The copy filmed here has been reproduced thanks to the generosity of:

Library of the National  
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives  
nationales du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## PREAMBLE.

WHEREAS, the large and growing interests of the Real Estate Proprietors and Tax-payers in the City of Montreal require combined action, with some equitable way for raising funds to protect their general interests ;

And, whereas, the prevailing tendency of Municipal Bodies is towards increased and excessive taxation, without regard to judicious expenditure ;

And, whereas, every Property-holder and Tax-payer should take an active personal interest in the selection of fit and proper representatives to Municipal Offices, irrespective of party or politics ;

And, whereas, a wise and judicious economy in the expenditure of the City Revenues should be promoted and encouraged ;

And, whereas, it is but just that the expense of carrying out the measures proposed should be borne by each member in proportion to the Taxes levied on him by the City assessment list ;

WE, THE UNDERSIGNED, DO AGREE to form ourselves into an

Association, to promote economy in the administration of the affairs of our Municipality ;

To suggest and procure such necessary reforms in, and amendments to, the General and Municipal Laws and Ordinances as will tend to the accomplishment of the above objects ;

To oppose the introduction and passage of such laws and measures as tend to defeat them ;

And generally to propose and carry out such measures as the Association may deem proper and necessary in relation thereto, the funds for defraying the expenses of which (should the annual subscription of the members prove insufficient) shall be raised by an assessment levied *pro-rata* on each member of the Association in the manner hereinafter provided ;

And *we agree* to adopt the following

#### RULES AND REGULATIONS,

to be in force as soon as the names of Thirty Subscribers have been affixed thereto, and to be bound by such Rules and Regulations until altered or amended as therein specified.
