The Secretary read the following Report which was adopted and ordered to be printed for circulation amongst the subscribers.

LADIES AND GENTLEMEN OF THE CORPORATION OF THE MONT- REAL GENERAL HOSPITAL.

I have the honor to present a brief report of the receipts and expenditure of the Hospital, and of the proceedings of the Governors during the year which terminated on the 30th April, 1892.

The income of the year was	\$50,469 84

The total number of indoor patients treated during the year just ended was 2,329, an increase of 294 from the year preceding. Of these, 155 remained from that year and 2,346 were admitted during the year 1891-92.

There were discharged :

Not treated.....	158
There died in the Hospital.....	169

Of the above deaths 69 occurred within 3 days after admission.

The average daily number of patients in the wards during the year was 157. The average time of each patient was 23.34 days, being less by 2.79 days than last year. The aggregate number of days spent in the Hospital by all patients was 57,247, an increase of 4,056 days from last year.

Of the indoor patients treated to a conclusion there were :

The following life governors have died during the year:—Messrs. A. B. Chaffee, John Duncan, R. T. Godfrey, M.D., George C. Hamilton, Robert A. Lindsay, Richard L. Macdonnell, M.D., Wm. Notman, C. F. Papineau, W. H. Rintoul, Gilbert Scott, John W. Tempest, C. S. Watson.

The following gentlemen have been constituted life governors during the year: Edward Archbald, Robert Archer, J. H. B. Allan, M.D., John Auld, Andrew Baile, Robert Bickerdike, James Cochrane, Wm. Currie, A. D. Durnford, Alex. Douglas, George Esplin, W. C. Finley, F. G. Finley, M.D., G. A. Grier, D. F. Gurd, M.D., J. Alex. Hutchison, M.D., Thos. Johnson, R. C. Kirkpatrick, M.D., E. H. Lemay, J. W. Mackenzie, W. R. Miller, W. H. Meredith, A. W. Morris, H. J. Mudge, Robertson Macaulay, J. E. Molson, M.D., Murdock McKenzie, Arch. McIntyre, R. C. Nelles, Thos. W. Peel, Alfred Porter, Wm. Rutherford, J. H. Redfern, A. H. Sims, J. Stuart, Henry C. Scott, Alex. Walker, Jas. K. Whyte, James Wilson, jr., W. J. Withall, George Wilkins, M.D., Daniel Wilson, David Yuile, Benj. Tooke.

The past year has been a highly important and eventful one in the history of the Hospital. In accordance with the determination expressed in the last annual report, work was at once begun upon

the two large wings, the Greenshields and the Campbell Memorial, and pushed forward so energetically, that all now remaining is the completion of certain of the internal furnishings. They are of plain design but most solid construction, and arranged in all details after the most modern examples. In this work the Executive have received the constant advice and cheerful assistance of their Medical Board, and more especially of the surgeons. It is at the present time the avowed intention of the Governors to proceed at once, upon the completion and occupation of the wings, to entirely reconstruct and remodel the older parts of the Hospital and bring it also into a state of thorough efficiency. This corporation will then possess a fully equipped new and in every way suitable building, capable of accommodating 230 patients. To have been able to accomplish such a great work, it must never be forgotten that the Hospital is mainly indebted to two generous benefactors, Lord Mount-Stephen and the late David Greenshields, and it is satisfactory to know that the Committee have caused suitable inscriptions commemorating these names to be placed around the entablature of each of the wings. Two much lamented deaths occurred amongst the members of the medical board: Dr. R. T. Godfrey, for many years one of the consultants of the Hospital, passed away full of years; he had held a high position in the profession, and was deeply regretted by the entire community. Dr. Richard L. Macdonnell, young, full of high aspirations, able and of marked literary ability, deeply interested in hospital work, was called away while years of eminent usefulness seemed to lie before him. He was a prominent member of the active attending staff. The vacancy thus created was filled by the election of Dr. James Stewart.

During the year Dr. Evans resigned the office of the medical superintendent in order to study abroad, and Dr. W. F. Hamilton, one of the then resident medical officers, was appointed in his stead. Dr. Hamilton has proved a very efficient officer, and the various interests of the Hospital are being carefully watched over by him.

The vacancies occurring by the termination of the year of office of Drs. J. R. Spier, W. S. Morrow, H. Tatley, E. A. Grafton and H. D. Harrison have been filled by the election of Drs. H. J.

Wasson, Jas. Henderson, C. F. Martin, W. H. Smith and R. T. McKenzie. The non-resident clinical assistants to serve alternately for six months in the out-door and gynæcological departments are Dr. B. F. Boyce and G. A. Berwick.

The training school for nurses, under the able management of Miss Livingston, has been in satisfactory operation throughout the year. The average number in attendance has been between 45 and 48, which represents the full capacity of the accommodation. A public meeting was held in April, 1892, at which 11 nurses received diplomas. The graduates of the school are continually sought for, and find constant employment in the community, amongst whom they are becoming quite a feature.

The following gentlemen have acted as collectors in the different wards of the city during the year, and to them the Governors are much indebted for the valuable assistance thus rendered: West ward, Mr. Geo. Kemp; Centre ward, Mr. W. E. Cheese; East ward, Mr. D. Hatton; St. Mary's ward and Hochelaga, Mr. Thos. J. Darling; St. Ann's ward (north), Mr. William Masterman; St. Ann's ward (south), Messrs. J. Respectfully submitted,
