was furnished by an augmented orchestra. There was a large attendance.

STREETSVILLE SCHOOL NURSE JOINTLY PAID

Miss Flynn, the newly-appointed public school nurse of Peel County, who paid her first official visit to the public school here on Tuesday, is to have part of her salary paid by the local Junior Women's Institute and the Junior Farmers' Club, both of which institutions recognize the importance of her work in connection with the teeth, eyesight and general health of the school children.

Local war veterans are more than pleased at the appointment of one of their comrades, Henry Staley, to the postmastership of Streetsville. Mr. Staley succeeds the late Robt. Graydon, who held the position for close on half a century, and whose son, Hector, has acted as interim postmaster during the past few months.

NEW TORONTO RECEIVES VISIT OF BURGLARS

New Toronto was visited by burglars on Tuesday night, when the house of Sam Holtham on Seventh avenue was entered and \$100 in cash stolen. A considerable quantity of silverware and jewelry was left untouched.

A water main at Quebec and Humboldt avenues burst yesterday morning and caused considerable damage to the roadway. No injury, however, was caused to the dwelling houses in the vicinity.

PASSENGERS ON TRAIN HAVE NARROW ESCAPE

At 9:35 yesterday morning, No. 31, G. T. R. train, consisting of four passenger coaches and two baggage cars, was derailed opposite the Wyllye-Overland line near Mount Dennis. Nobody was injured, and a miraculous escape was effected by one car turning from right to left over an embankment of 18 feet.

EDUCATION BOARD POLICY REVISED

Ratepayers Also Complain of the Lack of Police Protection.

The lack of police protection in the Beaches district, and the board of education's methods of redistribution of pupils were two of the principal matters discussed at a representative meeting of Ward Eight, Monarch Park and Toronto Housing Joint Ratepayers' executive committee, held in St. John's Parish House, Woodbine avenue, last night. J. Bentley, vice-president, was in the chair. That the board of education policy in the redistribution of pupils is a deliberate attempt to confuse the issue and to develop a sentiment in opposition to the city council's idea that the board is to levy sufficient money, providing that the ratepayers are not satisfied with the unanimous opinion of the meeting. Dr. Arthur Fleming pointed out that, although many districts are overcrowded, others have ample room for additional pupils. Complaints were made regarding Woodbine avenue hill. It was stated that no progress has been made by the works department in the grading of the roadway, although many unemployed men could be put to work at the present time and relieve unemployment. It was decided to ask the works commissioner if the work has been shopped, and if so, for what purpose. Reports were received from various members regarding the number of assaults on young people in the neighborhood, and the large number of motor cars packed after nightfall on Coxwell avenue between Danforth and Woodbine. The Grand Trunk Railway, for immoral purposes, it was pointed out that the existing condition of affairs is due to the lack of police protection. The chairman criticized the treatment meted out to the deputation which recently waited upon the county judge and police commissioners on the matter, who, he stated, received a shifty and evasive answer from the police commissioners. "More police protection is given in the Riverdale district to protect the residents' bonds than is given in the Beaches, and the candidates for municipal honors will be asked to give a sufficient police protection in the district," declared the chairman. LACK OF EFFICIENCY IN BUILDING ROADS

"We are not getting efficiency from the road commission," said Warden J. Mackenzie yesterday in a speech during the debate on the report of the commission, setting forth the expenditure of \$41,700 on bridges, culverts and other works in the city of Toronto.

The government pays one-third, the city one-third, and the county one-third, and the trouble is that the city does not get its share of the money. I have been over many of the roads, such as Malton road, and which are in a state of disrepair, and if I ran my business as some of that work has been done I would be out on the roadside. The commission is only one of five on the commission, and I respect him. But these matters are not more or less in the hands of Engineer James and his engineers. I have seen \$20,000 and \$35,000 contracts passed as the best of the work, something trifling. What we want is good roads, but I claim we are not getting results. The criticism of the report began with protests from Reeve F. H. Miller and Deputy Reeve W. C. Graham of Ward Eight. They reported that the road on Vaughan road, which was to have been done last year, and Vaughan road, is still in a state of disrepair. The report of one of two roads was accepted, but that of Malton road opened up the whole matter again. Commissioner Keith informed Deputy W. J. Gardhouse of Etobicoke that the work was not done in rotation. "I claim that Walton road is not getting a fair deal," said Mr. Gardhouse. Mr. Stewart of Scarborough thought the council had no right to demand of the commission since they had the right to suggest. "We are willing to assume the responsibility of our own roads," declared Reeve Miller. "We are responsible to the ratepayers." "The commission has 250 miles of roads to attend to," said Mr. Keith, "and 250 miles of people to attend to. It is not possible to do it all. I have a total of \$41,700 as follows: Bridges, \$30,000; culverts, \$34,000; and construction work, \$17,700. Malton road, \$2,000; Vaughan road, \$4,000; Kenney road, \$4,000; Vaughan road, \$4,000; Weston road (south), \$6,000; Don Mills road, \$2,000; Malton road, \$2,000; Walton road, \$17,000; Yonge street, \$27,000; Sutton road, \$50,000; Weston road (old), \$45,000; South Loyalton road, \$2,000; King road, \$3,000; Vanders road, \$7,000; Pine Orchard road, \$3,500; Brown road, \$5,000; and Maple road, \$2,000. The roads were described as being of a higher crest.

EAST TORONTO CHURCH HOLDS FIRST CLERICUS

Twelve Clergymen From Eastern Section of the City Take Part.

The east and "clericus" (the first to be held in Toronto) was held yesterday at Holy Trinity, conducted the service, and Rev. Canon W. L. Baynes, D.S.O., presided. There were twelve clergymen from the eastern district of the city present. Luncheon was served after the service. Petitions are being circulated for signatures of residents for a cement sidewalk to extend east from Cedarway, between Main street and the eastern end of the viaduct which, he points out, is the only playground for the children in the district. The heating of the west wing, taken over by the hospital authorities, might be piped from the incinerator plant near by. The heat from the burning matter at the present time is allowed to waste and could at a small initial cost save a large sum in the fuel bill. A branch of the Merchants' Bank of Canada will shortly be erected on the northwest corner of Danforth and Eglinton avenues. The Danforth avenue frontage, which is 66 feet, was purchased in two parcels; 40 feet was secured about six months ago at a cost of \$300 a foot, and 26 feet was recently secured at \$265 per foot from the owner, Ald. W. W. Hill. The sum of \$130 was realized as a result of the recent Sunday school annual concert, held in the church, Sunday afternoon, Nov. 21. SUGGEST SITE FOR NURSES' RESIDENCE

Objection to Taking the Only Playground for Children in the District.

According to Dr. E. A. McDonald, president of Riverdale Ratepayers' Association, the west wing of the Fall in East Gerrard street should be demolished and fitted up as a nurses' residence in connection with the hospital being built on the site, in preference to the proposed location on the plot of land at the eastern end of the viaduct which, he points out, is the only playground for the children in the district. The heating of the west wing, taken over by the hospital authorities, might be piped from the incinerator plant near by. The heat from the burning matter at the present time is allowed to waste and could at a small initial cost save a large sum in the fuel bill. SEES LIKE STARTING LIFE OVER SAYS BURNS

Back On His Feet After Being Unable to Hit a Lick of Work for Two Years—Gives Tanlac Credit.

"After I did pull through I was left so weak that I was practically helpless. I could not walk around alone and was simply a burden to myself and friends. My stomach was in a worse condition than ever and ate so little that I lost considerable weight. I worried and worried over my condition and was about the most discouraged man you ever saw. "I took to reading a lot while about the house and kept seeing where so many people were taking Tanlac that I made up my mind to give it a trial myself and see if it would do any good in my case. Well, sir, I commenced to pick up and by the time I had finished my first bottle I was able to walk about by myself. From then on I improved rapidly until now, although I have taken only four bottles, I am feeling so well that it seems I am almost starting life over again. "My appetite has come back and no matter what or how I eat it all agrees with me just fine. I have picked up ten pounds in weight and am now working hard every day. I have told all my friends about Tanlac and am going to keep on telling others for consideration it's a medicine the whole world should know about." Tanlac is sold in Toronto by all Tamberlin Drug Stores, and by an established agency in every town. "Back about two years ago," he said, "I had the 'flu' like so many other people, and it left my whole system out of order. My stomach was all upset and my appetite gradually dwindled away to nearly nothing. I couldn't get back my strength and just felt played out all the time. Last winter, due, no doubt, to my already run-down condition, I was taken down with the 'flu' again, and this time it developed into pneumonia and at one time no hope was held out for my recovery. PORT CREDIT COAL PRICE. As forecasted by The World yesterday, the cost to purchasers of the latest carload of coal to reach Port Credit is to be considerably below the \$23 a ton charged for the initial two carloads. And now that navigation on the lakes is closed, there is every probability that a plentiful supply of coal at very little more than city prices will be obtainable in the village. FAIRBANKS BOYS PRACTICE. The boys' club of St. Hilda's Anglican Church, Fairbank, held a well-attended practice last night at which special efforts were made to complete the organization of the baseball team. GRATUITY SUPPORTED. The G.W.V.A. of Mount Dennis voted at their meeting on Tuesday evening to support the \$1 a day scheme for military service. STREET CAR DELAYS. Wednesday, Nov. 24, 1920. King cars, both ways, delayed 10 minutes, at 9:02 a.m., at G.T.R. crossing, by trains. Queen cars, westbound, delayed 15 minutes at 1:38 p.m., at Queen and Simcoe streets, by fire.

The secretary reported that Dr. Hastings, M.O.H., would address the next general meeting on "The Work of the Medical Health Department." A special committee was appointed to draw up a plan regarding the extension of the Toronto Street Railway in the Ward Eight section. It was decided to discuss school board matters at a special meeting to be held early next month. Joe H. Harris, president of the Monarch Park Ratepayers' Association, stated to the World yesterday that he is not a candidate for municipal honors at the next election. St. John's Anglican Young People's Association held a pleasant dance and social evening in the hall of the fire hall last night. J. Collins, president, and the entertainment committee superintended the arrangements. Music was furnished by an augmented orchestra. There was a large attendance.

To Friends and Subscribers:

SO that the citizens of Toronto may realize the great value of the philanthropic and charitable institutions in its membership the following statement is published. It shows exactly the portion that each organization is voted and expects annually from the Federation Budget Committee:

Institutions.	Total Required.	Portion Assumed by Federation.

	\$602,852.71	\$360,090.49

In the 4-Day Drive beginning Tuesday next 48 institutions will be in membership, instead of 47 as outlined above—the Protestant Orphans having been accepted into membership on Tuesday last. \$450,000 is needed to meet the 1921 budgets. You can help the voluntary collector when he calls on you next Tuesday. Help by being ready—so that he may lose no time in making his calls on people in his district.

ED. MACK

Says: "Don't Compare These Fine Suits and Overcoats With the 'Shouted and Touted' Lines Bought for Sale Purposes" Here Are Bona-Fide Reductions Of \$15, \$20, \$25 and Even \$30 on High-Grade Suits and Overcoats

When considering "special clothing offerings" weigh them against the surety of value offered by our many years' reputation for superior Quality and Style. You can buy our reliable Suits and Overcoats at this Money Raising Sale at reductions that make us a loss on every garment sold at these prices. If you want really fine clothes at bona-fide savings, here is a real opportunity. Always remember that Ed. Mack clothes represent a standardized system of tailoring and quality, that you cannot get in the "shouted and touted" lines.

NOTE—The time is getting shorter — each day now brings the object for which the sale was started nearer. Therefore, our candid advice to all our customers is to take full advantage of these reductions while they last. ED. MACK Limited 167 Yonge St. Opp. Simpson's Store Open Till 9 p. m.

WHERE PURE PROFITS GO BACK INTO PURSES

New York State Racing Shows Big Increase Over Previous Season.

New York, Nov. 24.—The New York field of racing was a scene of prosperous activity from start to finish of its 120th turf campaign. Its product of money to successful owners showed a gain over 1919 of the substantial sum of \$23,000. Debarred of any of the opulent revenue from betting which so feels in the prosperity of tracks receiving a rich income from the mutual machines, this increase speaks eloquently of the genuine liberality and enterprise of the New York racing bodies, likewise of the hearty support given their prize-worthy efforts by the general racing public in the form of gate receipts. The fair presumption is that every one of the New York clubs reaped at least a small profit, and nearly all these profits, if not all, are going right back into improvements and increased offerings. The Westerner Racing Association is going about this in a broad way by making the Belmont Stakes a \$500,000 race for three-year-olds. As sure as the sun shines, the people of New York will annually respond to this big appeal by looking to Belmont Park in numbers that will pay this guarantee over and over. It supplies New York racing with one thing it long has lacked—a feature so big and so outstanding that every New York lover of racing will find its lure irresistible. Belmont Park slightly exceeded Saratoga in its total distribution, but Saratoga led in daily output, giving an increase in the form over 1919 of more than \$2000 per diem. In fact, every game day New York racing organization made an excellent showing in this particular, Jamaica also increasing its daily return by more than \$2000, which was going fast for any track. One interesting feature attesting the correctness of New York racing was the fact that 48 per cent. of the favorites won. No other section of the country makes such a showing of consistency in racing to public favor. The following were the number of days racing, and the money distributed: Saratoga (summer)..... 28 \$28,240 Belmont Park (autumn)..... 13 183,978 Aqueduct (spring)..... 17 132,325 Belmont Park (spring)..... 13 179,340 Empire City (summer)..... 16 156,380 Aqueduct (autumn)..... 13 129,851 Jamaica (autumn)..... 13 128,745 Empire City (autumn)..... 13 118,791 Jamaica (summer)..... 9 95,100 Jamaica (spring)..... 2 6,945 United Hunt Club..... 2 6,945 Totals..... 146 \$1,598,405

MONTREAL BUYERS ACTIVE AT SALE

J. Corbeil Buys Four at Old Glory Annual—Some Purchases.

New York, Nov. 24.—(By Canadian Press)—There was no outstanding feature in connection with the morning's sales at the twenty-sixth annual Old Glory horse sale at Madison Square Garden. Prices were fair, but nothing was bid over \$225. The highest price of the sale is expected to be paid this afternoon for General Watts, whose selling price is likely to surpass that of \$12,000 paid yesterday for Sonario, by Thomas Murphy. General Watts was foaled in 1904, by Axworthy, out of Carpet, and is a bay stallion. He has stood 134 at the 2:30 list, and 31 in the 2:10 list. Another well-known trotter, David Gay, private bred, by George Axworthy, out of Belle Zombro, will also go under the hammer today, and is expected to bring a high figure. It was announced this morning that the Canadian-bred pacer, Calgary Earl, was sold privately to interested parties in Maine. Neither the price paid nor the new owner's name was divulged. J. Corbeil of Montreal has been a prominent buyer at this sale. Yesterday he purchased four animals, particulars of which are: Vicini, b.s., foaled 1912, by Bingen out of Coffee, \$160. Pagan, b.g., foaled 1914, by Moko, out of Palena, \$200. Steve Brooke, b.g., foaled 1916, by Night Raider, out of Erivo, \$150. Walter Collett, b.s., foaled 1915, by Brother Hall, out of Sister Collett, \$150. F. J. Corbeil, Montreal, bought the following: Kahia Medium, b.f., foaled 1918, by J. Matcom Forbes, out of Kahia Belle, \$180. Del Getta, b.f., foaled 1919, by Prince DeJen, out of Seagotta, \$150. Worthy Range, b.g., foaled 1914, by Axworthy, out of Erivange, went to L. F. Norbert, The River, Que., for \$150. Esta G. b.m., foaled 1912, by Nutsford, out of Belle Cesar, went to Charles F. Poirer, Montreal, for \$150. Red Bow, b.m., foaled 1901, by Redfield, out of Capitole, went to Arthur Drouet, Quebec City, for \$150.

Extremator Second Of the Stake Winners

The list of stake winners of the season up to date on the American and Canadian turf is headed by the intemperate Man of War. His total, \$168,140, is a great one and the largest contribution on account of the season's worth Old Cup Race to the champion's total of \$243,468 in two seasons and his place as the greatest American money winner is not far behind. Next in order comes the gallant, hardy gelding, Extremator; Tryster, the 1920 star of the two-year-old division; Cleopatra, Paul Jones (Kentucky Derby), Boniface (Louisville Handicap), Uplift (Latoria Derby), and Prudery (Saratoga Grand Union and Spina-way). All the ten leaders are eastern horses. The eastern racing stars fed fat on the west this year, Kentucky and Canadian standing shows Ed. Payne, the mute star, leading with 25 points to his credit, followed by Jack Tressider with 20, Herb Hill and Pete McCabe 18, Harry Tressider and Bill McMurray 14, Stewart Hogarth 12 and Bud Carlton 11. In the weekly handicap athletic events at Broadview the team competition is proving very keen. Jack Tressider's squad is heading the Cup, \$5,750, 70 points; Harry Tressider's gang is a close second with 61 points; Bud Carlton is heading the 14 to date, with 25 points; Harry Tressider's squad is next with 56, and Harold Brown's fourth with 37. The individual standing shows Ed. Payne, the mute star, leading with 25 points to his credit, followed by Jack Tressider with 20, Herb Hill and Pete McCabe 18, Harry Tressider and Bill McMurray 14, Stewart Hogarth 12 and Bud Carlton 11.

MOTORCYCLE CLUB MEETING.

The Toronto Motorcycle Club will hold their semi-monthly meeting in Occident Hall, Bathurst and Queen streets, on Friday at 8 o'clock, when a full turnout of members is requested to discuss some important matters of business. The club will meet regularly at the above hour on the second and fourth Fridays of the month until further notice.

Advertisement for Hobberlin Limited overcoats. Features a large graphic of a coat and the text: \$22.50 READY TO WEAR BIG OVERCOAT VALUE Double and Single Breasted Ulsters—Ready-to-Wear—Thursday Only, at \$22.50 This is incomparable value for the money. The coats are well tailored, comfortable, and of good appearance. The cloths are chevots, in brown and grey mixture, lined throughout. There is a storm tab collar attachment with each coat. This price is a big reduction from the regular value, and very special for Thursday. A POSITIVE BARGAIN FOR THE MAN WHO NEEDS A SMART, SERVICEABLE COAT AT LOW COST. THE HOUSE OF HOBBERLIN LIMITED 151 Yonge Street

PICKS UP A NEW PARTNER IN GRIND New York, Nov. 24.—(By Canadian Press)—Charles Oesterrier, United States, whose partner, Gus Lang, was forced to drop out of the international six-day bicycle race at the 22nd Regiment armory last night, continued the grind after pairing up with Charles Piercy, Italy, whose partner, Vincent Madonna, was also compelled to retire from the contest. This pair had at the end of the 60th hour covered 993 miles, one lap, and were two laps behind the other thirteen teams, all of which had covered 999 miles, 3 laps—within five laps of a thousand miles. At this stage Thomas Bello, of the Kopsky-Bello team, was leading. The record for this period was made in 1914 by Walthour and Halesstead, who covered 1,229 miles, one lap. New York, Nov. 24.—At nine o'clock tonight, the 96th hour of the six-day bike grind at the 22nd Regiment armory, Bello was leading. Goulet and Hill had made 1148 miles and 4 laps, as had also Magnin and Maden, Spencer and Corry, Watson and Kaiser, Keller and Hanley, Drobach and Weber, Kopsky and Bello, Gaffney and Yarras, Dupuy and Godivier, Aerts and De Ruyter, Spiessens and Gysse, Girardin and Oliviere and McBeath and Walker. Percy and Oesterrier stood at 1145 miles and two laps. The record is 1407 miles and 3 laps, made in 1914 by Cameron and Kaiser. BROADVIEW SWIMMING ACTIVITIES. The Broadview Y. natatorium is an exceptionally busy place these dull days. All sections of the members are participating in the program in a most gratifying way. Yesterday a number of events were conducted, with full entry lists in each. Results: Diving, senior school boys—1, Robert Wilson; 2, Richard Sirman; 3, George Smith. Young Men—1, Burgess Walker; 2, Robert Bain; 3, Ralph Goslin. 20 yards, speed (seniors)—1, L. T. Bartlett; 2, S. F. Cork; 3, W. M. Bailey. 40 yards, speed (senior employed boys)—1, John Perkins; 2, Harry McDonic; 3, James Couch. Long-distance swimming also has a large number of devotees, the following members having swam 400 yards on one style: Martin Nugent, George Lowry, Jack Mullis, Charlie Vaughan, Glen Smith, Keith Malzer, Donald Matthew, Denton Walmsey, James Peardon and Albert Warner.

THE EXCHANGE RATE

IX.—What Controls It?

IN the previous numbers of this series we have endeavoured to explain the various factors bearing on the exchange value abroad of our dollar.

By increasing Canadian production we can supply our domestic requirements and enlarge our surplus for export.

As exchange becomes favorable to us, gold will flow in more freely, the reserves against paper currency will regain their former sound basis and the restrictions on the export of gold will be removed.

There are two further matters of equally great importance; the first, that so far as possible we cease to purchase luxuries, even those of domestic manufacture, and divert the sums thus saved to productive enterprises.

If this series has achieved its object, the national importance of industry and thrift to ensure the prosperity of Canada and to re-establish the value of the Canadian dollar throughout the world will be clear to you.

ATLANTIC SUGAR'S OUTLOOK BETTER?

We have had an analysis of this great industrial corporation covering its past and present market as well as its commercial position.

GOODYEAR TIRE

Write us for copy. 23 Melinda St. - Toronto

A Reason

The mining issues have stood up very much better than have the Industrial, Railroad and other supposedly Standard securities during the recent past.
