

The Union Advocate

VOL. LIV. No. 25

NEWCASTLE, NEW BRUNSWICK, TUESDAY, JUNE 21, 1921

FIVE CENTS PER COPY

A. D. FARRAH and CO.

"The Advance House of the North Shore"

Now for the 4th week of low prices, to gain friends---High Values to hold them.

So sincere are the principles of this store to widen its acquaintance among the men and women of this district, that success for attaining our objective of five hundred new customers is already a certainty. Visitors predict this success quite frankly, they can not help but see it in the distinctive apparel, and the low prices make them doubly certain.

Our 28th Anniversary

WILL FALL ON

June 25th

We shall terminate this drive with the largest sale ever put forth in the history of the North Shore to celebrate the event.

Please remember this is the last week for the contest, make sure to fill the line and bring your answer to the store. Win the prize, it is here for you.

A Contest for Wise People What Do You Say?

If You

You must get it at A. D. Farrah & Co.

Name

Address

Can you complete that first line? We will give \$20.00 in cash or a Florentine Linen Centre Piece for the best and most original finish to that line. \$10.00 in Cash or a voile dress for the second best—\$5.00 Cash or a man's hat for the third best.

Write your Idea of the best way to complete the line on the above contest blank, sign your name and address and bring it to our store.

Contest Closes on Monday, July 4th

No mailed answers are accepted. No answers are accepted except written on the above blank or accompanied with this advertisement.

Talking about A. D. Farrah & Co., lots of nice things have been said about the Farrah Store such as

"A fine place to Trade", "Everything is so reasonably priced"

Now have you anything nice to say?

If so, you have a chance of winning one of these prizes. Be sure and fill in that line and bring this advertisement to the store, Your Store, Farrah Store.

Judges—Ex-Warden G. P. Burchill, Nelson; Mayor Fish, Newcastle and Mayor Mersereau, Chatham.

A. D. FARRAH and CO.

REGULAR MEETING TOWN COUNCIL

The regular monthly meeting of the Town Council was held in the Police Court Rooms on Thursday, June 15th at 8 o'clock.

Present:—Mayor Fish, Alds. Atkinson, Dalton, Doyle, Locke, Mackay, Ritchie and Sargeant.

A notice of a convention of Fire Chiefs to be held in Parsboro, N. S., was referred to the Park and Fire Com.

An application from an owner of residents of George Street for Water and Sewerage was submitted and was referred to the Light and Water Com. for consideration.

Ald. Ritchie from the Housing Com. presented some correspondence and also submitted a proposed schedule of payments for different loans.

After discussion it was moved by Ald. Durick, seconded by Ald. Doyle and carried, that the committee find out how many citizens wish to avail themselves of a housing scheme and have recommendations made to Housing Com., that applicants be given choice of agreements, report of committee to be received not later than ten days. The Chairman of the Park and Fire Com. presented the report of the Fire Company for six months ending April 30th, which was received and adopted and the appointments of Messrs. A. L. Barry and Leonard Burns as Firemen were confirmed by the Council.

The Chairman of the Finance Com. called the attention of the different committees to the standing of their appropriations and urged the necessity of care and economy in order to avoid over expenditure.

The following bills were passed and ordered paid:

Assessors	373.56
A. Milne Fraser	140.40
E. E. Benson	109.30
D. W. Stothart	4.45
N. B. Brokers Ltd.	532.67
Imperial Oil Co. Ltd.	86.63
T. McAvity & Sons Ltd.	17.95
D. W. Stothart	1.28
P. Hennessy	10.85
Miramichi Mfg. Co.	1.53
D. W. Stothart	10.93

It was moved by Ald. Durick seconded by Ald. Locke and carried that Alds. Doyle, Sargeant and Ritchie be a com. from the Town Council to affiliate with the Citizen's Com. already appointed to discuss with the Chatham Town Council the question of Hydro-Electric development.

The Chairman of the Public Works Com. reported that they had interviewed Mr. Maroney and that the latter had agreed to the widening of Castle Street and had already moved his building back.

On motion of Ald. Sargeant the Public Works Com. was requested to interview the property owners from Maroney's to the Advocate building to see if they could be induced to widen the street in front of their properties.

The Council adjourned until Monday, June 27th at 8 o'clock.

MASONS ATTEND DIVINE SERVICE

Northumberland Lodge A. F. & A. M., No. 17, celebrated the feast of St. John, Sunday morning June 19th at St. Andrew's Church. Most Worshipful Grand Master J. D. B. F. MacKenzie and Grand Officers, attended the service. The Worshipful Grand Chaplain Rev. Gordon Lawrence of Hampton, N. B., preached an eloquent discourse. Many visiting Brethren from Miramichi Lodge with the Worshipful Master Archibald Snowball were present also, Worshipful P. M. Charles Alexander from Campbellton Lodge and Worshipful Master Reid with several brothers from Blackville. The procession comprised eighty-four members of the fraternal lodge and left the Maonic Hall for St. Andrew's Church at 10.45 a.m.. The procession presented an imposing spectacle, worthy of the dignity of the order.

FORMER RESIDENT OF DOUGLASTOWN DIES SUDDENLY

Richard Hutchison of Boston While On Fishing Trip, Becomes Ill and Dies Follow-Operation.

The death of Commodore Richard Hutchison of Boston, Mass. occurred unexpectedly at the Miramichi Hospital at 2 o'clock Wednesday morning June 15th. His death will be heard with profound regret by many friends on the Miramichi, as well as by many throughout the Province and U. S. A. Mr. Hutchison arrived in Newcastle on Wednesday June 8th, by motor from Boston, for a few day's fishing trip with friends on the Northwest Miramichi River. The party composed of deceased, Joseph McKnight of Douglastown and Allan J. Ferguson of Newcastle, N. B., left Newcastle on Thursday afternoon the 9th inst, for Mr. John Mullins on the Northwest Miramichi River, where during the afternoon and evening fishing was enjoyed by the members of the party in a pool near by. At 9 o'clock in the evening Mr. Hutchison complained of not feeling well and forthwith retired for the night. During the night he experienced considerable pain and the following morning decided to return to Newcastle. On arrival at the Miramichi Hotel in the morning, medical aid was summoned, and later on in the day, the patient's condition becoming worse he was taken to the Miramichi Hospital. A consultation of medical men to consider his case was held and the prescribed treatment was administered to the patient until Monday, when an apparent improvement was noticed and it was the opinion of the medical men that the seriousness of the case had passed, but later on in the afternoon a change for the worse took place and it was decided to call in outside medical assistance. Dr. W. A. Ferguson of Moncton was summoned who arrived on Tuesday's Limited, and immediately after, a consultation of Drs. Nicholson, MacKenzie and Ferguson was held, when it was found that peritonitis had developed, and it was decided, absolutely necessary to operate. The operation was performed at 5.30 p. m. Tuesday afternoon which for a time seemed successful. The deceased regained consciousness for a short time after the operation but gradually sank until the end came at 1.42 a. m. Wednesday. Deceased was district manager of the New England States for the Babcock and Wilcox Boiler Manufacturing Co. the largest boiler manufacturing establishment in the United States, and had been in their employ for 22 years. The late Mr. Hutchison was a great lover of yachting and built several pleasure sailing craft. He held many offices in the Boston Yacht Club and at the time of his death was Commodore.

He was a genial companion, a great sportsman and a lover of outdoor life. He was born at Douglastown on the 25th May 1872, and was the only living son of the late Ernest and Eliza Jane Hutchison. His father the late Ernest Hutchison was the founder and benefactor of the Institution in which his son passed away.

Deceased had been a resident of Boston for a great number of years, where he was well-known as a mechanical engineer. Mr. Hutchison is survived by his wife, in Boston, one son, Alexander Harry Hutchison of Newtonville Mass., and one sister, Mrs. Hugh Moncrieff, of Winnipeg, the latter and her husband being here at the time of his death.

The funeral service of the late Richard Hutchison was held at the Hutchison homestead in Douglastown Thursday afternoon June 16th at 3 o'clock Mr. Hutchison's remains were brought to Newcastle Friday morning and taken on the 10.40 train to Boston, by his son Harry who came from Boston to return with the remains.

The body will be cremated by disposition of deceased's will and the ashes sprinkled in the waters of Marblehead, a famous anchorage of the Boston Yacht Club.

BAND AND G.W.V.A. MINSTREL SHOW

The Band and G.W.V.A. presented the real old-time Southland Show "The Day of a Thousand Laughs," in the Opera House last Thursday afternoon and evening. The afternoon performance was given at 3.30 o'clock and the evening performance at 8.30 o'clock. Both performances were greeted with bumper houses but especially was the evening performance well patronized. The Opera House was filled to its capacity in the evening by an appreciative audience, who thoroughly enjoyed every minute of the performance. The members of the band and G.W.V.A. spent a lot of time and diligent practise in rehearsing during the winter months, and both the organizations are deserving of congratulations on the manner in which they prepared their entertainment, and also in the acquittal of same on Thursday evening. Each and every member took their part in a most pleasing manner, and their presentation was considered more the work of professionals than amateurs. To Mr. A. H. Cole who directed the practise and entertainment, is due the highest praise for his untiring energy and success in staging one of the best local performances ever seen here. To Messrs. A. L. Barry, representing the G. W. V. A. and H. B. Cassidy representing the Band, is due, in a large measure, the success of the entertainment in their looking after the management of the play. The music furnished by the Orchestra throughout the whole performance was of a high order and many favorable comments were made by the critical audience. The Circus was abounding in good music and jokes which were delightfully rendered, and the audience displayed their high appreciation, by applauding in a manner, which is seldom heard in an Opera House.

The Stump Speech by Thos. Cassidy Clog Dancing by James Murray and Reading by George Landry took the house by storm and the large audience must surely have felt the better of them, if feelings can be measured by the hearty manner in which those present engaged in laughter and applause. Solos rendered by James Sullivan, Thos. Cassidy, Patrick Sullivan, William Stewart and Victor Moody were well received and heartily encored. The several quartets were worthy of special mention and were thoroughly enjoyed by the audience.

The farce was exceedingly well presented, each member conducting themselves in a most satisfactory manner. Considering the entertainment as a whole, it was one of the best put on by local talent and one and all who took part are deserving of commendation. Before the evening performance the Band paraded the streets from the Opera House attired in their costumes, and made an excellent showing.

The proceeds are to be utilized for the purpose of remodeling and fitting up the Mechanics' Institute which is used as a Band room by the Band and a meeting place for the G. W. V. A.

9 DAYS CAMP AT NEWCASTLE FOR NORTH'D REGIMENT

The Northumberland Regiment (the old 73rd) will go into camp at Newcastle, on June 23rd for a nine day camp, and it is expected that with a branch of the Artillery that will be here for five days, there will be 1100 men in camp and 300 horses.

The expenditures for the camp are expected to total the tidy sum of \$50,000.

There will be four companies in the camp, one each from Campbellton, Bathurst, Newcastle, and Chatham and recruiting is being carried on now.

Deed Forms For Sale.

Annual Report Of The Miramichi Hospital

May 1st 1920 to April 30th 1921

Chairman's Report

The Board of Trustees of Miramichi Hospital herewith present their report for the year ending 30th April, 1921.

The work of the Hospital has been actively carried on throughout the year in a highly successful manner, and the records of the institution show a wonderful increase over any preceding year.

From the Superintendent's report it will be noted that 438 patients were admitted during the year, an increase of 29 p. c. over the figures for 1920.

The Treasurer's report shows the amount received from patients to be \$15,954.21, and this compared with \$10,959.39 the preceding year is an increase of 45 p. c.

These figures give evidence of wonderful growth and progress.

Notwithstanding these record receipts and various grants and contributions in addition, an analysis of the Treasurer's report will show that for the year just closed the receipts just about balance the expenditures. A comparative statement submitted by the Treasurer reveals the fact that the cost of maintenance due to extreme prices has increased during the past two years by over \$7000.00, or 56 p. c. It is well, moreover, to bear in mind that the Hospital will, no doubt, feel the period of financial depression through which we are passing, and therefore, we appeal to all for continued, whole-hearted support, while the Board must proceed with a policy of cautious expenditure.

In this connection the Board acknowledges with many thanks generous grants and contributions received, and we particularly tender our appreciation to the Hospital Aid, who by their splendid assistance have made the task of Hospital maintenance a much lighter one. Over \$1200.00 was expended for the Hospital by the Newcastle Aid and its auxiliaries in equipment, and the Board is deeply sensible of what the Aid has done and is doing in behalf of the Hospital.

Personal

The Board mourns the death of two of its members since our last Annual Meeting—Our Honorary President, Mrs. Hutchison died suddenly in Boston on March 23rd last. By her passing Miramichi Hospital lost a true friend, who was at all times most deeply interested in the welfare of the Hospital. Like her husband, Mrs. Hutchison's generosity towards the institution is well known to all the members of the Board. The other deceased member is Mr. D. J. Buckley, who passed away at his residence, Newcastle, on the 28th of October last—a gentleman who always manifested an active interest in the affairs of the Hospital, he will be remembered among other things as the originator of the employer's payroll subscription scheme, which has worked out so splendidly and been such financial assistance to us during the past two years. Mr. Buckley's place on the Board was taken by Mr. J. R. Lawlor.

Nursing Staff

Much credit is due the Superintendent and Nursing Staff for faithful service during the year. They have displayed a keen interest in their work and are loyal to the institution. We regret that a temporary breakdown due to overwork compelled Miss Keyes to rest for three months during the past winter, but we are glad that she is able to resume her duties again. During her absence Miss Lockerbie acted as Superintendent in a very satisfactory manner.

Nurse's Home

The outstanding need of the Hospital at the present time is a Nurse's Home. Adequate accommodations and comfortable quarters for the Nursing Staff are absolutely essential, if we expect efficient service from the Nurses.

A fund for this purpose has already been started and generous contributions made to it. In view of present industrial conditions, it has not been deemed advisable to make an active move in the matter as yet. The project, however must be kept before us for prompt action just as soon as conditions warrant our moving in the matter; and in the meantime, we invite the assistance and support of all friends of the institution towards this object and urge contributions towards the fund whenever possible.

The Board desires to express its appreciation to the Medical Staff for their co-operation during the year, and we also take this

opportunity of thanking friends of the Hospital for many gifts of fruit, delicacies, etc., all of which added greatly to the comfort of the patients.

With this Annual Meeting Miramichi Hospital completes five years of its existence. It has been the aim and purpose of the Board during that time to conduct the institution in accordance with the ideas and plans of its founder, and from the reports which are presented to-night, we are bound to feel that the Hospital is doing a great work of usefulness in the life of the community. To the furtherance of that work, and there is much yet to be done, we ask the co-operation and loyal support of all citizens of our community.

On behalf of the Board

(Sgd) G. P. BURCHILL, Chairman.

Treasurer's Report

Newcastle, N. B., May 27th 1921

To The Chairman and Trustees of the Miramichi Hospital, Newcastle, N. B.

Ladies and Gentlemen:—

I beg to submit my fifth annual report as Treasurer of the Miramichi Hospital for the fiscal year beginning May 1, 1920 and ending April 30th, 1921. I have received during the year, from your Secretary, the amounts specified below under the heading of "Receipts", and I have also made duly authorized payments as specified under the heading of "Expenditures".

To Be Continued Next Week

MINNESOTA MEN WANT FREE LUMBER

Washington, June 13—An important stage in the bitter struggle over the proposed tariff on lumber from Canada was reached today when the question was put up to President Harding. A delegation of Minnesota Republicans, after consulting with Secretary of Commerce Hoover, made formal protest against the proposed duty.

Representatives of western pine interests have filed a protest against the duty with the house and ways committee, whereas Douglas fir interests have declared in favor of it. A caucus of Republican representatives is being arranged with the object of persuading them to oppose the duty when the bill comes before the house. Representative Newton, who headed the Minnesota group, declared that in the Payne-Aldrich fight, Minnesota was a unit for free lumber. "The ways and means committee, he said, "has agreed on a retaliatory provision which would make finished lumber subject, as in the case of Canada, to a 25 per cent ad valorem duty and in addition has put a tax of \$1 a thousand feet on logs. "The delegation protested against the party being placed in an embarrassing position."

HON. W. E. FOSTER REACHES QUEBEC

Quebec, June 13—Premier Foster, of New Brunswick, arrived from London on the liner Megantic from Liverpool yesterday. The Megantic had an uneventful voyage until she struck fog and ice off the Newfoundland banks, when some excitement was caused by the receipt of an S. O. S. signal from the American steamer Charlot, which had struck an iceberg. In answer to the Charlot's calls for help, Captain Berry took his ship sixty miles out of her course, but further action was rendered unnecessary when the Charlot reported that she would be able to make St. John's, Nfld., under her own steam.

PILES

Do not suffer another day with itching, bleeding, or protruding Piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and afford lasting benefit. WILSON'S FLY PADS

Kill them all, and the germs too. 10c a packet at Druggists, Grocers and General Stores.

Speed of a Comet

It is difficult to conceive how terrific is the speed of a comet as it sweeps round the sun. Sir Robert Ball estimated that when a comet approaches the sun its place becomes gradually quicker and quicker until it is sometimes 20,000 times faster than an express train. It is sometimes more than 1,000 times as fast as the swiftest of rifle bullets, or at the rate of 200 miles a second. A case has been known in which a comet, after coming in for an incalculable length of time towards the sun, has acquired a speed so tremendous that in two hours it has whirled round the sun and has commenced to return to the depths of outer space.

SUBURBAN TO BE PUT ON JUNE 26

On the change of time table, June 26th, an extra train is to be added to those arriving and departing from Campbellton. This train will be known as the suburban between Campbellton and Bathurst. The hour of arrival and departure has not as yet been definitely settled, but it is expected the train will leave Campbellton about 6.25 p. m. and arrive at 11.55 a. m.

This train is to be an electric motor service. The car will contain the electric motor, a baggage compartment, and a compartment for passengers sufficient to accommodate from 50 to 60 passengers. The power will be supplied by electric storage batteries, these batteries being placed at seven hours. These batteries will contain more than enough power for the round trip, being charged with sufficient to run the car 150 miles, which would leave a surplus of 30 miles.

This suburban service will be welcomed by Campbellton citizens as well as all those living between there and Bathurst.

BEAVER FLOUR

MAKES
BETTER
BAKINGS

THE reason why BEAVER FLOUR makes such light, flaky pastry, and such excellent bread, is—it is a blended Flour.

BEAVER FLOUR is a combination of the world-famed Ontario Winter Wheat scientifically blended with enough Western Hard Wheat to give it strength—the resulting product is flour unsurpassed for high quality and richness of flavor.

Try BEAVER FLOUR and note the marked improvement in your bakings.

WAGES AND EMPLOYMENT

It is seldom that anyone outside of those concerned in any particular industrial dispute cares to advocate reduction or to oppose increase of wages. None of us believe that wages will ever sink to the general level which prevailed before the war, even in Canada or the United States. Manifestly pre-war wages never can be re-established in Great Britain. It is fortunate that it is so, for unquestionably for generations labor in the old Country was underpaid. What was true of Great Britain was even truer of most of the European countries. In Great Britain, however, organized labor itself has had some responsibility for the low scale of wages. Whether it be admitted or not, labor deliberately limited production, and thus made a low scale of wages essential if British industries were to exist in competition with still lower wages in European and Asiatic countries, and higher production through the free use of machinery in America.

No doubt in some trades on this continent "ca' canny" is not unknown. Classes of workers in the building trades are now giving far better service for the same wages than they did before unemployment became general and the industrial situation acute. It can be maintained at war levels. It is doubtful, for example, if transportation can carry the scale of wages now established. Excessive wages in any one industry force wages upward in all other industries. It is just as true that a few great organized interests could force down the general scale of wages. They seldom do so, however, for the simple reason that

LIFE WAS A MISERY TO HER

Says this Woman Until Relieved by Lydia E. Pinkham's Vegetable Compound.

Owen Sound, Ont.—"I suffered for ten years with female organic troubles, neuralgia and indigestion, and was weak and had such bad pains I could hardly walk or stand up at times. When I would sweep I would have to go and lie down. I could not sleep at night, and would wander around the house half the time. I tried everything but nothing did me any good, and the last doctor I had told me he never expected me to be on my feet again or able to do a day's work. One day one of your little books was left at my door and my husband said I should try a bottle of Lydia E. Pinkham's Vegetable Compound. I thank God I did, for it relieved me, and I am now well and strong. I think there is no remedy like the Vegetable Compound for anyone who has my troubles, and have recommended it to my neighbors. You can publish my letter for the benefit of those I can't reach."
 —Mrs. HENRY A. MITCHELL, 1767 7th Ave., East, Owen Sound, Ont.
 If you have any symptom about which you would like to know write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice given free of charge.

with standardization, high production and a great turnover they can afford to pay wages which bear heavily upon smaller competing concerns.

It does seem wise counsel for labor at the moment to suggest that its leaders face the industrial situation fairly, consider the general reduction of factory orders, the lessened home demand, the dislocation of foreign markets and the great increase of importations into Canada, and ask themselves if under all the circumstances they can wisely precipitate strikes or invite deadlocks. There are hundreds of factories even in Canada which just now are not only making no profits, but are actually bearing heavy losses in order to retain workers who have been long in their employ. During the war and the period immediately following the armistice both employers and workers enjoyed easy and happy conditions. Now employers are straining to meet heavy taxation and keep their factories running against falling markets at home and abroad. It is desirable surely that under such circumstances labor should be considered and before actually striking should endeavor to understand the actual situation in which employers find themselves and the prospect ahead if existing unsatisfactory conditions are to be aggravated by general industrial warfare.

All one suggests is that the appeal for co-operation goes as directly to workers as to employers. There will be fewer strikes and a quicker restoration of industrial stability if wage earners refrain from making demands which cannot be conceded. So much trouble may be avoided if employers who are straining to increase production and keep their factories going through a difficult period take all measures to acquaint their employees with actual conditions. Employers and workers alike must see the necessity for mutual good-will and common effort to overcome the depression and uncertainty which now prevail in all industrial countries.

C. N. R. CONTRACT FOR SOME MINTO COAL FOR LINES

Fredericton, N. B., June 17.—Contracts for the first coal from the Grand Lake coal areas of New Brunswick for use on the C. N. R. have been awarded to members of the Minto Coal Operator's Association. The contracts call for delivery of 10,000 tons during the next six months and 5,000 more tons during a subsequent period.

The amount is not large, but it is pleasing to John Henderson, chairman of the association, who has arrived here on his return from Toronto, where he and A. D. Taylor, manager of the International Paper Company's mines, met President Hanna and other officials of the C. N. R. at a conference which had been arranged by the Right Hon. Arthur Meighen, Prime Minister, with whom the operators had taken up the matter of the use of New Brunswick coal on the C. N. R. lines in the province during his recent visit to Fredericton.

Means Much To Province
 Mr. Henderson said today that he regarded the awarding of the contract as important because it meant the entering wedge and the recognition of justice of the claims of the Minto operators that N. B. coal should be used on the locomotives of the C. N. R. trains operating in this province. The estimated quantity of coal used annually at Moncton, Napudogan, Edmundson and Devon in this province is 50,000 tons and Nova Scotia coal is now being hauled long distances in many cases. Mr. Henderson pointed out, however, that the coal might be obtained with a comparatively short haul from the mines in New Brunswick.

In return for the action which has already been taken the Minto mine operators have arranged and agreed to ship a proportion of the product of their mines going out for commercial purposes over the C. N. R. lines.

The Spur Line
 Mr. Henderson also said that one of the matters which had been discussed at the Toronto conference was the construction of a spur line from the National Transcontinental division of the C. N. R. to Minto. At present coal had to be shipped from Minto to Chipman by the Fredericton and Grand Lake Coal and Railway which placed an almost prohibitive rate of 70 cents per ton for the haul of 12 miles; the proposed spur line would be only 6½ miles in length and its construction would eventually prove a profitable investment for the C. N. R., it was believed.

Farmers Decide Not To Protest Election

Fredericton, N. B., June 15.—At the conclusion of the meeting of the executive of the United Farmers' Association of York-Sunbury this afternoon, it was definitely announced that there would be no protest of the recent federal by-election in this constituency on their behalf.

"Our protest will be at the general election, which, evidently, is not far off," declared John Inch, of Koswick, one of the organizing directors for York county, after the meeting. He said there was only an insignificant minority favorable to the suggestion of a protest, the others feeling it would do the Farmers' party more harm than good.

The election of R. B. Hanson, K. C., and Conservative party candidate, will therefore evidently stand.

RED BANK NOTES

Redbank is quite a stirring little place this summer. Our movies are proving out fine. A large number of young folks attend every evening.

Miss Bernice Hare is spending some time in Red Bank.

Mr. Joseph Napke is moving to Newcastle where he will conduct a larger business.

Miss Lottie Holmes made a flying visit to Red Bank Monday evening, her many friends were glad to see her in our midst again.

Relationship Between Size of Farm

In the developed agricultural areas of British Columbia the average of values placed on land is considerably higher than it is in any other province. Production costs, other than use of land, are also high. With these two production factors at a high level and with a big local demand for fresh farm produce, the trend of farm acreage has been toward the smaller working unit, two acres capitalization going higher, managing ability not generally improving, and employed labour efficiency not all that could be desired, are conditions that are having a big influence to convert many of the larger "staple food" producing farms into a greater number of "luxury food" producing farms. Hence we see a big increase in glass house equipment, small fruit plantings, ornamental stocks, poultry ranches etc. all run on the one-man or family-labour scale. This small farm business will be profitable so long as it does not overtake the local market for luxury food crops, such as flowers, fruits and poultry. The small farm with its more intensive culture, with its higher percentage of human labour, chargeable to each unit of production, is quite a different undertaking from the large farm where horse power and machinery may be used in a large way as an end to low cost of production.

The small area farm does not offer sufficient room for the operation of the larger labour saving machines and power, neither will it permit such capital cost. Many produce, few machines and much human energy is the requirement for the small farm.

If labour on a farm be kept fully employed and moving at a speed that will give maximum production, some hope may be entertained for profit. With labour not employed to the limit, all production will be absorbed in maintenance; there will be little or nothing in either cash or produce that can be called profit. The large farm, well organized as a producing business, offers greater opportunity of

ways and means of keeping labour employed to the limit. The size of a farm, to be profitable, must be determined by its location, and the energy and ability of the individual operator. No farm should be so small as not to keep the operator and his family fully employed, using the best tools and power, during the entire year. No individual should operate a farm of larger size than his managing ability warrants.

A farm business that entails too much labour for one man and yet not enough for two men is out of balance and not likely to be as profitable as it should be. A farm business just large enough to keep one man fully employed, but on which the labour of two or three men is being expended, can not be profitable, since sufficient use of labour can only be secured by adjusting the individual to the farm or the farm business to the individual.

Is There a Baby In Your Home?

Is there a baby or young children in your home? If there is, you should not be without a box of Baby's Own Tablets. Childhood ailments come quickly and means should always be at hand to promptly fight them. Baby's Own Tablets are the ideal home remedy. They regulate the bowels; sweeten the stomach; banish constipation and indigestion; break up colds and simple fevers—in fact they relieve all the minor ills of little ones. Concerning them Mrs. Moise Cadotte, Makamik, Que., writes: "Baby's Own Tablets are the best medicine in the world for little ones. My baby suffered terribly from indigestion and vomiting, but the Tablets soon set her right and now she is in perfect health." The Tablets are sold by medicine dealers or by mail, at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

WILL QUIT PUBLIC LIFE
 London, June 17.—When the Duke of Devonshire returns to England from Canada after laying down his duties as Governor-General, he will, according to today's press, retire entirely from public life and pass much of his time at Chatsworth, which is now being prepared for his reception. It is understood that the Duchess will resume her former appointment of Mistress of the Robes to Queen Mary.

High Average Mileage
 Sometimes you find a tire that gives extraordinary mileage—one in a dozen perhaps. Whereas the average of mileage given by a dozen—or a hundred—Ames Holden "Auto-Shoes" will be as high as that given by the exceptional ordinary tire.
 It's the high average that counts—that cuts the cost of miles—that makes it worth while to get Ames Holden "Auto-Shoes" instead of ordinary tires.

Early Hours and Temperance His Long Life Secret

Dr. Peebles, 99, Quit Flesh Meat at Thirty-Nine Years of Age.
Los Angeles, Cal., June 2.—Dr. James Martin Peebles, physician and author, who not long ago celebrated his 99th birthday anniversary and who wrote a book on "How to Live a Century and Grow Old Gracefully," ascribes his long life in large measure to abstinence from eating animal flesh. Dr. Peebles stopped eating meat when he was thirty-nine years old. He wrote his book on the rules of living when he was sixty-two.
Asked what he considered the greatest contributory cause to his long life he instantly replied:

One cannot strengthen life by living on death.

I cannot bear the idea of eating dead cows and dead hogs; and it is not necessary. See how strong are horses and oxen; they do not live on dead flesh." Other rules he made for himself and which he said he believed had helped him to reach his advanced years included:
"Go to bed every night at 8.30. Out of bed every morning at six. Never use tobacco. Never use intoxicating liquors. Never complain.
"Avoid all worry and keep an harmonious mind. Worry is among the worst things in the world. Have a strong will-power. Always look for the new. Keep calm."
On his 99th birthday, Dr. Peebles walked erect only occasionally using a cane; his sight was good although he used spectacles for reading; his hearing "as good as ever," and his appetite and digestion he declared excellent. His long white beard and hair gave him a truly venerable appearance.
Asked what his plans for the future were he replied:
"To live a number of years more and to write at least another book. This will be on the progress of Christianity as it is preached, showing how preachers are leaving hell fire, brimstone, purgatory and many other old-time dogmas behind.
"What a variety of mighty changes since my birth!" he exclaimed. "Napoleon then had just died on the Island of St. Helena; old 'Hickory Jackson,' as he was then called, had just been elected president of the United States; Ohio was then a budding state and the great wide west was dotted with Indian wigwams.
"Later came telegraph, telephones, railroads, electric lights and machinery, wireless flashes on ocean and land, airships sailing through the skies and automobiles dashing madly across the continent.
"There is life in everything. Crush

the acorn to earth and the germ looks toward the mountains.

In every marble block there is an angel's form awaiting the sculptor's chisel. God is good. There is no absolute evil in the universe, because God made it.
Dr. Peebles was born March 23, 1822, at Whitingham, Vt., and was graduated from Oxford Academy, Chenango County, N. Y., in 1841. He has travelled around the earth five times.

THRU RAIL SERVICE TO PACIFIC COAST

Canadian National Railways Offer Most Direct Connections With Fast Through Trains From Montreal.

The finest train service to the Pacific Coast is afforded by the Canadian National Grand Trunk "Continental Limited" now leaving at 9.00 p. m. daily from Bonaventure Station, Montreal.

The route of this finely equipped all steel train to the coast is via Ottawa, North Bay, Cochrane and via the Transcontinental to Winnipeg and by Grand Trunk Pacific to Saskatoon and Edmonton and via Canadian National Railways to Vancouver, the finest of scenic routes through the Rockies and over the smoothest roadbed.

From Maritime Province points there is connection by Ocean Limited with the Continental Limited daily and by the Maritime Express, daily except Sunday. The Maritime arriving in Montreal at 7.40 p. m. affords the most direct connection, but passengers by the Ocean Limited still have the advantage of a day spent in Montreal. The Maritime arriving at Lewis at 1.50 p. m. affords connection with train No. 11 leaving Quebec daily for Cochrane at 5.00 p. m. This train makes connection at Cochrane with the Continental Limited, so it will be seen there is really a choice of two distinct routes.
There is also the through service to the Pacific coast by train leaving Toronto daily at 10.30 p. m. via Sudbury, Port Arthur, Fort William and Winnipeg. Connection for this is made by the Ocean Limited to Montreal and the Grand Trunk International Limited to Toronto.
Particulars of these splendid services to the west will be explained by all C. N. R. ticket agents, and folders and illustrated matter may be obtained by application of any of the City Ticket Offices or by writing the General Passenger Dept., Montreal, B.

POLICE COURT NEWS

 Rev. Mr. and Mrs. Locke, who spent the week with their son, Mr. F. E. Locke, left last week for Truro, where they will spend some time visiting their daughter.
 Mr. E. A. McCurdy was in Fredericton last week attending the second Annual Convention of the Fire Insurance Agents of New Brunswick, returning home on Thursday.
 Their Excellencies the Duke and Duchess of Devonshire left Ottawa on Saturday, enroute to England. They will carry with them the best wishes of the Canadian people.
 Mr. D. W. Stothart left last Thursday afternoon on the Ocean Limited for St. Catharines, Ontario, where he will open a hardware store, and in future make that city his home. His many Newcastle friends wish him every success and happiness in his new business and home. Mr. Stothart's family will leave to join him at a later date.

OBITUARY

MRS. JAMES A'HARAN
 The death occurred Monday night June 15th at her home on Mitchell street, of Mrs. James A'Haran. Deceased, who was forty years old, had been a patient sufferer for the past year, and her death was not unexpected.
 Mrs. A'Haran was formerly Miss Jessie Geikie, daughter of the late Mr. and Mrs. Robert Geikie, of Millbank, and is survived by her husband and four children, two sisters Mrs. William McCullam Newcastle, and Mrs. Hynes, Portland Me, and seven brothers, Ernest and George, Newcastle, Howard, Portland Me, William, Archie, James and John, Millbank.
 The funeral was held Wednesday afternoon at 4 o'clock. The service at the house and grave were conducted by Rev. L. H. MacLean and interment was in Miramichi cemetery.

Doctors' Crusade Against the House Fly

Eight hundred Bronx physicians recently joined Dr. Arthur J. O'Leary, Health Officer of the Bronx, in a crusade against flies for the elimination of diphtheria and other contagious diseases.

Insurance Men Meet In Fredericton

The second Annual Convention of the Fire Insurance Agents of New Brunswick convened Tuesday morning in Fredericton with Capt. Masters, of Moncton, presiding, and the following in attendance: E. A. McCurdy, of Newcastle; J. W. H. Storer, of Bathurst; C. Augerton, P. S. Marsten and W. Balmain, of Woodstock; J. W. Flewelling, of St. Stephen; Edgar H. Fairweather, of St. John; and Luke Morrison, D. W. Oltz, W. S. Hooper, and J. L. Neville, of Fredericton.
 The morning was taken up with general discussion but no definite action was taken. At the afternoon session the election of officers took place and other business transacted.
 Tuesday afternoon the visiting delegates were entertained by the local insurance men at a picnic at Albert Cowperthwaite's on the Nashwaak and a most enjoyable time was spent.

Almost Helpless From St. Vitus Dance

The Muscles of the Hands, Face and Body Affected
 St. Vitus dance is a disease of the nerves brought on by a morbid condition of the blood. It is common with children and attacks girls more frequently than boys. Irritability is frequently one of the first signs noted. The child frets, is quarrelsome and does not sleep well. The jerky movements that characterize the disease come a little later. The limbs and sometimes the whole body jerks spasmodically, and in severe cases the power of speech is affected. Such a child should not be allowed to study, but should be kept quiet, given a nutritious diet, remain out of doors as much as possible. Dr. Williams' Pink Pills will help the blood restore the shattered nervous. The value of these pills in cases of this kind is shown by the following statement from Mrs. Frank Reynolds, Windsor, N.S., who says: "When a young girl I suffered very severely from St. Vitus dance. I could not keep still for a moment. If I tried to handle dishes I broke them, and could not safely attempt to hold a thing in my hands. No matter what was done for me I could not control the twitching in my face and body. My parents gave me several remedies, but they did not help me. Then one day my father brought home a half dozen boxes of Dr. Williams' Pink Pills. After two boxes had been taken there was an improvement in my condition. By the time the last box was gone to my own great joy and relief to our family, my condition was normal, and I have since enjoyed good health. I never lose an opportunity to say a good word for Dr. Williams' Pink Pills." You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

NOTICE

The regular monthly meeting of the Miramichi Hospital Aid will be held at the Hospital Thursday afternoon June 23rd at 3 o'clock, as final arrangements for the various activities on Circus Day must be completed. A full attendance is urged.

OPENING NEWS OF SELLS-FLOTO SHOW

Only papers in cities played by Sells-Floto circus during the last two years will print this yarn, friendly readers. It takes a city editor and a copy desk that have seen "Poodles" Hanneford, the riding Hannefords and the Sells-Floto performance since the big western circus started its annual spring openings in the Chicago Coliseum to stand for this frankness on the part of the show's press department.
 Of course here and there will be a snip who will risk it, knowing as all city editors know that the second largest show on earth has long ago gotten over amateurish exhibition.
 But it goes back—does this yarn—to the time that Sells-Floto, coming to Moncton on Dominion Day and to Newcastle the next day, Sat. July 2nd was founded by combination of the old Sells circus and the great Otto Floto Shows, the greatest two car troupe that ever claimed to have twenty.
 They tacked Otto's two cars onto the famous Sells trains and exclaimed: "Here's a circus of the west, by the west and for the west." They held onto this policy for ten years. At the show got too big for 'em. It had to take in the continent to progress, to get its breath. Then came the Chicago openings and performances that made circus history. And what a circus. With the renowned acts on its three ring-two stage roster headed by the famous Poodles Hanneford and the Hanneford family of riders—the features of the program literally lifted audiences to their feet. Encores were common—and encores were hitherto unheard of in the circus business.
 And this is the show that was built for the west. But the east, the north and the south demanded that the west share with them. Sells-Floto has become a national institution.
 remain so. Three years ago, news papers frankly referred to it as "the coming show." It came. It has arrived.
 And Sells-Floto is coming to you. It comes with exactly the program it presented at Chicago and this will be true to the last stand of November in Dixie. With over twelve hundred people, with the greatest arenic program ever seen in America, with its famous horses increased by numbers to seven hundred, with four hundred performers of note and sixty ballet girls on the big show pay rolls, with one hundred and fifty animal acts and animal comics, with fifty-five clowns of nation-wide reputation—with all these attractions, as well as the hand somest parade that ever covered twenty-two city blocks, Sells-Floto Circus, second largest show on earth with a performance second to none, comes to you.
 The parade will be at 10.30 a. m. and seats are to be on sale to-night at C. M. Dickison & Sons Drug Store.

MILLIONAIRES TRIM THE BANKERS 10-6

A fast game of baseball was played last evening on the Farrell Field between two local teams, one team being made up from the bank clerks and regular Newcastle team; the "Millionaires". The game was fast and exciting from start to finish. In the fourth inning, Murray pitching for the "Millionaires" stopped a fast one off the bat and in making a quick throw to first, left wrenching his knee, he retired from the game being replaced by McCabe who pitched the remaining three innings. Mckeen pitched well for the Bankers, (while he lasted) but gave way to Thomson, a southpaw with plenty on the ball who kept the batsmen guessing for the remainder of the game. The score ended 10-6 in favor of the "Millionaires".
 The game was umpired by Frank McNeil in a fair and impartial manner while daylight lasted, but in the gathering dusk some of the strikes were dubious.
 Following is the line-up:

Millionaires	Bankers
Sullivan	c
McMichael	1st base
Allen	2nd base
R. Dickison	3rd base

THE PRESS MEN ARE WELL ENTERTAINED

Chateau, Lake Louise, Alta., June 14—The C. P. R. special train carrying about 150 representatives of Canadian weekly newspapers under the auspices of the Canadian Weekly Newspaper Association, arrived at Lake Louise this morning. The train was somewhat delayed on account of a stop-over being made at Field in order that the party should see the beauties of the Yoho Valley enroute to Lake Louise. During their stop at Field an impromptu dance was arranged at the Y. M. C. A. which was formerly one of the famous hotels along the system of the C. P. R. and according to the general opinion of the party they had a most enjoyable time.

During their stop at the coast they visited Butcher's Gardens Victoria, in addition to the Gorge, and while in Vancouver they paid a visit to Stanley Park, Jericho Beach and took in the famous Marine Hotel. The party is exceptionally well represented of the whole of Canada, representing every province present from Nova Scotia to British Columbia. W. L. Davis, president of the association during the last year was very enthusiastic in his expressions of the trip and the services which the company have provided at the disposal of the party. "Everybody," he said, "was perfectly happy and comfortable, and the scenery was the most magnificent he had ever seen. Every facility was afforded in order that they might enjoy the beauties of the Canadian Pacific Rockies. And it was a great surprise when the special observation car was placed on the train from Revelstoke to Field. On arrival at Lake Louise the party enjoyed breakfast aboard the special train and were conveyed to the Chateau by electric cars. Here they broke up into parties, some taking the Brewster's Pontons to Lake Agnes and Mirror Lake, where they enjoyed the delightful company of Miss Dodds, who for many years has conducted a tea house at this particular spot, some took the drive to Moraine Lake, passing under the gigantic cliff of Mount Temple and Saddleback and opening into the glorious scenery of Moraine Lake and the Valley of the Ten

Will Morning Never Come

DOES this illustration picture your experience?

What is more distressing than being unable to sleep?

Sleeplessness is one of the first and most certain symptoms of exhausted nerves.

This is the warning that you need the assistance of Dr. Chase's Nerve Food to restore vigor to the nerve cells and thereby avoid the development of serious nervous trouble.

By improving the quality of the blood and building up the nervous system this well-known restorative brings new energy and strength to the whole body.

"Fruit-a-tives" Restored Her To Perfect Health

153 PAPINEAU AVE., MONTREAL.
"For three years, I suffered great pain in the lower part of my body, with swelling or bloating. I saw a specialist who said I must undergo an operation. I refused. I heard about "Fruit-a-tives" so decided to try it. The first box gave great relief; and I continued the treatment. Now my health is excellent—I am free of pain—and I give "Fruit-a-tives" my warmest thanks".

Mme. F. GAREAU.
50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

Peaks, where Miss Danks runs a camp at which visitors may stay over night and enjoy very fine trout fishing. The party left for Banff about about 4 o'clock in the afternoon, thoroughly delighted with their day's visit. A. B. Calder, representing the C. P. R. is in charge of the party and at Vancouver was joined by H. W. Brodie, general passenger agent, Vancouver, who accompanied him to Lake Louise, where F. W. Fox, editor of the press bureau joined them.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces, of the body, thus reducing the inflammation and restoring normal conditions.

ADVISE DRUGGISTS TO ADVERTISE

Toronto, June 15—Newspaper advertising was strongly urged upon the druggists at the annual convention here of the Ontario Retail Druggists' Association by Frank Stockdale, conductor of the Retail Merchants Institute, Chicago, and formerly chief of the lecture bureau of the Associated Advertising Clubs of the World. Mr. Stockdale advised the druggists to seriously consider the newspaper proposition if they desired to increase their sales and adopt new customs to the druggist should place his advertisement on the basis of two percent of his sales, Mr. Stockdale said.

Liquor Vendors Get 3,000 Cases

Fredericton, N. S., June 15—The total quantity of liquor taken over by the board of liquor vendors of New Brunswick from the wholesale liquor licenses at St. John does not exceed 3,000 cases, according to a statement made this afternoon by Hon. J. F. Tweeddale, chairman of the commission. As soon as the second carload of 1,500 cases reaches here and invoices have been checked and the amounts paid, Mr. Tweeddale said, that would automatically cancel the licenses of the wholesale vendors at St. John. After that date wholesale vendors cannot legally have any stocks in their warehouses, he said unless they obtain licenses as exporting companies; then their business must be carried on through a bonded warehouse. It is expected that by the last of this week the wholesale liquor licenses will no longer exist.

Sugar Under Six Cents

New York, June 15—Refined sugar went below the six cent level, today the first time in more than five years when the Federal sugar Refining Co. quoted fine granulated at 5.75 a pound.

FRENCH IDOL AFTER DEMPSEYS' SCALP

Manhasset, N. Y., June 14—Georges Carpentier, when he meets Dempsey on July 2, expects to land the first telling punch.

In conversation today with his friend and adviser Captain Mallet, he said that he would drop Dempsey, if the latter made one single mistake. "The challenger," Captain Mallet said, "is not afraid and thinks that he has better than an even chance to win. If willingness, a clear eye and a deadly right hand, coupled with speed and endurance, can win, Georges thinks he will be the world's champion."

He realizes Dempsey will be the best man he has ever met, but notwithstanding he is determined to give his best and if he loses he will take it like a man."

Negotiations Are Off

London, June 15—Negotiations between the Engineering Employers' Federation and the Trade Union representatives on the proposed wage reduction have broken down. National stoppage is threatened this afternoon, when the employers' notice reducing wages became operative. More than 1,500,000 men are affected.

YOUR CUP OF TEA

Your cup of Tea means much to you. It is more than an item in the daily fare. It is the one thing that "rounds off"—or spoils—an enjoyable repast. Tea is fortunately so cheap in this country that there are few who cannot afford Choice Tea. The cost per pound is only slightly higher than ordinary Tea, while the increased pleasure you get from every cup you make is worth many times the difference. It is true also, that a FLAVOR-FULL Tea like KING COLE Orange Pekoe will actually spend further—that is, make more cups to the pound. KING COLE Orange Pekoe is prepared particularly for lovers of Choice Tea.

FELT LIKE AN IRON BAND AROUND HEAD

Mrs. Osborne Says She Shudders When She Thinks How She Suffered

"For years," said Mrs. B. B. Osborne, of 713 Lancaster Ave., Lexington, Ky., "I have been in a run-down condition; nervous, weak and dizzy. I was actually so nervous that any sudden noise or excitement would produce a palpitation of my heart that I could not climb stairs, or to attempt such a thing would thoroughly exhaust me. I had nervous headaches and when they came on it seemed that an iron band was drawn tight around my head. I shudder when I think of those headaches. My stomach was weak and I could not digest the lightest food. Any food of a solid nature caused nausea and the sickening sensation remained for hours. My misery was almost unbearable. My sleep was never sound and I was worn out all the time. My condition was indeed a very deplorable one. I finally sought treatment in Cincinnati but nothing helped me one particle. I was on the verge of giving up in despair when a neighbor pleaded with me to try Tanlac. I obtained a bottle of the medicine and began its use. "I began improving at once and soon felt my nervousness and dizziness disappearing. Then my headaches left me and I realized my strength had returned. My appetite and digestion improved and I am now so much better in every way. This Tanlac is a wonderful medicine and the only one that ever really helped me. I hope every poor woman who is suffering as I did will try it."

Big Storm Sweeps Halifax District

Halifax, N. S., June 15—A severe thunder and lightning storm accompanied by hail and rain visited Halifax this afternoon. Considerable damage was done to crops in the environs of the city by the hail stones, some of which were as large as marbles. The water mains in the house of William Cheney on Tower Road were broken when the place was struck by lightning. Fortunately no one was injured although Mrs. Cheney and two children were in the house at the time.

Cumberland Farmers To Enter Politics

Amherst N. S., June 15—At the annual convention of the Cumberland branch of the United Farmers of Nova Scotia which opened here today, Capt. James A. McKinnon of Malagash, N. S., was elected president of that organization for the current year. It was intimated in the course of proceedings that the farmers plan to take an active part in politics, and will meet later on with the labor section of the county when a candidate for federal honors will be named.

OTHER TABLETS NOT ASPIRIN AT ALL

Only Tablets with "Bayer Cross" are Genuine Aspirin

If you don't see the "Bayer Cross" on the tablets, you are not getting Aspirin—only an acid imitation. The "Bayer Cross" is your only way of knowing that you are getting genuine Aspirin, prescribed by physicians for over nineteen years and proved safe by millions for Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, and for Pain generally. Made in Canada. Handy tin boxes of 12 tablets—also larger sized "Bayer" packages can be had at drug stores. Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monoaceticacidester of Salicylicacid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

PREDICTS CHANGE IN PRINTING PROCESS

London, June 14—Suggestion that printing from type is likely to be superseded was moved by William Gamble at the recent World's Congress of Printers held here in connection with Trades exhibition. Mr. Gamble said the International Printing and Allied that at least three inventors were trying to develop a photographic process to take the place of printing from type.

He predicted that the machines for printing by photographic process would hardly occupy more space than a typewriter nor be any more complicated.

He expressed the opinion that eventually the great printing presses in newspapers offices would give place to smaller, swift-running and comparatively noiseless machines which would turn out printed matter with almost the same facility as the moving picture operator reels off his film.

DILLS WIN HIKE TO THE PACIFIC ANOTHER RACE

Mr. and Mrs. Frank Dill arrived in Fredericton Tuesday morning after an all-night hike, and as their daily average exceeds the other hikers, they have been adjudged winners of the first trans-Canada hike. They won the race across the continent by five days, actual walking time. They gained nine days on the Behans since leaving St. John. No sooner had the Dills arrived than "old man" Behan issued a statement challenging Burman and Frank Dill to a hike from Montreal to Halifax, as he considers he is the fastest walker in the trio. Dill and Burman were immediately notified of this and readily accepted the challenge. Behan wants a ten-hour walk a day, and in this way, it will be decided which is the fastest walker, and entitled to the title of long-distance hiking champion of Canada.

THE HOME THAT WINS

Right into the hands of every father, the Boy Scout Movement puts an insurance policy for his boy's future. Scouting is not something outside the home to turn your boy over to, and forget about. Scouting is the most active force ever let loose in the world for welding father and son together into a winning team for home and country.

Every father does not realize that the average New Brunswick boy is awake 5,500 hours a year. You put him in school for 900 of these hours and everlastingly keep after him to make good. You place him in Church and Sunday School for perhaps another 100 hours and let him know you are looking for results. You keep him around home and under your watchful eye for probably 1,500 of his waking hours and then turn him loose for his play 3,600 hours a year—and that's the end of it. Why? Because you are past the play age or think you are.

Yet right here, in these hours he is away from home and other wholesome influences where your boy forms his character and needs you most. Scouting gives you, as a father, a complete playtime program through which you can win your son for life. Scouting wins, and the home that "puts in" Scouting wins too.

Scouting is the manliest programme ever devised for a boy. As Associate members of the Boy Scouts Association fathers unite with their boys in Scouting. They become pals with their sons and "home Scoutmasters" backing up the regular Scout leaders. The home with Scouting in it wins. If Scouting is not in your home, a letter addressed to The Provincial Headquarters of the Boy Scouts Association, 24 Ritchie Building, St. John, will bring back a reply telling you how you can help to put it there.

Children Cry for Fletcher's

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

The Band and G. W. V. A. are repeating their minstrel show in the Opera House tonight, with additional features, for the benefit of the Aschbi Hospital Aid.

CIRCUS ADVANCE MEN

The Advance men of the Sells-Floto Circus were in town last Friday with their car, and have placarded the town from one end to the other with circus bills.

APPOINTMENTS

Provincial appointments are gazetted as follows.

Northumberland—M. W. McCarthy to be police and stipendiary magistrate for Blackville with civil jurisdiction there; Jude E. Doudreau of Rogersville to be aims house commissioner for Rogersville.

OFFICIAL VISIT

The Rev. Patrick A. Chaisson, Bishop of Miramichi, paid an official visit to St. Mary's parish on Wednesday. A large congregation filled the church and an address of welcome was read by the Hon. John Morrissey, after which His Lordship addressed the gathering and gave them the papal blessing and Benediction.

PRO-RENATA MEETING

A Pro-renata meeting of the Presbytery of Miramichi was held in St. Andrew's Hall, Chatham yesterday at 10 o'clock to deal with the resignation of Rev. E. B. Wylie Ph. D. of the pastoral charge of St. Andrew's congregation, the reverend gentlemen having received a call to the pastorate of First Presbyterian Church, San Diego, Cal.

INJURED SECOND TIME

During the baseball game last Wednesday evening Mr. Charles McCallum was injured and in view of the fact that this young man was hurt last winter, while playing hockey in Baraburst, it was thought at first that serious results might follow. However, he speedily recovered and in a very short time was apparently none the worse of his injuries.

CALL TO REV. MR. TATTRIE

Rev. G. P. Tattrie of Tabusintac and Burnt Church has received a hearty and unanimous call to the pastorate of Bloomfield and O'Leary, P. E. I. The call has been sustained by the Presbytery of Prince Edward Island and will be considered at the regular meeting of the Presbytery of Miramichi to be held in St. Andrew's Church Campbellton, N. B. on Tuesday, June 23, opening at 9:30 a. m.

UNITED SERVICES

The local Methodist and Presbyterian congregations were united last Sunday, on account of Rev. J. B. Champion's absence in attending the ministerial sessions of the N. B. and P. E. I. conference in Sackville. The Rev. L. H. MacLean of St. James' Presbyterian Church conducted both services. The morning service was held in the Methodist Church and the evening service in St. James' Presbyterian Church. Both services were attended by large congregations.

HAD FISHING TRIP

A party composed of Hon. D. W. Mersereau, Mr. R. B. Smith, M. P. P. and Mr. Harvey Mitchell, returned Wednesday from a fishing trip to the Partibog and Little Southwest Miramichi. They ran up against chilly weather but nevertheless succeeded in killing a number of fine salmon. They found the water low in all the streams except the Little Southwest, which seemed to be at the usual pitch. The party were all greatly impressed with the water power possibilities of this noble river.

CASTORIA

For Infants and Children
In Use For Over 30 Years
Always bears the Signature of *Chas. H. Hitchcock*

CENSUS RETURNS

It is expected that when the census returns are completed, Newcastle will show a large increase in population possibly 25% over the returns for 1911.

REFERENDUM

Saturday's Canada Gazette carried a proclamation giving the secretary of state power to call for a referendum in New Brunswick under the Canada Temperance Act.

IN TRAINING

Thirteen horses belonging to Mess. Chas. Sargeant, Wm. Sinclair, Ed. Dalton and W. J. Groat are in training at the Exhibition track, Chatham, N. B., for the 1st of July races.

HOUSING SCHEME

The Town of Newcastle is considering a Housing Scheme, and anyone desirous of taking advantage of it are requested to interview either Alderman H. H. Ritchie or Town Treasurer, J. E. T. Lindon.

FINED IN POLICE COURT

A Chaplin Island Road man was before Police Magistrate Lawlor on Friday, charged with using abusive language to a neighbor. A fine of \$20 was imposed. Another alleged to be implicated in the matter, was acquitted.

STORE BROKEN INTO

Mr. Thos. J. Martineau's Shoe Repairing Store was broken into some time between Saturday night and Monday morning. Access was made through a window in the rear of the shop and a number of pairs of boots, rubber heels etc., are missing.

MILITARY CAMP

The schedule for the Military camps at Newcastle are as follows: June 23rd to July 1st inclusive, Northumberland (N. B.) Regiment; Camp commandant, Lt. Col. C. Donald July 4th to 9th inclusive, 60th Battery C. F. A. camp commandant, Captain J. L. Lawlor.

PROBATE HEARING

The hearing of the contest over the will of Miles M. Doak of Doak town will be resumed before Judge Davidson at Newcastle today. Hon. W. P. Jones of Woodstock is appearing in opposition to the will and Mr. Geo. M. McDade of Chatham in support thereof.

NEWCASTLE FAILURE

W. W. Cormier, Jeweler, of Newcastle has made an assignment for the benefit of creditors to the Canada Permanent Trust Company of St. John. A meeting of creditors has been called for Thursday, June 23rd, at 4 o'clock in the office of J. A. Creaghan.

STATIONS AND MINISTERS

The following is the list of stations and the Ministers stationed in the Chatham District of the Methodist Church:—

Chatham—F. E. Littlejohn, Newcastle—J. B. Champion, Derby—Henry Scott, Buctouche—J. H. Lund, Harcourt—C. W. Kierstead, Campbellton—F. E. Boothroyd, Cape Ozo—B. Careth, New Brandon and Bathurst—H. C. Rice.

SHOWS IN WATT FIELD

The Imperial Exposition Shows will appear in the Watt Field, starting Tuesday 21st and will close Saturday 25th inst. The shows are here under the auspices of the Newcastle Band and carry several side-shows, Merry-go-round, many amusement places, free acts etc. Access to the grounds will be free. There will be many attractions for young as well as for the old. Last week these shows played to full capacity tents at River du Loup, and came to Newcastle from there. This is the first time these shows have ever appeared in Newcastle, and each evening Band Concerts will be given on the grounds.

A SMALL WORLD

When William B. Taylor general press agent for Sells Floto circus which plays here on Saturday July 2nd walked into the Union Advocate office last week he immediately pulled out his date book and said to the editor, "I have read this, and we read a message from our good friend and fellow townsman, Warren Power who is city editor of the Lowell Sun one of the best papers in New England."

The message was addressed to ex Mayor Doyle and also mentioned Fred Dalton whom Mr. Naylor saw before he left.

He informs us that Mr. Power is a very good man and that his famous column "Man about town" is very popular with Lowell people.

HAD EYE REMOVED

The many friends of Mr. Ernest Clarke of Chelmsford will regret to hear, that while rescuing one of his children from an angry cow, he was severely wounded in the eye, which necessitated his removal to the Miramichi Hospital, where the eye was removed by Drs. McKenzie and Wilson.

FINED FOR SPEEDING

Two residents and one non-resident were before Police Magistrate J. R. Lawlor this week for speeding their automobiles on the town streets and in all cases a fine was laid and paid. The Chief of Police sincerely hopes that this will be a warning to all others to keep within the speed limits which is 12 miles per hour in the Town of Newcastle.

OPPOSITION ENDED

Mr. Hanson, K. C. of Fredericton was in town last week in connection with protesting the will of Mrs. Ernest Hutchison on behalf of her son Richard. The latter's death will end all opposition to the will as there are no other contesting parties. By Mr. Hutchison's death, the Miramichi Hospital becomes the owner of several thousand dollars of shares in the Bank of Nova Scotia, upon which the deceased drew the interest in his life time, under the terms of his father's will.

FUNERAL OF LATE JOHN JONES

The funeral of the late John Jones was held Wednesday afternoon at 3 o'clock and was largely attended. The service at the house was conducted by Rev. L. H. McLean, pastor of St. James Presbyterian church and interment was in the Miramichi cemetery. Deceased was an honorary member of L. O. L. No. 47 and the flag was flown at half mast on the Orange hall out of respect for their departed brother.

A beautiful array of floral tributes was sent by sympathizing friends.

Six grandsons of deceased acted as pall-bearers: Clarence Jones, Bert McCormick, Fred McCormick, Jack Corbett, Dick Corbett and Richard Jones.

CHATHAM PEN WON

LAST WEEK'S N.B. EGG LAYING CONTEST

In the N. B. Egg laying contest last week the pen of Mr. H. McEwen, Chatham, took the first prize with a total of 23 eggs. The winning hens are 'Barred' Rocks. Other entrants and results were: D. Mersereau, Rushiagornish, 48; Invicta Farm, Oromocto, 45; Elmville Poultry Club, Elmville, N. B. 39; W.E.B. Tait, Dorchester, 50 Invicta Farm (second pen) 41; Allen and Ferguson, Fredericton, 35; G. E. Wilson, Centreville, 45; N. W. Eveleigh, Sussex, 45; M. J. Robichaud, Bretonville, 37; M. A. Reid, Rollingdam, 25; A. L. Lever, Leveville, 48; C. M. Peart, Havelock, 38; A. T. Reid, Rollingham, 47; H. Williston, Newcastle, 39; G. E. Wilson, Centreville, 48; and R. A. Snowball, Chatham, 31.

BLUE BIRD IS HERE

For some time the people of Newcastle have been waiting for Blue Bird to arrive, and we have much pleasure in announcing that it is in town today, bringing happiness with it. Blue Bird Tea is now placed in 140 retail stores in St. John alone, and is also in all the leading stores in Fredericton and Moncton. Its sale is gradually stretching to all outlying districts and Messrs. Baird & Peters of St. John have been made sole distributors for N. B. Blue Bird Tea has only been on the market about four months and is now in over 1100 stores in Nova Scotia, and in all leading stores in P. E. Island and Cape Breton. The repeat business has been such that the plant has been working nights for the past few weeks, and it is a difficult matter to keep up with the orders which are steadily pouring in.

THE RELIABLE REMEDY

EGYPTIAN LINIMENT

"I have now used Douglas' Egyptian Liniment for 2 years, and find it gives the best satisfaction for man and beast. I tried the liniment on 4 cows during the winter for hump in bag, and a sample bottle cured each case in 24 hours. I also found it good for muscular rheumatism and lumbago." (Signed) Alan Schiel, New Hamburg, Ont.

This Liniment will also stop bleeding at once and prevent blood poisoning.
