The copy filmed here has been reproduced thanks to the generosity of:

Library Division  
Provincial Archives of British Columbia

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Library Division  
Provincial Archives of British Columbia

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

**PETITION**

OF

A NUMBER OF CITIZENS OF ALABAMA,

*Praying the aid and protection of the General Government in forming a settlement in the Oregon Territory.*

---

AUGUST 2, 1841.

Laid on the table, and ordered to be printed.

---

**To the honorable Senate and House of Representatives of the Congress of the United States.**

The petition of the undersigned, citizens of Montgomery, Alabama, and its vicinity,

**RESPECTFULLY SHOWETH,**

That it is in contemplation to form a company of emigrants, in this neighborhood, to make a settlement in the southern part of Oregon, on the Pacific. It is thought the best route there is, by sea, to the isthmus; thence across, and to sail up the coast on the other side. On this route they might require protection. Although it might be desirable to have an armed force stationed in the territory, by Government, the emigrants do not propose to ask any other protection than the national character, and the occasional visit of an armed ship. It is thought that the permanent settlement of that territory is of such paramount importance, that the Government will not hesitate to make a liberal grant of land to the first settlers. They therefore pray that the Government will secure the right of way across the isthmus; will lend its countenance and protection; and will make such grant of land as may comport with the interest, the honor, and glory of our beloved country. And as in duty, &c.

F. BUGBEE, and others.

Thomas Allen, print.
