1st. At all the meetings of the Board or its Committees, before entering upon business, the "appointed prayers" shall be said.

2nd. The Bishop of the Diocese shall be Chairman of the Board, and the very Rev. the Dean and the Archdeacon of Nova Scotia shall be, ex-officio, Vice-Chairmen. There shall be also a Secretary, an Assistant Secretary, and a Treasurer.

3rd. The Board shall consist of the Chairman, Vice Chairman, Secretary, Assistant Secretary, and the Treasurer of the Board, who shall fill the same offices in the Committees; of all clergymen licensed by the Bishop of the Diocese, together with twenty Laymen, to be chosen by the Diocesan Synod. At each ordinary meeting of the Synod, one-half of the whole number of lay members of the Board shall go out of office, but they or any of them shall be eligible for re-election; the new members, having been proposed, seconded and elected by ballot, shall be placed at the bottom of the list. No one shall be elected a member of the Board who is not an annual contributor to its funds of at least one dollar.

4th. The Board shall meet monthly during the year, with the exception of August and September, seven being a quorum for the transaction of business; and a general meeting thereof shall be held annually in July, or at the time of meeting of the Synod, to which matters may be referred from the ordinary meetings of the Board, and such appeals addressed as have hitherto been allowed to the general meeting of members of the D. The members of the Church in every part of the Province are invited to co-operate with the Board, by forming Local Committees under the direction of their respective clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the Board.

- 11.—It shall also be one of the objects of the Board to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen ; but no part of the funds shall be appropriated to these objects, except such as shall be specifically given and paid for these objects.

To these objects, generally, the contributions will be applied ; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects.

7th. The Accounts of the Board shall be closed on the 31st December in each year, and shall be audited in one month from the time, by auditors to be appointed by the Board.

8th. None of the above Bye-Laws shall be altered, except at an Ordinary Meeting of the Synod ; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

Prayers

APPOINTED TO BE USED "AT ALL MEETINGS OF THE BOARD, AND OF COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with Thy most gracious favor, and further us with Thy continual help; that in all our works, begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy obtain everlasting life, through Jesus Christ our Lord. *Amen.*

(Board of Home Missions only.)

O God, from Whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady, Queen Victoria: and so to rule her heart that she may in all things seek Thy honour and glory. Prosper with Thy blessing our missionary work. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavours of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through Jesus Christ our Lord. *Amen.*

(Board of Home Missions only.)

O Lord Jesu Christ, who at Thy first coming didst send Thy messenger to prepare Thy way before Thee; grant that the ministers and stewards of Thy mysteries may likewise so prepare and make ready Thy way, by turning the hearts of the disobedient to the wisdom of the just, that at Thy second coming to judge the world, we may be found an acceptable people in Thy sight, who livest and reignest with the Father and the Holy Spirit, ever one God, world without end. *Amen.*

(Board of Foreign Missions only.)

Almighty God, who, by Thy Son Jesus Christ, didst give commandment to the Holy Apostles that they should go into all the world and preach the Gospel to every creature; grant to us whom Thou hast called into Thy Church, a ready will to obey Thy word, and fill us

with a hearty desire to make Thy way known upon earth, Thy saving health among all nations. Look with compassion upon the heathen that have not known Thee, and on the multitudes that are scattered abroad as sheep having no shepherd. O Heavenly Father, Lord of the harvest, have respect, we beseech Thee, to our prayers, and send forth labourers into Thine harvest. Fit and prepare them by Thy grace for the work of their ministry; give them the spirit of power, and of love, and of a sound mind; strengthen them to endure hardness; and grant that both by their life and doctrine they may set forth Thy glory, and set forward the salvation of all men, through Jesus Christ our Lord. *Amen.*

(Board of Foreign Missions only.)

O merciful God who has made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live, have mercy upon all Jews, Turks, infidels and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, Blessed Lord to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, Who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. *Amen.*

Almighty God, Father of all mercies, we Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men; more particularly for the providential support by which our work has been thus far sustained; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ; to Whom, with Thee and the Holy Ghost, be all honour and glory, world without end. *Amen.*

Our Father which art in Heaven, hallowed be Thy name; Thy kingdom come; Thy will be done on earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. *Amen.*

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. *Amen.*

FOURTH ANNUAL REPORT

OF THE

Board of Home Missions.

The Board in presenting their Fourth Report, deeply regret that they are unable to report any improvement upon the state of things represented in the beginning of their Report for last year, and that the sanguine anticipations of the Secretary have been disappointed, his calculations having been made upon erroneous *data*, as is explained on page 15. In fact, it must be admitted that the state of the funds is very depressing, and the Board is heavily burdened with debt. At a meeting held in Argyle Hall in January last, an examination of the accounts for the past six years showed an annual excess of expenditure over income, which on December 31st, 1880, amounted to over \$4,000; so that some grants to Parishes have been, and others must be, withdrawn.

The office of Clerical Travelling Secretary (vacant by the resignation of the Rev. R. Wainwright) is held for the present in abeyance.

A Committee was appointed to consider some modification or amplification of the scheme by which Parishes are aided, in order that more satisfactory results may be secured both to the Parishes and the Board; and another Committee appointed to prepare an appeal to the Diocese in regard to the debt, a copy of which is appended to this Report.

The Board regret that less than one-half of the Missions receiving grants have complied with the resolution respecting Insurance; and of those who have complied, the amounts secured in comparison with the value of Church property are in some cases very much less than they ought to be.

The attention of the Clergy and Local Secretaries is directed to the Seventh Bye-Law, of which the intention appears to be misunderstood. It should be observed that the sums collected in each year should be together with the lists of subscribers, actually in the hands of the

Secretary and the Treasurer before the 31st December. And in order to secure the observance of this regulation, the Board suggests that the Local Accounts should be closed not later than October 31st, arrangements being made in each Parish for the collection of Annual Subscriptions before that date, as it is found that, generally, there is some delay in completing the collections and the remittances to the Treasurer after the date appointed for their completion.

HALIFAX, February 7, 1881.

THE SYNOD BOARD OF HOME MISSIONS commends the following statement and appeal to the attention of every member of the Church in the Diocese of Nova Scotia.

I. The expenditure, under the direction of the Diocesan Church Society, and latterly under the Board, has, for the past five years, exceeded the income at an average of \$1150 per annum; and a debt, after expending all surplus from former years, is incurred to the amount of \$5,000, on which interest is now paid to the Bank.

II. The estimated income for the present year is not sufficient to meet the missionary grants (although they have been reduced), and the necessary charges, including interest on the debt.

III. That the grants for missionary purposes have not been too large is evident from the fact that there are now seven missions vacant, in consequence principally of the inadequate stipend provided for the missionaries, who can obtain a more adequate support in other Dioceses. The Board is aware that more of the clergy, and those perhaps the most valuable workers, are being compelled to swell the exodus which has already taken place.

IV. The question is now before us—"What must be done?"—a question not for the Board alone, but for every member of the Church in this Province. The Board can but dispense to the best of its judgment the funds placed under its care. On the Lay members of the Church rests the responsibility of providing that more of our churches shall not be closed and many of our people shall not be left uncared for.

V. By one spasmodic effort throughout the Diocese the debt could probably be paid off. This alone, however, would afford but a temporary relief. Something more is necessary. Let us therefore unite in a continued effort for a steadily increasing income, so that the present grants may at least be continued and a portion set aside yearly to reduce the debt.

VI. The Board is of opinion that the present income could be doubled without one single member of the Church having to give beyond the extent of his positive duty. Each one is, in the sight of God, accountable for the one talent, or the five, or the ten, entrusted to his care; and the best mode of fulfilling his obligation is to follow the Apostolic injunction, and weekly to give as God has prospered him.

VII. There are probably some parishes that are able further to make a special collection toward lessening the debt, the interest of which will be a heavy annual charge upon the income.

VIII. The Board therefore confidently appeals to the Clergy and to the Laity in this time of great difficulty,—to the Clergy to organize their Missions for frequent and regular collections; to the Laity for a united effort, and for their influence in the common cause, and for doubled subscriptions in the future.

H. NOVA SCOTIA,
Chairman of the Board.

The above statement will serve to correct any misunderstanding relative to the financial position of the Board which may have been caused by the Secretary basing his estimate for 1880 upon subscription lists, part of which belonged to the previous year.

REPORT OF THE
Widows' and Orphans' Sub-Committee.
 TO THE BOARD OF HOME MISSIONS.

The Income of this Fund for 1880 was \$2,264.58, derived from the following sources:—

Premiums of Clergy.....	\$ 615 55
Collections and Donations.....	220 43
Interest on Investments.....	1428 60
	\$2264 58
Legacy Miss Cunningham.....	\$778 74

The charges upon the Fund were \$2,285.95.

There are at present twelve claimants upon the Fund. The pension now paid to each of these is \$200 per annum, but this Sub-Committee have the power to reduce that pension to \$100 per annum, should the state of the Fund render such reduction necessary.

The following securities were held for the Fund at the end of the year 1880:—

8 Provincial Debentures.....	£300
Dominion Stock.....	\$ 1,000 00
Mortgages.....	18,139 34
Savings' Bank.....	2,226 26

The premiums from the clergy may be estimated at \$600 annually, and the collections at least at \$300.

The addition of two claimants to the fund has compelled the Committee to give notice that unless the subscriptions to the fund are very largely increased, the amount paid on and after 1st July next must be reduced to \$150.00 per annum.

Your Committee would urge on the various non-contributing Parishes to increase their subscriptions to this most excellent and much needed charity.

It must be remembered that all Certificates issued subsequently to May, 1878, are necessarily void if the holder removes from this Diocese, except under certain circumstances named on the certificates. The following clergymen now hold certificates, 56 in number, of whom 11 reside out of this Diocese :—

Of the 56 holders of Certificates, 11 are residing in other Dioceses and (except the premiums) contribute almost nothing to the fund. It is to be hoped, however, that the parishes of P. E. Island, which, in one or two instances, have done a little, will make an effort to increase their contributions. Surely for a charity like this, providing at least in part for the Widows and Orphans of Clergymen who, as a rule, are utterly unable from their small stipends to lay by anything for the future, and one in which every Clergyman should feel and take an active and personal interest, such an amount could be raised at once and sent in to the Secretary before June 24th, as would preclude the necessity now forced on the Committee to reduce the grants, and enable them to continue as heretofore \$200 to each claimant, and thus gladden the hearts of the widows of our brethren, who are left to fight the battle of life in their old age alone.

Board of Foreign Missions.

The Board would respectfully urge on the Rectors and Missionaries throughout the Diocese that all monies raised in their Parishes for Algoma should be sent through the Treasurer of the Board of Foreign Missions direct, or at least a notice sent to him of all monies forwarded, otherwise no record can be kept of the amounts raised in the Diocese for Foreign Missions, and the Treasurer's Report cannot give the Diocese credit for the full amount raised.

The Treasurer's Report for 1880 is appended.

14th. If the widow die or marry again, the child or children of her deceased husband shall receive the pension. But no part of the pension shall be received by those children who have arrived at the age of sixteen years, if males, or eighteen years, if females; while those who are still under those respective ages will receive the full amount of the pension.

19th. None of the above Rules or Regulations shall be altered except at a regular meeting of the Synod, after a full year's notice of the proposed change.

The Widows' and Orphans' Committee do not consider the fund responsible for the payment of a larger pension than the \$100 named in the certificate.

SUPERANNUATION FUND RULES.

It shall be one of the objects of the Board of Home Missions to provide for superannuated and incapacitated Clergymen ; but no part of the funds shall be appropriated to this object, except such as shall be specifically given and paid into the Synod therefor.

No. 1.—In accordance with the above, the Board of Home Missions will open a special account for this object, to be called "The Superannuation Fund."

This fund shall be formed and consist of all subscriptions, legacies, and other contributions given and paid to the Synod for this special object, and of all benefits arising therefrom ; and this fund shall be held and applied to and for this object, and none other.

No. 2.—A Standing Committee of six laymen shall be appointed, in whom, together with the Bishop of the Diocese as Chairman, shall be vested the whole management of this fund.

No. 3.—The Diocesan Synod undertakes to pay from the proceeds of this fund the pensions which may become due under the following rules.

No. 4.—Any Clergyman of the Church of England within this Diocese, wishing to participate in the benefits of this fund, shall make application to the Committee, who shall decide each case upon its own merits, and have power to grant such amount of pension, (not exceeding \$200.) as they think expedient. But should the Committee refuse to grant the pension, an appeal may be made by the applicant to the General Meeting of the Board.

No. 5.—No Clergyman admitted from abroad into this Diocese shall receive any benefit from this fund, unless he shall have served for at least seven consecutive years in this Diocese, or shall have paid into this fund a sum to be named by the Committee.

No. 6.—The pension shall be for life, unless circumstances should arise (either from a falling off of the fund or otherwise) which may make a revision necessary.

No. 7.—If the pensioner reside out of this Diocese, sufficient proof of his identity should accompany each draft for his pension.

No. 10.—None of the above rules or regulations shall be altered except at an ordinary meeting of the Synod, after a full year's notice of the proposed change.

ENDOWMENT RULES.

The following rules for the guidance of the Endowment Committee were adopted May 17th, 1850 :—

I. The investment of Endowments may be made in lands, houses, stock in banks, or other companies, money invested in mortgages, or other securities, to be approved of by the Endowment Committee, and to be conveyed and held for the benefit of the incumbent, or resident Missionary, for the time being, of any Parish or Mission for which they are designed, the said incumbent or resident Missionary to receive the yearly proceeds only of the interests or rents arising from such Endowment.

II. The conveyance or trust of such Endowment may be made either to the Society for the Propagation of the Gospel, or to the Church Corporation of the Parish, or to the Diocesan Synod.

III. When real property is purchased and conveyed for Endowment, it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the Churches in his Parish or Mission, during the continuance of such suspension.

V. The Endowment Committee shall hold any sum contributed toward the endowment of any Parish or Mission, in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission; and if, in the judgment of the Endowment Committee, such

opportunity or proposition for endowment shall come within the true intent and scope of the foregoing regulations, they shall authorize the said sums to be paid to the Parish or Mission so applying for it.

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the General Meeting of the Board, at their next meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Committee for aid, shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Board of Home Missions in its favor, in such Mission; and shall state the nature, situation, value, and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Committee to form a correct judgment. All such applications to be made to the Secretary of the Board of Home Missions, who is *ex officio* Secretary of the Endowment Committee.

The Endowment Committee, in a Report May 11th, 1863, made the following recommendations:

"That while no restriction is made as to the sum which a Parish may withdraw from its '*Reserved Fourths*,' and invest as heretofore, yet that \$1,000 be the minimum to which they should amount before they can be placed in trust with the Board and the interest be payable to the incumbent."

"With reference to the control of the Board over the *Reserved Fourths*, the Committee state that they have no wish to interfere in any way with the rights of the Parishes to manage their own property. They would merely, for the better security of this fund for the support of the Clergy, recommend—That a Rule be adopted which would require that, when an investment made by any Parish from its *Reserved Fourths* may be paid off, the money be returned to this Board to be held under the same Rules and on the same terms as before, until such time as the Parish may be able to procure another satisfactory investment."

The first recommendation was adopted, the second is still under consideration.

RULES AND REGULATIONS.

1st.—That no grant be ordinarily more than \$200 per annum to one Mission, or to one Clergyman.

2nd.—That in future, where there is no special condition, grants be made for *three* years from the first of the month either next preceding or next following the date; and that they cease, in every case, at the expiration of that period, unless renewed, at the least *six* months before their termination.

3rd.—That all Parishes and Missions receiving aid from the Board of Home Missions toward the salary of their Ministers shall, by their wardens or other representatives, pay to the Secretary of the Board half-yearly, on or before the 30th of June and 31st of December in each year, such proportions of the required salary as may be arranged by mutual consent of themselves and the Board.

4th.—On receipt of the stipulated half-yearly amount from the Parish or Mission, the Secretary shall accept the order of the Minister for the full half-year's salary as agreed upon jointly by the two contracting parties.

5th.—Should the Minister accept part of the amount payable by the Parish or Mission in kind at *cash* prices, his receipt for the sum in the form of a bill of items, may be counted by the wardens or representatives towards making up the amount to be paid to the Parish or Mission.

6th.—Should the sums agreed to be paid by the wardens or representatives not be paid when due, or within thirty days after falling due, the proportion agreed to be paid by the Board may be continued for six months, and the Board shall enquire into the cause of such deficiency, and consider the subject at the ensuing meeting.

7th.—The receipt of the Clergyman for money given at the offertory may be received from the wardens as part of the conditional payment required by the Board from the people.

CHURCHES.

Every application for aid in the erection of a Church must contain the following information:—

1.—The precise situation, especially with reference to the nearest Church, and to the amount of population within five miles of the Church.

2.—The title of the ground on which the building is to be erected.

3.—The size of the building, the numbers it can accommodate, and probable amount of the congregation that will usually attend it.

4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.

5.—The frequency and regularity of the proposed services in the Church.

6.—That all the sittings are to be free and unappropriated.

It is the wish of the Board of Home Missions that no Clergyman should, when building a Church, rely upon aid from the Board, without first ascertaining whether it is in the power of the Board to grant any assistance.

All grants to Churches are made on the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be obtained when the exterior is finished, the second when the interior is finished. Grants to Pisonages are made on similar conditions.

"The Endowment Committee receive and hold any money given in trust for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given."

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Board.

"The Board will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission*, all the proceeds of whatever glebe lands may be in that Parish."

"All subscription lists received before the 31st December in each year, will appear in the next forthcoming report, while those received after that date shall be omitted."

"If the reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Board."

 The attention of the Local Committees is particularly requested to the above regulations.

"All applications for aid from this Board are proposed at one meeting of the Board and considered at the next."

"No person shall be qualified to vote at any general meeting of the Board, nor to be elected a member, who has not been a subscriber for three months preceding the day of meeting."

At the General Meeting in 1869 the following Resolution was adopted:—

"The Church property, in any Parish, which is actually occupied by the Incumbent of the said Parish, shall be valued by competent valuers upon his taking charge, and be considered at the same value for salary during his incumbency: and the valuers shall be appointed as follows, viz: one by the Parish, one by the Board of Home Missions, and another by those two."

AN ACT to vest in the Diocesan Synod of Nova Scotia the Funds held by the D. C. S.

Whereas, At a meeting of the D. C. S., held in the month of July, 1876, it was resolved, &c., &c.

And whereas, At the General Session of the Diocesan Synod of Nova Scotia, held in the same month, the said resolution was adopted by the Synod.

And whereas, It is considered expedient in order to carry such (resolution) into effect, that an Act be passed to vest in the said Diocesan Synod of Nova Scotia all real and other property held in trust by or for the said D. C. S.

Be it therefore enacted by the Governor, Council, and Assembly, as follows:

1. All property, real and personal, held by or in trust for the D. C. S., or other funds respectively connected therewith, are hereby declared to have become vested in the Diocesan Synod of N. S., in trust, to be held and managed for the several purposes for which they have heretofore been held and managed by the D. C. S., as fully and effectually as the same were previously vested in or held in trust for said D. C. S.

2. The said Synod shall be bound to fulfil all engagements made by the said Society previous to such transfer, and to observe all the conditions under which the several funds may have been held in trust by the said Society.

3. In all cases where monies of D. C. S. have been loaned on mortgage in this Province for the benefit of any trust funds in connection with said Society, and in all like cases, it shall and may be lawful in case of the payments of the amounts due on such mortgages, for the said Synod to discharge such mortgages, by writing under their seal, and thereby the mortgagers, their heirs, executors, administrators, or assigns, shall be fully discharged from all further liability on account of such mortgages.

4. The receipt of the Treasurer of the Synod shall be a sufficient discharge to the Treasurer of the said Society for all monies and securities transferred by him.

Treasurer.

COMMITTEE:
THE BISHOP, | REV. J. AMBROSE,
THE ARCHDEACON. | REV. J. A. KAULBACH,
WM. GOSSIP, ESQ.

The Nova Scotia B. H. M. Deficiency.

In connection with the Appeal* for money to pay off the debt of B. H. M., I am willing to give \$250 towards \$1,000 to be made up within three months. This could be made up by

10 gifts of \$50 each = \$500
10 gifts of \$25 each = 250

or it might be divided in many other ways. We ought to be able, at all events, to obtain—

4 of \$50 = \$200
5 of 30 = 150
10 of 20 = 200
10 of 10 = 100
20 of 5 = 100

I want just a few to make up this sum, as the beginning of a reduction of the debt, of which three-fourths will still remain to be liquidated by other schemes.

H. NOVA SCOTIA.

THE above note appeared in *The Church Guardian*, of the 24th February, since which time the amounts acknowledged in the following pages (79 and 80) have been received.

The time mentioned by the Bishop having expired, and but \$550 (including \$100 promised by Windsor) having been subscribed, his Lordship has been good enough to extend the time to the 1st July. It is to be hoped that the balance of the Amount required will be forthcoming at once.

* See page 14 of this Report.
